We often wonder if some of you members know how to approach a prosective member and point out to him the benefits that can be derived from his time spent in the Knights of Columbus. Can you explain all the good work that has been done and the good work that is going to be done? Can you explain how all the committees function in order to make this council the best in the country? If you will just drop into the office after the next meeting or any time that you find available you can secure some very good literature telling you just how to go about bringing in a new member. These pieces of literature will explain the fine insurance policy we have, the merits to be derived from belonging to such a great body of Catholic men, and the pleasure derived from the social affairs of the council.

We make an appeal to all members to try, that's all we ask; just try to bring in just one new member and if everyone does his part we're sure that Calumet will continue to be the greatest council in the country.

VACATIONISTS

Well, yours truly is trying to type out this column with blisters on his fingers, aches in his bones, and only a bunch of kys in his pocket. Just think, folks, just 110 days to Christmas. Just think, it won't be long before junior is walking and a prospective member. We received a card, about ten in all, from Bro. Jim Higgins, who is spending his vacation with his wife in sunny California. Jim tells us that he has received many offers from the movie studios out there to play in western pictures, but that he can't find a horse to suit his style of riding. We fear Jim would probably end up with a Charley-horse.

We also received a card from our worthy Chaplain, Father Terence, who is vacationing at Hudson Lake in Indiana. Father Terence is assisting Mount Carmel's coach, Bro. Wally Fromhart, in order to get the team in shape to try to beat my alma mater, St. Ignatius. We also received a card from Bro. F. DeMaris from Summit Lake in Wisconsin, where he reports that he just can't catch one fish. Peter Wegner is now sailing the Atlantic Ocean with the U. S. Navy. Pete's father, John, is an old-time member of Calumet and his two borthers are also members.

Sylvester Lewandowski will celebrate his fifteenth wedding anniversary and also his birthday on Sept. 8, so it looks like he will not be able to attend our first fall meeting. We received a card from Treas. Bob Ward and wife from Cincinnati, Ohio, where they are visiting relatives. Don't forget to drop in and see Arch Mahoney if you are out around the Hines Hospital. Well, we hope all of you members had a very good vacation and now that we all have to get back to work we expect to see you at the meeting this Monday.

MEETING OF SEPT. 8

The next meeting will be for the benefit of the bowlers. Lecturer Scully has appointed the new bowling chairman, Bill McNichols, as the chairman of the meeting. Every bowler and his wife or his girl friend is urged to attend. This meeting will be sort of a warmup for the fellows just before we start bowling. Bill tells us that a lot of planning and hard work tends to make this a very enjoyable meeting and is for the benefit of every member of the council. We're sure that you and the girl friend will have a very good time.

We make an appeal to all of you members that haven't sent in your cards telling of your desire to bowl would do so as soon as possible so that we can figure out the teams and have everything all in order the night that we start. We also make an appeal to you members who haven't bowled with us yet to join in the council's activity, get in the spirit and have a very good time. If there is anything that we can guarantee you it is that you will have fun. And don't forget that we go to Cleveland, too, this year and the bowlers who made the Indianapolis trip will all tell you that they had the time of their lives. We bowl on Thursday nights at 9 o'clock at 80th and South Park. Brand new alleys this year. We hope to see all of you at the meeting Monday night.

St. Augustine Golfers Will Close Season at Council Meet Sunday

1-3 Mon. . . . . 5209 S. Justine St.

The past few weeks you have all read a lot about golf in this column. The date of our Council Tournament, Sunday, Sept. 7th, is close at hand and the place is Kinsman's, 143rd and Parker Road, three miles west of the Southwest Highway on 143rd street. Price of all day golf is $1.25. Dinner will be served in the evening at $1.00 per plate. Have you made your reservations? It is our intention to have prizes for all in attendance. A little cooperation will help us to achieve this end. Make it a point to be out Sunday. This is one affair you can't afford to miss.

PGK Doc Kuchler, chairman of our Dollar Dance, informs us that all is in readiness for our party on Saturday, Sept. 13, at Ryans Woods Shelter House, located at 87th and Leavitt Sts. Tickets are $1.00 per person and include all expenses, including dancing, sandwiches, refreshments, etc. Tickets may be had from any member of the committee or purchased at the door. For an evening of splendid entertainment underneath the stars, don't pass up this date. Everyone is welcome and don't forget, the cause is a worthy one. The proceeds of this dance will be used to purchase a room in the new wing of the Mayslake Retreat House, in the name of St. Augustine Council.

BOWLING ELECTION

The Council Bowling League met last Sunday to elect officers and prepare for the coming year. The officers elected were: John Horan, Pres., Nic Schaefer, V. Pres., Joe Handzik, Secretary, and Charlie Subr, Treas. The league will consist of eight teams and will bowl at St. Augustine Alleys on Wednesday, at 9 p. m. commencing Sept. 10th.

While on the subject of bowling, we might mention that the South Side K. of C. League is reorganizing as a handicap league. The Council desires to enter a team and if anyone would like to bowl on Monday nights at 9 p. m. in this league, get in touch with Bro. Jack Paha or the Athletic Chairman.

Abe Follman, our past Financial Secretary, was a welcome visitor at the club house last Sunday. Abe just got in from Cleveland and said that he is catching up on last year's vacation. All bowlers who participate in the National Tournament at Cleveland next spring are invited to be Abe's guests. "Open House" as he termed it.

This column is used from time to time to extend congratulations to the various members on births, marriages, business successes, etc. However, it would hardly be ethical for the scribe to congratulate himself, so we'll just mention as a matter of form that Sir Stork paid another visit to the J. Burkes on Aug. 28, and left a little baby girl. Mother and baby doing nicely, thank you.

Attend the K. C. Softball finals at Shewbridge Field, Sept. 15-18.

Genoa Lines Up Busy Council Program for Next Several Months

1-3 Mon. . . . . 7439 Cottage Grove

Genoa Council members are anxiously awaiting the fall season for activity in the Council. No meeting will be had until Monday, September 15. However at this meeting the plans for the year will be discussed. Pictures taken of the golfers and those in attendance at the Genoa Council Annual Golf Day held August 17th will be shown. Plans should be made now to come and see these strange, but true pictures. See yourself as others get to see you.

U. S. O.

The U. S. O. under the direction of Bro. Frank Govey with the help of Lecturer James Hynan will soon hold an affair for raising funds for the objective of the U. S. O. More news about this later.

TREASURER Ben O'Neill has been out of town for the last two weeks on business. Ben will be able to tell all about Ohio when he gets back. Wonder what all the little girls in Ohio will say when Ben leaves and returns to the big city.

Bro. Corley is the proud father of a baby girl.

Bro. Joe Markeby who is stationed at Camp Davis, North Carolina, and assigned to Battery M, 94th Coast Artillery, was in town over the week-end. Joe has been advanced to a Corporal and is making a steady climb to the top.

Congratulations, Joe. Genoa is back of you and we think of you often. Keep us informed of any activities you think might be of interest to us.

Your advocate and scribe Francis X. Poynton is now away on a vacation with his wife. It looks like the Smoky Mountains will be their destination.

OUILMETTE ENTERTAINS UTAH STATE DEPUTY

2-4 Mon. . . . . 1215 Wilmette Ave.

The officers' meeting, held on August 26, at the regular meeting hall, was more delightful than had been anticipated.

There was one reason in particular why this evening will linger in the memories of those in attendance, and that was the presence of the worthy State Deputy from Utah, Charley Nelson. For those brothers not in attendance we say that Bro. Nelson was a large person, physically and mentally, and with a heart as big as all outdoors. The council members immediately and spontaneously accepted **Bro. Nelson as a "one** hundred percenter."

To give you an idea of the reciprocation shown by Bro. Nelson, he extended an unqualified invitation to each member to stop in to see him in Salt Lake City and he would catch them all the trout they could eat, shoot all the pheasants and ducks they cared for, show them through the copper mines, and take them swimming in a river where they couldn't sink.

After the meeting many of the brothers accompanied Bro. Charley Nelson to the home of Bro. John Winan, who entertained Bro. Nelson during his stay here.

The members of Ouilmette Council are proud of having had the honor and opportunity of making the acquaintance of one so worthy and gracious as Bro. Charley Nelson from Salt Lake City, and we sincerely hope that we will have an opportunity of inviting Bro. Nelson to one of our regular meetings, should he pass through this vicinity again.

Another reason for the success of this meeting was the presence of Bro. Ed Jeffers, our worthy District Deputy.

After the turkey, corn on the cob, sweet potatoes and trimmings, Bro. Joe Alten passed the cigars and the floor was cleared for a short meeting.

PLANNING AHEAD

Bro. George E. White, G. K., announced that plans were in the blueprint stage regarding a Hallowe'en dance, but that it would be for members and their lady friends only—and that was for sure. He announced that the purpose of this was to have people want to join our council so that they will be eligible to attend our parties, just as they have been joining up so that they could bowl.

Bro. White, G. K., announced the formation of various committees and appointed a chairman for each with instructions to pick their own collaborators.

Montreal Archdiocese Has 820,000 Catholics

Montreal.—Montreal is not only the largest archdiocese in Canada, but also one of the largest on this continent, it appears from statistics which have been made public by Most Rev. Joseph Charbonneau, Archbishop of Montreal. The total of 820,796 Catholics includes 4,510 members of three Eastern Rites.

The largest language group is that of French-speaking Catholics who number 733,388 in the entire arch-diocese. English-speaking Catholics number 58,701, and the remaining members of the Latin rite are 13,950 Italians, 3,625 Lithuanians, 3,000 Hungarians, 2,142 Poles, 1,000 Germans, 350 Chinese and 130 Indians. The Eastern rite total is made up of 3,500 Ukranians, 500 Slovaks and 510 Syrians.

Educational institutions abound in the archdiocese, and the figures reveal that there are, in addition to a large number of primary schools, ten classical colleges, a seminary and a university. Three of the classical colleges are directed by members of the diocesan clergy.

The archdiocese has 1,474 priests, of whom 779 are religious of 19 communities. There are 118 parishes and four missions in the city of Montreal, and in rural areas of the archdiocese there are 61 parishes and one mission. Religious communities of women total 38 and eleven communities of Brothers are represented in the jurisdiction.

By having each chairman select his o staff it is hoped that much friction be eliminated in the committees wit corresponding increase in net result. following chairmen were announced the meeting:

Bro. Leo Hassinauer, chairman, Ca olic Action Committee; George Stei chairman, Council Program Committ Peter Steffens, chairman, Insurance M bership; G. H. White, chairman, P licity; Nic Miller, D. G. K., chairm Membership; Peter Thalman and Lechner, chairmen, First and Second gree Committee; Jim Hoffman, chairm Barbecue; Joe Alten and Fred Gens chairmen, Blood Donors' Group, and G. Scherzer, chairman, U. S. O. C mittee.

Bro. White, G. K., also announced plans were being formulated for the ganization of a minstrel show this A director has been contacted and suggested that all members partici regardless of age, inclinations or perience. In other words, everybody.

He would also like to get the wi brothers, sisters and sweethearts of members into this mammoth produc and for that purpose requests that such persons who are not members who would like to participate, be at regular K. of C. meeting hall at p. m. September 22.

Mr. Mulloney, who we believe business partner of Bro. Ed. Cunningh will be the guiding genius, and he w like to have at least two hundred ac and actresses in this minstrel show— no foolin', neither.

A more serious topic will also be cussed at this Sept. 22nd meeting, that is the work and activities of blood donors. At the present time group is somewhat limited while resources are heavily taxed. G Knight George E. White urgently quested every able-bodied member the council to have his blood type this meeting.

LAST MEETING

The Tuesday, September 2, meeting, despite the fact that it was immediately after the Labor Day week-end, was well attended and much important business transacted. G.K. George Daly called the session to order at 8:30 promptly and everything proceeded expeditiously, including an outline of an ambitious program for the weeks to come. The G. K. exhorted full cooperation in the membership drive—Bro. William Kane is chairman—and also urged help for the Fourth Degree Committee, headed by Elmo L. Ward, not to forget the Chicago Chapter Charity Ball on October 12 for the USO. P.G.K. Elmer J. O'Brien is chairman of this committee and he is leaving no stone unturned to assure Hughes Council exceeding its quota. Get in touch with these chairmen so that you can do your part in these activities.

Following the regular business, the bowlers got together to complete plans for the coming season. Bowling Commissioner Nicholas Mulroe and the council league officials, President Charles A. O'Malley and Secretary Harold F. Enright, explained that the transfer to Cascade Alleys, Madison St., near Hamlin Avenue, was necessary to provide accommodations for the ten teams on Friday night. Only eight alleys were available at Madison-Kedzie. Sponsors and lineups of various teams were handed in on last Tuesday and competition in the league begins on Friday, September 26.

It is important that any member who wishes to bowl, consult with one of the aforementioned officials at once. You may telephone Secretary Enright, Austin 2303. The G.K. is particularly eager that the league have a most successful season and he is confident that these veteran officials—the same trio served most competently last season—will provide the inspirational leadership needed to assure another tremendously successful seven-month season.

Sherman Bowlers Are Started on New Season and Plenty Optimistic

1-3 Tues. . . . . 4306 North Ave.

By the time you read this, our Lecturer Frank Veysey will have put over another party and the bowling season will have started in full swing. Please don't fail to be present at our next meeting, Sept. 16 which will be dedicated to Catholic Action. The first meeting in Oct. will be Past Grand Knights' Night. More about this later. Any of you members who might be or are drafted, kindly get in touch with Grand Knight Welker or Financial Secretary Joe Diesenroth. I understand from Joe that the auditors have gone over the books and any of you fellows who have been lax in the matter of dues had better see Joe soon. P.G.K. Harry Kohl and Joe Diesenroth, Jr. were appointed delegates to the Chicago Chapter for the coming year by Grand Knight Welker.

HERE AND THERE

Another prospective member for our council has arrived. A brand new baby boy was presented to Mr. and Mrs. Max Thiel on Aug. 25th. Boy oh boy, will Max be busy, new father, new recording sec., new treasurer of bowling league, new house and captain of a team. Congratulations and good luck, Max.

There will be no team representing Sherman in the West-side Major league this year. Seems competition is too tough. Oh well another year is coming, how about it Bill. Don't forget Father Sesterhen Night, Oct. 4th. More news later. Some of these Irish men are rather fussy how their names are spelled. "Tom Kear" (as I have it) says his name is spelled Tom Keigher, Sorry, Tom.

Anther complaint from the prosperous butcher on North and Central. Eddie Holterhoff did not stay home on his vacation. He packed his boys and girls and the little woman in the old bus and away to Wisc. A card comes in from Bangor, Mich. where the Kiley family spent their vacation. How about bringing some of those apples and grapes around, John andMarge? Another card from Eagle River where Bernie Janco (sans wife) is having a fishless vacation. Matt Ellgass just returned from St Louis, Mo., Granite City, Carroll and points west. No new members out there Matt. Tony Cironne is away in Ohio. Carl Brefeld went somewhere. He dosn't know where himself.

George Heinlein is taking a trip to Wisc. The first vacation in seven years, George says. John Keating, a former Shermanite officer of Davenport Council and members of Degree staff, is visiting his brother-in-law Max Thiel here. Come up to the meeting John and see the boys. One of our new bowling sponsors, Jimmie Guangi who runs a refreshment stand on Chicago Ave., was taxed for going to church last Sunday by none other than Bro. Veysey. If you think it's a joke just ask Jim about it. Well fellows this is all the space we are allowed so the rest will have to be read next issue. Let's hear from you all. Frank Mootz, Keeler and Cortland, Spa. 9497, is where the news should be sent.

Loyola-H. P. to Have Many Important Items for Meeting Sept. 11

2-4 Thurs. . . . . 7435 Cottage Grove

The next meeting is Thursday, Sept. 11 (8:15 P.M.) at 7435 Cottage Grove Ave. We have so much to discuss and settle at this meeting that it ought to bring out a full attendance.

A fine debate between two great teams has been planned for next meeting, also. You will be sorry if you're not at the Thursday, Sept. 11, meeting and successive meetings this year.

On Aug. 28 an interesting officers, bowlers and Lohypa Fourth Degree meeting was held in the clubrooms. Plans for increasing our membership, arranging our bowling schedule and the "Fiesta Night" were discussed. It was also mentioned that we have to elect two new officers at the next meeting, that of trustee and guard. This is one reason for the special call of members for the next meeting. I think you will find it a very interesting one.

N. C. C. S.

Special mention must be made about the big benefit Charity Ball that is to be given by the Order on Saturday, Oct. 11, in the Grand Ballroom and Exposition Hall of the Palmer House. The funds from the party are to be used to furnish the recreational rooms of the new service men's quarters at 1122 S. Wabash Ave.

Our own Past Grand Knight Dick Judge is an officer of the U. S. O., and Bernard Thompson has been appointed chairman from our council for the Charity Ball and has 300 tickets which have been allotted to our Council. 300 tickets will go fast for an affair like this. As you know you can invite your friends, so make up your party now and get your tickets early before they are all gone. Let Berny know how many will be in your party. The phone number at his store is State 3103 and at home, Vincennes 5469.

SPORTS

BOWLING OPENING: Friday, Sept. 19, at 9:00 P.M. sharp, in the bowling alleys at 80th and South Park. For more information and reservations phone Chairman Art Jacobs, whose address is 8035 St. Lawrence, phone Radcliffe 8053 or Bernard Thompson at State 3103 or Vincennes 5469. It is very important that your reservation be in immediately so please phone one of the brothers.

St. Cyr Lists 16 Teams in Council Bowling Tourney

1-3 Mon. . . . . 1609 N. Halsted St.

We're off and away to the greatest pin tournament that St. Cyr's bowling enthusiasts have ever attempted. On next Wednesday night 80 men from all parts of the city will once again meet at the newly remodeled Al Long's Monte Carlo alleys, and once again look forward to smashed records, championship, boos, catcalls, cheers, and the many pleasures of being together with their cronies.

Sixteen teams will this year compete for the honors. Among the old ones returning are Archer Glass, Mohawk Cartage, Maniscalco's Funeral Home, Rubinelli Florist, Strano Printers, Bond Clothes, P. J. Morreale Co., Lucania Morticians, Continental Clothes, Cancilla Construction Co., Cheer Up DeCola Maruca, with the Racine Fuel Co., Falson Electric Co., Erie Clothiers and Dr. A. J. Lendino, supplying the new teams.

If you recall the last tournament, the Maniscalco boys, a group of average bowlers, took the lead on the first night, and with the exception of dropping once for a period of about one week, they were always the leaders. The Maniscalco boys were only average bowlers, but the tournament was run on a handicap basis, thus affording an equal opportunity to all teams. That is the set-up for this year's tournament. As a whole, some teams may look better than others, but being a handicap tournament, each of the sixteen teams has an equal chance of being on top when the curtain rings down some time next April.

The activities are expected to get under way at 9 p. m. sharp. But due to the confusion of opening night, it will take some time to get going. Give the bowling league officers your cooperation by being there at 8:30 p. m. so that the first ball may be rolled as per schedule.

We find this year that there are more bowlers than the original plans would allow. Eighty bowlers and ninety registrants or thereabouts is the way things are now shaped out. Of course, only eighty men can be picked, which accordingly has been done. However, many of these men who have been picked for one reason or another will not be able to bowl on opening night. Those of you who have been picked have received cards notifying you accordingly. However, the bowling officers wish to have all of you there, and things will be worked out as well as possible.

A new and different program has been planned this year which will keep the boys wide awake and keep them interested all along. Whether you are a bowler, or whether you are the wife, sweetheart, sister or friend of one of the bowlers, a good time is in store for all of you. If you want to spend a pleasant evening one of these cold winter nights, drop in at Al Long's Monte Carlo alleys, 2263 Lincoln Ave., and watch St. Cyr boys at play.

On Saturday evening, Sept. 13, the Gar-Cliff Orioles are holding their annual dance at the Lions Ballroom, 4300 W. North Ave. More than ten of the Gar-Cliff Orioles are members of St. Cyr. They've given us splendid support in the past. Now let us give them support by helping them in this big dance of theirs. It's our one big chance to show our appreciation.

Your scribe does not have a great deal of news, due to the fact that the holiday deprived us of a meeting, and since contact with the men is your scribe's only source of information, we fail to have much in the way of interesting items. But the winter season is now upon us. We'll have regular meetings, committees will be appointed for one thing or another, the boys will meet more frequently, and your scribe's ace reporters will again be on the job, giving you interesting tid-bits concerning the members. Attend the Knights of Columbus Charity Ball and help the soldiers, sailors and marines.

LEO TEAM IS VETERAN ENTRY

Again represented in the finals is the squad known as the "Fighting Irish" of Leo XIII Council. A surprise is in store for followers of this team for Manager Peterson has added several new Hibernians to the roster. To his original gang of Lostracio, Felipiah and Dory, the persons of Joe Healy, veteran of two championship teams from Ft. Dearborn; Mike Brogan and Russ Boyle, nucleus of the famous Aquinas teams of several years back as well as Farrell, Kelly, Howard and Corcoran, a pitcher who pitched a no-run, no-hit game this season, have been added. O'Brien, Rice, Naughton and Heinzel, veterans of past years, still contribute their share to the success of the outfit.

This team is well balanced with hitting, defensive strength, pitching and reserves for every position. Athletic Director Jack Fanning says of the 1941 squad, "This is Leo's year; and that's for sure." The first opponent for Leo will be the winner of the Hughes-De Soto game, a severe test.

OPENING GAME

Playing in the first game of the tournament against the defending champions from Hughes will be the runner-up in the North Division, De Soto. They are a new entrant to the K. of C. playoff series, a team of veterans who know their way around a softball diamond. Manager Art Broz, who holds down the first base position and wields a powerful bat, has one of the best shortstops in the city in Joe Shemroske, winner of the valuable player award for the league in 1935. Leading hitters on this squad are Lee Schram, Ray Pedtke and Harvey Dohm. Don't sell this team short; they are definitely a threat.

Probably the strongest runnerup team in the finals is that of Madonna Council. Manager Jim Casey has assembled a very efficient bunch of workmen. Carmody, the pitcher, boasts a very low earned-run average besides being a first-rate hitter. Meagher, Farrell and Pat Smith pack a world of punch in their mighty bats, while Ramus and Barry are fielders without an equal. St. Cyr meets Madonna in their first game and should prove a severe test for the strength of each.

McHALE STAGES COMEBACK

After a several year lapse the name of Archbishop McHale again pops up in the finals as the runner-up in the Southwest division. This outfit started slowly and wound up one of the strongest teams in the city. Manager Leo Kareiva has a well balanced team capable of scoring a large number of runs. L. Wemple, pitcher, has turned in several shut-outs this season. The Usher brothers, Shean and Andrews, are the batting stars and figure heavily in the success of the team. Lafayette is to be McHale's opponent in their first game.

Don't fail to attend the league meeting tonight. Important business will be discussed.

St. Anthony Members Back from Vacations Look to Busy Season

1-3 Thursday.....7300 W. Grand Ave.

Your Fin. Sec., pinch-hitting for your scribe, H. McEvoy, who with Bro. R. Gorsch are vacationing at Bear Lake in north Michigan. Returned from their vacations and back on the job are Bro. F. Schulze who spent two weeks with a troup of boy scouts in Northern Wisconsin. Bro. Ed Osweiler and family made extended motor tours for two weeks.

On the sick list and recuperating are Bro. Ed. Belz, from an appendectomy performed late in July. Bro. Belz would appreciate a visit or a line to 5026 W. Quincy St., Chicago. Also recuperating from an appendectomy and G. B. operation is Bro. Ed. Bezdicker, Sr., address 3726 Ridgeland Ave., Berwyn. Here's hoping we see these brothers up and around soon. At the present writing Bro. Chas. Hart is at home on the sick list. What? Again, Charley? Bro. Nick Didier is back on the job after a three weeks' siege.

N. C. C. S.

The committee for the N. C. C. S. has been appointed with Bro. Frank Schulze as chairman. Tickets are in the mail and it should behoove all members to support this worthy program to the fullest extent and put our Council over 100 per cent. More about this later.

As the holiday and vacation season is about over, and we are entering our fall activities of which there are many on the program, your Financial Secretary is anxious to hear from you brothers who have not as yet taken care of the dues and assessments for the present quarter, as also some for the second quarter. Please remember that in order we may carry on successfully and be able to pay our bills, we invite prompt remittances from the membership, so give.

Thought for the weeks to come: Let all know that St. Anthony de Padua Council aims to a 100 per cent goal or more at all times.

Kingdom of Nepal Aloof from Church

Rome.—Because of ancient and traditional prejudices and traditions, Nepal, a tiny Hindu kingdom in the heart of Asia, still remains aloof from Catholicism.

This is the assertion of the Rt. Rev. Msgr. Aurelio Gianora, Prefect Apostolic of Sikkim, whose Mission of the Himalayas includes the territory of Nepal.

No foreigner can set foot in Nepal, Monsignor Gianora writes, "except the official representative of India who resides there, but whose activity is strictly watched and controlled by the natives."

The Nepalese consider it an "unpardonable crime," he adds, "to make common cause with a foreigner, to embrace his religion and to let himself be directed by him. The native who has become a Christian is nothing more for his compatriots than a traitor to his country, an abject being who has abandoned the most holy dogmas and the most sacred traditions. He will not only be refused access to society and the right of inheritance, but even a burial place in the tomb of his forefathers."

Monsignor Gianora tells how he has often seen water drawn from the wells thrown away by young girls "because our glance had contaminated it."

The Meharajah of Nepal exhibits a special predilection for his subjects who are living in Sikkim, Monsignor Gianora writes.

"He follows with satisfaction their expansion," he writes, "builds temples and schools for them, helps them when necessary to better their social and economic condition and, above all, to obtain posts in the civil administration of the country."

The Nepalese will not permit the sale of land to the Mission which is conducted by the Swiss Congregation of St. Maurice de Agaune.

"At the present time," Monsignor Gianora says, "the government leases pieces of ground for a certain number of years, but there is still wanting explicit permission to erect a church, a school and other requisite buildings. In reality Europeans are forbidden in these frontier regions to start any commercial, agricultural or industrial undertaking."

Cigars placed on the top of a glass case will frequently outsell cigars within the case two to one. As a rule, however, they are not so placed because of the danger of drying.

As the Hawaiians came closer to the scene of their last year defeat, CYO coach Paddy Kane prepared to lead more than 50 candidates to the CYO team to Palos Park for a ten day training grind. The boxers, all that remain of a field of more than 100 original aspirants to the team, will leave the CYO gym tomorrow (Saturday), at 4 o'clock. At camp Coach Kane will select the team that will clash with the Hawaiians Sept. 17 for Bishop Sheil's Needy Youth Fund.

Paddy Kane served notice this week that while the veterans naturally were favorites to gain places on the squad he has enough new talent to make the veterans buckle down to serious competition. Of the eleven who fought last year in Soldier Field and defeated Hawaii, 8-3, three will be missing from the ranks this time. Savior Canadeo, who turned professional, Eddie O'Connell and Cornelius Young, retired, will not be back with the group this year. However, Harold Dade, Frank and Tony Bausone, Hubert Hood, Isaiah Wells, Jack Ballengee, Ray Brown, and Al Noto will vie for places on the 1941 squad.

Newman's Program for Season Being Readied for Meeting of Sept. 18

1-3 Thurs. . . . . .St. Mary's Hall

Hello, folks:

With our vacations and most of the hot weather out of the way, the officers and members of Newman Council will now get to work doing bigger and better things for Newman. Our lecturer, Tim Jans, is expected to have a fall schedule prepared for the next meeting, the third Thursday of this month. Bro. Tim has some mighty good entertainment arranged for the brothers for the coming meetings.

Our good friend, Bro. Cliff Dalton, chairman of the membership committee, will name his chairmen of the different parishes. Under Bro. Dalton's leadership, Newman ought to go over the top in its quota the same as it has done the past two years.

Dr. Edw. W. Keefer will be on hand to name the various scribes for the various months. Bro. Geo. Amidon, chairman of the Catholic Literature program, will outline his duties and name the brothers whom he has asked to aid him.

Bro. Tom Zicco, chairman of the athletic committee, will also outline his program in regard to the basketball team, softball team, tennis, etc.

Let's go, Newman! May this be Newman's banner year!

Newman's bowling league will have a practical session at the Main Bowling Recreation Center, opposite the Main street elevated station, Tuesday, Sept. 9, at 8 p. m. All brothers who intend to bowl this year in the Newman Council league are asked to put in their appearance at this time.

Just heard that our recorder, Bill Miller, is the chief cook and saucer washer at his home. His wife, Gladys, spends most of her time knitting. Bro. Tom Hayes' team of La Grange and Bro. Roy Decker didn't fare so well last Sunday at Skokie. The final score was Skokie 9, La Grange Motors 1. The boys residing in Skokie are also good baseball players.

Bro. Louis McNally spent the weekend in Iowa, and Bro. Bill Hojnacki also visited Iowa. Bro. Hank Luke spent the weekend in Waukegan. Just heard from Bro. Red Fitzgerald and he informs me that Bro. Lieutenant Anthony Shultz is spending his vacation in Oscaloosa.

Bro. Michael Menke, boss and owner of the Westmore Tire Shop and Service Station, spent his vacation accompanied by Charlie Devine touring the north and northwest states.

Bros. Edw. Coursey and Deputy Grand Knight Bernard Nellessen, accompanied by Harley Ridgeway, spent last Sunday and Monday fishing on Lake Estie near McHenry.

I hope to have a larger column of news next week, brothers. If I could only think up a scheme like last month's scribe that would cause as much excitement and hilarity, that indeed would be something.

I heard there was a game between the old timers and regulars at the Chandler Leahy Park. The final score being Regulars 16, Old Timers 15.

MAKING OF RETREATS AT HOME NOW POSSIBLE WITH PRIESTS' DEVICE

Tuscon, Ariz.—The laity who are unable to go to a retreat house can make their annual retreat in their own homes, by means of a method just perfected by two priests, the Rev. Don. H. Hughes, of this city, and the Rev. F. J. Remler, C.M., Spiritual Director at Kenrick Seminary, St. Louis.

The retreats are provided by means of records, which can be played on the home phonograph. The five transcriptions contain ten conferences and are arranged for various hours of the day, so that a whole family can make retreats at home, beginning Friday evening and ending Sunday night, as is the usual practice in retreat houses.

Attend the K. C. Softball finals at Shewbridge Field, Sept. 15-18.

ST. JAMES WILL HOLD 'CHAPTER NITE' MONDAY

2-4 Monday.....64th St. and University

Next Monday night is listed in the program to be Chicago Chapter Night and P. G. K. P. O'Connell Night, so it looks like a big night. Council officers are extending their efforts to make this one of the outstanding meetings of the season and want all members to take particular note of this request to put in their appearance. As you know, P. G. K. O'Connell now lives in Warsaw, Ind., and that it is hard for him to leave the fish in Winona Lake long enough to come in to a meeting. Lecturer Peter Wehle is still taking the names of those who attend the meetings for a present to be given for perfect attendance, or for attending ten or more meetings during the year.

MEMBERSHIP

General Robert E. Lee, the artist of the Membership Committee, got into a huddle with me and Doc. Strobel and decided that we would again remind you that new members are welcome to St. James. It now develops that a box-score will be kept and each week new additions will be added with the help of the Council members who still want to get that complimentary dinner to be held the day of the initiation of the Leo Flynn Class.

Just glance down the following list and see if your name is on it. (Candidates name first with sponsor in parenthesis):

Mr. Walter George Meyer (Larry Duby); Mr. Mark F. Hanley (G. K. John McKean); Mr. Ambrose J. Noonan, Mr. Joseph B. Thomas, Mr. John J. Hayes, Mr. Lawrence C. Wigahl (Peter Wehle); Mr. Alex McKenna (Recorder Dan McKenna); Mr. Walter Kilgallon (Ray and Frank Steffens); Mr. Ralph Gaking (Robert E. Lee).

SPORTS LINE-UP

SOFTBALL FINALS are still listed to be played off at Shewbridge Field at 74th and Aberdeen St. on Sept. 15, 16, 17 and 18. It would not be a bad idea to arrange for your tickets early.

BOWLING—The boys bowl at Legion Alleys at 75th and Cottage Grove Ave., 2nd floor. It is still not too late to join one of the teams so get in your application next Monday night to Chairman Paul Sink.

GOLF—On September 28 the brothers, headed by Chairman Chris Davis, will tramp the fairways in a golf tournament and those brothers who wish to also get a little exercise may do so by calling Chris at State 9300 Ext. 289.

All you members who read this column and are members of the Council will be eligible to win a ticket to the Columbus Day Ball through the courtesy of Lecturer Peter Wehle and the scribe and the other minor officers of St. James Council. I understand that there are ten single tickets to be given away.

District Deputy Edward Martin was a visitor to the scribes office in Blue Island where this is being written and where Doc Strobel hangs out every morning except Wednesdays and Sundays. The Worthy District Deputy and P. G. K. of Blue Island Council had a big smile on his face when he was invited to attend St. James Chicago Chapter Night. Who can tell but what he will bring the new Grand Knight Eddie Hansen and the Lecturer Justin Boyd and maybe even the Has-been Grand Knight Dan Boyd (all Blue Island papers please copy). How do you brothers like the Lecturer's program, I see my name and address and telephone is listed on page 2 on the very top so why don't you give me a ring and let me know some of that stuff you say that I never put in. Incidentally, ye scribe received his questionnaire from Uncle Sam and he is shaking in his boots.

Jewish Soldier Writes Thanks to Women

New Orleans.—Among lettters received from trainees who have been entertained by parish units of the National Council of Catholic Women in the course of their National Catholic Community Service activities, was one from two Jewish boys thanking the Catholic women for their kindness.

"Your thoughtfulness," the soldiers said, "to two of us Jewish boys, in taking pains to point out to us places of Jewish interest while taking us sight-seeing, although you were Catholic, was certainly appreciated. While people in many parts of the world are persecuting Jews, your consideration for us certainly was wonderful and we want to tell you how thankful we are."

Other non-Catholic trainees have also expressed their appreciation for entertainment provided at Catholic centers. At one parish hall luncheon, a sergeant told the pastor, "Father, this is the homiest place we've been since we left home." Another trainee gathered together full plates, cups, saucers and bowls at a parish hall where luncheon was being served, and then asked permission to take a picture. When asked his reason, he said, "I want to show our captain what a meal the Catholics served us."

A dance for 300 service men, members of naval and Coast Guard units in the city and men on leave, scheduled for July 12, was the third dance sponsored by the recreational committee of the N.C.C.S. here. A local hotel offered its convention hall, music was provided by the New Orleans Police Band, and members of parish sodalities, Catholic Daughters of America, residents of the Catholic Women's Club and Catholic alumnae will be present as partners.

Oak Parkers Expect Big Attendance for Basket Picnic Sunday

2-4 Mon. . . . . 641 S. Scoville, Oak Park

All out for the great Oak Park Council picnic next Sunday, September 7, at Maywood Grove, located just west of the Desplaines River and north of Lake St. The Lake St. cars will take you direct to the Grove.

This will be an old-fashioned basket picnic where we will meet old friends and former neighbors, where the aloofness of city life will be cast aside for the friendliness of the great outdoors. Here is one of the finest of all the groves in the great Forest Preserves; we can eat our lunch in comfort and enjoy ourselves to the utmost.

For several weeks the committee have been working hard to make this a banner event. Joseph P. Cagney, Grand Knight, and Fred P. Hansen, president of the Building Association, join in asking your support for this affair. With the stellar group of men who are backing this there can be no thought of anything but a splendid success. Do all you can by bringing your friends and neighbors. Do more by selling the tickets you have and remitting to Joe Kamin for them.

COUNCIL ITEMS

Mr. James F. Wade has just returned from a trip to California, where he and Mrs. Wade enjoyed two weeks of the excellent climate. We learn also that Walter Wade has been confined to his home by illness but is now able to make short trips to the office. We hope, Walter, for your early return to full health and pep.

We learned also of the death of the wife of Bro. Charles Meyers of this council. Mrs. Meyers was buried from Ascension Church on Monday. We extend our sympathy to the bereaved. May her soul rest in peace.

Another death that occurred during the last week was that of Mr. Alex Knauber, formerly Lecturer of the council. While Mr. Knauber was not a member at the time of his death the many things that he did in the past endeared him to many of the members. We extend our sympathy to the family in their loss.

Next meeting will hold some fun and enlightenment for the entire council. The first meeting of the real season, it will open with a bang. The special attraction will be a quiz program. Come out and see if you could beat that fellow on the air. Sure you can while you listen to the radio, but that is merely a mind bet. Come to the meeting and try it out under pressure of answering before the crowd. It's real fun. Then, too, there may be a suprise. Mind you, we are not saying! Come out and see for yourself.

ST. RITA BOWLERS WILL OUTLINE SCHEDULE MON.

1-3 Thur. . . . . 6048 S. Fairfield

The last meeting of the St. Rita Council Bowling League before the season officially gets underway will be held Monday night. President Doc Hoffman and Secretary John Lehner request that all keglers attend in order that rules and other matters for the 1941-42 season will be clear to the members before they begin toppling the maples a week from today.

John informs us that 64 members have registered so far. As we hope to have 16 full teams this year, sixteen spots are still open. Members who have as yet not registered and wish to roll are invited to attend the meeting and submit their names to the secretary. If perchance your prowess at the game is not all it could be, do not let that deter you from joining in the Friday night fun which has been such an important part of St. Rita's agenda for the past several years. No matter how low your average may be you are sure to have plenty of company.

As in previous years, we will bowl at the Western Recreation at 63rd St. and Western Ave. The season will open at 9:30 a. m., Friday, Sept. 12. We will bowl every Friday thereafter at that time excepting the Fridays after Christmas and New Year. and Good Friday. The sixteen teams will meet each other twice for a total of 90 games over 30 nights.

Don't pass up this opportunity of having a lot of fun and of getting together with some swell fellows. If you wish to bowl and you will be unable to attend next Monday's meeting then get in touch with Secretary Lehner at 6242 S. Fairfield Ave. Rep. 0285.

DON'T FORGET

The 2034 Club's annual picnic, to be held Sunday, Sept. 21, at the Log Cabin, Pioneer Grove, at 107th St., just a quarter mile west of Kean Ave. Admission is $1 per family, which includes refreshments and entertainment. Connie O'Sullivan is chairman of the outing.

Our last golf tournament of the season to be held Sunday, Sept. 28, at Kinsman's Country Club. Chariman of Athletics Bruno Fracassi urges all members to give him their support in making the tournament the finest of the season.

At our next meeting of the month, Sept. 18, the officers and members of St. Rita as well as other councils throughout the South Side will honor Charlie Nash retiring Grand Knight of St. Rita Council. We need not wax eloquent on the wonderful work performed by Charlie during his long and enjoyable association with the council. Let us just urge all members to attend the meeting on that night and show Charlie our appreciation. Especially do we extend that invitation to all P.G.K.'s of our council. P.G.K. Frank Small has been appoitned chairman of the testimonial meeting.

THINGUMBOBS

Auburn Park Council, whose softball team will represent our section in the K. of C. finals, will stage a party for its nine Friday, Sept. 12, in the shelter at Ryan's Woods, 87th St. and Western Ave. Admission is $1 for men and 50 cents for the ladies, which includes refreshments and entertainment. All St. Rita wishes Auburn Park plenty of base-hits and all the breaks in the softball finals.

Connie O'Sullivan has been appointed council chairman of the Chicago Chapter charity ball to be held at the Palmer House on Saturday evening, Oct. 11... Assisting him among others are Harold Hilbert, Ray Bernoski and Bruno Fracassi...John Lehner's bowling hook carried over to his driving last weekend when he was forced to detour 80 miles near Rhinelander, Wis., because of floods. ...Jim Nash, brother of P.G.K. Charlie Nash and Frannie "Allments" Nash, is passing out cigars. The Missus gave birth to a baby girl last Sunday...Francis Peppard has returned from his vacation and promises to begin where he left off in his work of bringing new members into our council.

Weber Asks Support of Each Member for Council Increases

1-3 Monday . . . . . 4758 S. Pulaski Road

I guess it's about time to give our membership committee another boost. Have you brought in your application for a new member? If not, then why not? Do you expect the chairman to do all the work? I'm sure that he's willing to do more than his share, but for gosh sakes where do you come in? You'd like to have those first two degrees administered in our own council chambers, so why not use a little more effort in getting new members?

If you have a prospect that needs a little more convincing, call upon Bro. John Mazur. He's your membership chairman; maybe he can help. If you have enough interest in your council you certainly can get at least one new member and that's not asking for too much.

ACTIVITIES

If you haven't as yet gotten your ticket to the Weber baseball dance, see anyone of the players. Tickets are 40c and the dance will take place on Saturday, Sept. 20, at the Hamlin Hall at 57th and Hamlin Ave.

The place to be at Sunday, Sept. 21, is the Southmoor Country Club. That's the date and place of the annual Golf Tournament sponsored by the Weber Fours. Tickets are $2.50 per person and include—golf, refreshments, lockers, prizes and almost anything else you can think of. The Weber Fours guarantee you a good time, so it wouldn't be a bad idea to keep that date open.

Why, oh why, must the life of a scribe be so miserable? For two whole weeks I haven't received even one little news item from you brother Weberites. How in thunder do you expect a person to write a column for you if he receives no news? It's your column, why not support it? No kidding, it's no fun to keep begging for news. Maybe some of you brothers figure that what you see or hear wouldn't make good news. Just try it once and see what can be done with your item. Don't hold out on your column, be a regular contributor. Your notes, cards or letters are the ones that make the news. Deliver your news items to either your Grand Knight, Joseph Nowakowski, the Fin. Sec., John Wirtel, or the Scribe, at 4343 S. Drake Ave. Tel. Laf. 5822.

1-3 Tues.....150 W. 69th St.

Details of our meeting last Tuesday night will be published in our column next week. The trustees read their semi-annual report and also submitted the budget for the year ending June 30, 1942.

Softball: The 1941 Championship K of C Softball Finals are all set now for Sept. 15, 16, 17 & 18 at Shewbridge Field starting each night at 7:30 P. M. In the drawings that were held last week, McHale drew as their opponents a worthy representative from the Far West Section (LAFAYETTE). The game to be played Sept. 15th at 8:30 P. M. The winner of this game qualifies to meet St. James on Sept. 16 at 9:30 P. M. To win the championship, McHale will have to win 4 games or one each evening. We are not doing any forecasting but you can rest assured we are hopeful and are confident our opponents will know they have been in a battle.

The players on our team who played during this season and cinched a berth for us in the finals are J. Rogers, Art and Donald Usher, W Shean, J. Andrews, R. Ryan, W. Carey, J. O'Connor, D. Weyer, Leo Wemple, A. Costello, J. Anton, Frank and Tom Mulroy and Leo A. Kareiva. Our coaches, Pat O'Connor and Jack Usher, served faithfully and our deluxe scorekeeper was none other than James Duffy.

The team thanks all rooters who cheered us on during the season and invites the Council to reserve a date and see us in action at Shrewbridge Field in full regalia. We have kept in shape by playing practice games with neighborly councils and are rarin' to go. Keep in touch with the Columbian for further information as to who's who and what's what. Don't forget the dates. Sept. 15th at 8:30 P. M. against Lafayette. It's a date.

HERE AND THERE

Donald Usher, star center fielder of McHale's softball team, recently broke his left thumb but hopes to be fully recovered to take part in the opening bowling session, Sept. 8th and also to play in the softball finals. . . P.G.K. Barney Perona and family are spending their vacation touring Colorado. Barney and Mabel are celebrating their twenty-fifth wedding anniversary. . . Our good friend Rev. Father Rebedeau extends an invitation to McHale members to attend St. Christina's 13th annual carnival at 110th St., and Homan Ave., Sept. 14 to 21. Dinner will be served on those two days. It will be "All you can eat for only 35 cents."

BISHOPS' RELIEF GROUP GIVES RED CROSS $5,000 FOR SUFFERERS IN CHINA

Washington. — The Bishops' Relief Committee this week presented $5,000 to the American Red Cross to be used in the relief of suffering in wartorn China.

The Bishops' Committee is composed of the members of the administrative Board of the National Catholic Welfare Conference, with Most Rev. Edward Mooney, Archbishop of Detroit, as chairman, and co-ordinates the various relief activities of the American Hierarchy.

This latest addition to the already large contributions made by American Catholics to Chinese comes at a time when Red Cross officials declare the need in China to be "critical," and to be aggravated by malarial conditions "of growing intensity."

"Phoenix Night" business meeting will get under way promptly at 8 o'clock and will be expedited so that the unusual program prepared by Grand Knight Henry J. Lynch and Lecturer Charles J. Schroeder might get under way with the least delay.

"Phoenix Night" festivities are going to be different than anything you can imagine. The scribe knows most of the plans, but at the request of our Lecturer, mum's the word. Rely upon our integrity and just come.

"Phoenix Night" is a worthy tribute to a worthy Knight who over a period of years has exemplified the highest ideals of our Order. As many as possible of our membership should be in attendance—make the demonstration unanimous. THE TREE OF MANY USES

MADONNA MUDCUTTERS PRIMED FOR CARNIVAL

2-4 Fri. . . . . 4624 Emerald Ave.

Only a short week now till the opening of the carnival next Friday night, Sept. 12, at Gillooly's Grove, 47th and Halsted Sts. To the best of our knowledge, everything is going as per schedule, and come the day of the fish, everyone should be raring to go.

If our creaking memory serves us right, a final meeting of the carnival workers is scheduled for next Tuesday evening, Sept. 9, at the clubhouse. Further information should reach you via the U. S. snails—er, we mean mails.

FINAL DOPE

Going into Shedbridge Field on Monday night, Sept. 15, will get a poor seat, because on that evening Madonna's softball team will tangle with St. Cyr's at 9:30 p. m. The north side contingent has always been a strong team, winning the city championship several times. And, if we're not mistaken, they had to lick Madonna in the finals to do it.

The entire series should be well worth seeing, with many of the teams exhibiting a galaxy of stars. Three games will be played nightly beginning at 7:30 p. m. on Monday, Sept. 15, and continuing through Thursday, when the championship game will be played at 9:30 p. m.

September 29 is the opening date for Madonna's Bowling League at the Lucky Strike Alleys, 69th and Halsted Sts., at 9 p. m. Secy. Frank Jackson reports that the eight team quota is filled with some over, and all that's left to do now is find sponsors for the teams, get the boys out every Monday night, and keep the scores straight.

COLUMBUS DAY

This year will have a special significance for members of the order in Chicago. Featuring a huge Charity Ball at the Palmer House on Saturday night, Oct. 11, the affair should have the whole hearted support of every council and every member in the city.

Proceeds of the dance will be used to furnish the social center for men in the armed forces which will be located at 1122 S. Wabash Ave. This center will be under the supervision of the National Catholic Community Service and will be a separate unit not connected with the U. S. O.

It is planned by the Chicago Chapter to have 5 per cent of every council subscribe as patrons and 20 per cent of each council in attendance that evening. So it would behoove you merry gents to get into a boogy-woorgy attitude and strut your stuff rounding up a crowd for that night. Tickets are $1 per person, with patrons' tickets five bucks (including two admissions and ice water).

Don't forget either to attend the public Holy Hour on Sunday, Sept. 14, at Soldier Field, thus becoming a participant in the largest religious pageant that Chicago has seen. For complete particulars contact your own Holy Name Society.

GOOD NEWS

Arrives about Past Warden John Horan, who had to duck back to St. Bernard's for another gander at the stream-lined nurses. John's back home now feeling better and under orders to stay abed for some time. After all, if a man insists on seeing blondes (like a certain editor we could mention) he should expect the ticker to miss a beat now and then.

Captain Gene Barry is also feeling much better after a recent session with the medicos. He's also on the rest list and spends most of his time doing just that. He and the family vary the program a little by jaunts in the car, latest one being to the state capital.

Bro. Pat Lynch, Armour & Company's top man in Kansas City, Mo., was in for a flying visit to the home town. Pat would like us to say hello to the bunch for him, which we shall graciously do—hello, gang.

WE MET

Tony Izzonapayroll the other day. West Kenwood's distinguished curb and gutter polisher is back again from his assignment on Garfield Blvd., and he is happy at being back with the good old woodsy atmosphere.

"Hello, sport," said Tony, deftly sweeping up a shovelful of West Kenwood litter and dipping it into his little wagon. "I see the editor has given you the rib because you didn't send him maybe a second hand Christmas card for the Columbian anniversary."

"How's tricks, Tony?" says us.

"I don't know no Trix," replies the neighborhood deodorant. "That guy can sure give you the works, can't he?"

"Tony," said we, fixing him firmly with the old eye, "we disapprove of editors who chase blondes down the hall, screaming 'what is a pinking shears?' "

Furthermore, we would be the last person in the world to tell him that he's good. (Incidentally, eminent Voice, this week marks our eighth anniversary in the col., but emphatically we do NOT want any cards or felicitations—we wouldn't know what to do with 'em.)

(Wouldn't know what to do with them, says he, and we've been getting them for eight years with Madonna's notes scrawled on the backs! We will admit most of them weren't felicitations, however, unless "Please remit by return mail or we'll be forced to put this in the hands of our legal department" is a new way of saying "Happy Birthday." And it doesn't mean that when we get 'em!—Ed.)

Portuguese Gov't. Asks Reopening of Canonization Cause

Vatican City.—At the request of the head of the Portuguese Government, His Eminence Manual Cardinal Goncalves Cere-Jeira, Patriarch of Lisbon, has brought about the reopening of the cause or canonization of Blessed Nuno Alvarez Pereira. The decree of the Sacred Congregation of Rites which reopened the cause was sought with the aim of solemnizing in this manner the eighth centenary of the independence of Portugal.

Nuno Alvarez Pereira lived from 1360 to 1431. He was commander-in-chief of the army and constable of the Kingdom of Portugal, and was throughout his life the soul of the movement for the independence and consolidation of the nation. In his last years he retired to a Carmelite monastery and became Brother Devoto.

POPE PIUS SENDS MUSSOLINI MESSAGE ON DEATH OF SON

Vatican City.—His Holiness Pope Pius XII telegraphed a message of condolence to Premier Benito Mussolini as soon as he learned that the latter's son, Capt. Bruno Mussolini, had been killed while testing an airplane.

The Premier responded, saying he was deeply moved by the Sovereign Pontiff's solicitude, and offering his "devoted homage" to the Holy Father.

The fatal accident occurred near Pisa, and Premier Mussolini went there from Rome as soon as he was informed. Most Rev. Gabriele Vettori, Archbishop of Pisa, took part in the services held there. Most Rev. Francesco Gardini, Bishop of Bertinoro, was celebrant of a Pontifical Mass at the cemetery at Predappio, near Fori, where the interment took place.

HUNGARY ARCHDIOCESE IS STRONGLY CATHOLIC

Budapest.—Of the 1,773,225 inhabitants of the territory within the boundaries of the Archdiocese of Esztergom, the latest statistics show that 1,265,511 are Catholics. H. Em. Cardinal Justinian Seredi, who has occupied this Primatial See of Hungary since Nov. 30, 1927, is the 78th Archbishop of Esztergom. Under the jurisdiction of the Metropolitan See of Esztergom, are the Suffragan Sees of Vac, Pecs, Szekesfeherver, Szombathely, Veszprem, and Gyoer, as well as the Greek Catholic Diocese of Munkacs and Hajdurodog. The 296 parishes and 1,344 chapels or missions of the archdiocese are divided into 30 deaneries and seven archdeaneries.

Woman's Influence

The Catholic woman in her home has unlimited power, and her influence for good cannot be overestimated. All the charms and virtues with which Christianity has endowed her point to her exalted position as man's refining and spiritualizing influence. Men may make the country's laws, but she can influence men's morals for good or evil, and so true is this that the moral condition of society may be taken as an index of the virtues of its women and the respect given them by its men.

OLD TRADITION KEPT AT BOMBED CHURCH

London.—For at least 106 years, the Holy Trinity parish, Dockhead, here, has had an Episcopal visitor on Trinity Sunday. This year, Archbishop-Bishop Peter Amigo maintained the tradition, although the church has been damaged by bombs and cannot be used. . . . Mass vestments may be bought without the surrender of coupons under the new clothes rationing, it has been ruled in London. . . . A temporary "tin" chapel, which served as a church for many years in a Midlandes parish, was completely destroyed in an air raid, it was announced in London. . . . Seven Catholic army chaplains are ministering to the spiritual needs of the troops defending Tobruck, it was revealed in London. DOWLING WILL START FALL SCHEDULE TUES.

2-4 Tues. . . . . 3625 S. Hoyne Ave.

On Tuesday, Sept. 9, our Council will go back on its regular schedule of meeting twice a month on the second and fourth Tuesday. Our lecturer has arranged for an evening of real enjoyment for you at our first fall meeting next Tuesday with entertainment and refreshments. Your Grand Knight and lecturer are endeavoring to give you some enticement to bring you to meetings as it is very discouraging for them to go to great expense to provide entertainment and have empty chairs in our Council Chamber.

Our grand knight is making a special appeal to the members to try and attend at least one meeting a month, thereby giving your officers encouragement and the support they are entitled to. We have many interesting meetings and benefits that you should take advantage of such has our grab bag and above all that good fellowship that always prevails in our Council. So once more your officers are urging your attendance to pack the hall to capacity. We meet at St. Maurice's hall, 3625 S. Hoyne Ave., at 8:30 sharp.

MEMBERSHIP COMMITTEE

We are starting a new drive for members and the chairman of this committee would appreciate any help you can give. If the members do not solicit membership it is impossible to increase our numbers and our officers cannot succeeed unless they have your support. Contact that catholic gentleman in your vicinity, shop or office and give him the particulars and you will be surprised how he will be willing to sign an application.

BOWLING—We will have a bowling meeting in the near future and if you care to bowl and have not signified your intention do so at once, in order that you will receive a notice.. If interested phone Pres. Harry Lorden, Lafayette 3649.

BLOOD DONORS—The chairman of this most important committee is anxiously waiting for your response to be typed and placed on our honor roll. In my estimation this committee should have most of our members as volunteers as we don't know when it might be needed right in our own Council. Don't hesitate but turn in your name and a meeting night will be set aside known as Blood Donor night.

CHARITY BALL

At our next meeting tickets for the Charity Ball and Card Party will be in the hands of your officers and anything you do to support this affair will be appreciated. Proceeds are to be turned over to the N.C.C.S. to purchase equipment for the center at 1122 S. Wabash Ave. It is a very worthy cause and merits your support.

CUFF NOTES

We kind of miss Papa Tom McGurn at the meetings lately. We hope the little one does not keep him in.

Bro. Geo. M. Tearney, master in chancery and his wife have been taking automobile trips during the summer. They visited the Dells, Northern Wisconsin, Starved Rock and a trip around the lake. George sends his regards to all. While writing about the Tearneys they have a son, Tom, who will be a senior at Notre Dame next fall. He will graduate in 1942 and is also a member of the Glee Club.

Ed Stapleton, our big cartage contractor, has not attended a meeting in months and we would surely like to have him surprise us.

Bill Bruehl, Frank Zintak and Ald. Bryan Hartnett spent a few days up at Twin Lakes as guests to Bro. John Buttny.

Our Recorder Tom Gallagher just returned from a vacation up in Fox Lake.

P.G.K. Bill Furlong is the subject of an extended biographical sketch in the 1941 edition of "Who's Who" in Chicago and vicinity—just published—We are again proud of one of our members in the limelight.

WEDDING BELLS

Harry Lorden's daughter, Lucille, became Mrs. Robert Skillin Saturday, August 23 in a beautiful nuptial ceremony celebrated at Our Lady of Good Council church. The Rev. Ed McGovern officiated.

Lithgow. The bridegroom and Harry Lorden Jr. will have their applications read for membership at our next meeting.

The songs at Mass were sung by the golden voice of George Connelly Jr. Our own P.G.K. Earl Dunne was the "Hollywood Director" as he took about 400 feet of colored movies of the ceremony. All the principal parts of the Mass plus the ancient carriages driven by black-faced Geo. Spencer, waiting at the door for the bride and groom were taken. Dentist Roman Michels also took movies. Many of our Bro. knights and their wives were at the church and the reception held at the Wedgewood Hotel. Over 400 people attended to wish the happy couple a long and successful married life. The new couple have their new home at 6951 South Union Ave.

Mrs. Earl Dunne drove Lucille and Dad Lorden to the church in her new beautiful Cadillac car.

Blue Island Mourns Passing of Popular Member, Frank Long

1-3 Tuesday.....Gregory and New Sts.

We are very sorry to report the death of Bro. Frank Long. Bro. Long was a member of the Knights of Columbus for thirty years and it saddened many an old timer when the news of his death was announced last Thursday.

The funeral was held Monday from St. Benedict's. Interment at St. Benedict's cemetery. Thirty of our members gathered at Hickey's Funeral Home Sunday evening and recited the rosary, led by our Chaplain Fr. Gross.

Bro. Long was a champion of youth, this being shown by his efforts in organizing the band and being active in the Scout movement in our Council. Surviving Bro. Long is the widow, two sons, Douglas and William, and daughter Bernice. May his soul rest in peace.

The Council expresses sympathy to Bro. Tom Hayes upon the death of his father last week. May his soul rest in peace.

COUNCIL ITEMS

Our Deputy Grand Knight Bro. Dohrman reports the following on the sick list of the Council: Bro. Hein Rack is at Hines and so is Bro. Bill Juby. Both would welcome a visit from the membership.

Father Penesabene is at Columbus Hospital resting nicely and asks to be remembered in our prayers. If any one knows of any sick member, get word to Bro. Dohrman or any officer so a visit can be made.

During the Legion celebration last week the lads responded very well in manning the booth and Grand Knight Bro. Eddie Hansen wishes to thank all who made the handling of the booth so profitable and easy to operate.

The Bowlers' booth likewise came through with flying colors and Pres. Rosaves wishes to thank the workers. That is the spirit that makes a council successful.

A society note: A bachelor party was held last Thursday evening for Bros. Joe Phillips and Tom Donavon. Sandwiches and ice cream were served. No casualties reported.

Two big coming events in September for the members to remember: the golf pow wow at Glen Eagles on the 28th and Ladies' Nite on the 16th. Another important event will be our dance in October. Lecturers Weland and J. Boyd have a nice program all set for future meetings. Be a good member and attend them.

Have you seen Paul, our Fin. Sec'y, regarding your dues lately? Be sure and do it soon. Now that the vacation season is over the meetings are going to resume their snap and pep. May will be more to put in the colu

Vol. 74, No. 37 | CHICAGO, SEPTEMBER 12, 1941 | Price Five Cents

Philip C. Nilles Master of 4th Degree; J. J. Crowley Vice-Supreme Master

Long and Brilliant Records Mark Activities of Both Leaders

The joint announcement by Timothy P. Galvin, Supreme Master of Fourth Degree Knights of Columbus, was made here today on the reappointment of Sir Knight Jerome Crowley as Vice Supreme Master of the Fourth Degree and of the selection of Philip C. Nilles as Master of the Northern District of Illinois.

The reappointment of Sir Knight Crowley as one of the seven Vice Supreme Masters of the entire Order who, with the Supreme Master and Supreme Secretary, guide the national administration of the Fourth Degree, was made by the Supreme Board of Directors in their meeting at Atlantic City, New Jersey, on August 21.

First Appointed in 1937

Sir Knight Crowley received his first appointment to the Supreme Board in November, 1937, when he was named to succeed Michael K. Reilly of Fond du Lac, Wisconsin. Previously Crowley had served the Order brilliantly as President of the Chicago Chapter, as Master of the Fourth Degree in this District, and as Faithful Navigator of La Salle Assembly, where he was serving when named to the Vice Supreme Master's office.

He was also the third Grand Knight of De Soto Council, succeeding his father to that post, and was a District Deputy for many years.

As Vice Supreme Master of Marquette Province, Sir Knight Crowley will have jurisdiction over the local districts of Northern, Central and Southern Illinois as well as those of Wisconsin, Minnesota, North Dakota and South Dakota. In addition to the Marquette Province, which is headed by Vice Supreme Master Crowley, the United States, Canada, Newfoundland and Mexico is represented by its other provinces, each with its separate Vice Supreme Master.

Nilles Is Veteran Worker Here

Philip C. Nilles, the new Master of the Fourth Degree for this district, in accepting the appointment of Supreme Master Galvin, brings to his new office a wealth of administrative and organizational ability developed over the last forty years of Order history in this State.

Master Nilles first joined the Order in 1906 as a member of Marquette Council. In 1912 he served as chairman of the Organization Committee that founded Bishop Ketteler Council and after its inception was chosen as that council's first Grand Knight. Nilles served as Ketteler's Grand Knight for four terms and then performed the duties of Lecturer and Scribe for nine years.

Since 1916 the new Master has been one of the most active members of the staff of District Deputies in this jurisdiction. At one time or another during the last thirty-five years, Master Nilles has served as District Dep-

District Deputies, Council Officers Meet Next Week to Plan Membership Drive

Beginning tonight, and running over a ten-day schedule ending Monday, September 22, a series of sectional meetings will bring together the District Deputies, Grand Knights and Council Membership Chairmen from every unit in the city for the purpose of studying the problem of membership increases during the new fiscal year.

The meetings, called by State Deputy Leo M. Flynn, are expected to result in the formation of a definite plan that will measurably increase the membership intakes of all Chicago units.

All Start at 8:15 P. M.

First of the five proposed sectional gatherings is to be held tonight at Father Perez Clubhouse, 6710 S. May street, for councils of South Sections Two and Three. The meeting, as for all others of the series, is scheduled to begin promptly at 8:15 p. m.

Other meetings to completely canvass the entire Chicago area are:

Monday, Sept. 15, for councils in West Divisions One, Two and Three to meet at the Midwest Athletic Club, 6 N. Hamlin Ave.

Tuesday, Sept. 16, North Divisions One and Two at Erbach's, 1940 Irving Park Rd.

Friday, Sept. 19, South Division Four at San Salvador Clubhouse, 24 E. 114th Pl.

Monday, Sept. 22, South Division One at Leo XIII Clubhouse, 820 W. Garfield Blvd.

An important part of the discussions will revolve around the preparation and approval of the schedule of council degree classes to be exemplified during the next twelve months.

Knights Will Have Active Part in Formal Dedication of Club Next Wednesday

Chapter officers, grand knights and the separate council chairman for the National Catholic Community Service committee met Wednesday evening at the N.C.C.S. Service Men's Club, 1122 S. Wabash, to complete plans for the formal dedication of the recreation center on next Wednesday, September 17.

His Excellency, the Most Rev. Samuel A. Stritch, Archbishop of Chicago, will preside at the dedication ceremonies, according to Rev. William A. O'Connor, archdiocesan director of the N.C.C.S., while other important personages from civilian and military life will also be on hand.

Mayor Kelly to Speak

Among those who are expected to take part in the ceremony are Mayor Edward J. Kelly, and Major General Joseph M. Cummins, Commander of the 6th Corps Area. Chaplain Lofquist will represent Rear Admiral John Downes of the U. S. Naval Training Station at Great Lakes.

Guests to the formal dedication will include representatives of the Knights of Columbus as well as those of the other Catholic societies which have been coordinated under the N.C.C.S. organization here. Admission to these ceremonies—to begin at 3 p. m.—will be by ticket only though the public is invited to visit the center Wednesday evening when an open house will be held.

Plan Benefit Party Details

Along with the arrangements for the center's formal opening, the K. of C. leaders Wednesday night went over the promotional details relative to the Columbus Day Ball being sponsored by the Chicago councils in benefit of the new service men's club. Furnishings for the recreation center, although already installed, are to be paid for from the receipts of the Columbus Day celebration to be held October 11, at the Palmer House.

Both the Grand Ballroom and the Exposition Hall, the two largest halls in the famous hostelry, will be used that Saturday evening to accommodate an expected attendance of at least fifteen hundred knights and their ladies.

An elaborate dance program is to be offered in the Grand Ballroom while a series of card games and similar entertainments will be provided for all guests in the Exposition Hall.

Solicit Patron Reservations

Admission, which covers participation in both the dancing and the card social, is priced at one dollar the person. The popular Patrons' reservations which include listing in the party program and in future Columbian issues, are priced at five dollars the couple.

Both reservation forms are now available through the council officers or directly at Chapter Headquarters, 173 W. Madison street.

In addition to his council offices and to that of District Deputy, Master Nilles has served since 1924 as a trustee to the Chicago Chapter and was vice-president of that body under the presidency of the present State Deputy, Leo M. Flynn. In 1931 and again in 1932, he was elected to head the chapter organization and served in that office with very great distinction.

St. Francis' Softball West Section Champs In Finals Wednesday

2-4 Thurs. . . . . 4711 W. Madison

The membership drive is on! And it's on full speed ahead. In compliance with State Deputy Leo M. Flynn's wishes, St. Francis Xavier Council will hold the exemplification of the First and Second Degrees of our Order by Columbus day. At least twenty-five new applications are needed to hold this class. The time to procure these applications is limited.

In order to be on time, they have to be in the hands of D.G.K. Salvatore Cirrintano, membership chairman, by the next meeting, September 25. Each and every member is asked to cooperate in this all important drive. Help the council get a head start towards the Century Club rating for the second consecutive year. Get that Catholic friend of yours to join St. Francis Xavier Council.

LAPSATION COMMITTEE: Are your dues and insurance assessments paid up to date? Better check up on it, pronto, and see to it that you are not in arrears, or one of Alex Coletta's henchmen (Lapsation committee) will come knocking at your door. Surely, you don't want that to happen.

Avoid the risk of being suspended. If you can't make the meetings, make arrangements with Alex Coletta, financial secretary, by calling Victory 1860. His address is 2600 Wentworth Ave. Remember, if you're an insurance member, you'll be suspended if you're three months in arrears; you'll be suspended after six months if you're an associate member.

FR. BREEN NIGHT

P.G.K. John Blase Meccia has announced a Father Breen Night to be held Thursday, October 30. The place is still indefinite. The purpose of this affair will be to honor the Fathers Breen, Francis X. and Paul M. in connection with their recent observation of their golden anniversary of priesthood. All of their friends and admirers will be there to pay their respects to them. The committee is working hard to prepare an appropriate program. Further details will be published in this column.

SPORTS

St. Francis Xavier's softball team, west section champs, will participate in the finals next Wednesday night at Shewbridge Field, 74th and Aberdeen Sts. The game is scheduled to start at 8:30 p. m. Come out and cheer the team to victory. If they're going to win the championship, they're going to need your moral support. Show them you're for them one hundred per cent. Be at that game.

Larry Gregorio has announced another golf outing to take place at the Maywood Country Club on Sunday, September 28. The tee-off is at 8 o'clock in the morning, which means you ought to get there about a half hour earlier.

The bowling season got under way last Monday night to a flying start with 12 teams participating. The evening was marked with some good bowling and some bad. The highest series was rolled by Charlie Principe, 617, and the lowest by yours truly, 260. That's the tall and short of it.

Triple victories were chalked up by the Senate Electrics, Bacigalupo Undertakers, Paterno Pizzeria, Izzo Morticians and team No. 11. Their victims were Ald. Pacellis, Dot Pies, Marks Motors, Colettas, and team No. 12. Giugliano Florists won two games from the Orlando Buffet team.

Highest series were: L. Merisso, 539; J. Pauletto, 542; M. Puccini, 551; N. Masse, 529; C. Speziale, 518; S. Randazza, 504; S. Cirrintano, 503; J. Defily, 557; C. Principe, 617; F. Pasquale, 545; A. Vitallo, 582.

Highest game of the evening was a 247, rolled by Mike Puccini, with Joe Pauletto a close second with 243.

Teams No. 11 and 12 were added to the league last week after we were informed that two more alleys were at our disposal. Team No. 11 is composed of O. Furlan, R. Consalvo, M. Visco, M. Caruso and N. Locascio. Team No. 12 is made up of A. Rossi, W. Pascale, C. Falzone, F. Vitullo and the scribe.

Three games a night in the K. of C. Softball Finals, Sept. 15-18, at Shewbridge Field.

SETTERS MAKE HISTORY WITH CLASSIC TOURNEY

2-4 Thurs. . . . 4711 W. Madison St.

Long after historians will have dumped the accumulated records of present hectic world conditions into the ash can as just so much useless data, they'll still be talking about an event of real historical significance which took place last Sunday near the little town of West Chicago. Then and there, on the rolling meadows of Saint Andrews' Country Club, Father Setters Council presented its Ninth Annual Golf Tournament an affair which produced more in the way of good-fellowship, genuine friendliness and all-around cordiality than any event since the reduction of the sales tax.

The biggest factor in this harmonious party was the co-operation of the weather man who, upon being handsomely bribed by Grand Knight Roy P. Bedore and P.G.K. Edward J. Lavin, produced an ideal day for the outing.

The lads, some two hundred of them, began to tee-off about ten-thirty after suitable instructions on the fine points of the game by Tom Lavin, Bill Hoffman and their committee. About half way around the course, at the intersection of several fairways, a sort of recreation center was erected and the sportsmen were received there by Bill Hassett and Warden William Blondin who presided over the serving of liberal quantities of refreshments.

Upon departing from this point, the boys noticed a marked improvement in their respective games, an improvement which lasted all the way around to the eighteenth green, where they turned their scores over to the official handicappers.

HICKEY STILL CHAMP

After the smoke of battle cleared away and all scores were in, Johnny Hickey was found to have repeated his triumph of last year, this time scoring an 84, to win the undisputed championship of Father Setters Council. Among the guests, Al McGuff also repeated his stellar performance of last season by copping the Open Championship with a 72.

A grand total of 41 prizes was the plunder awarded to the lads for their day's work, the complete list of the winners being as follows: W. H. Schiffer, Bill Burke, F. Czeck, E. Gilligan, Jim Callahan, C. Zellars, P. Sigerdahl, Hlavac, B. Hehar, J. McNamara, Dave Kissane, Ed Crumbach, P. Bloom, Ray Sullivan, Joe DeCallawae, J. Kenny, Z. Zito, Bill Riordan, Steve O'Donnell, Joe Herman, Fred Jasmund, A. Ginder, Adam Szott, Mernicky, J. Cote, Nick Bell, Frank Finn, Marty Dunne, G. Gunther, V. Gornsey, F. I. Ouersfield, J. Highland, Frank Johnson, Emil Albrecht, Stanley Adamick, Pop Boland, Tony Beberger and L. O'Mally.

A number of the prizes were donated by the following good friends of Father Setters Council: Elmer I. Shapiro, Ryan Brothers (the florists), Mark Conboy, LaPorte Brothers, Leo Finan, Bill Albright, Peter Conboy and Henry Iding.

G.K. Roy P. Bedore and P.G.K. Edward J. Lavin would like to publicly express their appreciation to the above donors, to Luke McGuff and Marty Dunne who entertained the gathering with several songs, to Mike Cummings, their accompanist, and to all who contributed to the success of this great tournament.

U. S. O.

Frank Prior, chairman of the U. S. O. Committee of Father Setters Council, cordially invites all members and their friends to attend the Columbus Day Ball which is being sponsored by the Chicago Chapter for the benefit of the United Service Organization. The U. S. O., as you know, is the combination of all organizations, including the National Catholic Welfare Conference, engaged in providing recreational facilities for the men now in our armed forces. Therefore, any efforts expended in promoting the work is a direct aid to the men in uniform and a contribution to national defense.

More complete details of the Columbus Day Ball will be found elsewhere in this issue.

IN MEMORIAM—Thomas O'Donnell, member of Father Setters Council for a number of years, passed away last week. The funeral took place Tuesday from his late residence 6139 S. Washtenaw Ave., with interment at Mount Carmel, following Requiem Mass at St. Rita's Church. Special prayers were offered for the repose of Brother O'Donnel's soul at last night's meeting.

Expect 40,000 Fight Fans at CYO-Hawaii Bouts Here Wednesday

More than 40,000 rabid fight fans will attend Chicago's outstanding outdoor amateur boxing show Wednesday night, Sept. 17, when the amateur champions of Hawaii clash in a return match with Chicago's CYO in Soldier Field.

Still smarting under last year's 8-3 defeat, the champions of the islands will attempt to avenge 1940's setback and to snap the CYO's ten year unbeaten team record.

Ten championship bouts in all weights ranging from flyweight to heavyweight will be featured on the gala program together with six preliminary bouts between out-of-town CYOs. Highlighted on the events scheduled Wednesday night will be a twenty minute program of pageantry graphically portraying the cavalcade of youth in the CYO.

The Hawaiian team returns this year with six veterans of last year's meeting with Chicago. Two of the stars led off the 1940 show with victories. Paul Inamine and Richard Chinen, flyweights, stopped Harold Dade and Al Noto, but the others, Henry Oshiro, Frank and Dan Fernandez and Ray Quintal, captain of the '40 team will be seeking revenge for defeats handed them their last time here.

Chicago's own team has not yet been chosen. At present more than fifty candidates to the squad are in training at the CYO Boys Camp in Palos Park. Their head coach Paddy Kane and his assistants Dick Fitzpatrick and Lou Radzienda will select the ten who will meet the Hawaiians Wednesday. Kane will announce his selection shortly before they break camp Tuesday night.

Proceeds of the bouts Wednesday night, as always, are contributed to the Bishop Sheil Needy Youth Fund which annually cares for youth of all races, color and creed in the Archdioceses of Chicago. CYO officials report that several thousand choice seats are still available. Tickets may be purchased at the CYO Center, 31 East Congress Street. For reservations Phone Wabash 1114.

HEARD ABOUT TOWN

The Ed. Hyland family did Wisconsin over the Labor Day week-end, taking in Holy Hill, Fond du Lac, Baraboo, where they swam in Devil's Lake, Menominee Falls, the Dells, and in Madison where they swam in Lake Mendota; Oshkosh and then home. In connection with the dining ro and service may I say a word h about our hostess? I don't know name but she is without doubt as ficient a person for the position could be found. You will find her wa ing at the door to greet you and sh you to a table with a smile and t of voice that instantly make you f at home. I really hadn't thought of until she mentioned it, and sudde that was exactly what I wanted.

Leo Starts Fall Term With Good Omens for Future

1-3 Tues. . . . . 820 W. Garfield Blvd.

Our first meeting of the fall season was one of the best attended and most enthusiastic that Leo Council has had in a very long time. Grand Knight Breen expressed his appreciation for the large turnout and asked the members to use the clubhouse more, as the shuffiboard, and other games are in first class condition, in the basement.

District Chairman John Ruberry gave a very good report on the fall programs the Councils in his district have under way to make the Charity Ball and Card Party on October 11, a success. We of Leo will have to do yeoman service to put the council out in front in this drive to sell tickets.

Patron's tickets, of which our Grand Knight hopes a great majority of Leo members will avail themselves of, are priced at five dollars the couple and will include listings of the members' name on the official program. General admission tickets are priced at one dollar. Tickets are on sale at the clubhouse.

Proceeds of the Charity Ball are to be donated to the National Catholic Community Service Center at 1122 S. Wabash Avenue, for the provision of furniture and recreational facilities. The headquarters under the personal direction of Father Wm. O'Connor, will be for the benefit of visiting soldiers, sailors and marines. They will find a hearty welcome awaiting them any time during the day or evening.

SOFTBALL

Our softball team last week lost two of its best players. While we are sorry to loose them Leo Council wishes them the best of good luck, and that our Devine Lord shower His blessings on them. Bro. Frank Howard left for Mundelein, and Bro. James Farrell to study for the priesthood. Results of the softball finals will be in next week's issue.

HERE AND THERE

Congratulations to Bro. Storey and Mrs. Storey on the birth of a daughter on Saturday, August 30. Bro. Ed. Casey is still on the sick list. Ed. would like to have some of the members pay him a visit, at 740 W. Garfield Blvd. Bro. Gene O'Brien is now at home and coming along in fine shape.

Bro. Capt. Kercher is spending his vacation with his son at Claton, Mo. Bro. Vinc. Leonard and family just returned from a vacation trip to the Smoky Mts.

Today (Friday, Sept. 12) is the day on which the members and friends of Bro. James (Bud) Gorman, will sponsor a Pre-Nuptial party for Bud and his bride-to-be, Miss Helen Griffin. They will be married Saturday, September 20, at 2:15 p. m. at St. Leo's Church.

Bro. Jack Fanning our Recorder is back on the job. The entire council joins the Grand Knight in welcoming Jack back home. Jack as you all know was the right hand man of Bro. John Ruberry in the conducting of the weekly socials of last year and will no doubt help Bro. Ruberry repeat the success of last year, when in the near future the socials for this season get underway.

FLASH

The next regular meeting of Leo Council will be held Friday, Sept. 19. The date was changed from Tuesday, Sept. 16 because of the softball finals. At this meeting Leo Council will do honor to the Fighting Irish of Leo. Our Lecturer, Bro. John Vaughan will have some very fine entertainment and refreshments on hand. If you have a prospective member bring him along. Show him the things the clubhouse has to offer, and a nite of good fellowship may hurry that application along.

Our Financial Secretary, Bro. P. Joseph McNamara is at the clubhouse every Tuesday and Friday evenings.

Sherman Members Will Hear Interesting Talk at Meeting on Sept. 16

1-3 Tuesday.....4300 W. North Ave.

Summer is going, ducks are flying, fishing is on the wane, cool weather is in the offing so bowling has begun and meetings are held twice a month. At our next regular meeting, Sept. 16, we will have for speaker Bro. William King, P. G. K. Father O'Connor Council and treasurer of Chicago Chapter. He will speak on Catholic Action and the Charity Ball to be held on Oct. 11, at the Palmer House. Better not miss this meeting as Bro. King is quite an orator and has something to talk about. P. G. K. Harry Kohl was elected a trustee of the Chicago Chapter by a big majority. Nice going Harry, keep up the good work.

Last meeting was Bowlers' Night and I am glad to report a nice attendance. Gifts were distributed by Asst. Lecturer Frank Kennedy and the meeting was turned over to Lecturer Veysey who handled it in great style. Fellows have you seen the new Memembership Thermometer? If not, come up to meeting and get your name inscribed on it. Two more applications were read off at the meeting, one secured by Bro. Leslie Janco (more news about him at a later date), and one by the guy that writes this column. Come on, fellows, let's get that thermometer hot.

Our Lady of Angeles Ushers' Club thanks the members of Sherman for the large attendance at their party. Some of the members present were Grand Knight Welker, Lecturer Veysey, Asst. Frank Kennedy, Inside Guard Tom Tierney (behind the bar), Outside Guard Jack Ryan (all over), P. G. K. Al Loiselle (busy here and there), Jess LeRoy taking tickets, Tom Daly, Jack Brock, Frank Lane, Joe Burke, Frank Mootz (without his wife), and Mrs. Bernie Janco without her husband. Maybe that's why she won a prize. All the other boys had their women folks along and report a good and perfumery evening.

HERE AND THERE

Our Grand Knight Bert Welker visiting around, stopped in to see Fred Antlesperger who has been ill for some time and Bert reports Fred is getting along nicely. During the course of his conversation with Mrs. Fred Antlesperger, she expressed the wish that Bert get her two sons and two sons-in-law in Sherman Council. What say, Fred, Jr., Donald, John, and Pete? Father Mike is convalescing in Milwaukee and Bill Heitz, Joe Krautsider and the rest of the gang visited him last Sunday. Don't forget Father Sesterhenn Night, Oct. 4, Holy Trinity Parish.

A card from Washington, D. C., signed "Eddie Geary." Ed's sorry he could not make opening night at the alleys, and wishes us all success. Another card from Rochester, Minn., where Carl and Dorothy Brefeld are visiting relations (we had a lot of rain here too, Carl). Hear that Bro. John Klingenmeyer underwent a serious operation at Alexian Brothers Hospital. Your prayers are urged for his and Bro. Fred Antlesperger's recovery.

BOWLERS' STUFF

Bowling began in earnest last week with a lot of new faces present and of course most of the regulars showed up. Willie Meyer started the season with a double when Mrs. Meyer presented him with two brand new future members for Sherman. Double congratulations, Willie and the Mrs., may they grow up to be better bowlers than their father. Why did "Big Feet" Bob Shawfrank foul on the first ball? "Remember Me" Frank Veysey's 106. Bowling instructor Joe Marine's 237, Bill Free's "If I only can get 100." How come, Bill, is drinking Pepsi Cola. It did not help the bowling any, Bill. Jim Marine had two 115 games, the other one not so good. Bernie Janco can't get away from the cannon ball. Matt Ellgass still dropping the ball and letting it roll. Well, fellows, I need practice, so see you Thursday.

Columbus Plans on Renewed Activities for Coming Months

2-4 Tues. . . . . 6932 N. Clark St.

By the time you read this we will have held our first meeting of the month and of the season. Now that the summer vacation period is over, it is hoped that more of our members will attend the meetings. The Grand Knight and Lecturer have plans in the offing which will make them interesting.

Our Grand Knight and Chaplain have been busy with St. Gregory's carnival which I'm told was a huge success this year. St. Jerome's Carnival will be under way by the time this goes to press. One of the nights I believe is to be designated as Knights of Columbus night. If you plan to attend the carnival why not make it a point to go on that night. I haven't the schedule in front of me but the particular night can be learned at the Rectory.

HERE AND THERE

Matt Nieson is one of the leading golfers at Tom O'Shanter. John Coffey, Past Grand Knight, and also a member of Tom O'Shanter, was in Chicago this summer for a visit. John now lives in New York City.

Received a card during the week from Tony Sowizdral from New Haven, Conn. Tony flew east for his vacation.

John Hayes, our former scribe, was on the cruise to Mackinac Island recently sponsored by the Irish Society. Rumor hath it that he was much seen in the company of a beautiful young lady. Who was she John? Ed Roche wants to know. Speaking of Ed Roche, he is now appearing with a patch over one eye. He says it is an infection. Well, that's his story and he'll stick to it.

George J. Bottkol, Jr., a recent transfer from Green Bay, Wis., is taking an active interest in Council affairs. George is a graduate of Marquette University and is employed by Standard Oil. He is the kind of a new member we like. (Another lad from home! There'll be more people from Green Bay than are there if this keeps up.—ED.)

Haven't seen Jim Dwyer at the meetings lately. Jim you've been married long enough now to get a night out. Had the pleasure of meeting your father-in-law, Mr. Austin O'Grady, at the golf tournament. Bring him along to a meeting.

Prayer and Patriotism

All the Catholic men and women of Chicagoland have been invited to attend the Holy Name Holy Hour which will be held Sunday evening, September 14, at Soldier Field. Archbishop Stritch, in a letter to his flock, has asked that Catholics make this solemn public Holy Hour "a great religious act in every way worthy of the Archdiocese before God."

"There must be a very large outpouring of our Catholic people and the clergy must be present in a body," the Archbishop wrote in noting the necessity of making this Holy Hour a success.

The purpose of this pageant of patriotism and prayer, as designated by the Archbishop, is an act of reparation for a just peace as outlined by the Holy Father. This Holy Hour has been aptly termed "America's answer to the flood tide of paganism which is sweeping over the world threatening to engulf even our own nation."

It will be just that if the Catholics of this Archdiocese, in co-operation with the 200,000 members of the Holy Name Union, will pack Soldier Field on the night of September 14.

We, as Catholics, should feel fortunate that we have been given this opportunity to join together in a gerat solemn prayer in the name of Christ. Elsewhere in the world, people of many nations have been forbidden to gather together in prayer. With the torch of Christianity now in our hands we can do no less than see that it burns fiercely and brightly so that the world may know the place of God in a democracy and that men of all creeds will pay homage to the name of Jesus.

This Holy Hour will be a great public prayer offered to God in union with His Holiness, the Pope, for his intention of "an early coming of just peace among men." That intention is dear to the hearts of people the world over. They want a peace that the sword cannot impose but that prayer can. Let attendance at the Holy Hour be your prayer for a just and early peace! —*The New World.*

Pinta Pledges Entire Support to Columbus Charity Ball, Oct. 11

1-3 Thurs. . . . . St. Mary's Church

On Wednesday evening, September 10, chapter officers, grand knights and council chairmen met with the members of the National Catholic Community Service Committee at the Chicago Headquarters, 1122 S. Wabash Ave. Brothers, there is no need to tell you how important this work is to the Knights of Columbus.

Our record in the past on work such as this has been irreproachable. We must keep up that record and you can do so by attending the Chicago Chapter Charity Ball on Oct. 11, proceeds of which will go to the N.C.C.S. You may subscribe to the patrons' list if you wish. Further details of the meeting will be heard at the next council meeting, Sept. 18. Don't fail to attend.

PINTA PATTER

Bro. Tom Kinney tried horseback riding at Paw Paw Lake over Labor Day. 'Tis heard it may be his last try. Mrs. Elsie Denham, wife of P.G.K. Dave Denham of Riverdale, returned home recently after six weeks' vacation in California, Wyoming and Mexico. She was accompanied by Dave, Jr.

Mr. and Mrs. Salerno, of 138th and Emerald, Riverdale, requested the help of the K.C. Blood Donors Club in the illness of their daughter. Members with Type No. 2 may have an opportunity to receive that coveted donor's pin.

Bro. Bruno Christeck states that a fire in his apartment last week-end did considerable damage. Bro. Perry take notice! Have your films for next meeting. Bro. Christeck will bring and operate the projector. Brothers, don't forget the long list of coming events—Hard Times Party, Turkey Contest and Christmas Party. Advertise these events as much as possible and we're sure of making them all a success.

Enlisted Men Receive Bibles from War Dept.

The War Department has announced that Bibles will soon be made available to all enlisted men. Probably one-third of the Bibles distributed will be Catholic versions for Catholic members of the service, and the remainder will be in versions approved by the Protestant and Jewish clergy.

The words "Army of the United States" will be inscribed in gold letters on the front of each volume, and a preface has been written for the testiments by President Roosevelt. They will be distributed under the supervision of chaplains, who will present them to the men at a formal ceremony in the name of the President as Commander-in-Chief of the Army and Navy.

Soldiers of the Catholic and Protestant faiths will probably receive only the New Testament, it is said, though no final decision has as yet been reached on the matter. The Catholic version used will be either the Douay-Rheims version of 1582 and 1609 or the revision of the Rheims New Testament published this year under the patronage of the Episcopal Committee of the Confraternity of Christian Doctrine.

The volume will be distributed according to requests from the men themselves, made through their chaplains, so that they will reach only those soldiers who are anxious to have them and will make good use of them. The proposal that 34 per cent of the Bibles ordered for distribution be Catholic versions is based on army census figures of 15 years ago, but will be revised if later figures can be ascertained.

In his foreword for the Bibles, President Roosevelt wrote that men through the centuries "have found in the sacred book words of wisdom, counsel and inspiration." "It is a fountain of strength," he declared, "and now, as always, an aid in attaining the highest aspirations of the human soul."

ILLINOIS TO FEATURE QUIZ PROGRAM MONDAY

1-3 Mon. . . . . 64 E. Lake St.

Next meeting will be Monday, Sept. 15. The lecturer, Bro. Robb, informs me that he has a quiz program prepared or in the making, fashioned after the Quiz Kids' program for the next meeting which should be very interesting. Do not be surprised if additional means for your instruction or entertainment will be provided.

At our next meeting also the names of the chairmen of the various committes appointed by the Grand Knight will be released.

The council was fairly well represented at Comiskey Park last Friday evening at the night baseball game. For the great majority of us it was our first night game. We were pleasantly surprised how practical it is to play ball nights. Our Sox lost, which dampened our ardor just a bit. They played good ball but the old St. Louis Browns were working overtime. Joe Barry, we learn, was slightly indisposed on that occasion and was unable to be present. All had box seats. The crowd was so great that ushers were not available for everyone. The numbering system of the boxes seemed to be double—for instance, boxes 30, 29 and 27 are numbered for either side of the runway, to the right or to the left. We turned to the left, supposing that they were the only section boxes in next to the playing field, but we discovered that most of our members were above the passageway—the same box numbers. Perhaps we did well to go without an usher and found four of the only available seats in that box. When we discovered our brothers were in back of us we were sure we would be tapped on the shoulder and asked to vacate. However, this did not happen and we are not sure now whether we were in the wrong box or the other brothers with their numerous guests were placed in the wrong section! We all enjoyed it immensely—our party numbered some 40 people.

As we go to press we have the following names who were in attendance, with apologies to those whom we did not see: Bros. Martin, Upington, Groden, Ericksen, Lillis, Donoghue, Miro, Cherry, Butler, Haley, Moore, Murphy and O'Gara. With them for the most part were their wives and friends. Bro. Robb, for business reasons, had to cancel his reservations at the last minute. All in all, a very pleasant evening, thanks to Joe Barry and the White Sox for reservations.

BLUEPRINT FOR VICTORY

Slowly but surely our new officers are pointing for what we hope will be a successful year.

Ah, that word success. What does it mean? Eating or drinking with great gusto, lavish entertainment, prize giving, acquiring many new members, fostering an increased fraternal feeling among the members renewing acquaintances within the membership by attendance at council meetings, advice given to the officers of the council, a spirit of general helpfulness, frank, yet restrained criticism, spreading of the doctrine of Catholic Action or through realization of membership in our order.

We know much of the foregoing you would "blue-pencil," which means that they can be gotten along without, at least in a very limited manner, but we are sure that among the others, which we hastily penned, you will agree that emphasis could very well be placed thereon.

Life at large, within an organization, is just what you make it, whether we are "Strung o'er with titles or hung around with strings." This, brothers, is a round-about way of asking your full support for the council and its officers during the coming year. We know we need a continuation of new members—oh, yes, indeed—but of the right kind—no others wanted; fostering of the fraternal spirit; doing something on Catholic Action; furnishing reasonable opportunities for amusement and enlightenment. These and some others mentioned above are what we should concern ourselves with.

Apologies to John T. Lillis for our oversight in not mentioning his annual guest, Fred Camphausen, who contributed a splendid gift in the form of one dozen golf balls to Illinois Council's tournament. Thank you, Fred Camphausen.

GIFTS TO CHARITY DECREASE

New York.—Publicly announced bequests and gifts to charitable projects in seven large U. S. cities in the first six months of 1941 totaled $32,899,380, almost $3,000,000 less than in the same period of 1940, according to John Price Jones Corp.

Dowling Bowlers Promised Season of Close Contests

2-4 Tues. . . . . 3625 S. Hoyne

On last Thursday evening, Sept. 11, our Inner Council bowling league started off its season with a bang, with each team determined to finish in first place and win that beautiful trophy.

This opening session was more to decide averages among our new bowlers and get information for the organization of the different teams. The teams will be equally balanced and from next week on you will see that real fighting spirit that the members of our Council always possess.

We have eight teams and they are sponsored by eight real Dowling boosters, of which the bowlers and the Council are very thankful. They are as follows: Dunne Gen. Tires, Dr. Jos. E. Laibes, Dr. R. C. Michels, Ald. Hartnetts, Cong. Bearns, Frank V. Zintaks, Dalaege Boosters and Rep. W. J. Gormleys. The Dunne General Tires were last year's champions, with the Dr. R. C. Michels as runner ups.

The bowlers seem to be enthused and from all indications we should have a very fine year full of pep and plenty of ribbing.

Marzano's Palace of Pleasure, located at 63rd St. and Spaulding Ave., is the location where we will bowl and the time is 8 p. m. on Thursday evening. The bowling alleys have been remodeled and they have plenty of comfortable seats for spectators. President Harry J. Lorden invites our members to enjoy a real evening of pleasure by dropping in and either root for your friends or rag them—it makes no difference, as the bowlers would welcome your presence either way. There are a few openings for bowlers. Contact H. Lorden or John Hartnett.

The following officers were elected to run the league at a meeting last Tuesday night: Pres. H. J. Lorden; Secy. and Treas. John F. Hartnett. Arbitrary Board—Geo. Love, Geo. Spencer and John O'Rourke.

DOWLING HONORED AGAIN

At the last meeting of the Chicago Chapter, held Wednesday, Sept. 3, our Council was honored once more by the re-election to the Governing Board of our Past Grand Knight, Earl S. Dunne. He is well qualified to sit in on any conference and has the business experience and the ability to be an asset to this organization. We are happy to think that the delegates of this body hold Earl in such high esteem and in behalf of Dowling Council we wish to express our thanks.

P. G. K. Dunne served as Grand Knight of our Council for one term and at his suggestion many affairs and activities were promoted and made our Council become very popular. He was President of a club formed a few years ago, known as the Lectures Club and made many acquaintances and friends. Earl is to be complimented for his solid support given to all Grand Knights and his continued cooperation to the present time.

CUFF NOTES

Bro. Wm. Pransky, the son of our popular Trustee Tom, was home for the week end from the camp at Jefferson Barracks. He has been in the army ten months and has won three promotions. He is in the medical branch as a special ambulance driver. He is quite a ball player and is one of the outstanding players at camp. Bill sends his regards and would appreciate a line now and then.

Edward (Chester) Nepyjwoda of 4242 S. Talman Ave. was also in for a short visit from Chanute Field and looks fine. When in the vicinity of Rantoul drop in and say hello.

We have several members in the service and our secretary, Tom Gallagher, would like to make a register and if you know of any brother, give Tom his location. We have a record of the following: Ed. Ahlgrim, Clarence Fortier, Sylvester Malacina, Stanley Wojcik. We know there are plenty more and would appreciate your cooperation.

Mart Cody is raising something besides flowers and grass. I think it is a misplaced eyebrow. Looks good, Mart.

Walter Banas has moved from the north west side to Voltz Lake, Antioch, Ill. We hope he will find time to come in for a meeting once in a while and we wish him success in his new location.

Leo J. Mason also moved into his new home at 4432 S. Homan Ave.

Our Council was well represented at the Nocturnal Society services last Saturday night. St. Gabriel's Group, which consists of many of our members, is the largest group in the society. Bro. Bill Klemkowski is an officer and invites all our members to join. They meet the last Saturday of the month at Notre Dame Church on the west side at 10 p. m.

The Patriotic Club of our fourth degree will resume their meetings again starting Sept. 16, at the Stockyards Inn. I am informed this meeting will be a real live one with refreshments.

Bro. Richard Cullen of 6237 S. Troy St. is in the hospital. He underwent a major operation last week. Dick is employed by the Chicago Surface Lines and is very well acquainted among our members. We ask your prayers for his speedy recovery.

Mr. and Mrs. Joseph English just returned from their vacation. They were up in the north woods, Mercer, Wis. Joe is a surface lines conductor.

CONDOLENCES

Mrs. Alice Conway, the loving daughter of Mr. and Mrs. Wm. J. (Bob) Green, passed away to her eternal reward last week. Her death was a shock to many of our members—especially the bowlers, as she was one of our stalwart supporters on bowling nights. On last Friday night many members of our Council turned out in a body to pay their respects. We ask your prayers for the repose of her soul.

Bro. Jack Purtell, a very active member, had the angel of death call his family circle twice within two weeks. Two weeks ago his sister-in-law passed away and last Friday his own sister Annie died. She was Mrs. Heynen, and interment was at Holy Sepulchre Cemetery on Monday. We pray for the repose of their souls and extend our sincere sympathy to the families of the bereaved. May their souls rest in peace.

St. Augustine Retreat Committee in Charity Social Tomorrow Eve.

1-3 Mon. . . . . 5209 S. Justine St.

First and foremost, we want to call every member's attention to the Charity Social given by St. Augustine Retreat Committee at the Shelter House in Ryan Woods, 86th and Leavitt Streets, on Saturday, Sept. 13, 8:00 p. m. As you have read before, this party is for the benefit of the St. Francis Retreat House in Mayslake. It is the desire of the council to raise a sufficient amount, through a series of affairs of this nature, to purchase a room in the name of the council in the new wing of the Retreat House.

Tickets for this affair are $1.00 per person and may be purchased at the door. The price of admission includes all expenses; dancing, refreshments, etc. Chairman P. G. K. Doc Kuchler, and his committee have worked hard in the past few weeks to make a success of this affair. You can do your part by attending and bringing along a few friends. Everyone is welcome and all will be insured a good time. Let's try to pack 'em in Saturday nite.

Word reaches us that the South Side K. of C. Bowling League will open on Monday, Sept. 8, at 9:00 p. m. at the Highlands Alleys, 1310 W. 79th St. Any member who would like to bowl in this league, please get in touch with Bro. Jack Paha at the meeting next Monday.

We also hear that Bro. Francis Achterberch recently became a Benedict. To Francis and his wife, Lola, we extend our wishes for many years of happiness.

TOURNAMENT NOTES

The annual council tournament held at Kinsmans on Sept. 7, is now history. All who attended had a heck-of-a-time. Fifty-seven golfers teed off at some time or other during the day. The more robust players got in 36 holes while others were content to finish at the 19th. In the evening, 50 odd members sat down to a delicious steak dinner. After dinner and a few short speeches the prizes were distributed to the lucky golfers. All names were placed in a hat and drawn at random. Bro. Andy Foertch won the first prize, a beautiful floor lamp donated by Tony Rash. Our appreciation is also extended at this time to Judge Jos. B. Hermes, P. G. K. Mike Heinen, Joe and Frank Putz of the Midgit Bar, Nic Shaefer and all the other members who so graciously gave something to swell the prize list.

Before we go any farther let us say that we were honored both at golf and dinner by the presence of our State Secretary, Ray Gleason, who led a contingent from St. Paul of the Cross Council which included P. G. K. Henry Blim, P. G. K. Joe Guenther, Scribe Pete Vandenbergh and Alex Kremer. Thanks fellows and rest assured that St. Augustine Council will reciprocate at the first opportunity.

During the course of the afternoon we met Doc Kuchler in a near state of collapse after someone misinformed him that his chauffeur, Norb Wiley, had disappeared. A searching party found Norb and returned him, much to the relief of Doc. Dagwood Labuhn cut a mean caper to the tune of The Clarinet Polka. Some of these members are really talented and don't know it. P. G. K. Mike Heinen cut loose and kept the party going most of the afternoon. Wonder when he is going to realize that an Irish song can't be sung in German?

Low score for the day was 76, shot by George Lowry, a guest. Bro. Elmer Weingart was low council member with 81. G. K. Geo. Copps surprised everyone by finishing 18 holes, and still had pep enough to act as toastmaster at the dinner. Wonder if Chris Thelen ever did drive one off the first tee? For fifteen minutes we watched him try to hit one past the pitcher's box. Nic Schaefer came out in the afternoon with his family and loafed around the clubhouse. Among the ladies present we noticed Mrs. Copps, Mrs. Clancy, Mrs. Foertch, Mrs. Follman and Mrs. McGinis.

Guess that's about all this creaking old memory can recall so let's put the tournament in moth balls till next spring and resurrect it then for another swell time.

Just a word about the Charity Ball at the Palmer House on Oct. 11. Mark this date on your calendar as a social event not to be missed.

Don't forget the meeting Monday nite. Henry Rieger has promised something special. Come up and find out what it is.

Garcia Moreno Plans Full Council Effort on Membership Drive

2-4 Tuesday..155th St. & Lexington Ave.

The membership campaign will get under way in our Council this month, John Begnoche, chairman, will soon outline his committee plans and he asks all to turn in the names and addresses of any prospective members. No doubt every parish in our district will be represented on this committee. Our Council has a large area to work in, and we can accomplish much in getting new members if we will just be interested.

No doubt there are hundreds of Catholic men who have never been asked to join our ranks because we just don't seem to be interested in them. We know that John Begnoche and his committee will do their part, but each and every member must also get interested in this program.

Lecturer Henry Stein can be of great service to this committee, as chairman of Council Program Committee, by having open house at many of the various events he will put on in the months to follow. No member can enjoy his membership by being just a dues paying member. To get the most out of our membership we must be an active member. When the old rocking chair gets you it's natural that your interest in your Council dies. And in many cases loss of membership is the final chapter.

Interest in anything makes the road to victory and success possible. Our interest in our Council calls for cooperation and team work. They have shown profits in all fields of endeavor so be a salesman for your Council. Your Catholic friend will thank you some day for your interest in him, and the good fellowship he will enjoy as a member. Our Chaplain, Rev. Father Renklewski, has often said, all Catholic men worthy of the name are entitled to be asked to join us in our program of Catholic Action. Our Chaplain has always shown a great interest in his Council. Won't you?

BIT-O-NEWS

Joseph Flaherty and wife arrived home from their vacation in New York. They brought back with them their daughter Josephine who plans to visit here for a few weeks.

Scribe attended the Fourth Degree Club's meeting of our Council held at the home of G. K. John Mech. Present were D. D. Henry Hilgendorf, P. G. K. S. James Munro, Wm. Powers, Sr., Romeo Begnoche, James Mann, Louis Beaupre and Joseph Dehnert. The meeting was very interesting and their social hour very enjoyable. Any member can join this club who is interested in taking the Fourth Degree at some future date. The next meeting will be held Oct. 1 at the home of P. G. K. Wm. Powers, Sr. They plan a ladies' night for their club in November.

To. P. G. K. James Mann our congratulations on the recent celebration of another birthday. It is another milepost along life's highway, and with it our wish for many more of them. Sorry to report that the wife of Johnnie Klein is confined at St. James Hospital, Chicago Heights. Our sincere wishes and prayers go to her for a speedy recovery. We are sorry to report the death of the mother of the wife of Peter Kerkhoven. May her soul rest in peace. To Mrs. Edward Shea our sympathy is extended in the recent loss of her beloved step-brother who died in Milwaukee. Privates E. Lunn and Jack White, hello!

FEEHAN TOURNEY IS OUTSTANDING SUCCESS

2-4 Tues. . . . . Hamlin and Madison

The first annual Feehan Council Golf Roundup is now a matter of history. Fine weather and an interesting course combined with hokum and good-fellowship to make a splendid week-end of sport and fun. The forty first-nighters who were there will not soon forget this new Feehan Council feature.

Augie Tamburrino carried away the most valued prize of the tournament, the trophy symbolic of the Feehan Match-Play Championship. Augie defeated Turk Fogarty in the semi-final match on Saturday, and then beat Joe Collins 1 up, on Sunday in the finals. All agreed that our Chairman well deserved his bauble, since, in his march to the payoff, he gave away more strokes than Rockefeller gave dimes. It was felt, though, that the fact that the matches all down the line were so hotly contested, lent ample testimony to the fairness of the handicap system. Joe Collins received a trophy for runner-up.

In the consolation bracket, Bud Schoemer beat Jimmy Collins and took away another fine cup as consolation champ. The G.K. received still another trophy for his "almost" effort. The final mantel ornament, signifying the "Round-up of 1941" Champ, went to "Cream-Puff Imhof." "Cream" should spend more time at these affairs. He also won the blind bogey prize, a lovely Sunbeam electric shaver. There were awards for all, and many of them very valuable, including in addtion, another electric shaver, an electric iron, bottle of Scotch and bourbon, an ice bucket, stationery set, blanket, an oil change and grease job, merchandise certificate, cartons of cigarettes, lemonade and glass sets, desk sets, clocks, Silex coffee maker, traveling kit, thermos jug, tie and handkerchief sets, etc. (How the Chairman managed to wheedle all these gifts astonishes us. Must have used a little blackmail. But then it never gets us anything.)

Feehan Council is indebted to the donors of these wonderful prizes, among whom are the following: Art Harmon, Judge LeRoy Hackett, Ed Morrissey, Joe Hanley, of the Chi-Oak Grill, Windy City Bowling Alleys, The Lemon King, John Dooley, J. J. Collins, Sr., G.K. Jim Collins, Earl Grondy, Augie Tamburrino, Bud Schoemer, Frank Tamburrino, James Conley, of Barry Council, and Pat Quin of the P.D.Q. Inn.

The social highlight of the highly lit social week-end, the standout attraction, the piece-de-resistance, was, of course, the vocalizing of that busy-beaver quartet, "Danno Gorman's Necturnal Larks." Quiet as a pipsqueak while the sun is up, these marauding minstrels really unleash the barbershop stuff when that moon begins to rise. And they don't let up until it fades completely from sight. This noble vocal anomaly is comprised of the leader, Danno Gorman, "Cream" Imhof, Bill Barrett, and a rather doubtful fourth, Len McSteen.

An aspersion of doubt is cast upon Bro. McSteen because of his defection during an eighth chorus of "Sweet Adeline," when he disappeared from sight, leaving no trace. Some three choruses later, his erstwhile cronies discovered they were sans a basso, and then we all were in trouble. They decided to find a substitute and settled on Jimmy Collins as the tenor lead, with Danno dropping down a peg. It remained only for them to find said Collins, and this they set out to do —at 4:40 a. m. We were sleeping the sleep of the just, billeted with Joe Collins and Ed Ryan, either of whom snores a mean symphony, but neither of whom sings a note, when there came a gentle tapping on our door with a 16-lb shot, accompanied by calls for Jimmy Collins and Phillip Morris.

What to do? There we were—stuck with the only Collins who doesn't sing—and a three-man quartet without. Without a fourth, of course. We thought of sending out Ryan and a deck of cards, but would the boys settle for bridge? Not on your life. Pitch was their game, even though they were off it most of the time. But pitch is a three-handed game, so we left them playing pitch (for pennies) and went back to sleep.

SHORTS

Harold Crotty on a fishing excursion up in Canada. What's the matter with the council poker games?

The Lemon King, Senator Wingfield, received a special prize for keeping under 150, a dozen slightly used golf balls. They're a little dark, but the Senator can use them for practicing in the snow. Included in the 150 was a hole in one, for variety.

Mons. Fogarty officiated at the awarding of the prizes. He didn't do too badly —for himself.

Congratulations to Bro. Ed Morrissey who shot a hole in one (147) yards, at Ridgemoor, his home course.

GREETINGS—To Bros. E. J. Parker, James McHugh, Augie Tamburrino, John Dooley and John J. Purcell, who celebrate birthdays this week.

Attend the K. of C. Softball Finals, Sept. 15-18, Shewbridge Field, 74th and Aberdeen Sts. Games every night at 7:30.

DEARBORN P.G.K. IS NAMED CHAPTER SEC'Y

Robert M. DuMais

State Donor Chairman Named to Succeed F. J. Kane at Sept. Elections

1-3 Thurs. . . . . 820 W. Garfield Blvd.

Dearborn is, indeed, very fortunate in having for one of its distinguished members, an illustrious and untiring knight in the person of P.G.K. Bob Du Mais. Bob told us all about the Atlantic City Convention at the last meeting, and how it was brought out at the convention that the state of Illinois led all the other states in the Blood Donor Work. Bob is, as you know, State Chairman of the committee for that work. He has traveled the length and width of this state, informing all the councils in it, and setting up blood donor groups, wherever and whenever it was at all possible.

Every officer of the Knights of Columbus from the Supreme Knight down, knows what a valuable person they have in Bro. Du Mais, and for this reason his personal work was also cited at the convention. At the Chicago Chapter meeting last week, Bob was further honored by being elected secretary of that body. We wish to take this opportunity to congratulate you, Bob, on your splendid record and many successes, which we are sure, will continue to become greater as the years pass.

Also, Brothers, when you get down to the Palmer House for the Charity Ball Oct. 11, you will find Bob in the exposition hall directing the card games, for he has been named chairman of that part of the ball. We salute you, Bob, and wish for you more and greater successes in the years to come.

A REMINDER

None of us should forget to get in touch with Bro. Chas. Read, who has the tickets fo rthe Charity Ball, Oct. 11. Remember that every council has a quota to meet, and we do not want to fail our G.K. in this great affair. You may also purchase Patron tickets, which entitles you to have your name listed in the program, and two tickets of admission besides. If you know any business man who would like some real publicity, call his attention to the Ball and convince him that this will be some advertising well worth while.

For the most of us, we should feel it our duty to take at least one ticket, if not more. Get one for that prospective member, Brothers, and show him an evening of real entertainment. Call Charley at Eng. 5746 and tell him you want some tickets and he will forward them to you. Don't wait till the last minute, but do it now.

SOFTBALL FINALS

Sept. 15 to 18 inclusive, at Shewbridge Field, 74th and Morgan St., the K. of C. Softball teams will take the field and each one will be contending for the championship of the city. There will be three games each night for the one admission, which is 30c per customer. This is a lot of baseball for the price, and we know you will not be sorry you went to see them. The games start at 7:30 p. m.

R. I. P.

One of Dearborn's old "old timers" passed away last week. He is Bro. Wm. Metz of Norwood Park, Ill. Bill just missed being a charter member by a few days, and it is with much regret we record his passing. Bro. John Logan and a number of members drove to Norwood Park to represent Dearborn at the wake. May God grant him eternal rest.

NEWS ABOUT KNIGHTS

BOB Du MAIS and ELMER DUNLAP submitted to transfusions in the past week. We have lost track of the count, but we think this made the 12th transfusion for Bob.

Geo. Sterns gave two blood transfusions to his daughter, who is in the Southtown hospital. Bro. Tom Tinan was standing by in case she needed more.

Policeman and Bro. Leo Crotty is now known as "Doctor Crotty" around the Englewood Station.

Bro. Frank Werr's daughter is in the Southtown hospital recovering from an operation, and we hope by this time she is feeling well again.

Bros. Jim Kittrick and John Feilen have received word from Bro. P. J. Kelly who is in the veterans' hospital, Ward 15-67, Wood, Wisc., and will soon undergo an operation. We know he will be glad to hear from you, so why not drop him a line?

G.K. Devereaux appointed John Maguire as Chairman of the Christmas Cheer Committee for the coming year.

The first meeting of Oct. promises to be one of the greatest Dearborn has had in many years. Lecturer Pat McCarthy is calling it the "Parade of Champions," and promises to have many sports celebrities at the meeting for your entertainment. We'll let you know more about it later.

CONGRATULATIONS are hereby extended to Bro. and Mrs. Jas. Ciccia because a baby girl has come to live with them. Both mother and daughter are feeling fine.

TRAPPERS: Bros. Jim Carney, R. P. Golden, P. H. McInerney, C. W. Bowers, and Thos. Kennedy would have received $25.00 for being at the last meeting. Thirty dollars if your name is called at the netx meeting, boys.

KEGLERS

Last week Bro. Mike Mullee entertained the Dearborn Bowlers at his home and a very gracious host he was, too. There were about 30 in attendance and a very lively meeting showed that there was much spirit and anxiety to get going for the new season.

It appears that some difficulty might be encountered in getting enough alleys to take care of all those who want to bowl. We were glad to find that the demand was much greater this year and feel confident that the Dearborn maple smashers will enjoy many an evening of fun and good clean entertainment. For those of you who do not bowl, why not come down to the Western Recreation Alleys on Monday nights at 8 o'clock and share in the fun we know these boys are going to have?

Loyola-H. P. Members Will Attend Holy Hour Next Sunday Evening

2-4 Thurs. . . . . 7435 Cottage Grove

The majority of Loyola-Hyde Park Council members will be attending the Holy Name Holy Hour on next Sunday evening, Sept. 14, at Soldier Field with their respective parish branch Holy Name Society. It will be the largest demonstration that Chicagoland has seen since the Eucharistic Congress in 1926.

Lest some one has just returned from vacation, may we announce that tickets are available at your parish rectory. The purpose of this Holy Hour is a true, honest petition addressed to God for a just peace, a peace that will recognize human rights and put to naught social systems in contradiction with Christian truth.

The program will start at 7:00 p. m., with a musical patriotic offering by bands of twelve of our Catholic high schools. Following this, a sacred concert will be given by the Cathedral Symphony Orchestra and the Cathedral Choristers. Your cooperation with the Holy Name Society is earnestly sought by His Excellency, Archbishop Stritch, in his desire to present this parchment of good deeds to Pope Pius XII.

BOWLING TONIGHT at 80th and South Park at 9:00 p. m. sharp. Report to Chairman Art Jacobs or Athletic Director Arch Hermann. Eight alleys have been engaged and the bowling chairman would like to make it ten. Come over tonight and join in. Our bowling alleys are as yet nameless. A contest is being conducted in the neighborhood and as soon as the prize-winning name is selected we will tell you. In the meantime let us say that these alleys are the last word, most up-to-date in town, with an automatic foul line eye eliminating any human element that may make a mistake. Boosters are welcome.

BASEBALL NEWS: Loyola-Hyde Park Jrs., champions of the Hamilton League, trounced Englewood 6 to 1. The Jrs. connected for 9 hits off Stenger, while Ulrich held Englewood to 4. Paul Doyle of the Jrs. got 2 out of 3. McGuire, Jr., got 2 for 4, and Hatnies 2 for 4. Next Sunday the Juniors play the Midlothians at Midlothian, Ill., 147th and St. Louis Ave., at 2:00 p. m.

OCT. 11 PARTY

Chairman Bernard Thompson is taking reservations for couple and party groups for the Charity Ball sponsored by the Chicago Chapter and to be held at the Palmer House on Columbus Day eve. Each member should try to attend, as the proceeds are to go to the worthiest of causes—the U.S.O. Call Bro. Thompson at State 3103 or Vincennes 5469.

Miss Rita Vedder will become the bride of Thomas McNicholas on Saturday, Sept. 27, at 10:00 Mass at St. Sabina's Church, 78th and Throop St. All brothers members are cordially invited to attend the church ceremony.

Mr. and Mrs. Kiernan Rice were blessed with a new arrival this past week. Mr. and Mrs. Thomas Strasser are expecting a visit from the stork.

DON'T FORGET: Ladies Night and Harvest Ball on Oct. 23; Annual Fiesta Night on Dec. 6, and the December membership drive.

Chi. Heights to Start at Once in Campaign For 5-Point Objectives

2-4 Monday.....1537 Otto Blvd

Now that the vacation season is drawing to a close we can look forward to getting the five point Program of Progress under way. This program was established by the Supreme Board of Directors to promote in jurisdiction and Council the five points of Catholic Activity, Council Program, Insurance, Publicity and Membership. This program does not exclude or interfere with any time honored activity of the various Councils, but does co-ordinate all these into a balanced plan. Watch for further details in your Council news of the Columbian.

Just a word or two regarding membership and reinstatements. We have quite a number of former members who can be reinstated without much trouble, now that most every one is working and money is more plentiful. So if you know of any one approach them and report to your officers your progress.

NOT KNOWING about the death Father Petro's brother we failed to mention it in the last issue of the Columbian. His death occurred two days after that of their father. Double funeral services were held at Holy Rosary Church on Monday, Sept. 1. We pray to God that He will grant them eternal rest.

THE TWINS Bachman and Hrdina are in the limelight again. They just returned from an extensive tour of Yellowstone Park. How does it feel to have lots of dough? Bill Mathews is looking forward to the bowling season. Your waistline indicates good meals and little bending exercises.

Chicago Golfers Try for Chance at Cup Wednesday

4 Tues. . . . . 64 E. Lake St.

Well, NEXT WEDNESDAY is the big ay out at WHITE PINES. Wednesday, eptember 17. Grand Avenue or Irving ark Road to York Road. The golf club midway between these famous traffic teries. And the fee of $2.25 includes verything for the golfers while non-play-s, for a smaller sum, may attend the nner in the evening and watch our hairman Bill Brogan receive from the ndicap committee the tally sheets and ien award the prizes. The big prize of ie day, of course, is the famous Chicago ouncil trophy which, up to now, has en inscribed with the names of several ie-time winners and one second-time. hree times winner takes the cup home id then we will have to look about for new one.

Contest for the trophy is limited to embers of Chicago Council but there ill be a nice grouping of other prizes (if ir donors are as liberal as in other ars) and these may be competed for members and guests alike.

The Scribe accepts the word of friends ho have played the course—that it is ry good. It is necessary that partici-nts make reservation with Chairman ill Brogan at Randolph 5360 or write m in care of the Greenebaum Invest-ent Company at 39 South La Salle reet. And again we suggest that if you ve space in your car, signify how many tra passengers. And if you are hoping r a lift, let us know.

The Chicago, Milwaukee & St. Paul oute of Frank Casey's "Hiawatha") ovides suburban service to Bensenville ith trains from Union Station at 12:25 m., 13:30, 3:40, 4:40, 5:15, 5:17, 5:25, 52 and 6:25 p. m., Chicago Daylight Sav-g time, the run requiring about thirty inutes at a one-way fare of 36c. We nnot find any return trains after 5:10 id 7:06 p. m. at Bensenville.

CHAPTE RBALL

First of all, the reason our Scribe's face red: In the past two issues of Colum-an, when we mentioned Chicago Coun-'s preparation for Chicago Chapter's arity Ball, we named as our Charity all Chairman a man who is not chair-an at all but who is actually the Gen-al Secretary for the National Catholic mmunity Service, our P.G.K. Henry L. oenix. Now, the Chairman of Chicago uncil's Committee, variously presented d repeatedly referred to during last uesday's meeting by a number of speak-s as Chairman "Walsh" and Chairman Burke"—as we were saying, the Chair-an of Chicago Council's committee is ir unassuming, alert, cheerful and hard-orking Trustee Richard C. Murphy, entified with Brother Phoenix in the w firm of Phoenix & Murphy.

Brother Murphy, in his quiet way, has ready achieved the Council's quota of atrons' tickets but feels that he might en double this number. Certainly he ould have the co-operation of our mem-rs in the sale of the regular tickets at e dollar per person. The two big ball-oms in the Palmer House will more an handle the attendance. And if you urself do not dance it might be nice to esent a brace of tickets to one of the ys you may know—a prospect for mem-rship maybe. Anyway, the proceeds this Columbus Day Charity Ball (it ally happens to be on October 11) will turned over to the local N.C.C.S. to maintain the new Service Men's Center at 1122 South Wabash Avenue.

PHOENIX NIGHT

A well-earned tribute was showered upon Chicago Council's Past Grand Knight Henry L. Phoenix at the first Fall meeting held in the DePaul University Building last Tuesday evening.

Participants included State Deputy Leo Flynn, State Secretary Ray Gleason, District Deputy Arthur Donaghue and John McKeown, numerous visiting Grand Knights and Past Grand Knights. It was Ladies' Night and they were there in satisfying numbers; so when State Secretary Gleason bestowed a bouquet of praise upon Mrs. Phoenix for the many sacrifices she had to make to help our P.G.K. put his time and energy to work, he received an enthusiastic wave of applause when he said something about Council "widows."

State Deputy Leo Flynn dwelt upon the long record of worthy achievements of Brother Phoenix, beginning with his work on our committees, later as Chancellor, Deputy Grand Knight, and finally as our Grand Knight. And even now, as a new P.G.K. he was going along seemingly tireless.

Grand Knight Lynch called upon P.G.K. Judge Francis B. Allegretti to induct our most recent P.G.K. into the already large but select P.G.K.'s Club; and the judge, in rare form, carried out the commission and in closing, presented Brother Phoenix with a beautiful and elegant diamond-studded Fourth Degree ring which then went the round of the admiring members and guests. In the meantime our honored Past Grand Knight opened his soul to his listeners, expressing satisfaction for the whole-hearted co-operation of the other officers which made it possible to do the things he received such credit for. He felt quite happy about the ring and expressed his thanks to the council.

Lecturer Charley Schroeder than presented a gift from the council to Mrs. Phoenix in appreciation for her consideration and generous co-operation and Mrs. Phoenix responded with the neatest, nicest speech of the evening.

The surprise of the evening was the complete dinner which was served to the members and guests upon the conclusion of the business meeting. Lecturer Charles W. Schroeder, before the arrival of the first members, had transformed the meeting chamber into the semblance of a banquet hall and after a brief recess, the members and their ladies filed in to their places and the dinner was served, the attendance running to a few more than a hundred. This number might have been augmented but for the series of unusually heavy showers that broke over the city during the afternoon and evening. As it was, many (including Treasurer Sam Taylor) were delayed in their arrival, by the deeply flooded railway underpasses which prevented the "navigation" of trolley cars.

OOPS—It stands three in the morning on our favorite clock. Further news is held over until next issue. We'll be seeing you.

St. Joseph's Members to Take Communion Next Sun. Morning

1-3 Thurs. . . 57th and Archer Ave.

The council will receive Communion on Sunday next at St. Blase Church at 7:30 a. m. Due to the fact that Sunday is the big Holy Name Day, most of our members will be with their respective Holy Name Societies and therefore any members of our council not already members of the Holy Name Society in either parish are urged to join with one or the other in receiving Communion and following the Mass, to join the society.

Don't forget the "Holy Name Hour" at Soldier Field. Get your free tickets from Holy Name members on Sunday morning.

The Columbus Day dance will be held Saturday evening, Oct. 11, and after considerable discussion, Bro. Jack Flaherty volunteered to act as chairman. There was to be a special meeting Tuesday, Sept. 9, to discuss plans. We hope to give you details next week. In the meantime, don't forget that the dance is definitely "on" and every member is asked to do his part no matter how little it may be.

The ladies of our members now step to the fore in the Blood Donor movement. Mrs. Al Jacques, Mrs. Ann Johnston and one other lady whose name we did not get, all made a voluntary donation to a sick lady of our community. We have a number of members' wives typed and the three ladies are the first to join the Honor Roll.

More discussion was entered into regarding bowling and the general opinion was that the Monday night bowling was not satisfactory, but there was opinion that last year's program of Sunday afternoon was satisfactory. If you have any ideas why not come up and voice them at a meeting. There is a meeting next week, Sept. 18.

Things to remember: Go to Communion next Sunday; Holy Name Hour, Soldier Field and Columbus Day dance, Oct. 11.

Genoa 'Kings of Swing' Will Be Featured in Movie at Next Meeting

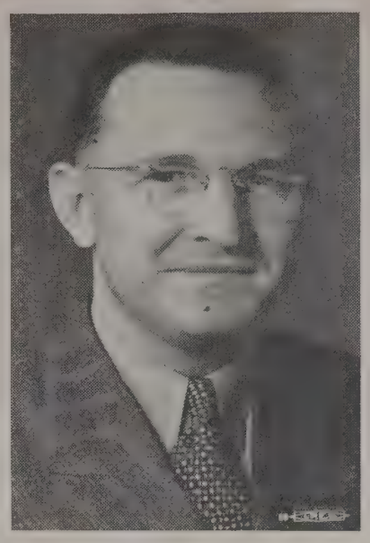
3 Mon. . . . 7439 Cottage Grove Ave.

The next regular meeting of Genoa uncil will be held September 15, 1941. For your entertainment the Lecturer s provided for the showing of the ovie films taken at our recent Golf Out-g. These pictures, according to reports, e the best in quantity and quality of y ever taken at a Genoa affair. Prac-ally everyone who attended is shown in tion, so it should be a lot of fun watch-g our dear Brothers and their wives d sweethearts strutting around like ollywood stars. There will also be nty of refreshments, so don't fail to tend.

Incidentally, Brother John Finn has an ology due him. It was he who was nning to Dr. Francis Malloy, the new noa Golf champ, last week's report be-g in error. John missed top honors by e stroke. P.G.K. James Riley finished similar position.

Grand Knight Bob Stadler and Lecturer n Hynan have been busy of late plan-ng a fall and winter calendar of events your entertainment. In the immediate ture a benefit party is to be held for our others in the Selective Service. Frank rey, U.S.O. Chairman, will be in arge. Also scheduled is that popular thletic Might" with moving pictures d personal appearances of stars in the orts world. But more about this later.

FR. O'CONNOR P.G.K. NEW TREASURER OF CHAPTER



Past Grand Knight Wm. P. King

Council Pride Stirred by New Attainment of Popular K. of C. Leader

1-3 Thurs. . . . . 4660 N. Kedzie Ave.

Past Grand Knight Bill King was elected to the office of Treasurer of the Chicago Chapter at that body's September 3 session. Bill's past efforts in behalf of the Knights of Columbus have brought him many well deserved honors and we of Fr. O'Connor Council take pleasure in this new recognition of Bill's abilities.

Congratulations to you Bill and to the Chicago Chapter for having choosen so wisely.

NEW RECORDER

Brother Tom Gaughan was unanimously elected to the Office of Recording Secretary filling the vacancy left by Brother Walter Kelly. Tom was highly recommended for the Office from the council floor and it is evident that everyone was in accord with his proposer as evidenced by the unanimous vote given him. In his acknowledgment speech Tom stated that he would try to live up to the build-up given him and would certainly fulfill his duties to the best of his ability. We all know that Tom will do all he has promised as he is sincere, energetic and well liked by everyone in the council.

THE BIG CHARITY BALL

We cannot stress or urge you too strongly to be mindful of the big event of this fall. That is the Charity Ball, to be held at the Palmer House on Columbus day Eve, Saturday, October 11. Tickets are only $1 and patrons $5. Proceeds will be used to provide furniture and equipment for the National Catholic Community Service Center. Dancing, entertainment and cards.

ATTENTION BOWLERS, and those of us who would like to be called bowlers. There are two more teams open before the league is filled up. If you are not too old, or too busy and you want to get away from the fireside once a week just hand in your name to President Ed. Cummings at the next meeting. The Blitz of the Maples by our assorted Keglers starts September 16th at 9 p. m. at Monte Christo alleys. If you do not care to bowl come out and watch the boys.

MEMBERSHIP

Chairman of the Membership Committee, Brother "Tex" Williams gave a common sense talk at our last meeting on the WHY and HOW to bring in new members, advancing many good ideas to increase our membership. It is his intention to have every active member in the council on his committee working together for a Bigger and Better Fr. O'Connor Council. Let's give him a hand by each getting in a new member.

With the start of the new season and council work getting up full speed we hope there will be much larger attendance than in the past few months. They were summer months and many of us were away on vacations or just didn't like to be cooped up in a warm room on these nights. Let's see some of you Once-in-a-while brothers and some of the real old-timers out at our next meeting. Let's get acquainted all over again. We have a lot of young officers now that we are sure you will enjoy and we feel equally sure that they will appreciate your assistance and guidance. Then it's a date! Sept. 18th! See you at the meeting!

SCRIBES SCRIBBLINGS

Bro. Maurice Stack who runs a soft drink emporium at 4466 Elston Ave. tells me that his welcome mat is always out for our members and our credit is good (up to 10c). His special is a Foxy Double-Dip Deluxie.—A prospective member, Ned O'Leary, who needs no introduction to most of us has been seen quite often in the company of one certain young lady, and now our Membership chairman is trying his best to get him to sign up for life insurance before he signs up for life.

NEWS WANTED.—Are you the proud father of a brand new bouncing baby boy, or girl? Did you get a set of new false teeth? Or a new bowling ball that you expect will increase your average by 25 pins? Did fame or fortune knock at your door just at the right time? That is all news that our members are interested in. Tell me about it next meeting so they can read about it next week.

PLANS FOR FINALE ON MOUNT VERNON HOUSE TO BE REVEALED SOON

Plans for the closing activities of the Mount Vernon House of 1941 project are fast taking shape and in the near future the committee in charge of the Mt. Vernon House party which will be held at the Paradise ballroom, 128 North Pulaski Blvd., on November 28, will announce their program. In the meantime a fascinating display has been installed in the south show window at the ballroom, which has been allotted by the management for the purpose, depicting "When Dreams Come True." A cunning manikin bridegroom and bride, selected and dressed in formal morning clothes by Mrs. W. G. Pohl of La Grange, the wife of William G. Pohl of Nazareth Council, are shown admiring an attractive 36-inch reproduction in color of a Hedrich-Blessing picture of the Mount Vernon House. On either side of the large picture are found eight smaller pictures of the interior and the story of the project. A map describing how to reach the original, which was built by William Joern & Sons and furnished complete for occupancy by Marshall Field & Company, at 345 North Malden Ave. in La Grange Park, is also shown.

The month of September has been especially dedicated to the American workingman and his family with a special invitation to visit this fine example of American industry and skill. The home is located within one block of Ogden Ave. and is easily accessible by bus, street car or the Burlington route. On Sunday, September 7, the 40,000th visitor was recorded at the house when T. D. Gibbons and his wife of 345 W. Marquette Rd., Chicago, came in at 10:15 a. m.

Attend the K. of C. Softball Finals. Sept. 15-18, Shewbridge Field, 74th and Aberdeen Sts. Games every night at 7:30.

The Quadrangle Club has changed the date of its golf tournament and outing to September 28. The site is still Cedar Lake, Ind. Arrangements for golf and dinner must be reserved. IN SADNESS

We bow our heads and silently offer our prayers to the departed soul of Virginia Calewski, sister of our brother member, Anthony Calewski. On Aug. 24, the youthful Virginia departed from our midst on her journey to her heavenly home.

THE AUG. 31st Picnic was also the occasion of Mrs. Alice Bachleda's birthday. Both Mrs. and hubby, our brother member, Joe, had an extremely enjoyable time. Ray Maciejewski was worried about the birthday cake, Alice.

ON SEPT. 14 Joseph Urbanek and his lovely wife will celebrate their sixth year of wedded bliss. Congratulations Joe and Mrs.

Belated birthday greetings are extended to John Gawrych who celebrated his birthday on July 30th.

Stanley Mroz was surprised by a birthday party given by his friends on Aug. 30. Stanley is still opening the gifts.

RETREAT OCT. 3-4-5—Sign now for the Council's annual retreat to Mayslake on Oct. 3-4-5. Entire cost $10.00. Plenty of cars for transportation.

Nazareth Expects an Entry of 12 Teams in Council Bowling War

2-4 Tues. . . . . 17 W. Harris, La Grange.

With the coming of the cooler weather there seems to be signs of activity among the bowling fraternity. The boys are getting the fever again. They want to hear the crash of those maples and see that little "X" mark go up in that corner of the frame on the score board. At least that is the way things are around the west end. D.G.K. Kriz who is one of our most active participants in the game gives out the word that he expects to have twelve teams in action this winter. This is certainly encouraging.

Bowling has been one of the mainstays of our winter activities for several winters and we cannot imagine going through a winter without our leagues. They are part and parcel of our council. A great deal of good has been accomplished through this activity. It has promoted good fellowship among our members and has been the source of several memberships. On these counts alone it should be encouraged and given all the assistance possible. If any of you feel you would like to bowl this winter get in touch with Leo Kriz in Downers Grove or Pete Johnson in Brookfield. You don't have to be a wizard on the alleys, the teams are so made up that there is a place for the beginner as well as the good bowler.

Now that fall is here and the winter fast approaching it is hoped that our attendance at meetings will take a turn upward. Your officers are doing everything possible to make the meetings of interest to everyone. Our lecturer has many things cooking for this winter. He has confided in your Scribe that he expects to have a bang up Halloween party this year. He is also planning an open night in the near future. On this night he plans to have plenty of entertainment with lots of refreshments and movies. We won't disclose at this time just what these movies are but having attended a sneak preview we will just let slip that one of the greatest characters ever to be filmed, bald head and all will be seen disporting himself on the golf links. Modesty forbids us to mention the name of this person so don't fail to be on hand for this great premier. Don't crowd now, and everybody hold your own ticket.

We are glad to see one of our boys obtain recognition outside our council. We refer to P.G.K. Simmons. He has been elected to the post of Sentinal of the Chicago Chapter. Ever since he became a member of our organization he has been an active worker and it is gratifying to know he has obtained recognition outside our council. Congratulations, Paul, and good luck.

Anyone know of a house to rent in one of the towns within our jurisdiction? If you do please communicate with Bob Lester. His present place of abode has been sold over his head and he must vacate. If he doesn't find a place to go pretty soon we are going to be out one good lecturer. Help! Help!

We told you recently about D.G.K. Kriz painting his house with a brush in each hand. We hear now that Leo had to let go of both brushes very precipitately. The ladder slipped out from under him and he was left dangling, hanging on to the eaves trough with both hands. Fortunately he was rescued with only a few bruises to show for his mishap. A certain party in Downers Grove comes up with the suggestion that in the future Leo paint with the brush in his teeth and hang on to the ladder with both hands. Sounds like a good idea.

Now is the time for each of us to get going again on our membership. While it is true that D.G.K. Kriz has charge of the membership campaign this year each of us should bear in mind that this is one of those things that is the concern of each of us. Our council will be only what we make it and any council which does not increase its membership and bring in new blood from time to time will only stagnate and eventually fade out of the picture. Nazareth is too good a council to meet with such fate so let's get going. Each of us surely knows at least one good Catholic man in his parish who would be an asset to our council. Why not work on him and bring him in. He won't come in by himself.

BUREAU OF MISSING PERSONS

Anybody know anything of the whereabouts of Mike Weis and Phil Bellerive of Westmont or Jack Feeney and Joe Miller of Downers Grove, Henry Mayerowicz and Bill Murrin of Brookfield, P.G.K. Robinson of Hinsdale? We haven't seen these boys at a meeting in so long they have become strangers. If anybody knows anything about these men please convey to them the information that we still meet on the second and fourth Tuesdays and their brother knights miss them.

Tonti Golfers Rate Last Sunday's Party Best of the Season

1-3 Thurs. . . . . 4221 Irving Park Rd.

Under perfect weather conditions, Tonti Golf party held at the Rob Roy C.C., Sunday, Sept. 7, was a huge success. Everyone who attended is looking forward to another such event, soon. Orchids to Athletic Chairman Ray Demski and his committee for the splendid manner in which the affair was conducted and for the beautiful prizes. About 60 were in the party.

The golf awards, namely, snappy rubberized golf jackets, went to Richard Miloch, Art Haak, Bert Austin, Ernie Gabler, John Zargorski, Leo Sliwinski, Ed. Dittmer, Frank Krieb, Ed. Manczak, Lambert Jankowski, L. Stahnke, Willie Sushomski, and Lawrence Jankowski.

Low scores were registered by Ed. Manczak, 83; Leo Sliwinski, 84; Lou Schmitz, 87; and Henry Scheffler, 91; (Hank would have made a better score but his energy was exhausted from moving Saturday). Prizes in the form of miniature poker chip sets were awarded the Card Players. The lucky guys, who found golf too strenuous were Casimir J. Grzywinski, better known as "Casey," and G. K. Louis Buettner, who caught a double pinochle in two successive hands to show his finesse. Every golfer received a Tee Clip, and each card player received an Official Card Rule Book. To those who attended, and to all who helped make the occasion the success it was, many thanks.

COUNCIL AFFAIRS

DUE TO CHANGES in his employment, P.G.K. John Smith, with regret, resigned from the post of Chairman of the U.S.O. Committee. G.K. Louis Buettner appointed Bro. Joseph Wiedemann to take over. P.G.K. Gus Warnesson and P.G.K. Eugene Raith were added to the list of names to serve on this committee. Have you made your reservation for the Charity Ball? The proceeds go to the N.C.C.S., who provide Recreational Centers for the boys in the service, while on leave from camp. "Time's a flyin'," so see the committee for tickets and help Tonti Council fulfill its quota. Price $1.00. Patron tickets $5.00, including two tickets and your name on the official program.

ONLY ONE MONTH left now to realize our slogan, "A First and Second Degree in Tonti Council before Columbus Day." If you need more applications, ask Bro. Jos. Spekowski or Bro. Frank Ruszkowski, Membership Chairman and Financial Secretary, respectively, and they will supply you.

We offer our condolences to Bro. James Curry, former Lecturer and Financial Secretary, on the death of his father-in-law, Christopher Nichol, a retired captain of the Chicago Fire Dept.

Lecturer Ray Ruszkowski let slip the secret that at the next meeting, Sept. 18, there will be Barbecued Spareribs, and liquid refreshments. Three members went home from last meeting a dollar richer, and 10 others with a half dollar jingling in their pockets. Besides getting a half buck, P.G.K. Gene Raith had a 1500 hand in hearts dealt to him by Bro. Wiedemann. Some luck.

P.G.K. John Olsta, Chairman of Welfare has a new Activity planned. It is unique, timely and most appropriate, as it applies to our boys in the Service. Come to the meeting, Thursday, Sept. 18, and find out for yourself. Rev. Fr. Jasinski gave us an inspiring talk at the last meeting, praising the work of the Knights of Columbus in the U.S.O.

Fortonti Club holds its party Sept. 26 at Stellas Hall, Belmont and Kostner Ave.

Don't forget that the boys bowl every Tuesday night at the Milford Alleys at 9:15 p. m. Come up and root for your favorite team. There's more fun when there's an audience.

SOFTBALL AWARDS

One of our large "Catholic Action" activities will be climaxed at our next meeting with the awarding of the softball trophies to the various winners. Our softball league ended with Holy Rosary church leading the parade once more.

The various donors of trophies will be in attendance after the adjournment of the regular council meeting to present the awards. From present information we have, State Deputy Leo Flynn, Judge Bolton, Alderman Lindell, Sheldon Govier, John Fiddelke and numerous others will be there. More news about that in the next issue of the Columbian.

BLABBER REPORTS

I filled out my questionnaire but I don't know where I stand, do you? Bro. Clarence Phillips will tell about the great American drink and maybe have a can of sardines at the next meeting. Fin. Secy. Ed. Bryar received a letter from Bro. George J. Stauber in St. Albans, L. I., N. Y., who is pulling for St. James softball team and also says he enjoys reading this column. No. P. G. K. O'Connell is not ill but in very good health, he has only retired from the undertaking business. Don't forget, Bro. Stauber, on your next visit to Chicago to attend a meeting so we may visit with you.

Fin. Secy. Ed. Bryar (Regent 8460), wishes to know the present address of Bro. Timothy J. Anglund, formerly of 812 East 42nd St. Bro. Ed. Bryar has a long face because some of you'se guys ain't come across with your dues.

Did you know that Jocko Conlon, the now famous National League umpire, played baseball on St. James' baseball team, away back when we played Fr. Perez Council and beat them so says Dist. Deputy Ed. J. Molyneaux, P. G. K. of Fr. Perez?

WE KNOW THEM BY: Amb. J. Burke and his camera; D. G. K. Thos. J. Groark's laugh and doodling on reports; Clarence J. Phillips and the piano; Henry Steffens and his three for a half cigars; Ed. Mullner and his Cuban attire.

D. G. K. Thomas Groark reports the death of the mother of Bro. Ray Socha. The council offers its prayers and sympathy to Bro. Ray, a devoted son who quite frequently went by plane to visit her over week-ends, up in New York state. May her soul rest in peace.

Brownson Will Begin Regular Fall Program With Tonight's Meet

2-4 Fri. . . . . 4754 N. Western

On Friday, September 12, we will begin our new year of meetings. Your new officers need your support so why not plan to attend all meetings and help in making this a year of good affairs.

The golf committee has decided to hold our final tournament of the year on Sunday, September 21, at Rob Roy. On this day we will play for the Marshall V. Kearney trophy also Rev. Father Rausch Sportsman trophy. The present holder of trophies please clean up as we will call for them before tournament date. Present champion, P. G. K. Ed Kane, better sharpen up on his play as he has a few tough customers in Bros. Walliser and newlywed, P. G. K. Kohler. Let's make this a date. The cost will be $1.75 for golf, refreshments and prizes. If you attended our last golf party you know the array of prizes so let's all plan to attend.

Council bowling league opens on Tuesday, September 23, at Al Longs' Monte Carlo Recreation. Have you made reservations for season 1941-42? If not, do it now as we have a few openings. Your new officers have a number of swell ideas for the year so plan on being a regular.

North and West Side Majors will be swinging into action during the next few weeks, exact starting date later as well as location.

Your P. G. K. Tom Casey is chairman of the N. C. C. S. Charity Ball to be held on Saturday, Oct. 11, at Palmer House. He solicits the support of the council members in promoting this glamorous social affair. The fund is for the support of a most needed recreation hall for service men. The new N. C. C. S. club will be located at 1122 S. Wabash. Where can you go for a dollar and have such entertainment as a big name dance band, cards, plus other items of interest.

Members and friends are invited to attend on Sunday, September 14, a picnic given by the Aldine Pleasure Club at Joe Baier's Elm Inn, Higgins and Mannheim Road, Des Plaines, Ill. All types of entertainment for both young and old, so why not make up a party and plan to attend, as a great number of Brownson members belong to the club and we know you will have a fine time. Admission is free.

All you softball fans (while Brownson is not in the finals), might want to see a few of the championship evening games under the lights starting Monday, Sept. 15 to 18, inclusive, at Shewbridge Field, 74th and Aberdeen. Admission, 15 cents, children; 30 cents for adults.

News from here and there: We learn that on last Sunday our friend and District Deputy John O'Reilley and his good wife, celebrated their Golden Wedding Anniversary. We all extend our good wishes to you, John. Our Warden Tony Miller, is vacationing some where in Wisconsin. Let's hope it's warm and good fishing. Brownson is happy to note the appointment of P. D. G. K. Vincent Neary to Board of Trustees, Chicago Chapter. We know he will do credit to our council and bring to us his continued fine reports on what is going on.

Englewood Finds New System Announcing Its Programs Is Successful

2-4 Mon. . . . . 150 W. 69th St.

The first regular meeting of the fall season was held Monday, September 8. In spite of the unusual heat and humidity there was a very good turnout. It seems as if the notification to the members by card announcing the meeting and program is already bringing good results. Many faces not seen around the council chambers for quite a while were noticed.

Brother Cushing, field agent for insurance membership, requested that we start our membership drive early this year, in an effort to get new members and also to reinstate members now on the AAL.

Perhaps most members who are on the AAL do not realize it, but they can regain full participation in council activities by paying their council dues. Some of them may have been staying away from meetings thinking they have no voice in the council, so if you know anyone on the AAL who wishes to become an active member while on the AAL, tell him the above.

Our Chaplain, Rev. Father Geheb, gave a short but pointed talk telling us that when difficulties beset us we should take refuge in Mary, Our Heavenly Mother.

A memorial mass for deceased members of the council will be sung some time in November, the date, time and church will be announced later. It is to be hoped that a large number of members will turn out for these services. Tempus fugit memento morie.

We note with sadness the passing of the mother of our former Chaplain, Rev. Father Mulligan. She was buried Thursday at Holy Sepulchre Cemetery. May her soul rest in peace.

VIA THE GRAPEVINE

Lucky Buck winners at the last meeting were Joseph A. Smith, John P. Loughnane, Walter Hogan, L. C. Jann, and John Cushing. . . P. G. K. Bill Cleary was present and gave his speech as requested. . . Steve O'Connor had the cast removed from his ankle and is now convalescing at home, 1206 W. 96th St. Steve will be glad to see some of the boys as he will be home for probably another month. . . P. G. K. John A. Ryan is also still at home and will be glad to see visitors. . . At the meeting of September 22, the movie, "People Come First" will be shown. . . Former member of Englewood, Raymond F. Purposes of Catholic Press Stated by Bishop

Birmingham. — The function of the Catholic paper is strikingly stated in a letter from the Most Rev. Thomas J. Toolen, Bishop of Mobile, printed in a recent issue of "The Catholic Week."

Speaking to his priests and people in a special vacation issue of the diocesan newspaper, Bishop Toolen says "it is the purpose and intent of the paper to make known the truth; to proclaim and explain the teachings and practice of the Catholic Church to defend it from unjust criticism and from unreasoning prejudice; to teach and preach loyalty to the country's government and its institutions."

Bishop Toolen declares that a paper cannot exist on readers alone, or on advertisers alone, and he bespeaks "a friendly circle of cooperation" between the two. Urging his priests and people to "make the cause of the Catholic press your cause," Bishop Toolen says, "The more you are interested in it, the more valuable your support and frankly, how can you afford not to be interested in it, in an interest which is so intimately tied up with our own, which is your own?"

Three games a night in the K. of C. Softball Finals, Sept. 15-18, at Shewbridge Field.

ST. RITA BOWLERS WILL OPEN LEAGUE TONIGHT

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

At 9:30 tonight John "Dutch" Lehner will unsheath his short pencil, the foul-line claxon will sound, and the sixteen teams of the St. Rita Council Bowling League will open the 1941-42 season.

President Doc Hoffman and Secretary Lehner request that the keglers arrive at the alleys at 9 o'clock in order that any last minute snarls in the formation of teams may be straightened out without delaying the evening's schedule. As we go to press "Dutch" tells us that there are still a few spots open, so any member wishing to join the league, who has not yet registered, should submit his name to the secretary at 9 o'clock.

On every Friday night from now until next March the third floor of the Western Recreation at 63rd St. and Western Ave. will be the unofficial meeting place for St. Rita Council. As in previous years we will bowl every Friday excepting the Fridays after Christmas and New Years, and Good Friday. The sixteen teams will meet each other twice for a total of 90 games over 30 nights.

COLUMBUS DAY

Bro. Connie O'Sullivan, council chairman of the Chicago Chapter charity ball, and Co-Chairman Art Manfredi were making plans this week for the celebration to be held October 11 at the Palmer House. Proceeds of the affair will be used to furnish the social center at 1122 S. Wabash Ave., for men in the country's armed forces.

The evening's program will include dancing, entertainment, cards and bingo. G. K. Ted Lee informs us that our council will have private headquarters in the hotel where members may gather for a little private celebrating. P.G.K. Charlie Nash has been appointed one of the district leaders for the celebration.

Assisting Bros. O'Sullivan and Manfredi in St. Rita's part in the program are Harold Hilbert, Ray Bernoski, John Barnoski, Bruno Fracassi, Joseph Philbin, John McNally and Ray Sullivan.

KEEP IN MIND

Our meeting of Sept. 18 has been set aside as P.G.K. Charlie Nash night. All members are urged to attend the meeting to honor a man who has given unstintingly of his time and effort in furthering the activities and progress of St. Rita Council. P.G.K. Frank Small, chairman, with the able assistance of Lecturer Harold Hilbert, is making plans for a night long to be remembered in the annals of St. Rita.

Our Fourth Degree organization, the 2034 Club, will hold its annual picnic Sunday, Sept. 21, at the Log Cabin, Pioneer Grove, at 107th St., just a quarter mile west of Kean Ave. Admission is $1 per family, which includes refreshments and entertainment.

Chairman of Athletics Bruno Fracassi is on a one-man campaign on behalf of retreating summer. He has contacted the weather bureau and demanded good weather for Sunday, Sept. 28, when St. Rita Council will hold its last golf tournament of the season at Kinsman's Country Club.

OUT OF CIRCULATION

Temporarily are Bros. Tim Shanahan and Tom Gaynor, Jr., son of Bro. Tom, the bowling tycoon. Tim is in St. Bernard's hospital with injuries suffered recently when his automobile collided with a streetcar at 56th St. and Western Ave. Tom is under observation at Holy Cross hospital.

All members are urged to attend the public Holy Hour this Sunday at Soldier Field. . . . P.G.K. Frank Small has been elected a director of the Chicago Chapter. . . . William Stoeller has been appointed chairman of the St. Rita Council service men's committee. Any Brother called to service should inform Bill of same at 2918 W. 63rd St., or telephone Rep. 5355. . . . Financial Secretary Joseph Shanahan will be on hand at the bowling alleys every Friday night to collect dues. . . . Don't forget him. . . . The K. of C. Softball Finals will start Sept. 15 at 7:30 p. m. at Shewbridge Field. Admission is 30 cents for adults and 15 cents for children.

CALUMET ENJOYS FINE MEETING ATTENDANCE

2-4 Mon. . . . . 6646 Stony Island Ave.

We are sorry for the members that couldn't get up to the last meeting because a very good time was had by all. The meeting was the annual bowlers meeting and it was very well attended. Our worthy Chaplain Father Terence, Treasurer Bob Ward, Advocate Ed. Maas all were back from their vacations and looked in the pink of condition. The chairman of the bowling league Bill McNichols took over for the evening and made sure that everyone had a good time.

After the meeting was over the ladies came in and made themselves right at home. After being served refreshments everyone sat down to play games and win one of the many prizes that were to be given away. Bob Hardy, Ed. Sexton (assisted by Joe Cummings), Mr. Stringer, Mrs. Scully, Tom Walters, Mrs. McNichols were just a few of the many prize winners. We think some of you members should get in on this fun insted of just reading about it all of the time. These meetings are all planned for your entertainment so why don't you take advantage of them.

After listening to the various committee chairmen give their reports, we would like to give credit where credit is due. This persuasive, humorous, talented, irresitible, handsome Bob Hardy gave a report on the Chicago Chapter. Maybe Bob's memory of names isn't up to par but it was a very good report. Bob is also very popular in the drug store down stairs.

If you members that never get around to coming up to the meetings would send us a card telling what kind of entertainment you prefer we would be very happy to have it. We are going to have some very fine talks soon, so plan to hear all of them.

BOWLING

This is our last opportunity to try and have some of you members join up and bowl with us. Yes sir, we are all ready to start our bowling season and it promises to be one of the best that we ever had. One of the important things is that we could use a few sponsors. Any of you members that have your own business will be very well repaid if you will consent to sponsor one of our teams. Just send in a card telling of your desire to do so. We also have a few empty spots still open for bowlers so those of you that haven't had an opportunity to send in a card yet, please do so as soon as possible. We would like to repeat, and it certainly isn't needless repitition, that those of you who have never bowled before are as welcome as an old-timer. We have several beginners with us this year and we have promised to show them the arts of bowling. These fellows have never had a ball in their hands before so you members that have already bowled a few games will have an edge on them. Calumet's house league has one of the finest group of men in it and if you don't get 100 laughs every night you bowl you must be a Ned Spark. The competition is always great and it puts all the life in bowling. For example we will take the Whalen team of last year. Out of the first 18 games that they bowled they only lost one, yet when the season was over they were in fifth place. The enjoyment of being on this team and the enjoyment of the other teams when they beat this team was something to see. That's the way all the teams are and when you go home after bowling in this league you know that your time hasn't been wasted.

Last year we all made the trip to Indianapolis and it didn't cost us one cent. This year we are going to Cleveland with all our expenses paid, so those of you who have never been out of town, here is a opportunity for you. Don't forget, we start next Thursday at nine o'clock at 80th and South Park. Brand new alleys. We hope to see you all then.

SCRAPS

It looks like M. P. A. Murphy came out on the short end with his letter to the Voice of the Grandstand. Due to the Holy Hour at Soldier Field, Sunday, the Sunday Evening Club will not start until Sept. 28. So we will tell you of Chairman Davis' plans next week. Don't forget the softball finals next week. Go over and watch McHale, Santa Maria, and St. James our neighboring councils in their finest form.

Bro. Pat O'Brien has been appointed to the governing board of the Chicago Chapter. Nice going Pat. Did you see Jim O'Malley strutting around the meeting the other night? He's the proud father of a baby girl and Jim tells us both he and the wife are fully recovered now. Chas. West of 849 E. 64th Pl., John Walters of 7133 Dobson, and Pat Concanon of 7436 Rhodes are all home sick. Any of you members in the vicinity of these homes please drop in and say hello. Stop in and have a cup of coffee with Arch. Mahoney out at Hines too. Bro. Tom Dillon left the hospital yesterday, but will have to stay off his feet awhile yet. Tom lives at 6629 Maryland.

Three games a night in the K. of C. Softball Finals, Sept. 15-18, at Shewbridge Field.

Damen's Merry Men Open League Tuesday, Sept. 30

1-3 Thurs. . . . . 6 N. Hamlin Ave.

The Merry Men of Damen will start their 1941-42 bowling season on Tuesday, Sept. 30, at the Cascade Bowling Center.

All Damenites who can possibly attend are requested to be present at St. Peter's Church, Polk and Clark Sts., on Thursday, Sept. 18, at twelve noon when a Solemn High Mass will be celebrated for the repose of the soul of Past Master of the Fourth Degree, Bro. Joseph McMahon, requested by La Salle Assembly.

The last meeting of the council, better known as "Tom Brown Night" was very well attended. Telegrams of congratulations were received from Bro. J. Shaunessy, P.G.K. of St. Patrick's Council and Bro. W. T. McGovern, S.J., of Detroit, Michigan, who stated that they were sorry to miss the chance to honor one of the greatest Knights of Columbus they have the pleasure to call "friend."

Dr. Postillion, P.G.K. of Hughes Council, was present to add his remarks to the returning delegate from Damen and to wish our new Grand Knight, John Caulfield, God-speed for the coming year. Lecturer Geo. Reithal, Jr., presented Bro. Brown with a very impressive gift to remember the occasion. The guest of honor was then called upon for a few words and responded with an oration of about five-thousand words condensed to about fifteen minutes during which he covered the entire convention activities. Admitting the trip was wonderful he went on to say that Cicero, Ill., is still his favorite playground of the world.

The golf tournament, or "Damen's Day in the Country," was another huge social success and Chairman Geo. Reithal, Jr., and his committee, are to be congratulated on the wonderful dinner and the general all-around handling of the affair. Some fifty members and guests took part in the golf contest and around sixty joined in the barnyard variety which was the closest contested affair of the day. Thirty or forty ladies enjoyed bridge. About one hundred remained to enjoy a delicious chicken dinner and to dance until midnight. Bros. Bob McBride and Harold Prince were kept busy from twelve noon until almost midnight dispensing good cheer to all those who desired it.

The prize list of the lucky winners reads as follows: Low Gross, Father Donahue; 2, Mr. Whalten; 3, Mr. Shone; 4, John Gorman, Jr.; 5, Dr. McEnery; 6, E. O'Toole (the defending champ); 7, J. Caulfield; 8, F. Pernell; 9, P. Brown; 10, A. Colfer; 11, H. Shaner; 12, J. Meyers; 13 and 14, the Monahan sisters; 15 R. White; 16, F. Pfeiffer; 17, J. Lee and 18, T. Sloan. All ladies present were given a remembrance gift. P.G.K. Wm Hopkins was crowned the official Horse Shoe Champ of Damen Council and presented with a set of gold-plated horse shoes which he immediately donated to his partner and runner-up, Geo. Reithal, Sr., for use at his summer home on Shaffer Lake.

HIGHLIGHT NOTES

What certain Strawberry Blonde was disappointed when Bro. Jack Lee was uable to remain for dinner but accepted the delivery of his golf prize? Tom Reithal with a score of 192 and Mrs. Parnell with a score of 266 were crowned the bowling score champs of thetournament. Mrs. Al Colfer and Bro. Tom Cullen entertained the guests with a special dance number. Bro. Parke Brown, assisted by Miss McLaren at the piano, gave his vocal chords a workout by singing "The Old Brown Pants," and a few Irish ballads. Space will not permit the listing of the numerous happy groups who were present but we do know they had a wonderful time.

The next meeting of the Council on Sept. 18 will be "Bowlers' Night." All members who wish to bowl this season should be present and turn in their names to the league president. Bro. Thomas Sloan will be next Damenite to awake each morning to the tune of the bugle. A correction is in order—Bro. Joe Creighton is not an army man. Bro. James Creighton is in the service at Rantoul, Ill. (Sorry Joe for being a little premature.)

Bro. Tom Brown was seen taking special care not to soil those $25.00 Atlantic City pants both at the last meeting and at the tournament. Bro. John Gorman was uable to play golf due to a slight injury but enjoyed his personal ribbing party while greeting the tired performers at the 18th and 19th greens. Bro. John Kelly of Oak Park was recently granted two new patents by the U. S. Patent Office. A few more and John will be known as the patent king.

Aquinas Celebrates 35th Anniversary of Founding This Year

1-3 Tues. . . . . 5441 S. Ashland Ave.

To commemorate the 35th year of Thomas Aquinas Council admittance to the Order, a widespread council activity program has been adopted. The first of these programs will be National Catholic Community Service Night to be held on Tuesday, September 16, in the council chambers. At this meeting, the Charity Ball will be discussed at length, and after the meeting Lecturer Bill Golden has arranged a special program for your entertainment.

You old-timers who haven't been in the council chambers in years are especially invited. Come up and meet all your old friends. Lecturer Golden also advises me that at least two prominent public personalities will be on hand. Needless to say, the usual card games, refreshments, etc., will be in order.

BASKETBALL—The council is sponsoring a team that will be entered in the Visitation Parish Interhouse league. Grand Knight James Sweeney has appointed Edgar Baldwin manager. All those interested should get in touch with Edgar Baldwin.

HOLY NAME HOLY HOUR—As Msgr. Byrnes of Visitation is general chairman of this Great Hour, it should be an added incentive of every member of our council to be on hand on Sunday at Soldier Field.

I WONDER

If the ticket Tom Conroy lost was a winning ticket???

I have received advice from Bowling Chairman P. G. K. Dr. E. P. Bialecke that the bowling season will get under way on Friday, October 3rd at Visitation Alleys, 54th and Peoria Sts. Reservations have been coming in slow, and anyone who intends to bowl should immediately get in touch with Dr. Bialecke. It must also be kept in mind that the league will be limited to six teams because of lack of accommodations. Please phone Dr. Bialecke at Eng. 2627 before September 26th.

Weber Urges Perfect Communion Attendance Next Sunday

1-3 Mon. . . . . 4758 S. Pulaski Road

Weber Council has really taken on a big job for the coming year, namely Catholic Action. Bro. John Trzos, the C.A. chairman, started the program off by making arrangements for our council to receive Holy Communion in a body this Sunday, Sept. 14, at the 9:00 o'clock mass at St. Bruno's Church. Bro. John made a plea for 100 per cent attendance. Let's not disappoint him.

In order to put our Brother Knights in the real spirit, our Chaplain, Rev. D.D. Alexis Gorski, delivered a most interesting and inspiring talk on Catholic Action. He gave praise to the excellent letter and perfect design of Catholic Action which he received from Supreme Knight Matthews. The highlight of the talk was his plan for unified Catholic Action and powerful Catholic morale which will bring peace to the world. In conclusion Father Gorksi asks the Brother Knights to show a good example by having the largest Communion attendance on record for the Weber Council.

To top this off, G.K. Jos. Nowakowski reminded the Fourth Degree Brothers to be in full dress.

Shame on you who do not attend meetings and can. You Brothers who are working night shifts are automatically excused, but those of you who could attend meetings should get next to yourselves. The council can do bigger and better things with a little more co-operation on your part.

On the other hand, how can our Lecturer, Bro. Dr. Dziubski, plan his entertainment for us if only a small handful attend. It's quite a job trying to arrange a program, so why make the duties of the Lecturer so much harder?

Our Advocate, "Eagle Eye" Swientek, must have been watching that Xmas Cheer Fund box on the table 'cause he called attention to the fact that very few pennies are being dropped into it. Bro. James then continued, by saying in his deep bass voice (somewhere around high C) "Let's not be a bunch of chumps, drop your loose change into the box." So in the words of Brother Jimmy, let's not be. The Xmas Cheer Fund is really a worthy one. Support it.

Bro. John Trzos again comes forth and points out that K. C. members ought to belong to the Holy Name Society and that by working hand in hand with the H.N.S., Weber council also has a chance to increase its membership. Think it over.

BOWLING Amidst the thunder of the rolling ball and the clatter of the scattering pins, the Weber Bowling league got under way last Friday night, and the boys really went to town. If you intend to do any bowling this year, we still have room for you, but don't put it off. Weber council bowls on Friday nights, just in case you'd like to come out and watch.

Wild turkeys are found only in the Americas.

P. G. K. and Mrs. Joseph J. Byrne spent the holiday week-end up at Manitowoc, Wis., with an old time member of Carroll Council, Johnny Kelly, who was married last May. Many of the members will recall John as a staunch member of the intra-council bowling league.

Santa Maria Bowlers to Open Season Next Tuesday, September 16

2-4 Thurs. . . . . 9020 Commercial Ave.

Very shortly, September 16th to be exact, Santa Maria's bowling league will get underway at the Cheltenham Bowling Alleys, 79th St. and Muskegon Ave. Last Tuesday, players who will make up the twelve teams were signed up but there is still plenty of time to join. Any interested members can get in touch with P.G.K. Al Schott at home, or at his store, 79th St. and Clyde Avenue, during the week, or better still come to the Alleys on the opening night, Sept. 16.

P.G.K. Schott and G.K. Komar are working hard to make this year's league better than ever before. They are getting plenty of help from such able assistants as the Jakse brothers, Fin. Secy. John Crowe, Jim Brown and others of our top flight bowlers. Now all that remains is for every interested brother to turn out and sign up for one of the various teams that are being sponsored by business and sport-minded members of our council.

The league will operate as formerly with each player paying for his own games plus a small charge to be used as a fund from which to award prizes at the end of the league in the spring. The play will go on each Tuesday evening, and all are guaranteed the maximum of fun and sport for a minimum fee. See you there Tuesday, Sept. 16.

SOFTBALL

Our softball team has done itself proud by making the championship round of the K. of C. softball league, which will be played off on Sept. 15, 16 and 17, at Shewbridge Field. Santa Maria plays Ketteler of the West Division at 7:30 p. m. on Monday, Sept. 15. There will be two other contests and admission for all three is only 30c for adults and 15c for children.

Let's have a big turnout to cheer on Capt. John Cullen and his team. The boys have been working hard to give Santa Maria some recognition in the sport light and we think they deserve all the support they can get from us fans. Get up a party and be at the field at 7:30 for the play-offs.

NOTES

Well, we got back from our vacation, nine glorious days at Saugatuck, and sporting a slick office tan (face, neck and arms only) and feeling like we'd just fallen out of an airplane with no parachute, if you get what we mean. We met all kinds of people we knew including Pat Courtney and Joe Hennessey.

P.G.K. Gordon Nash and wife have been spending their week-ends at Bro. Martin Holleran's palatial home at Long Beach, Mich. The Hollerans have as neighbors our former District Deputy, Judge John F. Bolton, Father Timothy Rowan of New World fame and Alderman William A. Rowan of the Tenth Ward.

Judge George Rooney must be psychic. Everytime we start for South Chicago it seems Bro. Rooney comes alone in his car and gives us a lift, which is a pleasure since Judge Rooney is always such an interesting conversationalist.

That item about the meetings being on the first and third Thursdays was a mistake on our part and we're sorry. There has been no change in meetings. They are still on the second and fourth Thursdays of the month. The mistake was due to a throw back when we were in the habit of always writing the old schedule.

How are you doing on membership? There are plenty of prospects around what with the mills of our community booming and many young fellows looking around for something to do on the approaching winter evenings. Look around and see what you can do. The membership committee, headed by William Jakse, will give you all the cooperation you need.

We hear on reliable authority that one of the South Side's most eligible bachelors, Bill Cullen, has finally succumbed to the wiles of Sir Cupid and has become engaged. Our grapevine was disconnected before we got the young ladys' name, but we'll persevere until we do.

St. Anthony's Drive for New Members Is Making Progress

1-3 Thurs. . . . 73rd and Grand Ave.

The good news of the week is the wonderful record that is being made by the membership in bringing in new applications, which indicates that they are sold 100 per cent on being Knights, are selling the idea 100 per cent, which in turn will make St. Anthony stand out as a 100 per cent Council, so keep up the good work, and to some of you members who are kind of lax in attending meetings, why don't you take an application and get it signed by some good Catholic man who would make a good Knight, and in that way show that you are helping the Council, the new candidate, and also yourself by being one that contributes to the welfare of the order, the church, and country.

Bits about members: Bro. Walter Inda, night chief clerk for the I. H. B. R. R. is back on the job after a two weeks' vacation. Bros. H. McEvoy and R. Gorsch are also back. Vito Sanfillippo, one of our new insurance applicants, was married at St. Gertrude's Church Saturday, Sept. 6th. Good luck, Vito. Bro. Peter Caputo got the ticket for the Charity Ball last meeting. Frank Schulze received it the meeting before.

Bro. Ed Osweiler, our D.G.K., is chairman of the sick committee, and anyone knowing of any brother sick or in distress, should call him at River Grove 2805, or call the G.K. at Franklin Park 422-J. It so happens that we usually find out about the brothers who are sick or on vacation when they are back home or on the job again.

Frank Schulze, your chairman of the N. C. C. S., promises that he will have the tickets for the Charity Ball, which is to be held at the Palmer House, Oct. 11, in the mail in a few days. This is a very worthy cause, sponsored by the Chicago Chapter which is furnishing the Clubhouse at 1122 S. Wabash Ave., as a recreation center for the soldiers and sailors when here in Chicago.

Dates to keep in mind—Oct. 11, Charity Ball; Oct. 16, Ladies' Night; Oct. 30-31-Nov. 1, Retreat at Mayslake.

AUBURN PARKERS TO HOLD PARTY TONIGHT

2-4 Thurs. . . . . 7740 Emerald Ave.

This is the night we have been talking about for some time in this column the second party of the season in the Shelter House of the Forest Preserve located just north of 87th Street and a block or two east of Western Avenue. Here the members of Auburn Park and their friends will assemble for another gala event. the last of the summer activities. The purpose of this affair is to show our appreciation to the members of our softball team for their activities during the past season. Tickets have been mailed to each member along with full particulars, and there will be dancing, refreshments and entertainment. Our treasurer, Brother Geo. Wrocklage, has added door prizes to be presented to the lady guests on this occasion.

The prices of admission are—gentlemen $1.00 and ladies 50c, or a total of $1.50 per couple. Bring the ladies with you as we assure them a very pleasant evening. The members of the softball team are serving on the committee under the direction of our Warden. Brother Neil Houtsma. Come out early, and the closing hour is one o'clock. Don't forget tonight, Friday evening, September 12. If you have disposed of the tickets furnished you, settlement can be made at the door of the Shelter. George Wrocklage and John Rooney will be glad to accommodate you.

If you drive over 87th Street turn into the parking lot at the corner of Western Ave., and to the east of this location you will find a stairway that will lead you right to the door, or if you drive south on Western Ave., turn east at 85th street about two blocks and park in the lot to the north of the ball field. It's just at the foot of the hill on the north side of 87th Street just east of the ski slide. Street car commuters will follow the same instructions from the parking lot at the northeast corner of 87th and Western Ave. We'll be seeing you there. Let's pack this place to its capacity.

SOFTBALL FINALS

Sept. 15, the K. of C. Softball finals will again open under lights at Shewbridge Field, located at 74th and Aberdeen Streets, with three games on the schedule each evening. The prices for these games are 30c general admission for adults, 15c for children nad box seats 45c per person. Our team does not play until Wednesday evening, September 17, playing the winner of the Madonna-St. Cyr game which will be played earlier in the week.

This doesn't prevent your being in attendance on Monday and Tuesday evenings as some of the outstanding teams of the League will meet on the opening two nights of the schedule. This is right in our community and no reason why there should not be a large turnout of Auburn Park's membership. Show these boys that we appreciate their efforts during the regular season of play. They represent the Southwest Division and if successful in the opening game on next Wednesday night they will enter the quarter-finals. Get your friends together and make an Auburn Park rooting section.

BOWLING: The date has been set for the opening of the Auburn Park Council Good Fellowship Bowling League, which will get underway on Monday evening, September 22, and every Monday evening thereafter throughout the playing season from 7:00 p. m. until 9:00 p. m. at the Highland Recreation Bowling Alleys at 1310 West 79th Street.

Up to this writing we have been assured of six teams to start this league, but as you know there is always room for additional bowlers to increase the number of teams in the league. Brother Tom Cole states this league is open to all members of the Council whether they have ever bowled or not. Age is no limit.

A letter is being mailed the membership with a self-addressed post card to Walter Fox, 7937 Morgan Street, in which you are asked to signify your willingness to bowl in this league. We request that these cards be signed with your name and address and returned to Brother Fox as soon as possible as they expect to call a meeting of all who desire to bowl before the 22nd.

10th Annual K. C. Softball Finals Start Monda

WEST SIDE SPECIAL TO K. C. NATIONAL BOWLING TOURNEY, APRIL 18-19

James F. Collins, director of the Knights of Columbus National Bowling Association, announced today that the West Side Special to the K. of C. tournament at Cleveland, Ohio, will leave on next April 18 and return on April 19. Further information on the West Side trip may be had from Director Collins at Haymarket 7860, or by addressing him at his home, 1524 N. Lotus, telephone Merrimac 5158.

Arrangements for the north and south side specials will be announced soon.

Newman Bowlers Will Start Weekly Battles at 8:00 at Main Alleys

1-3 Thurs. . . . . St. Mary's Hall

It's Sunday, the day on which the Newman news for The Columbian should be written. Everything is perfect, absolutely quiet, yes, too quiet. The phone hasn't rung all week. How can you write a column when you don't hear what's going on? I have a few notes from a previous scribe and some general news and that's all. Let's hear from you next week with that news call. Geo. Hebson, Skokie 2915, or Doc E. Keifer. I promise to publish all, and any side of all arguments. (Give George a hand—or better, a ring—lads; it really is tough trying to put his job over right if he has to go it by himself. If you can't think of any news, call him up and say hello; you'll make at least the phone company happy that way!—ED.)

NEWMANEWS

Joseph L. Rose, one of our oldest members, was recently appointed Commissioner of Public Works of Evanston. We all join in congratulations. Brother Joe, and wish you the best in your new position.

The Newman "Old-Timers" ball team has entered a softball tourney starting next week. This is the newly formed team which challenged the Newman "Regulars" to a game and were trimmed. Anyone who is too old for the regular team is invited to come out and err!

Adrian Vanderweil, the Seed and Bulb man, recently returned from a shopping excursion which took him up into Oregon and Washington. Gardeners of Dutch descent are developing bulbs in that locality to replace bulbs which are unobtainable from Holland due to the war. For "Mumzies" and "Pansies" at their best, visit Adrian's Church St. store and call for "Carl." (This looks like the place to post the inquiry on how we can get just plain lawn grass to grow. Anybody know?—ED.)

FLASH: Our Chaplain, Rev. Mockenhaupt, recently made a hole-in-one. Competition is sure tough when you have to make a hole-in-one to win that nearest the cup bet. I would say that is Catholic Action at a high. Right, Father?

CONGRATULATIONS are in order for the Ed Coursey family. Yes sir, a baby girl, born Sept. 5, at St. Elizabeth's Hospital. Mother, baby and father are reported doing fine.

BOWLING STARTER

Newman's Bowling League will get (got) under way on Tuesday, April 9th. (He means, Sept. 9, we bet—it looks safe, but now you have a real reason to call George.) Twelve six-man teams will get under way at the Main St. Alleys in the annual effort to get in condition for the bowling trip. Everything points to a banner season with the alleys reconditioned, and last year's objectionable double shift removed. All teams will bowl at 8 o'clock instead of the usual 9 o'clock starting time.

While on the subject of bowling, the boxing show sponsored by the bowlers will soon be coming up. Be ready to lend a hand to make it a great success.

Have you ever been to Dumbbell's Lodge, near Wauconda, Ill.? Reports have it that it is a very exceptional place, owned and sponsored by two well-known members. If you are ever in the neighborhood, drop in. If no one is there, help yourself to the contents of the barrel which is always in the back yard under the trees. It looks like a pickle barrel, but looks are deceiving.

Next meeting, Thursday, Sept. 18th. Lecturer Tim Jans promises a good program. so don't fail to be there.

P. S.: Send in your news!

TROOPS TO GET 20,000 ROSARIES FROM CANADA

12 Championship Teams Will Enter Fight for City Title

BY JOHNNY MINER

Teams from every section of the city will meet in the tenth annual K. of C. softball finals beginning on September 15 at 7:30 and lasting through Thursday, September 18. For the nominal sum of 30 cents for adults and 15 cents for children three games between the leading teams will be presented nightly. Box seats are available for 45 cents. Plenty of parking facilities are available for those who may drive to the tournament.

In the event of rain the schedule will be moved up accordingly. All players are requested to report to the field at least one-half hour before scheduled game time to insure starting on time; this means rain or shine because the field is well drained and a deluge is needed to cancel the evening's card.

The schedule is as follows:

MONDAY, SEPT. 15

Hughes (Far West) vs. De Soto (North) at 7:30 p. m.

LaFayette (Far West) vs. McHale (Southwest) at 8:30 p. m.

St. Cyr (North) vs. Madonna (Central) at 9:30 p. m.

TUESDAY, SEPT. 16

Ketteler (West) vs. Santa Maria (South Shore) at 7:30 p. m.

Leo (Central) vs. Winner game No. 1 at 8:30 p. m.

St. James (South Shore) vs. winner game No. 2 at 9:30 p. m.

WEDNESDAY, SEPT. 17

Auburn Park (Southwest) vs. winner game No. 3 at 7:30 p. m.

Game No. 4 at 8:30 p. m.

St. Francis (West) vs. winner game No. 4 at 8:30 p. m.

Winner game No. 5 vs. winner game No. 6 at 9:30 p. m.

THURSDAY, SEPT. 18

Winner game No. 7 vs. winner game No. 8 at 7:30 p. m.

Loser game No. 9 vs. loser game No. 10 for third place, 8:30 p. m.

Winner game No. 9 vs. winner game No. 10 for championship, 9:30 p. m.

STRONG TEAMS ENTERED

Again competing in the finals as champions of the West Division is the stalwart squad from St. Francis Council. Followers of the 1940 series will remember the splendid showing made by this team in capturing third place. Joe Console again manages and pitches in excellent style with Butch Rutili as his battery mate.

Don't forget fans that a team from St. Cyr is again represented. Ten years as champions of the North Division and a definite threat in the finals each year has caused the slogan to be uttered by the league followers, "St. Cyr is the team to beat."

Santa Maria, runner-up from the South Shore Division, makes its first appearance in the playoffs. Manager John Cullen attributes much of the success of the team to the pitching of Henry Nico and the slugging of Ed Lombardi, Joe Judge and T. Podiselek. The fact that Santa Maria finished second in the strong South Shore Division, probably the strongest in the city, makes them a danger to all opponents.

Of real interest to the lads who will participate in this tournament is the fact that the Shewbridge Field clubhouse and dressing rooms for players is completely equipped with modern showers and locker room facilities.

Washington Asks Each Member to Participate in Tuesday's Meeting

1-3 Tues. . . . . 503 Main, Maywood

Next Tuesday, Sept. 16, is roll call. It is expected that some word will be had from each and every member of Washington Council, whether in attendance or not. The call is going out to all. Lecturer Belden has arranged appropriate refreshments, be sure to be on hand.

Effective as of the Oct. 7th meeting, Washington Council will again convene in the Odd Fellows Hall, now known as the Medical Arts Bldg., 5th Ave. and Washington Blvd. Due notice will be given so that you Brother Knights will not forget. This action was taken at the last meeting of the council.

Requiem High Mass is being arranged for the repose of the soul of Mrs. Gerhardt, mother of Brother Harry M., who met with an untimely death during the past two weeks. The prayers of the members of the council are also asked.

HOLY HOUR

The members of Washington Council will join with their various parishes in celebrating Holy Hour at Soldier Field next Sunday, sponsored by the Holy Name Society. Tickets may be procured from your various parish houses. All members of the Knights of Columbus should be members of the Holy Name Society and should attend this event.

Our Columbus Day Celebration Committee made its preliminary report at the last meeting, and next Tuesday it should have complete plans for the meeting of Oct. 7. Washington Council has been endeavoring for some time to conduct some celebration in honor of our patron saint, and this year our efforts will be rewarded with a high class program. We solicit your cooperation.

COMING EVENTS: Mayslake Retreat. October 10, 11 and 12. If you have not already made your reservation, be sure to do so at the next council meeting. Memorial meeting to be held the first meeting in November. More about this later.

Blue Is. to Entertain Ladies in Card Social and Party Next Tues.

1-3 Tues. . . . . Gregory and New Sts.

The next meeting of the council will start at 7:30 sharp. The reason for this is the Ladies' Night celebration that is to take place on that night. Co-lecturers J. Boyd and J. Wieland have a program outlined for the ladies consisting of music, refreshments and cards. All are urged to attend, and while I am at it I might as well give the location so that all will find the spot. The party will be held at the Palos Park Fieldhouse, which is located at the foot of the ski slide. The spot is well known to most of us but in case there is someone not acquainted with the place, the meeting will be short and the crowd will leave the hall early, so be there and follow them.

OUR QUARTERLY COMMUNION will be held on Sunday, Sept. 28, at Donatus Church. That will be a very good way for the golfers to start the day properly by attending the Mass and receiving Holy Communion before playing golf at the Pow-Wow. The big golf day is all set and the tickets are out, so make up the foursome and be present at Glen Eagles Golf Club on the 28th. Tee-off is set for 10 o'clock. Prizes, refreshments, golf and dinner for the small sum of $3 per copy. Remember the 28th. Quarterly Communion and golf on that date.

It is the wish of the Grand Knight that Blue Island will be well represented at the Holy Hour, to be held at Soldier Field Sunday night. Both the ladies and the ment are asked to be present.

BLUE ISLAND ITEMS

We are indeed proud to announce that D. G. K. Dohrman was elected to the office of Trustee of the Chicago Chapter at the last meeting of that august body. Our congratulations to Bro. Dohrman. Pat has been a very faithful delegtae and will make a fine Trustee.

Soon the bowlers will be doing their stuff on the Chaykens Alleys. The mighty Stan. Rosaves is the president of the league and he promises the bowlers another good season. . . . Hickey is going to be sorry this year. He made the trade that he has been talking about for the past year and the boys in the know think he made a mistake. We will see. . . . At our last meeting we were honored with the presence of Father Tom of St. Donatus Parish. The Chaplain of St. Cyr made a very fine talk and the boys at St. Cyr have a very loyal Chaplain. Some of our lads have tried to get Father to come to B. I. Council, but nothing doing. Visit us again, Father, we enjoyed your call.

Bro. Ed. Boyd of Toledo was a visitor over the week-end. Andy Tatcher was present at the last meeting. Bowling is in the air, eh, Andy. . . . The council is scheduled for a Retreat at Mayslake on the 24th of October. Get in touch with Lowell Frasor for information. At the last meeting many of the old-timers were present—Brothers Ruffalo, Hickey, Roulo and Rich. Bentson. . . . Brothers Red Vail and Judge Vail are visiting in Blue Island. Red is a member of Uncle Sam's forces, while Judge is the state's representative in East St. Louis.

The sick list of the councill has been added to this week when Co-lecturer Joe Wieland went to St. Francis for an operation. Joe is resting well and welcomes a caller or so. Bro. Hein Rack and Bill Juby are at Hines and also would like a visitor. Bro. Rack is putting on a show for the boys at Hines with Blue Island talent. Father Penesabene is still at Columbus hospital. That's all.

Phoenix needs no tion to De Soto since he has on many occasions assisted in the exemplification of the degrees in our council chambers. He is a wonderful example of knighthood and has for many years exemplified the highest ideals of the Order. District Deputy Phoenix, De Soto welcomes you.

On Wednesday, Sept. 3, De Soto's delegates to the Chicago Chapter turned out 100 per cent at the annual election of Chapter officers. De Soto walked off with a few choice offices when P. G. K. Fred V. Maguire was elected to his fourth consecutive term as Trustee and G. K. Gene Scanlan received an appointment to one of the active committees.

While riding down on the "L" the other morning we learned that last June Bro. Wallie Schnepp and wife Eleanor became the proud parents of a baby girl. Where are all of our assistants? We should have had that item long ago.

The "L" ride also gained us the information that on Labor Day Bro. Vic Bondi joined the ranks of the benedicts when he took as his bride lovely Lucille Bagheria. The couple middle-aisled it at St. Mary of the Lake Church with the assistance of two De Soto bowlers, Frank Huster and Joe Mathias, and a bevy of beautiful bridesmaids. Vic and Lucille are now honeymooning in Northern Wisconsin and Michigan.

Another De Sotoan, George Schuler, stepped up and pulled a fast one on us last week when he deserted the ranks of De Soto's bachelors without giving us an inkling of his intentions. We didn't even learn the date, name of the bride, etc. Why hold out on us, George? Let's have all of the particulars.

We just learned that young Joe Cella, son of our Worthy Warden, enrolled at Campion Academy at Prairie du Chien, Wis., thereby joining a long list of sons of De Soto who attended that institution.

Received a card from the H. J. Starks, who are vacationing at Harlan, Iowa. Herman states that he and the Mrs. are stopping across from the Court House in Harlan and are enjoying their vacation very much.

Just received word that Bro. Ray Mammoser's mother passed away last Tuesday. She will be waked at Grein's Funeral Home, 1723 Larrabee St. Requiem High Mass will be sung Saturday, Sept. 13, at 10, at St. Michael's Church, with interment at St. Boniface Cemetery. Our sincere sympathy to Bro. Ray and family.

Ouilmette Appeals to Membership to Attend Holy Hour on Sunday

2-4 Mon. . . . . 1215 Wilmette Ave.

Father Sheridan, our worthy Chaplain, appeals to all who read these lines to make every effort to attend the Holy Hour at Soldier Field next Sunday evening. The Holy Name Society of St. Joseph's Parish has arranged for bus transportation to leave from St. Joseph's Church on Sunday afternoon. Anyone desiring to use the bus is requested to place reservations with Bro. Tom O'Rourke, G. K. George E. White or Father Schmeier of St. Joseph's Parish. The round trip fare on the bus is 60 cents, and at the present time there is ample space available.

Bro. Leo Hassenauer, chairman of the Catholic Action Committee, has designated the last Sunday in this month, Sept. 28, as our next Communion Sunday. This will be in the nature of a family activity as the brothers are urged to bring their wives and children. The church will be the new Faith, Hope and Charity Church in Winnetka and we hope that everyone will join to make this a success.

NEXT MEETING, SEPT. 22

Brothers, whatever you do, don't miss the next meeting on Sept. 22 and come early. There will be a short business meeting at 8:00, after which the technicians from St. Francis Hospital will be present to type the members.

The director of our fall production, that super-duper minstrel show, will be present to lay the groundwork for our activity along that line.

Don't forget to bring the family for the next meeting as the minstrel director has specified about 200 men, women and children in his prospectus. Here's a golden opportunity to put our council on the map in a large way and let's not pass it up. It is up to you, brother knights, to make this event a huge success or a miserable failure.

In the interest of the remaining strands of D. G. K. Nic Miller's hair we repeat in his behalf our request to all members of the Fourth Degree Club to pay up their back dues.

Don't forget the Charity Dance, Oct. 11, for the benefit of the U. S. O. (Personally, we can't understand anyone forgetting it who has ever attended one in the past.) However, we have a flash on this event from P. G. K. John Selzer that there will also be a card party at the annual Columbus Day event, which should be of interest to many of the members. As per of old, the council will arrange for a private room, embellished as usual. No more need be said.

"OLD-TIMERS' NIGHT" is tentatively scheduled for October but no definite plans have been formulated.

G. K. George E. White, P. G. K. Anthony Ludovice and Bro. Frank Meyer visited Bro. Kirchberg at his home in Crystal Lake last week and report that Bro. Kirchberg was delighted to see them and to discuss the yesterdays. Bro. Kirchberg is confined to the locality of his home by his physicians but promised to be present at our "Old Timers' Night" if at all possible.

We have it from an "usually reliable source" that Bro. Kirchberg is a P. G. K., charter member of Ouilmette Council and is in addition a member of the Fourth Degree. Bro. Kirchberg extends an invitation to his brothers through the Grand Night to drop in to see him whenever they find themselves in the vicinity as he still has his heart and soul in our activities. We extend our best wishes to Bro. Kirchberg that he may enjoy the best of health.

Here's one that probably belongs among the so-called fish stories. If you had been through Warsaw, Wis., recently and saw a car in the ditch with four men in it looking rather astonished, well, that would probably have been Bros. Corrigan, Ferrini, George and Joe Steiner. Their story is that a deer jumped over their car and caused them to swerve into the ditch. Well, that's their story.

St. Paul's Meeting on Next. Tues. Will Be One Colossal Affair

1-3 Tues. . . . . 6713 Olmsted

Lecturer Joe McDowell, and his committee, are working very industriously on the arrangements for the meeting next Tuesday evening. We've had the pleasure to listen in on one of the committee meetings and get an insight in what is being prepared to make next Tuesday's meeting one that you will not live long enough to forget. This isn't just "talk" or "propaganda." We have had good meetings; some of them stood out more than others but this one will be outstanding—in a class all by itself.

The meeting will be dedicated to the "Old Timers" of the council and at the same time will be in honor of Ray Gleason, our first Grand Knight and at present state secretary of the Order. Honor will be done to the succeeding grand knights right down to the last one as all of these men have done their part to sustain and improve the auspicious beginning of this great little council.

There are others too who have "turned a hand" in their time and we sincerely hope that they will find it convenient to be with us and reacquaint themselves with their old buddies and meet the younger element who have taken up the cudgels for good old St. Paul of the Cross where they left off. Yet these men for the most part will not be new to the old-timers as many of them were around when "the good old days" were in vogue. They too will recall the many good times and interesting meetings of yesteryear.

But, according to our lecturer, they had nothing on the ball then that the present batters can't smack all over the lot and ask only that you come to this meeting and see for yourselves that "wonders never cease." They tell me that, by comparison, the entertainment arranged for next Tuesday's meeting will make those "hot-cha" affairs of by-gone days look like your old straw hat of two summers ago. You can't afford to miss this meeting; no sir, you just can't—unless you want to regret it the rest of your natural life. THIS IS TO BE HOME-COMING NIGHT OF ST. PAUL OF THE CROSS COUNCIL.

As we said, we've listened in on the meeting and while we are committed to absolute and positive secrecy we wish to impress upon all that this evening is being arranged; not just a hodge podge, thrown-together mess with a little of this and less of that, none of which would distract your attention from a story being told by such artists as the council boasts (?) of. You are SURE to be entertained every minute from the moment the meeting starts until the lecturer raps the final gavel. The committee has prepared an evening of entertainment for YOU. And YOU should be there in your best receptive mood for it will be HOME-COMING NIGHT OF ST. PAUL OF THE CROSS COUNCIL.

We have tried to tell you that you owe it to yourselves to attend this meeting next Tuesday but perhaps we could have expressed it in the few words that G. K. Gene Sass says when he wants to be terse, "Tell those guys that think they've been around and seen things that they haven't seen nothin' yet. They've been readin' the primer of entertainment; next Tuesday night Joe McDowell will matriculate them into what is really big time stuff." And that's enough!

The date of the golf tournament is close at hand. It is Saturday, Sept. 20. The place, Rob Roy Country Club. Only another week remains for the event of the season. The price will be moderate and in keeping with the cost of our other golf outings. Those of the members who are so inclined may contribute a prize which should be one acceptable as a ladies gift; anything from a diamond to a bottle of perfume—that covers a wide range to select from. We sincerely hope that you will be with us on Saturday, Sept. 20. Smiling Henry Blim will be there to welcome you with outstretched arms.

We hear that: Inquiry is being made as to who is the fair Adonis seen mowing the lawn in bathing trunks, when he should be on the boardwalk at Atlantic City. . . (Anyway, its been sultry these past few weeks). . . That "man about a dog" yarn seems to have had repercussions from more than one source. A lot of "guys with dogs" had their fingers crossed in fear of adverse publicity. Funny how a guilty conscience will make the least suspected "fess up" to their shortcomings.

BOWLERS ATTENTION! Report to Bill Brunkhorst or Bill Krien for bowling arrangements if you have not previously contacted them. You may find an opening at this late date.

Ravenswood Bowlers Open Monday Sessions at Clark-Wilson Alleys

1-3 Wednesday.....1521 Wilson Ave.

Last Wednesday evening's meeting was without the services of a Columbian reporter, but G. K. Michael Citti filled in, in a way, at least to the extent of providing a little news around which this very short column might be built.

Ravenswood Knights began bowling last Monday evening. The Ravenswood-Lourdes Holy Name League is using the Clark-Wilson Alleys this year. Ye scribe understands there is still room for a few knights, so if you want to bowl with the boys, drop over to the alleys Monday night and look up Bowling Chairman Charles Rogers.

Our golfers are dusting off the clubs and bags again in anticipation of the wind-up tournament of the year which is tentatively scheduled for some secret date the latter part of this month. As soon as the date is definite it will be released. No doubt the announcement will be greeted with much interest, for there doubtlessly are a large number of Ravenswood swingers who think they can unseat the champ, P. G. K. Charles Morgan.

Mrs. Elizabeth Gillispie of Ocean Springs, Mo., an aunt of Bro. Dick Kenney, passed away the 24th of September. Many of Ravenswoods' members visited the Wm. Barr chapel to pay their respects. Burial was in Calvary cemetery. The Council wishes to express its deepest sympathies to Bro. Kenney and the family. May perpetual light shine upon her soul.

Lecturer Schroeder of Chicago Council visited our last Council meeting. We sincerely hope he is able to come again in the near future. That reminds us that Lecturer Carroll is working hard on an entertainment program for us. He will have to work pretty hard to come up to the performance of Art Collins who was last year's Lecturer, but you can rest assured he will succeed.

Bro. Henry Mawicke and Mrs. Mawicke were in an unfortunate auto accident on Aug. 28. Mrs. Mawicke suffered a broken shoulder and several severe bruises. Bro. Mawicke escaped without serious injury. The accident occurred near Milwaukee, Wis., while they were on a late summer vacation. They have returned to Chicago where Mrs. Mawicke is able to be up and about the house now, but it will be quite some time before she is again her active self.

Bro. Ed Korn writes from Dayton, O., where he has been spending a most enjoyable vacation, consisting mainly of rest. A fine view on the card of that Catholic institution, The University of Dayton. Maybe Ed will be rested up enough to come over to a meeting soon. Haven't seen him since the last time he volunteered to give a blood transfusion.

Also a card from Bro. Frank Engel. He dashed off the card while riding around near Escanaba, Mich. He mentioned that the trip was most enjoyable and sent his and Mrs. Engel's best regards. Thank you for the mail, Bros. Korn and Engel. Young Joe Grady is back at work after a two weeks' trip through the east. Ye scribe had looked for a card from him but in vain. A party who wishes his name not be mentioned, intimated that perhaps Joe writes Irish, which to your reporter would be pretty tough deciphering.

Hughes Golfers Try for Council Crown This Sun.

1-3 Tues. . . . . 4711 W. Madison St.

Hughes Council's Golf Championship Tournament is Sunday, Sept. 14, at Westgate Valley. You've been told about this before and if you haven't polished your game to its highest brilliance, you can't blame the Golf Committee! Chairman Tom McDonnell has a long list of prizes to be distributed—to good golfers and bad—and it is anticipated that a record field will enjoy next Sunday at Westgate. Tom Walsh, the pro, will be on hand to help things proceed smoothly.

It is suggested that Hughes Council players and their friends arrange to tee off between 11 a. m. and 1 p. m. The championship flight, battling for a leg on the Peter M. Kelly Memorial Trophy, will be arranged in foursomes by the committee. Refreshments will be available and there will be a special golf dinner in the evening, top billing on the menu going to that succulent dish, corned beef and cabbage. Work up a good appetite, because there will be as much as you can eat. The fee for the entire day—club house facilities, refreshments, golf, dinner—only $2.75, and this entitles you to a fine chance to carry home a swell prize. Members and their guests will all have something to shoot for, so don't miss this final tournament of the season.

Westgate Valley is at 131st Street and Ridgeland (6400 west). Drive out Cicero Avenue to 127th, turn west to Ridgeland, where a huge sign directs you to the club entrance. The course is in prime shape after recent rains and the par shooters will be out to give previous records a real lambasting. Pat Barrett, John McKeown, Harold Enright and Tom McDonnell are prepared to assist anyone who has difficulties about transportation. You can telephone the Chairman, Tom McDonnell, Merrimac 7944.

INVITE FOUR FRIENDS

This final tournament, the big event of the summer, will be for the members and any friends you may choose to invite. Prizes for everybody. If, by any chance, you have a gift you want to donate to the prize list, contact PGK Enright, Austin 2303. All those who promised the committee to have awards for the golf tournament are urged to turn them in as promptly as possible. The "regulars," like Joe Postilion, Frank Kamper, Louis Lepore and the others, will be on hand early to sign up members and their guests. It's next Sunday at Westgate. See you then.

SOFTBALL FINALS

This will be a busy week, what with the golf tournament to be followed immediately by the Championship Finals of the K. of C. Softball League, to take place at Shewbridge Field, 74th and Aberdeen, Sept. 15-18. Hughes encounters De Soto in the opener on Monday at 7 p. m. This promises to be a hard-fought battle; DeSoto's late rush in the North Division attests to the strength of the team, which will be a formidable contender for the crowd which Hughes won in 1940 and is defending in these finals.

Delegate Chick O'Malley and Frank Linskey are strongly confident that Hughes, win or lose, will make a gallant bid, give a wonderful account of themselves, and so DeSoto is sure to face a determined but sportsmanly squad. If Hughes Council is fortunate enough to vanquish DeSoto in the opener, the team plays again on Tuesday evening. Watch the daily papers for results and be certain to come to Shewbridge Field when Hughes plays, to root for the boys to repeat the glorious championship victory won in last year's finals.

Hughes Council knocked off Moravia Drugs a week ago, 13 to 11, and the Drugs turned the tables on Sunday, 6 to 2. Bro. John Korbel and Bro. Bill Bilk arranged the game through courtesy of Father Ziska, Editor of NAROD. John Korbel, by the way, played 2d base in the Old-Timers' game and distinguished himself, and here his name had to be omitted from the box-score. But John is too well known as a star for us to have to comment on his ability to hit a soft ball hard and long. Conroy, Enright and Roy Bergeron featured at the plate for Hughes in Sunday's loss, while Belush, Job, Chmiel and Stepek were the batting stars for Moravia.

BOWLING NOTES

The Sept. 2 meeting brought out a great concouse of members and G. K. Daly was duly impressed. Following the business session, conducted expeditiously, with a pertinent program outlined by the G. K., the bowlers had a meeting at which Ed. (Midge) Gorman was elected president of the Council Bowling League and PGK Harold F. Enright re-elected secretary.

The League begins its season on Friday, Sept. 26, at Cascade Bowling Center, 3827 W. Madison St. Ten teams will participate. If you want to bowl in the Council League, contact Secretary Enright, Austin 2303, at once. It is understood that the league will bowl at 7 p. m. The G. K. urges that those desiring lockers engage them at once to assure good location. The league officials desire to take care of all members who want to bowl, but it is necessary that you notify them immediately of your intentions.

COUNCIL ITEMS

Regret to report the fatal accident involving Edmund J. Tooney and his fiancee, which occurred near LeMoyne, O., Saturday while the happy couple were enroute to visit relatives in Cleveland. Ed. Toomey, in conjunction with his father, Timothy, sponsored a team in Hughes' Bowling League, a squad which won the championship for 1939-40. He was well liked by all who knew him and his tragic passing is sincerely mourned. He was buried from Resurrection church; interment, All Saints cemetery. May his soul rest in peace.

PGK Elmer J. O'Brien and his charming spouse, Harriet, are now grandparents—probably the youngest on record. Bill O'Brien, strong scion of the noble family, had his wife present him with a baby daughter, born at Saverna Park, Md., for young Bill has been in government service out of Washington, D. C., for a couple of years. The lovely baby will be christened Diana Deen. Congratulations to the happy couple and also to the proud grandpappy! McKeown is just another guy with that pappy stuff now!

The bowling match between majors and the picked team was postponed because of the Sunday softball game against Moravia Drugs. Important—exemplification of degrees are first meeting in October.

Americus Urges All Aid to Columbus Day N.C.C.S. Benefit Party

2-4 Tues. . . . . 3350 W. Jackson Blvd.

Let us try and get the picture. Two young men their dress denoting that they are in the service of our country, arriving in a strange city, travel stained and weary, far from home and mother. A card is handed them showing that the National Catholic Community Service has a clubroom for Service Men at 1122 S. Wabash Ave. As a drowning man grabs for a straw these boys see a chance to get in some place where they might rest and refresh themselves and maybe meet some one to talk to. They enter the building with the query, "May we come in," and receive the reply, "It's your place, come any time you like." The first four days the club was open two hundred of the boys took advantage of its showers, reading rooms, radios, pool, Ping Pong and card tables, some having their uniforms pressed while they amused themselves. All without one penny charge. Some went upstairs to the Canteen where they had sandwiches with coffee, milk or pop, with pie, no item costing more than five cents. In the near future there will be supervised dances and everything possible will be done to make the stay in Chicago a pleasant one.

You may ask the question, who furnished the Club? The answer, The Chicago Councils of the Knights of Columbus, to be paid for from the receipts of the Columbus Day Ball and Card Party, Oct. 11, at the Palmer House. If you are skeptical, don't buy a ticket now, go down and visit the club, see the two affable gentlemen in charge, Bros. Jim Carney and Roy Bedore, they will be glad to show you around, then we know you will buy two tickets. To our members in the service, if any of your friends are going to be in Chicago be sure and give them the address.

COUNCIL ITEMS

Solemn High Mass was celebrated on Sept. 2nd at Our Lady of Sorrows Church in honor of the 25 years' of wedded happiness in the lives of Mr. and Mrs. John Courtney. Nice to see people like that.

P.G.K. and Mrs. Jim Mooney were surprised by some of their friends on their 24th Wedding Anniversary, Sept. 5. They were presented with a beautiful loving cup at a party given in their honor. Our hope is that both the above couples live to celebrate many many more anniversaries.

On Tuesday, Sept. 23, Americus Council will do honor unto him to whom honor is due, when they celebrate Kelly Night in honor of our Past Grand Knight Edward J. Kelly. He has worked incessantly for Americus for years and the members should turn out in goodly numbers on this occasion. There will be entertainment and refreshments and many prominent officers and members of the Order are expected.

We take this occasion to congratulate President George Wahl and the rest of the newly elected officers of the Chicago Chapter and hope they have a very successful year.

Father Sheltinga has made a special appeal to all Catholic men to attend the Holy Name Holy Hour at Soldiers Field, Sept. 14, at 7:00 p. m. Any of the brothers with automobiles should meet at Our Lady of Sorrows Church at 6:00 p. m. so they could haul some of their less fortunate brothers to the Field. Also, Communion for the Holy Name Society at 7:00 o'clock Mass, on the same day.

From Portland, Oregon, comes word from Brother D. E. Baker, glad to hear from the brother. We would love to hear from all the out-of-town brothers.

P.G.K. Leo Joyce around scouting for people who are in the market for new furniture of any type. Leo is now connected with the Consolidated Furniture Co. at 902 S. Wabash Ave.

Promises of new applicants have been many, but you know they pay off on the dotted line. The membership committee will be going strong from now on and it will be open season on all eligible Catholic men. So get to that man first.

Although Americus is not in the Softball finals some of our neighboring councils are and we should go out and give the boys some encouragement. All games will be played at Shewbridge Field, 74th and Aberdeen, three games each evening, Sept. 15, 16, 17, and 18, starting at 7:30 p. m.

See according to St. Pats notes that their Financial Secretary lives at 5051 Congress St. Hope none of our members send their dues to that address. The address of our Financial Secretary, Jack Crawford, is 5061 Congress St. Must be collectors row out there.

St. Pat's in Full Stride for Year of Higher Goals

1-3 Tues.' . . . . . 6 N. Hamlin Ave

With a well attended meeting St. Pat's started off in full stride upon its busy fall program. Our Grand Knight, Tom Cregan, made a plea for even better attendance as the council has many important events upon its schedule whose success will be assured by better attendance at future meetings. So, brothers, let's co-operate with "Smiling Tom" and his staff and get up to these meetings. Many pleasant evenings are in store for those who attend.

In order to fulfill the plea of State Deputy Leo Flynn for a degree in October in honor of our patron, Christopher Columbus, we will have to get busy. Membership Chairman Jim Hartford asks all members for their fullest cooperation in this matter. Three new applications were read, making a total of seven that we have on hand. With these as a head start, let's get out and make this a real class.

Grand Knight Tom Cregan appointed Bro. Joe Gentile for Charity Ball chairman to promote the sale of tickets for the Columbus Day Charity Ball to be held Saturday, Oct. 11, in the Grand Ballroom of the Palmer House. Remembere this is the affair held in benefit of the National Catholic Community Service to establish funds to provide furniture and equipment for a recreational center for our boys in the service.

As Bro. John Burke, delegate to the Chicago Chapter, explained in reporting on the last chapter meeting, the funds collected recently by the U. S. O. provide recreational facilities only in the vicinity of the training camps. The N. C. C. S. Center at 1122 S. Wabash is now operating for the use of the service men who may be in the city on leave. Tickets are a dollar per person. Patron tickets are available at five dollars a couple, which includes listing in the official program. All councils have received their quota and as usual St. Pat's wants to be on top. To do your part get in touch with Chairman Joe Gentile at Monroe 3130.

BLOOD DONORS' GROUP: Once again D. G. K. William O'Connell appeals to the members for volunteers to the Blood Donor Group. As we now have some ninety donors, St. Pat's is anxious to hit the century mark. Your scribe found out recently that there is no red tape involved, just drop in to Loretto Hospital, Central avenue and Lexington street, and ask to be typed for St. Patrick's Blood Donor Group.

SOFTBALL FINALS

The K. C. Softball finals will be played at Shewbridge Field, 74th and Racine Ave., September 15-16-17 and 18th. Last Meeting

The meeting on Monday night brought to light a new council entertainment excellently provided by the members. As professor in charge, Brother DeChateau did a fine job. The members also smoked on the house during the affair, which added to the relaxation they enjoyed. Brother V. Fransioli, a transfer brother from Memphis, won the event.

An appeal is issued by the House Committee of the Building Association for more bowling teams. There are still several choice spots open for bowling and small leagues can arrange for time that should be favorable. John Koehler is chairman and a call to Euclid 3274 will get you the information.

Our Tom Graham has become a well known orator. At the convention of the National Food Distributors Association, Tom spoke on his favorite subject —tires.

Marquette Ladies Are Invited to a Special Program Next Thurs.

1-3 Thurs. . . . . 1928 Devon Ave.

Our last meeting on Sept. 4 was well attended and Grand Knight Hesse, as well as the other officers were much pleased. Lecturer Henricks had a nice supply of refreshments on hand and the worthy Lecturer announced a special attraction for the meeting next Thursday, Sept. 18, when we will have Ladies' Night.

The women-folks of all our members are invited for this night when we will provide them with cards to play their favorite games. So bring on the ladies! The Lecturer's committee has plans for a large delegation of them next Thursday night.

Fin. Sec. Joseph Sacheck advises that he has mailed tickets to our membership for the Charity Ball and Card Party sponsored by the Chicago Chapter and to be presented on Oct. 11 at the Palmer House. Anything you do to support this patriotic affair will be appreciated. The proceeds are to be turned over to the N.C.C.S. to purchase equipment for the social center at 1122 S. Wabash Ave.

This is a very worthy cause and merits your support. The director of this social center is that very popular Knight, Bro. James D. Carney. Fin. Sec. Sacheck would like an early response to the tickets. Marquette Council has a certain quota to fulfill and hopes it will be accomplished with the cooperation of the members.

BOWLING

Bowling League Manager, Tom Carroll, has signed up for our league at the Lakeview Alleys, 3221 N. Clark St., on Tuesday evenings at 8:30 o'clock. He needs just a few more bowlers. Why not join up for this splendid indoor sport?

COUNCIL NEWS: Good luck to Bros. Walter Pettis and Bob Bagley, who with their wives, left last Saturday for San Francisco. Bro. Lloyd O'Toole has returned from Miami, where with his wife Lorraine, they flew to Cuba. P.G.K. Tom Griffin has been doing a lot of flying the last six weeks to Washington, D. C. Capt. John J. McGinnis, of the Rogers Park Police, has been taking "which" member of our council to the ball games lately and are two of our other members' faces red?

Incidentally, by the time my brother members will be reading these notes, ye scribe will be pulling in the big ten pounders from Lake Superior at Copper Harbor—guest of Mr. Ray Powers who operates the big establishment at Devon and Kedzie.

IN MEMORIAM: With deep sorrow and regret we announce the death of Thos. O'Donnell, brother of one of Marquette's best, Patrick J. O'Donnell. He passed away last Thursday evening. Also the death of the mother of Bro. Walter Panko. Kindly remember them in your prayers. May they rest in peace .

Next Thursday is meeting night and bring the ladies. Also Holy Name Sunday next, and attend the Holy Hour at 7:00 at Soldier Field next Sunday.

2 JESUITS WERE 1ST U. S. CATHOLIC ARMY CHAPLAINS

New York.—Two Jesuits—Fathers John McElroy and Anthony Rey, appointed in 1846, in the Mexican campaign—were the first U. S. Catholic army chaplains, writes Joseph T. Durkin in the current issue of Thought, Fordham quarterly. The chaplains were appointed, claims Mr. Durkin, because the President felt that their presence with the army would be the best refutation of the opinion held by the Mexicans that the United States was warring against their religion.

St. Cyr's Bowlers 80 Strong Await the Gun Opening New Season

1-3 Mon. . . . . 1609 N. Halsted St.

At this writing, 80 men composing sixteen teams are ready to roll the first ball in the annual St. Cyr bowling tournament, which this year, like in the past, is being held at the Monte Carlo Alleys.

Led by such capable officers, as Sam Rannochio in the role of president; Joe Strano, treasurer, and Cosmo Coniglio, that ultra efficient secretary, who makes it possible for your Scribe to give you a weekly detailed report on the standings, a very successful season is promised. So we're off and away to the greatest tournament in St. Cyr's history. The time is 9 o'clock, and the place the Monte Carlo alleys, on North Lincoln Ave.

ANNUAL DANCE

Saturday, September 13, the Gar-Cliff Orioles are celebrating the Seventh Annual Dance, at the Lions' Ballroom, scene of many St. Cyr victories. Music is by Sammy Sebastian and his Black Kats, featuring the Three Kittens, with tickets selling for forty cents.

The Gar-Cliff Orioles, as often before mentioned in this column are some of St. Cyr's staunchest supporters. In our council almost as a body, the Gar-Cliff Orioles, all of them young men, are the very soul of our organization. Ambitious, to the point of starting a blood donors group, participating in civic and social affairs on the near north side, these are young men, worthy of our aid at this time. Brother Sam Leto, is chairman of this year's affair, and is counting very strongly on St. Cyr's help. Be there, and give our boosters a boost.

Among St. Cyr's many Globe trotters, we find a group of young men who are inseparable. Adventurous, and time defying, we find that within a space of seven days, these six fellows practically toured the western half of the United States, covering over four thousand miles in that short space of time. I like to hear Joe Strano tell of the beautiful Mexican girls, Joe Rubinelli, of the pain he got in his leg by ever attempting such a trip, Phil (Shorty) Castagna of the oysters he ate in New Orleans, Augie Strano and Sam Strano tell of the wonders of Carlsbad Caverns, and Vic (Vishe) Rizzo, sitting silently by, wondering if he'd ever attempt 4,000 miles in seven days again. But there it is brothers. It was all done in seven days. Why don't you try it sometime. It's not fatiguing at all. Just ask the boys. That's what they'll tell you. And Brothers, if you believe that, I'm going to send Yellow Kid Weils partner to sell you the Brooklyn Bridge. Hasta LaVista.

'MATT' BIRK OFFERS WIDE CHOICE OF UNIFORM AND SUIT STOCKS AT MEIERS'

Matthias Birk, manager of A. G. Meier and Company, custom tailors, announced this week that his firm at 205 W. Monroe St. here, recently completed one of the season's outstanding contracts by providing the uniforms and tailored accessories for the entire staff of one of Chicago's largest firms.

Mr. Birk has been with the Meier organization for more than a score of years and has outfitted many brother knights who serve with the police, fire and mail departments in this area. Exact attention to detail has made the company one of the most popular in the city as a source of well tailored suits and uniforms.

Originally a member of Calumet Council, Mr. Birk now belongs to Elmhurst Council where his son is also an active member. He invites his friends and acquaintances to stop in at the Meier showrooms, 205 W. Monroe St. to inspect the large selection of woolens and other suiting materials they now have on hand in order to provide for the widest possible customer choice.

WITNESSSES LOSE DAMAGE SUIT

Cheyenne, Wyo.—A district court jury decided against awarding $71,900 damages claimed by four Witnesses of Jehovah who accused a group of townsfolk at Rawlins of assaulting them last summer.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

Census Figures Predict Decrease in Population

Estimates made public recently by James C. Capt, Director of the Census Bureau, indicate that the population of the United States will reach peak of about 153,000,000 in 1980 and that just five years after that a decline in numbers will begin. Between now and 1980 the population is expected to decrease at a steadily decreasing rate.

The figures were selected by the Census Bureau from estimates published in 1937 by the National Resources Planning Committee, as the most probable in the light of data made available through the 1940 census.

The largest five-year age group in 1940, it was also revealed, was persons 15 to 19 years old. This group totaled 12,346,481 or 9.4 per cent of the total population. This percentage is expected to drop to 6.6 in 1980, but the 50-54 year group, it is predicted, will rise from 7,211,617 last year to 10,399,000 in 1980. One hundred women living through the child-bearing period will give birth to about 200 children in 1980 as against 220 children at present.

Madonna Carnival Opens Tonight for Ten-Night Stand

2-4 Fri. . . . . 4624 Emerald Ave.

Tonight, Friday, September 12, marks the opening of Madonna's Carnival at 47th and Halsted Streets, continuing until Sunday, Sept. 21. As we said before, it'll be quite a conventional carnival with a Ferris wheel and a carousel merry-go-soandso to you) with an additional feature if Tom Carmody and Ed. Kean get back from the big round up. The boys are trying to get some ponies for the kiddies to ride on—with no fins on the nose.

In the line of merchandise booths, the regulars will be on hand augmented by a few new ones. As a sample, we offer beat the dealer, ham and bacon, live ducks and chickens, over and under, chuck-a-luck, corn game, knock the nigger baby (whatinell is that?) hooligan, penny pitch, and many more.

(Knock the nigger baby, my little mutters man, is a test of one's ambidexterity —never engaged in by a negrophile but enjoyed by many others—in which one flings, either from one hand, the other, or both, a pellet or other projectile of various degrees of hardness, shape or weight, at either (1) the cranium of an unsuspecting and securely fastened Ulotrichi, (2) a reasonable facsimile thereof, (3) the booth tender or game-keeper. In this latter case it is best to start walking at once toward the nearest exit; in no circumstance should you, upon hitting this gentleman, claim an award; to do so is considered definitely not cricket and strictly "un-knock-the-nigger-baby-like." —Ed.)

Refreshments will expand this year, adding a little girth to your middle. And if hot dogs, roast beef, pop, ice cream, candy and popcorn don't help to stretch your belt, we hope to bust. And of course there'll be b-urp-eer. Just as tonic, though, y'unnerstan'? And a fall outfit for the women and a suit for the men is the offering of Wm. A. Lewis Company, 47th and Ashland Ave., to some carnival guest.

WEDNESDAY, SEPT 17

Will be known as Homecoming Night, which means you come down and let the moths out of your pockets. As a feature of the evening's entertainment, Madonna Council, assisted by the West Kenwood Business Men's Assn., and the West Kenwood News, will sponsor a style show under the auspices of Wm. A. Lewis & Co. Ten models will exhibit the latest fashions in women's togs for fall and winter (we could think of other—no, we'd better not).

In addition, the winners of the West Kenwood Popularity Contest will be crowned at the Carnival (don't get us wrong). This ceremony will be preceded by an old fashioned torchlight parade which will form at 47th and Wallace Streets at 7:30 p. m.

ON THE HEELS

Of the Carnival, don't forget, comes the grand and glorious opening of Madonna's rough and tumble tournament at the Lucky Strike Alleys located at 69th and Halsted Streets. According to Sec'y Frank Jackson, there is hardly any room left for maple smashers, so if you want to do a little of it you'll have to sign up as a filler-inner. Frank opines as how he has the full complement of teams lined up with a few bowlers dripping over the edge (who the drips are we won't say), but if you worm your way into his good graces he may let you in. All the boys are waiting for now is Monday, Sept. 29, some shirts, and plenty of luck.

NEXT MONDAY NIGHT the Council's stalwart defenders of little Nell on the Softball field of honor will go to bat with St. Cyr Council at Shewbridge Field, 74th St. and Morgan. The execution takes place at 9:30 p. m. D.S.T., and children in arms will not be admitted, as all firearms must be checked at the gate.

ARE YOU COMIN'?

To the Columbus Day celebration at the Palmer House on Saturday, Oct. 11? Of course. If you want to be a wall flower and look like one of those B.O. ads in the mags, maybe you'd better not, but if you want to have a nice cozy evening dancing the Congo (is it still being done?) or the Rhumba, then the Palmer House is the thing. Or if you prefer a quiet chat with several hundred friends, visit Madonna's Comfy Tea Shoppe, where you can curl up in a closet, if you like, until the cows go home. (But don't tell 'em WE called 'em that.)

'TIS GLAD WE ARE

To see that Bro. William H. "Packy" Doyle has been appointed Acting Captain at the Gresham station (which happens to be our district). Lt. Packy Doyle is a veteran of thirty years on the police force, and when he hasn't been busy upholding the law, he's been an A-1 Madonna knight, devoting a lot of his time to the Fourth Degree Club. Congrats, Packy, we add you to our ever growing list of police administrators.

And to hear that Bro. Johnny Ivers, Madonna's fabled basket ball star, is building a new home in Beverly with the rest of the Council's venetian blind Irish. You can now stand on the corner of 92nd and Oakley Ave., throw a rock for half a mile in any direction, and hit a Madonna-ite. (Some day we think we'll try it.)

Trustee Jim Ryan is commuting, or is it communing with Nature, hitting the trail for the Great Smokies, the Hokey Pokies, and West Virginia. Naturally we expect him to be as chipper as something or other when he returns next week. Wait'll he sees what's waiting for him.

F. S. John Pollick and Treasurer Harold Kane are also easing out of the city for a while. Pollick coyly declining to say where, and E. H. shuffling off to Buffalo, Niagara Falls, N'Yawk and points east. If we're not too greatly mistaken, young Jim Ryan (not the Trustee) and the Mrs. are traveling with Harold and his boss. And on the 23rd, we again gracefully float away from the daily grind for a couple of weeks. Come to think of it, vacations can be pretty nize.

HIS NIBS

The Voice of Randolph St. has solved a little mystery that had us befuddled for some time. Certain documents (habeus scrapus, we think, is the legal term) have been disappearing, and now we discover we've been writing council notes on 'em and his nibs has been getting an eyeful. What a laugh on us, what a joke on the creditors! Pollick, please note, that's where The Columbian bills have been going.

Neri Charter Member, Bro. Harry Bitter, Is Given Special Honor

1-3 Tues. . . . . 7515 Yates Ave.

After years of faithful service since the inception of St. Philip Neri Council, Bro. Harry Bitter was appointed a director of the Chicago Chapter. He takes the place of Bro. Pat Woods who became District Deputy. Bro. Bitter is a charter and honorary member of the council besides being an honorary delegate to the Chicago Chapter.

"Everyone in the council is happy to see Bro. Bitter get the position," said G. K. William T. O'Neill. "He is a conscientious and hard worker and a credit to the council and Knights of Columbus as well."

What G.K. O'Neill thought was going to be a 30-minute meeting at the last confab, turned out to be a 3-hour period and one of the best of the year. The regular meeting went along fine until G.K. O'Neill came to the memership drive. After praising P.G.K. McQuigley for the temporary work he did pending the selection of a permanent chairman, G.K. O'Neill then asked Bro. J. M. O'Connor to take over the duties.

When Bro. O'Connor accepted, he requested the co-operation of all members by "each member getting a member." At this junctioon, Bro. Schroeder "threw the bombshell" with: "What are you going to do when prospects turn you down flat?" The retort from Bro. O'Connor was "give them a sales talk." Then Bro. La Gess jumped to his feet. "The biggest obstacle we have is the army; the boys get only a small salary," he said.

Special Agent Cushing, who was sitting serenely until this point, became interested. He countered with: "An insurance company has sold $4,000,000 worth of insurance to the boys in camp. Moreover, Uncle Sam has sold $1,000,000 worth of insurance to them. There are three parishes from which the council can draw."

The debate ended with a moral: When one member can't sell a prospect, he should then let another try.

SOFTBALL

Brother Miner stressed the softball tourney to be held at Shewbridge Field, 74th street and Aberdeen street, September 15, 16, 17 and 18. He mentioned that two South Side teams were entered—Santa Maria and St. James. He said, "Don't forget that our neighbor council, Santa Maria, qualified. When you go to the classic, root for them. The prices are 30 cents for adults and 15 cents for children."

Brother Doolin reminded the council that it meets September 16 but Brother McDowell came to his rescue with a motion that the meeting be postponed until September 23. It carried after a heated argument between Quigley and Doolin.

Bro. La Gess stated that the September 23rd meeting will be long remembered. Colored motion pictures of Mexico will be one of the features.

Bro. Harry Ritter gave a report of the Chicago Chapter meeting.

SOUTH SHOREITIS: Bo. Gorge Reiz reports the fishing good in Minnesota where he is spending his vacation.

Bro. Robert Burns and his bride have returned from a honeymoon spent in the west.

Bro. Charles Girsch who became ill on his vacation in Canada returned home where he is reported as doing well.

Mother of Bro. John Maroney reported ill at her home.

Mrs. Charles Johnson sustained a broken ankle when she slipped and fell the other day.

Don't forget that St. Philip Neri has entered a team in St. Bride Holy Name pin league. Any member is welcome to join. The league rolls at Cheltenham alleys every Thursday evening. It began last night.

KETTELER PROUD OF NILLES APPOINTMENT

2-4 Monday. . . . . 3437 Ogden Ave.

Brothers who attended the meeting last Monday received a very agreeable surprise when our Grand Knight Eddie Oakes had the pleasant opportunity of introducing Bro. Phil Nilles and announcing the very high honors that had been given to Bro. Nilles in his selection by Timothy P. Galvin, Supreme Master of the Fourth Degree, as the new Master of the Fourth Degree for the Northern District of Illinois. Bro. Nilles was one of the organizers of Bishop Ketteler Council and the first Grand Knight. His activities are not confined to Bishop Ketteler Council, although it is his "first love," as he is a Past President of the Chicago Chapter and at present is District Deputy. For over thirty-nine years Phil has been active in the work of the Order and we know that he will carry on in his new office with all the zeal, enthusiasm, and intelligence that has characterized his work in the past.

McHale's New Staff Is Enthusiastic Over Large Attendance

1-3 Tues. . . . . 150 W. 69th St.

Well, we finally had a good old-time regular meeting a week ago Tuesday, and in spite of hot weather about forty members turned out to help our new Grand Knight, John Kelly, start his term of office.

A few important matters came up for discussion, one of which was the purchase of softball suits for our team, which did so well in the league this year.

Another subject that came up was whether we should enter a team in the proposed new South Side Bowling League. After some discussion it was decided not to enter a team because it would conflict with our council league.

Our next meeting will be held on Tuesday, Sept. 16, and at that meeting our Grand Knight and our new Lecturer will start off with a bang. Lecturer Leo Wemple has arranged for a motion picture entitled "We, the People." From all reports this picture will be one of the best we have ever had. Be sure to come to this meeting and help our new officers off to a good start this year.

SOFTBALL: Manager Leo Kareiva reports that on Sept. 15, at 8:30 p. m., at Shewbridge Field, McHale will play Lafayette Council in the softball championship finals. This championship round culminates a wonderful season and we are counting on McHale Council members to come out in full force to cheer us on. To all softball players, please take note: there will be a final practice session on Sunday morning, Sept. 14, at 11 o'clock, at Parker High School, 68th St. and Stewart Ave. Do not fail to be out as uniforms will be distributed and plans will be set for the playoffs the following night.

HERE AND THERE: Bro. George and Mrs. Nussear are having a wonderful vacation in Mexico City. . . . P. G. K. Con Kelly was recently elected senior vice-commander in chief of the Spanish American War Veterans. . . . Bro. Steve Owens, it has been reported, paid a visit to his office recently, and we hope it won't be long before he will be able to attend our meetings. . . . Ticket Campaign on Charity Ball Sets Fast Pace

Committee Heads Voice Approval of Council Response on October 11 Party

As the zero hour nears in the Chicago councils' campaign to "go over the top" in support of the Chicago Chapter's Columbus Day benefit ball on Saturday, October 11, members of the party's general committee voiced their pleasure at the enthusiastic reception being given the project by the supporting councils.

"At our early committee meetings," Chapter President Jacob A. Mueller revealed, "we expressed the hope that at least 4 per cent of each council's membership would subscribe to patrons' reservations. If the present rate of reservations keeps up, we shall almost certainly obtain that goal."

Expect Large Attendance

In addition to the quota of patrons' tickets set for each council, it is also anticipated that at least 25 per cent of all the Chicago Knights will subscribe to general admission tickets at one dollar the person. The patron reservations, at five dollars the couple, include listing in the official program that is to be distributed the night of the party.

Scene of the Columbus Day benefit will be the Palmer House here where two of the largest ballrooms in the city will be utilized to accommodate the thousands of expected guests. Dancing will be offered in the Grand Ballroom throughout the evening while an elaborate card social is planned for presentation in the adjoining Exposition Hall.

Proceeds for N.C.C.S.

Party proceeds are to be donated to the local National Catholic Community Service unit headed by Father William A. O'Connor and used to defray the expenses of refurnishing the recreation center at 1122 South Wa-

LA SALLE ASSEMBLY TO OPEN SOCIAL SEASON AT PALMER HOUSE TUESDAY

After a long summer of inactivity, La Salle General Assembly, Fourth Degree, Knights of Columbus, goes back into action on Tuesday evening, September 30th, when the first meeting of the Fall season will be held in the Palmer House.

An excellent program is being prepared for this "opening session" of the Assembly year, and all Sir Knights are urged to be on hand. In addition to an evening of fine entertainment those in attendance will be "treated" to some of that delicious Palmer House green apple pie, topped with a slab of cheese and washed down with some excellent coffee.

The date of the annual Halloween dancing and card party has not yet been announced, but members of the Assembly can confidently look forward to another outstanding affair of this nature during the last week of October.

Fr. O'Connor Will Hold 'Old Timers Night' October 2

1-3 Thursday.....4660 N. Kedzie

At one of our now famous Friday night meetings, it was decided to designate October 2 as "Old Timers" night to honor these fine fellows who carried the banner of Fr. O'Connor Council in yesteryears.

It is our desire to have as many old timers at this meeting as possible and we want you younger members to be on hand to help us entertain them this night. We will leave it entirely to you whether you feel that you are an old timer or to be classed as a younger member, and whether you want to entertain or be entertained, but come out to this old timers night and enjoy yourself.

Some of the original members will be there to relate the early happenings in the Council and the funny stories that will be of interest to all of us. Last but not least there will be a big surprise for you and we hope that you will not go home empty handed.

TO THE LADIES

A 100 per cent poll has been taken in Fr. O'Connor Council and it has been found that you mothers, wives and sisters are readers of this column as much as dad, hubby and brother, so keep on reading this column as we intend to put in a word or two for your benefit every now and then.

October 16 has been designated Ladies Nite. This is the event that you have been looking forward to this is your night when we entertain you with dancing, cards, prizes and refreshments. Ladies Nite has always been a big affair for us and we hope to make this year just that much better than before. Do not let him forget October 16 as that is your night with Fr. O'Connor Council.

BOWLING

The bowling season is under way; eight teams and going strong. It's a bit early to predict who the winning team will be but you can bet with the handicap system we have it can be any one of them. Come out next Tuesday evening and watch the boys bowl. You can really have an enjoyable evening.

GOLF—After much ado about the golf course which would be honored by the Fr. O'Connor tournament, President Dick Navin and his committee have finally decided to award the affair to Northbrook Country Club. Every member is invited and he may bring along as many guests as he desires. After the tournament a dinner will be served at which time all the trophies will be awarded. Don't forget the date, Sunday, Sept. 21.

SCRIBE'S SCRIBBLINGS

Bro. Edward F. Zaleski has been appointed Lecturer of our Council and with his many original ideas and the energetic committee he has picked we can expect new and interesting forms of entertainment during the year . . . These special Friday night meetings are really something to attend. There is more honest-to-goodness heart to heart talks in an informal way about Council work at one of these meetings than there seems to be at our regular meetings. It may be because the brothers feel that they can say things here that perhaps they would feel backward about in getting up on the open floor at a big Thursday night regular meeting. These Friday night meetings are a regular part of the work of the Council and it helps to iron out many problems that otherwise would take a longer time or would be tabled for lack of time or interest. It is open house at every meeting and every member is invited to attend. We suggest that you come to our next meeting and find out for yourself how hard and sincere your officers, committee members and active members really work in the behalf of the Council and every member.

Jack McGuire got a new pair of left-handed bowling shoes last week for his birthday. Now if they have a left-handed bowling alley he should be up in the 200 class . . . Jack Riley, wearing one of Uncle Sam's kahki uniforms, is in Chicago this week on leave from Camp San Luis Obispo. He returns to camp Sunday . . . If you have a new member ready to sign up and need help, call Key. 7305 or drop around to 4445 N. Christiana Ave. I have plenty of application blanks and rate cards. Or if it is news just call or write the same pyhone and address. At your service in the interest of Fr. O'Connor Council always. Your Scribe and chairman of the membership committee, "Tex" Williams.

St. Joseph's Tickets for Columbus Dance Are Now Distributed

1-3 Thurs.....57th & Archer, Summit

We hear that Bro. Bob Gentili is on the sick list and is, or was, at the West Suburban Hospital. He was visited last Sunday by some of the men of St. Joseph's Church choir, amongst whom were some of our members. We say hello, Bob, from all of us to you and hope you will soon be around again.

Bro. Jack Flaherty is really "going to town" in his efforts to make the Columbus Day dance a success. Tickets should be in the hands of all of you by now and it is hoped that you will make an effort to dispose of them. Read the letter which accompanies your tickets and you will see why not only you, but your friends, too, should attend.

A real floor show is something never yet seen in this community and the admission is really reasonable for this feature alone. Music by Jimmie Green and his Radio Orchestra will give you something good to listen or dance to.

Committees selected by Chairman Flaherty are as follows: Co-chairmen, Ed Kirk, Jr., and A. Imrisek; door, B. Kirk, chairman; C. Grot and S. Bannon; refreshments, F. Zurn, chairman; J. Kalkowski; checkroom, G. Tomich, chairman; tickets, W. F. R. Maxa; publicity, J. W. Ramsden, D. Spadoni and F. Susich.

If you notice the foregoing you will see that those who are working and will work on the day of the dance are brothers who have done this same work regularly year after year. If they are willing to forego enjoyment that others can have a good time, surely it is not too much to ask that all the rest of our members cooperate by being present. May we count on you?

We hear that Bro. (Mayor) Leo F. Kennedy was amongst the local men attending the Legion convention in Milwaukee this week.

Marquette Bowlers in First Rounds of Play at Lake View Alleys

1-3 Thurs. . . . . Devon and Ridge

The ladies' night attraction following meeting last Thursday night no doubt went over big. Due to deadline for this issue the affair cannot properly be reported this week. Lecturer Henrick however made plans for a large attendance. Cards and table prizes were in the offing together with refreshments for these present.

The bowling season has again started and Tom Carroll, who manager this league for our council, says he could use two or three more bowlers. Why not participate in this worth-while indoor sport during the coming winter. The league bowls each Tuesday evening at 8:30 p. m. at the Lakeview alleys located at 3225 N. Clark St.

Our Council proposes to have a very active sick and wake committee. Now it will behoove each and every member of our council to pass on any information to D.G.K. Jim Buckley who can be reached by calling Briargate 6100 regarding any of our brothers who are sick. This is a committee that each member of the Council should consider themselves a member of, and be proud to serve on as well—so a little cooperation please.

COUNCIL NEWS

A card from San Francisco sending regards to their brother members, has been received from Bros. Walter Pettis and Bob Bagley. Bro. Pat O'Donnell is attending the National Convention of the America Legion in Milwaukee.

Several Marquette members who reside in Nortown attended the fish dinner last Tuesday night as guests of Ray Powers at Devon and Kedzie Ave., Sixteen Lake Superior trout weighing 8 to 12 pounds, was the catch brought back by Ray Powers and your humble scribe. They were caught 25 miles out of "Cooper Harbor" in Lake Superior, where deep sea trolling is engaged in by the fishermen. Needless to say yours truly loved his life for it was a splendid week up in that mountainous country of Michigan. My companion, Ray Powers, joined Madonna Council twenty-five years ago, but of late years is living north and in business at Devon and Kedzie avenue, so we will have to suggest that he come into Marquette Council.

Many of our members no doubt attended the Holy Hour last Sunday at Soldier's Field. Several of our Marquette men were noticed.

Santa Maria Expects Busy Fall Season as Activities Develop

2-4 Thursday.....9020 Commercial Ave.

If news and plans are any indication of a big season ahead then Santa Maria can expect a very busy fall and winter. At the last regular meeting we got wind of all kinds of plans for the entertainment of our members.

First of all, for you athletic and social-minded, there is the bowling league as you already know. But in case you have not heard the league, which started last Tuesday, plays every Tuesday starting promptly at 9:00 o'clock at the Cheltenham Bowling Alleys, 79th and Muskegon Ave.

P. G. K. Bill Rosenbach reported that many innovations are to be introduced to give all classes of players an equal opportunity in the final awards. A new type of handicapping will be used so everyone can feel confident that he is on equal footing with the other contenders.

There is still plenty of time to enter as a player and the committee would like to hear from anyone interested in sponsoring one of the teams. See Bro. Al Schott at his store, 79th and Clyde, or at the alleys on Tuesday evenings.

SOFTBALL

For the first time in eight years, Santa Maria had a team entered in the championship round of the K. of C. Softball league. Much credit is due to Capt. John Cullen and his co-players who have played good ball all summer. Santa Maria played Ketteler last Tuesday and won 9 to 2 and so went into the finals Wednesday. Plans are being made to enter the team in the Englewood league which will get under way very shortly at Normal ball field. The league is being sponsored by the Englewood Business Men's Association. All the team has to do to enter is to guarantee 100 tickets sold, which the team members feel they can do. Further plans are being made by the team to sponsor some sort of social affair to enable them to get jackets.

MISSAL DISTRIBUTION—Bro. Vincent Knaus reported that there have been many excellent comments and letters of appreciation from the draftees who have received one of the copies of MY SUNDAY MISSAL which Santa Maria is giving to all draftees of the 10th Ward. So far over two hundred have been given out and Bro. Knaus says they are doing untold good. Bro. Knaus has been a tireless worker in this cause. Altho he has to get up at five in the morning to be on hand for the induction ceremonies he cheerfully says he does not mind.

CONGRATULATIONS

Santa Maria Council extends its congratulations to Bro. George A. Wall who was elected president of the Chicago Chapter. Our own P. G. K. James Brown also had the honor of being elected trustee. Bro. Joe Gerlich, our indefatigable Chapter delegate, nominated Bro. Brown and was pleased to find his candidate so successful.

NOTES—Trustee Bill O'Neil and Mrs. O'Neil had a visit from the old bird last week. The new arrival is a boy and Bro. Bill is as pleased as punch. The line forms to the right at the city hall, where Bill holds forth. Make ours Tareytons. We're too young for cigars.

P. G. K. Al Schott is now sole owner of the grocery and market he and Bart Horan owned in partnership. Bro. Schott recently bought out his partner. The store is located at 79th and Clyde. Another proud father of our Council is Bro. Mike Stilnovich. Mrs. Stilnovich and the tiny girl who is to be called Charmaine, are at the Jackson Park Hospital. We are sorry to report that Bro. Louis Kobza is ill again at the Edward Hines Hospital. He expects to be home in two weeks and will be glad to have visitors. Bro. John Coffou of the softball team has matriculated at Marquette U., while Bro. Buz Kozul will continue his studies at Illinois. Saw Bros. Michael McParland, Walter Cain, Fred Sweeney and Jim Malloy at the Holy Hour last Sunday evening.

Ravenswood Appeals to Council to Turn Out for Chapter Ball

3 Wed. . . . . 1521 Wilson Ave.

The last meeting notice received by avenswood Knights through the mail rried an appeal for support from each d every one of us for the clubhouse at is to be operated by the Knights of olumbus for the National Catholic ommunity Service, branch of the U.S.O. This little plug here is just a reminder r you. Please don't disregard the appeal for you to become a patron of the Charity Ball, Saturday, Oct. 11. If you are unable to be a patron, at least buy a couple of tickets. Should you find that you personally are unable to attend, give the tickets to some deserving Catholic man who hasn't the fortune to be a K. of C. P.G.K. Morgan who is one of the district chairmen of the N.C.C.S. has made a personal appeal and now you have this request via the mail from G.K. Michael Citti and our council chairman, Dick Kenney. Buy those tickets!

The bowlers are hollering for help! No, no, they haven't become hopelessly involved in some interpretation of rules, nor have they the scores so twisted up that an accountant is needed to straighten them out. All they are calling for is a few more bowlers to round out their teams. Besides a few bowlers they could easily stand a few spectators to give encouragement to the boys who happen to be having a trying evening. Get up to the Clark-Wilson alleys Monday night —contact Charlie Rogers and he'll see to it that you get on one of those ripsnorting teams.

Ye scribe is unable to say how many of our members attended the Holy Hour at Soldiers' Field last Sunday night, for that would have been a very sizeable crowd to sort through, but he does know that several of the boys prepared for Sunday evening by receiving Communion with the Holy Name Society Sunday morning at Our Lady of Lourdes. Those that he chanced upon included Brothers Metzger, Hackett, Mawicke, McCambridge, Carroll, Fletcher, Rogers and Sayre. There aren't so very many more that your scribe is acquainted with who reside within the parish, so Ravenswood had a pretty good percentage.

Another card from Frank Engel and Mrs. Engel. They really are giving Michigan a "going over."—With vacations practically over, the last vestages of summer time for our council will be the concluding golf tournament of the year. Watch for an announcement.

Men Wanted

MEN, who because they are convinced of Christ's presence in the Blessed Sacrament,

are anxious to kneel in His presence and adore;

are willing to make any sacrifice to show Him that they are in earnest;

are aware of their entire dependence on Him, even to the extent of their next breath;

who know the value of this God-given time, and are trying to put it to the best possible use;

are determined to do whatever is within their power to enhance their spiritual welfare;

who are unafraid to promise Him on their word of honor that they will set aside several hours each month for Him alone;

who are willing to join the many hundreds of men, from parishes all over the diocese, assembled to recite the Office of the Blessed Sacrament, be inspired by a sermon and, after receiving our Lord at the Midnight Mass, depart with His Benediction;

who will not be deterred by the inclemency of the weather nor be easily swayed from their purpose;

who, knowing that there are no dues in this society and that the only obligation is to be regular in attendance, will become FAITHFUL ADORERS and encourage their friends to do likewise.

The NOCTURNAL ADORATION SOCIETY of Chicago meets on the last Saturday of every month between the hours of 11 p. m. and 1:30 a. m. at the Notre Dame Church near Harrison and Loomis streets. Applicants should contact the members in their respective parishes or come directly to the school hall adjacent to the church by 10:30 p. m.

Genoa Solicits Aid of Every Member on Membership Intakes

1-3 Mon.....7439 Cottage Grove Ave.

Genoa Council held its first meeting of the fall season last Monday evening in the council chambers. The meeting was well attended and the program arranged by Lecturer James Hynan proved most interesting and amusing. The meeting was called to order by GK Robert Stadler and various committee reports were given by the respective chairmen.

The results of the Genoa annual golf day were reported by the chairman of that event, Bro. Bill Riley. This, according to the report, was the biggest affair of its kind ever held by the council. More members and guests played golf than in any previous year. This was also true with regard to those having dinner.

MEMBERSHIP

The campaign to secure Genoa's quota of members for the coming year has begun under the leadership of Membership Chairman PGK James F. Riley, Jr. This program is in conjunction with the program inaugurated by the state and county membership committees. Every member of the council that has as yet been unable to present a candidate for membership is urged to make every effort to do so in the near future. This is to be Genoa's big year for members and it is up to the members of the council to make every effort on their part to make it so.

U. S. O.

The United Service Organization under the able council leadership of Bro. Frank Gorey is making arrangements for an affair sponsored by this group. In accordance with the wishes of the Chicago organization the members of the council are urged to refrain from staging any council affair until after Oct. 11 at which time the Chicago Chapter of the U.S.O. is giving a mammoth affair at the Palmer House. Bro. Gorey has tickets for this affair. It is to be a dance and card party and the price is only $1 per person. Genoa Council plans on taking an active part in this affair and will in all probability make arrangements similar to the Fourth Degree affairs. We are therefore asking every member of the council to hold this date open for their presence at the Palmer House. Tell your children and friends about it. The purpose is without question a worthy one and should have the wholehearted support of the people of Chicago and especially every Knight of Columbus family.

In order to encourage attendance at this party Genoa Council, at the next meeting of the council, which is scheduled for Oct. 6, is going to give away two tickets to some member that is present at the meeting.

GK Robert Stadler promises that in the very near future he will appoint the chairman and members of the lapsation committee for the council. PGK Thomas Reilly earnestly requested that this appointment be made as soon as possible and gave his reasons for this.

REGRETS

The officers and members of Genoa Council deeply sympathize with Bro. George McCarthy in the loss of his dear mother during the past week. Bro. McCarthy was the co-chairman of the annual golf day affair which proved so successful recently. Again, George, we express our sympathy and hope that the happy memories of the past will temper your bereavement. May her soul rest in peace.

Bro. Albin Ulric, an active Genoaite, has been confined to St. Bernard's Hospital for the past few days. We understand Bro.. Ulric is well on the road to health again and we expect to see him at the meetings in the near future.

To get your money's worth from electric cooking appliances, learn the best way to use them and place them where they are convenient.

MADONNA CARNIVAL DRAWS BIG CROWDS

2-4 Fri. . . . . 4624 Emerald Ave.

With three-fourths of the Carnival behind them the gang is going full blast and if the nightly crowds are any criterion, this year's affair is going to be the tops. And Chairmen Tom Carmody and Ed Kean have done a terrific amount of work with nothing to repay them but the sense of a job well done. The boys tried hard to bring a touch of the Old West to the Carnival by rounding up some hosses, but it couldn't be did. (We still think it was good, Tom).

ONLY THREE NITES

Are left in which you can pay a visit to Gilhooly's Grove in order to drop a few clinkers with the boys who have been plugging for the past week. To-nite, Saturday and Sunday night you'll be able to visit your old friends, tip a few if you like, take a crack at any one of about twenty booths, and who knows you many win a duck!

Tom and Ed would also appreciate it if you would take care of that little matter they sent you last week, remember? Let's see, now where did you put it? O yeah, there it is!

OUCH

Just a week now, until Madonna's Roly Poly, Boomps a Daisy bowling league puts in a rush order for six dozen extra fancy charlie horses. And League Secrtary Frank Jackson assures us that we will have plenty on hand for all the lads. With a full eight team complement going to bat, or, we should say bowl, Frank feels pretty happy over the whole thing and when the maple mashers convene at the Lucky Strike alleys on Monday nite, Sept. 29, he'll be on hand to greet them with open arms.

Whether or not the league will hold the very popular mixed doubles like they did last year, we don't know but we'll be willing to bet five bucks that as soon as Frank reads this, we'll find out pretty quick.

OCTOBER 1st

Is the date set by Chancellor Charley Scannell for a huge membership rally at the clubhouse. The eminent Charles plans on having a smorgasbord (which is Swedish for pig's knuckles and cabbage) for the inner man, and a short snappy pep talk for the outer one. This pow-wow will be the official opening of the membership campaign in Madonna, and according to the Chancellor's plans, it will be perfectly all right for you to bring a friend who might be a prospective member.

Altho October 1st is a Wednesday, no alibis will be permitted on the part of the eligible or ineligible bachelors for not appearing at the classes in How to Snare a Prospect and Keep Him. Professor Scannell will have a noteworthy faculty to aid him, the details of which will be announced later. Don't forget though, that October 1st is not so darn far off.

COLUMBUS DAY

Just a memory jogger-upper to attend the Columbus Day Ball at the Palmer House for the benefit of the Service Center at 9th and Wabash Ave. Patrons's tickets cost five cartwheels and include two admission ducats, a listing in the program, free ice water, and space on the platform so you can be gawked at. Now is the time for all good men to come to the aid of the party. (This ain't typing practice either).

GOOD NEWS

Emanates from the regions of the clubhouse and Entertainment Committees. According to Eddie Goeing and Del Kean, the respective chairmen, as soon as the warm weather is over the Sunday night parties will be resumed. Del also states that a "hearts" tournament will be held weekly at the club, probably on Thursday nights. With those two affairs, the bowling and the regular Friday night parties the old homestead should be well lit up come cool weather.

FLASH FLASH — Madonna's softball team lost to St. Cyr 15 to 8 Monday at Shewbridge Field. This puts the team on ice till next season.

Mass Vestments Exempt From Clothes Rationing

London. — Mass vestments may be bought without the surrender of coupons under the new clothes rationing order, it has been ruled. Every resident is entitled to use 66 coupons for the purchasing of clothing during the next twelve months, to equalize the distribution of available supplies.

A point yet to be decided is whether cassocks and cottas for the use of altar servers may be bought without coupons. It is being urged that these are not personal items, and it is thought that a ruling, promised soon, will declare these articles "off the ration."

PIN TUMBLERS

The bowling league started off with a bang last week and from all appearances it will be full of pep all season. It seems as if our vets from last season were sleeping at the alleys all summer as they started off with their regular averages, many of them hitting 200 games and 500 series.

Due to the defense program we lost many of our bowlers. Some of the missing are: P. G. K. Ray Gerber, Bob Green, P. Roubie, John Sheehy, Holly Dunlap, Ray Nowak, Joe Smith, Mike Dore, Jim Coogan and Jerome Wollschlager. Some of the new bowlers and their scores for the first night are: J. Snyder, 481; Ed O'Rourke, 443; Loren Cody, 408; Eugene O'Rourke, 361; Bob Skillin, 319; Harry Lorden, 305; Tom Connelly, 299.

Our cheering section of ladies was not very large, but we were greeted by Mrs. G. Spencer and her daughter, Dorothy; Mrs. Harry Lorden and her daughter, the bride, Lucille. Lucille did not cheer for her dad but for her husband, Bob Skillen. Our bowlers would like to see more spectators on Thursday nights. Come up to cheer for your friends or razz them—they like it either way.

The league has a few openings and if you care to bowl 'phone John Hartnett, Laf. 5059, or Harry Lorden, Laf. 3649.

CONDOLENCES

Mrs. Ryan, the loving mother of our Past Chancellor, James, passed away last week. Again our officers were not informed until after the funeral and we regret that it was not reported.

Mrs. Gilson, the mother of Bro. Gilson, was also buried last week.

Mr. Thornton, the loving father of Edward and William, passed away a few weeks ago.

We extend our sincere sympathy to the families of these bereaved and pray for the repose of their souls.

Note: Our secretaries would appreciate a call from members in time of death so that our council can pay its respects.

Columbus Will Offer a Tasty Dish or Two at Tuesday's Meeting

2-4 Tues. . . . . 6932 N. Clark St.

At our last meeting on September 9, Grand Knight Al Irving reported on the financial status of the Council. Trustees, Arthur Shay, Dr. R. C. Schuler and Edward Kelly were all present and commented on the report.

Our lecturer announced that at our next meeting on Sept. 23 refreshments will be served. All members are urged to attend. Nov. 12 has been set as a tentative date for our annual charity card party. The exact date will depend upon when Trustee Ed. Kelly can get the hall, and it will be announced later in this column.

We are pleased to announce the following transfers; Edmond Michel, 5454 N. Paulina St., from Council No. 714, New Orleans, La., and Harry J. Cordesman from Hughes Council, Chicago. Mr. Michel is a nationally known inventor, and Mr. Cordesman is with Thompson, McKinnon Co., LaSalle Street Brokers. We welcome these men to our membership and hope that we will see them often in the Council hall.

The application of Bernard T. Printz, 6956 N. Clark Street was advanced to second reading. He was sponsored by his father, Bernard Printz. Brother Printz's spare time is well taken up by his duties as president of the St. Vincent De Paul Society of St. Jerome's Church.

Norbert Burnham, Jr., 1252 Rosedale Avenue, an employe of Commonwealth Edison Company, and sponsored by Bill Irving, will be ready to accept the next degrees offered.

Brother Schuler gave a spirited and eloquent talk for U. S. Defense Bonds, urging the members to purchase some and passed out circulars regarding them. His talk was so convincing that some of the brothers present were ready to invest the funds of the Council.

Fred Sextro, Sr., is all set again to burn up the alleys this season. Last year he was the No. 1 bowler of St. Jerome's Holy Name Society League. He is also a leading bowler in the Traffic Club of Chicago's League.

We would like to see Joe Stanczak get away from his butcher shop long enough to get up to a meeting. Joe is quite a fisherman. The catch that he brought home from his vacation this summer was the talk of the neighborhood. His partner in the Greenleaf Grocery and Market, George Krippman, has expressed his desire to be one of us. Joe and George are a couple of fine boys and are always ready to support Columbus Council activities.

See you at the meeting September 23rd. Refreshments will be served.

AMERICUS WILL HONOR P.G.K. KELLY TUESDAY

2-4 Tues. . . . . 3350 W. Jackson Blvd.

On Tuesday, September 23, members of Americus Council and their ladies will gather to celebrate Kelly Night in honor of Past Grand Knight Edward J. (Ned) Kelly. The Committee in charge has worked hard to provide the proper entertainment and refreshments and many high officials of our order and men prominent in civic life have been invited to join us on the occasion.

Ned Kelly has worked long and hard for Americus and is more than deserving of any honor we may confer upon him; it is the hope of the committee and your scribe that the S. R. O. sign will be hung out on that evening. A short business meeting will start (as usual) at 8:30 p. m. and finish in time to start the festivities by 9:00 p. m. Hope we see you there.

COUNCIL ACTIVITIES

LAST FRIDAY night the bowlers met at St. Philip's Gym and elected the following officers: Bill Costello, Pres.; Jim Hogan, Sec'y; and Joe McGuire, Treas. Every Friday from now on the sound of falling pins will echo through the gym. It behooves all the bowlers to get out and strike their way to the top of the standings.

WE have just been informed that Past Grand Knight George Bamber of Barry Council has been appointed District Deputy of Americus by State Deputy Leo M. Flynn. Congratulations, George, hope we see you often.

THE U. S. O. Committee of our council, P.D.G.K. Tom Gannon, P.G.K. Leo Joyce and Oldsmobile Phil Koop are handling the distribution of the tickets for the Chicago Chapter Ball. The Resolution and Condolence Committee is composed of the following Brothers: Chancellor John Cooke, Chairman Rev. Vincent Scheltinga and John Monahan. The John J. Powers Memorial Scholarship Committee named are P.G.K. Jim Mooney, P.G.K. Ned Kelly, P.G.K. Leo Joyce, Fin. Secy. Jack Crawford and Treas. Bill Ryan. This committee will pick their own chairman.

To Brother Henry McGlynn and his family we offer our deepest sympathies on the death of his brother, William, who passed away last week.

SOME GUY, that Treasurer of ours, Bill Ryan, celebrating his 35th wedding anniversary and his grandchild's first birthday on the same day. We must remember to congratulate the Ryans. See where Bailiff Al Horan and Alderman Joseph Gillespie, as usual, were among the first to get Patron Tickets for the Chapter Ball. Hope we can get some more brothers to take tickets for the Oct. 11 affair. Wonder why they were calling the Deputy Grand Knight, Mr. Wolf, the other evening. Saw Joe Nagle down town the other day, he looks as young now as he did when he played 3rd base for the Cincinnati Reds. Just thinking of the old times when Billy Downs used to sing his own songs for us at the meetings. He is one of the high officials of Loew, Inc., in New York now.

Will have to congratulate Vice Supreme Master Crowley on his re-appointment and Phil Nilles on his appointment as Master of the Northern Illinois Province of the Fourth Degree. Have to get the Ball and Chain dolled up so we can go out to Cornwall Post Club House Saturday night to see Trustee John O'Brien installed as Commander of the Legion. Big time out there. Wonder where Dan McNamara was last meeting night when the Lecturer was looking for him; tough luck, Dan. The Kush Keg keeps getting bigger all the time; you never know when your name will pop up. Better get up to the meetings. Must remember to ask the ladies "How about the Cookies for the Rookies?" Hear that Frank Sattler will be in the hospital at Camp Shelby for about three weeks more. Keep your chin up, Frank. We saw a picture of Private Jack Welsh peeling potatoes. Always said he would be a wonder if he could cook. Wonder if Henry Ryan is rested up enough after his trip to California to get out to the meetings once in a while. Wonder why Crawford takes those night rides, to buy malted milks or collect dues? Wonder how the Leahy's made out with the new Nesco.

REMINDERS: Big night Tuesday, September 23rd, Chapter Ball Oct. 11 at the Palmer House, bowling every Friday at St. Philip's Gym. We need new members. The drive is on. Good bye now.

Chicago Hts. Members Came Out Strong for Season's Initial Meet

2-4 Mon. . . . . 1537 Otto Blvd.

Believe it or not, at the meeting of Monday, Sept. 8, we had the best attendance that we have had for many a month, and it was a pleasure to see the turnout, especially the new faces. Grand Knight Geo. Pallo was very well pleased and he hopes, as does the other officers, that you will keep up the good spirit and attend these meetings in increasing numbers.

Unless we have a social gathering our Grand Knight assures us that the meetings will be over in less than one hour. This time is very well spent as we hear of many things that are interesting to us all.

For the information of those who failed to attend, our lecturer, Oscar Fox, has an elaborate program planned for our Columbus Day meeting. This will be a social evening and he assures us a mighty good time. For further details you are requested to be up at the next meeting, Sept. 28.

It was reported that Bro. Bob Gaseor has returned from the hospital. We are glad to hear that he is well and will again be with us. We also would be glad to hear from Bro. Emmett Hand, who is with Uncle Sam. Any of the brothers knowing his whereabouts please let us know. Congratulations to Treasurer Walt Mayer, who celebrated his birthday the other day. Beer and limburger sandwiches should have been the evening menu along with pinochle.

On Sunday last, the day of the Holy Name golf tournament, quite a number of our brothers participated. Some of the returns are very good and some—well, use your own judgment. One in particular was good, the foursome in which Commissioner John Johnson took part. We understand he got a prize and it wasn't the consolation one, either. Next time you play with Bros. Herbst and Howard see to it that they leave their guns at home.

Dearborn to See 'Parade of Champs' at Oct. 2 Meeting

1-3 Thurs. . . . 820 W. Garfield Blvd.

"The Parade of Champions" is Lecturer Pat McCarthy's first major presentation of the new fiscal year to the council members and their friends. From what has been said so far, and from what we know about the preparations Pat has already made, the first meeting of next month, Oct. 2, promises to be one crammed with stars, champs, thrills and plenty of fun and refreshments.

A few of the prominent men Pat has lined up for the night of Oct. 2 are Bob Kennedy, colorful White Sox ball player; Andy Pilney, former Notre Dame football star and now coach at St. Mel's; Tom Walsh, president Professional Golfers' Assn.; Marvin McCarthy, reporter and writer for the Chicago Times; Bunny Leavitt, famous basketball star; Peter Miller, distinguished as an ice skating champion; Johnny Coulon, former bantamweight champion ot the world, who is a member of Fr. O'Connor council, and is internationally known as the 110 pound man who can't be lifted off his feet. If any of you fellows think you can lift him, you are welcome to try that night. Johnny has his gymnasium at 1154 E. 63rd St., where he gives instructions in boxing, wrestling and sports of all kinds.

On that night, too, Dearborn will honor its own softball team, bowlers, golfers, and any of its members who are any way connected with sports. Part of the enntertainment will include a short movie showing the 1940 basketball championship at the Ampitheatre.

Along with the athletic celebrities about the chambers that evening we shall see our State Deputy, Leo Flynn, and Bro. Ed Moluneaux, chairman of the Charity Ball for the Columbus day observance. We know every member of Dearborn will be thrilled by such a program, and we also know that many of us will want to bring our friends with us, and this you can do, because they are all welcome. Bring that prospective member with you, he'll enjoy it immensely.

N.C.C.S.

Some time when you are in the neighborhood of 1122 So. Wabash Ave., take a few minutes to go into this building and see for yourselves what Bro. Jim Carney and his staff have done for the boys in Uncle Sam's service.

Bro. Carney and his staff are to be complimented on the fine work they are doing. Hospitality, courtesy, and efficiency are uppermost in their minds and it is noticed just as soon as you open the front door.

Now, Brothers, this building, all the fine furnishings and modern equipment, didn't drop out of the sky as a gift, but must be paid for. That is the responsibility the Knights of Columbus of Chicago have taken upon their shoulders. Each and every one of us are going to take a very small part of that responsibility upon ourselves by purchasing at least one ticket for the Charity Ball at the Palmer House on Oct. 11. In this manner we will pay that debt and at the same time help our Uncle Sam's boys who have saccrificed jobs, home and family. See Bro. Charley Read for tickets, he'll be ready and willing to serve you.

COUNCIL ACTIVITY

THREE Dearborn Knights answered the call for mercy last week and gave transfusions. They were Bro. Ed. McGonigle at St. Bernard's Hospital and Bros. Jim Markham and Mike Mercury for Sr. Mary Luke at the Mercy Hospital.

R. I. P. It is with much sorrow we report the passing of the wife and infant baby of Bro. Jos. Halek, and we hereby extend to him and his family our sincere sympathy in his great loss.

CONDOLENCES of the council are also extended to the family of Bro. Peter J. Kelly, who passed away last week. Through the mercy of God, may they rest in peace.

NEWS ABOUT KNIGHTS

Lecturer Pat McCarthy is passing out cigars due to the birth of Patrick Joseph, Jr. Congratulations, Pat, we'll have a father and sons night before long and you can show him off.

D. G. K. Downes announces he has tickets for a charity football game between the Detroit Lions and Chicago Cardinals on Saturday night, Sept. 27. The cause is a good one and you football fans will enjoy this game.

Judge Hermes has again been appointed by our State Deputy as the D. D. for Dearborn. He has been faithful in his duties these many years, and we are glad to learn of the appointment. Congratulations, Judge.

Dearborn's keglers got off to a fine start last Monday night, having 30 men shooting at the pins. They are shooting at the Western Recreation Alleys at 8 o'clock every Monday, and those who can get over there should do so because the boys have loads of fun.

FLASH—Head Coach Wally Fromhart of Mount Carmel and Freshman Coach John Jordan of the same school have promised to be among the "Parade of Champions" on Oct. 2.

AUBURN PARK'S PARTY AGAIN IN HIT PARADE

2-4 Thur. . . . . 7740 S. Emerald

On last Friday evening, September 13, at the Shelter House located in the Dan Ryan Woods of the Forest Preserve at 87th street and Western ave., the members and friends of Auburn Park assembled for the second time this season for an evening of dancing and entertainment. Brother Neil Houtsma, Paul Byrne and Tom Cole, assisted by the members of their committee, had everything in readiness for the occasion, and a very fine crowd turned out for an enjoyable evening.

Attractive door prizes were given to the lucky winners, and the high light of the evening was a "Jitter Bug" contest which was participated in by a number of the dancing specialists, and a cash award was given to the winners, none other than one of the outstanding softball players of McHale Council's team, Jimmie O'Connor being assisted by Mrs. John H. Clausen, and they really were outstanding. If any scouts were present we are sure they will be on the Orpheum Vaudeville Circuit in the very near future.

We are very grateful to all those who assisted in making this affair a success. All are now awaiting another of these gala events in the early spring of next year. The receipts of this party are to defray the expense of showing our appreciation to the members of our softball team for their valiant effort during the playing season.

GEORGE WROCKLAGE

We cannot let the opportunity pass without commenting on the efforts of our Worthy Treasurer for the very interesting four-page article he has compiled with the assistance of the members of his family. This in itself has been a great contribution toward the successful activity now being displayed by the council. We are sure that this monthly contribution, which by the way is a lot of work in the evenings to compile and mail, is being read by the entire membership, and should they take time to peruse this publication even though not present at council meetings and social affairs they will be posted on all activities. This has been a hobby with Brother Wrocklage for some time, and he has really got it in operation now in a big way. Keep up the good work, George, we think it's swell.

RETREAT TONIGHT

You have been reminded from time to time of the reservation made by our Retreat Chairman, P.G.K. Richard J. Knight for the membership of Auburn Park as well as St. Leo's Holy Name Society for a three-day retreat at Mayslake which begins tonight, Friday, September 19. All who contemplate making this retreat are asked to be at the northeast corner of 78th and Halsted streets (Dick Knight's Floral Shop at 6:30 p. m.) and go by automobile to Hinsdale, Illinois, for supper at the Retreat House at 7:00 p. m. We hope this issue of the Columbian is received by all the membership Friday so that this final notice reaches every one. If it should happen you can't make it tonight, having to work Saturday morning, come out Saturday afternoon and join the group and return to Chicago in time for work Monday morning.

Complete arrangements have been made by Brother Walter Fox with the Highland Recreation Bowling Alleys, located at 1310 West 79th street, for the bowlers to get started on a big season next Monday evening, September 22. Bowling from 7:00 p. m. to 9:00 p. m. each Monday evening thereafter throughout the bowling season. There is still time to sign up if you are interested in joining this league. We hope to get started with at least six teams, and the first night or two will determine the bowlers' handicaps, and from then on they will get going. The fee for each bowling night will be $1.00 per man, and a portion of this will go into a fund to be distributed among the winners at the close of the season.

A number of the captains who are to lead each of these teams during the season are interested in getting a sponsor, and here's an opportunity for some of our members who are in business in the community. You will derive considerable benefit from this advertising, and at the same time help this league to get underway in the right manner. Contact Brother Walter Fox at 7937 S. Morgan street or at the bowling alleys any Monday evening.

The manager of these alleys is Brother Pete Holm, an old time bowler and a member of McHale Council for many years. He has promised complete cooperation in getting started. Drop over to the alleys next Monday evening and encourage these boys on to a successful season. Any of you who have not filled out the application you received in the mail do so at once and bring it up with you on next Monday night.

CHARITY BALL

Our council officers are making every effort to put this affair over, this being the first big event since our own State Deputy Leo M. Flynn assumed that office. In order to have everyone ake advantage of this talk we have made he meeting an open affair. Wives, girl riends, relatives, prospective members, nd everyone that you know is invited o attend.

With the world the way it is today, vhen you and I have to read between the ines to try to figure out what is hap-ening, we feel it is very appropriate that ve have a speaker such as Fr. West-oven. Everyone must realize that a nan that has been trying to spread the ord of God in a country that has been t war for a number of years can cer-ainly tell us a lot more about the world ver there than a man sitting in an office ver here can tell us.

With his parish blown up about every ther month and the conditions that pre-ailed to make it heart-breaking for him, r. Westhoven has taken pictures which e will present with his lecture. Father ill tell us the real condition of China, he feeling of the people before and after he bombings, and the conditions that revail all during the year. How he has o secure food to keep some of his people rom starving, how he has to secure odging for them after their homes are in uins, together with the pictures that he ill present with his talk, should make veryone certain that they will not miss he lecture.

Here is an opportunity for all of our ıembers and their friends to take ad-antage of this information first handed. ou will certainly receive more benefit om a talk like this than you would ead about it in some magazine. Don't orget now, the meeting is this Monday, nd be sure to bring all of your friends ith you.

SCRAPS

Well, I have had two complaints about ıe last column so I might as well try to ake amends. The first one was from Bro. om Dillon, who is still resting his great rofile out at the Little Company of Mary ospital. I reported him having left the ospital, as he personally told me he was, ut due to circumstances beyond our ontrol he decides to remain a little onger. We know one thing, though, if om doesn't leave that buzzer alone, ome of the employes out there will end p with the same ailment that he has.

Now for the other complaint as time ill allow. This one came from the one, ıe only, the great, curly Michael Patrick loysius Murphy. I don't know if the omplaint came from him or the better alf, but it seems that I got the two furphys mixed up. I should have known hat it could be only Mike Jr. that could rite such a letter.

If you see Judas Shinners strutting own the street as if he was a proud ither it is only because he purhhased a ew car. Or maybe he received a new ne free for having the oldest model car ı running order in the country. Maybe after winter comes and we have to push Mister Walter Popjoy's car a couple of times he will realize that we aren't kidding him when we tell him to turn it into a truck and sell vegetables with it.

The bowling season is in full swing now, so some of you members that haven't anything to do on a Thursday night, drop around and watch the boys knock down the maples. We can still use two sponsors, so step up, brothers, and help us out. It may be a little early to say this, but Calumet will celebrate its 40th anniversary this year by having a New Year's eve party. Make plans to attend it, for we will shoot the works. Sunday evening club starts Sept. 28.

State Deputy Leo M. Flynn has advised us of the appointment of Bro. Guy Macina, P. G. K. of San Salvador Council, to the position of District Deputy of our council. We of Calumet feel honored and pleased to have such an able, energetic, true Knight of Columbus as our District Deputy. Congratulations on your well earned appointment, Bro. Macina. Calumet welcomes you. Bro. Macina is also Cook County Membership Chairman. Bring in that new member that you have been talking about for so long. Let us show the new District Deputy-Membership Chairman that Calumet is going to support him and our new State Deputy 100 per cent. Calumet's quota of new members for the year ending June 30, 1942, is 114. Let's get started right away.

COLUMBUS BALL

On Oct. 11, our order will celebrate Columbus Day by conducting an elaborate dance program in the Grand Ballroom of the Palmer House. Cards and similar entertainment will be provided for all guests in the Exposition Hall. This affair is being sponsored by the Chicago councils for the benefit of the new service men's club at 1122 S. Wabash Ave. Admission is $1 per person, which will entitle you to participate in both the dancing and the card social.

Tom Walsh as chairman of the Council N. C. C. S. committee is handling the ticket sales for this great social event of the season. If you haven't seen Tom recently, be sure and have $2 handy when he catches up to you. Patrons' reservation is priced at $5, which includes two admission tickets and listing in the party program and in future issues of the Columbian.

Chancellor Val O'Grady now is Barrister O'Grady, having successfully passed the recent bar examination. Congratulations and good luck, Val.

Gar. Moreno Asks Men to Check Their Scores on Council's Activities

2-4 Tues. . 155th St. & Lexington Ave.

What's the score? In athletic contests and games there is always a record kept, which is the incentive that makes the game or contest interesting. In a football game, the score at the first quarter might be 7 to 14, or the score in the fifth inning of a baseball game may be 4 to 3. In getting reports on such contests we like to know whether it is the first quarter or whether it is the fifth inning.

In the game of life we may not know just how many years the game will last, but we can separate the "game" into periods. At the beginning of a new year, which our order and council are now in, it should be interesting to know what our score is.

Members who attend meetings, take an active part, they know the score. We have many scorekeepers in the game of life; in fact, I believe that I would include all those with whom we come in contact. We may not be able to know just how we stand on the scoreboard of others, but it is highly possible that the most accurate record could be kept by ourselves. Of course it is not an easy job, this totaling of the score, but neither is it impossible.

Here in our council we do have certain goals, certain ratings that we want to give ourselves which differ with individuals, but we can all check on this score the first of each new year in our council and see whether or not, according to our own ideals, we are winning or losing. Check your own score, brother knight, some of us might find that we are not in the game.

OUR THANKS

P. G. K. Joseph Reardon extends the council's and his own sincere thanks to the following persons and firms who donated money and gifts to the races and games at our recent picnic: Wm. D. O'Hara, Mrs. Olga Gibson, Goebel's Shoe Store, Walter Goletz, Marie Golétz, Hattie Geiman, Mrs. Leo J. White, Richard Walenga, Thos. A. Gerlach, Henry Hilgendorf, Romeo Begnoche, John Mech, Louis Beaupre, Simon Ryan, Albert Binette, Chas. Wisell, Joseph Reardon, John Gradzniski, Up to Date Laundry, Miller Cleaners, and Home Liquor. BIT-O-NEWS

Notes of our last meeting: D. G. K. Joseph Dehnert, sick committee chairman, reported that P. G. K. Joseph Flaherty is on the sick list and will be confined to his home for a few weeks. Mrs. John Klein is now home from the hospital. Peter Scanlon's brother is still in the hospital. Rich Walenga's arms still is in a sling, but he should be back on the job soon. Peter O'Hara was on the sick list, but Peter was out again before the committee found it out.

Other reports were John Begnoche on membership. Francis De Mayo on the picnic. Henry Hilgendorf on the fourth degree club. Joseph Dehnert of the fourth club is the two-time winner of the club's trophy. Our visitors were Bros. Sisco and Cure of Blue Island. Under good of the order, our chaplain, Rev. Ign. Renklewski, gave a very interesting outline of the Holy Name Holy Hour and urged all to attend. Lecturer Henry Stein topped the evening with refreshments.

Joseph Doheny and wife are enjoying a vacation in Mexico. Frank McMahon arrived at our meeting too late to give us the data on the U.S.O. John Kerkhoven reports one of the brothers' wife coming out of a store with a rolling pin. No hints, but his first name is Simon. Sunday, Sept. 28, Si Ryan, Wm. Powers, Jr., Joe Gorski, Chas. Wisell, Jack Maloney and Joe Reardon will take part in Blue Island's golf tournament at Glen Eagles. Tee off at 10 a. m. Why not join them? See Chas. Wisell. Bowling committee extends its thanks to Mr. and Mrs. Vic Walenga for their hospitality.

From Bergland, Mich., a card from Wm. Garity. Thanks, Bill. To Private Jack White and bride, congratulations as you start on the marital highway. May its every mile be smooth. "Hello, son." Private Patrick Palcu home on furlough says hello, gang.

O'Connell Is Gaining Steadily in Goal for Century Club Honor

1-4 Tues. . . . . 1100 N. Franklin

Last meeting, O'Connell's grand knight was given eleven new applications accompanied by the required initiation fees. This brings our bulletin figure to date: Applications, 33; reinstatements, 4; transfers, 3. As you know, our grand knight has set our goal at 100 new applications, his aim being to rank O'Connell Council in the Century Club. While we are greatly interested in bringing back old members to the fold, our primary concern is to bring new members into the order; reinstatements and transfers, therefore, do not figure in the 100 goal. WE WANT 100 NEW MEMBERS, and as many of the reinstates as we can get. All we need are five new applications a meeting to meet our goal. Let's hop to it!

One week ago last Thursday our good friend and brother, Joseph Fogarty, and his wife celebrated their 42nd wedding anniversary. May I extend to the practically newlyweds our belated congratulations? Bro. Fogarty has been a member of O'Connell Council for a great number of years and he rarely misses a meeting, and then only when it is impossible to attend. We should all try to be as interested in the council as Bro. Fogarty and I am sure the council chambers would be packed every second and fourth Tuesday evening.

O'CON-NOTES

Bro. and Mrs. Jos. H. Meier had their baby girl christened Jeanne Marie, and the proud godfather is ye olde scribe.

Bro. Dom Faraci has his heart set on a farm. Kitty, however, finds the lure of the city too great—that is the fly in the ointment. Vic Scimeca is still trying to collect for fire damages at the Swanee Bar-B-Q. Paul LaPaglia is now the head barber at the Blue Ramblers A. C.

Bro. Jack ("The Cute") Maolne is gunning for the hombre who dented his nice shiny Buick. Bro. Salvatore ("Tee") Bonafedi is now the smiling clerk you can see if you visit the boys' court. Bro. Jos. ("Green") Calomia, the Don Juan of four weeks' membership in our council, has already brought in four new applications. Nice work!

Bro. Frank ("Tappy") Tantillo has been promoted to head timekeeper at the Chicago Surface Lines. Bro. Sam Bongiovani, who just returned from a two weeks' vacation at Mauston, Wis., is as brown as a berry. Hope you had lots of fun, Sam. The four horsemen—Bros. Frank Viveritto, Mario Azzano, Joseph Stornello, and a bottle of vino at the feast.

Bro. Joseph C. Meier has been feeling a bit off-color since last Saturday. Hope it's nothing serious. Bro. Ben Nathan is most anxious to get as many as possible to join the blood donors' group. Bro. Henry Meier, chairman of the Christmas Cheer committee, is shining up a nice new jar for the next meeting, so get all your pennies ready, and we won't have any trouble at all in doubling our quota this year.

Your scribe is indeed grateful for these notes; it makes the job much easier, and The Columbian much more interesting.

The next meeting will be held at the same place next Tuesday, Sept. 23, and we're going to have another surprise, I'm told. Last week it was hot weenies, 3.2, pickles, mustard, limburger, rolls, etc.

Mount Everest, 29,002 feet above sea level, is the highest mountain on earth.

BOWLING

A week ago Monday our Council Bowl-ıg League held its first session of the eason and about fifty bowlers were ıere. However, after looking everyone ver it was discovered that some of the egulars of last year were absent.

President Tom Garvin requests that ll of the old-timers and all the new owlers show up at the alleys next Mon-ay night, Sept. 22, so that teams may e formed. As stated before, the league ants to increase to twelve teams, so ll you bowlers get out Monday night nd start the season off with a bang.

HERE AND THERE—Bro. Tom Dun-n has just returned from Greensboro, . C., where he spent his vacation . . . ave you noticed Bro. Dick Desmond's ouse lately, it looks like new? . . . ros. Bill Jann and Dan Kisella were vo of the sub-contractors on the $25,000 emodeling job of St. Carthage school.

TONTI PLEDGE SUPPORT TO COLUMBUS EVE BALL

1-3 Thurs. . . . 4221 Irving Pk. Rd.

Less than a month remains before that most important K. of C. event, the Charity Ball. Tonti's quota has been set at $200; every member of our council should participate, as the proceeds will be donated to the Archdiocesan Unit of the National Catholic Community Service, to be used to provide furniture and equipment for the Recreation Center at 1122 S. Wabash avenue.

It is true that there may be many service clubs here in Chicago, but there will be only one Catholic center, viz., the Paulist House. So, brother knights, on the eve of our patron saint, Christopher Columbus, let us display real Catholic Action by attending the Charity Ball at the Palmer House. The tickets are $1 per person, or the patron subscription at $5, including two tickets and your name on the official program. Get your tickets at the next meeting. Oct. 2, as this will be your last opportunity to help fill Tonti's quota before the ball.

35 BOWLERS OUT

Last Tuesday the bowling league opened its 1941-42 session; 35 staunch and loyal members answered the call, including Barney Benson, one of the old-timers in the council. The league is enthused and eager for a promising season of bowling. If there are any members who still would like to get in on this year's session, get in touch with D. G. K. Andy Eichhorn.

Last Friday, at the lecturer's committee meeting, a plan of coming activities was prepared. At this time the lecturer, Ray Ruszowski, announced that the setup for next two metings will be as follows: Oct. 2 there will be a smoker (the fact that you do not smoke should not deter you; there will be other refreshments to satisfy your every inclination), and on Oct. 16 there will be an open meeting, designated as Membership Night. More details as to entertainment, etc., will be given later. The lecturer has a complete plan of events for this winter, but at the present writing we confine ourselves to the month of October. The lecturer is most optimistic, and with encouraging attendance at meetings all indications point to a bang-up Tonti season.

MEMBERSHIP

The first quarter of the fiscal year has elapsed. What progress have you made in obtaining a new member? Don't leave it up to the chairman of the membership committee, Bro. Joseph Spekowski. No doubt many of us were present at Soldier Field last Sunday and witnessed the gigantic spectacle, the Holy Hour, attended by about a quarter million Catholics; what an inspiring sight it was. All of the men there were not Knights of Columbus, but what a field of prospects. You know some of them. Just bring them to the open meeting in October and let them in on the benefits of belonging to Tonti Council.

The week-end of Nov. 7 has been reserved at Mayslake for Tonti's annual retreat. Trustee Ed Deka, chairman of our retreat committee, urges the reglar retreatants to spread the word to others, and bring them along to Mayslake this year. The 60 Golden Hours spent there will be a vacation for the soul in meditation with Our Lord, away from the cares of every-day life. See Ed for more details.

TONTI NOTES: Recorder Len Kreissel was honored with a 20-year button for faithful service with the Deep Rock Oil Corporation. Len is contemplating a trip to the north next week and promises to keep us informed of his sojourning.

Flash! Another baby boy! The "Ventilation Kid," Bro. Tom (Berk) Berkowski, is strutting around with a pocket full of cigars. He and his wife received a bundle of joy from heaven on Sept. 12. We extend our congratulations and wish them happiness.

We hope that Bro. Stanley Kozakiewicz's arthritis improves sufficiently to enable him to attend meetings regularly as he used to in the past.

Barry Urges Full Council Aid for Columbus Ball

1-3 Tues.....2856 Washington Blvd.

On Saturday night, Oct. 11, the Chicago Chapter of the Knights of Columbus will hold its annual ball at the Palmer House. This charity ball and Columbus Day observance is to be given for the benefit of the National Catholic Community Service and is one of the most worthy causes that you could sponsor.

It will also be one of the most interesting affairs of the year, with card games in the exhibition hall and dancing in the grand ballroom. Tickets are $1 each and patron tickets are $5 the couple. Patrons will also be listed in the official program and in The Columbian. Don't overlook this affair for it is one that you will thoroughly enjoy and at which you will no doubt meet many of your friends as well as make new ones.

COUNCIL NEWS

PGK George Bamber has brought great honor to Commodore Barry Council. Our state deputy, Bro. Leo Flynn, has appointed George a district deputy. This is an honor that has come to Barry Council but a few times in its history. We are all very proud of George and congratulate him. In the name of the council we assure State Deputy Flynn that George will never let him down.

Our new district deputy, George Bamber, has been appointed chairman of the membership committee and will lead a concentrated drive from Oct. 1 to March 1 to get new members and to bring old ones back into the fold.

36TH ANNIVERSARY DANCE

Seldom has there been such concentrated effort to thoroughly do a job and make an affair an outstanding success as has been expended by the various committees on our anniversary dance.

Bro. John Tamburrino reported that he was "glad to say that the ad program has received eleven ads totaling $42.50 already. We also have very many good leads and promises which are very encouraging. J. Shirley Conley leads the field by himself." Keep it up, Jim.

"I have also started a patrons' list," he said, "and hope to enlarge this list greatly at the next meeting. Every member of this council can aid by contacting other members and past 'Barry Boosters' for this patrons' list at $1. I feel sure that all the members will make this program one of the best in Barry history."

This, my friends, is just a sample of the enthusiasm shown for the affair, and this has been going on for several weeks, although the dance is many weeks away. That spirit is what makes anything a success, and we all are determined that this 36th anniversary dance is ONE affair you will remember for many years to come.

GETTING ALONG

Man learns sooner or later that it doesn't matter who gets the credit so long as the business shows a profit

He learns the quickest way to become unpopular is to carry tales and gossip about others.

He learns that even the janitor is human, and that it doesn't do any harm to smile and say "good morning," even if it is raining.

He learns that most of the other fellows are as ambitious as he is, that they have brains that are as good or better, and that hard work, not cleverness, is the secret of success.

He learns to sympathize with the youngsters coming into the business, because he remembers how bewildered he was when he first started out.

After the first week of bowling the boys are looking for the minute rub and snake oil to ease those tired muscles, but after the first few weeks the old soreness will be gone and, slam bang, the pins will be pushed all over the alleys.

John Chase (the lone eagle) was on the job with George Minich, our president, and he saw that everything was arranged in apple-pie order, and from now on the old Barry spirit will be in evidence on all the alleys. We would like to have the members and their friends show up on Thursday nights at 9 o'clock and give the boys a little moral support. From the way the names have been handed in it looks like the 1941-42 bowling season will be one of the best.

As we told you before, the officers of the council are doing everything that is humanly possible to aid the officers of the league, and we might say that our good friend, Grand Knight Barney Cunningham, and who, by the way, was the singles champion in a recent bowling tournament held at the clubhouse, is going to be one of the keglers this year.

Some of the new boys shooting this year are Wm. Mueller, Bob Johnston, John Cella, L. Pricchietta, Chas. Moers, J. Donahue, James Wislon, A. Melone, Phil Cullen and that dark-horse team made up of speed wagon John Wall, heads-up Andy Greeley, Frank ("Yip") Byrnes, Robt. Furlong and Marty Boyle, and while on the subject our good friend John ("Stevens Point") Love has got the alleys at the clubhouse in apple-pie order, ready for the boys to do a little practicing before they go up to the league. So the general outlook for the coming year in bowling is 100 per cent with a swell bunch of boys.

Public Interest in Mt. Vernon House at La Grange Rises Daily

A remarkable interest is being sustained in the Mount Vernon House of 1941 in La Grange Park, by people from all over Chicago and the suburbs area, regardless of religious affiliation. Nearly 5,000 visitors have come each week since July 4. This fact reflects the thought behind the underlying principle as expressed by the pastor of St. Francis Xavier parish, the Reverend William J. O'Brien, D.D., when the project was undertaken by the Catholic men and women of La Grange, that "the Mount Vernon House should be a tribute to the spirit of American homes and families and to the ideals for which our republic stands—the dignity of the individual and the brotherhood of men under God."

The Mount Vernon House of 1941 is a 6-room colonial dwelling with attached garage situated at 345 North Malden Ave., about fourteen miles from Chicago, one block north of Ogden Ave. (U. S. 34). It is about 30 minutes by automobile from almost any part of Chicago by train via the Burlington route to the Stone Ave. station; street cars and buses leave Cermak road and Cicero Ave. at the Western Electric plant at frequent intervals.

The house will be open daily from 10:00 a. m. to 9:00 p. m. until November 28. The total number of visitors will probably reach the 50,000 mark on next Sunday, Sept. 21.

The project will culminate at the Mount Vernon House Festival Party on November 28 at the Paradise Ballroom, Pulaski Road and Washington Blvd.

At St. James 'Chapter Night'

At last week's Chicago Chapter night were the distinguished visitors pictured above.

Seated (left to right) are: Raymond F. Gleason, State Secretary; John McKean, G.K., St. James; Peter J. O'Connell, P.G.K. George Wahl, President, Chicago Chapter.

Second row—Bro. Cunningham, G.K., Father O'Connor Council; William King, Treasurer; Robert DuMais, Secretary; Arthur Donahue, Past President, and Frank Cain, Vice-President of the Chicago Chapter.

Third row—Clarence J. Phillips, chairman of meeting, Trustee Chicago Chapter; Dr. J. Kerrigan, visitor, St. Petersburg (Fla.) Council; Ed. Molyneaux, N.C.C.S.; Patrick Noonan, D.D., and Francis Murphy, Asst. Secretary of the Chicago Chapter.

2-4 Mon.....Hayes Hotel

COLUMBUS DAY BALL

Next item of council interest is the Columbus Day ball at the Palmer House Oct. 11 at $2 per couple. Who wants to go alone—but if you do you'll only be charged a buck.

The HALLOWE'EN HARVEST FESTIVAL AND MASK PARTY is scheduled for Oct. 25, Hotel Hayes, 55c per person and wardrobe free. Dancing in the ballroom, cards in the clubrooms, and prizes on costumes. A king and queen will be crowned.

The COLUMBUS DAY LEO FLYNN INITIATION CLASS will also be coming off soon and the member who brings in a new member will also attend the complimentary dinner.

THE FOURTH DEGREE Club's New Year's eve jamboree will be held in the ballroom of the Hayes Hotel on the last day of this year. I have no further information to render in regards to this party but I know it has been a sellout for the past couple of years.

PAUL SING, chairman of bowling, states that the boys are coming along fine and that there is still time to join one of the teams.

BLABBER MOUTH

Bros. Bill Burke, Bill Loftus and Bryce Bryar have returned from their cottage at Twin Lakes, Wis.—all kinds of stories but no fish for the boys.

Private Arthur Strobel of Scott Field was home to visit his parents last Saturday.

Chairman Chris Davis is still waiting for those late entries for the golf tournament. Give him a call at State 9300, Ext. 289.

Monday night, Sept. 22, the meeting will start at 8:15 SHARP. GK John McKean requests that all officers and committee chairmen be in their chairs at that time.

Membership Chairman Robert E. Lee wants all applications for prospective members turned in next Monday night for the Leo Flynn-Columbus Day class. Why not get out over the week-end and talk to that fellow and sign him up? The quota promised for this class is still short.

The softball team traveled to Kankakee (Ill.) Council and after defeating them was served a luncheon in their clubrooms. It is expected that St. James will reciprocate shortly.

At the holy hour in Soldier Field last Sunday night Bro. John McFadden, PGK, was vice-chairman of the ushers and Bros. Dick O'Rourke and all of the Steffens were ushers.

Brownson Golfers to Play for Title Next Sun.; Rob Roy Club

2-4 Fri.....4754 N. Western Ave.

Our annual communion Sunday and the old-timers' night may see a larger turnout of members, but our annual golf tournament to seek the champion of Brownson Council has become one of the biggest affairs of the year. Athletic Chairman James O'Byrne, who did such a fine job a few weeks ago of handling the ladies' golf outing, is in charge of next Sunday's (Sept. 21) affair to be held at Rob Roy Country Club, Wolf and McDonald Rds., Mt. Prospect Heights, Ill.

The fee of $1.75 covers golf all day, plenty of refreshments and a prize for everyone. The annual match between Lafayette and Brownson will also take place on that day. With a number of our new members being pretty good golfers it will be interesting to see if any of those who already have one leg on the Marshall V. Kearney trophy will be able to repeat. Since this affair is open to all members and their friends a large crowd is expected, so come out early and wind up the golf season in grand style.

CHARITY BALL

While the attendance at our last meeting was very good it is too bad that all our members were not able to hear the fine report of Chairman Thomas V. Casey about the National Catholic Community Service Center now operating at 1122 S. Wabash Ave. as a recreation center for the men serving in the nation's armed forces. PGK Casey outlined all the wonderful features of this center and its aid in maintaining the morale of the country's new citizen army.

The Chicago Chapter-sponsored charity ball, to be held at the Palmer House on Columbus Day eve, Saturday, Oct. 11, is for the furnishing and maintenance of this center. Bro. Casey and his committee of PGK's Kane, Kohler and Bros. Miller, Doody and Baucaro plan to call or write each member during the next few weeks not only to dispose of tickets but to get them to become patrons as well. Patron's tickets are $5 and include two tickets and the listing in the official program. General admission is $1. Our quota is fifteen patrons and seventy general admissions. Let's do twice as much for this very worthy cause.

BOWLING

Next Tuesday evening the curtain will rise on the seventeenth annual opening of our council bowling league. President Wm. Erwin advises that there are still four openings in our eight five-man teams and asked that any brother wishing to join to be on hand next Tuesday at Bro. Al Long's Monte Carlo alleys, 2265 Lincoln Ave., at 9 o'clock. The teams are going to dress up this year to do their bowling as a number of the sponsors are going to furnish bowling shirts.

INCAPACITATED—Bro. Ben Baucaro is in the Edward Hines Hospital with an infected thumb—and it's on his bowling hand, too! Bro. John Corbett has just returned home from the Alexian Brothers Hospital where he took treatment for an infection in his leg. Too bad we didn't know this sooner, John, as some of the brothers would have been up to see you.

Oak Park Bowlers Start Season Next Week on Home Alleys

2-4 Mon. . . . . 641 S. Scoville, Oak Park

Next week the bowling will get under way for what promises to be a really successful season. The games will once more be rolled in the clubhouse, renewing that rivalry that seems to be missing when the outside alleys were used. If you bowl at all, get in touch with John Koehler and he will put you in touch with a team that will welcome you as a member.

There is also time on the alleys for additional bowling, either of members individually or of leagues. This season we should have the clubhouse a regular beehive of activity. You will find the alleys in good condition, the company congenial, and plenty of room for rest and relaxation during and after the game. Whether you bowl or not, come over and get acquainted.

LADIES' CLUB

This Friday the Ladies' Organization will hold their meeting and make arrangements for the coming year. This group is open to the wives, daughters, mothers or sisters of every member and it is hoped that before the close of the year that all of those ladies who are eligible to membership will be on the rolls, and active. The greatest development of the council and its activities will come with a renewed interest in those activities by the women.

Bro. Tom Doane will be back in the village by the time this is on the press. A long trip out to the coast to see his son at San Diego was one worthy of the effort. We hope Tom will tell us about this fine journey at the next meeting.

Next Monday, the 22nd, will be meeting night. If you are not paid for the current quarter and are in a position to do so, won't you please see the Financial Secretary?

The Ladies' Night originally planned for Monday is postponed in deference to the ladies themselves until after their meeting tonight. Our entertainment for Monday's meeting will include refreshments and something to keep your mind off the rising cost of the grocer's bill.

One thing that is important right now is for you and the little lady to reserve the night of Saturday, November 15, for attendance at our "Fall Frolics." We're promised all sorts of dancing, games and entertainment. Make it a date, will you?

FROM PVT. D. J. RYAN

communication was received by J. Ryan, Sr., father of Pvt. D. J. ho volunteered his services in the call for men: "I am writing this as twilight falls over a beautiful but insect-ridden pine forest near Arcadia, La. Just got back from spending the afternoon in Arcadia. Had a shower provided by the U.S.O., nothing fancy, and cold water, but is good to get a bath under running water instead of trying to take a sponge bath out of a cup. I am enjoying it a lot. We haven't done anything since I've been here, but have moved over in a 'blackout' convoy about midnight Friday. It is quite thrilling and like real war. We are in the blue army and wear a piece of blue cloth around our upper arm. It is a swell town and, of course, swamped with soldiers. They have only one show and that is jammed. I went yesterday and today. There is nothing else to do. The U.S.O. is a godsend! They furnish a shavery, showers and a big room to read and write in."

This should be convincing enough that the United Service Organizations are certainly doing their part. Then we should do our part and aid the N.C.C.S. in its work by supporting the Columbus Day observance given for their benefit on Oct. 11.

La Rabida Will Elect New Trustee Tuesday; Also Bowlers' Night

2-4 Tues. . . . . 6236 Princeton Ave.

The next meeting of La Rabida Council will be held on Tuesday evening, September 23, at which time the council will be called upon to elect a new Trustee to succeed Bro. Charles Inman, who resigned that post.

After the regular meeting, which G. K. John Farrell has promised to conclude in as short a time as possible, the gavel will be turned over to Dr. John Latchford, our worthy Lecturer, who will conduct an open meeting, in which the council bowlers will be duly and properly honored. Movies, refreshments and other entertainment has been provided for this occasion and a good time is promised all who are in attendance.

Every member of the council should make an earnest endeavor to be present at this meeting and assist the council in properly honoring the bowlers and to further encourage our worthy Lecturer in the many plans which he has for our entertainment during the coming months.

MRS. KEARNS DIES

Mrs. Ellen Kearns, wife of Bro. James A. Kearns, and well known to the older members of La Rabida Council, passed away at the family residence, 1049 W. Garfield Blvd., Saturday, September 13, a victim of a stroke of paralysis. Many members of the council attended the wake at Kenny's funeral home and the funeral, which was held on Tuesday at Visitation Church. Burial was at Mount Carmel Cemetery.

Mrs. Kearns is survived by her husband, Bro. James A. Kearns, who for many years was clerk of the Municipal Court of Chicago and later City Treasurer. Five children also survive the deceased. Mrs. Kearns was always active in the civic and religious life of the community and her death is a severe shock to her family and the community. May her soul rest in peace.

FOURTH DEGREE

The annual election of officers of the La Rabida Fourths will be held on Tuesday evening, September 23, following the regular council meeting.

All Fourth Degree members should be present on this occasion.

Bro. William Dillon and Miss Irene St. Aubin were united in Holy Matrimony on Saturday, August 23, at St. Benedict's Church, Blue Island, Ill., where Nuptial High Mass was celebrated at 9:30 a. m.

Bro. Dillon is a well known and popular member of our council and the bride is Past Grand Regent of Blue Island Court, Catholic Daughters of America, and at present State Monitor of the Order. The officers and members of La Rabida Council take this opportunity to congratulate and extend their best wishes to the happy couple.

BOWLING

The first games having a bearing on league standing were played last Monday evening at the Legion Bowling Alleys, 76th and Cottage Grove Ave., with the following results:

Dion Quints took 2 out of 3 games from the Has Beens, while Kapples Chicks were likewise taking 2 victories in 3 starters from Coogan's Coconuts. The standings:

	W.	L
Dion Guints	2	1
Kapples Chicks	2	1
Has Beens	1	2
Coogan's Coconuts	1	2

The individual high score of the evening was recorded by Bob Evens, 536; high game of the evening was won by Edward Wodarsoli, 220; High series for the evening went to Dion Quints with 2348 pins; high individual team honors went to Has Beens with 848.

St. Pat's Charity Ball Committee to Aid Ticket Sales

1-3 Tues. . . . . 6 N. Hamlin Ave.

Charity Ball Chairman Bro. Joseph Gentile announces the appointment of the following members to assist him in promoting the sale of Charity Ball tickets: All P. G. Knights and officers of the council, Bros. James Orlando, Jos. De Frank, Roy De Frank, Anthony Orlando, George Altier, Frank Bordegan, Michael Zingarella, Richard Flood and Andrew Corrigan.

Joe asks that all members give him and his committee their fullest cooperation in the promotion of this affair. St. Pat's has received its quota of tickets, and as this is really the event of the year, you cannot afford to miss it. Keep in mind that the Ball is being held in order to promote funds for the maintenance of the N. C. C. S. Service Men's Club at 1122 S. Wabash Ave.

Hundreds of men in service have already availed themselves of its services and are pleasantly surprised at the range of services offered, also fully appreciative. So in order to continue this good work, make your reservations now. Tickets are $1 per person and patron tickets at $5, which includes two tickets of admission and listing in the official program.

CATHOLIC ACTION

Chairman Jos. De Frank reminded us at our last meeting that the time has come for St. Pat's to make its semi-annual Communion. He wishes to announce that all arrangements have been made for the council to receive at 8 o'clock Mass, Sunday, Oct. 19, at St. Patrick's Church, Desplaines at Adams. While on the subject of Catholic Action, your scribe ran across the following paragraph which is most appropriate:

"The primary reason for the failure of Catholics to impress our times is that we do not lead convincing lives. Our daily lives are too similar to the lives of those among whom we live. We will never succeed in convincing our generation of the need of Christianity as the sole solvent of many of our social problems until we become better, more practical Catholics than we are at present, Catholics in more than name and profession."

St. Pat's Bowling League gets under way next Monday night, Sept. 22, at the Madison Kedzie Arcade, 3127 W. Madison St., at 8:30 o'clock. The league will consist of the following teams:

Blue Island Council Prepares for a Busy Day Sunday, Sept. 28

1-3 Tuesday.....Gregory & New St.

The Council is preparing for a big day on Sunday, Sept. 28, when our Quarterly Communion will be held at the 8 o'clock Mass at St. Donatus Church and the golf pow wow at Glen Eagles Golf Club. The day promises to be one long to be remembered. Start the day with Holy Communion and insure its success.

Now that the fall season is with us and the Council again swings into action remember to be a good member, get your dues paid, attend the meetings and get a new member. Fin. Sec. Paul Paetsch urges all to get their dues paid. The organization must have a strong financial account to meet the many demands made upon the treasury. Your prompt payment of your dues will help meet any demand made. To date the Financial Secretary has not heard from very many of the brothers who are in arrears and are aware of their situation. Be a real Knight—pay your dues.

Our last meeting was short and snappy. It was called at 7:30 by Grand Knight Eddie Hansen and after a short business session the meeting was adjourned. The reason for the early adjournment was Ladies Night which was held at the shelter house at the ski slide in Palos Park. A fine turnout, good food and prizes were enjoyed by all. Were you present?

BOWLING got under way last Wednesday night with much maple spilling. The Council has 8 teams and they roll every Wednesday night at Chaykens alleys. Time, 9 o'clock. Be a bowling booster. Get up at the alleys and root for Hickeys team cause they are going to need it.

Deputy Grand Knight Pat Dohrman, chairman of the sick committee, reports no additions to the sick list last week, with the exception of Bro. Dohrman himself. Bro. Pat has been suffering with a bad cold and says he intends to golf it out on the 28th.

Bros. Rack and Juby are at Hines, Father Penesabeau is at Columbus Hospital, while Co-Lecturer Joe Wieland is at St. Francis Hospital. All welcome visitors. A rousing hello to all the lads in camp.

Sherman's Past Grand Knights Will Be Feted at First October Meet

1-3 Tues. . . . 4300 W. North Ave.

The third Tuesday has rolled around again, fellows, and that means meeting night with Bro. Bill King doing the orating on Catholic Action and the Charity Ball. The first meeting in October will be known as "Past Grand Knights' Night." More details later.

Bro. Matt Ellgass, chairman of the Membership Committee, reports some progress in our current drive for members, with six names already inscribed on the membership thermometer. Matt has three more applications to be read off at our meeting Tuesday night. That makes five applications turned in by Bro. Ellgass.

Incidentally, Matt wants to know what happened to the applications the officers promised to turn in this month. It's not too late yet, fellows, so bring them along Tuesday night. At the bowling captains' meeting it developed that we were one bowler short, so Lecturer Veysey held up the meeting while he made a phone call. Net result, one new bowler and one new member whose application will be read off next Tuesday. I wonder how many new applications Bro. Veysey could get if he made personal calls!

AROUND AND ABOUT

Hear that Mike Marine, the former liquid refreshment man and promoter of the Pabst Handicap Bowling tournament, has entered the real estate business. Ray Groh and family, along with Bowling Secretary Frank Lies, left for Three Lakes, Wis., last Saturday in search of the elusive muskelleunge. Keep a tight line, fellows, and bring some back. Remember pictures don't count. Wonder what kind of special business Nunzio Raimondi had that he missed the first night of bowling. Was she blonde or brunette, Nunzio?

BOWLERS' STUFF

By the time you read this, all you bowlers will know what team you are bowling on. I hope you are all satisfied, as the captains worked hard and late last Friday night picking their teams fairly and impartially. There is but 13 pins difference between high and low team. Some of the new bowlers this year are Cyril Chapek, Bill Fetz, Joe Foy, Jim Guangi, Paul Kaleth, Frank Kennedy, Hans Slepicka, Fred Savaglio, John Zoltek and Ralph Vinyard. Ten new men—just enough for captains next year.

Sure was nice to see Wally Turzinski at the alleys Thursday night all dressed up in his new street car uniform. Wally filled in the last game and showed the boys what it was all about. After bowling, some of the boys visited Guangi's Lounge at 4158 W. Chicago avenue and found out that some one beat them there and took all the dough. Hear that Charley Koscal is going to get rid of that green plow ball he has. Hope it works better for Bill Free than it did for Charley.

With deep sympathy and sorrow I report the death of Mrs. Louisa Haug, mother of Bro. Charles and Bro. Anthony Haug. Services were held at St. Francis Xavier Church Monday, Sept. 15. The officers and members of Sherman council extend their sympathy. "Requiescat in Pace."

KETTELER TO ELECT TREASURER MONDAY

2-4 Mon. . . . . 3437 Ogden Ave.

Supreme Knight Matthews has announced the appointment of John P. Bonk as Financial Secretary of Bishop Ketteler Council, effective October 1, 1941. As this will leave the office of Treasurer open, a new Treasurer will be elected at the meeting of Monday, September 22.

Lecturer Tom Bogan has a big old-fashioned surprise party planned for the lighter side of the meeting. Brothers who attend, according to Tom, are in for a very agreeable surprise. Prizes will be distributed to brothers. This meeting will also be used to honor our softball players. This copy has been forwarded before the results of the play-offs have been ascertained, so the record of the team is unavailable at this writing. Nevertheless it is known that the boys will give a good account of themselves as gentlemen and sportsmen as well as players and every brother who can possibly attend the meeting should do so.

MEMBERSHIP DRIVE

On Monday, September 16, the State Deputy held an important meeting of Grand Knights and Chairmen of the Membership Committees of the various councils. Grand Knight Eddie Oakes and P.G.K. Barney Czerwinski, Chairman of the Membership Committee, represented Bishop Ketteler Council. G.K. Oakes is planning to hold a First Degree Nov. 10 so get your candidates lined up.

Many brothers are acquainted with eligible Catholic men who would become brothers with a little urging. If you know of any likely candidate get him an application and turn it in soon. G.K. Oakes would like to have a large class for this exemplification and it can be accomplished if every brother makes a serious attempt to secure at least one application.

DR. M. S. KRUPA, Chairman of the Golf Committee, is very busy these days contacting various golf courses to make arrangements for the fall tournament. Prizes will be distributed according to a very popular handicap system so it doesn't matter whether you shoot seventy or one hundred and seventy when the loot is split. Keep your clubs away from the moth-balls for a while longer and get your friends lined up.

Ed "Dagwood" Plewa has taken the game seriously lately and Fisherman Wenck and Joe Prevendar are exhibiting new clubs. Final arrangements for the tournament will be made soon and full details will appear as soon as possible.

PERSONALS

Father Saunders sends word that he is on maneuvers at Camp Robinson, Little Rock, Ark. He will be stationed there until November 1 when he will return to Camp Forrest.

D.G.K. Ralph Slaski asks that he be notified about any brother who is sick. His telephone number is Grovehill 3381. P.G.K. Frank Weichbrod and his family had an enjoyable trip touring Kentucky. Is the blue grass blue, Frank?

Brother George Gersch celebrated his twenty-fifth wedding anniversary recently. His many friends will be pleased to take this occasion to offer their congratulations. Have you seen the "other guy" lately, George?

Mrs. Regina Tomera, wife of Brother Henry Tomera, presented Henry with a bouncing baby girl at St. Anthony's Hospital recently. According to latest reports Mrs. Tomera, baby, and Henry were doing nicely, but grandpop Frank W. Karolczak (Mrs. Tomera's father) is still in a daze.

Our sympathies are extended to Dr. Sherry on the occasion of the death of his uncle, Mr. Edward Czachorski.

The boys from St. Frances of Rome parish send word that a carnival is in progress until Sept. 21. The boys will be on hand to welcome the brothers who show up at 15th St. and Austin Blvd.

Scribe wishes to substitute an El Ropo for that La Palina, Harold. (The way things are going we'll even settle for a cigar BUTT!—Ed.)

BOWLING

The second week of bowling had its ups and downs and the games were very closely contested throughout the evening. The Wojcik Floor Sanders trimmed the Suerth Morticians in two of the three games. E. Cialkowski led the victors with a 527 series. R. Kaczmarski led the Suerths with a 599 series. The slugging southpaw slaggregation slipped the skids to the Stanek Press in two of the three games. The southpaws (Tomera Range Oils) again were led by Dr. Majcher with a neat 545 series. Ray Suchocki was high for the Pressmen with 543.

The Bilmar Tavern team won the odd game from the Phil Nilles Boosters as Stanley Korbas rolled a mere 641 series. When are you going to get in stride, Stanley? Ray Schaber and George Gersch paced the losers with 517 and 512, respectively.

The Bona Drugs recovered from the first week doldrums by taking two games from the Ziarka Tavern team. E. Wenck (that man's here again) turned in a neat 572 series and Al Bona led his team with 535.

Dr. Peszynski Boosters made a clean sweep of their series with the Fruzyna Morticians. A. March and W. Wisniewski led the Doctors with 493 and 486. H. Novakowski continued to lead the Morticians with a 504 series.

The St. Paul Federals came to life by sweeping the series from the unfortunate Luczak Lawyers. Matt Renn and Dr. Kvasnicka led the Federals with 534 and 522, respectively. R. Martin and V. Moravec were high for the Lawyers with 520 and 500.

After losing the first game the Dr. Krupa Boosters came back to take the next two from the Art Bilt Furniture five. V. Ponic led the dentists with 553 and S. Klaczynski was high for the Art Bilts with a 575 effort.

The Clifton Park Cigars won the odd game from the Gorski Electric team with E. Plewa leading with 544. This series was tied by J. Fultyn of the Gorskis.

The Bishop Ketteler Majors, who had such a successful season last year, begin their competition this year. We wish you the best of luck and may you gain as high honors this year as you did last year, or surpass them.

Manager Joe Prevendar and the softball players would like to express their appreciation to Manager Consoli and the Saint Francis softball players for their arrangement of a practice game that was played last Friday.

Brother Alex Olszewski would like to obtain bids on a three or four-piece orchestra to play in the rathskeller for our dance. Bidees may contact G.K. Eddie Oakes at Major Recreation Alleys.

IN MEMORIAM

Brother William Ebben, charter and honorary member of the council, was called to his eternal reward on Saturday, September 13. Members of the council attended the wake Monday evening and prayed for the repose of his soul. Solemn requiem Mass was celebrated at St. Clara's Church and burial in St. Boniface cemetery. May he rest in peace.

University to Sponsor Fall Family Fun-Fest Sunday, Linne Woods

2-4 Tues. . . . . St. Ignatius Auditorium

University's Fall Family Fun Fest takes place Sunday, September 21, at Linne Woods (Wayside Inn), starting at 11:30 a. m. Automobiles with room for everyone will leave Clark and Devon at 11 o'clock, but if you can't go with the cavalcade, drive out Dempster to Ferris St. in Morton Grove, just west of the C. M. & St. P. tracks.

There will be prizes, dancing, singing, and games for the children. Basket lunches will be provided by yourself, but liquid nourishment for Ma, Pa and the kids will be provided by the committee. And don't forget those softball games to end forever any questions of superiority in the council—the battle of the ancients between teams captained by Jack Donahoe and Ed Jeffers, and the duel between the youngsters captained, respectively by Kane (manager, 1941), and Ryan (manager, 1940). The committee is headed by Martin Clarke Jeffers, and that ought to be suffiicent guaranty for a most successful day. See you Sunday at Wayside Inn!

UNIVERSITY BOWLS

The 1941-42 league season was inaugurated Friday, with a grand opening, a gallery full of beautiful ladies watching their gallant knights, and a crowd of non-athletic members enviously gazing on the prowess of aforesaid gallants. The new Howard Bowl resounded with the crack of ball against pins and cheers filled Howard St. as team after team rolled up scores of spares and strikes.

Eight teams comprise the league, and President and Chief Handicapper Dinny Doyle is exhausted after his labors in setting up the teams in the following order:

Team A: Malone, McEvoy, Walsh, Dasse, Sullivan.

Team B: Mackey, M. Jeffers, Quigley, LeClair, Stanwood.

Team C: Dolan, Westerberg, Bauler, Murphy, Lusk.

Team D: Schmit, Gramse, Murray, Nesbit, Ferriter.

Team E: Rohr, Hayes, McGraw, Messinger, O'Connor.

Team F: Boerschinger, Harrer, Murtaugh, Doyle, Futter.

Team G: Ryan, O'Sullivan, O'Driscoll, Donahoe, Conway.

Team H: Behof, McGuire, Bales, Hanney, Dillon.

Look in this column next week for the names of the sponsors and captains—also scores of the first round, if the efficient secretary gets back from his vacation in time.

MAYSLAKE RETREAT, OCT. 3

The following communication from P. G. K. Rondeau tells the Retreat story better than your correspondent could do it:

"University Council enjoys a very good record of attendance in the past years at the Retreats, thanks to the splendid work of the committees, to the cooperation of the members, the support of the Grand Knights and other officers and the encouragement given by the Spiritual Directors. Let not this year be an exception!

"Retreat Chairman Jack Donahoe and his co-chairman, Jack Curtin, have been doing excellent promotional work during the past year. Father Oliver, our fellow member, takes keen pride in the attendance at the Retreat by our University brothers. He selected our council for his membership, hence we owe to him loyalty to the nth degree.

"Those who could not attend the Retreat in June may do so on Friday, October 3rd. Remember, you arrive at the Retreat House for dinner at 7 p. m. and return to Chicago Monday at 8 a. m. or earlier. The cost is nominal, but the usual offering is $10.00 to cover the cost of eight full meals and three nights' lodging.

"No other engagements should prevent our wholehearted attendance on October 3rd. The opportunity is a most unusual one to spend sixty golden hours in quiet meditation and contemplation and to hearing excellent talks on philosophical subjects by experienced lecturers. Oh, yes, one may bring a non-Catholic!

"Please have those interested do the committee the kindness of making your decision to attend early enough to assist the committee. Confer with any officer, or with Jack Morrissey, Bittersweet 2020 (who is also bringing a delegation from St. Mary of the Lake parish), or the writer (at State 8866), who has been honored with the Retreat chairmanship of District No. 4 of the Holy Name Society, comprising seventeen parishes."

COUNCIL BRIEFS

LAST SATURDAY at 4 p. m. our Outside Guard, Jerome Conway, was made the happiest man on earth when he was united in marriage at Queen of Angels Church to Miss Ann Murray, a sister of Bro. Robert Murray. Congratulations!

LEONARD McGRAW and Mrs. McGraw are rejoicing in the arrival of Mary Louise, who was born on August 23 at St. Francis Hospital, Evanston. Welcome, Mary Louise!

ED WAIBEL'S initial effort as Lecturer proved that he deserves the high praise of being as good at the job as his predecessor, Jack Curtin. Ed showed us some excellent pictures prepared by Chief F. C. McAuliffe of the Chicago Fire Insurance Patrol. In the absence of the chief Ed officiated at the projection machine in a professional manner. As soon as the pictures were over he jumped into his chef's uniform and regaled us with excellent sandwiches and coffee. Keep it up, Ed!

Neri Will Hear E. J. Molyneaux Speak at 'Open House' Tuesday

1-3 Tues. . . . . 7515 Yates Ave.

E. J. Molyneaux, secretary of YMCA camp in France during World War No. 1, will be the guest speaker at the "Open House Night" of St. Philip Neri Council next Tuesday night at Caravel Club, 7515 Yates Ave.

Mr. Molyneaux, who is a District Deputy of Knights of Columbus from Perez Council, will speak on welfare work not only of the last war but of the current conflict. Besides the discourse, another feature will be the showing of sound motion pictures in technicolor of Mexico. Bro. A. J. La Gess, chairman of the "night," said, "This is the first time the pictures will be flashed on the screen. The council is in for a treat."

G. K. William T. O'Neill, commenting on the next meeting, which was postponed from Sept. 16 to allow the council members to attend the Knights of Columbus softball tourney playoffs, stated:

"The committee has presented a splendid program for the members next week and they are to be congratulated. Every member should be present. Then there are the prospective candidates who will be impressed by the attendance of the members and latter's friends, who are also cordially invited. How about some of those old faces appearing on the scene? They have been away for so long that perhaps they give us a new slant on things for the betterment of the council.

The committee members who aided Bro. La Guess are Harold Dalton, Charles Melcher, E. Kevin Glynn, James H. La Velle, W. A. Egan and P. A. Hazard, Jr.

GIVEN APPOINTMENT

Once again a tribute was paid to a council member upon the appointment of Bro. Paul A. Hazard, Jr., as home office agency field assistant for the Home Life Insurance Co. of New York. The new position became effective Sept. 1.

Bro. Hazard, who is 31, has been in the insurance business since 1934, beginning with another company, and became one of its ranking sales leaders. In 1938 he became associated with Home Life, and by the end of the year had qualified for the President's Club, an organization of ranking sales leaders of the company, and was the company's second largest producer.

His production thereafter consistently qualified him for continued membership in the President's Club, and in August, 1941, just a month before his appointment, he was the twelfth ranking leader for the company last year.

Mr. Hazard has engaged in supervisory activity in the Ramsey Agency and qualified for the Chartered Life Underwriter designation in 1940. He has also appeared on programs of local associations of underwriters in Northern Illinois and Michigan, and has addressed managers' and general agents' meetings.

Bro. Edward J. Ryan should be a ... next meeting to tell us of his bowling strikes at the new Lyons pin alleys. Ryan rolled with Judge O'Connell's ... which was one of the 32 teams in ... men's league of the South Shore Country Club. The league had the distinction of opening the alleys, facing all foul lines.

Bro. John J. Quigley will become a benedict tomorrow morning at St. B... Church.

District Deputy assigned to St. ... Neri Council is Guy Macina. The council welcomes him to its midst.

Chicago Honors P. G. K. Phoenix

2-4 Tues. . . . . 64 E. Lake St.

Among the many guests who attended last week's Henry Phoenix Night are those pictured above as Judge Allegretti presented P.G.K. Phoenix with the council's gift, a brilliant Fourth Degree ring. Shown, in addition to Mrs. Phoenix are, l. to r., Father Joseph Phoenix, Charles Schroeder, Henry Lynch, State Deputy Leo M. Flynn and State Secretary Raymond F. Gleason.

Chicago Council No. 182 is honored by our State Deputy in the elevation of our Past Grand Knight Henry L. Phoenix to the office of District Deputy. We congratulate Brother Phoenix and wish him success in his work.

NEXT MEETING

Chicago Council will meet next Tuesday evening, September 23, at the usual place (De Paul University Building, 64 East Lake Street, seventh floor, rear). What is on the program for that night this Scribe cannot say but you might as well come as there will be something in the nature of a surprise.

THE CHAPTER BALL

Do not forget that big date, October 11, when Chicago Chapter has that mammoth Charity Ball in the Palmer House to gather in funds to finance the new service men's center at 1122 South Wabash avenue. Service in the army or navy has yanked many quiet-living young men from home life and started them off on an entirely different mode of living. And while recreation centers are being provided at or near the camps under army auspices, they cannot provide that Catholic atmosphere which the boys of our faith should have.

Our National Catholic Community Service is doing something about it in many of our large cities so the visiting service men won't get into trouble during their visits. In Chicago we have a fine place at 1122 South Wabash avenue —but it takes money to fit it out and more money to operate it. That is what the Charity Ball is for. Chairman Richard C. Murphy is trying to put the idea over to our members—to subscribe for patrons' tickets or at least for a few of the regular tickets which retail at one dollar per person.

Even if you do not care for dancing yourself, wouldn't it be nice to hand out a few of these tickets to likely young men right in your own parish? The boys might not be able to buy these tickets themselves or they might not even think of it. But for a few dollars you can provide a pleasant evening for your young friends.

COUNCIL BRIEFS

We learn that Brother George Moore of 3656 Lakewood avenue has been suffering with an eye ailment which confines him to his home. He would welcome visitors.

Also, Bill Serritella is sounding out his physician about returning to his work.

Mrs. Richard Cole and Mrs. Sam Mercurio graced our Ladies' Night with their charming presence and helped their husbands carry home prizes—useful prizes.

Brother Ed Avent brought news of a new arrival in his family, a delightful little girl who rejoices in the ringside weight of eight pounds.

P.G.K. Matt Ryan talking "coal" to a couple of members. (Maybe we reminded you of your own coal bin—Boulevard 0443 for Matt Ryan.)

INITIATION?

It has been urged several times in this column that if our sponsors would pursue their efforts a little further we would be able to put on a gratifying initiation at our first October meeting. There are enough applicants to make a large class if only these gentlemen could be moved along to the medical examiner. And we could do still better if there were a flock of new applications presented at next Tuesday's meeting.

The first-class salesman, after he obtains the name on the dotted line, keeps in touch with his order until the goods are delivered to the satisfaction of the customer. Your candidate cannot enjoy the privileges of Knighthood until his sponsor has led him right into the Council chamber for his initiation. True, there are many things that can interfere with the completion of this cycle but do not let them get you down.

We are hoping that our sponsors "come through" to provide a material addition to our membership.

SERVICE

The week's mail brought letters from Private Edward V. Mulcrone, Building 1224, Battery C, 8th Battalion, Coast Artillery, at Fort Eustis, Virginia; and from Private John Deutsch, Battery C, 26 CATB, Camp Wallace, Texas. The Scribe hopes to have authentic addresses for Leo Gorski, Jack Bulger and others for next week's column. It wouldn't be a bad idea if you mailed your Columbians to these lads. Keep in touch with them in their movements and keep the Scribe advised. Don't know whether we can keep the Columbian's mailing list up close enough but if we do our own re-mailing there will be a lot of time saved.

Illinois Votes Quiz Program Favorite in Entertainment Lists

1-3 Mon. . . . . 64 East Lake St.

The next meeting of the Council will be Monday, October 6, when we will start the fall schedule of meetings twice each month on the first and third Mondays.

The last meeting (as our friends across the water would say) was carried out according to schedule. Our young lecturer, John Spaulding Robb did himself proud with his quizz program; so much so that he was given a tremendous rising vote of appreciation. All questions of preceding weeks, by the way, were taken from material given in The Columbian; you should have been there. You, too, would join in acclaiming John Spaulding of having come out of short clothes and to be stamped by general acclaim as "having arrived."

CHAPLAIN'S PARISH PARTY

Father Belanger was present. He spoke briefly about his annual homecoming carnival to be held at his Notre Dame Church, 1335 West Harrison St., October 2nd to 5th inclusive. By the way, a chicken dinner will be served Sunday, October 5 from 12 noon to 8 p. m. for 75c. Council members present have already subscribed for thirty dinners.

We know of no one more worthy than our Chaplain to merit the support of the Council on this occasion. Not alone has his attendance been better than fair but he has contributed financially to all of our affairs. Won't you agree that that is something? Let's keep Sunday, October 5 as a date for you and your wife and friends to have dinner at his spacious hall on that occasion. The money is going to help to put a new cornice on the church. Water, we learn, is coming through the walls.

Brother Arthur Donohue has been reappointed as our District Deputy. P.G.K. Charles J. Morgan of Ravenswood Council, chairman of U.S.O. for a group of Councils on the north side, was among those present and gave a very fine dignified and informative talk on the necessity of supporting the work of Catholic Societies in helping to furnish suitable recreation for those men in the armed forces of Uncle Sam. He was followed by our own chairman, John Spaulding Robb.

Let us support the Charity Ball. Your Council has been given so many patron's tickets at $5.00 per and so many regulation Charity Ball tickets at $1.00 each, which permit you to dance, play cards or otherwise hobnob with your council brothers and the ladies on Saturday night, October 11.

COUNCIL ITEMS

The Holy Name Society did itself proud Sunday evening at Soldiers' Field. Our Bishop and his assistants, headed by Executive Secretary Father Kelly, are to be congratulated for a most impressive three hours. Two hundred thousand people! And some of our leaders in the recent past have feared lest the Knights of Columbus of Cook County would not be able to fill one ordinary church on Sunday morning, thus permitting rust to accumulate on the hinges of a fine Order.

Well, things are looking up a bit and we are not speaking frivolously but we note we have eight new District Deputies, some new trustees in the Chicago Chapter, and of course a new State Deputy, a new President of the Chicago Chapter and a new leader of the Fourth Degree.

Some few years ago Illinois Council went on record as favoring two-year terms for certain of the leading state offices. It met with universal acclaim on the street but did not do so well in the convention. The boys appear to be fearful of the danger of doing something new which may anger their friends. We are still convinced that the terms of all leaders in various units of the state should be limited to one year. The district deputies to three years and the State Deputy to one year.

We hope you will believe us when we say we have no ax to grind—none whatever, we are simply trying to think in terms of the welfare of the Knights of Columbus. Year terms especially for the higher key offices in the state would help towards avoiding charges of personal advancement, political criticism and would, we believe in general promote more fully the welfare of the order.

We are prone to complain and of course, in many instances without great cause, but it is the duty of the membership to remove as much as possible causes for complaint by seeking out and promoting strong leadership and by continually freshening and making possible a healthy stream through which the life blood of the Order flows. Again, please understand this is the opinion of your scribe and not necessarily the opinion of Illinois Council.

All right, gentlemen, let us note things in the following order: Dinner at Notre Dame Church, October 5; meeting of Illinois Council, October 6; and Charity Ball, October 11. Let us give all of our newly appointed and elected officials from State Deputy to Outside Guard a maximum of support in all of their endeavors.

Softball Fans See Close Contests at K. C. Finals

Hughes, Defending Champions, Are Eliminated by Leo XIII's "Fighting Irish"

By JOHNNY MINER

Ideal baseball weather greeted the ten Knights of Columbus softball squads as they opened the tenth annual battle for the city K. C. title Monday and Tuesday at Shewbridge Field, 74th and Aberdeen.

On Tuesday night, the eve of the final round which was to get under way at 7:30 Wednesday night, Hughes, last year's champions, De Soto, Lafayette, Madonna, Ketteler and McHale had all been eliminated from a chance at the title and the race had narrowed to the contest between Leo XIII's mighty aggregation, Santa Maria, St. James and St. Cyr.

Result of the Monday and Tuesday playoffs were as follows:

HUGHES, 4—DE SOTO, 2

Hughes, defending champion, played the opening game against De Soto on Monday. A close contest resulted in victory for the former. Two unearned runs for Hughes in the first inning paved the way. Conroy reached first on an error and scored on a double by Garvey, who also tallied on an overthrow. De Soto tied the count by scoring on the successive singles of Shemrocke and Sullivan followed by a two-bagger by Schatz.

Hughes again scored two runs in the fourth on singles by Garvey, Brown and Linskey to provide the winning margin. Conroy twirled a nice game for Hughes, yielding only seven hits. Joe Garvey made several life-saving catches in left field. Schram for De Soto yielded only nine hits but faulty support deprived him of victory.

McHALE, 5—LAFAYETTE, 4

LaFayette lost a thriller to McHale after gathering an early lead on Kowalski's home, a single by Lorenz, and a double by Piecharski to net two runs, another run scored on two errors in the second inning. McHale scored its first run on a homer by Carey in the second, double by Ryan and Usher produced a tally in the third; Carey and Rogers singled and the former scored on a fly. Andrews homered for McHale in the eighth. LaFayette rolled in the ninth on Hart's home run but fell short of McHale's total. Bill Carey's bat was the deciding issue.

ST. CYR, 15—MADONNA, 7

St. Cyr's timely and powerful hitting, coupled with costly errors by the Madonna club, resulted in a lop-sided victory for St. Cyr. Climar, Cannizo and Campesi made three hits apiece to account for the majority of St. Cyr runs. Pat Smith starred for the losers with three hits, one a homer.

SANTA MARIA, 9—KETTELER, 2

For five innings a pitching duel between Shaughnessy of Ketteler and Nico of Santa Maria produced a 2 to 2 tie in the opening match of the Tuesday evening contests. In the sixth Knesovich doubled and scored on a homer by Mirabelli. Four runs were scored in the eighth to put the game on ice for Santa Maria. Henry Nico yielded eight hits to the losers. Mirabelli, Bohling and Lambardi did the heavy slugging for the victors.

LEO, 10—HUGHES, 3

The defending champions from Hughes were eliminated by the "Fighting Irish of Leo" after a gallant struggle in Tuesday's second game. Paced by the hitting of Len Dorywalski, who gathered two doubles and a single and a walk, Leo put together eleven hits to avenge their defeat of last year at the hands of Hughes. Russ Boyle hit a homer for Leo, as did Joe Garvey for Hughes. Six errors contributed to the downfall of the champs.

ST. JAMES, 12—McHALE, 9

John McSweeney opened the scoring Tuesday night for St. James with a home run in the second inning. McHale tied the score in the fourth with a single by Wemple, a double by Weir and an infield out. St. James forged ahead with six runs in the fifth, scored on five hits and an error. St. James rallied once in the sixth, twice in the seventh and twice in the ninth to total 12 runs. McHale rallied by scoring twice in the sixth, thrice in the eighth and twice in the ninth. John Dall and Charley Velk made three hits each for the victors while Wemple and O'Connor made two apiece for the vanquished.

Capacity Enrollment of 543 Students at Loyola Is Greatest in History

The capacity enrollment of 543 at Loyola Academy this year is the greatest number of students ever to attend the north side Jesuit school, the Rev. Ara Walker, S. J., principal, announced today. The total passes by 15 the former record of 528 set last year.

It is not, however, the first time that the academy has been filled to capacity. Almost every year construction changes have been made in order to accommodate a greater number of students. The class totals this year are 154 freshmen, 148 sophomores, 137 juniors and 104 seniors. As a comparison there were 52 seniors ten years ago.

Fr. Walker returned to the academy this summer, where he had taught from 1933 until 1935. After being a member of the faculty of John Carroll University in Cleveland and at St. Mary's College in Kansas, he was assistant principal at the University of Detroit High School prior to coming to Loyola. He replaces the Rev. Hartford Brucker, S. J., who is now pastor of St. Mary's Church in Toledo.

Two other faculty changes have been made in the academy this year. The Rev. Kenneth Shuman, S. J., has come from St. Mary's College to teach sophomore latin and religion. Mr. Gerald Cuny, who has taught at St. Mel's High School in Chicago and Seton Hall in the east, is the new professor of freshman history.

Leo's Enthusiasm Is Strong for Columbus Charity Ball, Oct. 11

1-3 Tues.....820 W. Garfield

District Chairman John Ruberry held one of his most enthusiastic N.C.C.S. meetings Monday, Sept. 8, at Leo Clubhouse. From the enthusiasm shown by the members of Bro. Ruberry's committee the councils in this district should be way out in front in their sale of both patron tickets at $5 per couple and general admission tickets at $1 per person.

Leo Council has pledged itself to take a leading part in the sale of tickets. Brothers, get your party all set now and drop in to the clubhouse and pick up your tickets now.

BLOOD DONORS—The following letter speaks for itself. It was received by Bro. Dr. Miles Gallagher, chairman of Leo Council's blood donor committee:

"Dear Dr. Gallagher: Words cannot express the deep appreciation and gratitude I feel for the wonderful help given me while in the hospital by your donor, Mr. O'Shea.

"You are certainly doing marvelous work in helping people who need it so very much.

"Am sorry I was not able to write before this to thank you for all you did.

(Signed) "Margaret Smith."

Leo's blood donor group is one of the four largest in the order. Bro. Dr. Gallagher would like to have it the largest. If you are not a member, be on hand at the next meeting. Dr. Gallagher will have two technicians to take care of all those interested.

LEO FOURTHS

At the last meeting of Leo Fourths the election of officers took place with the following results:

Sir Knight Thos. J. Higgins, president; Sir Knight Frank Gajwicz, vice-president; Sir Knight John Kelly, secretary-treasurer, and Sir Knight Joseph Winearski, sentinel. Congratulations, Sir Knights.

CONDOLENCE—We regret to learn that Mr. Patrick Wagner, father of PGK Clarence P. Wagner, passed to his eternal reward. To Clarence and family the officers and members of Leo extend their heartfelt sympathy. May his soul rest in peace. A large delegation of members attended the wake.

DUES-R-DUE

Our financial secretary, P. Joseph McNamara, has been informed by the Supreme Office that within the next few weeks a traveling auditor will call on him to audit the council's books. Financial Secretary McNamara says it is imperative that all members in arrears try to have their dues paid by Oct. 1.

SOFTBALL—When you are reading this the fighting Irish of Leo will be the champions of the K. of C. League (I hope) and as such the council will honor the team at the next meeting to be held tonight, Friday, Sept. 19. Brothers, the "fighting Irish of Leo" have represented the council well all season.

Let's all answer GK Breen's request to attend this meeting in large numbers to honor our team. Lecturer John Vaughan will have plenty of refreshments on hand.

De Soto Softball Team Drops Close Contest to Hughes

2-4 Fri. . . . . Clark and Belmont

K. C. Softball fans were treated to a swell hard-fought battle in the opening game of the final playoffs last Monday evening when De Soto was nosed out by Hughes to the tune of 4 to 2.

Hughes drew first blood scoring two unearned runs in the first inning when our boys lost two high flys in the lights. Thereafter Hughes knew they were in a ball game. De Soto came back in the second inning to tie the score on hits by Joe Shemroske, Jim Sullivan and Bill Schatz. Hughes drove their final two runs across the plate on three hits in the fourth inning. Thereafter the game was a nip and tuck affair studded with sparkling defensive play by both teams.

De Soto had men on base on several occasions but were unable to drive them around. Bright spots of the game were the sparkling infield play of Smith and Shemroske at third and short and the fine pitching of Lee Schram. Shemroske led De Soto's hitters with two bingles. The boys gave a good account of themselves, indicating that they would be back for another crack at the title next year.

Score by innings:

	1	2	3	4	5	6	7	8	9	r.	h.	e.
De Soto	0	2	0	0	0	0	0	0	0	2	7	3
Hughes	2	0	0	2	0	0	0	0	*	4	9	2

Among the many De Soto rooters spotted at the game were Bros. Altenhofen, Kondel, Kessler, Braun, Hageman, Ed. Sturshi, Resch, Gus Brieske, Conley, Koloseike, Joe Kalvelage and John Frendreis.

FRANK WOHLLEBER, D.D.

The highlight of our last meeting was the announcement by our G.K. of the recent appointment of Bro. Frank Wohlleber to the office of District Deputy and the appointment of Bro. Joe Merki as a member of the State Athletic Board. Lecturer Irv. Schultz promises to honor these gentlemen at our next meeting with a Wohlleber and Merki night.

After our G.K. disposed of the business Irv. Schultz entertained the members by showing the National League baseball picture, after which he distributed tickets to the softball games.

Among the visitors at this meeting were P.G.K. Charles Morgan of Ravenswood Council, G.K. Barney Cunningham of Barry Council and Bros. Joe McGreal, Pres. of the Softball League, Tom Groark, John Miners and Christ Davis, all of St. James Council.

BLOOD DONORS ATTENTION

Bro. Frank Wohlleber, Chairman of De Soto's Blood Donor Unit, wishes to inform you that in the course of the next few days your Emergency Identification Card showing you to be a member of De Soto Council's Blood Donor Group will be mailed to you. This card shows your type of blood under the three standard forms of typing. The reverse side carries the names, business and residence telephone numbers of the five different persons you can contact should you at any time have occasion to call for a blood donor.

You are requested to carry this card with you at all times, since it can be beneficial to you in many ways. Any hospital will recognize it as showing your type of blood, and in case of an accident it will aid the physician by informing him of the type you are, thereby eliminating a loss of time in typing you.

The card will also identify you as a Catholic, in the event your accident

AMERICAN RELIGIOUS DETAINED IN FRANCE

Washington.—Scores of nuns are among the more than 1,000 American citizens detained in Occupied France by German authorities. For all these American citizens—Sisters included—transportation facilities were made available many months ago, but the Germans refuse to issue exit permits for the Americans to leave the occupied areas.

The religious are members of various communities, and in one group alone 22 nuns are unsuccessfully trying to get back to their motherhouse in the U. S. More than $8,000 in steamship fares was made available in Lisbon for these nuns as early as last April. Corresponding sums are available for the fares of every other group of Sisters. Funds have also been provided to defray the transportation expenses of the nuns from the places where they are detained in France to Lisbon.

Efforts of the Immigration Bureau to aid the nuns have been made even more difficult because it is altogether impossible to communicate with the religious. Neither the office of Bruce M. Mohler, director of the bureau, nor any motherhouse has been able to learn whether money cabled to the occupied zone is delivered.

Many a man's wife dresses stylishly because his creditors can afford it.

should be of a serious nature and services of a priest be necessary.

The council officers and your chair feel that this card is a great help in moting this worthwhile work of Cat Action. Kindly cooperate by carryin with you at all times.

Bro. Wohlleber also informs us during the past week Bros. Phil C loch, J. W. Clemens, Clarence Fle and Chas. Resch answered the call blood donors, each submitting to a b transfusion to help some less fortu person.

MAYSLAKE RETREAT

Bro. Joe Merki, Chairman of the M lake Retreat committee, is engaged good deal of "wishful thinking" t days as he formulates his plans rounding up De Soto's retreat class its annual visit to the "Spiritual Cou Club" at Hinsdale. He has already pointed a committee, consisting of B Vincent L. Braband, Dr. Brahm. Cella, Gus Brieske, Frank P. Kenn Ed. Connell, Jim Kennedy, Roy Kes Dr. Normoyle, Tom Mulcahy, John nelly, Candy Strelow, Harvey Dohm Irv. Schultz. Joe has selected a fine mittee and with each member giving the proper support he should fill house on Oct. 17.

The Retreat begins on Friday eve Oct. 17, and closes on Monday morn Oct. 20, in plenty of time to insure return to your work on time. Pla join the class and we are sure you agree that the time was well spent.

San Salvador Meeting Next Monday to Honor Parish Softball League

2-4 Monday.....24 E. 114th Pl.

Our last meeting on Sept. 22 will be the climax of a very successful season of the Parish Softball league. It behooves every member to be in attendance since the weather has taken a change to the cooler side. There will be a short meeting and then the party will commence with the awarding of the numerous trophies that were so generously donated to the league.

Among the dignitaries who have promised to be in attendance are the following: State Deputy Leo M. Flynn, Judge Bolton, Sheldon Govier, John Fiddelki, Alderman Lindell and others. Let us show them what Catholic Action really means and swell the attendance 100 per cent. Refreshments will be served.

Once more we issue a plea for cooperation in attending the windup dinner of Father Al's carnival at 110th and Homan Ave., next Sunday, Sept. 21. On last Sunday, Sept. 14, over 2,200 dinners were served and Father Al disposed of over 975 lbs. of the bovine quadruped—beef to you fellows. A group of the members have signified their intention of attending the dinner next Sunday. We wish Father Al Rebendeau all the success in the closing of his huge carnival on Sunday, Sept. 21.

P. G. K. Chas. DuBois and others who were in attendance at Soldier Field really witnessed the most magnificent spectacle that was ever seen in Chicago. The huge stadium was jammed to capacity and over 10,000 people were on the outside of the enclosure to lend their efforts toward the prayers for peace.

Father Val of Holy Rosary Slovak Church was seen purchasing over 200 tickets on the I. C. R. R. for his Holy Name members who helped to swell the crowd. St. Nicholas Church had two large chartered busses filled to capacity as did many others in the vicinity. This shows what Catholic Action really means in the community.

DOTS AND DASHES

Here is news we have all been waiting for. The Chicago Police Dept. has recently obtained a splendid specimen of manhood in the personage of the aflable Louis Blocker. Lou said this was one time he beat the Irish to the draw and to forget the fact that Hollanders have big feet. Lots of luck to you, Lou, in your new position.

There is a new brother knight in the household of Dr. Hugh Feeney. The bundle of joy arrived within the last week. Mother is doing fine and "Doc" will be up to the clubhouse to pass out the ropes. By long distance we received the report that our P. G. K. John O. Boyle also has an increase to provide for in the person of a bouncing baby boy. I know Luke O'Boyle is proudly strutting around the household at 112th St and Perry Ave.

Don't forget softball night at our next meeting and Father Al's dinner next Sunday, also our bowling league comprised of twenty teams will swing into action about the first week of October. Tim Griffin and "Buff" Marcolini have successfully handled the details in organizing the Council Parish Bowling League.

How about "Pop" White and delegation among delegations from Pinta, Blue Island, Loyola-Hyde Park and Chicago Heights helping to swell the attendance at softball night, Sept. 22? Cherrio until next week.

It's the little things that separate us from success—not the big ones.

ST. RITA'S PICNIC IS SUNDAY AT 'LOG CABIN'

1-3 Thurs. . . . 6048 S. Fairfield Ave.

If you haven't already done so, call the family into the living room right now and tell them they have a date for this Sunday—the 2034 Club's annual picnic at the Log Cabin, Pioneer Grove at 107th St., just a quarter mile west of Kean Ave.

From all indications, the picnic should be one of the better social events sponsored by St. Rita Council this year. For one paltry dollar per family, you and yours will be treated to a day long to be remembered—a day which includes games, dancing, refreshments and entertainment.

Even the weather man, though he may do his darndest, will be unable to mar the program, for as you undoubtedly noted above, the grove boasts a log cabin which can hold off rain, sleet or snow with the proficiency of a Chicago Bear line.

On hand to keep the ball rolling throughout the day will be John McGowan, president of our Fourth Degree organization, and Connie O'Sullivan, chairman of the picnic. Don't forget, bundle the missus and kids into the old bus Sunday and come out to Pioneer Grove.

OFF THE TEE

We close our summer sport season with our final golf tournament Sunday, Sept. 28, at Kinsman's Country Club. If you had planned on putting away your sticks for the year, we suggest you hold off for a bit and take a shot at the valuable prizes Chairman of Athletics Bruno Fracassi has secured for St. Rita's 1941 golf finale. And even if you don't win a prize, you are sure of a good time. Ask any of the brothers who have taken part in previous tournaments.

More than fifteen hundred knights and their ladies are expected to attend the Chicago Chapter Columbus Day Ball, to be held at the Palmer House Oct. 11 for the benefit of the new service men's club at 1122 S. Wabash Ave..

Bros. Connie O'Sullivan and Art Manfredi, co-chairmen, have been representing our council in arrangements being made for the gala affair. Tickets at $1 per person may be procured from them or any officer. G. K. Ted Lee has arranged for private quarters for our council in the hotel, where members may gather for a little private celebrating.

Both the Grand Ballroom and the Exposition Hall, the two largest halls in the Palmer House, will be used to carry off the evening's program, which will include dancing, entertainment, cards and bingo. P. G. K. Charlie Nash has been appointed one of the district leaders for the celebration, and speaking of Charlie, he was the guest of honor at our regular meeting last night. More about that in next week's column.

STRIKES TO "SPARE"

Well, the bowling season got underway last Friday with some of the boys rolling in midseason form. Sharf's Undertakers, the Kucharski Brothers, and Stoeller's Grocery all wielded the whitewash brush, but don't get excited, things will get a little tougher when the handicaps get piled on in two weeks. Ask the Sullivan Morticians. They rolled a 941 total in the first game of the night. Ouch! Come up tonight and watch the fun.

Last week's scores:

Manor Radio won 2 games from the Doctors. Frank Scalise 616 with a 232 game, and Dr. Jun 556 for the Radios. Dr. Hoffman 514 and Dr. Kehl 505 for the Doctors.

Sharf's Undertakers won 3 games from the old Tourist Motors. Ted Lee 610 and Fred Bauer 513 for Sharfs. Connelly 514 and Joe Goyer 509 for the Motors.

Sullivan Morticians won 2 games from J. Bernoski team. Ray Sullivan 553 and Gaynor 539 for Sullivans. G. Mauge 507 and J. Bernoski 446 for his team.

Kucharski Bros. won 3 games from Small's Reiner Coals. C. Kucharski 509 and J. O'Brien 501 for the Kucharskis. Charley Lehnert was high for Reiners with 486.

Colony Inn, a new cub team, won 2 games from No. 11 Francis Nash team. Laddie Kiaurakis had 606. R. Perell 503 and Pete Johnen, the sponsor, 440 for the Inn. John McGowan 593 with a 222 game, and C. Nash 581 for the losers.

Fleming Relators won 2 games from Egan Undertakers. F. Sommers 527, and Wm. Fleming helped along with 381 for his team. H. Kurent 548 and John Egan 487 for his team.

Stoeller's Grocery put the skids under the Kelly & Flynn Florists. Lehner 585, Stoeller 580 and Zgama 500 for Stoellers. Ray Bernoski 532, J. Philbin 597, and J. Kelly 308 for his crew. "Picus" Quinn also rolled.

Newman Invited to Join in "One Day Retreat" Sun.

1-3 Thurs. . . . . St. Mary's Hall Evanston

An opportunity knocks. All of the brothers who have not been able to attend any of the week-end retreats will have an opportunity to make an abbreviated retreat on Sunday, Sept. 21. The occasion is to be called the "Day of Recollection." The location is the "Villa Redeemer" at Milwaukee avenue and Lake avenue in Glenview.

Father Waters has charge of the ceremonies and has invited all the brothers through Bones Nellessen to attend. Mass will be celebrated at 9 o'clock. Those receiving communion will receive breakfast immediately after Mass. After breakfast everyone will be shown through the grounds. A dinner will be served at noon, after which the new Stations of the Cross which have recently been completed will be dedicated.

If you are interested and desire more details call Bro. B. Nellessen, Univ. 1029. Don't forget the date, Sunday, Sept. 21.

BOWLING BEGINS

Bowling got away to an inspiring start last Tuesday. All the old-timers and a lot of new-timers were to be seen Practice games were not too hot and not too cold which should indicate that our boys are in pretty good shape after a summer of outdoor activities. Conspicuous by his absence was Brother Joe Giannini, but I am told he will be on hand next week.

Also conspicuous by his absence was Brother Ray Buellesbach. He is going to bowl with a league from "Erla" radio which happens to bowl on the same night.

A meeting was held Monday night to formulate plans for our boxing show. Committees, etc., have been named and don't fail to be there when you are called to lend a hand. This year's show should be better than last years which was as fine a boxing show as I've ever seen. Let's all pull together and put it over.

CONGRATULATIONS

Brother Gene Amidon is a proud papa. A baby girl born Sunday morning, Sept. 14. Everyone is reported doing nicely except the new Grandpa John Wiltjer. Reports say he is taking a course in baby care and safety-pinning.

Harold Nilles is away on a week's tour of the north. Of course he is stopping to play golf—First stop, Oshkosh for golf; second stop, Manitowoc for golf with our friend Bob Pihl, who is pro at Manitowoc Country Club. I haven't heard of the next stops in his itinerary but I'll lay odds that they all will include a game of golf.

Tom Sullivan is attending a convention of P. O. employees at Indianapolis. He is accompanied by his aunt who probably went to see that he didn't duplicate his performance at Indianapolis last Spring during national bowling tournament.

Extra, extra, Singer sewing machine man now bowling with Newman. Yes, sir, it's Georgie "Hemstitch" Ritzo from now on. If any of you brothers would like to keep some of the other brothers quiet, see George for patented lip-stitcher. No, I didn't say a word about you, "Louie Bisson."

All for now, don't forget meeting Thursday, Sept. 18.

HUGHES TOPS DE SOTO IN SOFTBALL OPENER

1-3 Tuesday.....4711 W. Madison St.

Monday evening in the opening game of the championship softball finals, Hughes Council's team, in its initial appearance to defend the city-wide crown gained last season, turned back a formidable DeSoto team by a score of 4 to 2.

It was a superb contest. Hughes jumped into a two-run lead, DeSoto pulling up to a tie an inning later, but when Hughes dented the plate twice more, Conroy tightened his twirling and with some fine defensive work the boys won the opener for Delegate Chick O'Malley and Mgr. Frank Linskey.

Hughes was scheduled to meet Leo Council in the second game of Tuesday's card, but the deadline for this column was too early to give you the results of this clash between last season's finalists.

Against DeSoto, Conroy pitched a heady game with Linskey directing play from behind the plate. Garvey sparkled afield, at bat and on the paths. Bob Bergeron out in right field made a sensational catch of a drive labeled extra bases and late in the game caught a foul fly after a long, hard run. His brother, Roy Bergeron, at third, snared a vicious line drive in smart style, to start a double play which nipped a budding DeSoto rally. Dan Brown led the attack with three hits, Hughes accumulating nine bingles to DeSoto's eight. Harold Enright at second base performed brilliantly, drawing vigorous applause with a spectacular catch going away from the infield toward right field.

KELLY WINS GOLF CROWN

Bro. John S. Kelly, stalwart son of our still lamented P. G. K. and D. D. Peter M. Kelly, gained his second leg on the Memorial Trophy, originally placed in competition by his beloved Dad, in a dramatic three-hole playoff with Frank Linskey. It was a stirring climax to Hughes Council's championship tournament, held at Westgate Valley last Sunday.

It was clear and bright, the sun shone gloriously, and there was a fine outpouring for the final golf tourney of the season a splendid success for Chairman Tom McDonnell and his able committee.

John Kelly, among the early finishers, posted a 76, one stroke under his brother Peter, Jr., and later in the afternoon Bro. Frank Linskey came through to tie John. Chairman McDonnell and the two deadlocked players went into a huddle, and rather than an 18-hole playoff at a later date, agreed to a three-hole contest to settle the issue. Both had previously won a leg on the trophy, Bro. Linskey two years ago and John Kelly last year. A sizable gallery turned out for the final three holes. Both are very popular players, both members had the full support of the large crowd for it was a case where a victory by either would be warmly applauded.

Linskey gained an advantage of a stroke when he fired a birdie four on the long first hole against John's five. They halved the second and after Linskey had hit a tremendous shot into the wind on the third hole, a slight overspin causing the ball to wind up pin high but to the left of the green, John Kelly looked the situation over carefully and hit a wood that covered the flag all the way, coming to rest only 18 feet from the pin. Linskey was careful with his approach, got on nicely, then missed a tricky down hill putt, with John getting down to win. The two boys had put on a good show for the big gallery and everybody was happy.

ONE OF THE BEST

In the "Hats Off" department, we offer Chairman McDonnell, who gave Hughes three highly successful golf tournaments this season, topped by the brilliant finals at Westgate. With nearly 100 golfers and an equal number sitting down to a delicious corned beef and cabbage dinner in the evening, the Golf committee can well be proud of its showing. The success of the tournament is easily explained in the statement—Everybody got a prize!

It would be swell if space permitted to name everybody in attendance, but with a softball game also to report, this obviously cannot be, though Hughes was honored once again with the presence of our able State Deputy, accompanied by the ever gracious Mrs. Flynn. P. G. K. and D. D. John H. McKeown made the presentation of the trophy to John Kelly, just as he had done a year ago, and the response by young John was certainly worthy of the best traditions of his noble father. G. K. George N. Daly opened the proceedings, Chairman McDonnell followed, and after Toastmaster Art Kreutzer had called on a few of the dignitaries, the distribution of awards was begun. Ed (Midge) Gorman, recently elected president of the Council bowling league, gave his inimitable characterization of "Da Feuhrer" and all in all it was one of the best tournaments ever sponsored by Hughes Council.

There were more than enough compliments for Chairman McDonnell and his committee, which embraced P. G. K. Harold F. Enright, P. G. K. Patrick J. Barrett, P. G. K. Elmer J. O'Brien, Joseph Postilion, Louis Lepore, Frank Kamper, et al. A word of thanks to the generous donors of prizes, who contributed so vitally to the success of the meet. Perhaps next week additional tournament details can be given.

COUNCIL NEWS

Note that Bro. Roger Shanahan, chief of the park police, celebrated his 26th anniversary on the force, due recognition being given in an item in the Chicago Trib on Sept. 9. Our congratulations are added.

Sincere condolences are extended on the passing of the mother of Past Lecturer Joe Ryan. She had been seriously ill for several months. A large delegation of members attended the wake on last Monday. Mrs. Catherine Ryan, nee Smith, was the wife of the late Thomas A. Ryan, mother of Joseph, James and Sister Mary Rosaleen, O.S.M. The funeral took place Tuesday morning from the chapel, 2346 W. Madison St., to Our Lady of Sorrows Church. Interment, Calvary. May her soul rest in peace.

Mrs. Emily Jezek, sister of Bro. Kruntorad, passed away a week ago Monday. Deepest sympathy of the membership is extended to the bereaved family and relatives.

Tom Grant, owner of Cascade Alleys, is a new member of Hughes. A warm welcome is extended. Incidentally, Commissioner Nick Mulroe announces that the Council league gets under way at 7 p. m. on Friday, Sept. 26, at Cascade, and every member who desires to bowl this season is urged to be on hand at 6:30 p. m. next Friday and the league officials will see that each is properly placed on a team.

Frank DePaul is another new member of Hughes.

Bro. Frank Garant, Classic league bowler, is a new member on Hughes' major bowling team. P. G. K. Elmer J. O'Brien has high hopes for the majors to regain the West Division K. of C. league crown.

Degrees will be exemplified the first meeting in October. Sign up that prospective member now.

G. K. Daly, acceding to the request of P. G. K. O'Brien to be relieved of chairmanship of Charity Ball, owing to his manifold duties as district chairman of USO, appointed P. G. K. Dr. Louis Postilion to this important place. To assist Dr. Postilion, a general committee has been named, embracing all P. G. K.'s, present officers, and various members, notably Joe Ryan, Frank Kamper, John Kelly, Thad Dietz, Tom McDonnell, et al. Patron tickets for the Charity Ball are $5.00.

Hen.-Shields Bowlers Take to the Woods at Cascade Tuesday Nite

On next Tuesday evening, Sept. 23, at 9 p. m., Hennepin-Shields Council bowling league will swing into action with eight teams competing for championship honors at the Cascade Bowling Alleys at Hamlin Ave. and Madison St.

With the teams balanced as evenly as possible, the prospects for a close race for the championship are many and all indications at present point to a highly successful season.

Our team in the West Side K. C. league begins its struggle for honors tonight with high hopes, aspirations and new shirts. Like the Greeks of old, they have promised to return with their shirts or else!

LADIES ARE INVITED

Our ladies are invited next Wednesday evening to attend the party which has been arranged by Lecturer Bill Phalen for their amusement and enjoyment. Lecturer Phalen is overlooking no detail that will add to the pleasure of the occasion, so we have no hesitancy in saying that every one who attends will enjoy a very entertaining evening.

We will expect you fellows to bring the girls along next Wednesday evening and you girls just come right out and tell that fellow who tickles your fancy that your just gotta go.

THAT EXCEPTIONAL super deluxe golf party sponsored by Tom Hosty at the Butterfield Country Club is also scheduled for next week on Thursday, Sept. 25. Members are invited to join the golfing at Butterfield by notifying Tom Hosty at State 2400 or Tom Butler at Franklin 6800. The tariff for the day's play, which includes all expenses, is $6.00.

THE SOUNDING BOARD

Some sixty or so members were present at bowlers' night at the last meeting, and enjoyed the bowling and fishing movies brought by Lecturer Phalen. Bowling and fishing go well together, both sports involving individual skill and patience. Lunch and refreshments were served following the pictures. An unexpected delicacy which was enthusiastically received was the dish of delicious Italian dry sausages with sweet peppers cooked by Mrs. Frank Sauer and brought along by the Doctor. Thanks a lot, folks, they were hot stuff.

Among the old timers and should be live-wires were noticed Bill Gibbons, Frank Nichols, Ed Walsh, Raoul Gravell, Phil (Hap) Murphy, Roy Winterhalter, Pete Murphy, Frank Vickery, Harry Quinn, Al O'Donnell, Joe Griffin, Roy Murray, Frank Gould, John Hanrahan, Felix Kroll, A. Lifka, Phil McNamara, Ray Foley, John Donnelly, John O'Brien, Jim Shields and Johnny Mokate. Johnny Mokate and Jeremiah Crowley have not been frequent visitors lately, through no fault of their own, however, and we shall be glad to see them any time they manage to make the trip.

James M. Costello, brother and uncle of Charles, Senior and Junior, respectively, underwent an operation at Mayo Bros. Hospital, Sept. 8, and last reports were that his condition was favorable toward a slow but steady recovery. Hospital confinement for several more weeks will be necessary.

Mrs. Roy Cummins, wife of our G. K., underwent an operation at St. Anne's Hospital, Sept. 5. Condition good. Miss Monica Orth, daughter of P. G. K. Bill Orth, was operated on Sept. 13 at Grant Hospital, and she also is reported recovering nicely. Our sincere wishes for early recovery of health for our sick folks.

Walter C. Frey lost a ten dollar bill at the last meeting. We will all be glad to help you hunt for it at the next meeting, if you care to enlist our services. Commission—ten per cent.

Joe Nolan is now working for the Santa Fe Ry. at Topeka, Kas.

Tom Butler and Joe Hannon are new members of the St. Ignatius Fathers Club, joining Joe Murphy and Joe Gladstone in this select circle.

John McNeill, the Cicero Ave. mortician, dropped in for a few minutes' visit and gabble about old times. Jim Woodward, the new bridegroom, also showed up at the meeting, shining and glowing with pleasure. That is starting out right, Jim. G-BYE.

St. Paul's Golfers Hold Last Outing of Year Tomorrow

1-3 Tues. . . . . 6713 Olmsted Ave.

The next important event to make the annals of St. Paul of the Cross history is the fall golf tournament scheduled for tomorrow (Saturday), Sept. 20. There will be a change of scenery for this outing in that it will be held at Rob Roy Country Club, which can be reached by traveling west from any point to Wolf Rd., thence north to MacDonald Rd., thence west again to the grounds. It is hoped that there will be a large turnout and we think that there will be, as the plans being made are an assurance of a splendid time.

The time is upon us, so plan to join with your brothers in a day of fun and frolics at Rob Roy Country Club. The committee, headed by P. G. K. Henry Blim as chairman, have worked industriously to provide a day of entertainment for you and they should be rewarded in their efforts by a large and appreciative aggregation of members and friends.

LADIES' NIGHT

The first October meeting will be given over to "Ladies' Night. Those of you who will have attended the meeting last Tuesday will need no urging to be on deck with your frau or lady friend, for you will know that your Lecturer, Joe McDowell, spares no effort to make the meetings and the social affairs well worth your while. Joe McDowell, apparently, believes in the element of surprise as the best method of appeal, sensing that the satisfaction of your curiosity has greater pulling power. Therefore he leaves us to conjecture as to just what his plans are. However, we think that we understand Joe fairly well and have confidently known that whatever his program is, it will prove to be both interesting and entertaining. We will try to eke out some of his ideas for the meeting night of October 7 and pass them along in next week's column.

Members' attention is directed to the front page articles bearing on the Charity Ball scheduled for the evening of Oct. 11th at the Palmer House, the proceeds of which will be used for maintenance of the N.C.C.S. Center established in this community by the K. of C. as part of its contribution under the U.S.O. program. This Center will afford Catholic men in service visiting Chicago an opportunity to secure their entertainment under Christian influence, which is an important matter these days.

Our council has always supported the Chicago Chapter Columbus Day affairs and we confidently feel that this year the support will be no less than in former years. At the same time you will have an opportunity to spend an enjoyable evening under elegant circumstances. Mark the date on your calendar.

Nazareth Points Out Important Reasons for Meeting Attendance

2-4 Tues. . . . 17 W. Harris, La Grange

Again we bring up the matter of attendance at meetings. We don't like to harp on one subject too much unless the subject is one which warrants it. The matter of attending meetings is one of those. Let's look at it sensibly now. Isn't this your council? Isn't it your money which is helping to pay the costs of operating the council? You must say yes to both of those queries. In other words, you have a stake in the organization both fraternally and financially.

If you had money invested in a business organization you wouldn't be satisfied to sit back and let somebody else spend it for you, would you? Of course, you would not. You would certainly demand that you have some voice in the operation of the business. That being true, then does it not naturally follow that you should be equally insistent that you be given a voice in the government of your council? You pay the dues, or in other words, you invest your money in the council, then why not attend the meetings and take part in what is going on? For heaven's sake, don't sit back and let the other members run the council for you.

You may consider the foregoing as hitting right from the shoulder. Well, that's the way it is intended, and you can take it or leave it.

Now as to our next meeting. The council has expressed a desire to furnish missals to our brothers who are now in the service. This is a worthwhile project, something which can be classed as Catholic Action. It should, therefore, get the support of everyone. That support will be given without question, but there is the item of expense again. Those things cost money and it will be necessary that a vote be taken to expend that amount. Please be there to express your desires. At this meeting also we will give away two tickets to the big Columbus Day dance sponsored by the Chicago Chapter. This dance is to be a gala affair, one you should not miss if you enjoy dancing. The proceeds are to be used for the benefit of the National Catholic Community Service.

COUNCIL NEWS

We have mentioned before the strides made by that up and coming parish of Holy Trinity in Westmont. On Oct. 5 another milestone in its history will be passed. On that day the new church will be dedicated. We should endeavor to be present at these ceremonies as an encouragement to these new parishioners.

OUR MEMBERSHIP COMMITTEE is warming up to its work under the leadership of D. G. K. Kriz. We hear rumors of ten or twelve prospects ready for the dotted line. Let's hope it is something more than rumor. The Chicago area is going in for membership in a big way during the coming year. Nazareth must do its part. Up and at 'em, men.

This membership problem was one thoroughly discussed at a recent meeting of Grand Knights of this district. Your scribe was present at this meeting at the invitation of your Grand Knight, and we gather that the problem of membership is one that will be completely solved by the end of the fiscal year. The reports from all councils were very encouraging. Incidentally, if a certain editor who was also present at this meeting must smoke those big perfectos he should carry his own matches and not be borrowing from a poor scribe.

LAST WEEK we made a plea that anyone knowing of a house to rent please notify our lecturer, who was about to be dispossessed. Well, it beats all just what power is exerted by this otherwise insignificant column. Immediately after publication we received word that Bro. Lester had succeeded in leasing a very satisfactory home in Downers Grove. So we will not be short a good lecturer as we had feared. The scribe should collect a commission on that deal. (Where do we cut in on this, Mr. Powers? We ought to at least rate that pie you've mentioned. —Ed.)

WE REGRET to report that Bro. Jack Warner's condition is still far from satisfactory. His illness does not seem to respond to treatment. This is the report brought back by G. K. Francis and Fin. Secy. Polivka, who recently paid him a visit. Bro. Verhalen is also reported sick. Hope this is nothing serious.

WE UNDERSTAND that the bowlers got under way last Monday night but we have no report as to scores or other items to give you. Hope that this year we can have this information in a more satisfactory manner for you.

Ye scribe's brother, who is Past Commander of his Legion post in his home town in Ohio, blew in on us last Saturday with his wife on their way to the convention at Milwaukee. When they left for Milwaukee last Sunday they took Mrs. Scribe along with them, so here we are "Batching" it. Jeepers! What a life. Could use an expert dishwasher or else we will have to take the rest of the meals in a restaurant.

Ouilmette Will Hold Minstrel Auditions at Monday's Meet

2-4 Mon. . . . . 1215 Wilmette Ave.

Notice to all Past Grand Knights: Please be present at the meeting next Monday night at 8 o'clock, as you have been nominated in a body as the minstrel show committee. There will be a short business meeting followed by auditions and basic organization work and we will need a little help from everyone. As previously announced, all members and their families are invited to participate. The more there are, the merrier.

Grand Knight George E. White wants to see Bro. Tom Clark and a large delegation from Highland Park present at our next meeting.

Undoubtedly we will hear more about the Charity Ball as we have been informed that P. G. K. Peter Thalman has been appointed chairman for Lake Forest, University, Marquette, Columbus and Ouilmette Councils. To date, there have been more applications for patron tickets than originally anticipated. All of which is very encouraging to Bro. Thalman and a fine reflection on the council. Patron tickets are $5.00 and individual tickets are $1.00.

More info on Old Timers' Night. The date is Oct. 3. We are expecting you, Bro. Kirchberg, and heartily welcome and invite all the older members. As an added inducement, Lecturer Geo. Steiner has promised to extend himself that night, and in addition we are pleased to state that Bros. Phil Nilles and Ray Gleason, plus his bowling team, have promised to be present. Since our major bowling team will not bowl that night, we will expect them to attend also and possibly give us some views on their expectations for this coming season.

D. G. K. Nic Miller, chairman of the membership committee, is out to make this a banner year for the newcomers and reminds all the brothers of the new low initiation fee, which should help quite a bit during the coming drive. Let's give our chairman a hand and get our friends interested in our activities. Why not start out by asking them to participate in our minstrel show?

P. G. K. Anthony Ludovice and Bro. John Ludovice have recently returned from their piscatorial pursuits and report that the bottle fishing was excellent (whatever that is).

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

St. Cyr Hoping for Victory in Softball Tourney

1-3 Mon.....1609 N. Halsted St.

It is too early at this writing to announce the winner of the Knights of Columbus softball championship, however St. Cyr is right in there on top, and Vic Priola, St. Cyr's hard-working manager, is confident of ultimate victory. The only game which your scribe can report on at present is the first game in the championship tournament, in which our boys were victors over Madonna by the astounding score of 15-7. This game was played last Monday night, at which time the council was holding its regular meeting.

The meeting was disposed of in a hurried manner, and all of the brother knights treked out to Shrewbridge Field, where a real softball match was witnessed, with our boys giving everything they had. But let us not mince words, rather, let us keep our fingers crossed and once again put St. Cyr Council on the map as champions in the field of sports. A complete report will be given in the next issue of The Columbian.

BOWLING SEASON OPENS

Once again the Monte Carol alleys resound with the war whoops of 80 eager St. Cyr bowlers. Promptly at the hour of 9 p. m., a week ago Wednesday, St. Cyr was off on its sixth annual bowling tournament, a tournament which will undoubtedly prove to be one of the finest in the annals of St. Cyr history.

The celebrity of the evening was a man who is well known to all baseball fans in the country, but particularly well known to men of St. Cyr Council by virtue of the fact that he was raised right in our midst. Phil Cavaretta, host of the evening, threw the first ball and with that set the pace to be followed by the bowlers for the coming year. Brother of one of our own bowlers, Mike Cavaretta, we deemed it a privilege to have Phil with us on opening night and wish to thank him for coming down to see us.

At the last session Dr. A. J. Lendino's team, a newcomer into the St. Cyr Bowling League, swept the series by a three-game victory over veteran Lucania Morticians. The individual high single game was taken by Anthony Ortolano with a high game of 238, followed by Joe Geraci with a 220 and Emory (Bond Clothes) with a 212. The individual high three-game series was taken by Anthony Ortolano with a 585, with Joe (Little Napoleon) Barsano rolling a series of 562 and Vic (Vishe) Rizzo rolling a handsome series of 549 to take third place.

The Strano Printers, last year's pennant contenders, rolled a high game of 899, with Joe Zeno's Mohawk Cartagers rolling an 879 and Emory Fonte's Bond Clothes rolling a neat 858. Dr. Lendino's boys rolled a high three-game series with a total of 2,386, Joe Zeno's boys a 2,353 and the Stranos a 2,352.

Some terrific averages were piled up last Wednesday. Take this fellow Anthony Ortolano. We don't know what came over him. A consistently good bowler, Tony piled up an average for the evening which would well-nigh make him eligible for the majors. He wound up the evening with 195, followed by Joe Barsano with 187, Vic Rizzo 183, Carl Cascio 178, Peter Anzelmo 176, Frank (Skelly) Angelo 176, Emory Fonte 175, Joe Geraci 173, Frank Paris 171, Henry Maggio 168, David Falzone 168, Charley Miccuci 167, Cosmo Coniglio 166, Mike Cavaretta 165 and Frank Costa 165. Following are the standings:

Team	W	L	Team	W	L
A. J. Lendino	3	0	Mohawk Cart	1	2
Bond Clothes	2	1	Strano Printers	1	2
Cheer Up	2	1	Racine Fuel	1	2
Erie Clothing	2	1	Archer Glass	1	2
DeCola-Maruca	2	1	Rubinelli Flor	1	2

CYRIOUSLY SPEAKING

Your scribe and Mike Panno wish to thank the members of St. Cyr Council for attending the wake of the late Marie Manno, grandmother and aunt respectively. A grand old woman, past her 85th birthday, she rests today in the arms of her Saviour. May her soul rest in peace.

The K. of C. Charity Ball will be held on Oct. 11 in the grand ballroom of the Palmer House. Bro. Frank Lopes, St. Cyr chairman, is asking the support of every loyal St. Cyr man. Proceeds will be used to outfit the Wabash Ave. building for soldiers, sailors and marines who visit our city. Tickets are selling for $1 and a patron listing for $5. Do your share for this worthy cause.

Feehan's Old Timers Will Receive Special Honors Next Tuesday

2-4 Tues. . . . . Hamlin & Madison

Tuesday's meeting has been set aside as "Old-Timers' Night." This is an annual Feehan feature at which we pay tribute to the "founding fathers" of the council for their spade work in the days gone by, and when a special effort is made to get them together at one particular meeting. An additional incentive this year, and one which calls for the presence of the entire membership, is the bestowal of the honorary degree upon Bros. Herman Becker, Dr. E. M. Holmes, William V. Malley and John Reidy, and of the degree of life honorary member upon Bros. John J. O'Connor, John J. Coyle and Dr. S. E. Donlon.

To be eligible for the former degree, a member must have been in the order for 25 years and must have attained the age of 65 years; for the latter degree, along with 25 years membership in the order, the candidate must have reached 75 years of age. In other words, each of these men has been with us for a minimum of a quarter of a century and so is entitled to our respect and honor. In anticipation of an extraordinary crowd, the meeting will not be held in our regular chamber, but in a larger room. The usual refreshments will be in order.

BOWLING

The council bowling league got off with something of a bang last Thursday night. The attendance was good—the bowling not so good. Few high games were registered, proving that the boys aren't quite warmed up. Only one team, the N. Preib Cleaners, swept its series, taking first place all to themselves. Winners of two games were the following five teams: Ed Kaindl Boosters, Judge Hackett's Pioneers, J. J. Collins Sons, Malee's Fighting Irish, and the Lemon King Senators. The Harmon Electrics, Harold Crotty Boosters, Pat Quinn's Inn and Teams Nos. 5 and 7 (did you say you wanted to sponsor a team?) won one and lost two. Hanley's Tavern decided to get used to the cellar early by dropping all three. This team is comprised of Turk Fogarty, Jimmy Collins, John (Short legs) Riley, Len McSteen, Ed Morrissey and such has-beens.

The team high game was rolled by J. J. Collins' Sons, 852. Malees were second, 831, and Quinns third, 811. The individual high game and the only 200 game of the evening went to Barney Miller, 208. High average, Frank Wheeler, 185; John Nolan, 184; Barney Miller, 180. While only one man was getting over 200, it is notable that no fewer than four managed to get under 100. This not so exclusive club consists of Augie Tamburrino, 84; Walter Kirase, 85; Harold LaVoy, 98, and Harold Julius, 92.

COLUMBUS DAY BALL

Columbian readers should be familiar with the benefit ball being staged by the Chicago Chapter on October 11, at the Palmer House. The N.C.C.S. Service Men's Club, 1122 S. Wabash, is to receive the profits of this affair. The price of admission is $1.00 per person, and there will be dancing and various games. This is a very worthy cause and deserving of the support of every knight in the Chicago district. Preparations are being made to accommodate upwards of 1500 persons, so don't be afraid of getting shut out. Incidentally, the council has purchased a number of tickets and they will be awarded in pairs, at Tuesday night's meeting.

CONGRATULATIONS to Bros. Chas. P. Englehart, Dennis J. Malone, Dr. J. T. Brophy, Eugene J. Early and Edw. J. Kaindl, who celebrate birthdays this week.

Pleasure before duty means that duty will lose out.

ST. AUGUSTINE'S PARTY ACCLAIMED SUCCESS

1-3 Mon. . . . . 5209 S. Justine St.

The charity social held last Saturday at the shelter house can now be recorded as a huge success both socially and financially. Some 230 persons attended the affair which was conducted by P. G. K. Doc. Kuchler and his committee. To all these loyal friends of St. Augustine Council we express our thanks for contributing so largely to the success of this party. On behalf of Chairman Doc Kuchler, we also take this opportunity to thank the various members who worked so hard to insure everyone a good time. Especially is Doc grateful to P. G. K. Mike Heinen, Dr. F. N. Werner, Mike Ryan and Fred Heilman for their untiring efforts in dispensing refreshments all evening. Fred Heilman is to be remembered also for the generous use of his truck to haul the supplies to and from the shelter house.

We are also indebted to Bro. Joe Heinen and his wife and friends for their work in the kitchen the greater part of the evening. An orchid to Mrs. Pat Sullivan in whose home the food was prepared, and to G. K. Geo. Copps and Henry Hermes for collecting tickets at the door. Without the aid of those mentioned above, and several others who assisted, the affair could not have turned out as it did. Maybe a plug for the weatherman wouldn't be a bad idea. The night was ideal.

Among those enjoying themselves were Bro. Nic Thielman and his wife. Nic was making the most of a three-day furlough and assured everyone that he was not in the Indian Ocean. Long time no see Ed LaPrise and wife. Come around more often, folks. Jake Leitzen and his wife certainly made the most of those Bohemian polkas. Jake must have bribed the orchestra, for it seemed as though there was a Bohemian ber in every dance.

Ollie Puetz showed up with a s ish look for failing to be prese the opening night of bowling. example for a captain! But we say he had a good excuse for mi and he brought her to the dance sure his bowling next week. Bro. Amann just returned from a vac in Canada and found time to sho at the party. We also noticed Dr. Werner and Len Heinen whom, we derstand, just returned from a fi trip.

The orchestra played loud and and filled as many requests as pos The music was fine and dancers the most of it. The refreshments well prepared and plentiful. Wo how some certain people can e half dozen sandwiches in five min We would also like to know slipped a few platters of sandw out the side door.

BOWLING

The Council Bowling League go der way last Wednesday night schedule. Most of the teams we full strength and within another or two everything will be ro smoothly. We don't have any s this week due to the laxity of Handzik, our new secretary. We forgive him this week because new on the job, but we'll fine him if he slips again on us.

Word reaches us that Bro. Steve is confined in the Englewood Hos with pneumonia. We trust that by time Steve is bouncing back on road to recovery and no doubt wi around at the meetings again sho

Al Labuhn, our financial secre hasn't requested the following, bu know that he would like to hav the members get their dues in s It makes it tough on the F. Plan Hospitality Service Program for Men in Army

atholic Families Asked to Be Host to Visiting Soldiers Over Week-Ends

A new phase of the National Cathic Community Service program proding entertainment and recreational cilities for the soldiers, sailors or arines visiting Chicago is to be inigurated here this week with the lp of Knights of Columbus families, ather Wm. A. O'Connor, head of the chdiocesan N.C.C.S. committee, realed today.

Under the new plan, to be known the Home Hospitality Service proam, Catholic families throughout e archdiocese will be called upon to en their homes to one or more eek-end guests from the military rvices. The soldier or sailor guests e to be asked to dinner or otherwise orded the opportunity of spending few hourse with friendly people ray from the restriction of military e.

Dependent only upon the desires of e participating families, the soldier ests are expected to be accommoted for either part or all their weekd "leaves" over Saturday and Sun-y.

Families Already Taking Guests

A great many families have alady signified their desire to parpate in the Home Service program listing themselves as hosts to the diers and sailors for Sunday din-r and entertainments. Last weekd more than a dozen soldiers were ated to a Sunday "at home" when ey were "adopted" for the day by al families.

One typical program afforded the dier guests included the attendance Mass Sunday morning with the mbers of the host family, dinner noon and then a sight-seeing trip ound Chicago. Others varied the tertainment with attendance at a ll game, or neighborhood movies ile four families found their "boys" nted "to just sit and talk to some not in uniform."

The Home Hospitality Service proam is intended to augment the re functional recreation services orded at the N.C.C.S. center at 2 South Wabash avenue. The iendly and personal interest that is orded through contact with life in home is expected to be a welcome ief to the boys in training.

Arrangements for the further owth of the Home Service program l be under the direction of Father nes C. Curry of the N.C.C.W. Inations for soldier guests may now extended through James B. Carr, director of the N.C.C.S. center 1122 South Wabash avenue. Mr. rney, former secretary of the Chico Chapter, or assistant director y P. Bedore, Grand Knight of ther Setters Council, both of whom on duty at the center every day, l be glad to furnish any additional ails on the accommodation of the lier guests that may be necessary. e phone at the N.C.C.S. center is bash 0140.

Many Charity Ball Patrons Enrolled During Past Week

Hope to List 4% of Total Membership by Date of Party on Saturday, Oct. 11

The goal of enlisting approximately 4 per cent of the membership of the Chicago councils as patrons to the Chapter-sponsored Columbus Day benefit party moved one step nearer this week as 113 additional members were enrolled as party patrons.

More than two hundred such reservations have now been listed for the annual benefit party which is to be held at the Palmer House on Saturday evening, October 11. Proceeds of the affair are to be donated to the local branch, National Catholic Community Service organization and used to defray the expense of furnishing the Soldiers and Sailors Recreation Center recently opened at 1122 South Wabash avenue.

Dance and Card Social

In addition to the regular features of the dance program—which will be staged in the Grand Ballroom—the party committee under General Chairman Henry J. Lynch and Edmund J. Group Visits Invited to Attend Showing of Mt. Vernon Model Home

Visitors to the Mount Vernon House at La Grange Park, Ill., have already topped the 50,000 mark; and they continue to come at the rate approximately of 5000 a week. This is a Catholic project under Catholic auspices and it makes the sponsors particularly happy to be instrumental in displaying to the Catholic people a treasure-house which they regard as a unique adventure in refinement and beauty in the field of home-making—whether it be viewed from the angle of construction or interior decoration.

A private visit to this dream house is a treat that bears repetition. Recent observations of Mount Vernon House visitors indicate that there is a special advantage and special fascination in prearranged group visits. The sponsors are making such arrangements and they want the Knights and their ladies to know that they will be happy to do what they can to make the visit more enjoyable for Catholic groups who will communicate with them in advance of their coming.

Communications and inquiries should be addressed to Mr. F. M. Kraman (Nazareth Council), Co-chairman, St. Francis Xavier Parish, La Grange, Ill. The ideal time for a leisurely visit is some week day between 10 a. m. and 3 p. m.

ST. RITA PACKS HALL AT NASH HONOR NITE

1-3 Thurs . . . . . 6048 S. Fairfield Ave.

Headed by State Deputy Leo M. Flynn and other high dignitaries of the Knights of Columbus in Illinois, nearly one hundred persons gathered in our council chambers a week ago last night to pay tribute to retiring Grand Knight Charlie Nash.

For more than two hours the room echoed to a recount of Charlie's life as a knight—from his antics on the golf links to his wonderful work as the leader of St. Rita Council. In substance, the speakers reiterated the remarks of State Deputy Flynn, who said:

"In having Charlie Nash for Grand Knight, St. Rita Council was fortunate in having one of the most industrious and competent leaders in the entire membership of our organization. Under his guidance during the past two years, St. Rita's has made its mark in every affair it sponsored.

"But he is not only a leader, he is a man of character and personality. One look around this room, filled to capacity with his many friends, is proof of that. And I am confident that Charlie has not reached his peak in our ranks. With his many qualities I am sure that he is marked for future glory."

After the last speaker had concluded and G. K. Ted Lee had presented P. G. K. Nash with a set of golf clubs—the gift of his brother knights in St. Rita—the guest of honor rose to his feet to be greeted with thunderous applause.

He made no flowery speech, admitting, "I'm sort of choked up," but instead just simply thanked the attendants, pledged his life-time support to the Knights of Columbus and advised all present never to hesitate to call upon him if he could be of any service.

P. G. K. Frank Small, who was chairman of the testimonial (and did a dar fine job) then invited all to partake refreshments and enjoy entertainment se cured by Lecturer Harold Hilbert.

MADONNA CARNIVAL SETS NEW RECORD

.4 Fri.....4624 S. Emerald Ave.

It's all over now, all the heat, dust, elling, worrying about rain and the hun-red and one other things that plague the ent that operates a carnival. And Tom armody and Eddie Kean have a lot to e proud of, for, unless we miss our uess, this year's affair will prove to be he best in a decade. Although the boys ad good luck with the weather and the olding this year, they still had the old roblem of trying to get the council as a hole interested—and they got the usual ouncil response.

We kinda liked the way the lads sorta icked convention in the mush and went head with a couple of ideas that proved be honeys. And about the only thing om and Ed will get for their "blood, weat and tears" will be the feeling that ney've performed a job to perfection, lus the thanks of those who realize what job it was.

Jack Barry and John Kenny, father of ur caretaker, were the lucky gents who nared the grand award, and Jack im-ediately picked the woman's fall ensem-le, thereby saving himself a nice chunk f cash on the wife's wardrobe.

Our special thanks to our chaplain, ather Trainor, pastor of St. Gabriel's, r his counsel and invaluable aid. We've id over and over again that few coun-ls receive the cooperation that Madonna oes, and we count ourselves fortunate ideed. To Past District Deputy Jim [cDermott, who also happens to be lderman of the 14th ward (Republican ronghold), our thanks for his patron-ge and cooperation.

"Duke" McGrath, Frank ckson and Ed Lee, the maple major-omos, are happy as termites in a lumber rd because they have a full league go-g over the top. Last year, you recall, was sort of touch and go for quite a hile, and now that the boys have gotten the point where they can roll the ball and let go of it—they're raring to go.

According to Secretary Frank Jackson, ie first two weeks will be a shakedown ruise, where you can see how much the ther fellow lied about his game, and in ying to make the boys believe you were nly kidding about your own.

A special meeting of the league will be eld tonight, Friday, Sept. 26, BEFORE ie regular council meeting at the club-ouse. Secretary Frank Jackson requests iat all members be on hand at 7:30 p. m.

And before we forget it—wasn't it wful for the editor to go into a long dis-ertation on the "nigger-baby" games a eek ago—and then we don't give him tumble. [Well, pink my petticoat and all me peachy, it wasn't because we aught you with—er—out any time was ?—ED.]

Tuesday, Dec. 16—Carroll's Annual Christmas Party. Besides the gift giving and merriment, our Worthy Chaplain, Rev. John S. Kennedy, will deliver his annual message to the membership.

GOLF TOURNAMENT

Well, Carroll Council's annual golf tournament and outing is now history. In view of the short notice, there naturally wasn't quite the turnout that was expected. It's really too bad anyone had to miss it! For those who did come out there was a day of real relaxation, good fellowship, games, and—well, why rub it in now, eh? Perhaps next year your plans will include taking in this "day of days."

Among those who participated in the day's sport and frolic were Joseph Moreau (papa to you), Clarence Koepke, John P. Clark (a real old-timer, too), Charles A. Heslin, William Condon (the promising young attorney), James J. Crosby (genial Jim), Ken L. Torgeson (nuff said), Michael P. Martin (he's a guy that can take it), Daniel J. Ryan, Sr. (he held his own pretty well, too), George J. Hunt (the penny man), Roy Murray, David J. O'Neil (seems tough, but is as soft as a two minute egg), George F. Rauh (the minute man), and a host of friends and guests of Carroll Council.

Hal Neibergall captured the 1941 crown for Carroll Council for the fourth consecutive year. Hail to Carroll's golf king —Hal Neibergall!

KICKELS-FLEMING NIGHT!

A tremendous round of gratitude was expressed by the members in attendance at the last meeting of the membership, Sept. 16, when Carroll Council proudly paid honor to two of its loyal members for the recognition that they won for themselves as officers. In so honoring these two men, Gordon J. Kickels and John J. Fleming, equal tribute was extended to all loyal and devoted Knights of Columbus, who in the performance of their appointed tasks have sought to broaden the scope of activity and the advancement of knighthood in the order.

Expressions of the evening were received by P.G.K. Joseph J. Byrne, P.G.K. James J. Walsh, P.G.K. Daniel J. O'Connell, P.G.K. and D.D. John F. McNamara, P.G.K. Edward J. Murphy, Rev. John S. Kennedy, O.P., and all of the officers of Carroll Council. Carroll's new district deputy, Henry L. Phoenix, paid the council a visit and expressed his desires in the coming year for Carroll Council.

Lecturer Ken L. Torgeson presented to the honored guests of the evening a gift in recognition for their invaluable services to Carroll Council and especially in the performance of their duties as Lecturers. Both Gordon and John were loud in their pledge for continued support of council activity.

The winners of the tickets for the C. Y. O. championship boxing bouts at Soldier Field, Wednesday evening, Sept. 17, were William E. McNamara, Frank A. Griffiths, Sr., Robert J. O'Day, George F. Rauh, George J. Hunt, Robert M. Dunne, M. J. Duffy, John P. Clarke, John J. Fleming, A. N. Bartin, William Moran, Charles G. Rauh, William F. Rategan, James Vannelli, Joseph J. Schuck, Don E. Ryan, Joseph Moreau, Joseph Keller, Henry J. Evert, James J. Walsh, James M. McNamara and Gordon J. Kickels. This was presented as a surprise feature on the "bill" at the last meeting night.

Gar. Moreno Bowlers Open 20th Season of Thurs. Nite Sessions

2-4 Tues. . . . 155th St. & Lexington Ave.

The council bowling league opened its 20th season Thursday evening, Sept. 18, at the Redd-Bo-Bowling Lanes. Walter Goletz' team won all three games from Mome Liquor Store. Billie Powers, Jr., wsa not only the star bowler for the winners, but his 562 total pins and a 221 game were high scores for opening night. Frank Walenga's 514 shared second honors for the winners. Santeford's 469 was top score for Home Liquor team.

Shea's Champs won two games from the Wm. O'Hara Boosters. Adams' 506 and Shea's 488 were the main pin collectors, while Bruce, 473, and Rev. Fr. Renklewski, 460, were top scores for the O'Hara gang. Oliver Drugs also put over two wins. Ring's Democrats were the victims. Frank Duck's 208 game and 535 total pins was high for the Drug Store gang, while Dainton's 204 and 540 total was top man for the Democrats. Paul Milash's 492 gave him second honors for the losers.

Posen Lumber Co. also put over two wins, Eagle Coal Co. taking it on the chin. Louie Cerewicki's 214 game and 526 total was the main pin collector for the lumber gang. Gorski's 503 pins gave him second honors. Charlie Jacks, 539, and Grady, 472, were the two top men for the coal bin boys. We want to add our sincere thanks to all our team sponsors. We have two new sponsors this year, Bro. Arthur Mathieu, owner of the Posen Lumber Co., and Mrs. M. Zea, co-owner of the Oliver Drug Store. We have some non-members bowling with us and we want all our bowlers to make these men feel at home. We have a very fine bowling league, and what we want most is goodfellowship.

BIT-O-NEWS

Monday evening, Sept. 15, a council officers' meeting was held at the home of G. K. John Mech. The following officers and members were present: Chaplain Rev. Fr. Renklewski, D. D. Henry Hilgendorf, D. G. K. Joseph Dehnert, Chancellor Wm. Powers, Jr., Trustees Wm. Powers, Sr., Romeo Begnoche and John Doheny; John Begnoche, membership chairman; Inside Guard Wm. Lemons, Lecturer Henry Stein, Fin. Sec'y L. Beaupre, Charles Wisell, Francis De Mayo, Joseph Knoll and the Scribe. This officers' meeting was one of the most interesting meeting that the Scribe ever attended. If our council meetings could be made as interesting our hall wouldn't hold the members. If we members will cooperate with our present officers, our council will be in for a very prosperous year. Sorry space is so short in this column that I can't cover this meeting, but come to your council meetings. Your Grand Knight is a go-getter, so let's go with him. Our sincere thanks to G. K. John Mech and wife for the splendid repast of the evening.

Our belated thanks to our Chaplain, Rev. Fr. Renklewski on the recent celebration of another birthday. John Mech, Henry Hilgendorf, Louis Beaupre, Leo J. White and their wives attended Blue Island Council's Ladies' Night. They report a pleasant and enjoyable evening. To Lecturer Justine Boyd of Blue Island our thanks. Our Chaplain has announced a Holy Name meeting for Sunday, Oct. 5, at St. Susanno Parish Hall. Don't forget the date or place. All are welcome.

P. G. K. Alfred St. Aubin was elected president of the Harvey Community Chest. Congratulations, Al; they couldn't have elected a better man.

How many golfers have we in the council? Why? Well, Charlie Wisell, athletic chairman, would like to stage a golf tournament. So all who are interested see Bro. Wisell. To Private Fred Ribando and bride, hearty congratulations. May your voyage on the sea of matrimony be blessed by fair weather and happiness. Scribe received a card from Private Irwin Lunn, Trenton, N. J. He says to tell us all hello. Thanks for the card, Irwin, and we hope you enjoy the Columbian each week.

While congratulations are in order, let's congratulate two more men who deserve our well wishes—D. D. Edward Martens of Blue Island and D. D. Henry Hilgendorf—who have labored hard and long for our Order. A new District Deputy appointed from the South Side known to all is Guy Macina of San Salvador Council. Congratulations, Guy; may your new office inspire you to greater heights.

St. Joseph Promises Outstanding Features for Columbus Dance

1-3 Thurs.....57th and Archer

The meeting of last Thursday was not very well attended, but proved of much interest to those present. Report was made that Bro. Bob Gentili was due back from the hospital, and we hope he will be able to attend our next meeting. Bro. Flaherty made a report on the forthcoming Columbus Day dance on Oct. 11, and what an event it is going to be according to that report.

From what we can gather, the floor show to be presented in conjunction with the dance is definitely something the like of which has not been seen in this community. It will be a really high-class entertainment and the show alone will be worth more than the small price of admission.

The expense of producing the evening's entertainment will naturally be somewhat above the average and this is where our members come in. The admission is low and we must get out and sell tickets. To sell tickets for this year's Columbus Day dance should be the easiest job you have ever had.

With Jimmy Green's Radio Orchestra and Kay Armen, NBC vocalist, plus a high-class floor show, you have something to talk about. So let's see everyone get busy and make this event the biggest we have ever had.

The following appointments were announced by GK Lloyd: Lecturer, Frank Foran; lecturer's committee, J. W. Ramsden and Wm. Vunesky; membership, Wendel Jeno; blood donors, Hugo Spadoni and A. Tomlonovich; recreation, A. Tomlonovich; scribe and publicity, J. W. Ramsden; assistant scribe for west end Chicago, J. Flaherty; assistant scribe for south end Summit, C. Urban; sick committee, J. W. Ramsden, J. Flaherty (west end), C. Urban (Summit-south end) and R. P. Lloyd (Bedford Park).

We saw Bros. Flaherty and A. Imrisek hard at work getting out the posters for the dance, and the poster is quite attractive, reflecting credit on Bro. Jack as chairman.

We heard at church today that Bro. Bob Gentili is home, so he will welcome a visit from any brother who can stop in at his home, as he will probably have to take things easy for a while.

St. Joseph's Church invites all past and present parishioners to the annual homecoming on Sunday, Oct. 5. Bro. Ben De Paola is reported ill and you are asked to remember him in your prayers.

CHICAGO, SEPTEMBER 26, 1941

Membership

A series of sectional meetings, bringing together the Council and District leaders of all Order units in Chicago for discussions on the best approaches to the problem of membership increases, will this week be completed.

Every council in the Chicago jurisdiction through the suggestions offered at these meetings is now expected to have its own membership committee appointed and functioning so that its december 31 quota, as ascertained by the Supreme Office, may be realized.

According to the anticipations of the national office, subordinate councils to maintain their strength are expected to add new members to their ranks in the amount of 40 per cent of the year's quota by December 31.

This means that by the end of 1941 the sixty-four councils of the Chicago archdiocese should have inducted no less than 1,096 candidates and that by June 30, 1942, an additional 1,644 will be inducted to Order membership for a total of 2,740 for the entire fiscal year between July 1, 1941, to June 30, 1942.

One of the most important steps in building for the success of a council's membership campaign, as revealed by the report of the Supreme Secretary at the national convention and as substantiated by results in this jurisdiction, is the early organization of council effort under the direction of a capable and interested chairman.

The report of the Committee on Membership as delivered at our own state convention last May, reiterated this same fact in its recommendation that "Grand Knights exercise great care in the selection of chairmen of membership committees. The selection should be made upon the basis of ability, willingness to work, and the interest displayed in the work by the person to be selected. He should be a man who will promise to fulfill the many duties of this most important position and whose promise will be sincere."

Membership chairmen, the report continued, should be continuously contacted by the Grand Knight to ascertain that the membership committee will be composed of as many men who are willing to work as the Council has available. Newly initiated candidates should be made to feel that they are a part of the order by adding them to the membership committee or to related committees and keeping their interest by giving them a job to do. The membership chairman should be appointed not later than September 1st.

Other recommendations of our Membership Committee were that: "Grand Knights and Council Officers should seek to create a spirit of harmony between the clergy and their council. Co-operation with the hierarchy and the clergy should be the first principle of every council."

This committee also strongly recommended "that the degree work of the Order be exemplified with as much dignity and impressiveness as is possible. In this connection, the conferring of knighthood and the conduct of members should all be directed toward impressing the candidate's mind, with unforgetable memories of the beauty and the solemnity of the work, it having been demonstrated that this tends, in part, to enthuse the newly admitted candidate toward the securing of new members. Further, degrees should begin promptly at the time set, as a matter of courtesy and fairness to the candidates and members."

These suggestions are the product of a long and intensive study and should be carefully adapted by the separate councils here so that the important phase of membership intakes may receive the proper attention in every council program during the coming months.

If you succeed in life, you must do it in spite of the efforts of others to pull you down. There is nothing in the idea that people are willing to help those who help themselves. People are willing to help a man who can't help himself, but as soon as a man is able to help himself, and does it, they join in making his life as uncomfortable as possible.—E. W. Howe.

Fr. Setters Asks Full Support for Chapter Benefit Ball, Oct. 11

2-4 Thurs. . . . . 4711 W. Madison

Roy P. Bedore, Grand Knight of Father Setters Council and Assistant Director of the National Catholic Community Service Club at 1122 South Wabash Avenue, cordially invites all members of the Knights of Columbus to participate in the Columbus Day celebration which is being presented this year for the benefit of the Club. The party will be held on the eve of Columbus Day, Saturday, October 11, at the Palmer House. Cards and dancing will be the principal entertainment attractions.

Attendance at the party will combine the attractions of a most pleasant evening with an unusual work of Catholic Action and a direct contribution to national defense.

The Service Club provides headquarters for all members of our armed forces while on leave in the city. Ample facilities have been set up for the reception of all soldiers, sailors and marines. There is a canteen, lounge, reading and writing rooms, equipment for pool and billiards and shower rooms. In addition, the Club presents entertainment features and dances for the visiting service men.

The Knights of Columbus, as part of the National Catholic Community Service, is doing its bit in presenting the Columbus Day party and, in order that our contribution may be as effective as possible, we are particularly anxious that the party be an outstanding success.

Frank Prior, Chairman of the U.S.O. Committee of Father Setters Council, will have tickets available for all members and you are cordially invited to see him at the next meeting and secure yours.

Ridge Council Happy with Re-appointment of Jerry Sheehan, D.D.

1-3 Tues. . . . . 8219 S. Halsted St.

The membership of Ridge Council and its officers are very pleased to know that Jerry Sheehan has again been appointed D. D. of our council. Ready at all times to lend of his knowledge and time we hope to be visited by him in the near future, and wish him the best of everything.

The quota for new members for Ridge Council, to be secured by June 1st, 1942, is 20; 8 of them before January 1st—to be on the honor roll. Let us all pitch in and help Mike Mulligan, our new membership chairman, to put this over. Get your new applicant in early and then try for another one. Now, with more men working and in a receptive frame of mind, is the time to approach your fellowman, and sell him on our great order. He is probably waiting to be propositioned, so GET BUSY.

Ridge Court, C. D. of A., will give an old-fashioned Barn Dance at the Shelter in Ryan's Woods, 86th and Western, on Wednesday evening, October 15. Admission will be 50c per person. There will be plenty of drinks and refreshments.

Uncle Sam has been raising havoc with the bowling team, taking several of them into the Army, consequently Mike Feyerer is looking for seven more bowlers to fill the different teams. Anyone wishing to bowl may contact him at Vincennes 3691.

We are glad to hear that Bro. Joe O'Hare is convalescing and doing well at home after a stay in the hospital. Anyone in the neighborhood of 1617 W. 104th Place may drop in and see him, and cheer him onto the road to recovery.

Lourdes Lacks Pilgrim Groups Because of War

Vichy.—Summer was always the "season" at Lourdes but this year there are no international pilgrimages; all the big hotels continue closed, and the others, for the most part, are sheltering refugees from Alsace and Lorraine. But the famous sanctuary is not entirely without pilgrimages.

Recently more than 4,000 men, all members of the Catholic Union of Bigorre, representing 777 parishes, came on a one-day pilgrimage. The usual ceremonies were followed except for the blessing of the sick. The hospital and asylum whose sick pilgrims received hospitality have been commandeered by the Government for sick prisoners of war brought back from German camps.

WOMAN LAYER WINS DISTINCTION

The Knights of Columbus Basketball League is no longer in existence but during the 19 years it was conducted, it attracted hundreds of thousands of Chicago fans to much of the best basketball in local history. Starting with 11 teams in 1917 (no schedules were played in 1918 and 1919) it flourished to a point where at one time 49 quintets, representing six sections, fought through a Sunday after Sunday schedule. The depression years caused many councils to give up the game, and this, combined with the rise of the Catholic Youth Organization, which drew many younger athletes who felt that they owed their own parishes their abilities, led to the league's demise.

The league was opened on Jan. 7, 1917, with seven teams—Aquinas, McHale, Englewood, St. Philip Neri, Perez, Madonna, and Leo XIII—in the south section, and four in the northwestern division—Tonti, Barry, De Soto and Marquette. Among the men who helped found the league and to sustain it through the years were Chester Mitchell of St. Philip Council; Jimmy Keown and Val Rufer of Perez; Tim Dunne of McHale, Mark McGrath of Aquinas, Bill Quan of Setters, Walter Schaefer of Englewood, John Hayes of Columbus, and Robert Darcy of McHale.

AQUINAS FIRST CHAMPION

Aquinas won the first championship by defeating Tonti in the final battle of a three-game playoff in the old Lane Tech gym. In 1920, upon the resumption of play, the DeCaluwe brothers led De Soto to a title victory over Santa Maria. The 1921 title went to a Hennepin team which had for guards two of the best defensive players in the league—Hanke Baude and Len Sachs—the latter now coach of Loyola University. The following season saw Sachs play with De Soto's team, which included Tom Frainey and Eddie Fallon.

Out of these 19 spirited seasons came some of the ablest teams and individual players in Chicago basketball annals. Many of them had distinguished themselves previously in high school, college, and independent ball, but there were others who made their marks as beginners in the K. of C. League.

There are a number of K. of C. teams which stand out in memory. After Aquinas' initial victory, much of the play was dominated by De Soto and Hennepin, but in 1923 Auburn Park won the championship. These gents had formed the nucleus of one of the best teams in South Park history while playing at Fuller Park. They included Marty Morley, Dummy Saunders, and the Blumer brothers. They were soon to find a rival from their own neighborhood in a great Calumet five, most of whom had learned their basketball at De La Salle High School and Armour Square. On this squad were Freddie Dillon, Tommy Groark, Del Smith, Chuck Nelson, Adam Riffle, Willie Downes, and Schano Stange. One of the earliest McHale teams included Bill Feeney, long a star at the I. A. C.; George Dillon, Nick Kearns, Charley Chadwick, Amby McGuirk, and Paul Florence, former Georgetown and New York Giants' star who now is president of the Birmingham, Ala., baseball club. Perez rooters cheered Mac McInerney, the Naleway brothers, and Duke Feeley.

FAMOUS 1924 MARQUETTE TEAM

In 1924, Marquette sent up the quintet which generally was regarded as the most versatile team the league ever saw. In that year and in 1926 and 1927, the north siders won undisputed championships, a record no other five set up, although De Soto, already winner of two titles, drew a share of the championship in the unusual climax of the 1925 season. This saw five teams complete the final round robin with mutual records of three victories and two defeats, the tie being allowed to stand. Deadlocked with De Soto were Calumet, Auburn Park, Columbus, and Setters.

Among Marquette's stars were Wilfrid Smith and Al Krause, now members of The Tribune editorial department; Elmer Hooker, Steve Seplak, Mike Mehalek, and the Berg brothers. They won their last title in a 1927 thriller, 13 to 12, on Smith's basket in the second overtime period. The following year saw Marquette beaten by a Dowling squad led by Bill Brown and the late Joe Gannon, in one of the wildest semi-finals in the 19 year records of the league. The game went four extra periods before Gannon sank the winning basket.—Charles Bartlett in The Chicago Daily Tribune.

Dowling Hard at Work in Support of Charity Ball

1-4 Tues. . . . . 3625 S. Hoyne

Our council members are showing wonderful cooperation in promoting ticket sales for the Charity Ball sponsored by the Chicago Chapter, to be held also as a Columbus Day observance on Saturday evening, Oct. 11, at the Palmer House. This affair is in the form of a ball and card party. There will be dancing in the main ballroom and card games in the Exhibition Hall.

The admission price is only one dollar per person. Proceeds will be turned over to the National Catholic Community Service, which is a branch of the United Service Organization. The purpose is to equip and furnish the recreation hall at 122 S. Wabash Ave. for the boys in the service.

I have been appointed as the chairman of this organization in our council and feel highly elated to have the honor. I know that the members will have the same feeling when they know they can help to give comfort to the boys in service. I am making a special appeal to you in the name of your council to give this all your full support and make your remittance for tickets at your earliest convenience.

MEMBERSHIP DRIVE

Our Recorder, Tom Gallagher, has consented to take the chairmanship of the membership committee, and from his past reputation as membership chairman we can look forward to a very good year in increases. It is needless for me to inform you of the hard work that he performs in any line of endeavor that he undertakes—his past performance is the answer.

He is known throughout the order as the human dynamo and has gained many friends due to his activity. He has started this drive and realizes he cannot be successful without your help and is asking that you try to get an application for his first class, as he expects to hold these degrees in our own council chambers.

The bowling league has about eight applications to start the ball rolling and they are to be complimented on their wonderful cooperation, not only now but also in the past.

CUFF NOTES

Bro. Tom Moran, Jr., and Miss Rita Fitzgerald were united in the holy bonds of matrimony on Saturday at 11 a. m. in St. Agnes Church. The ceremony was performed by Rev. Morrison. The bride is related to Bro. Walter Mackey of our council. The couple are honeymooning in the west and upon their return will reside in Brighton Park.

Al Dalaega, a very well known member, met with a serious accident last Saturday while working around his home at 3517 S. Hoyne Ave. He was cut very badly and taken to St. Anthony's Hospital, and the information I received is that transfusions had to be given. He will be confined for a few weeks; he is in room 307. We wish Al a speedy recovery.

Mr. Louis Matthisen, the father of Bro. Tom and the father-in-law of P. G. K. Ed Dennehy, passed away on Sunday and was buried on Tuesday from Ed's residence. Mr. Matthisen was 91 years old and a great-great-grandfather. We extend our sincere sympathy to the family and may his soul rest in peace.

PIN TUMBLERS

The Connelly family seems to hold the record in the league, as Bros. Tom and Bill joined up and that makes five of them or a team in their family. Pres. Lorden is trying to equal this mark as he put his new son-in-law, Bob Skillin, and his son, Harry, in the order so they can bowl, and that gives them four.

Bro. John O'Rourke will not be outdone, as we have three O'Rourkes on teams. We will have plenty rivalry here. The new bowlers, also new candidates, are Chas. Walters, Bill Green, Ed O'Rourke, Bud Lorden, Bob Skillen and Fred Ehrl. This shows that real Dowling spirit; when we go after something we get it. Your president gave a little rib here for your scribe but he is just a father-in-law and he cannot compare with me as I am a grandpa.

The boys from Beverly, Loren Cody and Bill Green, had a feminine rooting section all their own, but once in a while Mart Cody would kind of step in on Loren. You had better watch the old man, Loren. Ed Blythe had his big moment Ruth pulling for him and, of course, the bride, Mrs. Skillen, was on hand to help Bob.

Geo. Spencer should hang his head, as Lorden's son-in-law beat him one game. If you wish to take a few lessons, George, we can arrange with Bob.

The following is last week's results: Dr. Laibes took two from the champs, Dunne Tires. Ald. Hartnetts won two from the Zintaks. Dr. Michels won two from Dalaeges, and the Beams won two from Gormleys.

500 Class Browlers: A. Christin 562, Joe Marks 556, Ed Blythe 548, M. Dieterick 532, H. Lepenske 537, G. Love 537, H. Lorden Sr. 510, J. Riley 525.

200 Bowlers: Love 232, Blythe 204, Dieterick 202.

Again we invite you brothers and lady friends to drop in on Thursday evening at 8:30 o'clock at Marzano's, 63rd and Spaulding Ave.

Genoa Calls Special Meeting This Evening to Aid Charity Ball

3 Mon. 7439 Cottage Grove Ave.

G. K. Robert Stadler and Chairman Frank Gorey of the U. S. O. committee are making arrangements to take an active part in the huge U. S. O. party to be given at the Palmer House on Oct. 11. To further this program and to formulate plans for Genoa's activity in the near future, Chairman Frank Gorey is arranging a meeting of all interested members on Friday of this week.

It is suggested that all members actively interested in Genoa Council and the members of the council who are now in the armed forces of the United States make an effort to be present at the council office, 7501 Cottage Grove Ave., about 8 o'clock, Friday evening.

Lecturer James Hynan has practically completed the program of activities for the rest of the year, and from what your scribe hears it is really an outstanding program of entertainment.

Chairman James F. Riley, Jr., suggests that you contact that prospective member and see if you can have him lined up for the next meeting of the council, which will be held on Oct. 6.

NEWS: Rumors are afloat that Bro. Walter Kramer has much more time on his hands now than he used to have. In fact, it's pretty good time. Wally is sporting a beautiful new Hamilton watch these days, and the only question involved is the donor.

How about those bills, Ben O'Neill? Have you had them fixed up yet or is the council still having them presented for approval?

Leo Congratulates St. Cyr's Softball Squad on Excellent Playing

1-3 Tues. . . . . 820 W. Garfield Blvd.

Our congratulations to the new champions of the K. of C. Softball League, the fine ball team from St. Cyr Council. The "Fighting Irish" of Leo went down to defeat in one of the most thrilling softball games every played in the K. of C. league.

The "Fighting Irish" fought long and hard but to no avail, and after a gallant struggle lost by a score of 12 to 10. In Tuesday's game Leo's team eliminated the defending champions. The score, Leo 10, Hughes 3. In Wednesday's game, Leo defeated St. James. The score, Leo 10, St. James 7.

On Monday, Sept. 22, the membership campaign meeting of the South Division No. 1 councils was held at Leo Clubhouse. State Deputy Leo M. Flynn presided.

Our Grand Knight will give a report to the council at our next session on the meeting held for all District Deputies, Grand Knights and Financial Secretaries of the Chicago Archdiocese last Wednesday at the Hotel Sherman. Important matters pertaining to the welfare of the Order were discussed.

CONGRATULATIONS

To our Past Grand Knight, Clarence A. Wagner, on his appointment as District Deputy. D. D. Wagner has under his jurisdiction St. Augustine, Aquinas and Dowling Councils. Clarence replaces Past District Deputy James J. McDermott, who voluntarily retired.

Congratulations to Bro. David Smith for his fine work in preparing the altar for the Holy Hour held at Soldier Field. Congratulations to Bros. Wm. (Beans) O'Shea and Paul Rolfe, Jr., who received bundles from heaven recently; both mothers and daughters are doing nicely. Congratulations to Mr. and Mrs. O'Brien, who will celebrate their golden wedding on Sept. 28 at Visitation Church. They are the parents of Bro. Father Charles O'Brien and Bro. Ed. O'Brien.

N. C. C. S.

At the formal dedication of the Center on Sept. 17, the Most Rev. Samuel A. Stritch, archbishop of Chicago, indicated the need of such a building. Our Grand Knight, J. F. Breen, and Bro. John Ruberry were both present.

The Chicago Chapter's Columbus Day Benefit Ball on Saturday, Oct. 11, is for the benefit of this Center. The scene of the benefit will be the Palmer House, where two of the largest ballrooms in the city will be utilized to accommodate the large number of guests. Dancing will be offered in the Grand Ballroom and an elaborate card social is to be held in the adjoining Exposition Hall.

Bro. John Ruberry asks all members of Leo Council to bring large parties. Patron tickets are $5 per couple; general admission tickets at $1 per person. Next council meeting Tuesday, Oct. 7.

DUES: Financial Secretary P. Joseph McNamara is at the clubhouse every Tuesday and Friday nights.

The reason for that happy smile our Grand Knight is wearing these days is the new car given him on his birthday by his charming wife.

It is better to be slandered by some men than to be praised by others.

McHALE'S LAST MEET WINS SPEED RECORD

1-3 Tues. . . . . 150 W. 69th St.

Our next meeting will be October 7 and plans are being made for a special order of business that evening, details of which will be in our notes next week.

The meeting of September 16, I believe, broke several records. One was that the meeting was called to order at 7:45 with about twenty members present and before the meeting closed at 8:40 there were thirty-two there. The reason for all the hurry was because all present wanted to watch our team play in the K. of C. Softball Championship Finals, the account of which follows:

On Sept. 15th at Shewbridge Field our boys met the formdiable team from Lafayette Council which was considered a "dark horse." In the first two innings our boys were over anxious as they were unaccustomed to playing under the lights and it seemed we were to be run roughshod, and after trailing 3 to 0, the boys settled down and played bang-up ball behind the pitching of Leo Wemple. We finally caught up and went ahead in the 7th, and in the following inning our stellar 3rd baseman, J. Andrews, hit a home run which proved to be the winning tally as the final score was 5 to 4 in our favor. The hitting and smart base running of W. Carey and R. Ryan also featurd.

On Tuesday, Sept. 16th, we met the tam from St. James Council. Going into the 5th inning in a pitchers' battle, the score was tied at 1 to 1, then we were the victims of a couple of unfortunate breaks which left us trailing by the score of 8 to 1. This did not dishearten our boys as they went out and fought valiantly against overwhelming odds as our 9th inning rally, after two outs, netted us 3 runs and had the tying runs on base before we were finally eliminated will attest that fact. The final score was St. James 12, McHale 9.

This game brought to a finale our softball season which ended with a record of 12 games won and 5 lost, so you can readily see the council was well represented and as this was the first season together for practically all the boys the future looks bright for McHale and we are confident we will again reach the finals next year; and who knows maybe future Champions.

We take this opportunity to thank our members and officers for the cooperation and support given the team throughout the season.

We also take this opportunity to praise the team from Leo Council for their gentlemanly conduct in their games in the finals, even though the breaks went against them several times. And, too, we want to congratulate the boy who played left field for St. Cyr Council for the great playing he did throughout the finals, especially in the game for the championship.

CHARITY BALL

P. G. K. Tom Mulroy, our council chairman for the Charity Ball which will be held at the Palmer House on October 11, reports that he has about seventy tickets for this affair and he would like to see our members fully support it as the proceeds will go for a very worthy purpose, details of which are in the front of this issue.

BOWLING: Last Monday night our bowlers got together after a week's layoff and teams began to get in form for the long season ahead.

Pres. Tom Garvin informs us that there will be twelve teams this year so that every member who bowls or who wants to start bowling can be accommodated.

HERE AND THERE

We are pleased to announce that for the second time since he entered the army, Bro. Vince Aaron has been promoted. He now is corporal of Medical Det. 48 F. A. B. N., East Garrison, Fort Ord, Calif. Vince, I am sure, would like to hear from some of our members, especially the bowlers.—Just received a card from P. G. K. Barney Perona from Rochester, N. Y.

Sheridan Is Planinng Fall Dance, Oct. 18th

1-3 Thurs. . . . . 446 N. Parkside

Phil Sheridan will hold its Fall Dance on Saturday, Oct. 18, at Parkside Hall, and extends a cordial invitation to all members of the council, as well as their friends.

There will be cards for those not wishing to dance.

It's an "all-out" affair so let's cooperate with Bro. Jos. Broderick and his committee and show them how much we appreciate their efforts. More details next week, but please keep the date in mind.

The bowling team got started with a bang, taking two games from Quigley. Nice going, boys. Keep it up. Paul Bachner will say "I do" on Saturday, Sept. 27, at St. Edmund's Church at 11 a. m. The lucky girls is Geraldine Maitland. Congratulations and lots of luck.

Every member of the council is reminded of the Charity Ball, Saturday, Oct. 11. Get your tickets early. Be seeing you at the next meeting.

Englewood's Meeting Attendance Constantly Improved Each Month

2-4 Mon. . . . . 150 W. 69th St.

Due to the illness of G. K. Richard A. Phillips, the business end of the meeting of Sept. 22 was conducted by D. G. K. Harry A. Delaplane with dignity and decorum. P. G. K. Raymond J. Budinger acted as D. G. K. and P. G. K. John Loughnane acted as Inside Guard. The assembled were led in prayer by our chaplain, Rev. Father Geheb, offered for the speedy recovery of Dick Phillips.

Many more familiar faces we haven't been seeing around the council for a while, showed up for this meeting. It looks as if the new sytem of notification by cards before meetings is effective and if the attendance at meetings cotninues it will look like the Englewood of old.

Father Geheb's short discourse dealt with our realization of the great truths of Christ's presence in the Blessed Sacrament, that we should visit Him often and tell Him of our needs, for after all, Christ is our truest friend.

Father Geheb announced that Englewood's memorial mass for its deecased members will be sung at Holy Family Church Saturday, Nov. 18, at 8 a. m. We should all make every effort to attend this service not only out of respect for the dead but also because we, too, some day will be wanting the prayers of our living brothers.

Joe Hanapel made his final report of the year on softball. He told us that although we didn't win this year he had high hopes for next year.

P. G. K. Charles H. Huguelet, Sr., reported on bowling and stated "that the proposed south side bowling league died before it was born. On the night that the league was to open only two councils, Englewood and Ketteler, showed up." It sure is a pity that with all the men in the south side councils, so few are interested enough that a bowling league could not even be formed.

VIA THE GRAPEVINE

Advocate James B. Poynton's youngest daughter, Florence Lorraine, and Edward J. Barry were married Saturday, Sept. 20, at St. Felicita's Church at nuptial high mass, which was sung by her brother, Father Ignatius, from St. Cyril's. Her brother, Father Walter, from New Jersey, was deacon, and Father Walsh was subdeacon. Reception and dinner were at the Hotel Del Prado. . . . James Clark, 7340 Calumet Ave., is the proud father of a new baby boy; mother and child are doing fine. . . . Joe Hanapel's son is now going through the rigors of "Hell Week" at St. Benedict's College, Atchison, Kan. . . . Grand Knight Richard A. Phillips is confined in Englewood Hospital, Room 411. Dick will be glad to see any of his friends. . . . It sure was good to see Larry Furst at the meeting.

St. Cyr's Batmen Forge New Crown in 13-10 Victory

1-3 Mon. . . . . 1609 N. Halsted St.

Battling tooth and nail throughout the regular softball season, St. Cyr's softball team last Thursday night, came through in the 12th inning of the championship game, with a home run by Phil Piazza with two men on bases, to bring St. Cyr the Knights of Columbus championship by a score of 13-10.

Fighting a tough battle against a strong Leo team, our boys vigorously held up their end, by scoring two runs in the ninth to tie the Leo boys at 10-10. Excellent pitching by our star hurlers, Frank Costa and Domonick Donile, was supplanted by the baffling pitching of Jasper Campisi, who threw the Leo boys off guard and gave St. Cyr the victory which is now enjoyed.

Eddie Climac, the south side boy, was undoubtedly the outstanding player of the night. Running as far as third base and clear out to center field for some of his catches, Eddie climaxed the evening by making a spectacular one handed catch which brought the enthusiastic crowd to its feet. A whirlwind on his feet, we give a round of applause to one of the greatest little ball players that ever graced a softball diamond.

But to point out any individual as the outstanding player of the night, might be to show partiality. There was Joe Geraci at center field who did an excellnt job; Charley Jeldum at first base who was on the alert at all times; veteran Joe Canizzo who covered the position of short stop like only a veteran of his years could; Jasper Campisi the all around man, who played third base until the ninth inning, and thereafter pitched as only Jasper could; there was Phil Piazza, who shall long be remembered for that memorable home run in the twelfth inning which brought in two men before him, to give St. Cyr the championship; and Herb Morin, who was the eagle eye out at right field; Morris Liberti, the husky youngster, who packs more weight behind a bat than five ordinary men; Gar-Cliff Oriolite, Sam Leto who did an excellent job at 2nd, and the combined pitching efforts of Frank Costa who pitched the first six innings, Domonick Donile the next three innings, and Jasper Campisi the last three, and the excellent support given by pinch hitter Sam Ippolito—all was an integral part in bringing the pennant to St. Cyr Council.

Many words of praise could be given to that hard working manager, Vic Priola, who so diligently worked with the boys and kept true his promise, to put St. Cyr on the map. But it is not praise which Vic sought. It was victory. And that Vic has showered upon us. For his efforts and the efforts of all the boys and loyal supporters of our team, we say congratulations, men. Your victory was one which was well earned. And to those courageous men from Leo Council, we extend our congratulations for giving all they had in seeking to bring victory to their council. They played good ball, many times outshining our boys. But they're all good sports, and took their defeat in good graces. Our congratulations to them, for their efforts. Better luck next time, boys.

BOWLING RESULTS

At this writing, we find that last year's bowling champions, the Maniscalco Undertakers, are again leading the league with five wins and one defeat. The standings to date are as follows:

We mourn today, the loss of the brother-in-law of Brother Cosmo Coniglio, who was called to his eternal reward last week. A young man, a veteran of the world war, we extend our heartfelt sympathies. May his soul rest in peace.

St. Anthony's Plans for Season Outlined by G.K. Jno. Deignan

1-3 Thurs. . . . . 73rd and Grand

Now that our vacation is over, we must get back in to our old stride. Speaking of vacations reminds us of fishing, and thinking of fishing reminds us of Bro. Ralph Gohrsch, Jr.

There's a fellow who really knows where the good fishing spots are. But evidently the fish in Michigan (especially Bear Lake) aren't very well educated and don't know how to find these spots. Or possibly it's the fish that are smart and it is we who need the education. Anyway the fish are still there!

Our last meeting was very well attended. Our Worthy Grand Knight, John Deignan, outlined a program for the start of our fall season. Our next regular meeting, Oct. 2; Ladies' Night, Oct. 16; our annual Retreat at Mayslake, Oct. 31, Nov. 1 and 2.

Make your arrangements now so that you will be able to be with your council when we make this retreat. If you go once, you will be looking forward to your next opportunity to make a retreat.

Saturday, October 11, the Charity Ball will be held in the Palmer House. This is the finest affair of the year sponsored by the Chicago Chapter and all who attend are assured an evening of enjoyment that will long be remembered. Why not get up a little group of your own and come down. You'll be surprised at the number of friends you will meet there.

We have heard from Bro. Pvt. Pete Caravello at Camp Polk, Leesville, La. He states that he is enjoying army life and would like to hear from some of the brothers. How about dropping him a line?

Arch. Weber's Dance and Tournament Were Happy End to Summer

1-3 Mon. . . . . 4758 S. Pulaski Rd.

And so a good time was had by all. It may seem funny to begin a column with a sentence that is usually used to end a story, but somehow it seems to bring out the fact that the Weber Baseball Dance was a success.

As I entered the Hamlin Hall Saturday night, I was greeted by Athletic Chairman Mitchell Mazurek and was ushered into the ball proper amidst gaily colored lights and a rootin' tootin' good band. I then sat at the entrance and pretty soon in walked Bro. Vince Lelewicz with his wife, followed by Mr. and Mrs. Ben Mical, G. K. Jos. Nowakowski and his wife, P. G. K. Julius Martynowicz and wife, and then strutting his stuff came Bro. James Swientek and G. F.

Just about then I saw Bros. John Mazur, F. Kubiak, S. Jas, Doc. Dziubski and S. Fortuna, all accompanied by their respective wives. If I missed anyone I'm sorry. But if you don't think they all had a swell time ask Bro. Steve Jas, 'cause even he had a good time despite the fact that he spent a sleepless week at the Legion Convention in Milwaukee.

As if that wasn't enough I went out to see what was going on at the Weber Fours Golf Tournament on Sunday. I noticed that G. K. Jos. Nowakowski did not win any trophies, but he came out ahead in golf balls. Bro. Joe started out with two and ended up with four. Not bad at all.

After six weeks of practice, Bro. Frank Wegrzyn didn't do so hot. A mere 123. A lot of score but no game. The best one I liked was Doc. Dziubski on the 9th hole. He hit over the 9th and up towards the 10th then had to shoot back. Next stop, the sand trap. Favorite 9th, Doc?

Our 10th hole hosts, G. K. Jos. Nowakowski and Bro. Joe Czapelski, spent more time on that one than it took for the rest of the course. I hear that Doc. Patka has strong intentions of taking over that 10th hole job next year. Another thing about Doc. Patka is that he weakens on the finish of his drives to the green. The darn ball keeps stopping at the edge.

And so as the tournament came to a close, we find the list of winners as follows:

First place trophy, Bro. Louis Topolski with a neat 95. Second place trophy, Doc. Patka, despite everything, tucked away a 98, and 3rd place trophy, John Myduch with 100. The following also came in on the prize list, with handicap: Jim Kanak, 69; S. Jaworski, 69; Z. Zebrowski, 71; J. Butnowski, 72; T. Preden, 72; S. Rolek, 79; Doc. Dziubski, 75. The Booby went to Bro. John Kudla (a deck of bridge cards).

The winners among the ladies at pinochle were Mrs. J. Kanak and Mrs. S. Jaworski. The boobies went to Mrs. Czapelski and Mrs. Dziubski. First prize in Bunco, Mrs. Rolek, and booby to Mrs. Smuczinski.

Credit for these two terrific affairs goes to Golf Tournament, Bro. Frank Kubiak, and Bro. Joseph Zapotoczny. Very well conducted.

As for the dance we must thank Bro. Mitchell Mazurek and his right hand men, Red, Small Kee and Ahchee. Keep swingin', gang, and Weber Council will grow.

Lewis Carroll wrote his famous book, "Alice's Adventures in Wonderland," as a Christmas gift for a little girl.

Ravenswood Golfers Play at Park Ridge Today in Tourney

1-3 Wed. . . . . 1521 Wilson Ave.

The definite announcement of the final golf tournament for Ravenswood's swingers was made a little too late to get into last week's edition, so we'll put in on the top of this week's column. We know you won't get this paper until the day of the tournament, but perhaps it may be delivered to your place of business by noon time which would still give you time to get out to Park Ridge Country Club for the tee-off at 1:00 p. m. Friday, Sept. 26. If you can't get out for golf, go out to dinner. Undoubtedly you will have a grand time.

Ravenswood is going ahead full steam on the Charity Ball to be held Saturday, October 11, at the Palmer House. As this writing, patrons already signed by our council for the ball are: G.K. Michael Citti, P.G.K. Peter Farrow, P.G.K. Charles Morgan, R.G. Kenney, James O'Reilly, D.G.K. Wm. Barr, P.L. Gallagher, Dan Hayes, M.P. Mertes, R. S. Solinsky, and Cushing & Co. Besides these patrons, Ravenswood members have taken quite a number of tickets, but still not enough to meet our quota.

We will need the help of every member to reach and exceed our quota, therefore we will endeavor to call each of our members to ask his help. If for some reason we are unable to contact you, don't feel that you are being left out, it may be that someone missed instructions, or was unable to reach you. If you yourself are unable to attend the ball (there will be bingo for the non-dancers) no doubt you may find someone who would like to go in your place. If you will get in touch with our Committee Chairman, Bro. R. G. Kenney, 4869 N. Hermitage Ave., Rav. 0100, he will see that you receive tickets.

If you wish to be a patron, the cost is $5.00, with two tickets included. Single tickets are $1.00 apiece. All proceeds of this affair will be for the benefit of the National Catholic Community Service. This branch of the U.S.O. is responsible for the operating of the service men's center at 1122 S. Wabash Ave. If you would care to look over this clubhouse that we in the Knights of Columbus are doing so much to maintain, go down to the above address, tell them you are a K. of C. and ask to be shown through. We know it will be an eye-opener for you.

In the little remaining column space a few of the committees for this year can be listed. Sick Committee: Joe Grady and Dr. A. J. McCambridge; Insurance Committee: P.G.K. Farrow; Catholic Action Committee: James O'Reilly and Warden Wm. Weideman; Publicity Committee: John Keifer and G. W. Mann.

The new District Deputy in our district is John Hopkins of Lafayette Council.

If any of you are not receiving meeting notices or various council communications, or if they have been sent to various wrong addresses before reaching you, write or phone Recorder Dave Heelan, 6328 N. Albany, Bri. 0070.

Blue Island Urges Full Attendance at Communion Sunday

1-3 Tues. . . . Gregory and New Sts. (Blue Island)

Again we urge all to attend our quarterly communion at St. Donatus Church on Sunday, Sept. 28, at the 8 o'clock Mass. Grand Knight Hansen is anxious that we start our fall season in the proper manner by receiving in a body on this day. It is the day that we are to have our Golf Pow-Wow at Glen Eagles. Prizes, Golf, Refreshments and dinner all for $3.00 per copy.

The mail man and telephone operators were not very kind to the Scribe this past week. Not much news and this department is wondering if someone way-laid either of the above mentioned agencies, and prevented them delivering. Well, let's get into the stuff going around. Billy Gerdes, Sr., is "grand-dad" again. That is why Billy was late at Ladies' Night last Tuesday.

By way of the Southwest, we heard something about Bro. Geo. Karg, but we are waiting for a verification before publishing. Be in attendance at your next meeting, 'cause it is of the utmost importance to all. The Golf committee in making the rounds selling and begging, are getting fine results. The prizes are going to be worth playing for. Now that bowling is in full swing, the Barber on Vermont St. is challenging all comers again. He just won't learn.

STAR BOWLER?

Our Advocate, Judge Seyfarth, was trying to ease the worry of Tony Chovanec and get him to bowl his usual fine game. It seems the Judge knew all about the subject because he kept saying "I know what I'm talking about." The lads on the alleys are full of pep but the Hallinan's figure because they bowl for an undertaker they have to be quiet. "Tain't so, lads; whoop it up." That team that was put into championship class by the acquisition of Chovanec, Seyfarth, and D Boyd are pointing for one team, and when they meet heaven help someone.

Commander Billy Creighton, of Post No. 50 returned from the Legion Convention last Wednesday in time to bowl. Bill still has the same eye for the pocket. What became of Bro. Dalton? Long time no see.

FLASH: At our next meeting, Oct. 7 Father Oliver of Retreat fame and his films will be present. Retreat Chairman Lowell Frasor would like to have all who expect to make the retreat make the arrangements with him as soon as possible.

The sick list of our council remains the same. Bro. Joe Wieland, Co-Lecturer, is up and around again; D.G.K. Pat Dohrman is a member of the sick list and the "doc" seems to have a hard time getting Pat to take it easy so the Chairman of the sick committee will be at home for another week at least. Bros. Juby and Rack, according to last reports, are coming along in good style and would like visitors.

1043 Catholic Hospitals Now Serving Public In U. S. and Canada

Philadelphia.—Catholic hospitals in the U. S. and Canada totaled 1,043 at the end of 1940, it was reported to the 3,000 delegates at the 26th annual convention of the Catholic Hospital Association of the United States and Canada by the Rev. Alphonse M. Schwitalla, S.J., president. Father Schwitalla was chosen for the 14th time to head the association.

Father Schwitalla announced that there were 689 Catholic hospitals in the U. S. 184 in Canada, plus additional institutional units that are really separate units for a grand total of 1,043. "To this must be added," he said, "288 institutinos not designated as hospitals, but which are in realty institutions . . . entirely comparable to hospitals, 67 institutional services, and about a half-hundred visiting nurses' associatoins . . ."

The president also discussed hospital and health problems growing out of the national defense program. "Certain phases of the defense program," he said, "already have demanded serious sacrifices of our institutions." Among these he cited the call of internes and residents to military service, loss of staff members holding reserve commissions, and the increased services demanded of hospitals in rapidly growing defense areas.

"The greater service which has been rendered by Catholic hospitals in this country and Canada can never be fully evaluated," asserted Senator James E. Murray, of Montana, in addressing the delegates. "While these institutions have played a leading role in the technical development of our hospitals, their spiritual contributions have been of even greater significance."

Bishop Joseph M. Corrigan, president of the Catholic University, warned the delegates that the supernatural element in their vocation must be safeguarded. Catholic hospitals, he said, must not "reduce the volume of their charity," even in such cases where financial aid for poor patients "is withheld, or not sufficiently provided." In every case, care must be exercised so that the true supernatural purposes of Catholic hospitals are fulfilled.

Archbishop John J. Glennon of St. Louis was elected honorary president, and advisers of the association and all the other officers, including Father Schwitalla, were re-elected as follows: Vice-presidents, Monsignor Maurice F. Griffin, Cleveland, and the Rev. John W. Barrett, Chicago; secretary, Sister Helen Jarrell, Chicago; treasurer, Mother M. Irene, St. Louis; executive secretary, M. F. Kneiff; executive board members, Father John J. Bingham of New York City, Mothers M. Patrica of Edmonton, Alta., and M. Rose of Pittsburgh, and Sisters Agnes Cecilia of Helena, Mont.; Mary Angela of Lexington, Ky., and Ste. Gertrude-de-Nivelles of Quebec.

CHARITY BALL

From all reports heard at last meting, e Charity Ball drive is rolling along. everal reservations for Patron tickets ave been received. Bro. Jos. eFrank (pinch hitting for Charity Ball hairman Jos. Gentile) reporting on the cent meeting held at the N. C. C. S. ervice Men's Club at 1122 S. Wabash ve., brought out the fact that many of e Service men using the Club's facili- es are not at present members of our rder. On returning to civilian life many ill remember the services extended to em by the Knights of Columbus there- creating a large field of future mem- rs. So that by supporting the Charity all drive you are making an investment hich will pay dividends later on.

Columbus Welcomes Re-appointment of De Stefano as D. D.

4 Tues. . . . . 6932 N. Clark St.

We are pleased to learn of the appointment of Marco De Stefano as our strict Deputy. Marco has always given the best of cooperation, appearing ten at our various social affairs, and sisting us in every way possible.

Our congratulations also to his council, . Cyr, for winning the softball champnship. We have had the pleasure of eeting several of the St. Cyr men, inding their present Grand Knight, at r meetings. Marco always says that hen we can match St. Cyr in membership, activities, and general spirit, we ll have reached the ultimate.

No doubt all Columbus Council men joyed the Holy Hour at Soldier Field. ur Scribe did—from an automobile. s party arrived about 7 p. m. and rked in a lane which was soon filled up th other cars. He couldn't get in the tdium and couldn't get the car out, so ent three hours sitting and listening to e radio. Ed Roche, one of the party, is more resourceful. As we were standg by a gate, a company of soldiers arched by to enter the stadium. Much ainst his will, of course, Ed was draft- and swept right through the gate th the army. Understand that they looking for him at Fort Sheridan put a uniform on him.

A certain prominent undertaker of the North Side was also a member of e party. He didn't like the idea of lking three-quarters of a mile so de- led to take a short cut by climbing a uple of fences. His gracefulness in aring those 6-foot fences was a thing see and admire. Not to be outdone, ur Scribe followed suit and suffered a nor casualty, the news of which, no anks to his companion, has apparently read through Rogers Park.

The Holy Hour, however, I'm told was very impressive and inspiring sight. d Father Kelly, the Archdiocesan direc- of the Holy Name Society, a very rd and capable worker, is to be conatulated.

A great many of the brothers were seen St. Jerome's carnival last week.

Remember the charity ball at the lmer House, October 11. The tickets \$2 a couple and our council should be ll represented. Please see Grand ight Al Irving, if you intend to go.

Saw Charlie Owens Sunday. We've ssed him lately at the meetings, for arlie has been working nights. His ties as Warden were filled last meet- by Tom Ward.

St. James Sponsors Season's Last Golf Outing This Sunday

2-4 Mon. . . . . Hayes Hotel

The chairman of the Golf Tournament, Chris J. Davis, will be waiting for all the golfers of the council at 131st St. just west of Harlem Ave., on next Sunday morning at 11 o'clock. A good day of golf is in store for you and it will not be too late to enter the tournament even up to 11 a. m., for Chris has made arrangements for about a dozen extra ditch diggers to play. Prizes to be announced will be awarded on a blind bogey basis. between 70 and 85. It will be optional as to the big feed after the 18th. However, arrange to be there. Further information may be had by calling the Publicity chairman, Henry Woodmaster, at Vincennes 0354, who is back in trim again after his siege of illness.

SOFTBALL RESULTS

St. James, who won the championship of the South Section, made their debut in the finals by defeating McHale. The team weakened without the first baseman, Mike Connolly, who had an infected knee. The next night he was layed up in bed, so Joe McGreal took charge and before game time, Beck, who starred at third all year, came in with his hand in a cast. It was broken the night before. This was not enough, so Schnieder popped in with a wrenched side. So with all these handicaps the team took the field with a makeshift line-up and was defeated by the fighting Irish of Leo by the score of 10 to 8.

The next and final night they played Santa Maria and won 13 to 12. The team as a whole should be complimented on its showing. There were always ten stars on the field. Merigold should get the most praise as he pitched some very fine games. The old war horse McGreal filled the manager's shoes very well in the finals and also played a fine game in center. The batting averages in the finals were: McKenna, 546; Velk and McGreal, 500; McSweeney, 468; Bird and Doll, 467; Sink and Thornton, 456; Beck, 400, which is good hitting in any league.

Congratulations to St. Cyr Council for winning the championship. Vick Priola really has a fine team. The league is also to be congratulated on the fine manner the finals were put on.

ACTIVITIES

THE FOURTH DEGREE CLUB: The La Salle General Assembly will meet on next Tuesday night, Sept. 30th, at the Palmer House. This will be the first meeting of the fall season and a short business session will be held and then followed by a fine program of entertainment with smokes and eats.

THE LEO FLYNN-COLUMBUS DAY Class of initiates and their sponsors will assemble at 6:30 p. m. in the Banquet Room at the Hayes Hotel on Monday night, October 13, and attend the dinner arranged by Membership Chairman Robert E. Lee and Lecturer Peter J. Wehle. The regular council meeting will be called promptly at 8:15 p. m. by Grand Knight John McKean and will be limited to the important matters pending.

COLUMBUS DAY BALL—Every member of St. James and his lady are expected to attend this ball at the Palmer House on Saturday night, October 11th. Tickets may be procured from either Clarence J. Phillips, Frank Mayer or Jerry Laughlin. The council will furnish a suite of rooms, number of which to appear on the bulletin board in the lobby. Refreshments are to be served under the courtesy of the Fourth Degree Club.

BOWLING: St. James' bowling teams are making toothpicks at the Legion Alleys at 76th and Cottage Grove Ave. every Wednesday night at 9 o'clock. Chairman Paul Sink states that he can use a few extra bowlers. Team No. 1 consists of Bros. Duby, McKenna, McGivern, Enwright and Brosch. Team No. 2 is made up of Bros. Schneider, Sink, Ferguson, Collins, and Ambrose Burke.

CONGRATULATIONS — St. James Council is very happy to learn that State Deputy Leo Flynn has reappointed District Deputy Patrick Noonan to be our own boss. Congrats to you, D. D. Pat. Noonan.

Just heard that our softball star fielder, Gordon Thornton, is the proud father of a baby girl.

Do you know what date October 25th is? It's one you should remember, for that is the night of the Hallowe'en Harvest Festival and Mask Party, with Lecturer Pete Wehle as chairman and Bro. Cornelius O'Connor as ticket chairman. This party will be held in the ballroom for dancing and cards in the clubroom with prizes for the best costumes and a king and queen will be crowned.

Damen Plans Series of Five 'Prosperity Parties'; First Oct. 4

1-3 Thurs. . . . . 6 N. Hamlin Ave.

The first of five "Prosperity Partys" planned to help the council back into the limelight will be held Saturday evening, Oct. 4, at 8 p. m., at Napoleon Hall, Crawford Ave. and Harrison St., under the co-sponsorship of Grand Knight John Caulfield and Bro. John J. Gorman.

The admission price for this initial affair—and all other parties to be held at intervals between now and the "finale" to be held before the departure of old man 1941—will be \$1.00 per person. Dancing, entertainment and refreshments are to be offered in abundance.

Should you be unable to attend this opening party watch this column for dates and places of future Hoe-Sai-Gai parties or perhaps you would like to sponsor a party; if so, get in touch with Grand Knight John Caulfield, Kedzie 6711, or Lecturer George Reithal, Jr., Harrison 3155, and you will receive all needed information with regard to these "Bundle of Fun" affairs.

MEMORIAL MASS

St. Peters Church was filled to capacity at the memorial mass for the repose of the soul of the late Joseph McMahon, Past Master of the Fourth Degree, last Thursday morning. Among those in attendance with Mrs. McMahon and her entire family were noted the following: Thomas Galvin, Supreme Master of the Fourth Degree; Jerome Crowley, Vice-Supreme Master of the Fourth Degree; Michael Howlett, Supreme Director; Worthy Master Philip Nilles, Sr., and his entire staff of officers of the LaSalle Assembly; Leo Flynn, State Deputy, and his state officers, and numerous District Deputies, Grand Knights, Past Grand Knights and officers of various councils in the Chicago District. About fifty members of Damen Council, including John T. McEnery, our first Grand Knight, were present at this a fitting tribute to the past color bearer of our council.

By the time you are reading these notes, the Merry Men of Damen will have completed their plans for the 1941-1942 season which opens Tuesday evening at 8:30 p. m., Cascade Alleys, 3825 West Madison St. Let's make it a date—be present Tuesday evening and help the modern "Paul Bunyons" in their onslaught on the maples.

Bro. Tom Brown has a few more tickets left for the Charity Ball to be held at the Palmer House on Saturday evening, Oct. 11. The response to the last appeal was very satisfactory BUT our council allotment has not been disposed of to date. The time is growing short so you better complete your plans to attend without further delay. The usual "After the Ball" party will be held in a special room reserved for Damen members. See James Crowley for your reservation.

The council received another call for a donor during the last week and Bro. Walter Fitzgerald again responded to roll call. Bro. Parke Brown would like a few more members on call. Remember, Brothers, it costs you nothing to join this worthy group of men.

St. Augustine's Coming Meetings Expertly Planned

1-3 Mon. . . . . 5209 S. Justine St.

The good attendance at last week's meeting definitely proved that summer's end is near. With the start of the fall season we can look forward to bigger and better meetings. As an added incentive to bring the members out, our Lecturer, Henry Rieger, has outlined a definite plan for the ensuing meetings, from the first in October to the Christmas Party, which will be the last of the year. He has scheduled movies, speakers and novelty nights. To make these meetings more inviting you will find that Hank always has something to eat and something on tap after each meeting.

At the last meeting the budget for the new fiscal year was read off and appeared to be well set up. This proves that the watchdogs of the council's finances are to be complimented for the efficient manner in which they perform their duty.

Lecturer Henry Rieger gave away ten tickets for the Charity Ball at last Monday's meeting. This Charity Ball, as you have read elsewhere in this issue, is to be held at the Palmer House on October 11 for the benefit of the NCCS, whose aim is to provide recreation for members of the U. S. armed forces on leave from their camps.

The first of these recreational centers has recently been opened and dedicated by His Excellency, Archbishop Samuel A. Stritch. It is located at 11th and Wabash. Inasmuch as the Charity Ball is being run for an exceptionally good cause, all members are asked to co-operate to the best of their ability. Why not buy a couple of tickets right now?

The members present at the last meeting were informed of the appointment of Clarence Wagner as District Deputy for the ensuing year. Bro. Wagner succeeds D. D. J. J. McDermott, who so ably served St. Augustine Council in this capacity for the past eight years. The officers and members of this council are deeply indebted to Bro. McDermott for his wonderful co-operation in line with the many duties he was required to perform during his term of office. To his successor, Bro. Wagner, we extend our heartiest greetings and he may rest assured that he will be most welcome at any function of St. Augustine Council, whether it be business or social.

TEN PIN TAPS

The Heinen Morticians laid away a load of wood last week in knocking off the McCabes twice. John Horan anchored with 210-218-588, aided by Kozlowski with a 202 game. Dan Burke was high for the McCabes with 520. The Schaefer Barbers, despite Nic Schaefer, swept their series from Bonthron service. Johnnie Kurtz led the Barbers with 208-533. Chris Thelen got most of the lumber for Bonthrons.

Sutterlin with 229-591 and Hauser with 244-580 led the Puetz Markets to three wins over the Dutchman's Tavern. Capt. Ed Witry was high for the Dutchmen with 528. Phil Breitzke wasted a 212 game for the losers.

The remaining match saw the Mack's Movers eke out two wins over the Kloeckner Florals. Tony Kloeckner with 218-539 and Al Fiel with 525 insured the two wins for Macks. Tony Follman and Ralph Amann carried the load for the Florals.

We have more to report on that item we mentioned in last week's column anent P. G. K. Len Heinen and Dr. P. J. Werner, who hied themselves on a fishing trip two weeks ago, up to International Falls, Minn. Old Izaak Walton would do "an about face" in his grave if he knew that two of his constituents were forced to BUY fish for Friday dinner, while all the time there was fish galore to be had for those who knew how to catch them.

Just one more item about a charity affair in which St. Augustine K. of C. and the Ladies of Isabella are deeply interested. The Cordi-Marian Auxiliary is sponsoring another of its annual Dollar parties at our clubhouse on Saturday, Oct. 4. Price of admission includes dancing and refreshments and all who have attended these parties in the past know what a treat is in store for them.

De Soto to Honor Two Well-Known Knights Tonight

2-4 Fri. . . . . Clark and Belmont

Paging Lecturer Irv. Schultz—where is that fellow keeping himself these days? Irv. doesn't seem to realize that the vacation season is over. The only answers we receive from our telephone calls are: Irv. is out of the city; Irv. is playing golf; Irv. is gone for the day. Lucky guy, doesn't have to work for a living.

Well, guess we'll have to depend on his promise of last meeting, that he would stage a nifty program of entertainment this evening in honor of Bros. Frank Wohlleber and Joe Merki in recognition of the honors they have brought to our council by their recent appointments to the offices of District Deputy and membership on the State Athletic Board, respectively.

Although both Frank and Joe are young in years, they are old-timers in point of service to the Order. With the assistance of our G. K. and our Worthy Recorder and a little snooping around on our own hook, we managed to gather together a few choice bits of history concerning our honored guests.

FRANK WOHLLEBER

Frank Wohlleber first saw the light of day in the neighborhood of St. Alphonsus parish. Before his locks turned to silver he played with and against many De Sotoans on football and baseball teams in the old neighborhood. In 1909 Frank was inducted into De Soto life, becoming Warden in 1913 and then holding the successive offices of Chancellor, Deputy Grand Knight and then after returning from the Navy in 1919 the office of Grand Knight.

During his regime he was instrumental in organizing De Soto's bowling league and the Baldric and Sword Club. His council work did not cease after leaving the chair offices, for in 1928 he led De Soto's Retreat class on its first visit to Mayslake and continued as chairman of that committee for ten years. It was Frank's motion at the state convention that created the State Athletic Board in 1921, of which group he has been state secretary since its institution.

In addition to conducting his insurance business from his offices in the loop and nearby Evanston, he still finds time to serve as chairman of De Soto's Sick and Relief Committee and the Blood Donors' Group. Among his most recent accomplishments has been his election to the presidency of the Loyola Community Theater, which organization also lists our D. G. K., Frank Fitzsimmons, as one of its distinguished members.

JOE MERKI

Joe Merki, that lively fellow with the thunderous voice, is a product of Immaculate Conception parish. He attended old St. Ignatius College on the West Side, where, as he puts it, he failed to engage in athletics because he was too light. Joe soon grew up, however, and in 1906 became a member of Daniel O'Connell Council, where he became well known to De Sotoans through the swell game of ball he played around second base on the O'Connell team. Soon after joining the Order, Joe became active in council affairs, holding the offices of Recorder, Financial Secretary, and Grand Knight.

Since joining De Soto in 1927 he has been an ardent booster of the bowling league and for many years has displayed a fine work of Catholic Action as chairman of the Retreat class, which group he will again lead to Mayslake this year on Oct. 17. He has for many years been a fervent member of the Nocturnal Adoration Society. He also held the office of president of the Campion Club of Campion Academy, Prairoe du Chien, Wis., for two years.

CHAPTER BALL

As Oct. 11, the date of the Chicago Chapter's Columbus Day benefit ball and card party, draws near, Chairman Joe Cella and his ticket selling committee are busy ringing the door-bells of De Sotoans in an effort to dispense De Soto's quota of tickets. The proceeds of the party will be used to defray the expenses of furnishing the National Catholic Community Service Recreation Center at 1122 S. Wabash Ave. If neither Joe nor his committee have caught up with you at this writing, they will be around shortly, so have that "green stuff" ready, as they are determined to unload a couple of tickets on you. The affair needs your support.

OUR G. K., GENE SCANLAN, offers his apologies for failing to attend the opening session of the bowling league on Sept. 17 at Marigold Arcade. He was unable to attend due to the fact that on that evening he was host at a meeting of State Deputy Leo M. Flynn, Chairman Macina of the Five Point Program of the Order, and the Grand Knights of all North Side councils.

CHAIRMAN FRANK WOHLLEBER of the Blood Donor Group informs us that Bro. Paul Ficht submitted to a blood transfusion during the past week. The donee was Father Andrew Murphy, a Missionary Father of the Denver Diocese, who has been ill at St. Francis Hospital in Evanston for some time.

D. G. K. FRANK FITZSIMMONS, pinch-hitting for our G. K. at the opening of the bowling season, was very much impressed with the fine accommodations available to the bowlers. He received quite a thrill in addressing the bowlers through the public address system and believes that important announcements can well be put over by using this avenue of announcement.

THE SECOND NAME in Chairman P. N. Kandel's "write to a member in the service" series Private Frank W. Sieffert, Jr., Company E, 2nd Battalion, 2nd Regiment, U. S. Marine Base, San Diego, Calif. Bro. Seiffert is one of the younger members of De Soto. He enlisted in the Marine Corps at the beginning of the emergency, and we understand from last reports that he is now a full-fledged "leatherneck." He is the son of Bro. Frank W. Sieffert, Sr., who has been a member of De Soto Council for many years.

Fill your fountain pen and get busy. Drop a few lines to Bro. Sieffert, he'll be happy to hear from the boys back home.

MEMBERSHIP DRIVE

De Soto will conduct an exemplification of the First and Second Degrees in the council chambers on Oct. 24. Every member of the council who has not as yet presented a candidate for membership is urged to do so at the meeting this evening, or the meeting of Oct. 10, which will be your last opportunity if you wish your candidates eligible for the degrees.

President Frank P. Kennedy announces that the De Soto Male Chorus will conduct an open rehearsal and social on Thursday evening, Oct. 2, at the Northcenter Hall, 1940 Irving Park Blvd. Members of the council and their ladies are invited to join the festivities on that evening. Dancing and refreshments will be included in the program.

Our operatives inform us that P. G. K. Matt Seifert will represent 200 members of the St. Gregory Fraternity at the National Conference of the Third Order of St. Francis, which will be held in Pittsburgh on Oct. 10.

University Prepares for Mayslake Retreat Over Oct. 3 Week-end

2-4 Tues.....St. Ignatius Auditorium

The most important event on our calendar at present is the retreat at Mayslake Oct. 3, 4 and 5. Your reservation given to any of the following brothers will insure your participation in this "sixty golden hours" of spiritual vacation: Fred Rondeau (State 8866) or the three Johns—Morrissey (Bittersweet 2020), Donahoe (Briargate 2987) and Curtin (Briargate 4180).

Treasurer Francis Walsh is on the receiving line for ticket and patron reservations for the Chicago Chapter's charity ball. Remember that the proceeds are to go to the National Catholic Community Service for the equipment of the new service building on Wabash Ave. And remember also that the $1 admission fee will give you more for your money in real entertainment than you could get anywhere else for five times the sum. Saturday night, Oct. 11, at the Palmer House. See you there!

SOFTBALL AND PICNIC

Chairman Martin Jeffers and his committee are certainly to be congratulated on the success of the council family affair at Linne Woods last Sunday. The scribe and family (including the dog) took the prize for the most family—or would have if Charlie O'Connor hadn't failed to provide one. The ball game was a great success, though the score was close, 17 to 5, in favor of the Forty-oners.

The highlight of the game was the formal written appointment with certified commission attached of that superannuated veteran Moore as manager protem of the 1941 team. This noble gesture on the part of Manager Jim Kane brought tears of appreciation to the dimming eyes of old Tom, especailly as it seemed so appropriate thus to celebrate his birthday. So fired by the enthusiasm of their pro-tem manager were the Forty-oners that they couldn't be stopped by Ryan's crew.

Other contests were run off, but in such kaleidoscopic and calliope-ic fashion that we shall have to await the committee's official report to give the details. Mention must be made of that dispenser of good cheer (liquid), Marcellus Futter, who stood behind the mahogany all day taking care of the thirsts of man, woman and child. Phil Ryan and Charlie O'Connor and Jack Donahoe also deserve honorable mention for their unending efforts.

One disturbing occurrence which marred the affair (to say nothing of the ringers in the seven-year-old girls' race) is the bitter complaint of Othmar Eckstein against the awarding of the fat men's race prize to PGK Quigley. Othmar claims he won and that he could beat Bart even with one leg tied behind his back. What the outcome of this charge may be we can't tell, but the older and calmer members of the council hope to smooth over the dispute somehow. Read this column next week for further details.

COUNCIL BRIEFS

Bowling notes by one who can't attend are likely to be disappointing. However, we hope to have a front-line correspondent on hand for future happenings at the Howard Bowl.

MATT HARRER, JR., has departed from the warmth of the Jeffers fireside and may be found industriously selling heat for the Zipf Coal Co. His number is Lakeview 0747 in case the autumn winds chill your bones.

ED DWYER, we are informed, has been elected to high state office in the Ancient Order of Hibernians, but does not intend to let his A.O.H. duties interfere with his University Council attendance.

OUR SICK LIST did contain the name of Mike Doherty, but we understand that he is now on the way to recovery. Bro. Sidney Crowley's death occurred on Wednesday, Sept. 17. A large delegation from the council attended the vigil on Friday. Bro. Crowley was buried from St. Ignatius' Church on Saturday.

THE SCRIBE'S ADDRESS is 28 N. Franklin, phone Central 0640. If you are as dissatisfied as he is with the quality and quantity of these notes give him some good ones next week.

Calumet's Sun. Evening Club Will Open Social Season September 28th

2-4 Mon. . . . . 6646 Stony Island

Next Sunday evening Calumet's Sunday Evening Club will start their fiscal year. The preparations that chairman Bro. Davis and his co-worker, Bro. Lawler, have been making for the last two months should make this year's entertainment the best that we have ever had.

For the benefit of you new members, we think it proper that we explain this part of the council's activity. In the future all of you will have to start putting a little away each week so that you will be prepared for Christmas or possibly somebody's birthday. Or how many times have you stopped to think just what you want to do on a Sunday evening? Everyone, in a space of time, gets a little tired of the things that they have been doing and naturally a change of entertainment helps. You have probably been going to shows, dances, night clubs, and places of entertainment that suit your pleasure. That's all fine and dandy, but that all costs a little money. Now here is where the Sunday Evening Club comes in. You can take your wife, girl friend, relative, or friend up to this club and it won't cost you one cent.

Next Sunday night Bro. Davis has planned to have everyone play cards if you so desire. Refreshments will be served and prizes given out to the winning players. Now that is what is known as egg in your amber fluid. Where else in this city of ours could you go and have a Sunday evening spent like this and not have to spend a cent? This Sunday is the first meeting of this year, so let Chairman Davis be glad of the work that he has been doing, by making the first meeting a great success.

LAST MEETING

At the last meeting we had one of the best turnouts so far this year. Every space in the meeting hall was taken and there was a great number standing in the back. This lecture that Father William Westhoven gave was so interesting that you could have heard a termite drop.

It was pitiful to see the actual pictures of some of those Chinese people. They are just starivng to death and the pictures showed just the condition they are in. The pictures also showed the burial of three of the priests that had been slain by bandits. The lecture ended with pictures of the church property and the interior cities after bombing. All Father William asked, and we're sure that everyone present will gladly give, is the prayers of our membership to enable these missionaries to continue the wonderful work that they are doing. After the meeting refreshments were served.

We have to thank Bro. Hardy again for the ice water at the card game. We learn that Bro. Ed Sexton has left for California to join a holy order. Best of luck, Ed, and now we're sure that you will make a wonderful priest. Bro. Al VanLent is leaving us October 2. Al is going to join the army and we're sure that he will be a captain in no time. Well, here is very good news: Mr. and Mrs. George Harrington are celebrating their 25th wedding anniversary Saturday night at Saint Clara's hall. Seventy-five relatives will be present to make this a joyous affair. I needn't say how the members feel about this, George. May the next twenty-five years be just as happy.

BOWLING

Calumet had the largest turnout in many years last Thursday for the opening night of bowling. We still need two sponsors, so you business men please help us out. The bowlers are promoting a free trip to the Notre Dame-Southern California game for some lucky member. Our Treasurer, Curly Ward, and Al Munro have already sold their tickets on the affair and asked for more.

The high series for the opening night went to Joe Walsh with 602 and a high game of 244. Second high series went to Mike Murphy with 518, and second high game went to Bro. Egan with 21[illegible] Not bad for the first night, huh? The team to watch this year, we hear, is the Whalens. After all, isn't the Scribe the captain of them? Here are the standings:

Brownson Crowns Its 1941 Golf Champion: Brother Ken Wallise

2-4 Fri. . . . . 4754 N. Western Av

We ring down the curtain on golf f[illegible] the season of '41. Our two big affa[illegible] were a great success, and credit shou[illegible] go to the chairman of athletics, Jam[illegible] O'Byrne, and his able committee. C[illegible] last Sunday night we crowned a ne[illegible] golf champion. He is Bro. Ken. Wa[illegible] liser, who shot a fine 84 to take posse[illegible] sion of the Marshall V. Kearney trop[illegible] for one year. He was also awarded fir[illegible] prize of a golfer cocktail set. Bro. Wa[illegible] liser was followed by P. G. K. Kohl[illegible] and Lannon with an 89.

Low gross for guests was Ray We[illegible] of Lafayette Council with an 84, and t[illegible] Goodfellowship winner of Father Rausch[illegible] trophy was the big bowling alley owne[illegible] Al Long, and no finer fellow could hav[illegible] won it. Remember, Al, to keep it clea[illegible] and take care of it as we will need [illegible] next year. A few in attendance we[illegible] Alex Ciesinsk, Bro. Sans with guest [illegible] St. Josephat's Holy Name; Tom Rya[illegible] and his gang from Queens, Bill Ferg[illegible] and the ever popular bowler Joe Sink[illegible] Doc Tabaka, Jack Dix, P. G. K. To[illegible] Casey and a lot more, but space will n[illegible] permit. To those who attended an[illegible] helped make the day a success, w[illegible] thank you.

The bowlers went into action in th[illegible] Major League. The West Side won [illegible] from Barry Council. On the North w[illegible] won 2 from St. Paul, so our Majors ar[illegible] out to win. The Council League starte[illegible] Tuesday, this week, and from all ind[illegible] cations the league should have a banne[illegible] year. Why not take off a Tuesday nigh[illegible] and pay the boys a visit at Al Long[illegible] newly decorated and remodeled alleys[illegible] We are sure you will have an evenin[illegible] of fun. Come on, you old bowlers, let[illegible] see you once in awhile.

Fourth Degree chairman for class o[illegible] March 1, 1942, is P. G. K. Frank Kohle[illegible] Why not start now and make your plan[illegible] to be in the class? See Frank for mor[illegible] details. The State Deputy recently an[illegible] nounced the appointment of P. G. K[illegible] Phillip C. Nilles of Bishop Ketteler a[illegible] Master of the Fourth Degree for th[illegible] Northern District of Illinois.

We have a new District Deputy fo[illegible] Brownson in the appointment of Br[illegible] Ed. C. Jeffers, P. G. K. of Universit[illegible] Council. We are very happy in the ap[illegible] pointment and will all give our full sup[illegible] port.

Are you doing your part to help P. [illegible] K. Casey put Brownson over the top i[illegible] the sale of tickets for the Charity Ba[illegible] which funds will be used to help defra[illegible] expense of the NCCS Center at 11[illegible] S. Wabash? Let's all get behind hi[illegible] and put it over.

The attendance at last meeting i[illegible] cluded a few new faces. Why not pla[illegible] to set aside two Fridays a month, th[illegible] second and fourth, and attend the mee[illegible] ings? Your new officers are trying har[illegible] to make all meetings interesting and w[illegible] need your help.

You have all heard the old saying o[illegible] "He who hesitates is lost." Well, broth[illegible] ers, let's not lag behind. Bring in a ne[illegible] member or a reinstatement. Your chair[illegible] man, Frank O'Connor, wants action.

After the meeting on next Friday, wh[illegible] not plan to attend St. Josephat's Ho[illegible] Name Social in the lower hall, Southpo[illegible] and Belden. Tickets are 25c.

CAPISTRANO SWALLOWS LEAVE AHEAD OF TIM

San Juan Capistrano.—San Juan Capistrano's swallows have deserted their posts and flown away to their mysterious haven south of the Mexican border, violating a tradition that has been established for more than a century.

The swallows, which come to Capistrano each year on St. Joseph's Day, have invariably left on St. John's Day, Oct. 23. They departed on the eve of the Feast of the Assumption.

Washington Increases Donor Group

Washington Council held a Blood Donors' night at its last meeting and added eight new volunteers to its rapidly growing donor list. Pictured above from left to right with the technician who typed the members are: G. K. John Joseph Ryan, Felix Ilcewicz, Dominic Bruno, Quirino Polanco, technician, John Morrison, D.G.K. Henry Ruge, Chancellor Wyand, Fr. Muzik, chaplain, Dan McCarthy and Recorder McAuliffe.

NEW QUARTERS

Effective next meeting, Tuesday, Oct. 7, Washington Council will hold its meetings in the Medical Arts Bldg., 5th Ave. and Washington Blvd. This is the old Odd Fellows' Hall Bldg. In celebration of the move to new quarters, our brother knights from Melrose Park will entertain the council with an Italian Night. Good entertainment and refreshments are promised.

BOWLING—Bro. George Baynes announces a five man team entered in the Bosco's league. Bowling is on Friday night, the time about 9 p. m. How about giving the boys a lot of moral support this year, and visit the alleys once in a while to boost them along?

NEW DEPARTMENT—Grand Knight John Ryan has instituted a new department in the regular meeting, for the purpose of making any announcements of importance that may come up. Any brother knight who knows of anything of interest such as card parties in various parishes, entertainments, etc., be sure and turn them in at each meeting.

VISITORS

We were very glad to welcome among us again, P. G. K. Joe Halm of Nazareth Council, who spoke on the U.S.O. and the Chicago Chapter Anuual Columbus Day Ball. Bro. Halm urged all brothers who could to purchase tickets. We also welcomed a talk from Bro. John McNellis of Elmhurst Council, who spoke on Mayslake Retreat. This talk was especially timely, due to the fact that Washington Council is sponsoring their annual Retreat October 10-11-12. All brothers desiring reservatoins should contact Bro. John Morrison, Catholic Action chairman.

Washington Council will sponsor a joint First and Second Degree on December 2nd. Grand Knight Ryan has issued an appeal to all members, especially the officers of the council, to try and bring in at least one application. We would like to have a large class for this initiation and trust this appeal is not made in vain.

Our worthy Chaplain, Father Muzik, addressed the members at last meeting. It is always a pleasure to have Father Muzik address the council, as the boys learn something new each time.

Rev. Father Franch, pastor of Our Lady of Mt. Carmel Church, Melrose Park, will celebrate his seventieth birthday September 28. Father Franch is holding open house to all his friends. The officers and members of the council extend their congratulations to this good priest and hope he will live to enjoy many more years.

Treasurer Gilbert Hansen just returned from his vacation, reports a visit to the Servite Shrine at Portland, Ore., and brings back good wishes from Rev. Father Keane, formerly of Our Lady of Sorrows Church, Chicago.

SWAN SONG

With this issue your Scribe wishes to announce the fact that beginning next week a new Scribe will take over these duties. We earnestly solicit your earnest co-operation in aiding Bro. John Morrison, who has been appointed to handle this column. Bro. Morrison has the ability to give you some good publicity, but it will be necessary that you give him any items which may come to your attention. After all, your Scribe, although very willing to serve you, is only one man, and cannot be in touch with everything that happens.

I wish to take this opportunity of offering my appreciation to all brothers who co-operated in making this column a success. I can assure you it was a pleasure to write the news each week and enjoyed re-reading it as much as you did.

Neri to Be Host to Softball Squads at October 7 Meeting

1-3 Tues. . . . . 7515 Yates Ave.

St. Philip Neri Council will play host to the teams in Southeast division of Knights of Columbus softball league on "Softball and Young Men's Night," which will mark the next meeting to be held October 7 at Caravel club, 7515 Yates avenue.

Johnny Miner, star twirler of St. Philip Neri outfit, which "just missed" qualifying for the championship playoffs this year (the first such "miss" in five years), will be the chairman. Assisting him as co-chairman will be Bro. Henry P. Doolin, who acted as pilot of the club which he managed to do among his many other activities.

"Although it will be a 'softball and young men's night,' the council will be paying tribute to these two fine workers," said G.K. William T. O'Neill. "As long as Brothers Miner and Doolin team up this council will be assured a representative team. Sports are a great advertisement for a council, especially with a consistent winner. The softball outfit has kept the council in the sports spotlight for many years. To do that means many hours devoted in behalf of the aggregation, both on and off the squad. That's where Brothers Miner and Doolin have never failed us. The presence of the members at the next meeting will determine to a large extent their gratitude for this pair's efforts."

The committee which is working hard on a fitting program for next meeting is composed of William J. Schroeder, Joseph D. Lopota, John E. Matz, Richard J. Carroll, Ray P. Duffy, Jr., Mike Chapis, Paul L. O'Toole, and Edward Donnellan, Jr.

CHARITY BALL

Bro. Harry Bitter, chairman of Columbus Day for the council, appeals to all members to get behind the Charity Ball drive. He said:

"St. Philip Neri can make a fine showing by disposing of the number of patron and general admission tickets allotted to the council. The patron ducats are five dollars a couple and entitle the donors to have their names inscribed on the program that will be distributed on the night of the party. The party proceeds will be donated to the National Catholic Community Service unit and will be used to defray the expenses of furnishing the recreation center at 1122 South Wabash avenue."

Bro. Dillon, financial secretary, sends out an S.O.S. call to delinquent members to pay their dues. "It will be appreciated if immediate action is taken," said Bro. Dillon.

SOUTH SHOREITIS

If you think you know your prize fighters and are looking for a friendly argument, then see Bro. James Lynch, who is a professional boxing judge. We warn you, however, to be prepared for if you aren't Bro. Lynch will "pin back your ears" with facts.

Mrs. John Melchoir, wife of the St. Philip Neri member, is recuperating in Mayo Clinic at Rochester, Minn., where she underwent an operation.

Bro. Michael J. Mullins has returned from his vacation. Bro. Mullins, who sojourned to Florida, is an employe of Interlake Iron Corp.

Bro. Doolin's happiest hour is when he can take the family and wife out for an automobile ride.

Bro. Joe Creighton is all raring to go as "Santa Claus" this Christmas. He has the support of his charming wife whom this department recently had the pleasure of meeting.

Pinta Members to Take Part in Flag Raising Ceremony on Oct. 12th

1-3 Thurs. . . . . St. Mary's-Riverdale

Father Wieler, our Chaplain and industrious pastor of St. Mary's Church, is formulating plans to observe Columbus Day by inviting members of parish, council and community to take part in the Flag Raising ceremony on October 12 at 12 noon.

The Fourth Degree members are asked to be present as Guard of Honor and to be in full dress for this, as Father Weller says, "Display of Patriotic Catholic Action." For further particulars consult future editions of The Columbian.

State Deputy Leo M. Flynn showed some of his well-known fiery and aggressive spirit at San Salvador's clubhouse last Friday evening when the Grand Knights and Membership chairmen of South Division No. 4 met for discussion on the forthcoming membership campaigns. Grand Knight Stanley Prymas and Bro. John Zmahar attended the meeting and were very enthusiastic about the subjects discussed.

Other important points were brought forth by State Secretary Ray Gleason and Past State Membership Chairman Guy Macina. To D. D. Guy Macina of our neighboring council, Pinta extends congratulations on his appointment. He is well known to us and we know of his administrative and organizational abilities.

PINTA PATTER

To our members who missed the technicolored films of Don Perry's meeting, we offer our sympathy. Five reels were shown on the projector by Bro. Bruno Christeck and it was the most enjoyable evening spent in a long time.

Bros. Joe Cole and A. Stepenski were donors to Miss Phyllis Salerno of Riverdale. Miss Salerno, a lass of fifteen summers, is ill with hemoglobinemia and may need other members of Pinta Council with type number two blood to aid her recovery.

Congratulations to Bro. George and Mrs. Sill on the arrival of a son, or should I say future Knight of Columbus. Drop in on Bro. Sill. No doubt he has a few Havanas around the house.

Our Grand Knight and Financial Secretary were present at the kickoff dinner meeting held at he Hotel Sherman last Wednesday, Sept. 24. Primary purpose of this gathering of District Deputies, Grand Knights and Financial Secretaries was to organize local councils in an efficient drive for the Five Point Program as outlined by the Supreme Office.

Remember our future activities—Hard Times Party in October, our Turkey Contest in November and our Christmas Party, etc. Make plans now to attend. And do remember, of course, the Charity Ball on Oct. 11, and the Flag Raising ceremony on Oct. 12.

St. Francis Will Sponsor Degree Class, Oct. 23

2-4 Thur. . . . . 4711 West Madison St.

St. Francis Xavier Council will sponsor the exemplification of the first and second degrees of the Order on October 23, the date designated by the Cook County Membership Chairman, Guy Macina. The degrees will be exemplified in our council chambers. Our own membership chairman, D.G.K. Salvatore Cirrintano, is anxious to make this class, the initial one for this year, an unusually large one. And it can be done with your help. You still have time till the next meeting, October 9th, to bring in those applications. Let's see what you can do.

Sponsors of insurance applicants are reminded that they will not receive their three dollars until the member has paid up his assessments for the first three months. As soon as your candidate has done so, call this to the attention of the financial secretary, Alex Coletta. He will then fill out a form and mail it to the Supreme Office. Then you'll get your share.

We welcome Bro. Marco De Stefano, member of our "compare" council, St. Cyr, as our new district deputy. Marco is well known and liked in K. C. circles and especially with the officers of our own council. Elated are we over the appointment of a man of his caliber to serve as our district deputy. This also prompts us to revise a familiar quotation "Let the ribs fall where they may." And they're going to fall hard, fast and by the dozens! (Yours truly had some corn-on-the-cob just before he wrote this.)

THIS AND THAT

Hail to St. Cyr Council, who annexed the K. of C. softball title last Thursday night by defeating Leo XIII. This marks their third crown in nine years. We salute the champions and at the same time remind them that St. Francis is still very much in the league. Watch out next year, St. Cyr! The sad news of the finals appears further in the column.

The first quarter of the year has ended. Are you paid up on your dues and assessments? If not, you can expect a member of the lapsation committee to pay you a social visit in the near future. Bring your dues up-to-date. Avoid the risk of suspension. . . . Bro. William Barber, one of our newer members, submitted to a blood transfusion last week for Mrs. Catherine Amado at Post-Graduate Hospital.

Wedding anniversaries are being observed by Sir Knight and Mrs. Anthony Raciti, their fifth on September 20 Recording Secretary and Mrs. Vincent Candice, also their fifth on September 25th. The Racitis, Candices and Joe Defilys are going to make a night of it to celebrate these anniversaries. Lots of luck and have a good time. . . . Bro. John Caruso will be 35 years old September 27. Happy birthday, John. . . . Our Chancellor and Mrs. Charles Principe commemorated 14 years of married life September 24. Congratulations!

The lofty aspiration of our softball warriors came to an abrupt ending last Wednesday evening at Shewbridge Field in the K. of C. city finals, when Santa Maria Council dealt them a 13 to 7 trimming. Santa Maria took the lead in the second inning and never relinquished it although St. Francis threatened many times during the game. In that inning they scored six runs due to four errors.

Even though our boys didn't come through as expected, they should be congratulated on their spirit and team work in winning the west section championship for the third consecutive year. The box score follows:

In the "500" or over class for this week are B. Mele, 506; S. Defily, 516; A. Vitallo, 527; C. Criola, 527; F. Pasquale, 566; A. Arito, 534; Doc Vincenti, 512; O. Furlan, 553; Curbes, 565; and A. Rossi, 562.

Have a buck with you to pay for your fee. The big point is, be out there. You're assured of a good time. Larry promises a few surprises.

Marquette Ladies Have Grand Time at Special Party in Their Honor

1-3 Thurs. . . . . 1928 Devon Ave.

Congratulations and thanks to our Lecturer, John L. Henrick, for the swell party he put on for the ladies following our last meeting on Sept. 18. Plenty to eat and drink, card playing and dancing and each of the ladies going home with a lovely compact as a token of appreciation for their attendance, spelled a good time for all those present. If you missed it, it was your loss. Better watch for the next and be sure to bring along the Missus.

The U.S.O. is a body organized to help our service men by giving them comfortable entertainment. The Chicago Chapter is promoting a ball and card party to be held at the Palmer House on Saturday, Oct. 11. The dance will be held in the Grand Ballroom and cards will be played in the Exposition Hall. Our Council has a quota of tickets to sell and your Grand Knight is desirous of going over the top in this undertaking.

Tickets are one dollar, with patrons' tickets selling at $5.00. A patron ticket includes admission for two and listing in the official program and The Columbian. The proceeds of this Charity Ball will be used to furnish the Soldiers and Sailors Clubhouse at 1122 S. Wabash Ave. You will receive these tickets in the mail, so please give them your immediate attention, won't you?

COUNCIL NEWS

We congratulate P.G.K. Henry L. Phoenix on his new appointment as a District Deputy, and we are especially happy that Marquette is in his jurisdiction. Bros. Pettis and Bagley should be home this weekend from their motor trip to San Francisco. Bro. Pat O'Donnell and wife continue to play golf each Sunday.

Many of our members attended a stag party for Bro. John J. Garrity of 6423 N. Washtenaw. The party was held last Monday night at the 50th Ward Democratic headquarters. Bro. Garrity, son of the popular Jack Garrity of the Board of Trade, is being married on Sept. 27 at 10:00 o'clock Mass at St. Timothy's Church. Bro. Tom Loftus of Marquette will do the singing at the Garrity-Hughes nuptials.

On next Sunday, Sept. 28, Captain and Mrs. John J. McGinnis will celebrate their 25th silver wedding anniversary. We re-echo the thoughts of thousands of their friends by wishing them many more anniversaries.

Ouilmette Asks Every Member to Cooperate in Charity Ball Drive

2-4 Mon....1215 Wilmette Ave., Wilmette

PGK Peter Thalman, district chairman, and Chancellor Harry Peters, council chairman for the charity ball, are hereby sending their call to all potential charity ballers and ballerinas to contact either of these two brothers or GK George E. White to place their orders for tickets.

Bro. Peters will welcome your call at his home; the telephone number is Wilmette 611. GK George E. White announced at the last meeting that he had received commitments for twelve patron tickets to date himself, which is indeed encouraging and presages a banner year for the council.

The proceeds from the ball will go to the N.C.C.S. this year, which will be an added incentive to many of the members whose friends are already in the service. Individual admission tickets are obtainable for $1 and patron tickets at $5, the latter entitling the patron to two admissions and listing in the official program as well as The Columbian.

PGK Ed Cunningham, chairman of the minstrel show committee consisting of all PGK's and present officers, presented his business partner, Mr. Mullaney, at the last meeting. Mr. Mullaney will direct the show and has already picked a number of the brothers for key positions. He would like to have every brother and his family present next Monday night, Sept. 29, to begin the actual rehearsing.

He promises to have a part in the show for everyone from eight to eighty. His theory is that the larger the cast the greater are the chances for a successful show. His confidence is inspiring—he promises to have everything in shape for a performance in early November. Don't miss the first rehearsal Monday because this thing sounds like it will be more fun for the actors than the audience.

P. J. Steffens, financial secretary, announces that there are a number of brothers who have probably inadvertently omitted paying their dues, and requests that they kindly give this matter a little attention as soon as possible.

The blood donors' group was swelled by sixteen new members at the last meet. We now have around sixty members in this worthy group. Next Sunday is our quarterly communion Sunday. This will be a family event at the Faith, Hope and Charity Church in Winnetka at the 8 o'clock mass. There will be no breakfast after communion.

Rev. Raymond Hillinger, a member of our council and a brother of Treas. Phil Hillinger, will conduct a mission next week at Morton Grove beginning Sunday and continuing for eight days. The first four nights will be reserved for ladies and the remaining four for men.

DGK Nic Miller is one of those unheralded martyrs to conventionalism who had his old ones pulled and the new put in the same day. Bro. Al Schaeffer did it again—another baby girl. Congratulations, Al. Bro. Norbert Miller, bowling league president, is fishing now—wonder what his "no catch" alibi will be.

The Catholic Daughters of America are having a card and bunco party on Oct. 6 at the Odd Fellows' Hall, 8 p. m., and extend a hearty invitation to all to attend and to bring their friends. Contact Mrs. Laura McDaniels for further details. Her phone is Wilmette 4288.

Tonti Pleased with Major Appointments Given Two Members

1-3 Thurs.....4221 Irving Park Road

Tonti Council has been signally honored in the recent appointments of PGK Chas. Ruzkowski as district deputy and PGK J. Robert Anderson as member of the Illinois Knights of Columbus Athletic Commission. PGK Chas. Ruzkowski held various offices in the council and was grand knight during the silver jubilee of Tonti. During his tenure of office the council made great strides in membership increase. After completing his term as grand knight he served as lecturer and at present is chairman of the Christmas Cheer committee.

He is, and has always been, a very energetic and conscientious worker. In addition to his council activities he is very active in charitable organizations, having at present a leading role in the St. Vincent de Paul Society. As district deputy he will have under his jurisdiction Lafayette Council 361 and Archbishop Weber 2789. We feel that these two councils are very fortunate in acquiring as their district deputy such a hard-working exponent of Columbianism as Charles Ruzkowski.

PGK J. Robert Anderson, who has been honored with the appointment to the Illinois State K. of C. Athletic Commission, is a trustee of our council and also a Chicago chapter trustee. Bob is a regular attendant at all council meetings and activities. I don't believe he ever missed a meeting. For many years he represented Tonti at the Chicago Chapter, a representation of which we are proud. We know that Bob will be a just arbiter, with fairness to all in his duties as a member of the State Athletic Commission of the K. of C.

Tonti Council extends its deepest thanks and appreciation to State Deputy Leo M. Flynn for the high honors bestowed upon our council. We are sure that PGK Charles Ruzkowski and PGK J. Robert Anderson will prove worthy of their trust, and to you, Charlie and Bob, our heartiest congratulations and best wishes for a long and distinguished career as officials of the Knights of Columbus in the state of Illinois.

NEW MEMBERS

Encouraged by the honors bestowed upon our council, it is but fitting that the membership should respond by a more energetic effort in attaining our quota of 50 new members for the fiscal year. Chairman Spekowski started the ball rolling with two insured applicants at the last meeting. Many brothers are acquainted with eligible Catholic men who would become members with a little urging. With your cooperation our quota should be reached by Christmas. The Oct. 16 meeting has been set aside as membership night. This will be an open meeting, so bring your prospect up to get acquainted with Tonti. There will be refreshments and entertainment.

If you want tickets for the charity ball, obtain them at the next meeting, Oct. 2, as that is the last meeting before the dance. Let's make it a real Tonti party. Bring along your friends. It's on Saturday evening, Oct. 11, at the Palmer House. Admission is $1 per person, or $5 for the patron ticket, which admits a couple and your name on the official program.

NEW ACTIVITY

The Barrel of Fun, a new activity, has started a-rolling. Lack of space here does not permit full explanation, however, when you come up to the next meeting bring along a spare package of cigarettes, a magazine, chewing gum, or stamps, or what have you, and deposit them in the "Barrel of Fun." They will be forwarded by PGK John Olsta to our brother members in the service. Watch The Columbian for further developments.

The next meeting will be Thursday, Oct. 2. The lecturer has promised us chop suey, so don't miss out. Grand Knight Buettner starts meeting promptly at 8:30 p. m. and adjournment generally is between 10:18 and 10:23 p. m. This affords plenty of opportunity of enjoying the refreshments and arriving home at a reasonable hour.

TONTI NOTES: The weekend of Nov. 7 has been set aside for Tonti and kegan Councils' Mayslake retreat, register with Trustee Ed Deka, the man of retreat. Bro. Paul Totzke, visiting Milwaukee during the convention, visited the K. of C. rooms on Wisconsin Ave. Bro. Mikulski also attended the convent

Bro. Julius Krol has been tran and his new address is: Pvt. Ju Krol, Inf. 41st Division, Camp M Washington. Drop him a line. T our old-timers put in an appeara the last meeting—Bro. Cas. Wilc and Bro. Walter Bobowski, p champ of 1940. They both promis regular attendance in the future.

Will be seeing you Thursday, 8:30 sharp, and save some roo chop suey.

Council trounced them in the finals, proved just as modest winners as graceful losers, and warmest congratulations to the clever South Side team on the victory.

Congratulations, too, to St. Cyr, winners of the city title, vanquishing Leo in a fiercely fought game in the final contest. The battle went into extra innings before St. Cyr eked out a victory. Leo looked like a winner, but St. Cyr, with two out, tied it up in the ninth, then after extra innings in which both clubs played smart, heads up ball, St. Cyr counted twice and regained a crown they had won twice previously.

A word of praise, too, for the excellent manner in which the league officials conducted the finals.

It was a successful softball season even if the team did not retain the citywide crown. Delegate Chick O'Malley, Mgr. Frank Linskey and all of the players gave their best throughout the season, won the divisional championship and made a host of friends in the finals. Hughes Council is proud of every player.

Auburn Park's Charity Ball Committee Shows Very Excellent Results

2-4 Thurs.....7740 S. Emerald Ave.

Our Grand Knight, Harry J. Cox, has made complete arrangements whereby Auburn Park Council will co-operate with the committee in charge of the annual Charity Ball and dispose of the tickets assigned to our council. The patrons' tickets are going very well under the leadership of Bro. John H. Clausen, and through his efforts expect to dispose of the entire quantity. Our State Deputy, Leo M. Flynn, has already secured three patrons' tickets. Bros. John Clausen, Thos. Crown, Richard J. Knight, John F. Shanahan and Grand Knight Harry Cox are already on the patrons' list, and as Bro. Clausen makes further progress he will announce the purchasers of additional ticket holders.

Thet general admission tickets at $1.00 per person are being handled by our treasurer, Bro. George Wrocklage. Seventy of these have been distributed among the captains or district chairmen in their local communities to dispose of, and we believe that this plan will be very successful. It looks like Auburn Park members will be well represented at the big annual event on Saturday, Oct. 11, at the Palmer House.

The net receipts of this Charity Ball are to be used in furnishing the new soldiers' and sailors' clubhouse at 1122 S. Wabash avenue, now open for the enjoyment of men in the service of their country. It is under the direction of Bros. James Carney of Fort Dearborn Council and Roy Bedore of Setters Council. These two brothers invite you to inspect these clubrooms at your leisure, and when you see what has been accomplished we are sure you will get behind this movement with your full co-operation.

VACATION NOTES

Our Deputy Grand Knight, Bro. John Coughlin, has just returned from the Rocky Mountain regions, having spent his vacation on a dude ranch in Montana. He has a number of photographs showing his ability as a horseman, and John looks like a real cowboy. He is trying to sell the idea to a number of the brothers to go west on their next vacation.

BOWLING GETS UNDERWAY

The council bowling league, under the direction of Bros. Paul Byrne and Tom Cole, got underway on last Monday evening at the Highland Recreation Alleys, 1310 W. 79th street, and because full particulars are not now available we will give a full and detailed report in the next issue. However, there is still room for any member who desires to bowl this season and who has not as yet registered. Come over to the alleys next Monday evening at 7 o'clock and contact Bro. Walter Fox and sign up. These youuger brothers of our counsil are most interested in getting this activity started, this being the first time that we have had a league of our own, and they are most deserving of your support. Help the boys to get away to a good start. Remember every Monoay evening, 7 to 9 o'clock, at 1310 W. 79th street.

TEAM LOSES TO THE CHAMPIONS

In the first game of the playoffs Auburn Park met with St. Cyr, winner of the St. Cyr-Madonna game, at Shewbridge Field on Wednesday, Sept. 17, to meet with defeat. We take our hats off to the new champions from the north side; they had a tough schedule and came through with flying colors. Auburn Park had the big jitters and played terrible ball, making at least ten errors and losing to the tune of 15 to 6. Your reporter was out of the city during the week of the finals and could not give complete details of the game. This being the last of the vacation and will be on duty for the next fifty weeks and keep you well informed of all activities as we have in the past.

It is again our great pleasure to welcome the assignment of District Deputy Wilfred Byrne to Auburn Park Council. He is well known among the council membership, and we wish him every success during his term of office and extend to him an invitation to be present at Auburn's meetings whenever possible.

Barry Activities Keep Clubhouse Rafters Ringing

1-3 Tues. . . . 2856 Washington Blvd.

As all of you know, who were here last Tuesday, three certificates good for one pair of bowling shoes were given away at our meeting. The winners were: W. Revoir, who was our guest from Illinois Council, and was brought here as a guest of Brother Delaney; Anthony Imbrogno, Thomas Geegan and Bill Dunn. W. Revoir also subscribed to our dance program.

There seems to be something doing here at the Clubhouse every minute in the evening. Tonight as I write this I can hear the pins being knocked around down in the Bowling Alley; some of the boys on this floor are deeply engrossed in a Pinochle game and down stairs others are congregated talking. Last winter there didn't seem to be this much activity, and it certainly looks as though Barry is once again coming into her own.

ECHOES OF THE ROUND-UP

The Round-Up was held last Saturday and Sunday, and from all reports it was a huge success. Many were the beautiful prizes given away to the low net scorers, and everyone seemed to be pleased. Many, many thanks are due the promoters of this Round-Up as they worked long and hard to make the undertaking a success.

Along these lines may I voice the sentiments of those who were there, and thank, sincerely, "Mike" Cunningham for his large part in making the affair the success it was.

Winners, their scores, and the prizes they won are: Ed Dietz, 71, electric clock; Dan Keating, 71, tie chain; Frank Soldat, 73, shirt studs; John Foley, 75, tie chain; Ken Wallace, 75, deck of cards; George Bamber, 75, deck of cards; Jack Grism, 76, tie chain; Al O'Malley, 76, two golf balls; Ed Healey, 78, tie chain; Bill Gregg, 79, two golf balls; (Guest) Wes Richardson, 79, two golf balls; Paul Healey, 79, two golf balls; Mr. Bonk, 79, two decks of cards; Mr. Edwards, 79, two golf balls; Bill Kennelly, 79, two golf balls. John Sheehan, 80, deck of cards; Mr. Wietort, 80, two golf balls; Dr. Leo Cahill, 80, tie chain; Dr. Minich, 81, traveling kit; Ray Schlitt, 81, tie chain; Dick Keating, 81, two golf balls; Bill Dunn, 82, two golf balls; Jim Wixted, 82, two golf balls; J. Mohr, 82, two golf balls (Guest) Ralph Kurtz, 82, two golf balls; (Guest) E. Anderson, 82, two golf balls; (Guest) Joe McGrail won the door prize which was a leather duffle bag.

NEWS OF THE WEEK

Just received a card from Matt Regan, and wanting you all to know of it and its contents there is no better way than to give it to you through these columns. The card came from Round Lake, Canada, and Matt says: "Margaret and Matt Regan are visiting their sister, Catherine Connelly Hughes, and her two sons in Buffalo, N. Y., 150 miles northeast of Toronto." Matt is doing some fishing.

One of our beloved members, Brother Thomas Hoskins, has written a vitally interesting article in the Austinite, under the date of Sept. 3rd, concerning wartime in Canada, which we feel you would all like to read. Space does not permit it in this column, but I heartily recommend your procuring a copy of the above named periodical and read it.

Mr. Hoskins is a Deputy Clerk of the Municipal Court, and a member of Commodore Barry Council, Knights of Columbus, also a Garfield Park Aerie, Order of Eagles. He was born in Plymouth, England, a city almost wiped out in the present war. Not so long ago in this same column you read of the death of Mr. Hoskins' cousin, who was killed in Plymouth during a bombing raid.

We sadly announce the passing of the mother of Joseph Rooney, who passed away on Sept. 16. May her soul, and the souls of the faithful departed, in the mercy of God "Rest in Peace."

We wish also to extend our deepest sympathy to the family of Herbert H. Larner, a member of Barry Council for 29 years, who passed away Sept. 20, and who was buried from St. Columbkilles Church on Sept. 23. We ask all the members of Barry Council to remember him in their prayers.

36TH ANNIVERSARY DANCE

We are glad to report that the following Brothers have made remittances for their dance tickets: Thomas Ahern, Andrew T. Greeley, Alderman George Kells, Rev. Father William Gorman, Rocco Tarsitano, James McNamara, George L. Bauman, Jack Goggin, John Delabadia, Paul Branks, Daniel Corcorran, John F. Chase and Albert Schultz.

Why not let this be a reminder for you to get your dance tickets out and to sell them and help put this affair over. Keep our friend, Phil Cullen, busy taking in the dough! He won't get mad!

PICKUPS FROM THE SIDELINES

Brother Emmet Cullen, a brother of Phil, the lawn mower expert on grass and weeds in his back yard, was all smiles last week when a baby girl arrived at his home. Mother and babe are getting along nicely and we want to congratulate Brother Emmet and wife on the new arrival.

Brother Pat Crowley appeared at the last meeting after a long absence and he left the club house with a big smile on his face as the boys made it possible for him to have enough to lay in a good supply of his winter's fuel in his new home. Pat said he will be sure and attend the next meeting as he is in need of a new lawn mower.

We want to congratulate Brother James Rose on being the first member of the 1942 Century Club. Thanks, Jim, and we hope more of the boys will follow suit.

Spotted Vince Johnston at the C.Y.O. boxing show last week with a big pair of binoculars over his shoulders. The speedy bowling star does not want to miss a thing when it comes to boxing.

St. Cyr Tops "Fighting Irish" to Win First Softball Title in Seven Years

Piazza Hits Homer with One On to Break Twelfth Inning Tie

JOHNNY MINER

The time was twenty-six minutes past twelve midnight on September 19, 1941; the scene Shewbridge Field where the K. of C. Softball League Championship game between St. Cyr of the North Division and Leo of the Central had gone into the last half of the twelfth inning with the score tied at 10 all.

Jasper Campisi of St. Cyr had just reached second base on an error by Lostracio of Leo when the mighty Phil Piazza strode to the plate with all the finesse of a Joe DiMaggio. Tom Corcoran, as fine a pitcher as was seen in the series, was twirling for Leo but his first toss to Piazza was hit on a line over right field for a circuit clout to make the score 12 to 10 and to crown St. Cyr the new champions for the 1941 season.

Manager Vic Priola is to be congratulated on bringing the title back to St. Cyr after a seven-year lapse.

The championship game was probably the most thrilling in all K. of C. Softball history. The "Fighting Irish of Leo" played their hearts out and went down like gentlemen. Leo went ahead on hits by Kelly, Dorywalchi and Filiplak to net two runs in the first. St. Cyr scored one in the second and two in the third. Hits by Corcoran, Lostracio and Healy pushed over two more for Leo in the third and a homer by Russ Boyle added another in the fifth. Leto scored for St. Cyr in the fifth. A double by Dorywalski, a home run by Healy and a double by Filipiak and an error tallied three more for the Fighting Irish in the sixth.

Joe Cannizzo scored on a home run to open the St. Cyr sixth. In the eighth Leo added two more to give them a ten to five lead. A home run by Campisi with two on scored three for St. Cyr in the eighth. In the last of the ninth Leto singled as did Ippolito and Climac to tie the count at ten all.

MANY STARS

The series produced many stars; probably the most spectacular was Eddie Climac of St. Cyr; his spectacular fielding, batting and base-running will give the hot stove league plenty to talk about. Piazza, Cannizzo and Campesi also sparkled with their all around play for the champions. The pitching of Corcoran of Leo left little to be desired; Joe Healy, Dorywalski and Russ Boyle also should be added to the honor roll.

ST. JAMES 13; SANTA MARIA 12

St. James captured third place by defeating Santa Maria by a 13 to 12 score. St. James can thank Gordy Thornton, Paul Sink and the "aged" Joe McGreal for their timely hitting in this victory. Joe Judge and John Mirabelli did yeoman work for the losers.

LEO 10; ST. JAMES 7

Leo reached the finals by virtue of a victory over St. James by a 10 to 7 score. Seven errors caused the downfall of the losers. Dom Lostracio and Ed Filipiak made three hits apiece for the victors.

St. Cyr overcame a 6 to 1 lead to defeat the dark horse from Santa Maria, 12 to 7 early in the playoffs. Phil Piazza also starred in this game with three hits while Ray Cullen annexed three to keep the losers in the contest.

St. Cyr also downed the strong Auburn Park team by a 15 to 6 score. Santa Maria reached the semi-finals by running over a jittery St. Francis team, 13 to 7.

HONOR ROLL

A list of players performing in big league fashion for their respective councils during the championship finals are Hughes, Jerry Conroy, Joe Garvey and Frank Linskey; De Soto, Joe Shemroske, Al Schram and Art Booz; McHale, Leo Wemple, Bill Carey and Jack Rogers; Lafayette, Pete Kowalski, Bill Hart and Frank Lorenz; Madonna, Pat Smith, Ed Farrell and Dick McLaughlin; Ketteler, Phil Rossi, Julius Bartgen and Hank Tomera; Santa Maria, Henry Nico, John Mirabelli and Joe Judge; St. James, John McSweeney, Paul Sink and Jim Bird; Auburn Park, Paul Byrne, Art Ridell and Dick Murphy; St. Francis, Nick Masse, Phil Rutili and Casper Consentino.

O'Connell Workers Put Council Well on Way to Century Club Rank

2-4 Tues. . . . . Hill and Franklin

Our bulletin figures to date: Applications, 33; Reinstatements, 4, and Transfers, 3. Thus we have gone a long way toward reaching our century goal, which our new Grand Knight has set for the council. However, there still remains two-thirds of our task yet to be accomplished, which means that our work must be increasingly zealous from here on. Let's not put it off until the last month; let's get the new members now and if we want to do any coasting let's wait until after we've got 100 new applications.

O-CON NOTES

Frank McAuliffe is very proud of his progress with our new Fourth Degree Club, and incidentally the council, too, is very proud of the work of our chancellor, Bro. Frank McAuliffe. Bro. Jos. Stornello was the lucky winner of a pair of dandy binoculars which the Lecturer awarded last meeting.

Young Bros. Jos. Meier, who attended a bowlers' meeting for the north division bowling league, reports that teams will bowl at the Bowling Lanes, 5200 N. Broadway. As soon as the league begins you will be given a schedule of the night and the teams we bowl. We have a new sponsor, new shirts and several new bowlers. This year we promise a lot of action.

On Sunday morning, Oct. 5, at the 9:00 o'clock Mass at St. Joseph's Church, Daniel O'Connell Council will receive Holy Communion in a body. In past years it has been customary to make the reception some time in November, but this year, due to the large number of applicants to receive their primary degrees, we have decided to receive on the above mentioned date. The Chaplain will notify all by letter in sufficient time.

Thanks to Mrs. A. Henricks who took the dictation of these notes and typed them for The Columbian. "Ye Olde Scribe with a cold in his tummy couldn't sit down long enough to do it himself."

Oak Park Ladies Will Be Guests at Meeting on Monday, Oct. 13th

2-4 Mon.....641 S. Scoville, Oak Park

The last meeting was a good forerunner of the coming sessions. There were a large number of the members present and we are sure that they all enjoyed "The Ghost Goes West."

Lecturer DuChateau announced a ladies' night for the next meeting, and we ask all members and their ladies to be present. This will be the first ladies' night meeting for some time and we anticipate that it will be a big affair. Don't miss it. You will be entertained handsomely and we are sure that you will be favorably impressed with our hospitality.

A strong plea is made to all members that they support the charity ball this year. For a couple of years back this ball has been supplanted by concerts, etc., but the same results were not obtained. Therefore this year they will return to the charity ball to be held on Oct. 11 at the Palmer House. The tickets will be $1, patron's tickets $5. A portion of the proceeds of this affair will go to the N.C.C.S. for the entertainment and comfort of service men in the city.

There will be a fall frolics on the 15th of November at our clubhouse and we ask you to be in readiness for this event. We want to fill the old home from top to bottom. There will be entertainment for all and we again ask you not to forget.

PERSONALS

Bro. and Mrs. Thomas J. Ryan of W. Monroe St. announce the marriage of their daughter, Mary Frances, to William J. Kennedy on Sept. 20 at Notre Dame, Ind. We extend our hearty congratulations to the happy young couple and wish them a lifetime of happiness.

Chancellor Joseph F. McDonald announced at last meeting that there was another young voice in his household—a daughter, Ann Maureen, who, Joe says, is the best in the world. Congratulations to you both, Mr. and Mrs. McDonald, and best wishes.

Another new arrival in the world was a daughter, Kathleen Mary, born to Mr. and Mrs. John H. Murray. Johnnie wasn't present at our last meeting but the news arrived anyhow. Congratulations and best wishes to these happy parents.

Not to be outdone, Bro. William E. Smith told us of the birth of a granddaughter, Sandra Lea, to his son and his wife. Bill enters Sandra for the "best" competition. Our congratulations and our hopes that Bill will keep forever young now that he has youth to keep him company.

One announcement that we missed a week or two ago and one that we dislike making, yet would never pass intentionally, related to the death of Bart Donovan, son of Bro. John Donovan and brother of Dennis. Bart, ill for most of the time since the World War, passed away and was buried from Ascension to Mount Carmel. May his soul rest in peace. Our sympathy to John and Dennis.

Robert Carraher, son of Bro. Bob Carraher, has been moved to California by Uncle Sam. Bro. Doane is back after a 4,800-mile trip to California to see his son now in the Army.

Illinois Mourns Death of a Charter Member, Brother Simm F. Casey

1-3 Mon. . . . . 64 E. Lake St.

With most committees appointed—and we learn that William Groden is chairman of the membership committee; James I. Uppington is chairman of the sick and relief and John Spaulding Robb, our new Lecturer, we should show progress. Others will follow as the Grand Knight gives his customary fine thought to these selections.

R. I. P.

It is with genuine regret that we have to announce the death of our late Brother Simon F. Casey. Entering Illinois Council as a charter member January 16, 1898, he was a faithful member, regular in his attendance until the recent past when an automobile accident plus, of course, substantial years over which he had passed, made regular attendance impossible. He had retired to the home of his sister, Mrs. Ryan, at Mt. Horeb, Wis., where he died last week and was buried in his native Wisconsin.

Simon was connected with the Chicago school system for many years, a principal of one of the elementary schools on the west side. He was always kindly disposed and it could be very well said of him, "a gentleman always"—may his soul rest in peace.

NEXT MEETING

News is mighty scarce this week. Of course you know the next meeting of the council is Monday, Oct. 6, at DePaul Hall. The Grand Knight tells us that he will have a speaker for that occasion. Please arrange your affairs so that you can be present.

Our sympathy also goes to Frank Kane and his family in the loss of their young daughter, who died last week. Brother Kane is vice-president of the Chicago chapter. The girl was 16 years old.

THE SOUNDING BOARD

The distinguished police career of Lieut. William E. Bergan came to a close the early part of this month when he reached the retirement age. The man with the camera eye was with the police department for thirty years, the last seven of which were spent at the Austin Station.

The Lieut. figures the retirement age hits him a little too soon for a vigorous young feller like him, so he doesn't plan to just sit around to wither up and blow away. Instead, he is going to look around and see what's going on and go with it.

P.F.S. George Quill announces the forthcoming marriage of his daughter, Gertrude, to Robert Oelrich, son of Battalion Chief Oelrich, on Oct. 4, at Resurrection Church, with Monsignor Quill, a relative of the bride, officiating. Uncle Charlie and Uncle Ed will render their expert services at the reception. Hey, George, do you want us to help the uncles?

In spite of the fact that people do not like the Reds, most of them hope that Uncle Joe Stalin's boys will send the Germans out Russian (ouch). G'BYE.

Americus Slips the Boys a Poemy One— We Don't Mean Foamy

2-4 Tues. . . . 3350 W. Jackson Blvd.

This is the in-between season; Kelly Night happens after this goes to press and the next meeting is three weeks away and the snoopers have been laying down on the job, so it is their fault that we inflict the following upon you.

He's just a lad in the neighborhood,
You see him almost every day—
Going to work in the morning
Or on his way home with his pay.

He goes to Mass on Sunday,
He approaches the Communion Rail,
He is a man you want to know,
He is the one you love to hail.

He loves his family dearly,
He has plenty of Civic pride,
Now you know he is the one
You'd like to have on your side.

So, why not approach him, Brother,
And tell him, I'm sure you can—
How to become a better Catholic
How to be a finer American.

Tell him about our Insurance,
And our other activities, too,
And if he signs an Application
He will never stop thanking you.

So, Brother, look around you,
I am sure that you will find
One of the neighbor's children
Who would be just the right kind.

And if you get him to join us,
And, Brother, I know you can,
You will do everybody a favor,
God, Country, The Knights of Columbus and above all the Man.

If you need any help in landing that Applicant call the Chairman of the Membership Committee, P.G.K. James Mooney, Kedzie 1252.

MEMBER NOTES

Last Saturday evening, Trustee John O'Brien was inducted as Commander of Norman J. Cornwall Post of the American Legion. It was a beautiful ceremony, with many Americus members present. Brother Al Horan was Master of Ceremonies and P.G.K. Ned Kelly was Chairman of the Arrangement Committee. The floor show at the party following the induction was featured by Eddie Becker's imitation of Leon Errol, and a dance by "Gypsy Rose" Mooney.

THE BOWLING season opened last Friday night with a great deal of pep. The first game turned out to be a struggle between two individuals, Harry Ryan and P.G.K. Jim Mooney, to see who could get the lowest score. It ended in a tie; they each had 112 when the gong sounded. Archie Olive Corso bribed the pin boy and got the high score of the evening, 191. In the team play Captain Scott was absent and his team lost two games to the Corso's, and Prexy Costello's Five took two from O'Rourke's Quintuplets. The Teams at present are named after their Captains, but in the near future the boys will select the names of four prominent business men who will act as sponsors. At present the bidding for these places is very spirited.

OUR SYMPATHIES to Brother John Quinn, who buried his father-in-law last week. Tom Gannon called to tell us that Mrs. Philip Golden wants the world to know of her gratitude to Fin. Sec. Jack Crawford and the K. of C.'s for the blood transfusion given to her husband. Brother Golden is a member of Charles Carroll Council.

Rumor has it that there will be another plate set at O'Rourke's table soon. Wonder where Mrs. John Buckley is keeping herself since she returned from Minnesota. Keeping a close watch on her beautiful young daughter (whose picture was in the Sunday Times a few weeks ago) we bet. We learn from a reliable source that one of our leading attorneys, Brother John McSweeney, entertained the Father Lambert Cadets the other evening. Among them were Ald. Gillespie, Pete Callan and John Hassetts of the Quincy St. Hassetts. The usual refreshments were served and a good time was had by all.

We hope by the time you read this everybody will have their tickets for the Chapter Ball, Oct. 11, at the Palmer House. The Committee will be glad to supply you if you have not. See Brothers Gannon, Koop or Joyce.

Gen. Sherman to Pay Dues of All Members in Country's Service

1-3 Tues.....4300 W. North Ave.

DRAFTEES, ATTENTION! Any member who is or might be drafted, get in touch with Fin. Secy. Joe Diesenroth or GK Welker, as a motion was made and passed that the council pay the dues of any member inducted into service until such time as he is discharged from said service.

At our last meeting, Bro. William King gave an entertaining talk on the charity ball to be held at the Palmer House Saturday, Oct. 11. This affair is being run to provide furnishings for the recreation center of the National Catholic Community Service Club at 1122 S. Wabash Ave. There will be cards and dancing. Admission is priced at $1. Bro. King marvelled at the attendance we had (it was as large as I've seen) and the ginger and pep shown during the meeting. Why don't the rest of you fellows come up and see what's doing?

MEMBERSHIP DRIVE is coming along with two new members in the council already. Bro. Henry LeRoy transferred from Father O'Connor and Bro. Wm. Connelly from Buffalo, N. Y. The following six applicants are eligible for degrees: Cyril Chapek, Frank Gallagher, Joe Lambrilaz, Paul Kaleth, Joe G. Marine and Alex Trembus. Two more applications were read off at the last meeting, both being secured by chairman of the membership committee, Matthew M. Ellgass. Bro. Ellgass would like a little more cooperation in this membership drive, and he informs me he is still waiting for those applications which the officers promised him.

AROUND AND ABOUT

Don't forget Father Sesterhenn night, Saturday, Oct. 4, at Holy Trinity, Taylor and Wolcott Sts. Dinner will be served from 6 p. m. till 8 p. m. Bring along the ladies and enjoy Father Mike's hospitality. Admission is one buck. We were without the services of Treasurer Terry Clark last meeting, but Terry had a good reason for being absent. His two daughters have a new playmate and Sherman a potential member. Mrs. Clark and the new baby boy are both doing well at St. Anne's Hospital.

There was only one bill read off and approved by the trustees. Twenty tickets were awarded free for the charity ball. The audit was signed by all the trustees and placed in the custody of the recorder as a permanent record. Eddie Geary wants his Columbian delivered to his new address, Apt. 123, 200 Rhode Island Ave. Northeast, Washington, D. C. If some of you fellows will drop Eddie a line I'm sure he will appreciate it.

BOWLERS' STUFF

Am wondering who took care of the new twins last Thursday night as Bro. Will Meyer and the Mrs. visited the alleys. Charles Bodenbender, one of our former bowlers, who runs a refreshment stand on Armitage Ave., visited the alleys along with Tony Mootz, a former member of our council, who gave a few of the boys lessons which they wish they had not taken. How about it, Eddie Holterhoff and John Zoltek? Hear that Bill Fetz brings along his own towel. What's the matter, Bill, things pretty hot on that team you're on, or does GK Welker make you fellows work so hard?

Next meeting of the council will be Oct. 7—"past grand knights' night." Let's make arrangements to attend and show our appreciation to these men.

Newman Members Find One-Day Retreats Are Growing Very Popular

1-3 Thurs. . . . . St. Mary's Hall

For the benefit of the brothers who were not at last meeting, I think a short resume of it would be in order. Usual business meeting was conducted with a few words from Father Waters, of the Redemptorist Order in Glenview, included.

He told of the tireless efforts being made to further the retreat movement amongst Catholic men. Surely as a Knight, each of us should make an effort to attend a retreat in the very near future and then repeat as frequently as possible.

Fr. Waters added that, due to the popularity of the one day retreats, the priests planned three of them, the first of which was held on Sept. 21. It was attended by five of the brothers. This was all that they could accommodate from our council. The other retreats are to be held on Oct. 26, and Nov. 30. Let's make every effort to attend one of them and help a good work progress.

After the meeting we were entertained with singing, etc., followed by a motion picture showing just what most of our bowlers do not do, that is, get a lot of strikes. However, I am sure that after seeing this movie the boys will correct their erroneous ways and bust out with a crop of strikes. Refreshments of the variety that go with pretzels was served.

BOWLING NEWS

At last it can be told: Newman's league has started, and a mixed group of freshmen and old-timers lead the league. Temporarily, of course.

Smith's Excavators won three from Menhe's Westmores. Davis Candies won over Keefer's Optometrists. The odd games in the other series were won by Fitzgeralds from Corcorans, Alten's from Hebson's and Schaeffers from Ridge Cleaners.

Bell's Insurers and Evanston Beverages drew a bye for the first week. High score of the evening, 583, was contributed by a newcomer to our league, Chuck Benz. Good work, Chuck; keep it up.

Strange as it may seem, John Corcoran, our oldest bowler in years of service, not age, came up with a neat 333 series. Was it an off night, John?

Carl "Mumsy" Vanderweil came thru with a 161 game which is higher than his best game all last year. This must be the year "Mumsy" is going to burn up the alleys.

HITHER AND YON

Do you know that:

Steve Doyle is a commissioner of the Ridgeville Park District.

Charley Burns, Supt. of Evanston's Bureau of Recreation, is going to New Orleans in October to attend the convention for park and recreation executives.

Paddy Driscoll, currently with the Bears, will return to Northwestern for a reunion with teammates of the 1916 Northwestern team, Oct. 18 is the date.

Joe Corrado is coaching a team which is entered in the newly formed Midwest League.

The K. C. Old-timers lost their first game in the All-Evanston Slow-Pitch tourney. Score was 10 to 8.

Joe Flinn does not weigh over 300 pounds and he had curls when he was a wee tot.

Evanston Traffic Court, presided over by Judge Jim Corcoran, is now heard over the air on Station WAIT.

Matt Jans will be honored by members of Racine Golf Club for his five years' service as their pofessional.

CHICAGO READY FOR BUSY SEASON AHEAD

2-4 Tues. . . . . 64 E. Lake St.

At last Tuesday's meeting, Chicago Council caught up with matters of business and became set solidly for the year's activities. The talk of a degree in October was crystallized in a tentative date for a meeting in January. At a recent meeting of Grand Knights, plans were formulated and announced by State Deputy Leo Flynn for co-ordination of councils in the degree ceremonies and our recently appointed Chairman of the Membership Committee (who attended the general meeting with G. K. Henry Lynch) presented a vigorous report on this phase of the council activities. More of this later.

CHAPTER BALL

The CHAPTER BALL is only two weeks away. You'll have to be thinking about getting your best suit pressed up; and about asking the "best girl" how's about going with you to the dance. Also, if you have not already done so, you will need to see Chairman **Richard Murphy** with two dollars for the necessary brace of tickets.

Grand Knight Henry J. Lynch, who is General Chairman of Chicago Chapter's committees for this major event, says there will be plenty of room in the two large ballrooms the Palmer House has set aside for the party. And according to the experts, the music is going to be the very best. Even if you do not dance, you may enjoy participating in the elaborate card social which will be arranged in the adjoining Exposition Hall.

And if you do not care to dance—or play cards—or go to the party, you can still help by buying a couple of tickets and passing them on to an eligible young man in your neighborhood, so he can invite his lady.

There is no meeting of Chicago Council before the night of the CHAPTER BALL (October 11). Call Chairman Richard C. Murphy at Central 9011. Write him at 39 South La Salle Street. We've just got to put this thing over.

GOLF

The golfers had a beautiful day Wednesday of last week at the annual Chicago Council golf classic. Nineteen participants competed for the many prizes and until the last two holes, the contest for the Chicago Council trophy, limited to members of Chicago Council, was close. P. G. K. Henry L. Phoenix, with one leg of the cup already in his pocket, was neck-and-neck with our former Lecturer, Howard Curtin; but Howard fell in with some rough country and plied too many shots, running up a total of 88 whereas Henry cleared with an 84.

That puts two Henry's tied for the best hold on the cup, two legs apiece, with one more to go. And Chairman Bill Brogan is relieved considerably as the council does not have to worry about a new trophy for at least another year.

(Henry Lynch, Jr., and Henry Phoenix are the two who are tied for first place. But wait, Howard Curtin and Vin Vallee are going to be ready NEXT YEAR.)

Among the visitors were Father Joseph Phoenix and Father Gerald Mullen of DePaul; Mr. Joseph O'Malley, also of the DePaul staff, Brother Bob Teipe of Ridge Council and Brother Koop of Americus. Prizes were contributed by Michael Brisch, Sr., G. K. Henry J. Lynch, D. D. Henry L. Phoenix, and P. G. K. Edward A. O'Connor.

BOWLING

The season opened last Friday evening with Chicago Council taking two and dropping one in the contest with Carroll. Chairman Al Franz of the Bowling section of our athletic activities reported that for the next two sessions, the team would be without the services of Jim Minnick who would be out of town. Al was inviting bowlers of 200 or better to come and help the team during this period.

SYMPATHY: A message of sympathy was sent to Vice-President Frank J. Kane of Chicago Chapter on the death of his daughter Mary Eileen, a neice of our Bro. Martin S. Kane and of Fathers William T. and Terance Kane, S.J., of our late James F. Kane. May her soul rest in peace.

Feehan Appoints Bro. Arthur Murray to Aid Membership Chairman

2-4 Tues. . . . . Hamlin and Madison

Bro. Art Murray has been appointed co-chairman of the membership committee to work with Bro. Bob Wingfield in the recruiting service. With his vast experience in the fraternal field and particularly in the insurance line, Bro. Art should make an excellent running mate for the Lemon King, whose every energy is bent toward the task ahead.

Feehan Council is indeed fortunate to have secured this combination of savvy and industry as a nucleus for its coming membership drive. Teams are to be formed and captains appointed. Rewards are being schemed up for those producing the best results, and our goal is a minimum of fifty new members. On your mark, lads, the gun is about to go off.

BOWLING

As we go into the third week of the season, the standings are as follows: Malee's Fighting Irish, 5-1; Judge Hackett's Pioneers, 5-1; Crotty Boosters, 4-2; Lemon King Senators, 4-2; N. Preib Cleaners, 3-3; J. J. Collins Sons, 3-3; Pat Quinn's Inn, 2-4; Jay Gleason's Nameless Wonders, 2-4; Hanley's Tavern, 2-4; Harmon Electrics, 2-4; Blais' Basement Dwellers, 1-5. High series went to the Crotty Boosters, 2514, with Hanley's Tavern (minus Capt. Morrissey), 2491, and J. J. Collins Sons, 2467.

High Team Game rolled by Hackett's 864, J. J. Collins Sons, 853, and Quinn's Inn, 850.

High Game: Pete Cantalupe, 216; John Riley, 214, and Jim McQuillan, 211.

High Series: Jim Collins, 607; Frank McQuillan, 578, and Jim McQuillan, 558.

High individual averages: Jim Collins, 188; Barney Miller, 180, and Frank Wheeler, 179.

Several of the lads cracked the honor roll this week, Jimmy Collins leading the parade with three entries (the first time this fete has been performed in the league since 1939), 205, 201 and 201. Others: Pete Cantalupe, 216; John Riley, 214; Jim McQuillan, 211; Frank McQuillan, 203; Ralph Grant, 204; Geo. Becker, 203, and Bill Barrett, 201.

ECHO

In relating the uninteresting trivia which occurred during the Golf Round-Up, we neglected to mention the dastardly fate that overtook the prize donated by Joe Hanley. It seems that Bro. Hanley gifted the tournament with a litre of his very special spiritus frumenti. He presented it to Jimmy Collins, who rode up with one Bro. Fogarty. This Fogarty stored the prize in the trunk of the car, where the heat of the sun's rays could age it an additional ten years on the trip up.

The story goes that it aged so rapidly that it burst its seams (or perhaps just its cork), and the Fogarty entourage pulled up to the Red Bar smelling like a traveling distillery. Upon opening the trunk, the prize was found to be quite well dissipated and as far as we're concerned, so were the finders. Well as we said before, that's their story—there is no truth, however, to the rumor that a whiff of this trunk sent Em Gorman into High C. We can testify that the wind was blowing in the opposite direction.

CONGRATULATIONS to Bros. Maurice P. Flynn, John A. Bogan, Emmett Gorman, Frank J. Callan and John J. Coyle, who celebrate anniversaries this week.

Santa Maria Begins Early Planning for Thanksgiving Party

2-4 Thurs. . . . . 9020 Commercial Ave.

Thanksgiving may seem like a long way off to you, but our far-sighted entertainment committee doesn't think so. Headed by G. K. Joseph Komar and Lecturer Bob Lynn, plans are underway for our annual Ladies' Night and Thanksgiving party which is given each year just before Thanksgiving. As usual the party will be staged at the South Chicago Masonic Temple, 91st St. and Exchange Ave., but no definite date has yet been set.

Each year the party has been growing in size and has become one of Santa Maria's most eagerly looked forward-to events. The committee is attempting to make this year's event as nice as possible. There will be all sorts of entertainment including games of various kinds, prizes, dancing and seasonal refreshments. All members are urged to assist the committee and volunteer to help in anyway they can.

SPORTS

Sports took the limelight this week. The softball team distinguished itself in the K. of C. softball championship roundup. On Tuesday evening, they defeated Ketteler 9 to 2 and on Wednesday they entered the quarter finals by besting St. Francis 13 to 6. Both games were very thrilling and well worth watching.

On Thursday, St. Cyr defeated our team and went on to win the championship of the league for which they deserve a great deal of credit. We glimpsed many of our members including Bros. Michael McParland, Jim Malloy, Bill Iglewski, John Nash and Bill Coffou in the stands.

Many of our members made a hurried dash from softball at Shewbridge Field to the Cheltenham Bowling Alleys to be on hand for the opening of the bowling tourney which is being sponsored by our council.

The league got off to a good start but there is still a chance for any interested members to still become part of it. The committee is looking for both players and sponsors and can promise both classes a good time. Everyone has a chance and can learn complete details by showing up this coming Tuesday at the Cheltenham Alleys at 9:00 p. m. See P. G. K. Al Schott who will be glad to place you.

NOTES

Santa Maria Council will be a patron for Chicago Chapter's Columbus Day Benefit Ball on Saturday, October 11, at the Palmer House. No doubt you've been reading of the details of the yearly event in The Columbian, so if you would like to go, see G. K. Joseph Komar for tickets.

It seems that Bro. Bill Cullen is still South Chicago's most eligible bachelor. Our informant, who said Bill was engaged, was a bit premature but we ourselves suspect Bro. Bill will soon be.

How are you doing on membership? Get an application blank from Warden Bill Iglewski and keep it in your vest pocket just in case you come across a likely candidate. What has become of Bro. Jim Brown lately? We haven't seen him around and we miss him. Mercy Forum is again underway and offers a fine list of lectures for the coming fall and winter season. See Bro. Vincent Knaus.

Fr. O'Connor Expects "Old-Timers' Night" to Draw Big Attendance

1-3 Thurs. . . . . 4660 N. Kedzie Ave.

At the last meeting your scribe interviewed a number of old-timers, all of whom promised to be present at our Oct. 2 "Old-timers' Night Meeting." Some of these brothers were attending our meetings long before a lot of our members made their appearance in this world. Brother John J. Colleran, who will celebrate his 80th birthday soon and who is one of the charter members of the council, was telling about the days when our council, then called "Irving Park" Council, used to meet on Belmont Ave. at the railroad tracks.

Other brothers who were present were Ed. Heckinger, Marty Howe and Ed. Hille. These lads will be with us again to tell the boys some of the experiences they had in the younger days of the K. of C. Among other things that will interest you at this old-timers' night will be a prize awarded for the oldest brother present.

Our last meeting was well attended and everyone enjoyed himself very much. After a lively meeting, during which considerable discussion took place regarding our Cabaret Dance, we were entertained with a series of motion pictures on various sports. The pictures were not only interesting, but instructive as well, especially the one on bowling. A number of the boys made the Mrs. happy by arriving home with a large can of a well-known brand of coffee given as attendance prizes.

BOWLING

Last Tuesday night the keglers congregated at the Monte Cristo alleys to begin the season, but since there were so many absentees the scores bowled that night will not count in the season's average or team standings. We aimed at those new shining maples, but some of us could not get into the groove, with the result that we had a variety of scores for the evening from 247 to 600 series.

Bro. John Golden came near bowling the pin rack off the alley. In his anxiety to get back to his soda pop before it went flat he started to bowl when he noticed the rack just setting them up, so he held onto the ball and ran half way down the alley before he could stop himself.

GOLF

Our much heralded golf tournament was the big success that was promised. A beautiful day, a large crowd and 35 prizes was the reward for those who took advantage of this outing. Top honors went to Brother Jerry O'Brien with an 83 in the low gross, followed closely by Brothers J. B. Wolfe with an 84 and Tom Durkin with an 86. In the low net, the gold plated cuspidor was carried off by Dr. McDonald with a 72, who had a last ditch fight with John Golden, who came through with a 75.

Brother Walter Fulle, being one of our officers, should show a good example to the others, but he carded 11 on one hole. The good example shown is his honesty in actually carding that score. Some of our other good golfers that were present but were not up to par that day were Walter Kelly, both Eddie O'Connor Sr. and Jr., Father Rausch, Ed Wilson and Harry Browne, who had to play a double-header on two courses that day to up his social and business engagem

SCRIBE'S SCRIBBLINGS

Something new is in line for after ing entertainment in the form of a tournament. Everyone is invited t the tourney and each table of player choose its own game of cards. should prove interesting during winter months. Brother Frank Graf recently elected president of the Name Society at St. Tarcissus C Joe O'Brien has forsaken his su cottage for the season and will be in the council again.

Brother Eugene Peters, returning his vacation in Wisconsin, found th blocked by two cows, and rather th them he ran his car into the ditch sult—milking time went on as Eugene gathered himself and his lu out of the wreckage and walked t nearest railroad station. It was a c being cow-ed off the road.

KETTELER NAMES FRAN. WOLLENBERG TREAS.

2-4 Mon.....3437 Ogden Ave.

At the meeting on Monday, Sept. 22, Bro. Francis Wollenberg was elected to fill the vacancy in the office of treasurer, effective Oct. 1.

At this meeting the awards for the softball players were not presented for the very good reason that they were not ready. Grand Knight Eddie Oakes and Lecturer Tom Bogan have assured the boys that they do have something worth waiting for, however. Five lucky members took home two tickets each for the charity ball. The Slaskis batted 1,000 as DGK Ralph and Bros. Walter and Roxy each qualified.

BUSY MONTH AHEAD

The month of October will see a very active program for the members of Bishop Ketteler Council. On Sunday, Oct. 5, our annual fall golf tournament will be held at Maplecrest golf course, Joliet Road (66-A) and Wolf Road. The golf fee plus the fee for refreshments and prizes is $1.75, but the golf committee has arranged for a seven-course steak dinner to be served for $1 plus the 50 cents for refreshments and prizes. If you do not wish the dinner the fee is $1.75 and if you want the dinner the fee is $2.75.

Reservations for the dinner must be made on or before Thursday, Oct. 2. Reservations may be made by contacting GK Eddie Oakes, Ed Wenck, Dr. M. S. Krupa, Stanley Korbas or the scribe. Bring your wives, sisters, sweethearts and friends as there will be golf and card prizes for the fair sex. Brothers and male guests will compete for prizes also. These prizes will be distributed according to a very popular handicap system, so everyone will have an equal chance of winning.

ON SATURDAY, Oct. 18, the council will hold its annual council dance. This dance, the largest council affair of the year, will be held at Sokol Chicago Hall, 24th and Kedzie Ave. Our worthy advocate, Bro. Alex Olszewski, chairman of the dance committee, has engaged Augie Schaid's popular orchestra to furnish the music and has also arranged for another orchestra to play in the rathskeller. Keep the evening of Oct. 18 open for a glorious night of dancing where you will also have the added enjoyment of meeting many of your friends.

DGK Ralph Slaski is arranging a "well wishers" program and anyone who wishes to be enrolled as such should contact him. His phone number will appear elsewhere in this column.

And also don't forget the charity ball of Oct. 11, the proceeds of which will be used to equip recreational centers for the boys in the armed services. Almost everyone has a relative or friend in the service at present or expecting to enter service soon, and the $1 admission is small sacrifice on our part, but it will do much for his enjoyment. Bro. Stanley Kasperski, chairman of the charity ball committee, still has enough tickets to satisfy your requests, and if he hasn't, he is willing to get them.

AT A RECENT meeting the fourth degree members elected the following officers: President, Tom Bogan; vice-president, Walter Smarz; recording secretary, John Daniels; sentinel, Joe Puchala; marshal, John Bachochin; assistant marshall, Frank Bilek, and trustee, PGK William Kelly.

Bro. Tom Bogan is anxious to get every fourth degree member as an active member of this group, so please plan on attending the next meeting. Bro. Bogan is also interested in getting a large class of candidates for the coming fourth degree and has a nucleus formed already. He has asked members who plan to take the fourth degree but who may find the wherewithal too great a strain on the purse in one installment to set aside small amounts in regular periods for this occasion. Bro. Bogan has stated that he will refund the amount that any brother has deposited in the event of that brother's inability to take the degree.

PERSONALS

Bro. Max Wojciehowski is now the proud father of a baby girl. Mother and baby are doing well and we offer our congratulations. Max is working overtime at the Canfield Company, so he has not had the opportunity to attend meetings lately. Some of the members have been inquiring about Bros. Joe and Ted Mendel, who have not been around lately. How about the next meeting, boys?

And the hall room boys would like to know what has happened to Bro. Frank Sticha and his son George. Drop around soon. Bro. Steve Hrubes recently exhibited those sterling qualities of a Catholic gentleman when he submitted to a blood transfusion for a sick person in a very dangerous condition. As a result of this transfusion the patient is now out of danger and well on the road to recovery. Nice going, Steve!

September is a busy month for Bro. Adolph Sliva. He celebrated his —th birthday on Sept. 16 and on Sept. 24 he and Mrs. Sliva will celebrate their seventeenth wedding anniversary. Best wishes for as many more birthdays and just as many wedding anniversaries, Adolph.

Bro. Walter Slaski lost the case for his glasses at the bowling alleys last Thursday. Will anyone who has found it please return it to Walter? On the other hand, Walter, after that 537 series, why not lose the glasses too?

DGK Ralph Slaski reports the first call as a result of listing his phone number. Bro. Joe Guzan, 5144 S. Christiana Ave., who has been ill for some time, was the patient. DGK Ralph visited Bro. Joe, who would like to receive visits from other brothers also, so if you are in the vicinity please visit him. Bro. Slaski's phone number, for the benefit of those who may have missed it last week, is Grovehill 3381.

BOWLING

The Clifton Park Cigars maintained their winning ways by taking the odd game from Ziarko's Tavern team, with Ed Plewa leading the cigar men with 530 closely followed by Wally Lapp with 511. Joe Prevender led the tavern boosters with 480.

The Wojcik Floor Sanders sanded off the odd game from the Fruzyna Morticians with John Bonk showing the way with 486. Capt. H. Nowakowski led the morticians with 532.

The Ole Lefthanders (Tomera Range Oil) southpawed their way to three straight wins over the St. Paul Federals with Walter Slaski leading with 537 and followed by Al Ivanski with 534. Emmett Holland took advice to heart and led the Federals with a nice 515 series.

The Dr. Krupa Boosters proved too tough for the Bilmar Tavern team as they took the odd game. They only posted up both the high game, 960, and high series of the season with 2,557. Dr. Krupa again led the boys with a 578 series and was really helped along by Chas. Bonk, who rolled 562 along with the high game of the current season, 269. Vince Ponic followed the doctors with 542. S. Korbas shot 612 for the Bilmars followed by Stan Malicki with 517.

The Gorski Electric team put the pressure on the Bona Drugs and took the next two games after losing the first one. The Foltyn boys, Matt and Joe, led the electricians with 568 and 509 respectively, while Denny Koch upheld the drugs with 490.

Dr. Peszynski Boosters liked winning three games last week so much that they took two from the Suerth Morticians even though George Cummings tried to stave off defeat with a neat 560 series.

The Stanek Press team blasted its way to three wins over the hapless Luczak Lawyers with the two La Salle street brokers showing the way. Ray Suchocki rolled a nice 573 and Steve Dusek had 539. R. Martin tried to help the lawyers with a 561 effort.

The Art Bilt Furniture team polished off the odd game from the Phil Nilles Boosters with Stanley Klaczynski leading the way with an even 500. Ray Schaber and A. Serosky fought it out for the boosters with 477 and 474.

The Major team opened up its season last Friday night against the strong Hughes aggregation and took two on the chin. They shot good scores as Eddie Plewa led with 631 closely followed by Sam Saric's 615 and Ray Suchocki's 605 series.

ST. PAUL'S HOMECOMING PROGRAM HONORS P.G.K.

1-3 Tues. . . . . 6713 Olmsted Ave.

We've been telling you for the past few weeks that the meeting of Sept. 16, dedicated as "Home-Coming Night" to honor our first Grand Knight and newly elected state secretary, Ray F. Gleason, would be a "humdinger." It is now an established fact.

Over one hundred and fifty members turned out to do honor to our first Grand Knight, not counting the many guests who were on hand, too, although this testimonial to Ray was intended primarily as a council affair. No invitations were sent to the many friends and officials in K. of C. Circles who would have been delighted to add their good wishes. This was due to the decision of the committee as well as to the request of our honored member himself.

The meeting was opened by G.K. Gene Sass but was turned over to the chairman of the committee, P.G.K. Joe Guenther. From the moment the meeting got under way, things began to happen. P.G.K. Guenther gave a short resume of the accomplishments of St. Paul of the Cross Council and the part each Grand Knight played during the period of their reign in office commencing, of course, with our first Grand Knight, Ray Gleason.

P.G.K. Henry Blim told of the organization of our council and how it was accomplished largely through the efforts and zeal of our honored member and how his confidence right from the beginning, down on through the years, has been a large and motivating factor in making this the greatest council in the state.

VICE-SUPREME MASTER PRESENT

Jerome J. Crowley, vice-supreme master of the Fourth Degree, spoke of the good work that Ray has done outside of our council as president of the K. of C. national bowling committee, treasurer of the Chicago Chapter, etc., and now as state secretary. Everyone knew, too, that he meant what he said and wasn't talking just because he was asked to say a few words.

Wm. (Bill) King, P.G.K. of Father O'Connor Council, and present treasurer of the Chicago Chapter, added further praise to the other testimonials and added a word about the coming Columbus Eve charity ball. Other visitors were Rev. Fathers Timothy Hurley, C. P., Richard Hughes, C.P., James McSweeney, P.G.K. Americus council, John Gleason, brother of Ray and member of Lafayette council, Frank Lamb, of Lafayette council, and the following, all of whom are members of Lake Forest council; Paul Brady, G.K., George Hensel, Dan McCaffrey, Bob Milton and Nick Tomei. To the members of Lake Forest Council we are deeply indebted for the part they played in carrying out the program and we are greatly thankful to them.

The Committee in charge of the meeting, particularly P.G.K. Joe Guenther, who conducted the meeting on the "inside" and P.G.K. Richard (Dick) Stretch, who arranged the "events" from the "outside" receive the sincerest thanks for a truly wonderful program.

GOLF OUTING

The Fall golf outing held at Rob Roy Country Club last Saturday was an unusually successful event. More than 35 members and friends turned out. The committee in charge of arrangements, headed by P.G.K. Henry Blim and consisting of H. S. Happ, Alex Kremer, Bud Suerth, P.G.K. Dick Stretch, P.G.K. Joe Guenther, Lecturer Joe McDowell, are to be congratulated on a swell affair. St. Augustine Council sent a fine delegation in the persons of Al. Labuhn, Fin. Sec., Jim Burke, Scribe, John Putz, Frank Aspen, Pete Martins, Bill Rand, Tom Clancy, Oscar Enk and Ralph Amann. Other guests were Prof. Harry Taft of De Paul University Law School, Jerry O'Brien, Carl Mangelson and M. Heimerle. Thanks a million, fellows, for coming.

THE OCT. 7TH meeting will be given over to the ladies. Yes sir! It will be ladies' night and it is hoped that you will bring your frau or girl friend along with you to enjoy an evening at cards, games or bunco. Refreshments will be served by that committee who did such a swell job on Home Coming Night. Make it a date.

The chairman of the council committee for the Columbus Eve Charity ball asks that all you members who can or will purchase tickets do so early, at least not later than the Oct. 7 meeting. Our council has supported this Chicago Chapter doings in former years, probably more than was expected of us, but this year we do not want to "let down"; we should do better than ever as conditions are better and more members should be able to contribute now.

We are sorry to learn of the death of the mother-in-law of Bro. Geo. Burger. May the Lord grant her soul eternal rest after a full life of service.

WE HEAR THAT: Bro. John McVeigh is having a checking-up at the Mayo clinic, Rochester, Minn. Hope that they put their seal of approval on you, John, and that you really have no cause to worry. Alex Kremer's son, Charles, was among the guests at the tournament—hope we didn't miss any more.

Chicago Heights Will Feature Arch Ward in Columbus Day Program

2-4 Mon. . . . . 1507 Otto Blvd.

You probably read in last week's Columbian and also in our local papers about our Columbus Day program. This program will be limited to Brother Knights, their wives and girl friends. Our Lecturer was very fortunate in securing Arch Ward of the Chicago Tribune as the principal speaker of the evening. He will speak on "The Election of the Pope" and his audience with our Holy Father.

St. Agnes Mixed Choir will render several musical selections which should also be an inducement for every member to attend. Our publicity chairman, Frank Herbst, did a swell job getting the write-up in our local papers.

Bro. Ray Murphy says that his watch cannot keep up with fast time, and therefore, he will have to wait until we are on standard time again before he can get to our meetings on schedule.

Engineer Louis Cull celebrated his birthday the past week. Louis is one of our old-time members who does not come to our meetings very often but he has a very good slogan "Never say whoa in a tight place."

Loyola-H. P. Plans Important Open Meet on Thursday, Oct. 9

2-4 Thurs. . . . 7435 Cottage Grove

OPEN MEETING NEXT THURSDAY, OCT. 9: This will be in honor of Christopher Columbus and a good speaker will be on hand. There will be plenty of entertainment, food, and refreshments so bring along that prospective member. The Holy Name men of all neighboring parishes are invited, so bring a few of them with you. P.G.K. Richard L. Judge, chairman of the membership drive and his sub-chairmen crew of twenty members will go into action starting that night.

Your Grand Knight, Jack McGuire, and a group of active members have been attending two and three affairs each week to help advertise our council at other councils and public festivities to which we were invited. Your Grand Knight thinks it is not asking too much that all of you attend the next meet, with your friends, so that we may have a full house.

Our meetings are very well attended, yet we always hope for larger crowds. Were you at the last meeting? Did you hear that wonderful debate? Did you see those interesting movies? Are you coming to the council party and Chapter Ball on Oct. 11 at the Palmer House? If so, come up and let us know at the Oct. 9 meet. It is still your council and we do look for you.

BOWLING TONIGHT

The council opened its bowling season unofficially last Friday with the boys blasting the maples with strikes and spares everywhere to determine handicaps. All this was in preparation for tonight's grand opening at George Kloos' new alleys at 80th and South Park. The teams occupy six alleys and President Arch Hermans is negotiating for two more.

In addition to our league opening tonight, it is also the Grand Opening of the new alleys. There will be plenty of celebrating. Bring the wives or best girls to enjoy the entetrainment and refreshments. See you at 9 p. m. sharp.

IMPORTANT EVENTS

Keep in mind the Columbus celebration at the Palmer House on Oct. 11. Tickets are $1,00 per person and party arrangements can be made by calling Chairman Bernard Thompson at Vin. 5469 or Ste. 3103. Patrons' tickets are at $5.00 a couple. The Soldiers and Sailors Club was officially opened by Archbishop Stritch last Wednesday and it now remains only to be furnished. The Chapter Ball proceeds will be used for this purpose.

Don't miss Ladies' Night, Oct. 23. It promises to be an old-time Harvest Party, chock full of entertainment, refreshment and fun. Keep in mind Memorial Night on Nov. 13 and our Fiesta Celebration on Dec. 6. Our semi-annual Communion Sunday has been set for Nov. 2, at St. Thomas the Apostle Church. Mail or phone your news to George V. Birmingham, 6514 Dorchester, 6514 Dorchester, phone Dor. 4909.

DEARBORN PRESENTS SPORT STARS OCT. 2

1-3 Thurs. . . . 820 W. Garfield Blvd.

Because of the stupendous program planned by our Lecturer, Pat McCarthy, for the meeting of Oct. 2, we feel it imperative that we again call it to your attention. It is, moreover, the desire of G.K. Devereaux that every Dearborn member be present and bring with him a friend or a prospective member.

Last week we gave you a list of the names of some of the outstanding sport celebrities who have already promised to be present. To that roster of stars and champs can now be added the names of: Adolph Kiefer, champion diver and swimmer; John Platak, classy handball champ, and Carl Stockholm, former six-day bike rider, now retired. Carl, however, is very active in athletic circles.

Another gentleman of prominance to whom an invitation has been extended, is none other than the man whose responsibility it is to see that all Chicago knights get their Columbian every week, and we refer to its editor, Bro. Harold Du Chateau. Harold, in and by his own rights, is a champ in his work and we sincerely hope he is with us that night. Might suggest here that the Du Chateaus, the Devereaux and the Moluneaux get together that night and start a new nation.

Bro. Ed. Moluneaux, chairman of the Charity Ball for the Columbus Day observance, and our State Deputy, Leo Flynn, will be present, and, no doubt, will tell you about the activities of the knights in Chicago and the state of Illinois, the most important of which is the coming Charity Ball.

Dearborn has some local talent in the sports world and it is the Lecturer's intention to salute the softball players, the bowlers, some of our hole-in-one golfers, the swimmers and marble shooters.

A short movie showing the 1940 basketball games at the Amphitheatre will be included in the program. These games were for the championship and have a lot of action and thrills which everyone is bound to enjoy.

Pat has gone to an awful lot of work to make this night a huge success and we know he will be rewarded for it by the attendance that will be there. No member can afford to miss this show, and no member should attend it alone, but bring a friend with him. This spectacular event is going to give Dearborn some much needed publicity and you can help it that much more by being in attendance. Entertain your prospective member that night; there'll be fun and refreshments galore for him and a feeling of pride for yourself in the fact that Dearborn can put on such a successful event.

CHARITY BALL

Time is getting very short, now, before the Charity Ball at the Palmer House, Oct. 11. Tickets should be in the hands of each and every member for this gala event by this time. If you haven't taken a ticket yet, get in touch with Bros. Chas. Read, John Feilen, or John Maguire and they will send them to you. Remember, Dearborn has a quota to make on the sale of these tickets, and it doesn't look very well for our G.K. to have to report that his quota was not filled. That sort of neglectful business is not a part of the Dearborn spirit, and we don't intend to start slipping. Don't put off getting those tickets any longer. Go to the 'phone right now and call one of these men and they will be glad to send them to you. Don't wait until you think of it later, but do it NOW.

Membership Chairman Joe Nix made a plea at the last meeting for more active support in the present membership drive. Now that the winter months are upon us, there will be much more activity going on at which you can and should entertain your prospective member. Remember our slogan: "Every member secure a new member."

Besides the quota of patrons' tick- s assigned to each council, approxi- ately 25 per cent of the Chicago embership is expected to support the affair through the purchase of the one dollar general admission tickets.

"Very little solicitation should be necessary to enlist a whole-hearted support for this affair," Chairman Lynch declared. "Proceeds are to be donated to the National Catholic Community Service unit here for outfitting the club for service men at 1122 South Wabash avenue. Since most of the boys in the military service today are Catholic we should all be quick to do whatever we can to show our pride in their action and our concern for their physical well-being when they are on leave from their duties in the training camps."

Two Features on Program

In addition to the dance program that will be a feature of the Columbus Day celebration, the party committee has also arranged for the presentation of a "social" to include popular games and similar entertainments.

While dancing will be offered continuously from nine o'clock in the Grand Ballroom the adjoining Exposition Hall will be the scene of celebration for those who may wish to intersperse their rhumbas and waltzes with an interval of matching luck and skill with their fellow guests. Popular games and similar entertainments are scheduled for this portion of the October 11 program.

NNUAL MEMORIAL MASS 'OR LATE BISHOP MULDOON TO BE OFFERED OCTOBER 8

The annual anniversary memorial lass sponsored each year by The atholic Home Finding Association of linois in memory of its late beloved piritual Director, the Most Reverend eter J. Muldoon, D.D., will be cele- rated on Wednesday, October 8, at welve o'clock noon in St. Peter's hurch, Polk and Clark Streets, hicago.

The occasion will furnish all friends f Bishop Muldoon an opportunity of earing loving tribute to the former tate Chaplain of the Knights of olumbus in Illinois.

At the suggestion of Bishop Mul- oon, The Catholic Home Finding ssociation was organized twenty- ix years ago by the Order in this tate; the 2,500 dependent Catholic hildren placed in good Catholic fam- y homes since its incorporation in 915 is a monument to his wise lead- rship, kindly spiritual interest and nduring faith in the mission of the nights of Columbus.

First in Series of Fall Degrees Starts Next Week

Local Councils Organize for Early Attainment of December 31 Membership Quotas

The first of the divisional degree exemplifications of the fall schedule will be held here next week when councils of three North and South sections convene with their candidates at University, St. Cyr and St. James Councils.

St. Cyr's class, open to all candidates from councils in North Division Two, will be inducted on next Monday evening at 1609 North Halsted street. Candidates from South Division Three will attend the St. James, Leo M. Flynn induction at 64th and Maryland avenue on Monday, October 13, while councils of North Division One will assemble their applicants at University Council, 1320 West Loyola avenue, on Tuesday, October 14.

Good Results Reported

Reports of council activities in all parts of the city indicate that the stress being placed on the importance of councils securing their 40 per cent quotas by December 31 is bearing fruitful results.

While several Chicago units have inducted the necessary number of candidates to fulfill the December requirements, a total of two hundred sixty-four councils throughout the nation have already reached their 40 per cent quotas. This large number attaining their six months' quota in less than three months indicates that with a little more effort every council in the Order could be recorded on December 31st as having completed its 40 per cent quota.

Council officers are urged to study the new Calendar of Activities now being mailed to all Councils and adapt from the suggestions offered a program best suited to the needs of their Councils.

SOUND FILM ON MASS TO HAVE NEIGHBORHOOD SHOWINGS OCT. 15-24

Excitement over the unparalleled Chicago presentation of "The Eternal Gift," professionally perfect and only soundfilm of the Solemn Mass, is mounting daily.

This magnificent soundfilm of the central doctrine of the Catholic Faith will be shown in eight Balaban and Katz theatres for one and two days starting October 15. The showings will be continuous.

Mr. Joseph Francis Sheen, member of the law firm of Fulton, Fulton and Sheen, 100 North La Salle street, and brother of the world renowned Rt. Rev. Msgr. Fulton J. Sheen, of the Catholic University, Washington, D. C., who is Narrator of the Mass in "The Eternal Gift," has been chosen and has accepted the General Chairmanship of the Honorary Committee. Mr. Sheen, his wife, and their seven children live at 135 Madison avenue, La Grange. They are members of St. Francis Xavier parish in the suburb.

District Leaders Hear State Deputy on Order Program

State and Supreme Officers Outline Goals for Local Councils During New Year

One hundred and ninety-eight of a possible two hundred and eight District Deputies, Grand Knights and Financial Secretaries—one of the largest such gatherings in a decade—met at the Hotel Sherman last week Wednesday in answer to the invitation of State Deputy Leo M. Flynn and heard the new leader of the Knights of Columbus in Illinois outline his expectations for the current year in Order history.

In opening the meeting, State Deputy Flynn explained that the session had been convened "some weeks earlier than in other years because we have much work to do and conditions indicate that it should be done now."

"The time is ripe," he said, "for a great resurgence in Knights of Columbus membership. Not only are financial conditions brighter than they have been for a dozen years, but today our organization holds out one of the best and perhaps the only answers to the bewildered Catholic layman who would put his shoulder to the wheel in a loyal effort to support both his country and his Church in a time of emergency."

Report from All Units

While membership intakes were stressed at many points throughout the session, the actual business of the meeting was divided into four equally important sections covering first the State Deputy's general observations and recommendations; the Fourth Degree; the Chicago Chapter and the N.C.C.S. committee; and the reports of the separate chairmen of the State's Five Point Program.

In his recommendations to the assembled district and council officers, State Deputy Flynn particularly stressed the importance of council degree work and revealed that a plan was underway to establish a "training school" for officers interested in conducting the various Order rituals.

Council organization along the manner set forth in the Five Point Program was also indicated as of primary importance for the healthy growth of the separate councils.

Fourth Degree Class, March 1

Jerome J. Crowley, Vice-Supreme Master of the Fourth Degree, asked the council officers to "stand four-square in back of our new Master to further the cause of our Patriotic Degree, which in these momentous times has a definite mission to perform for the people of our nation—to bring home to them the great patriotic privileges we enjoy."

Master Phillip C. Nilles announced that the next exemplification for the Chicago area would be held at the Palmer House on Sunday, March 1, 1942, and that for the first time since 1918 and 1919, the members serving with the armed forces who might wish to participate in the exemplification could do so in uniform.

Chicago Tops Its Patrons' Quota on October 11 Party

2-4 Tues. . . . . 64 E. Lake St.

It is pleasant to report that Chicago Council has gone well over the top in the matter of Patrons' Subscriptions for the great CHICAGO CHAPTER CHARITY BALL which takes place at the end of next week—Saturday, Oct. 11, at the Palmer House. While a number of members have pledged themselves, we list herewith only those who have already sent in their remittances; we will append all other paid-up subscriptions in next week's issue (as on press time, October 7th). Our present list:

Hon. (P. G. K.) Francis B. Allegretti, G. K. Henry J. Lynch, Sr., D. D. Henry L. Phoenix, P. G. K. Nicholas J. Reuland, P. G. K. Matthew J. Ryan, P. G. K. Frank J. Casey, P. G. K. Denis M. Finerty, P. G. K. Edward A. O'Connor, Chancellor William Pellicore, Brothers Michael Brisch Sr., John W. Brisch, Joseph N. Schmitz, William J. Fortune, Daniel S. Jerka, Howard J. Curtin, Lee J. Gary, and Chairman Richard C. Murphy of the council's Chapter Ball committee.

Chairman Murphy has mailed dollar tickets to a number of the members who have always been relied upon in other years. And he has a plentiful stock of these tickets at one dollar per person on hand in the office of Phoenix and Murphy, room 1418 of 39 South La Salle Street. Call in person or by messenger or mail request accompanied by check or money order.

THE CHAPTER BALL is planned to raise the necessary funds to pay for the furnishings in the SERVICE MEN'S CATHOLIC RECREATION CENTER, at 1122 South Wabash Avenue, and maintain it. You simply must see that place in order to realize what wonderful use is being made of your money. And you are welcome, indeed.

IN MEMORIAM

Bro. William J. Walsh, a member of Chicago Council for over twenty-five years, was called to his eternal reward September 25, while being prepared at the hospital for an operation.

The death of Bro. Walsh came as a surprise to his many friends and associates as he was apparently in the best of health and he had gone over to the hospital quite as a matter of course at the suggestion of his physician.

In the days of the K. of C. Baseball League, "Buck" (as he was better known) played on Chicago Council's team. We were not well equipped with players and "Buck" played nearly every position, even pitching and catching, to try to win ball games. He had joined the council in 1915 as an associate member, later qualifying for insurance. He seldom missed a meeting in those early days and could always be counted on to help in the degree ceremonials. Of late years, we have missed him and at our Communion Sunday last May learned of the serious operation he had recently experienced. He never missed any of those Communion Sundays and was usually accompanied by his brother, Frank, also a member of the council.

He was in the service of the Rapid Transit (Douglas Park branch) for nearly thirty years.

The funeral of Bro. Walsh was held on Monday morning from the funeral chapel at 3952 Cermak Road to St. Odillo's Church in Berwyn for solemn Requiem High Mass, followed by interment at Mount Carmel.

To his widow, his mother, and to his brothers and sister, Chicago Council extends a message of sincere sympathy and we unite our prayers with their's for the eternal repose of his soul. May he rest in peace.

WE ALSO ASK the prayers of our members for the repose of the soul of Mrs. Catherine Foy Taylor, the dear wife of our Treasurer Samuel J. Taylor, and mother of Bros. Geral, Samuel Jr., and Joseph. Mrs. Taylor suffered a stroke last week and she passed away Monday evening. This coming Saturday would have marked the forty-ninth anniversary of their wedding. An ideal Catholic wife and mother, she is survived and mourned by her husband, three sons, one daughter and a number of grandchildren.

Chicago Council extends to Bro. Taylor and his family this message of sincere sympathy and we pray that her dear soul may rest in peace with God.

SICK LIST

Bro. Gregory O'Kelly, one of the old-timers, is at St. Anthony's Hospital where he recently underwent an operation. Before visiting, inquire at the hospital.

Bro. John M. Powers, who has been reported in these columns from time to time is confined to his home in Berwyn, has recently returned from a visit down east and over last week-end he met many of his old friends when he attended the wake of Bro. Walsh.

When we speak of sick committees we think mostly of the No. 1 one-man visiting committee in the person of Bro. Lawrence Ryan and we learn that on last Tuesday he retired from active service with the "L" lines—which, he comments, will give him better opportunity to come down to meetings of Chicago Council and to drop in on our sick members. It has been our privilege to ride on Bro. Ryan's train quite frequently during noon-hour ramblings and we will miss him unless he arranges to tour the "L" system occasionally.

NEXT MEETING

If you glance at your calendar you will note that three weeks intervene between meetings this time. Chicago Council does not meet until Tuesday, October 14. No meeting next Tuesday.

At our next meeting, we have as guest speaker, Grand Knight John Hesse of Marquette Council, president of the Mayslake Retreat League. What his subject is Lecturer Schroeder did not say, but Bro. Hesse has quite a reputation so you had better come and hear him.

UNITED AIRLINE PILOT IS 50,000TH GUEST AT LA GRANGE MODEL HOME

The 50,000th visitor to the Mt. Vernon House of 1941, the beautiful $20,000 completely furnished home that is opened daily to visitors from 10 a. m. to 9 p. m. at 345 N. Malden Ave., La Grange Park, was Richard T. Davidson, a pilot of the United Airlines, who operates between Chicago and New York.

Mr. Davidson was awarded a sizable merchandise certificate to Marshall Field & Co., for coming in at the propitious moment, but his comment on the occasion gives an insight into what goes on in back of the minds of the boys who fly the big ships in the high altitudes. Mr. Davidson said that he had made two previous inspections of the house but that his mind was not clear on the kind of material used in the basement recreation room ceiling. So he came back to check up on that item as soon as his flying program gave him a break.

Mr. Davidson has a wife and two children and he dreams of his own future home in a choice suburban spot while he carefully guides his ship through banks of clouds.

Twenty-five ladies, attending with their husbands the convention of the National Association of Motorbus Operators at the Drake Hotel, were the first to accept the suggestion of group visitation to the Mount Vernon House.

The ladies, traveling by bus, stopped at the Municipal Airport, at one of the choice tearooms in LaGrange and capped the outing with a trip through the dream house in La Grange Park.

CHICAGO, OCTOBER 3, 1941 100

Knightly Action

The recent passage of House bills number 905 and 906, making Good Friday a legal holiday in the State of Illinois, offers an interesting example of what the concerted effort of our local councils may encompass once organized and put into motion on a definite goal.

In 1939, the Catholic Activities Committees of San Salvador and of Santa Maria Councils on Chicago's south side, began a movement for the more widespread observance of Good Friday. Business houses were canvassed and asked to remain closed that afternoon or especially from twelve until three o'clock. Appeals were also directed to the general public for larger attendances at church services during the afternoon.

Working with the Greater Pullman Ministerial Association—representatives of the twelve religious denominations in the area—the two council committees were able, in the first year of their campaign, to report an 80 per cent response from the business leaders of their districts, while last year not more than a dozen isolated concerns remained open during the twelve to three o'clock period of public observance.

Church attendance for the afternoon services also increased sharply following the group's first appeals. In 1940, all denominations in the area reported the greatest Good Friday attendance in their histories.

Following through on their local success, the council committees again appealed to the business and civic leaders to petition their representatives in the State Capitol to present a bill to make the observance state-wide in nature. Mr. Arthur T. Bidwell, River Forest, Ill., presented the initial bill in 1940 which failed, however, to pass the legislature.

This year it was reintroduced by Representative Coyle of Moline, Ill., and, with the valuable assistance of Bishop James D. Griffin, State Chaplain of the Knights of Columbus, together with the aid of the many other interested civic and religious leaders in the state, the bill was finally enacted into law this summer.

The hard work of the proposing committees and the co-operation of the business leaders in adopting the new holiday to their schedules will be to no avail, however, unless the public response is as great throughout the state as it is in Chicago's south side.

If all Catholics and Christians throughout Illinois sincerely resolve to abstain from any sort of buying on Good Friday, particularly from the hours of twelve to three, they will make a very definite contribution to the proper observance of the day. The patronage of any concern's clientele is the final rule by which all companies measure their method of doing business. Absence from places of business on Good Friday afternoon will allow the employees to properly accommodate the persons in his employ and will allow the opportunity to faithfully keep and reverently observe Good Friday. Moreover, we who enjoy membership in the Knights of Columbus, the countries' greatest lay organization dedicated to the furtherance of all forms of Catholic Action, should show the principles of our faith in our daily lives. Especially should our actions reflect these beliefs in Good Friday.

St. Paul Ladies Will Be Treated to Grand Party Tues. Evening

1-3 Tues. . . . . 6713 Olmsted Ave.

The next meeting, Oct. 7, has been set aside for the ladies. Lecturer Joe McDowell has made plans for an elegant time—one, he says, that will be long remembered by all those who turn out for this evening. We know that the committee for the evening has met several times and every member has been given the "go ahead" sign to do his part. All that is needed now is for you to bring up the "girl friend" and everything will be hunky. Cards will be played, but if you don't indulge in cards, there will be something else that will be to your liking.

Refreshments will also be served and, of course, prizes for the ladies. Just think of it, the ladies won't be asked to do a thing except enjoy themselves, and what's more (and we repeat Joe's words), it is all for NIX. Not even a sou. Neither will there be any drawings. Nothing to bother with, no one to bother you.

Those of you who do not frequent the council chambers will be wanting to know that Sunday, Nov. 2, is the day on which the council will attend Mass and receive Holy Eucharist at St. Paul of the Cross Church in Park Ridge in memory of the deceased members of the council. This certainly is an occasion when you simply must be present. The list of our council dead is growing all too rapidly and we feel certain that when your name appears on that list you would like to be remembered on similar future memorial days. So be sure to attend them while you are still here.

The evening of Oct. 11 will soon be at hand. Remember? This is the night that you have set aside to take the "little lady" downtown to the Palmer House to participate in the wonderful time that will be provided for your entertainment. After our own "ladies' night" at the council on Oct. 7, they will be raring to go to one of the Chicago Chapter affairs, where things usually are done in a greater and more elaborate style.

Now besides affording you folks a good time, your cooperation in attending this affair (or buying a couple of tickets even if you cannot go) will materially assist in the financing of the N. C. C. S. center, the place where your boy or your neighbor's boy may come to spend the furloughs he receives while doing service in the interest of YOUR country. That should be sufficient reason, whatever your feelings in the matter, for you to shell out to make it possible for these youngsters to have a place to go to with Christian influence as a background.

This affair, sponsored by the Chicago Chapter, has the sobriquet of "charity ball," but it is also a recognition of a responsibility that belongs to all Catholic men and more properly to men of Catholic faith. Now let's all act as though our son was the one to benefit and act accordingly. See P. G. K. Joe Guenther or G. K. Gene Sass for "donor" tickets or at least a couple of just plain ducats that lets you in to an affair that would cost you double anywhere else. You can conveniently purchase your quota at the next council meeting, Oct. 7.

Sherman Will Honor Past Grand Knights at Meeting Tuesday

1-3 Tues. . . . . 4300 W. North Ave.

This meeting is Past Grand Knights' night. These men have been attending all the meetings they possibly could so let the rest of us attend this one dedicated to them.

D.D. Michael J. Geraty was again appointed Dist. Deputy of our council for the coming year. We are sure glad to have you with us, Brother Geraty.

DRAFTEES ATTENTION! Any member who is or might be drafted get in touch with Fin. Secy. Joe Diesenroth or G.K. Welker as a motion was made and passed that the council pay the dues of any member inducted into service, until such time as he is discharged from service. This is the second writing of this motion.

AROUND AND ABOUT

Well, fellows, we have an organist, our Grand Knight Bert Welker appointed Brother Joe Diesenroth, Jr., organist for the coming year. Bernie Janco was appointed as chairman of the blood donor group and any of you fellows who have cards and classifications kindly bring them along next Tuesday night. It will help Bro. MEMBERSHIP Chairman Matt Ellgass secured another member for Sherman, Bro. Ben Connelly transferred from Tonti Council. Grand Knight Welker has turned in an application to be read off next meeting. Looks like the ball has started rolling and the temperature has started to rise. Let's keep that thermometer hot! Don't let a few fellows do all the work—remember this is OUR council.

BOWLERS' STUFF

I don't have the standings to date but I do know that Ken Buckley had high series with 558 and Bert Welker got 555 with his new ball the first time he used it. "Maybe I need a new ball." Matt Ellgass had high game with 216. Secy. Frank Lies and Ray Groh have returned from their vacation and will be on deck next Thursday. How about a ladies' league from Sherman—Mrs. Brefeld, Marie Connelly, Mrs. Gerlach, Mrs. Guangi, Mrs. Loiselle, Mrs. Marine, Miss Ruh, Mrs. Romano, Mrs. Schrola, and Mrs. Tierney all were visitors at the alleys last Thursday.

We have a few new sponsors this year and here is the lineup: Royal Blue Store, Eddie Holterhoff, Capt.; Roche Ellgass Undertakers, Max Thiel, Capt.; Schmitz Printers, Joe Marine, Capt.; Collins Undertakers, Tony Ficht, Capt.; Klinnert Hoff Braus, Ray Groh, Capt.; Guangi's Lounge, Frank Veysey, Capt.; Kolssak Undertakers, Jim Groh, Capt.; Cirone Barbers, Chas. DELINQUENT DUES

The Board of Trustees has recently completed its audit of the Financial Secretary's books and found quite a number of delinquencies. Very few of these members are delinquent because of necessity; most of them because of carelessness. It is hoped that those finding themselves delinquent will make every endeavor to take care of this obligation immediately. Your council depends on prompt payment of dues to meet current bills. All insurance members are reminded that the council cannot carry them beyond the stated time as provided for in the laws of our Order.

THE SUNDAY EVENING CLUB went over with a bang last Sunday night. Everyone got right in the spirit of things and from the looks of the attendance this is going to be a big year. Illinois to Attend Chicken Dinner at Notre Dame Parish

1-3 Mon. . . . . 64 E. Lake St.

Next meeting will be Monday, Oct. 6, to which everyone is invited.

On next Sunday the membership is invited with their families and friends to Notre Dame Church, 1335 Harrison Street, to partake of a chicken dinner, served from 12 noon to 8 p. m. Our Chaplain, Father Belanger, will be glad to greet you. This is an effort made to raise some very much needed revenue. Up to date everything indicates that this is going to be most popular with the membership. Reservations are many.

Let's not forget our great annual charity ball, which will be held Saturday, Oct. 11, at the Palmer House. For $1 you are offered a superb atmosphere, an excellent orchestra, dancing, games as you like them, as well as the soul satisfying aspect of sitting in the surrounding gallery to watch brothers and their friends joyfully glide back and forth across the dance floor.

Reverend F. P. Coupal, C.M., former Chaplain of ours, is busy giving missions from Maine to Texas, in a manner of speaking, and we last heard from him in Pennsylvania, where he was engaged in missionary work.

MINUTE BIOGRAPHY

As we have so often said through this column, we frequently regret our lack of a more thorough acquaintance with each of our fellow members of Illinois Council and so today we talk of one of our brothers who transferred from Calumet Council in 1909 to join forces wtih Illinois.

He was born in Belfast, Ireland, many years ago. attended St. Malachy's College in that northern city, and left for Chicago at the age of 18. Shortly thereafter he joined forces with the Hibernian Bank, then located in the Ashland Block at Randolph and Clark Streets. In 1911 he assisted in organizing the Mid-City National Bank of Chicago. It was about that time that he married the charming Elizabeth Connor of Danville, Ill. Truly, they have lived happily ever since as husband and wife.

Your scribe visited him in his bank and found him to be a very busy, courteous and efficient gentleman. He was anxious to know all about Illinois. Said he hoped to attend some meetings in the future and moralized briefly on Chicago as he saw it grow.

Do you recognize him, gentlemen? Well in case you should not, he is Brother David B. Kennedy, vice president of the Mid-City National Bank of Chicago, a long-time member of your council and still mightily interested in its affairs.

Let us get better acquainted. Do you know of any member of the council that you would like to have a pen-picture of? If you do, address the scribe and he will be forever in your debt for making it possible to assist the membership to a better acquaintance with each member thereof.

GRIMM TO BOWL IN A.B.C TOURNEY

Milwaukee.—Charley Grimm, former manager of the Chicago Cubs and new boss of the Milwaukee Brewers, is going to bowl in the 1942 American Bowling Congress tournament at Columbus next March.

Charley visited the A.B.C. offices last week and turned in a doubles entry and announced that "he had a partner that he could beat." He added:

"I've always wanted to bowl in the A.B.C. tournament and never had a chance but next spring the Brewers will be visiting Columbus while the tournament is on and so I'll realize my ambition."

Genoa Urges Meeting Attendance to Insure Successful Programs

1-3 Mon.....7439 Cottage Grove Ave.

The first meeting of October will be held on Monday evening at the council headquarters at which time it is hoped that a large attendance of members will be present. Since activity for the fall season is now commencing we earnestly request every member of the council to arrange to be present for at least one meeting each month. Surely this is not too much time to devote to your council and to the good of the Knights of Columbus. The officers and members do not expect every member to be present at every meeting, but it is not too much to expect to see all the members once in a while.

If you have been hesitant about coming up to the council because you haven't attended a meeting in several months, GK Robert Stadler and all the new officers beg of you to forget that fact and come as soon as you can. They promise to show you a good time and assure you that you will not be a stranger among them.

U. S. O.

Genoa Council is holding a little party for the members of the armed forces of the United States who are members of Genoa. This is to be a benefit stag and the proceeds will go to the boys from Genoa. Chairman Frank Gorey and his committee have arranged to have the party at McGinty's, 7425 Cottage Grove Ave., on Thursday evening, Oct. 9, at 8 o'clock. Beer, entertainment and refreshments will be had for the donation of $1. You need not be a member of Genoa to attend this grandiose affair. We ask you to contact a friend or so and come over for a while. We guarantee you a party you will long remember.

On Saturday evening, Oct. 11, at the Palmer House, the Chicago Chapter of the U.S.O. is giving a party for all the members of the K. of C. in the armed forces of the U.S.A. This is to be a dance and card party and Genoa is asking its members to attend this gala affair. The council is making arrangements to have a room in the hotel and you can rest assured that you will not be lonesome if you and your wife or sweetheart can arrange to be present. Let us hear from you at the meeting Monday night.

If you would care to be a patron for this affair you can arrange to do so through the GK or the officers of the council. The donation is only $5 and with the donation you are given two tickets to the affair.

At the meeting on Monday evening the council is going to give two tickets to some lucky member or members that are present. This, likewise, should prove a good inducement for the attendance of the meeting. Make your plans right now so that nothing will deter you from being able to attend both the Genoa Council stag or the U.S.O. affair at the Palmer House.

NO CHANGES IN SPLIT RULE

Each year at this time a number of bowlers write to the A. B. C. at Milwaukee about changes in the rules about scoring of splits and railroads. There has been no change in the rule, and if the head-pin stands after your first ball has been rolled there is no legal claim for a split.

DEARBORN URGES ALL AID TO CHARITY BALL

1st and 3rd Thurs., 820 W. Garfield Blvd.

Did you get that ticket for the Charity Ball yet? If you haven't, go to the 'phone right away and tell Bros. Feilen, Read, or Maguire that you want one and they will see that you get it.

It is hard to realize just how much work is being done in that building at 1122 S. Wabash avenue, but let it be known that there is an abundance of it, and all of it is for a very good cause. The environment provided for the men in the service is the very highest quality and rightly so, because many of the boys who come into Chicago like to make it their headquarters since they have neither friends nor relatives here. The "Canteen" where meals are served most reasonably, the recreation rooms where any and all kinds of games may be played, the large meeting hall which is equipped with a stage for entertainments are but a few of the many ways these boys have to pass a few pleasant hours. Let's ask ourselves what we would do and where we would go if we came into a city where we had no relatives or friends. It's a hundred to one chance that we would go to a Catholic Priest or some Catholic organization for assistance; not charity, of course, but advice on what to do and where to go. That's the service, in part, that Bro. Jim Carney and his staff is performing.

The Knights of Columbus of Chicago, as you know, have promised that they are going to furnish this building throughout. This is going to take a tremendous outlay of money and the Knights are asked to share the expense by attending the Charity Ball. For only one dollar you can have one of the most enjoyable times of your life and at the same time giving your co-operation, not only to the N.C.C.S., but to our G.K. and to Dearborn. Those who can are requested to purchase patron tickets at five dollars each. Two tickets of admission are given with each patron ticket and your name listed on the program.

THE FINANCIAL SECRETARY advises that the books are still being audited and anyone who has not paid his last assessment or is 30 days in arrears, is delinquent. Let's get in touch with John about it and help him make this check a complete one.

CONDOLENCES of the council are extended to the relatives of Bro. Jas. W. O'Neill, who passed away last week. May his soul rest in peace.

TONY PIDONE announces that Santa Maria Incoronata has designated Wednesday, Oct. 15, as Ft. Dearborn night at their bazaar. The pastor, Fr. Lazzerri, invites all Dearborn members to attend that night and take a bow. The address is 218 W. Alexander street.

OUR ANNUAL MEMORIAL night will be the last meeting in November, which is the 6th. Fr. Dussman will speak. The meetings in November will be on the first and fourth Thursdays, due to Thanksgiving Day being on the third Thursday.

NEWS ABOUT KNIGHTS

Bro. Steve Ruff has been ill and we hope by this time he is well again.

Bros. John Logan celebrated his 25th wedding anniversary recently, and we wish to extend our best wishes to him and to Mrs. Logan.

Did you know that Bro. Fred Beyer is "grandpa" the second time? The little girl's name is Marilan Jewel.

We hear that Asst. Warden Frank Werr's daughter is home from the hospital and is recovering. It will be some time before she will be around again, but we're glad to hear she's improving. Mrs. Joe Nix is still ill and we hope she recovers soon.

A new rule in connection with new insurance members prohibits any more policies for $500 after Oct. 20. If that prospective member wants insurance, better get him in before then.

We didn't have room last week to tell you that Bro. Wm. J. Wherity and Jos. E. Fara, Jr., missed the $30 award at the last meeting. However, the third man up was Bro. Chas. Gray, who was very much present. Wanna buy a good second-hand duck, Charley?

THE FOUL LINE

Dearborn's hard-hitting maple smashers continued to pile up big scores last week. The top notchers as they totaled for the series were: De Nunzio, 581; C. Stulfe, 561; R. Matt, 557; A. Tomasiello, 556; W. Sullivan, 512; F. De Gray, 500; High games were C. Stulfe, 231; F. De Gray, 217; De Nunzio, 201, and R. Matt, 201. The teams as they now stand are:

Englewood Members Enjoy Movie Program at Recent Meeting

2-4 Mon. . . . 150 West 69th Street

Those of us who attended last meeting were treated to a most unusual, interesting and educational program provided for us by Lecturer Johnny Lyons. There was first, a half hour film in technicolor and sound showing us the magnitude of the job of controlling traffic in a large city. The city fathers have a large order trying to keep vehicles moving speedily, swiftly and with the least confusion. Next we had a quarter hour of sound film showing how the Stars and Stripes developed from pre-revolutionary days up to the present time, which was very timely, patriotic and entertaining.

Then for the conclusion, the selection, Dance of the Hours, showed some very beautiful country scenery. Several varieties of refreshments were then served.

COUNCIL MEMOS

As most of us know a charity ball and social is being held October 11, at the Palmer House for the benefit of the USO. All of us should support this cause to the best of our ability as we have done in the past. Any of us who has ever attended one of these charity balls knows what a grand and glorious evening is in store. Besides, the money is going for a good purpose. Recorder George Johnson has the tickets; let's take as many as possible.

Hope G.K. Dick Phillips is feeling better . . . and where is Pete Sink? . . . Phil Huguelet is scheduled to make his flight tests this week and when he passes them he will be a full-fledged aviator. . . . George Johnson would like to know why certain people, while driving Cadillacs, do not recognize brother Knights near 65th and Lafayette. . . . Your Scribe announces with pride the first anniversary of the birth of his fair haired and blue-eyed son, Bruce, on Monday, October 6.

IN MEMORIAM—Maurice P. Kane, October 3, 1909 . . . Frank W. Whalen, October 4, 1922 . . . Herbert A. Hofflerr, October 7, 1918 . . . May they rest in peace.

Washington Will Make Retreat at Mayslake Over Oct. 10 Week-End

1-3 Tues. . . . . 5th & Wash., Maywood

Your new scribe wishes to institute his duties by paying homage to his worthy and capable predecessor, Bro. John J. McAuliffe. In his recording and reporting of our council activities Bro. McAuliffe has performed in a manner deserving of praise and thanks and has set a precedent which we in our small way will endeavor to emulate.

May we repeat Bro. McAuliffe's request in last weeks COLUMBIAN in seeking your cooperation in making this column successfully interesting so that it will accomplish it's purpose? A council like Washington with a membership of over 100 Knights surely must have news of interest to it's brothers and by that we mean news which they have a right to know. In fact it would seem strange not to have some council items of interest to report every week so your aid is solicited in helping to prepare this column for every issue.

The foregoing is not meant to indicate that we desire to create a gossip column, but rather to keep our members and those of other councils posted on the doings of Washington Council, Maywood. Phone your news bits to Bellwood 4873, or better yet, deliver them in person to 523 So. 22nd Ave., and meet the new queen of the roost Judith Anne five months old.

COMING EVENTS—Annual Mayslake retreat, Oct. 10, 11, and 12, sponsored by our council. Reservations are coming in at a snails pace. Let's decide right here and now to make this retreat—it's an unforgettable experience.

Don't forget that starting with our Oct. 7 meeting we will gather in the Medical Arts Bldg. 5th Ave. & Washington Blvd.

If it is your misfortune to be unable to make the retreat, then try to attend the Columbus Day Charity Ball at the Palmer House Oct. 11. Enough has appeared in recent issues of the COLUMBIAN to make every knight aware of the worthwhile cause this affair represents.

Dec. 2, the date on which Washington Council will sponsor a joint first and second degree may sound a long way off but only three meeting nights will elapse between our next meeting and the degree night. How about that brother in-law, cousin or close friend who is a practical Catholic but not a K. C.? It's our duty to get their signed application in so that they can enjoy the benefits and fellowship of our grand organization.

We have just learned of the rather serious illness of our G. K.'s wife Mrs. Ryan who is a patient at Westlake Hospital suffering from a very painful and distressing attack of pleurisy. Our sincere regrets go out to her and we trust she will soon be fully recovered.

Our idea of a heroine is a wife who could talk back but doesn't.

FR. O'CONNOR'S SPECIAL MEETS VERY POPULAR

1-3 Thurs. . . . . 4660 N. Kedzie Ave.

Those Friday Nite meetings that we have been telling you about are becoming so popular and the attendance so large that they have grown to proportions of our regular meetings. Grand Knight Bill Cunningham, whose plan it is to have a special nite for each of the various committees and invite not only the men serving on these committees, but any and all of our members who are interested, is more than pleased with the results.

Last Friday night's meeting was attended by over forty members and all are anxious to work on some committees. The basement of the home of Brother John Touhey where the meetings are being held was taxed to capacity and only by scaring up every available chair were the members able to be seated. Many old timers showed up at this meeting in response to our appeal for a helping hand and guidance. Many new ideas are offered and immediately worked on. Remember, every brother is invited to attend these meetings and we are always glad to have you. Why not attend the next one? Refreshments are usually served along with a good lively card game for those so inclined.

BOWLING

The Furman Funerals won three games from the Widtmann Meats with Russ Reinke doing the heavy work with 551, Jack Raupp helped with 503 and "believe it or not" Jack McGuire had 503; Larry O'Shea finished the best of a bad lot with 463. The Nolan's Insurance Team beat the King Coals two games; Dr. MacDonald was strong with a 539 while Bill King topped the losers with 493. The Shamrocks and the Christo Printers ran a dead heat, a win apiece and a tie to be bowled off later. For the Printers Geo. Fleischhauer had a 519 and the losers were topped by Fr. Rausch with 505. Alliance Life Insurance, sponsored and controlled by Bern Kamins, won two games from the Naviness Inn. Bechtold, a newcomer, rolled 602 (think we will have trouble with that guy), Jim Coleman contributed 527. For the losers Tom Gaughan had 565.

A reward will be paid for the following persons if found and delivered to Monte Christo Alleys next Tuesday at 9:00 p. m. —George Haag, Marty Sullivan, Cy and Jim Clancy, and Brenner, and George Fitzmaurice. Also for the return of Dick Navin, last seen keeping the ducks company at Fox Lake.

SCRIBE'S SCRIBBLINGS

Last Friday morning Brother Chief Touhey had a most unfortunate accident while working about his home. Falling from a ladder he not only broke his arm in two places but wrenched the ligaments and muscles of his back. The Chief's main concern was not his pain and agony, but that the Friday night meeting would go on as usual and everything would be in readiness when the members arrived that evening. The Chief has always been like that; always thinking about the other fellow. Now it is our turn to think about him. He is laid up at St. Ann's Hospital at 4900 W. Thomas St., Room 237, and he is very anxious to have the brothers visit him. He has been so active all through his life that laying there with nothing to do is making him more miserable than the pains suffered through his mishap. So run out soon and give him a word of cheer...Congratulations are in order for the lads at St. Cyr. Batting and fielding their way to the K. of C. championship was only part of their success story. They are a fine bunch of fellows with that fighting "Never Say Die Spirit." Look to your laurels, St. Cyr, our 1942 team will be out to take that crown away from you.

IMPORTANT DATES TO REMEMBER

October 11, the Big K. of C. Charity Ball, Palmer House. Tickets $1, patrons $5....October 16, Ladies' Nite at Fr. O'Connor. Dancing, cards, prizes and entertainment are all in order...November 15 (Saturday Nite), Our Big Cabaret dance. This is the affair that you will be talking about all year round. Dancing to good music, drinks and sandwiches served right at your table; all at very modest prices. We want you to bring your friends to this dance and show them a real good time. My phones at home and at the office are beginning to rust from lack of calls. Don't you fellows ever have any news that you would like the rest of us to know about; or, haven't you taken the time to call on that prospective member that you promised to bring into the council soon? Well, then just call me up anyway and tell me so. Just tell the operator that you want to talk to Fr. O'Connor's Scribe and if she happens to be a new girl on the job and does not know the number give her either of these: Keystone 7305 or Central 5018!

Chi. Heights Expects Good Sized Crowd at Columbus Day Party

2-4 Mon. . . . . 1537 Otto Blvd.

On Saturday evening, October 11, the Chicago Chapter is sponsoring its annual Columbus Day benefit party to be held at the Palmer House. They have made elaborate plans for the affair and a good time is assured. The proceeds are to be used for furnishing the new Soldiers' and Sailors' Recreation Center at 1122 S. Wabash Avenue, Chicago. It isn't too late to make your reservations; if you are so inclined see your council officers who will be more than pleased to accommodate you.

Also don't forget to attend the Columbus Day program on Monday, October 13, at our own clubrooms.

The Ladies' Social Club of St. Ann's Church is having a southern fried chicken supper on Sunday, October 5, from 5 until 9 o'clock. All knights and their friends are invited. Tickets are 50c for adults and 35c for children. Give your wife the afternoon and evening off and attend this affair.

Bro. Norman Towle has returned to his home from St. James Hospital where he recently underwent an operation. We know he was in good hands having a doctor in the family to look after him.

Information comes to us of the marriage of Bro. Arthur E. Stephen and Irma Broderick. The wedding took place in Ascension Church, Harvey, and was read by Father Edward Hallaway. Congratulations and best wishes to the happy pair.

Bro. Claude Neiderkorn has a novel way of butchering beef. He just bowls into them with his car, presto! Dead bull.

We are very pleased to receive word of the reappointment of Henry (Schlitz) Hilgendorf as our District Deputy. Henry has always been with us attending most of our social and business meetings. He is always ready to assist in all our undertakings.

Your scribe isn't the only one to get balled up on his dates. We noticed our Recorder John Holwell also sent out cards for a meeting on the 28th of September!

Pinta Seeks Support of Entire Membership for Five Point Plan

1-3 Thurs. . . . . St. Mary's, Riverdale

The meeting at Hotel Sherman on Sept. 24, was opened by State Deputy Leo M. Flynn. Present were 198 Grand Knights, District Deputies and Financial Secretaries, out of a possible 208.

The State Deputy particularly stressed that degree teams know their parts thoroughly and recite them distinctly; that the auditing of books be made by Trustees of the Council and not the Financial Secretary; more attention to be given to the Memorial Masses celebrated on May 30, and to be attended by at least five Council members.

Vice-Supreme Master of Fourth Degree and Comptroller of LaSalle General Assembly gave interesting facts of the coming Fourth Degree exemplification to be held on March 1, 1942. Class to be known as the J. J. McMahon Memorial Class, deceased Master of Northern Illinois District.

Councils were asked to give more support to the coming charity ball. Good reasons for added support were given by General Chairman Henry J. Lynch, J. A. Mueller, George A. Wahl and U. S. O. Chairman Ed Molyneaux.

The chairman of the five-point program for the state of Illinois, Judge J. F. Bolton, asks all members of the order to assist local membership chairmen.

Director of N.C.C.S., Bro. James Carney, mentioned possibilities of councils participating in dances, parties and dinners to relieve the expense of the center and also to serve as added attractions for servicemen.

LAST WEEK

Bros. Pat Ferris and Fred Giltmier responded to a call for blood donors at Roseland Hospital. Unfortunately their blood did not match with the patient's. Their efforts, though unsuccessful, were very much appreciated by the Salerno family.

Fourth degree members are asked to appear in full evening dress for the flag-raising ceremony at St. Mary's School on Oct. 12. Also to be present at 11:15 a. m. sharp. This being in honor of Columbus Day, all council members are urged to be present with their families.

Mrs. Dave Denham, wife of our past grand knight, made a hurried trip to California to be near her mother who had a heart attack. She was accompanied by daughter Marion.

BARRY BOWLING LEAGUE

Before we give you the lowdown on e boys last week, it would not be amiss take this opportunity to thank our airman of Athletic Committee, John Chase (The Lone Eagle), for the won- rful help he gave the officers of the gue in starting the boys off on the 41-42 season.

The boys got most of the soreness out their muscles and went after the pins mmer and tongs, and we find Little ck's Restaurant making a clean sweep their series with Sheehan Chili's, and so doing are now tied with Faucher os. for first place. Anchorman George se set the pace for Little Jack's with 529 series with 190 high game. Cousin rry Westphal had high series for Shee- ns with a 550 series and 204 high game. ucher Bros. went after the pins and ade a clean sweep of their series, with corder Kandls and John Tamburrini th a 535 series and high game of 229 lped clean the boards for three wins. ank (Duke) Lane had high series for indls with 523 with 196 high game.

Ahern Morticians won two from United Lines with Tom Ferrarrini getting h series of 516 with 194 high game. is is one team that is going to bear tching as the boys are sure getting ne good scores in their last two series. Shooting on this team are Art McLean, L. Picchietta, Dr. L. Cella, John Cella and Tom Ferrarrini. We must report that Tom Ferrarrini has been trying since last year to convince his wife that he won a special prize at the last National K. of C. Bowling Tournament at Indianapolis for high score, but somebody opened Tom's grip and replaced the wonderful prize with a broken bowling pin. Ollie Klineman had high series for United Air Lines with 512 and 196 high game.

T. W. A. won three from Smith Funeral Home with the old reliable Mort Flynn turning in high series of 528, but J. Donahue, a new bowler on the squad, getting high game of 201 for the skyriders. Leo Capuanni had high series for Smiths with 509 and high game of 178.

Crowley's Cafe, one of the new teams this year, with their full team on the alleys, made up of Frank (Yip) Byrne, John Wall, Bob Furlong, Harry Kloth and the celebrated "heads up" anchorman, Andy Greeley, won two from Mid-West Auto Service with Bob Furlong turning in high series of 494 and John Wall getting high game of 181. Jim O'Brien had high series for Mid-West with 510 and John Foley had high game with 192.

Columbus Sets Date for Annual Benefit Card Party, Nov. 12

2-4 Tues. . . . . 6932 N. Clark St.

"A good time was had by all" at our last meeting. After a short business session refreshments were served, and some of the brothers played cards, while others gathered in groups to settle the world's problems, and a few of the songsters gathered around the piano to sing the old time songs. Mr. William Cavan, who works with Ed Roche at Harris Upham & Co., was good enough to come and entertain us at the piano. He is really a master of the keyboard and added a lot to the evening's enjoyment. Thank you, Mr. Cavan, and come again.

Joe Cain of the Commonwealth Edison Co. was our guest. We enjoyed meeting him. At our business meeting we were addressed by Grand Knight Anthony J. Ludovice of Wilmette Council, who talked for the Charity Ball on October 11 at the Palmer House. The council's quota of patron tickets is eight, and to my knowledge at least two of these have been taken by Grand Knight Al Irving and our Chaplain, Father Mockenhaupt. Ed Roche was appointed chairman of the ticket committee by our Grand Knight, and in his usual capable manner will no doubt fill our quota of tickets.

COUNCIL ACTIVITY

NEWMAN COUNCIL will sponsor a class for the first and second degrees on December 4. We would like very much to be well represented. Already several applications have been turned in. Can you get another?

OUR LECTURER, Dr. Schuler, announced the date of our annual charity card party as November 12. Trustee Ed. Kelly has again secured the use of the 50th Ward Democratic hall. Tickets were distributed at the meeting and soon others will be mailed to each member of the council. This is the one and only party of the year run exclusively for the council where any extra demands are made on the members. Proceeds of this party are used for charitable activity, which must be one of the principal reasons for our existence.

Here are some of the things the chairman of the Catholic Action Committee, Walter Nietschman, proposes to do with these proceeds; give $100 to the Mayslake Building Fund; pay the tuition of at least one child at three parochial schools; give prizes for religion and American history to members of graduating classes in three parochial schools; buy first Communion outfits for boys and girls where needed; have a monthly Mass said for the living and deceased members of the council, etc. It can readily be seen that by each member doing his small bit, the council, as a group, can accomplish what perhaps none of us could do individually.

So please do not lose sight of the purpose of this party, and when you get your tickets through the mail, mail in a check at once. Then you will be sure to come.

WE WERE HAPPY to see our Chaplain, Father Mochenhaupt, at our last meeting. The interest he is taking in council affairs is very gratifying.

HUGHES PLEDGE FULL SUPPORT TO COL. BALL

1-3 Tues. . . . . 4711 W. Madison St.

Hughes Council, under an energetic chairman, P.G.K. Dr. Louis Postilion, is under full steam head to assure the success of the Chapter Charity Ball at the Palmer House on Saturday, October 11. In recent issues there have been able articles on the Charity Ball; there is certainly no need to recite cogent reasons in this column why you should help in this worthy undertaking. But we can promise you a wonderful evening of entertainment and diversion—dancing, fun, delightful social contacts.

P.G.K. Postilion, his capable committeemen, G.K. George N. Daly, the P.G.K.s and others are deeply interested in the Chapter Charity Ball and want Hughes Council to play an important role in its success. There will be dancing in the Grand Ballroom of the Palmer House; other large halls have been reserved for various social entertainment and games, hence everybody is bound to have a most enjoyable evening. The Hughes Committee has reserved a special room for the entertainment of Council members and their friends.

The Chairman and P.G.K. E. J. O'Brien are pushing the patrons' end of the ball, for each council is required to make a quota of 4 per cent. Thus far Hughes is under its mark, but among those who are patrons may be found the names of P.G.K.s Patrick J. Barrett, John H. McKeown, Elmer J. O'Brien and Athletic Director Elmo L. Ward. It only costs $5; this includes two tickets to the Charity Ball and listing in the program. Get in touch with one of the aforementioned and become a Patron.

COUNCIL ITEMS

Warm congratulations to P.G.K. Elmer J. O'Brien upon his appointment as secretary of the State Athletic Commission. It is a source of gratification that State Deputy Leo Flynn thus honored Hughes, and we are confident that his recognition of the outstanding abilities of P.G.K. O'Brien will assure a brilliant record for the Athletic Commission.

A bow to the State Deputy also for his reappointment of our beloved P.G.K. John H. McKeown as District Deputy, and thanks, too, for the appointment of Art Donoghue as D.D. of Hughes. Hughes Council feels highly honored in every instance, and it might be interpolated that the wisdom of these selections mirrors the fact that State Deputy Flynn has his finger on the pulse of things at all times.

Congratulations to Bro. and Mrs. John Keefe on the birth of a fine son on Thursday, September 25. Pass the seegars, John.

G.K. George Daly and his fellow officers of Hughes are all pepped up for a big year. After the inspirational talks at the recent G.K.'s meeting, Bro. Daly means to have Hughes top all previous marks. It is important that the chairman of various committees be prepared to render full reports of all activity. The G.K. expects to call special meetings in the near future to give added impetus to the Five-Point Program, and all chairmen are urged to have the way smoothed for efficient operation of all plans.

Have you heard about the wonderful work that the Membership Committee, under Chairman William Kane, is doing. It has been most encouraging to the G.K. and officers to mark the results of Bill Kane's hard work. There is still much to be done, however, and Bro. Kane needs the wholehearted help of every member. There will be an exemplification of the First and Second Degrees on Tuesday, October 7, so get a candidate signed up. Sponsors of candidates are urged to have them at the initiation on Oct. 7.

SOFTBALL BANQUET

Delegate Chick O'Malley announces that the K. of C. Softball League Banquet will be held on Thursday, November 6, at the Knickerbocker Hotel. Only $2 per person. A special program has been arranged. Hughes Council, champions of their division, will be properly honored. Come out and give the boys a hand. Incidentally, any big hearted fellow who wants to donate an extra trophy to the League will find his generosity appreciated. For details about the banquet, communicate with Charles A. O'Malley, Merrimac 5052, or the G.K.

BOWLING NOTES

The West Side K. of C. Major League commenced hostilities a couple of weeks ago. Hughes copped two from Ketteler on opening night, rolling high game of 1050. O'Brien had about ten strikes in a row, three finishing up one game and seven straight in the next. On last Friday Hughes took two from Hennepin-Shields. Anchor-man Al Kowalski had a modest 278 game, running up a string of nine consecutive strikes amid the cheers of Hughes adherents. Slanina, Garant, O'Brien, Kaminski and Kowalski comprise a formidable squad and will make a stout bid for the Championship.

The Council Bowling League got under way at Cascade Bowling Center on last Friday at 7 p. m. This is a handicap league and the handicap will be made retroactive, so nobody can puzzle out just who beat who until the league handicaps are officially issued. This took some kick out of opening night, for there were no dog-fights in the tenth frame to see just which team would come out on top. The ten teams were well filled, the personnel of most the same as in previous seasons. There were some newcomers in the various lineups and early indications would lead one to expect a banner season. Bowling Commissioner Nicholas Mulroe and League Secretary Harold F. Enright had their hands full on opening night, but henceforth everything can be expected to proceed with clocklike precision.

Athletic Director Elmo Ward set a mark for the boys to shoot at when he toppled eight straight strikes and wound up with a better-than 250 count. This was far and away the highest game of the evening. Tom Dailey, perennial star, got away in mid-season form when he shot a 616 series, no game less than 200, which proves that for consistency Tom is the proverbial jewel. Alderman Richard M. Walsh of the 36th Ward is now bowling on the team he sponsors. Come out next Friday, Cascade, 3827 Madison, at 7 p. m. and watch the fun.

It is better to have a few good friends than a good many friends.

De Soto to Stage Harvest Party at Next Friday Meet

2-4 Fri.....Clark and Belmont

A fine gathering of DeSotoans turned out for the last meeting to pay homage to Bros. Joe Merki and Frank Wohlleber. In the absence of State Deputy Leo M. Flynn, who telegraphed his regrets at not being present, State Secretary Raymond Gleason welcomed Joe and Frank into the official state family.

PGK's Ed Sullivan and Pete Kandel took part in the festivities by eulogizing the honored guests and then on behalf of the council presented each with a handsome traveling bag which should be put to good use at the Mayslake retreat and the National K. C. Bowling Tournament.

PGK Henry L. Phoenix of Chicago Council made his initial appearance in our council chambers in his new role as district deputy and expressed delight in his new assignment.

The baseball dopesters were given an opportunity to display their powers when Lecturer Irv Schultz distributed the world's series contest forms. Each member received a form and was asked to select his choice as winner of the series, the number of games and the scores of each game. The winner will be announced at the next meeting.

As a fitting climax to a fine celebration honoring two regular fellows, Lecturer Irv Schultz treated the members to a generous serving of that amber fluid usually dispensed in steins across a bar.

Our lecturer informs us that he is afraid GK Gene Scanlon will relieve him of his duties if he doesn't draw a larger crowd to the next meeting. In order to hold his office he plans to stake all on the old-fashioned harvest party he is planning for the meeting of Oct. 10. Our operatives inform us that several farmers in the vicinity of McHenry were seen shooting at a certain individual of short stature who was stealing pumpkins and cornstalks. This sounds as though Irv is at work and really means business, so don't miss this meeting!

We understand that Santa Claus will visit De Soto on Friday evening, Dec. 26, and that your chances of getting a present will be increased by regular attendance at the meetings.

COUNCIL ACTIVITY

HAVE you purchased your tickets to the Chicago Chapter Columbus Day charity ball at the Palmer House on Oct. 11? Warden Joe Cella and his committee are making every effort to dispose of De Soto's quota of 300 tickets at $1 per and 48 patrons at $5 per copy. In case the committee missed you a telephone call to Joe will bring them a-runnin'.

CHANCELLOR "Candy" Strehlow, chairman of the membership committee, is not sitting idly by while he broadcasts his appeal to the entire membership for assistance in interesting new applicants in our council. He has supplemented his forceful and illustrative requests by action. At the last meeting he demonstrated that a little effort will bring results. A check of the applications showed that he personally presented at least six of them. If you have had difficulty in convincing your prospect you might advise him of the special interest the Knight of Columbus has in his brother's welfare. "Candy" sends us the following item relating to the hands of fraternity that are ever extended to our brother knights:

"Charity—In deeds of kindness, helpfulness, aid for the needy, orphaned and aged, comfort for the distressed, the hand of charity is always extended. It has supplied food, clothing and shelter to thousands around the world.

"Unity—By united action right has been maintained and wrong defeated the truth upheld and the false repudiated. It has given strength and confidence and courage; it has made possible great Catholic achievement for God and Country.

"Brotherly Love—It is the mystic power that touches the heart, softens the pangs of sorrow, gives friendship a deeper meaning, intensifies our joys, heightens and broadens those finer relations among men and brings gladness and sunshine into life.

"Patriotism—Knowledge and love of country, devotion to government and its institutions, defense of liberty and justice, support of loyalty, truth and right, are encouraged and promoted to produce better citizens."

Proper consideration of these features of fraternalism and what they mean to the Knight of Columbus should satisfy the prospective candidate of the benefits he will enjoy by being a member of the order. The meeting of Oct. 10 will be the last opportunity to present your applications in order to have your candidate eligible for the degree on Oct. 24.

PERSONALS

Just learned that Bro. Jim O'Toole's daughter, Marilyn, is seriously ill at the Augustana Hospital. Her dad and brother Jim, who will become a member of De Soto at the next degree, submitted to blood transfusions last week. Bros. John Barrson and Nicholas J. Kasper are standing by in the event another transfusion is necessary.

Your scribe just received the belated report of the death of the mother of Bro. Charles C. Heinz who just recently passed to her eternal reward. The entire council joins in extending our heartfelt sympathy to Bro. Heinz and family.

Henceforward you may reach Bro. Charles Hassmer, father of Bro. Joe Hassmer at Chesterton, Ind., Route 1. On Oct. 1st, Bro. Hassmer, an old-timer in the council, left our community to move into the new home built by his son, Franklin Hassmer, who, by the way, is President of the Nocturnal Adoration Society.

Bro. Joseph "Dode" Jung celebrated his return to De Soto's Bowling League with a swell 250 game. The Honor of being first to bowl a "six hundred series" this season goes to Bro. Mike Ritt, who entered that select class on the second evening of bowling. Where have these fellows been practicing?

Trustee Charley McCarter returned from his Minnesota fishing trip with the story that the fish were so plentiful that he had to hide behind a tree to bait his hook. Bro. Joe Kramer insists that those pictures of the fish he caught on his vacation are genuine and not photographic illusions.

Congratulations to Bro. Frank B. Braband and wife Helen, who on Sept. 22 became the proud parents of a 7-lb. baby girl born at St. Anthony's Hospital.

De Soto Majors continued their fine showing in the North Division of the K. of C. Bowling League by taking three games from Daniel O'Connell Council on Monday evening. Looks as though the bowlers are trying to outshine the softball team.

Another member of the council was called to serve Uncle Sam at $21.00 per, when Bro. Joseph Kircher was inducted into the Army at Camp Grant on Sept. 26th.

St. Pat's Asks Council Give Full Support to Charity Ball Oct. 11

1-3 Tues. . . . . 6 No. Hamlin Ave.

There is little time left before the Charity Ball will be upon us, so if you have not made your reservation please do so at once. Remember that this affair is held for the benefit of the N.C.C.S. Service Men's Club at 1122 S. Wabash Avenue. Through funds derived entertainment and recreational facilities will be provided for our boys in service. This is indeed important as it serves to bolster the morale and enables them to keep an even keel during the trials of their training.

On returning to camp they will spread the word of the swell treatment rendered them by the club and indirectly the Knights of Columbus. This is only one of the many ways by which we can feel repaid for our efforts in attending the Ball. Don't forget the date Saturday, October 11, at the Grand Ballroom of the Palmer House.

Financial Secretary Jack McAuliffe asks that the members be prompt in payment of their dues and assessments. We have to meet our bills on time and the members who are late in payment work a hardship on the Council and their brothers. Jack's address is 5051 W. Congress Street.

Brother Ray Hughes, chairman of the Insurance committee, announces the appointment of the following members to assist him in his important work. Vice-chairman, George Altier; Ass't Vice-chairman, John McAuliffe; Committeemen, Jim Hartford, William Finn, Joe De Frank, and John W. Egan.

A REMINDER to the members that we are running a Cabaret Party, Saturday, November 1, at the Midwest Athletic Club, 6 N. Hamlin Avenue. In order that this affair will become the success that in the past it has been, the brothers are asked to spread the news around and induce your friends to attend. Let's get behind Lecturer John O'Shaughnessy and have a huge crowd on hand that night.

BOWLING

Our team in the West Side Majors dropped their first six games, but as the season rolls on the team will be on top.

Blue Island Golf Day Is Hot Stuff Despite Weather

1-3 Tues. . . . . Gregory & New Sts.

It rained, blew, got colder by the minute but the staunch, loyal friends of Blue Island Council would not let a little thing like bad weather keep them away. The sixth annual Pow Wow is now recorded as another successful event. Those in attendance all enjoyed themselves, playing golf, eating, enjoying the "pause that refreshed" and in the evening had a steak dinner.

The winner of the W. Otto Wielgonecki Trophy for Guests was Peggy McGovern of our town with a 76. Mr. McGovern is one of our strongest supporters today because he also went home with the Attendance award, given by Mayor Hart, which was a Sheaffer pen and pencil set. Nice going, Peggy. Second guests prize went to Earl Rody with a 82. The prize was a sweater donated by State Bank of Blue Island.

The Judge Richard B. Seyfarth Trophy for members was won by Bro. Charles Komada, shooting a 82. The second prize for members was won on a toss by Tony Chovanee. Bro. Chovanee was awarded a key chain and knife donated by the First National Bank. The loser of the toss Bro. Dick Lentz and Bro. Chovanee shot an 85. Third prize for council golfers went to Bro. Rick Bentson with a score of 86 and Rick is now serving from a Decanter set donated by Mark's Store for Men. Fourth prizes went to Bro. Geo. Komada on the toss against Gus Vail both coming in with 95. Fifth prize went to W. Kysiak with a 96.

The women's prize winners were: First prize to Dorothy Frasor; second, to Mrs. Fiore; third, Mrs. F. A. Vincenti, fourth, Mrs. Eddie Kastner; fifth prize, Mary Gese, and sixth to Mrs. J. J. Boyd. Brave lassies indeed to play golf on a day as cold as last Sunday.

COMING EVENTS

Making the rounds one hears that big things are in store for members of our council. Right off the top of the pack will be our dance. The date is October 18th, at St. Benedict's Hall, the orchestra is Freddie Hinkel and the ducats cost $1.50 per couple. Make haste lads and obtain tickets and bring your friends.

Grand Knight Edward Hansen wishes to thank all those in attendance at Holy Communion Sunday at St. Donatus. A fine turnout and the council officers appreciated it very much.

Our Financial Secretary, Bro. Paul Paetsch warns all who are in arrears to make the account read right by paying your dues very soon. The purge of Russia will have nothing on the suspension action if the lads don't get paid up.

Whose big feet on the bowling alley cost his team a game last week? The league has one team known as the Supreme Court team. You know, "packed." They didn't do so well last week. Bro. Andy Thatcher still throws his ball and prays after all these years. President Stan Rosanes asked that all complaints about the Fifth Column team be in writing and names signed before he will act upon them. The fifth column team rolls in the Ladies' League and Hickey is threatening to call them in any time now. Will the Secretary of the League send yours truly the team standings and the list of "hot shots" for publication. To Bro. Joe Krizik we say, "You have what it takes, fella!" Due to an accident to his bowling hand Joe can't use it so he is bowling with the other and coming along fine.

SPECIAL!

The following have been chosen by G.K. Hansen to chairmanships on the Five Point Program:

Chaplain, Fr. Theo. Gross; Publicity, Dan J. Boyd; Program, Justin J. Boyd; Membership, Tom Parsons; Catholic Action, Charles J. Monehen.

Don't forget brothers that Father Oliver will be at our next meeting on Oct. 7. with his films on Mayslake. Bro. L. Frasor chairman of the council retreat urges all to come and meet Father Oliver. Our retreat date is set for Oct. 24th.

SICK

The list has been shortened by the return of Bro. Juby from Hines, Bro. Wieland's return to work and Bro. Pa Dohrman, our D.G.K. getting the Doc okay for a stroll and occasional hand a rummy. Bro. Ed. Marten, D.D., and Da Boyd drove to Hines last week to see Bro Hein Rack. They report that Hein look very good, says he asks for all th brothers and would like a visit from mor of the lads. Father Dunne was at Hine to pay a visit to Bro. Rack on the sam day and the patient enjoyed the compan very much.

Bro. Francis McAuliff whose name is being honored as sponso of this class, was our membership chair man for the past three years and hi work in keeping O'Connell's name on th honor roll has won for him this dis tinction.

O'CONNOTES

Did you know that Bro. and Mrs. Jo seph C. Meier and their daughter spent a whole Sunday entertaining two of Uncle Sam's soldiers? A tour of all the Chicago parks, dinner at one of Chicago's outlying dining spots, from there to Waukegan, Ill., along with visits to the Great Lakes Naval Station and Fort Sheridan completed the itinerary.

O'Connell's bowling team won two games the first night but lost three the second due in most part to the very questionable bowling of your recorder, who has come to the conclusion that you can't talk a good bowling game.

Feehan Confers Honor Degrees

2-4 Tuesdays . . . . . Hamlin and Madison

Last meeting was the occasion of the presentation of special degrees to seven mmbers of Fechan. Pictued above with the conferring officers are, seated: John Coyle and Dr. Stephen E. Donlon, recipients of Life Honorary Membership. Standing, from left to right, are Frank R. Reynolds, Chancellor; Dr. E. M. Holmes, Herman Becker, Honorary Members; John Long, Deputy Grand Knight; John J. Reidy, Honorary Member, George Lyon, Acting Knight; Maurice P. Flynn, Honorary Member and James F. Collins, Grand Knight.

Because illness prevented John J. O'Connor and William V. Malloy from attending, their degrees were conferred "in absentia." Bro. George Lyon, Sr., presided and lent to the occasion the proper aura of decorum and culture. In all it was a quite emotional and very successful evening. The officers are to be congratulated upon the fine manner in which the degrees were conferred.

MEMBERSHIP

The membership drive continues to gather momentum under the constant lathering of the co-chaimen, Bob Wingfield and Art Murray. The boys had blood in their eyes when each addressed the meeting, and you couldn't help but know that they meant business. They intend to chase every prospect into the nearest corner and really give him the works. All they ask of us (and this means you, too) is the name and address of all of our eligible friends. Get your list ready and mail it in to them.

THE WELCOME MAT was extended at last meeting to D. D. John H. McKeown, favorite of Feehan Council, who added his congratulations to those being received by the honorary members, and urged a united drive to assist the membership chairmen.

Bro. John B. Meccia, P. G. K. St. Francis Xavier Council, attended to urge support of the Charity Ball being sponsored by the Chicago Chapter at the Palmer House on Saturday, Oct. 11. A $5.00 donation makes you a patron. General admission is $1.00 a person. We'll look for your name in The Columbian as a patron and for you at the Palmer House.

Also welcome was the ever welcome Bro. Fogarty, Sr., of O'Connell Council, a better man, we regret to admit, than his son will ever be! A resolution was passed to the effect that an attempt be made to trade Fogarty, Jr., for Fogarty, Sr., but we doubt that O'Connell will go for this one.

BOWLING

In the council bowling league, the wood fell hot and heavy last week. Leading the parade are Judge Hackett's Pioneers 7-2, followed by Malee's Fighting Irish, N. Preib Cleaners and Lemon King Senators, all with 6-3 records. Harold Crotty Boosters and Harmon Electrics are 5-4 and Ed Kaindl Boosters and Illinois Laundry 4-5. Next comes J. J. Collins Sons, Pat Quinn's Inn and Hanley's Tavern with 3-6 and in last place the Dunne Roofers with 2-7.

High Team Series was taken by Malee's Fighting Irish, 2622; with Hanley's Tavern second, 2563. High team game went to Hanley's Tavern, 907; Hackett's Pioneers, 905.

Individual high series went to George Becker whose 644 is followed by Jimmy Collins' 607. High game was rolled by Turk Fogarty, 236; Joe Collins, 229. High individual averages: George Becker, 188; Jimmy Collins, 183.

CONGRATULATIONS to Bro. Bob Gill on his appointment as a local gendarme. We hope he never gets writer's cramp from filling out those tickets.

BIRTHDAY GREETINGS to Bros. Bill O'Brien, Harold Crotty, Len Reublk, James A. Garvey, Joseph Aielle, Frank Vanucci and Raymond D. Niccolai, who celebrate this coming week.

Garcia Moreno Mourns at Sudden Passing of P.G.K. Joseph Flaherty

2-4 Tues.....155th St. & Lexington Ave.

Our highly respected and beloved brother, Past Grand Knight Joseph Flaherty, postmaster of our city, suddenly departed this life Sept. 26. His untimely demise has crushed the hearts of his family and legion of friends and created a vacancy which never can be filled. Everyone who ever had the pleasure of making his acquaintance loved him dearly. In Garcia Moreno Council's book of time there is recorded in golden ink, never to be effaced or defaced, the good deeds performed by Bro. Flaherty. His kindly efforts, his everlasting devotion to the Knights of Columbus, his love and affection for his fellow men and his honor and integrity leave a fine heritage.

His earthly reward and recompense are reflected in the genuine and deep sorrow in the hearts of his brother members occasioned by his passing. To his bereaved wife and daughters we tender our sincerest sympathy for the great loss they have sustained in the death of a beloved husband and father. Our grief, while not akin to theirs, is none the less deeply felt and we, too, shall feel the aching void caused by his untimely passing. May his soul rest in peace.

BOWLING NEWS

Posen Lumber Co. sweep the series over Oliver Drug Store and take first place in the league with five wins and one loss. Chief Kocielski's 586 and Louie Cerewicki's 538 were the two main reasons for Gorski failing to get the wood. Vic Walenga, 503, and Kammert, 480, were tops for the drug team. Shea's champs won two games from Home Liquor Store and are tied for second place with Goletz's Boosters. Adams' 559 series and a 256 game, high for the season, was the star for the champs, while Shea's 497 was good enough for second honors.

Wm. O'Hara Boosters won two from Goletz's Boosters. Bruce's 212 game and 549 series was tops, while Joe Knoll's 487 was second best. Ted Podhulski's 481 was high for the Goletz gang and Billie Powers, Jr., came second best with 474. Ring's Democrats won two games and are tied for fourth place with the O'Hara gang. Dainton's 522 and Pop White's 467 were the winner's best, while Charlie Jack's 543 and Bill Lemon's 499 were the top for the Eagle Coal Co. Drop in any Thursday night and see the gang in action.

BIT O' NEWS

Notes of our last meeting: Off of the sick list and looking great—Chas. Melkent. Rich Walenga's injured arm coming along fine. Ed Sedlack at Ingalls Hospital coming along in fine shape. The wife of Tom Condon was reported on the sick list, and we hope her stay there will be a short one. Committee reports by Chas. Wisell, athletics; John Begnocke, membership; Francis De Mayo, picnic; Pop White, bowling. All reports were very interesting. Fin. Secy. Louis Beaupre reported that, effective Oct. 20, no more $500 insurance certificates will be issued and no more bonuses paid to members for applications. So far two applications have been given to the grand knight. John Begnocke was the go-getter. Send all names and adrsesses of prospective members to the GK or to John Begnocke.

Our recorder, Marty McGee, has resigned due to conditions over which he has no control. An election will be held at our next meeting Tuesday eve, Oct. 14, to fill the office. Also may we remind the members that the lecturer, Henry Stein, has arranged a program for our next meeting—"Columbus night." Keep that in mind. PGK James Weeks of Chicago was present at our last meeting, looking fine, and took part in various council debates. Come again, James, we are always glad to see you.

Trustee Romeo Begnoche read the audit report and his comments on it and along with many others present call for drastic action. Our membership will be notified soon of the action the council plans to take. This issue of The Columbian should remind us that October is here and our council obligations are now due for the last quarter of this year. We want every member's account in black ink when the new year arrives. All are working, so it should be very easy.

To Lecturer Henry Stein and wife our belated congratulations on the recent celebration of your 35th wedding anniversary.

McHale to Feature Softball Players at Next Tuesday's Meet

1-3 Tues. . . . . 150 W. 69th Street

Say, fellows, don't plan on anything for next Tuesday evening, October 7, for that is the date of our next meeting and I know you won't want to miss that, because things and stuff have been planned for your enjoyment.

Bro. Leo Karniva, manager of our great softball team, is going to tell us all about the championship finals and Lecturer Leo Wemple intends to treat the ball players and the rest of the members. Then, too, I believe arrangements have been made to have a very interesting technicolor motion picture shown after the meeting.

BOWLING

Our council's bowling league got off to a fine start a week ago Monday, there being 12 five man teams in action. That's a lot of bowlers for a council of our size, says I.

The officers of the league thank our members who have joined the teams this year and also those who have so kindly agreed to sponsor teams.

Remember you're always welcome to visit the bowling alleys at 6225 Cottage Grove Ave. to watch the boys knock the pins down. A week ago Monday some of the guests were two daughters of Bro. Tom Dundon, the wife and sister-in-law of D.G.K. Tom Garvin, and Mrs. John Kelly, the wife of our G.K.

CHARITY BALL—P.G.K. Tom Mulroy, the chairman of our USO committee, reports that he has just about sold our quota of patrons tickets for the chapter charity ball which will be at the Palmer House, Saturday evening, October 11. However, he still has about 70 tickets which he must dispose of to our members, so, brothers, why not make up your mind to buy one or two tickets from Tommy at our next meeting.

HERE AND THERE

Bro. John Dignan and wife announce the arrival of a fine, big baby boy. . . . Bro. Steve O'Brien, who spent many weeks confined in the Woodlawn Hospital, is now out and about. . . . Bro. Mike Geraghty recently flew to San Antonio, Texas, to spend his vacation with his brother, Judge Geraghty. . . . Bro. Jack Anton, Art Usher and Pat O'Connor have been appointed to our USO committee. . . . P.G.K. Bill Collins is in Colorado Springs attending a convention of Railway Treasurers. . . . The annual memorial mass for Most Rev. Peter J. Muldoon, D.D., former Spiritual Dierctor of the Catholic Home Finding Association of Illinois, will be at St. Peter's Church at noon on Wednesday, October 6.

Carroll's PGK Dan O'Connell to Head Membership Drive

Next Meeting Oct. 7th . 6 No. Hamlin Ave.

Past Grand Knight Daniel J. O'Connell, present Trustee of Carroll Council, has been appointed to head that all-important membership committee. His selection does not go unheralded for no wiser choice was ever made. "Dan," is widely recognized in Knights of Columbus circles for his administration of fraternal affairs and holds the confidence of one of the largest councils in the Chicago jurisdiction. We are, indeed, very fortunate to have secured his services; the vast experience acquired in council activity gives him a strong foothold for the coming membership drive.

Complete details and the schedule of progressive action to be taken will be outlined at the next meeting, Tuesday, October 7.

LIGHTS! . . . CAMERA! . . . ACTION! This means YOU, fellows! Let's make this one "a take." Follow the instructions of your "leading man" and who knows but someday you, too may be a "star." Best of luck, "D. J.," but with the able support of your cast of "fine characters" you won't be needing it. We'll be seeing you all next meeting night, when instructions will be given for the "opening night" of "MAN-POWER FOR CARROLL COUNCIL." When the curtain "rings down" after the performance we'll have recorded "another success."

U.S.O. ACTIVITY

Carroll's charity ball committee, headed by Daniel J. Ryan, Sr., and the officers of the council have been concentrating all their effort on the ticket sales campaign for the Columbus Day observance, which will be held Saturday, October 11 at the Palmer House. Letters were mailed to the membership in the hope of speeding up last minute action.

Regular admission tickets are $1.00 and to become a patron, a minimum contribution of $5 is required. This amount entitles donor to a listing in the official program and two admission tickets. Proceeds from this affair will be donated to defray the expense of equipping the recreational center for army and navy men at 1120 S. Wabash avenue. Further particulars may be had by communicating with Chairman Daniel J. Ryan, 4034 W. Polk street, Kedzie 0443 (residence), or Wabash 3360 (business).

MEMORIAM

It is with saddened heart that we announce the death of our Brother William D. Kerivan, beloved husband of Ellen C. (nee Donohue), father of Mary Margaret, Mrs. Helen Flynn, Mrs. Josephine Beyer, Henrietta, Mrs. Catherine McCullough, Mrs. Gertrude Mangan, William D., Jr., John M., James V., the late Murella, Ursula, and Therese Kerivan, brother of James Kerivan, Mrs. Frank Youngs and Mrs. Mary Clough. Funeral services were held Monday morning from the residence at 2415 Lexington street to Most Precious Blood church. Interment was at Mount Carmel.

Entering Carroll Council over twenty-six years ago, he was a faithful member, regular in attendance until the recent past when illness made regular attendance impossible. It was not until one week ago that Carroll Council received word of the seriousness of his illness and now the sudden news of his passing comes as a shock to his many friends in the council.

He was a kindly man and nothing was said of him that wasn't good, for he was "a true Catholic gentleman and a worthy Knight of Columbus." Last Sunday evening, a large delegation of the members, headed by Grand Knight Crosby, attended the wake to pay respects to our late brother and to offer sympathy to the bereaved family. The members are asked to remember Brother Kerivan in their prayers. May he forever walk in the path of his Maker and rest in eternal peace and happiness.

The council also extends its sympathy to Brother Joseph E. Beckerjack whose father passed away two weeks ago. May his soul rest in peace.

D.D. JOHN F. McNAMARA

Carroll Council is pleased over the fact that John F. McNamara has again been appointed District Deputy from our council and wish for him many more years in the execution of his tasks in that high office. "Jack" has merited his reappointment as a capable and energetic leader in the field of fraternal activity. Congratulations, Jack! And our wish for you is that you get the best of everything.

Dave Burke is reported recovering from an appendectomy operation which had taken place on September 17. Speedy recovery, Dave, and fast return to the council chambers.

Ed. Aubin was joined in matrimony to the lovely Miss Ann Keeny on Saturday, September 27. A reception followed the ceremony at the Midwest Athletic club, where the couple were toasted to a happy journey on their new venture. Congratulations to Ann and Ed. for a "life of heavenly bliss."

SUPPER-DANCE, NOV. 15!

Taking a cue from the fast approaching fall season, Carroll Council will hold its Fall Supper-Dance Party on Saturday evening, November 15, in the main dining room of the Midwest Athletic club, 6. N. Hamlin avenue. This affair promises to be one of the social highlights of the season among Knights of Columbus circles. Tickets at $1.50 per person will be ready for distribution at the meeting of Tuesday, October 7. You are requested to make your reservation orders as promptly as possible.

BOWLERS, ATTENTION!

Carroll's intra-council bowlers have begun the 1941-42 season with some real activity. The games are played every Friday evening, at between 8:30 and 8:45 at the Madison-Kedzie Arcade alleys, 3127 W. Madison street (near Albany). There are a number of "spots" for those bowlers who were late in deciding their intentions and may still have a chance to join the league.

Americus Is Host to Large Gathering for P.G.K. Ned Kelly Nite

2-4 Tues. . . . . 3350 W. Jackson Blvd.

On Tuesday evening, Sept. 23, Americus Council celebrated Kelly Night in honor of Past Grand Knight Ned Kelly. The hall was crowded with Knights and their ladies when the Grand Knight, after a short business session turned the gavel over to Bro. Jos. Gillespie, Alderman of the 29th Ward, who acted as Master of Ceremonies.

Among the visiting celebrities were State Deputy Leo M. Flynn, State Secretary Ray Gleason, Master of the Fourth Degree Phil Nellis, District Deputy John McKeown, State Senator John J. Gorman, P.G.K. of Damen Council, Grand Knights George Kopps of St. Augustine Council, Barney Cunningham of Commodore Barry Council and P.G.K.'s Matt Ryan of Chicago and Ed Hartnett of Kettler Councils.

From our own Council our Chaplain, Rev. Vincent Scheltinga, O.S.M., Supreme Director Michael Howlett, Hon. Albert J. Horan, John R. McSweeney and P.G.K.'s John Cooke, Jim McSweeney, Jim Mooney and Leo Joyce were loud in their praises of the manner in which Ned has carried on for Americus.

Mrs. Kelly was presented with a bouquet of roses and Ned was the recipient of a beautiful desk and chair, a gift from his friends in Americus and other Councils. Our hope is, Ned, that you may prosper and live long to enjoy the gift with your charming wife and lovely family.

We wish to thank Bro. Al Horan for the entertainment that included Miss Bernice Berg, Bro. Tom Loftus of Marquette Council and The Three Flashes with Mrs. Kelly and Miss Guelig at the piano. Refreshments were served and everybody seemed happy. Our thanks also to the Kelly Night Committee, P.G.K. Mooney, Jack Crawford, Phil Koop, Pete Callan and Jay O'Rourke. Nice going, boys.

CHAPTER BALL

Only one short week and then the Chicago Chapter Ball for the benefit of the National Catholic Community Service will be held at the Palmer House. There will be dancing, entertainment and games. So for this worthy cause dress up the girl friend and drag her down to the Oct. 11 Ball.

To Brother William Kent and family we offer our sincerest sympathies on the death of his brother, Paul Kent. Paul was formerly a member of Americus and a boyhood pal and friend of many of our members. His passing will leave a void in their lives.

The bowlers are gathering speed, last Friday night the O'Rourkes and the Scotts each won three games and are tied for the lead. The high games of the evening were shot by McGuire with 198 and O'Rourke with 195. The prexy, Bill Costello, wants to get the games started at 8:00 P.M., so load the fish and spaghetti in early and get to the alleys on time.

Presentation Church was the scene of a beautiful ceremony Saturday, September 27, at High Noon when Eileen Agnes Mooney, daughter of P.G.K. James Mooney, and Dennis F. McGovern were united in the Holy bonds of matrimony. The bride looked like an angel all dressed in white. The bride's sister, Mary, her maid of honor, was lovely in her gown of orchid and purple as were the bridesmaids, dressed in chartreuse and green gowns. The bride's mother looked grand enough to be a bride herself and the father was pretty, too. The reception in the evening was held at Cornwall Legion Post Country Club where 600 guests were present. The exclusive movie rights of the ceremony and the greetings outside the church were in the hands of Cecil B. DeKelly. (Who the —— said we couldn't describe a wedding?)

Wonder if Mooney got the bridegroom's application before he gave him his daughter. We had two new applications last meeting, one presented by the Grand Knight and the other by M. J. Howlett, Jr.; only 33 to go. Bet we can do it if we try.

Note comes from our Cicero Kid Thos. Eigelsbach. He is one of our paid up members. We are always glad to hear from the boys. A mistake was made in our last meeting notice; the name of Tim Hanrahan was inserted where it should have been Dan McNamara as the name drawn from the "Kush Keg."

Don't forget what I told you! On Tuesday evening, Oct. 28, our second meeting in Oct., we are going to play ——. Well, we came close to telling you. Be there and find out. We know you will have a good time.

Loyola-Hyde Park Will Hold Open Meeting to Honor Columbus Oct. 9

2-4 Thurs. . . . . 7435 Cottage Grove

Our next meeting, Thursday, Oct. 9, will be an open meeting in honor of Christopher Columbus, our patron, and we could think of no better event to fit such an occasion than the starting of our membership drive. Let us plead with you to bring up that friend on this night. A good speaker will tell about Columbus, our Order and its fine insurance plan so bring him along with you and invite him to join in the many benefits offered by the Knights of Columbus.

The last meeting was a wow. The officers speeded up the business session so that by nine o'clock it was turned into an open meeting. Through the courtesy of the Chicago Surface Lines we enjoyed two excellent movies. Over two hundred members were present.

New officers elected were William Percy as trustee to fill vacancy left by Bro. Hungeling, who resigned his office because of the added duties his new position imposed. A new outside guard, Bro. F. Epach, was elected to fill the vacancy left by Bill Percy. We wish both of you good luck and we know you will serve well.

Chairman of Membership, P.G.K. R. L. Judge, in conjunction with G.K. McGuire, appointed the following sub-chairmen and captains to serve with him on the drive for new members which starts with the Columbus celebration on Oct. 9: New Members—P.G.K. Arch Hermann; Readmission—P.G.K. Charles Lawler; Lapsation—Fin. Sec. Art Jacobs, whose address by the way is 8035 St. Lawrence Ave. The following were named District Captains: St. Carthage parish—Walter Och and Franklin Krause; St. Dorothy's parish—Chancellor Bud Joyce and Bernard Thompson; St. Columbanus parish—Ray McCann, Jim Shaughnessey and Captain Pat McHugh; St. Thomas the Apostle—Advocate Thomas Fay and Charles Mellon; St. Francis—Caesar Masini, Edward Heil and T. Epach; St. Lawrence—Jack Barrett and G.K. Jack McGuire; St. Cyril's—Scribe Geo. V. Birmingham and John Fitzgerald; St. Clara (open for appointment); St. Ambrose—Miles Barrett and Patrick Costigan and Christ the King—Jack Flanagan.

SNOOPER HEARD

We were sorry to hear that the daughter of Bro. Caesar Masini recently underwent an appendectomy operation. We pray for her speedy recovery. We heard that Bros. Joe Fox, Pat Hynes and John Marten were in Milwaukee for the Legion Convention. Bernie Rupp and Jack Barrett just finished the summer season at the river. Bill Cardwell—how's about your bringing Ben Tansey, Bill Cleary and Dave Barry to a meet? Pat McHugh must be busy fighting fires in Burnside. The A. & P. suppers must be keeping Ed Hale busy. We will send Sherlock Holmes to find Bubs Mooney and Gene Sullivan. The bowlers are looking for you Gene. We would also like to see Jack Clifford and Artie Borgeau soon.

We have been told that a "police officers' night" is coming up soon. That means seeing Sgts. Dan Brennan, Max Steinhauser, Captain Kilroy, former Commissioner Fitzmorris and Officer James Ahearn. Wanted at meetings also are Ted Vanderwall, Pat and Mike Reynolds. Tom Strasser, Bill Geary, Gene Valle and Harry Smith, and Dr. Heinz. Congratulations to Vince Burns on winning the national lawn bowling championship. Come up next Thursday.

BOWLING

Loyola-Hyde Park officially opened its bowling season at the new modernistic Esquire Alleys at 80th and South Park on Sept. 26. We occupied twelve alleys. The "Fighting Irish," G.K. McGuire, Jack Flanagan, Patrick O'Day, Thomas Fay, Timothy Casey and Frank O'Hynan were smashing the maples for strikes and spares. Others we noticed were Dick Fay, Doc Heinz, John Joyce, Bill Moller, Ray McCann, Jim Ramshaw, Tim Ahearn, Jerry McCarthy, Bill Williamson, John Hungeling, Dick Judge and his team of maple smashers.

Congratulations to Franklin Krause, a recent graduate of De Paul Law School, who passed the September Bar examinations. Good luck to you.

HOSKIN ON "WARTIME CANADA"

Brother Tom Hoskin (publicist and deputy clerk of the Municipal Court), a member of Commodore Barry Council, has written a series of articles concerning Canada at war which have been published in several local newspapers. All his stories stress the incontrovertible unity and optimistic outlook of our good neighbors across the border.

Our Treasurer Leo Dobrowolski has just returned from a P.R.C.U. convention in Baltimore. Nice trip?

BOWLING

Not forgetting our bowlers I'm passing on a few rules I happened to pick up. Hope you like 'em.

1. When it is your turn to bowl, have the captain page you. 2. If you make a strike, look around and smile. 3. If you make two strikes, calmly walk over and chalk it up, being careful not to smile this time. 4. If you make three strikes, nonchalantly light a cigarette. Even if you don't smoke, light one anyhow.

5. If you throw your ball in the gutter, grab your leg quickly, limp to the bench muttering something about your slippery shoes or bad breaks. 6. If you have a railroad, study the situation carefully, meanwhile thinking of the good time you are going to have over the week-end. After you're sure you've formed a good impression, try...to make the shot. 7. If you have a low score, tell your captain confidentially that it will boost the team's handicap. If you haven't your own shoes or ball, remember these are exceptionally good excuses for a low score. 8. If you miss an easy shot, laugh and say you tried something new.

9. Never give the other team any credit. Always talk about how funny they throw the ball and how lucky they are. 10. If your opponent makes a strike, always sneer and talk about horseshoes or a four-leaf clover. 11. If a bowler on the opposing team makes a poor shot, laugh loudly and get in your wise1crack. 12. Always brag about the 750 series you once shot, then try to do so, usually winding up with a 375 series.

Tonti Inaugurates New Project

1-3 Thursdays . . . . . 4221 W. Irving Park Road

The "Barrel of Fun," Tonti's latest activity, was hailed with hilarious enthusiasm at the September 18th meeting. Pictured above are some of the members who participated in the project's inauguration. Shown making the first contributions are: D. G. K. Andy Eichhorn (in sport shirt), P. G. K. Eugene Raith, P. G. K. John Olsta, chairman of the Welfare Committee, G. K. Lou Buettner, Paul Totzke, Scribe Leo Postelanczyk, Trustee Bob Anderson, Ed Decka, and newly appointed D. D. Charles Ruzkowski and Recorder Len Kreissel.

P. G. K. John Olsta, Chairman of the Welfare Committee and an ex-service man himself, understands the needs and wishes of the boys in the armed Service, hence his wholehearted acceptance of this fine idea, and his eagerness to put it over successfully. The purpose of the barrel is to provide a receptacle for cigarettes, chewing gum, candy, magazines, Catholic reading matter, stamps, etc. If you care to donate a dollar, your name will be subscribed on the Honor Roll of Tonti's Welfare Defense Service Social Club. At the last meeting, seven names were placed on the Roll.

At the present time, four of our members are in the Service, and the Chairman of the Welfare Committee will at regular intervals mail to these brother members, the contributions made by you to the "Barrel of Fun." The barrel itself is a beautiful piece of cooperage, designed and made especially for us through the good efforts of H. S. Cunlaff and Lee J. Wendel of the Pioneer Cooperage Co. Mr. Wendel is a former member of Tonti Council. We also wish to thank the Pioneer Cooperage Co. for their generous contribution to this worthy cause.

CHARITY BALL

Chairman Jos. Weidemann, of the USO Committee still has a few tickets left for the Charity Ball, to be held Saturday evening, October 11, at the Palmer House. If you haven't your tickets yet, remember we have a quota to make, so get them at once.

If you have noticed, last week's Columbian has March 5 set aside for Tonti's first and second degree. So how are you progressing with your new prospects? Remember our October 16 meeting, has been designated as "Membership Nite." This will offer you the opportunity of bringing along some Catholic gentleman, whom you would like to interest in joining the K. of C. There will be refreshments and entertainment.

The Fortonti Club held their annual election September 25th, and the following were elected: President, John Olsta; Vice Pres., Ed. Ciessau; Recorder, Len Kreissl; Treasurer, J. Robert Anderson; Chaplain, Rev. Lad. Jasinski; Marshal, Frank Jackowski; Trustees, Paul Totzke and Stanley Banas. Delegate to Tonti Council, Stanley Michalak. The Fortonti Club is putting on a strenuous drive to reinstate former members, and at the same time are asking all third degree members to join them. The exemplification of the Fourth Degree is to be held March 1st. If you are contemplating taking this degree, you can begin your Budget System immediately. The feature of this year's degree, will be that Service Men will be permitted to take the degree in their uniforms.

We are beginning a new quarter, and it is most appropriate to remind the members of taking care of their dues, especially those in the insurance group. Don't wait to be notified by the Financial Secretary, but take care of this obligation promptly.

BOWLING OBSERVATIONS

Len Kreissl was absent because of vacation travel to Winter, Wis. (encountering a terrific washout). Ray Gort having his chin scraped by dull blades. (Am aware of priority of steel products but know that his uncles have plenty of good blades on hand.) Steve Sobey manicuring his fingernails after blowing an easy spare. The patience of Chas. Hassanauer and Geo. Deurling in holding up the score of D. D. Ruzkowski. Leo Murray still bending them over on his knees. Barney Benson, of ministeral fame and entertainment showing the youngsters the proper footsteps and swing to get the highest result from the effort shown. Its Barney's first year with the Bowling League. If you are looking for an enjoyable evening, watch the boys bowl at Goldhammers, Pulaski and Milwaukee, every Tuesday at 9:00 p. m.

"Coal-scuttle blonde" is a term sometimes used by colored people as a sort of sarcastic description of a dark Negro girl.

Madonna Bowlers Swamp Alleys at Tourney Opening

2-4 Fri. . . . . 4624 Emerald Ave.

With overwhelming numbers, Madonna's bowlers engulfed Secretary Frank Jackson, and when he finally came up for air he found himself short plenty of alleys. While he had figured on a full eight team league, and privately hoped he'd get at least six or seven, he wasn't prepared for the sixty odd ten pin ticklers that descended on the Lucky Strike Alleys, shouting loudly for a crack at the pins.

While the league officers may be in a spot as far as teams go, they'll never have to worry about Joe Blow not showing up to bowl, because there'll probably be six waiting to take his place. It's a great day for the Irish—and the Bowling League.

WITH THE

kick-off last Wednesday, the Membership Committee with Chancellor Charlie Scannell at the helm, is off to the races. With a definite goal of 49 new members the eminent Charles wants to surpass this figure by matching candidate for member. A tall order if we do say so, but if every member gets just one candidate it'll be all over—but the initiations.

DID YOU KNOW

That "Packy" Doyle, acting Captain at Gresham Station received a beautiful write-up in the Southtown Economist? And that the crime rate has taken a terrific drop since he took over the district?

That Forrest Bordelon is in the police training school and is studying hard every night but Saturday and Sunday? All that lad has to do to catch a yegg is to tell a couple of his southern jokes, and the ertswhile crook is helpless.

It's four boys and two girls now at the home of Bro. and Mrs. Roman Michalak. Ann Catherine, the newest arrival unpacked her bag for a long stay on August 17. We may be late with the news but who says we don't get it? Good luck, Ann Catherine, and congratulations mama and pappy.

WE EXTEND

The sympathy of the officers and members to Bro. Pat Morrison, whose sister, Mrs. Ellen Cleary, passed away in Ireland, last month. May her soul rest in peace.

All Madonna Sorrows at Death of John Horan

We saw him last Thursday, just before we left town, and he didn't look bad, a little weak perhaps, but that was to be expected. What has followed since, is somewhat of a nightmare. The wire telling us of his death, the hectic return trip, and today, five days later, with his brother officers we carried him to rest in an eternal sleep, while the heavens softly wept, and the winds played a requiem among the tree tops.

It doesn't seem possible that we are writing these words about John Horan. Yet the stark fact faces us, he is gone, and to those of us who were privileged to know him intimately, there is nothing left but an aching void which can't be filled. Only memories of his friendly smile, his cool, level thinking and boundless energy remain to be treasured.

As Warden of the Council until his retirement last June, John infused a dignity not only to his own office but to all others as well, and his work was untiring in the betterment of Madonna. His accomplishments were many, yet no one ever heard his voice raised in self-praise.

His modest pride in being able to do things with his hands was probably his greatest trait, and Madonna Council has good reason to be thankful for this. For it was through this ability that John, perhaps unknowingly, has created a memorial that will last as long as the Council lives.

Father Waldron in his eulogy, reminded us that our souls are forever in God's possession and that God wanted John's. Deep down in our heart we feel that perhaps he was badly in need of a good workman, and that John is already happily tinkering about God's household.

May his labors be an eternal happiness.

Softball Banquet to Be Held Nov. 26 at Midwest

League Delegates Will Honor New City Champions at Gala Dinner Celebration

BY JOHNNY MINER

At the league meeting of Friday, September 26, it was decided to hold the annual banquet of the league, honoring the new champions, St. Cyr Council, at the Midwest Athletic Club, Madison and Hamlin Avenues, on Thursday, November 6. Trophies will be awarded to the champions and winners of the first four places as well as the victors of divisional honors.

The Leo J. Flynn trophy, offered by our beloved State Deputy, will be presented to the 1941 tournament winners. Edward J. Kaindl, Recorder of Deeds of Cook County, is presenting the second place trophy to Leo Council. The third place award is graciously donated by Clayton Smith, County Commissioner. James Whalen, Sanitary District Trustee, is the donor of the fourth place award.

Additional awards to the divisional winners will be announced in a later issue of the Columbian. Any delegate or manager knowing of any party desirous of donating a trophy should contact the league officers. Letters inviting councils to the banquet are being mailed to all Grand Knights. This is a gala affair and all councils are urged to send their teams to partake in the festivities. The cost of the banquet is $1.75 per plate.

FINALS TID-BITS

Although the championship finals are over, the memory of them will be relished by all followers of the league. The championship game was as thrilling as any ever played in K. of C. competition. The records show that St. Cyr is the champion, as fine a representative to ever hold that honor. The series was so closely contested that if any council had reviewed a break or two, the honor might be resting on the shoulders of anyone of the entrants in this series.

Statistics compiled by our official scorer, Bro. Henry J. Kohlmann of Englewood Council, show the batting honor to be won by St. James Council with an average of .346, closely followed by Santa Maria with .345. Ed Filipiah of Leo Council boasts the batting championship for players participating in all games with an average of .500; John Mirabelli of Santa Maria is second with a .477 mark; Joe Judge of Santa Maria hit at a .472 clip; John Doll and Chuck McKenna of St. James are close behind with marks of .469 and .455 respectively.

Most 2-base hits: 4, Filipiah and Dorgwalski of Leo and Doll of St. James.

Most 3-base hits: 3, Judge of Santa Maria.

Most homeruns: 4, Piazza of St. Cyr.

Orchids for consistent performance go to Pat Smith of Madonna, who made 4 hits out of 4 times at bat in the 1940 series and 3 hits out of 4 in the 1941 series; Joe McGreal of St. James Council, 6 hits out of 10 times at bat in the last two series and last but not least to Joe Garvey of Hughes, who batted .429 in the 1941 series, which makes the fourth year in a row he has batted over .400 in championship competition.

Quigley Members Will Leave for Retreat at Mayslake This Evening

1-3 Tues.....1035 W. 31st St.

IMPORTANT! Cars will leave from in front of the Quigley clubhouse at 6 p. m. Friday, Oct. 3, to accommodate those who will participate in Quigley's third annual retreat. There will be adequate transportation facilities for everyone. The group will arrive in Hinsdale in time for supper at the Mayslake retreat house.

Oct. 3-4-5 will mark the occasion of Quigley's third annual retreat. This endeavor has grown to be a regular feature of the council's program and the time will come when hundreds of Quigleyites will yearly make this retreat. It takes time to sell a great thing. Ask a former retreatant. Those who were present at Sept. 23 ladies' night certainly were spellbound after listening to Father Oliver, field director of the Mayslake retreat movement, explain the nature of the retreat.

Leave Friday, Oct. 3, at 6 p. m.; return in plenty of time for work the following Monday.

COUNCIL DANCE

Nov. 22 is the date set aside for the council's homecoming dance. Chairman Stanley Szczecinski has well planned the foundation and all signs point to a great affair. Tickets will sell at 45 cents. Ads for the dance program will retail at: one-fourth page, $2.50; one-half page, $5; full page, $10; patrons, $1. Turn copy over to Fin. Secy. John J. Jankowski or to Program Chairman John Golden.

A well-known orchestra, refreshments, entertainment, etc., will tend to attract an outstanding crowd. The next meeting, Oct. 7, will be action packed. Dance action will begin. Drop in—show us you are behind the Nov. 22 dance.

IT'S NEW!

Have you seen the new club rooms? House Chairman John (Get To Work) Berny extends a warm welcome to you to drop in for a game of ping pong, pool, or would it be pinochle? The refreshment stand is open every night to accommodate the members.

Neri Enjoys Guest Speakers on Recent Open House Program

1-3 Tues. . . . . 7515 Yates Ave.

Hitler isn't introducing anything new in the present war; his strategy, fundamentally, is very, very old.

That was told to the surprised audience at Caravel Club, who listened to Edward J. Molyneaux, former YMCA secretary in France during World War No. 1. The discourse was one of the features of "Open House" sponsored by St. Philip Neri Council at the last meeting.

In fact, Hitler received his instructions by reading the tactics of Caesar, according to Mr. Molyneaux, who is a student of history. The speaker praised the work of the YMCA and Knights of Columbus secretaries in France during War No. 1. He cited instances where the secretaries got to the front with food while relief companies could not advance. He told of American soldiers cleaning out German dugouts, but instead of getting Croix De Guerre medals got Croix De Guerre razzberries.

"The causes of war," he remarked, "are due to makeup of human nature. Vanity is one of them. A country which is domineering will attempt to go further."

Accompanying Bro. Molyneaux to the council meeting from Perez Council were Bro. George Johnson, PGK, and Bro. George Wahl, who also is president of Chicago Chapter.

Bro. Wahl "let the cat out of the bag" regarding dealings between him and Bro. Ray Duffy at St. Philip Neri Council at the latter's bank—South Shore National. Bro. Johnson displayed his talent for witticism. Bro. O'Donnell of St. Philip Neri was given a new honor by Bro. Johnson. Bro. O'Donnell is all set to step into heaven.

Loyola Hyde Park Council was represented by John McGuire, GK; Richard Judge, PGK, and Bently J. Baker, DGK. They paid their compliments to the council, as did Special Agent Cushing.

Motion pictures depicting the seriousness of traffic jams on city streets and movies of New Mexico were presented. They were well received by the audience, which included wives and friends of the members.

Bro. O'Connor, chairman of membership campaign, brought out the fact although the quota of the council is 29 by June 30, 1942, it means 45 or 50 must actually be signed up because of the number who depart from the council.

Auburn Park Bowling League Gets Underway at the Highland Alleys

2-4 Thurs. . . . 7740 So. Emerald Ave.

The lid is off for Auburn Park Council's newly organized Good Fellowship Bowling League. On Monday, September 22, at seven o'clock at the Highland Recreation Bowling Alleys, 1310 W. 79th Street, a group of about twenty bowlers were on hand to start the season. In the practice games, Charley Connelly's team took two games from John Walsh's gang, while the Walter Fox aggregation did the same to John Coughlin's outfit. It was surprising to note after adding the total pins for each squad that there was only a difference of twelve or thirteen pins from the opposition, so all these boys are starting out on an even basis. Mike Gorman's series of 465 was high for the evening. Paul Byrne hi a 455 for second honors closely followed by Vince Flynn with 450 and Walter Fox with a 436.

Inasmuch as the first few weeks will be practice games to determine the player average the Bowling Committee is still looking for more BOWLERS. Whether you have ever bowled a line or a veteran at the game come over to the Highland Recreation, 1310 W. 79th Street. Be there early as the bowling gets under way promptly at seven o'clock and we must finish at 9:00 P. M. The entry fee is $2.50 which is returned to you at the end of the season and $1.00 each night for bowling. The Committee would like to have a six team league so come over and join the fun. If you know of a prospective member to the Council get him to come over to the alleys as he is eligible to bowl while waiting for admission to the Council.

COUNCIL NEWS

regret very much to report that r Jack Warner is still incapaci- Jack is not doing so well, which is something we all regret as we like him immensely. Brother Emil Polivka has been appointed chairman of the retreat committee, which appointment in our humble opinion is a fine one. Let's give him all the help we possibly can.

Present among others at our last meeting was Jim Reilly and Carmen Tenuta, two whom we have not seen enough of lately. We also saw Joe Tee and Mike Weiss of Westmont. Also standing up to be counted were P.G.K.'s Himpler and Simmons, Trustee Lalonde and our ever popular Chaplain Fr. O'Shea. We like to see a representative group like that.

Lecturer Lester slips us the word that a big party is promised for the meeting of Oct. 28. This will be a Halloween party which will be an open meeting so bring along your friends and particularly those prospects. There will be fun for everyone and it is even rumored we will indulge in the old fashioned indoor sport of ducking for apples. Ain't that something? At this meeting we will see the movies taken at our golf tournament and annual picnic.

First meeting in Nov. will be the annual turkey night. Plan on this one, too. Come on in and get the bird. Second meeting in Nov. is father and sons night. It is planned to have the movies of that Major League again.

At our next meeting we have two important items to be decided. One is the election of a delegate to the Chicago Chapter. Delegate Jim Henderson, we understand, has not found time to attend to the duties of that post so has relinquished it. The other item is the voting of funds for the rental of a room for the charity ball to be held Sat., Oct. 11. By the way, are you going to attend this affair? Besides guaranteeing you a splendid evening of fun and dancing you have the pleasure of contributing funds to a very worthy cause.

PIN POINTS

The west end pin pickers really got hot last Monday. Ten full teams and all sponsored. Lindys took two from the Triangles. Tansley paced the winners with 279, 223 and 178 for a total of 680. The Universal Food Stores paced by Grabiec's 553 series blanked the News Agency three to nothing. Leo's Chickens dropped three to the Fairview Club. The losers were without the services of Mears and Leo Kriz which no doubt played a big part in the defeat.

The Watkins Sheet Metal won two from the Lukes. The winners were led by Frank Wrona who pitched a 561 series. The Elms team took two from the McGough Lumber. Joe Spelman even with his bad hand was really hot. He led his team to victory with 200, 191 and 188 for a 579 total. Wait until that guy gets the bandages off that other hand. He'll ruin that league.

Santa Maria Has Room for Team Sponsors—Bowlers in Tournament

2-4 Thurs. . . . . 9020 Commercial Ave.

Again the committee in charge of Santa Maria's annual bowling tourney is issuing a call for bowlers and team sponsors. Though the tourney is well underway, there is still plenty of time to join up. As you no doubt have heard, the tourney rolls every Tuesday evening at 9:00 o'clock at the Cheltenham Bowling Alleys and will continue well on into the Spring. Each member pays for his own games, plus a small charge which is pooled to be used for the final awards.

Don't let the thought of not being able to compete with champions bother you as the committee has thoughtfully made up a system of handicapping so that each and every member will have a chance to play according to his abilities. As for the sponsors, each team is being backed by some prominent person, and as new teams are being formed there will be a need for new sponsors. See P.G.K. Al Schott at his store, 79th and Clyde Ave., for all the particulars.

CHARITY BALL

Again we want to remind you that the Chapter-sponsored Columbus Day Benefit Ball at the Palmer House on Saturday, Oct. 11, is very close at hand and that we have tickets to sell. Proceeds for the affair are to be donated to the National Catholic Community Service Organization, and used to defray the expense of furnishing the Soldiers' and Sailors' Recreation Center at 1122 S. Wabash Ave.

Besides dancing in the Grand Ballroom, there will be a card social in the entire Exposition Hall, second largest ballroom in the Palmer House. General admission is one dollar the person.

NOTES

The softball team is planning some sort of affair to defray the expenses of getting themselves sweaters or jackets. Lecturer Bob Lynn is in charge and he and Capt. John Cullen of the softball team are working together to evolve some workable plan.

Don't forget the Ladies' Nite and Thankegiving Party to be given in November at the South Chicago Masonic Temple. Have you any prospective members? Keep plugging away at them. New applicants are needed for the new class we are forming to be initiated soon.

Ketteler Centers Energy in Drive for New Members

2-4 Mon. . . . . 3437 Ogden Ave.

During the past week G. K. Edward Oakes and Financial Secretary Frank Estes attended a meeting of the Grand Knights and Financial Secretaries of the Councils of the Chicago area.

This meeting was called by the state officers to outline a program for the councils of the state for the coming year. The Five Point Program that is to be followed for this year was explained in detail and the slogan "Beat New York" was adopted. Master of the Fourth Degree, Phil Nilles, was given an enthusiastic ovation and the Grand Knights of all the councils pledged him their fullest support in securing a record class for the Fourth Degree Exemplification to be held on March 1, 1942, at the Palmer House.

NEW MEMBER DRIVE

One of the major issues of this Five Point Program is the drive for new members. P. G. K. Barney Czerwinski, Chairman of the Membership Committee for our council hopes that Bishop Ketteler Council will rank very high among the various councils when the final count of new members for the coming year is made. Barney has been working very hard to organize a plan that will offer the greatest results in his matter. He asks that every member cooperate in the coming drive, but particularly those who are asked to serve on the Membership Committee.

If we all cooperate and contribute our little part in this campaign, the splendid plan that our P. G. K. will offer for consideration of the committee will be highly successful and the reward will be a large class at our degree exemplifications. Can't we get busy on those prospective members?

A meeting of the membership committee will be held Monday, October 6. It is a very important meeting, so make every effort to attend if you receive a card.

In connection with membership applications it should be kept in mind that the compensation granted to sponsors of new memberships will end October 30. Furthermore, there will be no more $500 policies issued after this date either. The deadline for applications for the next council degree will be the meeting of October 13.

SOCIAL AFFAIRS

COUNCIL DANCE: Our Worthy Advocate, Bro. Alex Olszewski, reports that the Dance Committee has been hard at work to make the council dance one of the biggest and best that the council has given. The splendid location of Sokol-Chicago Hall, 24th St. and Kedzie Ave., makes it easily accessible by elevated or surface lines. The very popular orchestra of Augie Schaid has been engaged and you can look forward to the best of musical entertainment. There will also be an orchestra in the rathskeller for your entertainment.

THE CHARITY BALL to be held at the Palmer House on October 11 promises to be a great success. When the purpose of the Ball is considered, how could it be otherwise? If you have neglected to purchase your tickets as yet Bro. Stanley Kasperski, Chairman of the Charity Ball, will satisfy your requests for them.

PERSONALS

Our Worthy Recorder, Joe Sargent, and his wife, will celebrate their twelfth wedding anniversary soon. Best wishes, Josephine and Joe. Our Mayslake Retreat Chairman and his wife will celebrate their twenty-fifth wedding anniversary on October 4. Frank P. Boehler, Charter Member and First Chancellor of Bishop Ketteler Council, and his wife, will renew their marriage vows at 10:00 a. m. Saturday, October 4, at St. Francis Xavier Church, Ogden and Spring Aves., LaGrange, Ill.

A double wedding ceremony will take place as their daughter, Eleanor Boehler, is to be married to John Hill of St. Margaret's Parish, Chicago. Frank's other three daughters will act as bridesmaids, while the three brothers of the groom will be ushers, assisted by a best man and a maid of honor. Members of Bishop Ketteler Council, especially those contemplating matrimony or those about to celebrate their silver anniversaries are most welcome to witness the ceremonies as Frank feels that he will need their moral support.

Bro. George Gersch reports that the La Mota Council of the Ladies of Isabella will sponsor a penny social at Epiphany Parish Hall, 25th St. and Keeler Ave., on the afternoon and evening of Sunday, October 5. Mrs. Gersch is Chairlady of the bakery booth and Miss Eleanor Gersch is in the bank booth. The purpose of this social is to aid the Little Sisters of the Poor. Brothers and their wives are invited to participate.

Through an oversight on the part of the scribe failure to mention that Bro. Alex Jerawski was reelected as Financial Secretary of the Fourth Degree Club. My apologies, Alex.

SPORTING EVENTS

THIS SUNDAY our fall golf tournament will be held at Maplecrest Golf Course, Joliet Road (66A) and Wolf Road. In addition to the competition between the knights and their gentlemen friends plans have been made for the ladies to compete in golf or at cards. Prizes will be offered to the ladies.

Winners in golf will be determined by a popular form of the blind bogie system. Refreshments will be supplied in liberal quantities. If you wish to have a steak dinner, contact Mooney Wenck, Dr. M. S. Krupa, Stanley Korbas, or the scribe, on or before Thursday.

LAST WEEK'S bowling matches were very closely contested as evidenced by the fact that only two out of sixteen teams were able to sweep their matches.

The Fruzyna Morticians took the measure of the Bilmar Tavern team as they took the odd game. A. Szott led the morticians with a nice 564 series helped along by H. Nowakowski with 511. The Bilmar team couldn't do a thing as S. Korbas was high with a 495 effort followed by E. Wojtanowski with 487.

The St. Paul Federals just missed sweeping their set with the Ziarko Tavern team as they took two. Doc Kvasnicka led the Federals with 539 aided by M. Renn's 493. Mooney Wenckowski's 526 was responsible for staving off the triple defeat.

That tough south paw aggregation commonly known as the Tomera Range Oil team met more than their match in the equally tough Clifton Park Cigars. After shooting a nice 919 game the lefthanders fell apart before the strong cigars and lost the next two games. "Daddy" Plewa continued to lead his team with a 545 series and the Slaski's did all they could for the Tomera's as Walter rolled a nice 580 and Ralph had 546.

The J. B. Suerth Morticians came back strong after dropping that first game and won two from the Art Bilt Furniture team. G. Cummings and M. Dolan collaborated to accomplish this feat as they rolled 561 and 534 respectively.

The Stanek Press team was one of the teams to sweep their series with the Gorski Electric team. R. Suchocki blasted out a great series of 598 which incidentally was high for the night, to lead the Pressmen. Joe Foltyn led the Electricians with a 497 effort.

The Dr. Krupa Boosters just barely won the last game to win the odd game from the Wojcik Floor Sanders. C. Bonk led the doctors with a 504 series aided by Dr. Krupa himself with a 496 struggle. E. Ciolkowski led his team, the Wojcik's, by a large margin as he rolled 548.

The Dr. Peszynski's Boosters took three games from the Phil Nilles Boosters with Ted Gomolski wheeling a nice series of 564. R. Schaber was high for Phil Nilles with 534.

The Luczak Lawyers finally were able to click as they took two from the Bona Drugs. V. Moravec led the Lawyers with a 486 effort as D. Koch led the Drugmen with 470.

The Major team ran into another stumbling block as they lost another pair of games to the Phil Sheridan team. Ray Suchocki was high with a 574 series followed by S. Korbas with 544. There is some talk going around about having a bum score marker, what about that, Mooney?

St. Rita's Patron List for Charity Ball on Increase

1-3 Thurs.....6048 S. Fairfield Ave.

One week from tomorrow night hundreds of knights and their friends in the Chicago area will gather in the grand ballroom and the exposition hall of the Palmer House for the Chicago Chapter's Columbus Day ball.

With the date of the celebration so close at hand, St. Rita Council's co-chairmen, Connie O'Sullivan and Art Manfredi, began a stretch drive this week to make sure that our council is properly represented both in attendance and on the charity ball patron list.

The ball is a "cause celebre" not only because of its social significance but also because the proceeds of the affair are to be donated to the local branch, National Catholic Community Service organization, and used to defray the expense of furnishing the soldiers' and sailors' recreation center recently opened at 1122 S. Wabash Ave.

General admission is $1 per person, which includes dancing, entertainment and games. Tickets may be secured from either of the co-chairmen, members of their committee, officers of our council, or PGK Charlie Nash, who is one of the district leaders in the celebration. Reservations may also be made at the chapter headquarters, 173 W. Madison St., Franklin 4834.

Patron reservations are $5 the couple and will include listing in the official program. Among the members of our council already on the list are Mr. and Mrs. Paul Bernoski, Mr. and Mrs. Charles B. Clarke, Mr. and Mrs. John E. Egan, Dr. and Mrs. James L. Foley, Mr. and Mrs. J. J. Gallagher, Mr. and Mrs. Thomas Gaynor, Harold Hilbert, Dr. and Mrs. M. J. Hoffman, Dr. and Mrs. S. C. Kehl, Edward Kundrat, Mr. and Mrs. Adolph Leverenz, Peter J. Salvatori, Mr. and Mrs. Peter Serone, Mr. and Mrs. William A. Stoeller, Mr. and Mrs. Harry P. Sullivan and Mr. and Mrs. John M. Vonch.

CONDOLENCE

Funeral services for the father of Bro. Martin Seneca were held last Tuesday in St. Rita's Church. The officers and members of St. Rita Council extend sincere sympathy to the family in their sad bereavement.

THINGUMBOBS

Tim Shanahan is showing rapid improvement in St. Bernard's Hospital from injuries suffered in an automooile accident two weeks ago. . . . The first Chicago showing of a Technicolor movie in sound entitled "People Come First" was the feature of last night's meeting. And Lecturer Hilbert will come back with another headliner for our meeting of Oct. 16, when Judge John Gutknecht will be our guest speaker. . . . John Devlin, recording secretary, will remind you of the latter with a card. . . . Now it can be told: Mr. and Mrs. Raymond J. Bernoski adopted a baby boy about three weeks ago. The child's name is Richard Vincent and he is now seven weeks old. GK Ted Lee was saying something about Ray holding an open house in honor of the youngster. As yet no confirmation of same has been forthcoming.

Eight members took part in our last golf tournament of the season at Kinsman's Country Club last Sunday. Chairman of Athletics Bruno Fracassi reports that Al Coglan was in his usual form, posting a low score of 85. Doc Hoffman and Connie O'Sullivan were next with 95, while "Old Man" McGowan took fourth with 100. Herman Kurent also played. . . . Dr. O'Connell performed his fifth Caesarian operation on the same patient in delivering her fifth child recently. . . . More than 50 members and friends of the 2034 Club were royally entertained at a party a week ago last night at the Atlas Brewery Tap Room, Ed Kundrat, secretary of the 2034, reports everything was shipshape. . . . Ask Frank Small about his left-footed bowling shoes.

STRIKES TO "SPARE"

If you are in the market for a real treat, come up to the Western Recreation, 63rd and Western, tonight, when the Sullivan Morticians will make their initial appearance in their new uniforms. You can take our word for it, the outfits make the storied costumes of Ziegfeld's lovelies look like sack cloth. Last week's scores:

St. Joseph's Members Enjoy Surprise Party Honoring P.G.K. Zurn

1-3 Thurs. . . . 57th St. and Archer Ave.

A "surprise party" was given on P.G.K. Zurn at the Cog-Hill Country Club last Wednesday, Sept. 24, with a gathering of about fifty members and guests present. The guests included the Rev. Fr. Jos. A. Schnke of Calumet City, Rev. Fr. H. Pipenkotter, pastor of St. Blase Church, Rev. Fr. Stephen Bernare, assistant pastor, D.D. Ed Martens, Mayor Henry C. Wahl of Bedford Park, Supt. Lou Giffan of the Corn Products Co., Asst. Supt. Bob Hall, R. P. Lambert, Sr.

Other prominent men, members of our council, present were: Bro. Leo F. Kennedy, mayor of Summit; Bro. Ed Kirk, Sr., Village Clerk; Bro. M. Philbin, Police Magistrate. Several other friends and co-employees in the Corn Products Company were also in attendance.

Bro. John Kalkowski announces that a bakery store has been opened in his name at 6216 Archer Ave., Chicago, which will be managed by Mrs. John. Any of you living in the West End area and of course any others, will be welcomed.

If anyone is working for the Columbus Dance on October 11, that one is certainly Bro. Flaherty. Bro. Jack volunteered to be chairman and unlike many chairmen of different affairs outside our Order, he is not just waiting for things to happen but rather is up and doing.

When you read these notes, the dance will be only one week away, so please get out and sell your tickets. You have something to offer that has not been offered either at any of our own or other organizations' previous dances. A really high class floor show combined with a high class orchestra is something to talk about, so let's go to it and pack St. Blase Hall.

You will have read in the local paper of the forthcoming drive for the Community Chest. This will be underway shortly, if not already when you read this. This drive, as was announced last year, is for the purpose of combining all local efforts in one grand appeal to our people. The general chairman is C. J. Jalgers, president of the Argo bank, who did such a fine job on the Golden Jubilee last fall. Our community has never yet fallen down on anything it was asked to do, and we ask you to do your best for the Community Chest Drive.

University's Degree Class Scheduled for Tuesday, October 14

2-4 Tues. . . . St. Ignatius Auditorium

All Brothers are urged to circle their calendars for Tuesday, October 14, when we shall hold our Fall exemplification of the First and Second Degrees. As this will be the first official appearance of our new District Deputy, Frank Wolleber, we have an additional reason for making a new attendance record.

While D.D. Wollebar has not officiated in our degree work heretofore, we know from his many years as a mainstay of the Loyola Community Theatre that his exemplification will be most impressive and inspiring. A special meeting will be held at the clubrooms on Sunday, October 5, at noon to act on applications.

Since we are privileged to hold our meetings in the Green Room of the Loyola Community Theatre and since our revered ex-Chaplain, Father Dinneen, is the mainspring of that organization, all University Council members would be doing the graceful thing to subscribe for season tickets.

However, take it from a charter subscriber, a year's trial membership will convince you that you have been cheating yourself all the years you missed attending the Theatre's excellent presentations. Stop at the Box Office on next meeting night (or before) and buy a season ticket or two—at least ten entertaining nights for only $3.00.

Only a few days remain to buy your patron or general admission tickets to the Chicago Chapter Charity Ball, the proceeds of which will pay for furnishing the N.C.C.S. center at 1122 South Wabash Ave. This big party of the year will be held on Saturday, October 11, at the Palmer House and there will be entertainment sufficiently varied to satisfy everyone. Phone Francis Walsh at Sheldrake 0305 for ticket reservations.

Those in attendance at the now famous picnic will be surprised to learn that our eminent counselor-at-law, George A. Lane, and his family also put in an appearance at Linne Woods. The unfortunate part of it, however, was that George got mixed in his dates and took the family out a week early!

Last week's meeting brought out a couple of peculiar results of the picnic races which may serve to make the Quigley-Eckstein Fat Men's Race dispute pale into insignificance. We discovered that the winner of the Normal Men's race was Jim Malone and of the Married Ladies' Race was Margaret Malone (Mrs. James). And the winners of the Medium Sized Boys and Girls races were both named Shaughnessy. However, there was nothing fishy about the Little Girls' Race, won by Brother Phil's daughter, Barbara Jean Ryan (who thanked Prizemaster O'Connor prettily by singing a song for him)—or the Little Boys' Race won by a young Sugrue.

RAY HEALY showed up at the last meeting of the council after a long siege of illness. Ray toted his throat around the country looking for a doctor to fix it and after several months finally arrived at Philadelphia where the famed Dr. Chevalier Jackson put Ray's vocal cords back in perfect working order.

MITSCH-CONWAY: Jerry Conway's marriage a few weeks ago had an inspiring effect apparently on his namesake, Brother William M. Conway. Bill was married on Saturday, September 13, to Miss Margaret Mitsch at St. Gregory's Church. Bill, we understand, is still honeymooning but will be back at the City Water Bureau next week.

BOWLING: President Dinny Doyle asks that the sponsor committee complete its job pronto, so he can announce the names of the teams. He also asks that we announce the motto of the League: "Tempus Fugit," and that all bowlers are requested to remember the motto and be at the alleys promptly at 9:00 p. m. every Friday.

GOLF TOURNAMENT

Last Sunday, Sept. 28th, the Golf Tournament kept the Brothers warm even as cold as it was—not that the games were so hot. Grand Knight John McKean brought his daughter and two guests and shot his usual fine game. Deputy Grand Knight Thomas J. Groark loosened up because he broke a hundred and treated his wife to a chicken dinner. Clarence J. Phillips brought his wife and she shot a better game than he did. The Chairman, Chris J. Davis, did show some improvement; evidently this is the results of his membership at Westgate. Dr. and Mrs. Gregory Strobel played in their usual Lincolnshire fashion; they total their scores and divide by two, so neither one can win. John P. Spain played a good game because of the practice he had playing in the St. Columbanus Golf Tournament a week ago, and his wife enjo good dinner at his expense, so he not have to wash dishes when h home.

Lecturer Peter J. Wehle had on scorekeeper in Bro. Henry Woodm who played fair with a long penc his pal Bro. John Hand of Calumet cil who was a guest. Larry Dub his wife along with Walter Kilgalle Dan Kinsella were doing more s than golfing; maybe they were gett practice for the coming party. party? Why the Hallowe'en Par Saturday night, October 25. Well, tell you about all the golfers but So the guests were Jim Clark and his Charles Allen, Art Ekstrand, Doc Allen M. Mart and his son Junior.

THE BOWLING TEAM is playing Wednesday evening at the Legion at 76th and Cottage Grove Ave. Chairman Paul Sink's publicity man to get his notes and scores in fo issue.

The mother of Bro. Fred Zimm suffered a broken hip and at this is still in the hospital. We all ho her speedy recovery.

San Salvador Knights Eat While Home Burns but Without a Fiddle

2-4 Mon. . . . . 24 E. 114th Pl.

Last Saturday evening at a late hour, a fire broke out in the canteen on the second floor. Our genial keeper of the bees, in the person of George Mason, had just locked up for the evening and ventured to Michigan Avenue for a snack. Bros. Jack Rauguth, Bob O'Sullivan and Elmer Hines went with him, leaving their car parked in the lot next to the clubhouse. Upon their return for the journey homeward, George happened to look up and saw smoke pouring from the windows.

The volunteer fire department got busy, without any implements other than a few buckets and seltzer bottles picked up on the way upstairs. It was to no avail as the fire had had too good a start. The fire department arrived on the scene shortly but considerable damage was done to the contents and the counter in the rear, all goods being a total loss. Perhaps we should have a night in honor of our brave volunteers.

ITALIAN NIGHT

Our first meeting in October was supposed to have been in honor of our Italian membership and Guy Macina who was recently appointed a District Deputy by State Deputy Leo M. Flynn. Word has just reached your Scribe from our Lecturer, Oscar Hines, that the celebration has now been deferred until the second meeting in October, namely Oct. 27. The details for the party will be announced later.

PARISH BOWLING LEAGUE

On October 9 our twenty team parish bowling league will swing into action for the 1941-42 season at the new Rose Bowl Recreation Center. Some of the local parishes have sponsored two teams each, and from present indications we should have the most successful season in council sponsored sport activities. St. Willibrord's parish captains have told your Scribe that they will start the season in a fashion due and fitting to the occasion by wearing new shirts on the opening night, Oct. 9, at 9:00. Come out and root for your parish team and start the rivalry early.

Blue Island Council will be represented at Italian Night by a delegation headed by the genial Bill Creighton. We don't know what the menu will be so watch the notes. Bill: Tell "Frenchie" of Garcia Moreno that I have a special message of cheer for him.

The tickets, with the exception of three, for the Chapter Charity Ball were destroyed in the fire last Saturday evening. More will be available later.

St. Cyr Begins Early Planning for January Dance at Lions Club

1-3 Mon. . . . . 1609 N. Halsted St.

Plans are now underway for the big January dance, which this year will be held, as in previous years, at the Lions' building, 4308 West North Avenue. The initial meeting was held last Monday night at which time the ball was set rolling for the gala January 10th event. From time to time meetings will be held, of which you will be informed through this column. So stand by and do your bit for the big affair.

Joe Barsano, St. Cyr's little Napoleon, is travelling along at a terrific pace in St. Cyr's bowling tournament. At the last session, Barsano bowled a high individual series with a 605, and a high individual game of 226, which gives him the lead with a 186 average. Following him we have Joe Cannizzo with a 182, Anthony Ortolano 182, Joe Geraci 180, Frank Costa 180, Frank Angelo 175, Henry Maggio 173, Mike Cavaretta 171, Pete Anzelmo 171, Vic Rizzo 171, Carl Cascio 170, Mike Abbinanti 167, Anthony Scarpinato 169, and Sam Costa, Sam Piraino and Frank LaPuzza each with averages of 166.

The Falson Electric company took three from the Racine Fuel boys, Erie Clothiers the same number from Continental Clothiers, and the Rubinelli's, Maniscalco's, Lucania's, Cheer Up, DeCola' Maruca, and Dr. Lendino each took two from Morreale, Cancilla, Archer, Strano, Mohawk and Bond.

Rubinelli's bowled a high series of 2,453, Strano's followed with a 2,429, and Cheer Up rolled a 2,416. The high single game honors went to Archer Glass with an 898, followed by Cheer Up with an 886, and Strano's with 885. In the high individaul three game series and the high singles, Joe Barsano led as previously detailed, followed by Frank Costa with a 564, and Joe Canizzo with a like total of 564. Frank Angelo tied Barsano in the high individual single game, and Mike Abbinanti followed with a 222.

Joe Mercurio is for the second time boasting of the fact that he is a proud father. This time it is a girl, and a 10 lb. baby at that. Congratulations, Joe and Mary. You make us all very proud of both of you. Now how about thos cigars?

Another proud father is John Satkowski, who also was blessed with the birth of a baby girl. The infant saw the light of day last Sunday, and latest reports show that both mother and daughter are enpoying the best of health. Congratulations Mr. and Mrs. Satkowski. The best of luck to both of you.

On October 11th, the Knights of Columbus big Charity Ball will be held at the Palmer House. Brother Frank Lopes is chairman of this affair for St. Cyr Council, and asks that all you brothers cooperate with him in putting this affair over the top. Proceeds will be used to outfit the Wabash Avenue Recreation center for Soldiers, Sailors and Marines. A worthy cause it is well worth your effort.

Grand Knight Joseph Maggiori while out of town last week was involved in a bicycle accident. It was thought that bicycle accidents were a thing of the past, but nevertheless, Brother Maggiori, suffered an injured arm whihc has kept him away from his bowling and work. Maybe quite a bit of progress, the "Chief" should be normal shortly.

The near west side civic committee, last Saturday night held a dance at the Lion's building. Marco DeStefano and Dr. Angelo Patti, among others in our council, are officers of this grand organization which is doing such splendid work in behalf of the youth of the near west side. A successful affair, the financial returns should help somewhat to carry on this huge program. Our wish to them for continued success.

Ravenswood Asks for Whole-hearted Support on Charity Ball Oct. 11

1-3 Wed. . . . . 1521 Wilson Ave.

Chairman Dick Kenney of the Charity Ball sales committee is keeping a weather eye open for reports from the various members of his committee. Members P. G. K. Morgan, G. K. Citti, P. G. K. Farrow, P. G. K. Beaton, D. G. K. Barr, Lecturer Art Carroll, Treas. Wm. Egert, Fin. Sec. Matt Blesius, Warden Wm. Weideman, Joe Grady Sr., Joe Grady Jr., James O'Reilly, Charles Rogers. Wally Mann, please report. By the way, fellow members, this committee is composed of volunteers.

Last week you were told that the membership was being canvassed for ticket buyers. We have found that those who are most willing to do all they can to aid in this charity drive to help the enlisted man are the men who were in the last war and were aided by the K. of C. then. Though our friends may not be benefited by our individual donations, they're being helped by someone else's money. The best part of this drive is that when you buy tickets for the big Charity Ball you are going to benefit by the entertainment at the Palmer House that evening, just as the enlisted man is to benefit from your dollar at a later date. Besides dancing, the evening of Oct. 11th, there will be games for the non-dancers.

Next week the list of Patrons from our council will be repeated. There is one addition that your scribe knows of, Mr. and Mrs. John Hackett. Bro. Hackett is one of our ex-servicemen that knows what it is like to be away from home and family while wearing a uniform. Don't turn a deaf ear to a call from one of our ticket salesmen, or close your eyes to the letter that has been sent out.

Bro. Buckheidt, who had been absent for quite some time, was at the last meeting. Bro. Engel was back after his Michigan vacation and Treasurer Egert was looking fit as a fiddle after his Wisconsin trip. It's been quite some time since ye scribe has seen Bro. Sullivan, who was always very regular. Since he lives not far distant we wish he would drop up to the meeting hall some time soon. We have also been looking for Bill Tobin, Bill Irvin, P. G. K. John McIlvaine, Doc Courvoisier and several others, but space limits this list. Mention should be made that Al Courvoisier, who is in the Navy is now stationed at Parris Island, So. Carolina. He is reported to be in excellent health, but is said to lack enthusiasm for the climate around Parris Island. Bro. Bill Collins, P. F. C. 102nd Engineers, has been wallowing through the Louisiana mud for the past few weeks and is definitely looking forward to getting back to his nice hot kitchen at Camp Forrest.

Inside Guard, Art Collins, has regained his golf championship. Your scribe being so employed that his afternoons are not planned according to his own wishes, found that he was unable to attend the second-half championship tourney. Information failed to give the runner-up or the consolation winner, but it was mentioned that the turnout was very large.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

"Big Chief" Anthony De More attended his first meeting in three years and from the way he acted, it looked as though he was a new member.

Up to now Sir Knight Nick Masse sold all kinds of insurance—including auto. Now he'll sell you a Pontiac and the insurance on it, too.

Nick is now affiliated with the Gleason Motor Sales as a sideline to his regular insurance business.

SETTERS HONORS P.G.K. M. J. KISSANE OCT. 9

2nd and 4th Thurs., 4711 W. Madison St.

Maurice J. Kissane, recently retired Grand Knight of Father Setters Council, will be the honored guest of the organization at a testimonial celebration to be held on Thursday evening, October 9, at the Madison Athletic Club, 4711 Madison Street. In addition to several hundred members of Father Setters Council, there will be a host of distinguished leaders from all departments of the Order gathered to pay tribute to the guest of the evening.

Ever since that day in February, 1919, when he became a member of the Knights of Columbus, Brother Kissane has been one of the Order's most energetic and popular leaders. He has participated enthusiastically in all its activities and in every enterprise he has assumed the lion's share of the responsibility and labor.

The Council soon recognized his merit and capabilities and unanimously elected him to one office after another. In every post he distinguished himself. Successively, as Scribe, Chancellor, Deputy Grand Knight and finally as Grand Knight he worked with ever-increasing success and his record stands as a worthy example for all his successors to emulate.

Past Grand Knight Kissane has a multitude of friends not only in Father Setters Council but in all the units of the Order in this jurisdiction. Consequently, an unusually large group is expected in attendance at 'Maurice J. Kissane Night,' Thursday evening, October 9. Among the distinguished guests sharing the spotlight of the evening will be James P. Kissane and David Kissane, brothers of the Past Grand Knight and themselves prominent members of Father Setters Council.

Grand Knight Roy P. Bedore and Past Grand Knight Edward J. Lavin presented, at the last meeting, the official Council Program for the Year. In it are found, in elaborate detail, the various events to be presented for the entertainment of all members.

NEWS

Emil Fik, Past Trustee of Father Setters Council, and brother of Past Grand Knight Al L. Fik, is a delegate to the 32nd National Convention of the First Bohemian Catholic Central Union, being held at St. Louis from Oct. 1 through the 4th. Brother Emil Fik has been a leader in St. Vencelaus Lodge No. 2 for many years and we congratulate him on his being selected to represent the lodge at the convention.

Peter W. Chval recently flew to the East Coast to make a study of the Pratt & Whitney aviation engine, preparatory to assuming charge of one of the departments at the new Buick plant.

Sergeant Joseph O'Donnell, Trustee of Father Setters Council and official of the Chicago Police Department, appeared in the Chicago Daily News' column "What the Desk Sergeant Hears" on Thursday, Sept. 25, in connection with a baffling case which came before him recently. It seems that the suspect who was brought in before the desk was carrying some 150 door keys, about which he was unable to give an adequate explanation. At the next Council meeting, the sergeant will continue the story and tell us how the case came out.

As announced in the COLUMBIAN recently, George Bamber, Past Grand Knight of Commodore Barry Council, has been appointed District Deputy over Father Setters, Americus and Washington Councils. In congratulating the new District Deputy, we pledge him our whole-hearted co-operation and support and we invite him to Father Setters Council, where he will be a welcomed and honored guest.

St. Augustine Solicits United Council Action on New Member Drive

1-3 Mon. . . . . 5209 S. Justine St.

Now that summer is over and the fall season is upon us, we believe a word about membership would not be out of order. With the summer activities out of the way, we can all devote a little more time to securing new members.

No doubt you all read the editorial in last week's issue regarding membership. It is the desire of the Supreme Office, as well as the State Deputy, to have each council secure as many new members as possible before the first of the year. After all, the life of any organization depends a great deal on the new members and especially the young members.

We are sure that a little effort on the part of each member would bring gratifying results. Surely you know of someone who is interested in the Knights of Columbus. Probably it would take only a word of encouragement to get him to become a knight. Remember also that now is the time, while the initiation fee is reduced, to secure new members. Let's see how many applications we can get before the first of the year.

TEN PIN TAPS

Last Wednesday saw the Schaefer Barbers and the Kloeckner Florals hook up in a nip and tuck battle, with the Barbers trimming the Florals twice, the last game by 5 sticks. Joe Handzik and Nic Schaefer, Jr., were responsible for the two wins. R. Schabes and Tony Foll led the losers.

Heinen Morticians again manage eke out two more wins. This time the Puetz Markets. Horan with 20 paced the Heinen attack. Bill Sutt with 206-535 and Al Labuhn with 52 the Butchers.

Dutchman's Tavern, led by Doc with 200-213-582, and Ed Witry with took two from Macks Movers. Kloeckner won the odd game for Macks with a 229 game.

The McCabes still can't seem to going and as a result took three or chin from Bonthron Service. Mittler 559 got most of the wood for the win The McCabes didn't have anything writing about.

1-3 Thurs. . . . . 1928 Devon Ave.

G.K. Hesse, who acted as chairman in the drive for patrons' subscriptions for our council in the Chicago Chapter Charity Ball is happy and pleased to report that Marquette Council has gone over the top. The big party is tomorrow night (Saturday, Oct. 11) at the Palmer House and there will be entertainment sufficiently varied to satisfy everyone. If you need a ticket call Fin. Sec'y Sacheck tonight at Kedzie 0701 or call G.K. Hesse tomorrow at his office, Randolph 2054.

Remember that the proceeds will furnish the Soldiers and Sailors Center at 1122 S. Wabash Ave. This is important as it will serve to bolster their morale and enable them to keep an even keel during the trials of their training. These soldiers and sailors on their return to camp will spread the word of the grand treatment received from the Chicago Knights of Columbus which will be ample satisfaction along with the good time you will have at the ball for the price of $1.00.

HERE IT IS

Lecturer John L. Henrich has agreed to sponsor another free party for the ladies due to the many requests of those present at our last Ladies' Night. The date of the next party is Nov. 6, immediately following our meeting. Please arrange to be present.

The members of the Lecturer's Committee are requested to be present at next Thursday's meeting to help the Lecturer plan the affair for Nov. 6, AND his committee members are Wm. Pettis, Frank and Henry Wilhelm, Thos. Carroll, Joseph and Doc. Ed Meyer, Pat Driscoll, Frank and George Loderbauer, Clarence and John O'Hara, Lloyd O'Toole and Winan C. Buettgen.

An earnest appeal is directed to your kind attention to be present at the meeting next Thursday night because Professor M. P. Rapacz of De Paul University College of Law, nationally known authority on the laws of property, will be our speaker. Prof Rapacz has written many articles for the leading law review journals of this country and he has a lecture that will astound you with its revelations. Don't forget next Thursday.

Fr. Setters Pledges Full Attendance at Chapter Party Sat.

2-4 Thurs. . . . 4711 W. Madison St.

Several hundred members of Father Setters Council will attend the Chicago Chapter Ball tomorrow evening, Oct. 11, at the Palmer House, according to a joint announcement by Grand Knight Roy P. Bedore and U.S.O. Chairman Frank Prior. This forecast is based on the unusual enthusiasm displayed by all Settersites in promoting the party which is being held primarily for the benefit of the Service Club at 1122 S. Wabash avenue.

The club provides complete recreational facilities for visting soldiers, sailors and marines, under the supervision of the National Catholic Community Service. The active management consists of Rev. William A. O'Connor, Archdiocesan Director of the N. C. C. S.; James B. Carney and our own Grand Knight Roy P. Bedore.

All members of Father Setters Council and of the other units affiliated with the Chicago Chapter are taking pardonable pride in the leadership of the Knights of Columbus in this patriotic expression of Catholic Action and are resolved that, since the Service Club will be so directly benefited by the Chapter Ball, the party tomorrow night will be the most successful in history.

All members and guests in attendance are certain of a most enjoyable evening. Cards, dancing and entertainment will be the feature items on the program.

MEMBERSHIP CHAIRMAN

J. Edmund Dwyer has just been appointed chairman af the Membership Committee of Father Setters Council and, with characteristic energy, has announced the opening of the fall membership drive. In making the announcement, the chairman points out that circumstances in general and the improved economic status of prospective candidates have combined to make this a golden opportunity for building up the manpower of the organization.

All council members are cordially invited to participate in the work of this committee and to sponsor the names of eligible friends as candidates for membership. Ample literature is available for the assistance of sponsors and may be had from the committee chairman or the financial secretary, Thomas A. Lavin.

Oak Park's Meeting Next Monday to Have Many Honored Guests

2-4 Mon. . . . . 641 S. Scoville

The next meeting will be held on Monday, October 13, and will be an event worth attending. There will be a visit from our new District Deputy. There will be the ceremony of conferring honorary membership. In addition, we would be surprised if the lecturer did not have still another ace up his sleeve.

Now that the fall season is on it would be a grand thing to have some of the large meetings so that the officers would have the added incentive to work harder. To many, the amount of work attached to the office of Grand Knight does not seem much. If you could but follow him through the day and week you would find that much time, thought and energy is necessary to the proper performance of the duties of the office. Do get out and give a hand.

One of the key points of the recent meeting with the State Deputy was membership. Too few of our members look to the offering of these advantages to their friends. If you will do just a little, just lend a hand here and there, the officers are more than willing to sacrifice their time toward carrying out the many projects necessary to our continued success.

Nationally, the order is doing great things. The Chapter, with its many and sundry advantages, lends a definite aspect of unity, especially for the stranger in the city. Your council is in a unique position for great service if you will get behind the officers in their efforts. Don't pass off this plea; it calls for your aid; give that aid as best you can, and watch Oak Park Council grow. Start now by attending the next meeting.

We were saddened to learn of the death of Mrs. Fitzgerald, wife of Brother Matthew J. Fitzgerald, on Wednesday, Oct. 1. Burial was from St. Giles. To the bereaved family we extend our sympathy.

Coming events will be a ladies' night on Oct. 27, and a great harvest party on Nov. 15. Both of these events will be well worthwhile. Tickets are now ready for the harvest party and will be in the hands of the members in a few days.

Bowling is now going full swing and there is still time to join. Brother Koehler stated that there is also time for open bowling. He points to the advantages of renting the clubhouse for weddings, anniversaries, etc. It is also available for meetings at reasonable rates.

ST. FRANCIS REACHES QUOTA FOR CHAP. BALL

2-4 Thurs. . . . . 4715 W. Madison St.

St. Francis Xavier Council has gone over the top, again, in making its quota of tickets and patron ads for the Chicago Chapter Charity Ball. Through the efforts of Sir Knight Anthony Raciti, council U.S.O. chairman, 120 tickets and 16 patron ads were sold for this affair. The ball, which is being sponsored for the benefit of the N.C.C.S. center for service men at 1122 S. Wabash ave., will take place tomorrow evening, Saturday, October 11, at the Palmer House.

Besides dancing, an adjoining room will be used for "social" games and entertainment. All who attend are assured of a grand time. In case you haven't purchased your tickets and would like to do so, get in touch with Bro. Raciti by calling Aberdeen 1221. The price is one dollar per ticket. The names of those who bought patron ads will be found elsewhere in the column.

ACTIVITIES

Plans for Father Breen night have been completed. P.G.K. John Blase Meccia, chairman in charge of the affair, emphasizes the fact that the entertainment will start promptly at 8:15 p. m. The party will be held October 30 at San Callisto Hall, 2189 DeKalb street. All members are invited to attend with their wives and sweethearts. Refreshments free. But, please be there on time. More details next week.

At our next meeting, October 23, we are going to sponsor the exemplification of the first and second degrees. Besides our council, all councils of West Division No. 1 will have candidates taking the degrees. The degree will begin promptly at nine o'clock. All sponsors of insurance candidates are urged to see to it that they visit the medical examiner, Doctor A. L. Vincenti, 718 S. Kedzie. The candidates should be in the council chambers at 8 o'clock. All members are asked to be present.

At a victory-kickoff dinner last Thursday night at Adolph's Restaurant, Sir Knight Nick Masse was unanimously chosen chairman for our forthcoming dance sometime in January or February. Nick DeMore was chosen co-chairman and Peter Bruno, treasurer. The dance committee held its first meeting Tuesday night at the Midwest Athletic Club. Watch future issues of the Columbian for more dope. An interesting note is that both the chairman and co-chairman are named Nick and they both have mustaches.

hicago Hts. Shocked at Death of Beloved Fr. Joseph Anderson

Mon. . . . . 1537 Otto Blvd.

our entire membership and commu- y were shocked to hear of the death Father Joseph Anderson, pastor of Agnes Church and past chaplain of council. Father Anderson passed to his heavenly reward on Thursday, . 2, at St. James Hospital after a gthy illness. He was a great leader had a host of friends, not only in his parish, but also outside of religious circles who join with us in mourning our great loss.

Funeral services were held Monday, Oct. 6, at 10 o'clock. Archbishop Samuel A. Stritch officiated and a large number of priests assisted. This pomp and ceremony was never before witnessed in Chicago Heights. We wish to extend our heartfelt sympathy to his dear mother, brother, sister and Father Petro, his assistant, in their great sorrow. We pray Almighty God to grant him eternal peace.

We also wish to extend our sincere sympathy to Bro. George Currier, Sr., and family in the sudden death of their beloved grandson, whose life was taken by the accidental discharge of a shotgun while on a hunting trip.

Word of the death of Joseph Flaherty, P. G. K. of Garcia Moreno Council of Harvey was received by our council with great emotion. He left a vacant chair that will be very hard to fill. Bro. Flaherty was well known to most of our older members, having participated in quite a number of our functions. To his bereaved wife and daughters we extend our deepest sympathy.

Eternal rest grant unto them, O Lord, and let Perpetual Light shine upon them. May they rest in peace.

Again we wish to remind you that on Monday next, Oct. 13, we will have our Columbus Day program, as we announced in the last two issues of The Columbian. Let each brother knight make a special effort to attend along with their wives and their girl friends. You are assured a very interesting evening.

It still isn't too late to procure tickets to the Charity Ball given by the Chicago Chapter on Saturday evening, Oct. 11. A worthy cause such as this should not be overlooked.

Congratulations to the Schiesler brothers of the Karmelkorn who celebated their tenth anniversary in business. Bro. Ralph is very active in our council and we can show our appreciation by giving him some of our patronage.

Go ahead—*give it the works!* Here's one suit you never need pamper. Tear into your busy day, give that Spartan Worsted a sound beating—then watch it come up with a smile, asking for more. Stretch, twist, rub it—crawl on your knees if you will—and there's your Spartan, crisp and smooth as though it had just come from under the tailor's iron. Expensive, long-staple yarn does it—brimming with vitality, primed with wrinkle-resisting spring. Double weaving adds the crowning touch—full-bodied ruggedness that feels silky soft in your hands. Yes, sir—it's probably a new experience to enjoy so much vigorous good looks for as little as $30, including two trousers. That's why *"Bond's—today or tomorrow"* should top your list of things to do.

CHICAGO, OCTOBER 10, 1941 100

Columbus Day, 1941

On Sunday, October 12, the people of this nation will observe the 449th anniversary of the landing of Christopher Columbus in the western hemisphere.

Four hundred forty-nine years and seventy days ago, the great Admiral embarked upon the most momentous voyage in the history of our planet. Only his great courage and the deep faith that as one of God's specially appointed agents his discovery of a new outpost of Christianity was predestined, carried him undaunted through the perils and hardships of that first voyage.

The land that Columbus discovered and reverently dedicated to the Saviour of Man was not the land he expected. It was a new and unknown continent, virgin clean of all the intrigue, selfishness, wars and evils with which his civilized world was corrupted. He had left a world tossing in the death throes of a mighty struggle between Christianity and Mohammedanism, in which the forces of peace and brotherly love were aligned against the Mohammedan creed of absolutism, intrigue and fanaticism. He set foot upon a new world where men could live free of the heritage of mistakes and injustices that stained the nations of the old lands beyond the broad sea he had sailed; he left a land where Christiandom-building for fifteen centuries its impregnable walls of Theology and Tradition and watered betimes with the blood of thousands of martyrs—had seemingly reached its full growth, its Apostles had gone into all the lands from the barren shores of the northern seas to the exotic coasts of the Eastern Ocean; he opened a whole hemisphere to the word of God and created an opportunity for men to live freer and more noble lives where instead of ruthless power, love and peace would rule.

The brave New World that Columbus brought back to the people of his time has unfortunately been infected with many of the same ills that plagued the Old, four and one-half centuries ago. Today another great battle line is drawn with the forces of democracy and its guarantee of individual freedoms standing out against the totalitarianism ideologies that would bring about the absolute subjugating of the individual to the state.

The greed, the ruthlessness, the inhumanity that marked the civilizations of Europe have all been borne to the shores of our own country so that even here, in the last stronghold of individual liberty, there is increasing evidence of the same cancerous growth that dispoiled the proud governments of the Old World. Daily, new "causes" spring up that would pit one part of our nation against the other, that would advocate the subjugation of this liberty and that right for the furtherance of some materialistic objective.

But this is still the New World. We are not so old and infeebled that we cannot, in unity, cure our ills and protect the principles of individual freedom that our isolation has made possible of expression and application. It should be our resolve, as we observe this 449th anniversary of the great accomplishments of Columbus, to restore the continent he founded to its brightness; to patiently correct the injustices which have grown up in this land which he so reverently dedicated to justice; to faithfully nuture the love of freedom, of personal liberty and of brotherly love which, through Columbus and the founding fathers of this nation, has been the heritage that has made America a haven to all the liberty-loving peoples of the world.

O'CONNELL MEMBERS FILL CHURCH FOR HOLY COMMUNION

2-4 Tuesdays . . . . .Hill & Franklin St.

Daniel O'Connell Council members turned out en-masse Sunday Morning to greet their prospective new brother members. Almost one whole side of St. Joseph's Church was filled with the members and the new candidates. The sight of so many O'Connellite men was a spectacle which we have not seen for a great many years.

Our Chaplain Rev. Paul Schlimm was the celebrant of the Mass and he too was awed with conduct and the attention of everyone present. After the Mass the whole group gathered in the Council Chambers and sat down to a very tasty breakfast. Grand Knight Bro. Edward Gauna called a short meeting which consisted chiefly in introducing to the members our new class of Candidates. The class has been named the "Francis McAuliff class of 1941" in honor of the fine work done by your worthy Chancelor in the role of Chairman of the membership committe for the past several years. After the introductions were finished we were privileged to hear from our newly reappointed District Deputy Bro. Marco De Steffano. Almost all of the Officers were also individually called upon. Among those present was Bro. James Butler, one of the oldest living members of Daniel O'Connell council, who stated that he was delighted to see the fire and zeal of the new officers, and that he felt sure the century club was in the bag.

Again I wish to emphasize the date of our next meeting which, if I'm any kind of a prophet at all promises to be a dandy with a Capital "D." The date is October 14 at the council chambers, 1100 N. Franklin St. At which time we will have 41 New Members to introduce to the membership. Our Lecturer Bro. Victor LaPorte will be unable to attend at that time, but he has conveyed his ideas to P.G.K. Joseph C. Meier who will act as Lecturer for the evening.

We haven't heard from our P.G.K. Bro. Tim Clifford for a couple of weeks and I learn that the reason is ill health. We hope this condition will clear itself and that soon we will have our Lapsation Chairman back on the job. Our new Chancelor Bro. Frank McAuliff Chairman of the Fourth Degree Club is hustling the boys along, we expect to have a very representative class of 4th degree candidates this year.

We were very glad to see our Warden back on the job again. He has just returned from Hines Hospital. We hope this will be the last time Bro. Joseph Tantillo will have to go back to the Medico.

Mrs. Stornello, wife of Bro. Joseph Stornello is reported in much better health. Bro. Adolph LoBello's wife also recently returned from the hospital.

Carroll Expects to Top Quota on Charity Ball Sat.

Next Meet Oct. 21 . . 6 N. Hamlin Ave.

Charles Carroll Council is hopeful of meeting its expected representation of 4 per cent of the membership in party patrons at the Chicago Chapter's Charity Ball and Columbus Day observance tomorrow evening, Saturday, Oct. 11, when the two largest ballrooms of the Palmer House will be thrown open to the thousands of guests expected to attend the affair.

A magnificent dance program will be the feature of the celebration with a card and game social to include popular attractions and similar entertainments. Dancing will begin at 9 o'clock until the orchestra says "quit."

Besides the quota of patrons' tickets assigned to Carroll Council, an approximate 25 per cent of the membership is expected to support the affair through the purchase of the $1 general admission tickets. Members desiring to purchase any number of these tickets may do so by getting in touch with our council U. S. O. chairman, Daniel J. Ryan, Sr., 4034 W. Polk St., or phoning Kedzie 0443 or Wabash 3360.

Among those who have already subscribed as patrons to this great venture are Carroll Council, Grand Knight and Mrs. James J. Crosby, P. G. K. and Mrs. Daniel J. O'Connell, Lecturer Ken L. Torgeson, Ed Roach, Harold A. Neibergall, Martin Landthalder (two patrons' tickets), George J. Hunt, and others which have not come to the writer's attention at this time. The official program of the evening will carry the complete list of patrons from Carroll Council.

OUR LADIES' NIGHT NEXT!

Charles Carroll Council will entertain its knights and their ladies on Tuesday evening, Oct. 21, with a card social, gifts, prizes, refreshments and selected entertainment. Make this a date with your wife, sweetheart, friend, sister, mother, aunt, or "friend's wife or sweetheart" NOW! Chalk this date on your favorite calendar and join in this annual treat for the ladies.

PLEA FOR BLOOD DONORS

Carroll Council is making an appeal to the membership for blood donors. One of our members is in an extremely critical condition and in need of twenty blood donors to form the necessary fluid for a plasma to be injected into the patient for a period of ten days. One plasma is formed by the combination of two blood donors. The type of blood is not essential, but quick action is!

As an act of Catholic charity, brothers, do not hesitate in this hour of dire need. As your brother's keeper come to his aid now! Communicate with our council blood donor chairman, Bob O'Day, at Merrimac 1944 at once. Remember, any type is requested, and those members who have never been typed are urgently asked to offer their assistance, too. ACT NOW! LATER MAY BE TOO LATE!

Acting on the immediate call of your blood donor chairman were G. K. James J. Crosby, Ken L. Torgeson, Daniel J. Ryan, Sr., and Jack Walsh. Arriving at the Michael Reese Hospital serum center, your brother Carrollites were met by State Blood Donor Chairman Robert Du Mais and a number of brothers from other councils who were ready to offer their immediate assistance. Jack Walsh was never given a blood typing before but was on hand to offer his "quota" as a true Catholic gentleman and a Knight of Columbus.

MEMBERSHIP DRIVE

With the able leadership of P. G. K. Daniel J. O'Connell as membership chairman of our council, we are certain to top our efforts of previous years. Fellows, the drive is on in "full-speed" and you are to supply the "fuel" to keep it going. Contact those prospective candidates and get them lined up for an early class in the first and second degree. DO YOUR PART NOW BY ENLISTING ALL YOUR ACQUAINTANCES AND SECURE THEIR APPLICATIONS as your personal contribution to the work of the membership committee.

Tickets are now available for our "ANNUAL FALL PARTY AND SUPPER DANCE," which will be held Saturday evening, Nov. 15, in the main dining room of the Midwest Athletic Club, 6 N. Hamlin Ave. The price, $1.50 per ticket, is certainly reasonable and cannot be duplicated anywhere. Have you seen the floor plan? If you haven't, make your selection of table reservations NOW!

Half of the reservations were filled at the last regular meeting of the membership, when the sale began. When our full quota is filled, no more booking will be received. To avoid disappointment, communicate with Party Treasurer George F. Rauh at Mansfield 2188 or Party Chairman Ken L. Torgeson at Kedzie 7328. A fine menu has been selected for the affair under the personal advice of the Midwest Athletic Club caterer. Charles T. Montgomery and his famous orchestra will supply the music.

Englewood Happy to Aid Service Men by Attending Chap. Ball

2-4 Mon. . . . . 150 W. 69th St.

Now that the Yankees have won the world series again, the nation can go back to normalcy. It sure is wonderful to live in a land where two baseball teams can shove war and all its cruelties and hardships off the front pages of all the newspapers in the nation. We are sure that we all want the nation to remain this way and we all would like to help keep it thus.

In these perilous times it is necessary for us as a nation to keep a large standing army, well trained and well equipped. The physical welfare of the men in service is looked after by the government but the morale of the service must be looked after by those of us who remain behind. It is for this purpose that the USO was organized. With the funds gathered by this organization, recreation centers, which are being built by the federal government, will be equipped and maintained.

Many young fellows who are in the service have hours in which they have nothing to do. It is necessary for us to provide the means to fill out this spare time.

It is with this in mind that Englewood has given its whole-hearted cooperation to the Charity Ball for the benefit of the USO which is being held tomorrow night, Oct. 11, at the Palmer House. If there are any brothers who have not as yet purchased their tickets they may still get them from Recorder George Johnson.

G. K. Dick Phillips is still ill and confined at St. Bernard's Hospital. However, in a telephonic conversation with Dick, Jr., it is learned that he is showing great improvement. Visitors are not allowed as yet. Here's hoping that Dick continues to improve and again takes up the reins of the council.

It has been called to our attention by

DUES

the financial secretary that a great many of our members are a bit delinquent in their dues. As we all know, dues should be remitted during the first month of each quarter, so that the council can meet its state and national per capita assessments without any difficulty. So all of us who are behind, let's lay it on the line.

Bro. Frank Haase has received his pension from the Illinois Bell Telephone Company after 50 years of faithful service.

Phil Huguelet received his pilot's license from the federal government. Congratulations, Phil.

Don't forget, next meetinug is Oct. 13. The program will be announced on the cards that are sent out.

We'll be seeing you at the Charity Ball.

RAY SCHALK OPENS BOWLING CENTER

Chicago.—Ray Schalk, former catcher and manager of the Chicago White Sox, opened his second bowling alley here this month. It's the Evergreen Towers, a nifty $350,000 installation, located in the south side of Chicago, some miles distant from his Beverly Hills establishment which was erected a few years ago.

A few miles east of Ray's new place, Ted Lyons, veteran White Sox pitcher has built a new tenpin 32-alley spot which is reported to have cost $450,000.

Looks like Sox fans will get a chance to get better acquainted with Ted and Ray.

Ouilmette Member to Exchange Greetings at Gay Ball Tomorrow Eve

2-4 Mon. . . . . 1215 Wilmette Ave.

With everyone discussing their plans for the Charity Ball next Saturday night at the Palmer House, few of the brothers will need any reminders.

As previously announced, the council has engaged a private room for council members. The room number is 751. We understand from the hotel management that all the councils' rooms will be on the seventh floor, which should make things very chummy and fraternal-like.

Well, Old Timers, der Tag for your good selves will be next Monday, Oct. 13. Be sure to be there; this is entirely in your honor.

You might like to know that the premiere of the Minstrel Show is set for November 9 at St. Joseph's School Auditorium. There will be an afternoon and evening performance at popular prices.

DAYTON HAS SECOND LARGEST BOWLING CENTER

To the city of Dayton, Ohio, goes the distinction of having constructed the second largest bowling building in the world. Known as the "McCook Bowl," the new establishment houses 44 alleys in a row without a post.

Attention was paid to customer convenience, acoustics, temperature control and lighting. All in all, its hundreds of visitors have already voted it the nation's finest.

Newman Will Feature Chicago Bears at Next Meeting, October 16th

1-3 Thurs. . . . . St. Mary's Hall Evanston

Well, boys, here it goes. Extra! Joe Jans just signed up a prospective brother. His wife just presented him with a fifth son. Beware, bowlers, Joe is going to have a team of his own! Paul Mascolino is quite a horseman these days. He is now riding for Uncle Sam in the mail truck. He says he must get through. Frank Michelleti shot an 89 at Community course last week.

At our next council meeting Oct 16 we will show football pictures of the Chicago Bears. Paddy Driscoll, Red Grange and several others of the Chicago Bears' team will be there.

FIGHT FANS

On Friday evening, Oct. 24 at 8 p. m. Newman Council bowling league will sponsor a boxing show at St. George high school gym. There will be eight bouts of the best C.Y.O. fighters. Tickets 75c for adults and 25c for children. Your support is earestly requested.

Geo. Pestka took three first prizes for the best dahlias in a recent North Shore horticultural show—nice going, George. Bro. Roland Moore has just completed the new addition to his home at 910 Lake St. Joe Mahony and Mart Corcoran are smoking short ones these days—did you see and smell them last meeting. Times must be getting hard.

Bro. E. N. Muldoon, general claim agent of the Chicago, North Shore & Milwaukee R.R. Co., was elected vice-president of the American Transit Claims Association at the meeting held in conjunction with the 60th annual convention of the American Transit Association at Atlantic City recently. Congratulations, Norman.

On last Saturday morning Bro. Louis Bisson gave his daughter, Clemence, to Vincent A. Meter at a marriage ceremony which was held at 10 o'clock at St. Athanasius church. Father Chas. Meter, the grooms brother, officiated. Eleven priests and two monsignors also attended. The bride was assisted by her sister, Mary Bisson as bridesmaid and Miss Garnier of Montreal, Canada. Robert Meter, brother of the groom, was best man. Breakfast was held at the North Shore Hotel. Reception was held at P. G. Knight Bisson's home in the evening. The couple have gone to Montreal and Quebec for the honeymoon. Bro. Gregory Ronald played the organ and was assisted by Tyrell James.

Glad to see you at the last meeting, Bro. Dan McCann. We were glad to see our newly appointed Dist. Deputy Frank Wohlleber at our last meeting. Hope to see you often, Frank. Ed. Bell, Martin Finley, Tim Jans, John and Jim Corcorn and Ed Arnold travelled to Racine, Wis., last week to participate in Matt Jans day—everybody had a good time.

On Saturday, Oct. 11, at the Palmer House the Columbus Day ball will be held. We are all requested to be there. Tickets are $1.00 and a good time is promised. Our quota is 80, so let's double that.

If you have any Catholic newspapers, books, old clothes or religious articles please see brother John Newton and Bro. Sacrider and they will be glad to accept them. Past Grand Knight Ken Lawson was presented with a beautiful Fourth Degree ring at the last meeting by P.G.K. Muldoon who in his usual eloquent manner, gave Ken a wonderful send-off. Congratulations again, Ken, you did a wonderful job.

Bro. Robert Dumais, who is chairman of the Blood Donors group of Chicago and suburbs, gave a short talk and wishes that we organize soon. Dr. Clarence Sweeny is now living in Cuba City, Wis. Our Lecturer Tim Jans and P.G.K. Martin Vose left for the Dakotas to hunt pheasants for five days. The entire Corcoran family including the grandchildren had a banquet at the Orrington Hotel last Thursday, Oct. 2, in honor of P.G.K. and National Delegate John Corcorn and Mrs. Ruth Corcoran who celebrated their twelfth wedding anniversary. Congratulations to you both. Captain Wm. Reifenberg of the U.S.S. Newman is busy these days at his Naval Training Station (Wilmette Harbor) in training his draftees for future service. Those who are about to complete their hitches are private Mahony, Steigelman, Jim Corcoran and John Vose. Capt. Bill is hardening these boys up so they won't get sea sick. If you have any news call me at Greenleaf 5290, but I know you never will!

Results of last week's bowling: Smiths won 2 from Davis Candies; Hebsons won 3 from Fitzgeralds; Meister Brau won 2 from Ridge Cleaners; Mentes won 3 from Dr. Keefers; Bells won 2 from Shaeffers.

Hen.-Shields Urges Council Support to Columbus Day Ball

Oct. 22-Nov. 12 . . . 446 N.Parksde Ave.

At the Palmer House Saturday evening the elite of the Knights of Columbus will gather to attend the Annual Chicago Chapter Ball, the proceeds of which will go for equipment and upkeep of the Soldier's and Sailor's Recreation Center at 1122 S. Wabash Ave.

P. G. K. Jack Shealy has been appointed West Side Chairman and has been devoting his energy and time towards arousing interest in this affair and disposing of tickets, which are $1.00 per person. A room has been reserved at the Palmer House for the convenience of our members and guests. The room number was given in a letter sent to members the early part of this week. It is to be hoped that our council will be fully represented this Saturday night.

BOWLING

Fogarty's Men's Wear were in good form last Tuesday when they trounced Ray Foley's Grills for three games. After dropping the first game to the Ed. Riley Insurance Writers, the John J. Hayes Hatters rallied to take the next two. The Harwood Florals were on their way to a clean sweep, taking the first two games, but Lifka's 242 for Costello & Son Boosters helped bring Costello's victory in the third.

Midland Pipe & Supply, handicapped by two absentees, managed to take the odd game from the Frank Hayes Barbecues, Jim Oakley swinging his team to victory with a 224 score in the third.

Other high scores were Gould 224, Moylan 232 and Butler 211.

THE SOUNDING BOARD

Tom Butler, Joe Murphy and Joe Hannon are actively participating in the preparations for the annual fall festival and homecoming of St. Ignatius High School, to be held Friday, October 17, at the 132d Regiment Armory, Madison and Rockwell Sts. Cards and dancing are among the attractions to be offered.

Our sincere sympathy is extended to Bro. John E. Walsh and members of his family in the loss of his mother, Mrs. Rose Rynne Walsh, whose funeral was held Tuesday of this week, with services at St. Lucy's Church and burial in Calvary. May her soul rest in peace.

P. G. K. Joe Murphy recently visited his two boys, Gordon and Robert, at Milford, O., where they are in training to join the Jesuit Order. Joe also was recently re-elected trustee of the Chicago Chapter. Good boy, Joe, and congratulations.

We hear the McGillivrays, Ron and Kathleen, have moved to 4912 Jackson. Welcome to the neighborhood and a grand parish. If you are a good boy, Ron, we will let you join the neighborhood Tea and Tatting Club.

Wonder if his mother has hornswoggled young Lenie McGee, Jr., out of the football helmet he was supposed to get. After the last meeting, Elly, you had the wherewithal. Jim Oakey, Jr., has been transferred to California for his Army training.

Seems to be a little misunderstanding concerning religious freedom in Russia. You remember that old saying about, "When the devil was sick the devil a saint would be." G'BY.

McHale Seeks Speedy Sellout of Remaining Charity Ball Ticket

1-3 Tues. . . . . 150 W. 69th S

Well, it won't be long until Columbus Day, which reminds me of some of the many large and fine golf tournaments our council gave. I wonder how many of you readers remember the one held at the old Dixmoor golf course on a very hot October 12th with well over a hundred players. G. K. was the golf chairman that year.

This year there will be no golf tournament, but there will be a Charity Ball at the Palmer House on October 11th and our council should have over a hundred there. If you have not secured your tickets, please get in touch with our council chairman, Tom Murroy, and he will be more than pleased to sell you as many as you want.

JAMES DUFFY

All of you fellows who have been attending the meetings for the past several years know Jim. He is the hard working fellow who has done such a wonderful job in securing new members. This year he has been appointed chairman of our membership committee and he hopes that all our members cooperate with him by getting new members.

HERE AND THERE

We have just heard that one of our good old timers, Bro. Bill Flanagan has been quite ill lately. Hope you're OK now, Bill. . . . Wonder what's become of P.G.K. Jerry Kennelly. Suppose you come to a meeting, Jerry. . . Mr. and Mrs. Art Usher, Sr., recently celebrated their twenty-seventh wedding anniversary. . . . G.K. John Kelly, D.G.K. Tom Garvin, P.G.K. Barney Barrona, P.G.K. Bill Mugg, Joe Sheehan and Jimmy O'Connor attended the installation of officers of Armour Post of the American Legion last Saturday night to see F. S. Earle Edgeworth installed as Junior Vice-Commander. P.G.K. Jerry Sheehan was the toastmaster.

BOWLING

I understand there were some interesting games and series rolled last Monday night in spite of the fact that some of the bowlers were missing. D.G.K. Tom Garvin, president of the league, would like to see all our bowlers appear every Monday night, so that each team will have its full strength, thereby having better games.

They are "Champions' Rub" d "Athlete's Foot Remedy," which a mber of champs say are the best of eir kind.

Harry Berz, famous sports promoter all kinds and vice president of the A. U., told us a number of believe-it-nots that the average person does t ordinarily get to know. Next we ard from Michael J. Howlett, Jr., Chigo Area Director of the N. Y. A. of inois and a swimming champion since 30, when he was in St. Mel's High hool. The world's champion ice skat- and president of the Olympic team d Cycling Association, Peter Miller, ld us about some of his interesting ps with the Olympic champions, and ilber Kantz, coach of Loyola basketll team and player on the Chicago uins team, gave us a few points on i game.

Pat Kane, C. Y. O. boxing manager, d us about the many boys he coaches the C. Y. O., and Bro. Geo. Wiessen-l, Ft. Dearborn's classy bowler, rose tell us what a great game bowling is. We of Ft. Dearborn wish to thank ese men who showed their great ortsmanship in attending. We noed that all of them said that they ped they could again be with Dear-n in the future. Let it be known, vs, that your smiling face sand pleas- personalities are always welcome out Dearborn's chambers, and we sinely hope that you don't make the e too far off.

AUBURN PARK BOWLERS SHOW GOOD PROGRESS

2-4 Thurs. . . . . 7740 S. Emerald Ave.

The Auburn Park Council Goodfellowship Bowling League completed its second week of bowling at the Highland Recreation at 1310 W. 79th St. on Monday evening from 7 to 9 o'clock. Tom Patterson's team took two practice games from Charley Connelly's keglers, even though Mike Gorman was high man for the night with a 500 series including a 201 game. Reverend Leo A. Smith came in from his new parish, St. Thomas the Apostle, at 55th and Kimbark Ave., to help Patterson's team build up a good handicap. Father Smith had a 365 series, although he claims he is a 140 bowler.

Walter Fox's squad took the measure of John Walsh's team 2 to 1, because John Walsh's brother Tom was unable to get the ball down the alley where he was aiming. Wait till Tom gets that eye back, then watch the pins fly. Bro. John Rooney's son bowled his first games Monday night for a 396 series. He shows plenty of promise of increasing his series by another hundred pins before the season ends, but don't wait until then, Judge, get his application signed now.

After the bowling, the members adjourned to the clubhouse to elect officers for the Bowling League with the following results: President, Walter Fox; vice-president, Michael Gorman; treasurer, Charles Connelly, and secretary, Tom Cole, Jr.

It was also decided to handicap the bowlers as follows: 75 per cent of the difference between 180 and the bowler's average will be his handicap. The teams will be selected and balanced as close to their averages as possible. If the league can secure about six more bowlers it will organize two more teams, otherwise it will alternate with the other four bowlers. One on each team will not bowl one week out of five. If you are interested in bowling come over Monday and sign up. Could use two more merchants to sponsor teams in the league. This is a splendid advertising medium.

CHARITY BALL

We have been laying particular stress during the past weeks on the importance of the Chicago Chapter Charity Ball which is to be held tomorrow evening, Saturday, October 11, at the Palmer House, corner State and Monroe Sts., in downtown Chicago, and if you haven't secured your tickets, we suggest you procure them at the door on this occasion.

The general admission is $1.00 per person and proceeds will go to the National Catholic Community Service recreation center and clubrooms for service men stationed near Chicago or passing through. The Knights of Columbus of this area have promised his Excellency Archbishop Stritch that with the proceeds of this annual ball they would furnish the interior of these clubrooms. Let's not fall down on this obligation.

FLASH: Our outstanding softball pitcher, Bro. George (Mike) Gorman, is to be united in holy bonds of matrimony to Miss Conlon on Saturday, October 11. We extend our best wishes to this happy couple, and hope that they are spared to one another for many years to come, and that the new Mrs. Gorman lets Mike attend the council meetings and bowling on Monday night. Sorry this happened the same day as the Charity Ball, Mike, as we believe you would have a large delegation of members on hand.

CONGRATULATIONS: Our north end reporter, Bro. Phil Koch, reports that the wife of Bro. John O'Donahue recently presented him with a new baby girl at St. Bernard's Hospital. We extend our best wishes to both mother and dad and we understand that all three are doing nicely. Come up to the meeting, John, at your first opportunity and receive our congratulations in person.

Neri Expects Large Council Delegation at Columbus Party

1-3 Tues. . . . . 7515 Yates Ave.

St. Philip Neri Council is expected to be well represented tomorrow night at the Charity Ball at the Palmer House if the advance ticket sale is any criterion, according to G. K. William T. O'Neill.

"Although the complete list has not been handed to me by Chairman Harry Bitter," said G. K. O'Neil, "but the council should go over the top in patron tickets. However, there are still patron and general admission ducats left. Anyone desiring them can call Brother Bitter at Beverly 9717."

Bro. George J. O'Donnell, chairman of Hallowe'en Dance, reports preparations already begun to handle a large crowd. He said, "The Hallowe'en party always has been one of the outstanding social events on St. Philip Neri Council calendar and there is no reason why this one should be any exception. With times better, one of the largest, if not the largest, crowds in the history of the council should be in attendance.

SOUTH SHOREITIS

"Honorary Degree Night" will mark the next meeting of the council. It promises to be another success.

Bro. Martin Vanderheiyden is ill at home.

Bro. John Leo Rach and his bride are back from their honeymoon trip and are home to their friends at 8121 Ellis Ave.

Business demands cut short the honeymoon trip of Bro. Walter J. LaGuess and his bride. They trekked to Turkey Run, Ind. With the trees turning at this time of the year, they saw that country when it really is beautiful.

Bro. Mike McCoughey is recuperating from a recent illness which kept him in bed for more than two weeks.

Richard Carroll, son of Bill Carroll (both members of the council), was appointed an aviation cadet at the Ryan School of Aeronautics in California. Bro. Carroll, who is a graduate of Notre Dame University, was one of four who passed the examination out of a list of 60 who took it.

Tonti to Be Host to State Deputy at Oct. 16 Meet

1-3 Thurs. . . 4221 Irving Park Rd.

It is with great enthusiasm that Tonti anticipates a visit from our State Deputy, Leo M. Flynn. The October 16th meeting has been formally designated by the lecturer as Membership Nite. It is the desire of G. K. Louis T. Buettner that every Tonti member be present, and bring with him a friend or prospective member. Invitations have been issued to all Holy Name Societies of the neighboring parishes, and Membership Chairman Joseph Spekowski, has made a plea for more active support in the pending drive for new members.

Although our quota is fixed at 19 new members by January 1, every member should strive to obtain at least one new member, so that our quota for the fiscal year, of 47 new members, may be swiftly attained.

Tonti is doubly grateful to State Deputy Flynn for the recent honors bestowed on our council, namely the appointing of P. G. K. Charles Ruzkowski as District Deputy (the first of such honors ever to be conferred upon a member of Tonti Council) and the appointment of P. G. K. J. Robert Anderson to the Illinois State Athletic Commission of the K. of C. At this splendid occasion of expressing our gratitude to State Deputy Flynn every Tonti member should be present. Refreshments and entertainment have been provided for, and awards will be made. Due to the importance of the program, the meeting will start promptly at 8:15 p. m.

If you wish to witness Columbian strength, attend the Charity Ball, Saturday evening, October 11th, at the Palmer House.

MAYSLAKE RETREAT

November 7, 8, and 9 will mark the occasion of Tonti's annual Retreat to Mayslake. This endeavor has grown to be a regular yearly feature of the council. Trustee Ed Deka, chairman of the Retreat will be glad to answer any questions you may have concerning Mayslake. The group will reach Mayslake, Friday evening, and you will be back in time for work Monday morning. This Retreat is a treat for your soul, which we know is more important than our body.

The members have responded to the "Barrel of Fun" with an eager and generous spirit. Cigarettes, stamps, stationery, razor blades, shaving cream, magazines, etc., etc., as also some loose change have found their way into the barrel. If you contribute a dollar your name will be placed on the Honor Roll of Tonti Council's Welfare Defense Service Social Club. Chairman P. G. K. John Olsta of the Welfare Committee contemplates sending our brother members in the nation's service, at regular intervals, gift packages from the council.

Another brother left for the Army, Monday morning, October 6. Bro. Gerard Jankowski, one of our bowlers of last season, left for Jefferson Barracks where he will obtain his preliminary training. He enlisted as an aviation mechanic. That makes five of Tonti's boys in the service. If there are any others we want to know about them, so that they too will be remembered from the "Barrel of Fun."

BOWLING

I don't have the standing to date, but I do know that the Roy Tap Rooms won 6 games in a row, and are nearing the top in the league. There are 8 full teams of 5 men each. In the near future more details will be given regarding sponsors and names of bowlers on respective teams. As the league is progressing, the boys seem to be getting into the jive, and working th soreness out of their muscles, going after those pins, tooth and nail. There are some newcomers in the lineups and early indications lead one to expect a banner season. Thy bowl on Tuesday nights, at 9 p. m., at the Milford Alleys, Milwaukee Ave. and Pulaski Rd. We all enjoy an audience.

Bro. Frank Tomczak has just returned from Baltimore where he attended the Polish Roman Catholic Union Convention. Looking ahead: November 6th, Turkey Nite; December 4th, Christmas Cheer Bingo; December 18th, Christmas Party; January 17th, 1942, Tonti Council Dance. Keep these dates in mind.

Aquinas to Send Large Group to Charity Ball

1-3 Tuesday.....5441 S. Ashland Ave.

From all indications Aquinas Council will be well represented at the Charity Ball tomorrow night at the Palmer House. If you failed to get a ticket, call G. K. Sweeney tonight at Vincennes 7750 and he will mail them out to you so you will have them Saturday morning.

At the meeting Tuesday many more old timers were seen and the attendance has taken a definite upswing. How about coming up to meet some of the boys at the next meeting?

The bowling season finally got under way last Friday at Visitation alleys, 54th and Peoria Sts. G. K. Sweeney topped the first nighters with a 565 series. He was closely followed by Pelton, McCambridge and O'Malley. The McGraths, last year's champs, started their defense by taking three straight, while the best the McNamaras and Sweeneys could do was to take two out of three. Lecturer Golden has promised that at a meeting in the near future he would show a forty minute motion picture on bowling. This ought to be interesting and some of us bowlers sure need some lessons. Watch this column for date of this showing.

Garcia Moreno Urges Full Council Effort on Membership Drive

2-4 Tues. . 155th St. and Lexington Ave.

You cannot live by bread alone. No matter who we are, or what station in life, we all need friendship. Today, more than ever before, a man needs good friends. He needs associates who have a rule of life as high and clean and fine as his own. Membership in the Knights of Columbus gives a man contact, association, companionship with leaders and successful men in all walks of life.

Let's not forget that all councils are now enrolling new members and the membership as a whole should be taking additional interest in council affairs, and in securing new members. General Chairman John Begnoche of the membership committee asks the members to supply him and his committee with the names and addresses of prospective members. "Supply my committee with the leads, and rest assured we will only be too happy to do our part," says John.

Up to this date only two applications have been read at our meetings, and John Begnoche is the go-getter who got his men. If his work in our midst is any criterion of his future performance, you can rest assured that John Begnoche will leave no stone unturned in his work to enlarge our membership.

We members also have a duty to perform for our council, and only interest in our council can supply the enthusiasm that puts things over. Let us all determine to be active members.

BOWLING NEWS

Posen Lumber Co. Sheas Champs and Frank Ring Boosters are all tied for first place. Ring Boosters won three games from Walter Goletz's Boosters. Dainton's 226 game and 608 series, along with Frank Ring's 229 game and 538 series was the feature bowling that won three games. Wm. Powers, Jr.'s 480 was tops for the Goletz gang. John Mech and Hank Currier tied for second honors with 439.

Home Liquor Store also won all three games, the Eagle Coal Co. being on the zero end. Mikenas 538, Obernessor 477 and Santeford were the three reasons for the wins. Reardon 532 and Lemmon's 470 were top scores for the Coal Bin Boys. Sheas Champs won two from Posen Lumber Co. Kerkhoven 510, Hilgendorf and Shea with 473 were enough for two wins. For the lumber gan Kocielski 494, Cerevecki 463, Gorski 444. Oh me, what happened to those three logsman who deal in lumber but couldn't get the wood?

Wm. D. O'Hara Boosters added two wins to their column, Oliver Drug Store taking what was left. Bruce 508, Al. Binette 469, Geo. Ducette 446 were top men for the O'Hara gang, while Kammert 518, Frank Duck 513, Ed Ring 445, were top men for the drug team.

BIT-O-NEWS

To P. G. K. James Weekes and wife our sincere congratulations on the recent celebration of your birthday and another wedding anniversary. May they celebrate many more of these happy events. While Brother Weekes lives in Chicago, he has never lost interest in his council, and to attend meetings he must come a long distance. The new arrival at the home of Albert Berner was a girl. Congratulations, Albert.

Columbus Day, Sunday, Oct. 12, our council will receive communion. A letter in regards to the above Sunday should arrive at your home this week. This communion is a part of the Order's request program. Oct. 14 is the date of our next council meeting. A Columbus Day program has been arranged by Lecturer Henry Stein. An election to fill the office of Recorder also will take place. We hope now that the cool weather is here that our members will again start to attend meetings and show again that old Garcia Moreno spirit. These are fighting days; get into the fight, and start your membership enjoyment by being present at our next meeting, "Columbus Nite." Cheerio.

Sherman Members Will Meet at Palmer House to Attend Chapter Ball

1-3 Tues. . . . 4300 W. North Ave.

Last call for the Charity Ball. Let's get together tomorrow night, Oct. 11th, and all be at the Palmer House to help put this affair over. "The Eternal Gift," the dramatization of the Solemn Mass will be shown at the Manor Theatre, 5609 West North Ave., on Thursday and Friday, Oct. 23rd and 24th. Get your tickets now at your parish rectory and arrange to see this great play. It is both educational and instructive.

DRAFTEES, ATTENTION: Any member who is or might be drafted, get in touch with Financial Secretary Joe Diesenroth or Grand Knight Welker as a motion was made and passed that the council pay the dues of any member inducted into service until such time as he is discharged from service. This is the third and last time the notice will appear.

CONDOLENCE is hereby expressed to the family of Bro. Alfred Doppke, whose good mother was called to her eternal reward Oct. 2nd. Services were held at St. Philomena Church with interment at St. Joseph's Cemetery. The bowlers and the council at large attended the wake Thursday and Friday nights. "Requiescat in Pace."

AROUND AND ABOUT

The largest assembly of Shermanites and friends attending a party in honor of Father Mike Sesterhenn was seen last Saturday evening at Old Holy Trinity Parish, Taylor and Wolcott. A sumptuous repast included sauerkraut, pork shanks, pork and spareribs, mashed potatoes and gravy, liquid refreshments topped off with cake and coffee. They enjoyed themselves with cards, bowling, etc., in the Holy Name clubrooms.

MEMBERSHIP DRIVE: Nothing new to report. Bro. Matt Ellgass would like to hear from some of you fellows in this respect.

4th Degree News: Nothing to report except Dec. 13th. Watch for this date. By the time you read this Past Grand Knights' night will be over and it's time to prepare for the next meeting on Oct. 21st, which will be

BOWLERS' STUFF

No report from the secretary as to standings and averages, but Pressy Matt Ellgass reports that the shirts will be ready for bowling Thursday night and boy are they shirts. You won't have to look for Sherman bowlers now. Georgie Kohl, Willie Meyer, Tom Kiegher, Lefty Selsky and Izzy were visitors at the alleys. This guy Fetz is still a power house, nice picking Bert Welker. Some scores were bowled last Thursday. Lindy 357, Carl 358 and the guy with the new ball, Bert 418. Hear that Bill Free gave up using the green plow ball.

Sorry to hear that Moe Friedman was ill and John Zoltek was hunting in North Dakota. That's probably the reason Royal Blue Store lost three games to Roche Ellgass. Tough luck fellows. The boys are talking about a fat man's team to bowl in tournaments. Looks like we can get two teams. Anybody got any dope. Send it to me at Keeler and Cortland, Spa. 9497, Frank J. Mootz.

St. Cyr Hopes to Set Record for Tomorrow's Party

1-3 Mon. . . . . 1609 N. Halsted St.

Brother Frank Lopes, chairman, in connection with his committee composed of Marco DeStefano, Anthony Brancato, Sam Russo, Lawrence LaRocco, Sam Nicosia, Joe Lucania, James Wing, and Tom Apicella, states that ticket sales are coming along splendidly, and he hopes for an all time record.

Room 785 is being reserved especially for St. Cyr members, all expenses being shared equally. Proceeds of the party will be used to outfit the Wabash Avenue Center for Soldiers, Sailors and Marines and will go a long way in making some homesick boy happy. Tickets are selling for $1..00.

Four Sons See Dad Honored

2-4 Tues. . . . . Hamlin and Madison

Pictured above is the Clan Becker of Feehan Council which turned out in full force on the occasion of the presentation to Clan Leader Herman Becker, Sr., of the degree of Honorary Member of the Order. It was only by dint of very special effort that all of the boys were able to attend this affair, since three of them are located out of the city. All four sons received their degrees in Feehan Council; two (Paul of Dayton, Ohio, and George) are still active members of the council, while Herman, Jr., and John, have transferred to Pere Marquette Council of Milwaukee, in which city they now reside.

As you can well imagine, it was a happy evening for Herman, Sr., honored by his council and surrounded by his sons, each of whom favored the gathering with a few well chosen words of respect and praise for his dad. It was a very inspiring spectacle and one long to be cherished in the memory of those present. Such families as this form the keystone of Catholic society in America, and of them Feehan Council is justly proud.

CONGRATULATIONS

To P.G.K. Harold Crotty, whose constant devotion to, and hard labors in the interests of the Knights of Columbus, have been rewarded by his being named a District Deputy of the Order. Feehan Council will undoubtedly pay him the honor due this appointment at a subsequent meeting.

CHARITY BALL

Last call for tickets to the Chicago Chapter's Ball at the Palmer House Saturday night, Oct. 11. If you haven't secured your tickets yet your G.K. has an ample supply. You can reach him at Merrimac 5158, or you can pay at the door. The price of the tickets is $1.00 per person. There will be dancing and games and a good time is guaranteed.

The receipts, as all should know ere this, are to be devoted to furnishing the Service Men's Center at 1122 So. Wabash Ave. Winners of the tickets purchased by the council and given away were the following: Jay Gleason, Joe Tunney, Art Murray, Bob Wingfield, Tom Collins, Sr., Art McQuillan, Dave Ryan, John Long, Bob Gill, James Collins, Sr., Bill Barrett, Pete Cantalupe and Harry Barrett.

MEMBERSHIP

The membership committee is really in there pitching now, and the time has arrived for the rest of the council to get into the game. Captains have been appointed and supplied with literature which they are to distribute to their team members. The members are in turn expected to see personally and talk to, all their eligible friends and acquaintances, and to supply them with these leaflets which present the outstanding benefits to be derived from membership in the order.

Genoa Begins Work on 5-Point Drive

1-3 Monday...7439 Cottage Grove Ave.

Genoa Council under the leadership of G. K. Robert Stadler has commenced the five point program as sponsored by the Supreme Council of the Knights of Columbus. Action along this line will begin immediately and action is expected of all the chairmen appointed. P. G. K. Frank McGillen has been appointed as chairman of the Catholic Action Group. D. G. K. William Hanney will head the Insurance Committee, Bro. Wm. Morrissey will head the Publicity, and P. G. K. James F. Riley is head of the Membership Committee with Bro. William Santina leading the Lapsation Committee. It is expected that all five of these committees will cooperate with one another and great things are bound to be accomplished for both the Council and the Knights of Columbus in general.

OCTOBER 12TH

Thirty years ago October 12th Genoa Council was founded. This will be its anniversary and in conjunction with its celebration Lecturer James F. Hynan has arranged to have an athletic program for the next meeting at which time a celebration fitting for the occasion will be had. The night will be October 20th. Think about this now and plan to be present at the meeting and bring with you some young men that you think will be interested in joining hands with Genoa members and aiding the cause of Catholicity. Your help will be greatly appreciated by the officers of the Council and especially by the membership chairman.

De Soto to Enjoy Harvest Party at Tonight's Meeting

2-4 Friday.....Clark and Belmont

If all plans materialize we may expect to find ourselves in an "Indian Summer" setting as we enter the Council chambers this evening. The transformation will be so complete (we hope), that we will imagine ourselves seated in a corn field dotted with pumpkins and squash. This setting will be the scene of Lecturer Irv Schultz's Harvest Party.

If advance notices ring true, we should be in for a swell evening of entertainment. The serving of refreshments will depend upon whether Farmer Jones' cider press has been in working order this past week. There will be prizes for the members in addition to the prize to be presented to the winner of the World Series contest.

ACTIVITIES

Tomorrow evening all Knights of Columbus and their friends will wend their way to the gay Chicago Chapter Columbus Day Charity Ball at the Palmer House. Warden Joe Cella and his ticket committee will have a sufficient number of the pasteboards on hand at $1.00 per copy to satisfy the needs of our Council. In the event you have not as yet purchased your ticket you will find Bro. Joe Cella ready and willing to serve you at this evening's writing.

MAYSLAKE RETREAT—On next Friday evening, Oct. 17, Bro. Joe Merki, chairman of the Retreat Committee, will lead De Soto's Retreat Class on its annual trek to Mayslake. Many members of the Council have made the Retreat annually for years. This year several members have signified their intention of making their first visit to the "Spiritual Country Club" and Bro. Merki reports that their are ample accommodations for many more. Call Joe Merki at Wabash 0460 and he will be happy to arrange accommodations for you.

CHANCELLOR C. J. Strehlow, chairman of the Membership Committee, has started something new in De Soto with the organization of the Century Club. The first 111 members who have a candidate initiated or a former Knight reinstated will constitute this unique group. The brother turning in the best performance in the membership campaign will be president, second best performer, vice president, and so on. Already eligible are Bros. Joseph Sarcone, E. B. Scanlan, Richard Smith, William Sheehan, Ray Horn, Carl Stoegbauer, E. J. Cremerius, Dr. H. R. Casalary, Frank Huster, Thomas Diver, V. L. Braband, Irwin Schultz, H. A. Hageman, Joe Cella, Matt Johannes, Roy Kern, J. M. Atlenhofen, James J. O'Toole, William Jackson, Francis Garrity and Walter Piper.

DESPITE the rain and inclement weather a sizable gathering of De Sotoans turned out at Northcenter Hall on Thursday evening, Oct. 2, to be entertained by De Soto's male chorus. The chorus under the direction of Bro. Bud Hugelet rendered several fine selections that were very well received by the attentive audience. Pres. Frank Kennedy supplemented the entertainment with the serving of refreshments and lunch which was followed by dancing.

MEMBER ITEMS

Phil Ofenloch, Jr., son of Bro. Phil, Sr., was inducted into Uncle Sam's Army at Fort Sheridan this afternoon. It now looks as though Phil, Sr., can deliver those papers himself, and thereby eliminate the necessity of going on that new V-diet.

On Monday evening, Oct. 6, G. K. Gene Scanlan attended the exemplification of the First and Second Degrees at St. Cyr Council, and assisted in inducting James J. Toohey, a new De Soto member, into the Order. Bro. Toohey was unable to wait for De Soto's degrees on Oct. 24, since by that time he will have become a member of the U. S. Army. Welcome to De Soto, Bo. Toohey, and good luck in you new ventue.

Have you written a letter to De Soto's soldiers, Bros. Hogan and Seiffert? Well, here's another on our list —Bro. John Gleason, U. S. Local Defense Force, 10th Naval Dist. Headquarters, San Juan, Puerto Rico. Postage to Puerto Rico is the same as in the U. S.—3 cents.

Received a note from De Soto Council Ladies of Isabella inviting the Knights and their families to their annual Penny Carnival to be held on the afternoon and evening of Sunday, Oct. 12, at the Gross Park Hall, 2125 Roscoe St. Proceeds of the Carnival will be used to defray the expense of the Christmas Cheer parties at Angel Guardian Orphanges and the Old Folks Home at Oak Forest.

CONGRATULATIONS

The stork has certainly made numerous visits to De Soto members in the past several weeks. Bro. Jack Olinger and wife Betty are giving Eddy Cantor a little competition, their fourth daughter having made her arrival last Tuesday morning, Oct. 7.

Bro. Robert McCormick is quite a proud fellow these days, and he has a right to be, for on Sept. 27 the Mrs. presented him with an 11-pound five-ounce baby boy born at the Oak Park Hospital. Bro. McCormick can pass out the cigars at the meeting this evening.

Just received word that Bro. Nick Frecko and wife Lillian became the proud parents of a baby girl born last week. We do not have complete information at this writing due to the fact that the news was brought to us via the classroom at St. Hilary's grammar school.

We have a belated report of a new addition to the Bob Netzel household. It seems the scribe receives these reports after they cease to be news. With 1,200 members in De Soto we could use assistance. Send the news while it is hot to Norm Mertes, 2400-33 N. LaSalle St. Thank you.

Blue Island to Hold Annual Fall Dance at St. Benedict's Oct. 18

1-3 Tues. . . . . Gregory and New St.

The council's Fall Dance is to be held at St. Benedict's Hall on Saturday, Oct. 18. The evening promises to be one of our "stand-out" nights and the entire council should make an effort to attend. The damage is $1.50 per couple and Freddie Hankel's Orchestra will supply the music. We will be looking for you and you and you! If you need more tickets you can obtain them by calling Lecturer Justin Boyd or any officer.

ARE YOU planning to attend the Retreat at Mayslake? Lowell Frasor, chairman of the Retreat Movement in our council, would like to have the names of those going so proper arrangements can be made. The date of the Retreat is set for October 24. More details in next issue.

DON'T PUT that notice you received from Fin. Sec'y Paetsch away where you can't find it. Keep it handy so you will remember to pay your dues and assessments. Along this same line it is your responsibility to attend the meetings of your council and take an active part in the proceedings. Be an active member and help the officers further the good work of our Order.

BLUE ISLIGHTS

The wandering reporter of Blue Island Council has been quite active this week and the following info is the result. The congratulations of the members of Council No. 1366 go to Advocate Judge Seyfarth and Andy Phillips, Jr. Both lads are fathers of boys born last week-end at St. Francis. Mothers and babes are doing nicely.

The pep and enthusiasm displayed on the bowling alleys makes for a very interesting year. Bro. Dalton showed up last week and reports all's well in Wisconsin. (The Ed. will be glad to hear this.) Hello to Bro. Simkins in Manitowoc. How's things?

To the Fourth Degree Club of Englewood we say, "Thanks, fellows!" That is a fine spirit of "good neighbors" and we will be seeing you at our Fall Dance. Has anyone seen D. D. Hilgendorf lately?

Get that new application in so we will be able to have a class for our new drives. The sick of our council are getting along nicely and to date no new names have been added. (None reported to this department.) Bro. Rack still is at Hines. Doing nicely and would appreciate a visit, note or card. Bro. Bill July is home. Bro. Dohrman, D. G. K., is up and around after a spell at home.

Did you know Bro. Geo. Karg is a granddad? Yes, sir, way down in Texas or is it Arizona? Again we urge all to be active members, pay your dues and attend the meetings. That's all!

The large hotels of New York City, in cashing millions of dollars worth of checks annually for guests and patrons, average a loss of only $1 out of every $2,600.

Ketteler's Ladies' Program on Monday Full of Highlights

2-4 Mon. . . . . 3437 Ogden Ave.

On next Monday, Oct. 13, the council will sponsor its annual Ladies' Night, beginning promptly at 8 o'clock. Everything is free and no admission ticket of any sort is necessary. G. K. Edward A. Oakes and Lecturer Thomas Bogan have arranged an extensive program for the enjoyment of the ladies. Cards will be played and table prizes offered. Refreshments and entertainment are also scheduled.

Movies taken at the last picnic will be shown and another set of pictures of Europe before the war, taken by Anthony J. Feltych, will be shown also. Mr. Feltych was stranded in Europe at the outbreak of the present hostilities and we are very fortunate to obtain his pictures of those days. Our Worthy Advocate, Bro. Alex Olszewski, deserves our gratitude for obtaining these pictures and it is certain that we will enjoy them immensely.

The biggest council affair of the year will be held at Sokol-Chicago Hall, 24th and Kedzie Ave., on Saturday, Oct. 18. Augie Schaid's orchestra, one of the most popular orchestras of this area, has been engaged for the evening. There will be an additional orchestra in the rathskellar for the dancers who wish a pause that refreshes.

KETTELER ITEMS

At the meeting of the Membership Committee held last Monday, P. G. K. Barney Czerwinski outlined a very thorough plan for a concentrated drive. Members present enthusiastically endorsed our Membership Committee chairman's proposals and promised him full support. Certain preliminary work is still required before the plan is put into operation, but it is not too soon for us to start our drive to get our candidates lined up.

Members of our council will be pleased to hear that D. D. John F. McNamara, who served our council so well in the past year, has been reappointed. We offer our congratulations.

Martin Senica, a member of this council for many years, passed away suddenly last week. G. K. Edward A. Oakes led a delegation of brothers to his home, where prayers were offered. May his soul rest in peace.

Our condolences are also extended to Brother Walter Hycmar, whose mother was called to her eternal reward last week. Eternal rest be unto her.

Brother Edward Plewa is a very happy man these days—and for a reason. He is now the proud father of a baby girl. Mrs. and Miss Plewa are doing nicely. Best wishes! Did you order Miss Plewa's bowling ball yet, Ed?

P. G. K. Sam White missed a Membership Committee meeting last Monday. Whenever Sam misses a meeting, that is news, for Sam is one of the hardest workers in the council. However, he had a good reason—he was celebrating his birthday. May you have many more, Sam.

The LGA Club will have its installation of officers on Oct. 20. It is hoped that all Fourth Degree members will be present. Incidentally, President-elect Thomas Bogan will take any offering that any member planning to take the Fourth Degree next March may feel like setting aside now.

A good representation of brothers and guests attended the golf tournament last Sunday. The weather man cooperated nicely and the day was almost perfect. Everyone present enjoyed himself immensely. If you weren't there you missed something, and don't make the same mistake next year.

BOLD KNIGHT

days of old when knights were o." Aw, fooey to the days of old; e got a knight in our own council was bold enough to burst forth and say what was on the minds of many of our brothers. Our student, Bro. Mojcik, says, "Because of lengthy meetings less members attend each week. About 25 per cent of the members don't know that a membership drive is on."

He goes on to say that shortening of meetings will bring back some of the old members so that they in turn will know what's going on and possibly could be inspired to get another 25 members into Weber Council. Nice going, Bro. Wojcik; if more of us would speak our minds we could make Weber Council the biggest and best in existence.

Attendance winner of $3.00 was Bro. Henry Kendzior. Private Bro. Podgorski is to be married on Saturday. Wish I could tell you where.

C. A. Chairman John Trzos made a plea for old clothes to be sent to St. Mitchell's Indian school mission in North Dakota. If you can supply Bro. John, please get in touch with him.

Our annual dance chairman, Anton Kraft, notifies me that the dance will be held at Stefanik's Hall, the music to be supplied by George Foster.

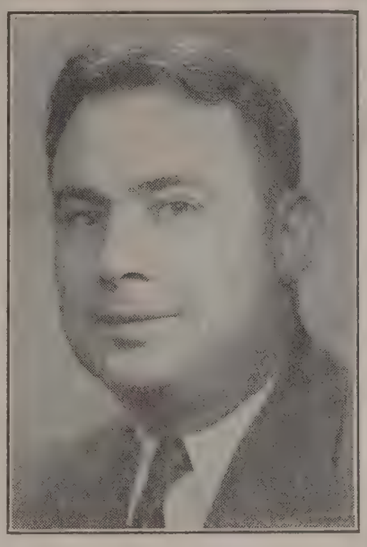
Dowling Lecturer



EARL S. DUNNE

Plans Old Timers' and Homecoming Night for Members at Next Tuesday's Meeting

2-4 Tues. . . . . 3625 S. Hoyne Ave.

On next Tuesday evening, Oct. 14, at our regular meeting hall, St. Maurice's, 3625 S. Hoyne avenue, our new lecturer, P. G. K. Earl S. Dunne, is putting on his first big meeting since taking the office as lecturer.

This is one of the most important nights on his calendar and it is his desire to have all our old-timers join in the festivities of the evening. You no doubt have a recollection of the style and type of programs that he put on in previous years and I can assure you he will try to surpass his past by giving you plenty of entertainment and refreshments.

Your Grand Knight and officers are making a special appeal to you to try and attend this meeting and show our lecturer that we appreciate his hard work.

P. G. K. Earl Dunne, our new lecturer, is sacrificing plenty by accepting this office and hopes for the support of every member and I can assure you if he is shown that his efforts are not in vain we will have one of the best and livest councils in the order.

Our lecturer was honored by being appointed by our worthy State Deputy as a member of the State Athletic Commission. He is also a governing member of the Chicago Chapter. We feel very proud that P. G. K. Dunne has achieved success and hope that he continues to rise in knighthood.

CHARITY BALL

Tomorrow evening, Saturday, Oct. 11, the Chicago Chapter is holding its Charity Ball at the Palmer House. The proceeds of this affair are to be used by the National Catholic Community Service to equip the Service Club at 1122 S. Wabash avenue. I have been trying to reach each of you to impress the importance of your co-operation in behalf of your council and above all the boys in service. The admission to the ball is only one dollar per person. As your chairman of the U. S. O. in our council, I am anxious to have our council reach its quota and would personally appreciate your support. If you did not receive tickets I will gladly mail them to you special if you phone me at Rep. 1137. If you have tickets I must have returns at once, as tickets must be remitted for before entry to the ball.

MEMBERSHIP

Our membership drive is in full swing and Chairman Tom Gallagher is depending on your help to put us over the top. If you have a prospect, give him an application and get him in our next class. Remember our slogan, every member get a member.

IN THE FUTURE if you know of a brother that is sick, your chairman of sick committee, D. G. K. John Deschner, would appreciate a call from you. His phone number is Beverly 1499.

Bro. Chester Kush of 3511 S. Francisco avenue was united in matrimony with Miss Peschion on last Saturday at St. Maurice's Church. We congratulate this couple and wish them many years of happy wedded life.

Our lecturer, P. G. K. Earl Dunne, went to New York to take in the world series.

PIN TUMBLERS

The boys of the bowling league are really going to town now as the scores will show. All the leaders were taken for a one-way ride; the 600 series are coming along so fast that pretty soon we will be ashamed to show our 500 series. Ed. Blythe rolled a 610 series and Art Christin a 609 series and right close behind their heels was Harry Lepenske with a 572.

Our orchestra leader, Loren Cody, was forced to quit bowling due to his business obligations, as he has to play on Tuesdays and Thursdays. We are sorry to lose him but we are happy to have Dr. Brosnan, a popular physician, take up where he left off. We are very fortunate as we have two doctors to bring down the blood pressure when our ribbing section gets going. It has been very quiet but watch for the storm.

Harry Lorden said if Geo. Mulholland and Geo. Spencer don't take the water out of their new bowling balls he will bring along a drill and tap it, as they surely rolled some swell games.

Our cheering section is improving as we had plenty of the fair sex present. Mrs. Brosnan, who helped the doctor by her rooting, was on hand, also the regular rooters, Mrs. Skillen, Mrs. R. Snyder, wife of John, but she did not help John as he dropped from previous week. Geo. Spencer's daughter, Dorothy, was also present and the O'Rourkes had a reserved section of six seats. If they cant' outnumber the Connellys in bowlers they can in rooters. Fred Ehrl had his heart throb present, Miss Grace Phillips.

The following are last week's results: Cong. Beams took three from Dr. Laibes. Sen. Gormleys took three from Dr. Michels. Zintaks took three from Dunne Tires. Hartnett's took two from Dalages.

Two hundred games bracket: Blythe 230. A. Christin, 202, 203, 204. Lepenske 233. L. Fortier 221. W. Lorden 200.

FR. O'CONNOR HONORS LADIES OCTOBER 16

1-3 Thurs. . . . 4660 N. Kedzie Ave.

The new streamlined 1942 model Fr. O'Connor Council is honoring the ladies on the night of Oct. 16 with a big free dance, cards, gifts, entertainment and refreshments.

Brother, if you don't take your wife, mother, sister, or girl friend to this affair, she will certainly put you in the doghouse because when she hears how the others enjoyed themselves, she is going to be terribly angry with you. So give the little lady a break and plan now to come.

ANOTHER SUCCESS STORY

As we predicted, Fr. O'Connor Old Timers' Night was a success. Despite the rain, nearly one hundred members attended. Here are just a few of the friends you missed if you did not attend: John Colleran, 81 years young, awarded the prize as the oldest member present; Mike McQuire, Tom Connor, Mark Barnes, Bill Kurth, Frank Guihan, Jim Kennedy, the ever present Marty Hough, P. K. G.; Tom Mahoney, Jim Powers, Mike McGill, Ed Gmalich, Ed Heckinger, a member of the K. of C. since June 5, 1904; Ed Burke, P. K. G.; Jules Lambeau, Walter Metz, William Cook, Pete Garrity, Geo. Ganwa, Gus (Ribber) Smith and a host of others.

The meeting was really a stupendous success from the start to finish. It was colorful, interesting, entertaining and everyone had a wonderful time. Talks by P. K. G. Ed Burke and Fr. Rausch, our chaplain, were very inspiring. After the meeting all of the boys partook of the most delicious corn beef and cabbage supper they ever had, with all the trimmings and drinks. Incidentally, this corn beef and cabbage was prepared by Bro. Ed Drosky.

ENTERTAINMENT? We had plenty and the boys really liked it, too. The accordion player, who could do anything, acted as emcee. Ray Bodkin tapped until the soles of his shoes were smoking. Gus Smith, accompanied by Jim O'Brien at the piano, and Joe O'Brien, accompanied by Harry Brown, rendered several songs in their own inimitable way. Charlie Snorek, a former boxing champion, came through with several good jokes. Incidentally, Charlie is grandpa to a three month old granddaughter, Juanita Margaret.

The "information desk" at the hotel will supply the room number. The Ball is to be held at the Palmer House where two of the largest ballrooms have been reserved. Dancing and cards, along with popular games, will be offered for your enjoyment.

For last minute arrangements please phone Bernard Thompson at his store, Vin. 5469, or his home, Stew. 3103. It's not too late to make up a party for this big affair, the proceeds of which will be used to furnish the Service Men's Recreational Center at 1122 S. Wabash Ave.

LADIES' NIGHT

On Oct. 23, our regular meet night, we will hold an old. hard time Harvest Party. Refreshments, food and prizes will be offered to our members and guests. And of course, this is a COSTUME PARTY. So that all may enjoy themselves, a 25c penalty will be placed on those not in costume and the sum total of the penalties will be paid to those in the most unusual outfits. Anything will do. Dig up your old clothes or swap clothes with someone else. Just come—with your ladies—who are also expected to be in costume.

Several of our members have inquired about P.G.K. John Donahue, one of the most outstanding knights in our council who formerly held our members spellbound with his eloquent speaking voice and unlimited knowledge on countless topics. To those interested friends of John's, may we say that he has moved to far northwest side, although definitely remaining a member of Loyola-Hyde Park. He attended a meeting recently and explained that the great distance along with a recent illness, had made his visits so scarce. He is feeling fine now, and we hope that we will soon have the pleasure of seeing him.

Hughes Shows Much Progress in Member Drive

-3 Tues. . . . 4711 W. Madison St.

Hughes Council is off to a flying start n the newly initiated membership campaign. Under the energetic leadership of Chairman William Kane, the membership committee has been hard at work and the exemplification of degrees at the last meeting, Tuesday, Oct. in the Madison Athletic Club, indicated the success of the efforts made hus far.

State Deputy Leo M. Flynn stressed t a recent meeting of the G. K.'s, that ight now there should be a resurgance f membership in the K. of C. units. Everything is favorable; economically, he modest initiation fee and the relaively low dues are certainly no hardhip on prospects. The gains are manfold, especially for those who take adantage of the insurance features.

As was said at the outset, however, hairman Bill Kane and his committee ut over a representative class for last uesday's initiation, and the exemplication was carried through impresively. A cordial welcome is extended o this new class of brother knights nd the hope is expressed that each will ake an active interest in the affairs of lughes Council.

COUNCIL NEWS

G. K. George N. Daly made a trip to ilwaukee last week to attend the olden wedding anniversary of his rand aunt, and he was involved in a ishap that caused some bruises, but eorge is too tough to be long laid up ith any ordinary ailments.

With Chick O'Malley, George Burke and Tom Dailey working on John Meehan, looks like that former bowling star of Hughes' league will be back in harness shortly. John is a gendarme, out of Fillmore, we believe. It is hoped he'll be back bowling this Friday.

How about a retreat for Hughes Council members? Chairman Tom Dailey wants an expression from you and you and you. Tell him what you think of the idea, and when it would be most convenient to have the retreat.

BOWLING NOTES

Hughes Council's Major team dropped two games to Phil Sheridan last Friday, but not without the bitterest kind of a battle. Phil Sheridan accounted for the opener by a comfortable margin, only to have Hughes' kegelers roar back in the middle game to pile up a margin of 201 pins, totaling 1,024, led by Elmer O'Brien with 236 and Garant 235, Slanina 207.

The third contest was a honey; Phil Sheridan jumped into an early lead, which Hughes overcame to go out in front, only to enter the final frame deadlocked. Slanina, Garant and O'Brien all marked and then threw in strikes, and Frank Kaminski, who had been No. 1 man in Hughes' assault with four consecutive strikes mid way in the game, scored what looked like a perfect hit, only to be tapped, and this cost the game with Sheridan having the microscopic margin of two pins. Al Kowalski, at anchor, was not up to his 277 form, but rolled creditably. As you know, the Majors bowl every Friday night, 8:30 p. m., at the Cascade, 3825 Madison street.

THE COUNCIL LEAGUE of ten teams has settled down to a season of hot competition. Lauterbach Coals, defending a title won last spring, have full strength on the roster and hope to repeat. Elmo Ward Golds, perennial champs until two years ago, finishing in second place the last two seasons, have the same formidable squad that made such a stout challenge last year, and with Elmo Ward himself setting the pace with a game of over 250 on opening night, the Golds may be expected to give a mighty good account of themselves.

Here is the league lineup of teams: Lauterbach Coals, sponsored by Erv Lauterbach. Ward Builder Golds and Ward Builder Blues, both teams sponsored by Athletic Director Elmo L. Ward. Votava Auto-Fixers, sponsored by Charlie and Joe Votava. John H. McKeown Cartage, carrying the banner of our beloved D. D. himself. The Benes Boosters, sponsored by Bro. Bill Benes' dad. Malone & Clancy Undertakers, sponsored by brother knights of the same name. Toomey's Taverneers, 1939-40 champions, sponsored by Tim Toomey. Peter M. Kelly Undertakers, sponsored by Mrs. Peter M. Kelly, with both Peter, Jr., and John Kelly on the team. Alderman Richard M. Walsh 36th Ward Boosters.

Each of the squads boasts of six-man personnel and when space permits we'll give you the lineup of each team. The league is a handicap affair and when the handicaps have been computed—they will be made retroactive—League Secretary Harold Enright will present team standings. The Council Bowling League rolls every Friday night, 7 p. m., at the Cascade, 3825 Madison street. You can come early, watch the Council Leaguers, then go upstairs to see the Majors bowl.

St. Joseph to Mark Columbus Day with Dance Program Sat.

-3 Thurs. . . . . 57th St. and Archer

We did see one or two more faces at he meeting of last Thursday, but regret hat there was not a larger number present. We had the pleasure of hearing Bro. Cushing, field agent for the Supreme Council, who gave a brief but interesting alk.

Reports were made by Bro. Flaherty n the condition of Bro. Ben De Paola, or whose recovery your prayers still re requested. Your correspondent also eported on Bro. Bob Gentili and we are lad to say, after visiting Bro. Bob, that e is progressing well, but must remain ome about four more weeks.

Bro. Flaherty reported on progress of rrangements for the dance and asked or additional help. The dance is just ne day away. It's tomorrow, Saturday, Oct. 11. You cannot be urged any more fter you read these notes, so please nake it your business to do all you can etween now and tomorrow night. You ould not go anywhere and obtain the ame entertainment for the low price hat your council is offering.

You have something never before ofered and for the good of your council ou should be there tomorrow night. Can ve count on you? There is an old saying, "All roads lead to Rome." Let's nake a saying of our own for tomorrow, "All roads lead to St. Joseph's Council Dance at St. Blase Hall."

Bro. Tomlonovich addressed the council on the bowling activity and he feels hat if enough interest is shown, arangements can be made to have the ame enjoyable Sunday afternoons as were ad last fall and winter. He is also planning on a "pinochle tournament" and sks that everyone interested send in is name or come up to a meeting and ive it. Next meeting is Thursday, Oct. 6. Make an effort to be present.

St. Augustine Expects Large Council Group at Charity Ball Sat.

1-3 Mon. . . . . 5209 S. Justine St.

Well here we are again with the necessity of writing a column and nothing much to write about. While we're listening to those Beloved Bums from Flatbush battle the Yanks, we're hoping that someone calls and gives us a news item or two. Being that the Bums are the under-dog, we're plugging for them. Seems to be sort of a habit with us to ride along with the guy on the short end, except in the case of the City Series where the Cubs, no matter what kind of a team they have, always rate the under-dog when they face the Sox. Maybe we're sticking our chin out and letting ourselves wide open for a lot of ribbing if "dem Bums don't moider dos Yanks" and the Cubs by some miracle beat the Sox, but we'll take our chances and hope for a 50-50 spiit anyway.

Oct. 11th. Yes sir, it's here. The date of the Charity Ball at the Palmer House. Have you made arrangements to attend this affair? If you haven't, blame yourself. This Ball is one you can't afford to miss. Dancing and entertainment for the price of $1.00 per person. Will be looking for you at the Palmer House Saturday night.

TEN PIN TAPS

The Schaefer Barbers apparently grabbed a strangle hold on first place when they trimmed the Heinen Morticians three times last week. Charlie Subr with 225—570 led the Barbers. Nic Schaefer incidentally with his 375 series had to put a week's salary in the kitty.

Puetz Markets came from behind to take two from the Ted Kloeckner Florals. Bill Sutterlin again was high for the Butchers while Tony Follman got most of the wood for the Florals.

Bonthron Service won the odd game from Mack Bros., when Chris Thelen threw a 223 game. Steve Sefcik's 209 game kept the Macks from getting the collar.

The Johnnie McCabes finally came to life and took three from the Dutchmans Tavern. Dan Burke with 218—550 and John Putz with 520 led the McCabes. Leitzen with 544 was high for the losers.

After bowling, most of the fellows went up to St. Basil's Carnival to visit John Ossowski who had charge of the bar and refreshments.

We met Doc Kuchler at the Club House the other night and he advised that he has a complete report on the Retreat Dance recently held at Ryan's Woods. The receipts were swelled by a $25 donation from the employer of P.G.K. Mike Heinen. Joe Tattera also helped along by donating the 500 admission tickets.

FOR THE CONVENIENCE of our members and their guests who attend the Chapter Ball tomorrow evening, the council has reserved Room 784 where we can all meet between dances and partake of refreshments. Party tickets may also be purchased at the room.

Illinois Learns of Donor Organization from State Chairman

1-3 Mon. . . . . 64 E. Lake St.

The next meeting of the Council will be Monday, October 20.

The last meeting, held last Monday, was a business one. We were glad to note the presence of Robert DuMais, Secretary of the Chicago Chapter and Chairman of the Blood Donors group who gave a talk on the necessity for blood donors. Also present was our District Deputy Arthur Donoghue. He spoke on the necessity of supporting the charity ball and things pertaining to the welfare of the Order in general.

Illinois Council membership made a fine showing at the Church of Notre Dame and partook, among other things, of a fine chicken dinner. Forty-six members and friends in all were there between the hours of 12 and 8 p. m. Our Chaplain, Father Belanger, must feel pretty well satisfied judging from the splendid turnout of friends and old parishioners who attended the annual home coming festivities. Very fine spirit, gentlemen.

Saturday evening, October 11, at the Palmer House our own charity ball will be staged and all for the price of $1.00 per person. For tickets, call Secretary Ericksen, Buckingham 4966. Our Council has also made its quota of patrons—for which four more stars.

PUBLIC FORUM?

Casually speaking with some of our members about our little discourses in this column from time to time, the thought was advanced by one that a public forum could very well be instituted by The Columbian, wherein everyone could have his say. We are not so terribly sure about that although we agree that it has merit.

If acrimony could be eliminated all would be well. It would require careful editing on the part of our good editor.

A year ago we instituted the idea of asking the Past Grand Knights to edit our column of The Columbian by having each one write an article in succeeding weeks. It was agreed that these articles were, on the whole, very well received but we noted a tendency to please rather than instruct or advance some new thought.

We believe, to encourage a healthy growth in the Order of the Knights of Columbus the membership should be alive to its responsibilities and the primary responsibility is to guide the organization through pitfalls which are ever present hazards along the pathway of fraternalism. A healthy and charitable opinion given through The Columbian columns would undoubtedly help towards avoiding the shoals of difficulties met with whenever men are organized in bodies. Our suggestion is for some method of public expression through our columns which would be impersonal but carry a direct bearing for the welfare of the Order. Of course these written articles would deal with the problems in general and prove helpful for council officers, instructive and enlightening for the whole membership.

BOWLING

Looking for something to do on Tuesday evening? Have you heard about Santa Maria Council bowling league? Well, your problem is solved. The bowling committee is all set to offer you a Tuesday evening each week filled chuck full of fun, fraternalism and frolic. The league plays each Tuesday starting at 9:00 o'clock at the Cheltenham bowling alleys. A good sized crowd has signed up already but there is still room for many more. Team sponsors and players are wanted.

NOTE

Attorney Vincent Kraus, our indefatigable representative at the Selective Service induction and president of the South Chicago Bar Association, is attending the meeting of the Kankakee Bar Association, which is a unit of the Federation of Local Bar Associations in the State of Illinois.

P. G. K. Gordon Nash, Bros. Martin Holleran, Tom Nash and John Nash sat out in the rain all day to watch the Notre Dame-Indiana game last Saturday. We didn't envy them. We are a fair weather fan ourselves.

Keep in mind the Ladies' Nite and Thanksgiving party at the South Chicago Masonic Temple in November. Plans are growing apace.

CHICAGO MAKES LAST CALL ON CHAPTER BALL

2-4 Tues. . . . . 64 E. Lake St.

This Saturday evening, Oct. 11, at the Palmer House, Chicago Chapter's great Charity Ball, from which it is hoped to gather sufficient money to pay off the expense of outfitting the Service Men's Catholic Recreation Center at 1122 South Wabash Avenue.

In case you have not already procured your tickets from Chairman Richard C. Murphy (Room 1418 at 39 South La Salle) you are reminded that you still can attend, purchasing your tickets at the door, but as a courtesy to your council have them record your purchase as for a Chicago Council member.

NEXT MEETING

Chicago Council No. 182 meets at the De Paul University Building, 64 East Lake Street (7th floor), on Tuesday evening, Oct. 14. Of special interest will be a discourse by G. K. John Hesse of Marquette Council, who, as president of the Mayslake Retreat League, will talk on the week-end retreats at Mayslake.

Brother Hesse's discourse could hardly be called an exhortation. There are many phases of the week-end retreats that might be new to even those who make frequent pilgrimages to this beautiful retreat-house, as Howard Curtin and Joe Schmitz and others will agree.

IN MEMORIAM

It is our sad duty to announce the death of Brother Anton Bunda, who, sponsored by our former Warden, John M. Powers, joined Chicago Council during the winter of 1919.

Brother Bunda, on account of his duties as a trainman on the Rapid Transit system, was not a frequent attendant at our meetings during the past few years and our newer members were not acquainted with this upstanding Catholic gentleman, who was the father of two fine sons.

A fall on a stairway two weeks ago caused a leg fracture from which complications set in which brought about his death.

Despite the heavy rains of last Monday, a number of Chicago Council members, led by G. K. Henry J. Lynch and D. G. K. William Brogan, visited the home of Brother Bunda at 2659 Cullerton Avenue, to convey the message of sympathy to the bereaved widow and her two sons. The funeral was held on Tuesday morning, Oct. 7, with Requiem High Mass at St. Ludmilla Church and interment at St. Adalbert's Cemetery. May his soul rest in peace.

BOWLING

Last week our bowlers took two out of three from Hennepin-Shields, and this, mind you, with our star, Jim Minnick, away. Jim's been out of town for two weeks now and the team misses him. The score-book shows Carroll with 596, while Parenti checked in at 583, and J. Leo Franz with 564.

In the rooting section we noted P. G. K. Vincent Vallee with Mrs. Vallee, Mr. and Mrs. Jack Caponi, and Mrs. J. Leo Franz. The team members expect to blossom forth in their beautiful new bowling shirts this week and if you're the least bit interested you might go and have a look at them at the Cascade Bowling Center, Madison Street just west of Hamlin Avenue.

SICK LIST

Our Financial Secretary, P. G. K. Nicholas J. Reuland, has been spending the past two weeks at Oak Park Hospital, taking a much needed rest and undergoing a thorough examination. He does not expect to leave the hospital before Sunday and is permitted visitors. The hospital is on Wisconsin Avenue at Madison Street.

It might not be out of the way to remark at this time that very few councils in our Order are as fortunately fixed as is Chicago Council in the matter of the Financial Secretary. Nick Reuland, in his real estate and insurance office out at 5345 West Madison Street, is about the most accessible member of Chicago Council, and in addition to his well kept set of books, he set up a most unusual file on membership statistics which is probably the only one of its kind and of considerable value if we ever get around to revising our council history. Except for our Order's special agents, we doubt if any officer or member is as well informed on matters of insurance as Brother Reuland.

Therefore, we are wishing Nick an early return home—for the good of himself, his family, and for the good of the Order.

Phil Sheridan Making Final Plans for Its Annual Party Oct. 18

1-3 Thurs. . . . 446 N. Parkside Ave.

The members of Phil Sheridan will hold their annual fall dance and cabaret party at Parkside Hall, 446 N. Parkside avenue, on Saturday, Oct. 18. All members of the council are urged to be present and to bring their friends. Tickets have been mailed and you are asked to dispose of as many as possible. Let's get behind Bro. Jos. Broderick and his committee and put this affair over.

The next regular meting of the council will be held on Thursday, Oct. 16. Come up and help us make final arrangements for the party.

BOWLING: We proudly announce that the Quality Wet Wash Laundry will sponsor our bowling team. This sponsorship was secured through the efforts of Bro. Clarence Jackson. Thanks, Messrs. Gordon and Jack Gibbons, for your assistance and we wish you continued success.

By the way, the boys took two games from Hughes, which makes six won and three lost and puts them in second place. Keep it up, fellows. Bro. Gleason is the well-spirited manager, and Bro. Vignola is his able assistant. The team bowls on Friday nights at 8:30 at the Cascade Alleys. Come up and give your moral support.

CONGRATULATIONS: Edw. F. Bachner, Jr., is the proud father of a baby girl, born on Saturday, Sept. 27. Mother and daughter are doing fine. Her name is to be Judith Ann. Congratulations and good luck.

Don't forget the Charity Ball. It's a worthwhile cause and deserves the support of every man.

Columbus to Sponsor Retreat at Mayslake Weekend of Dec. 5th

1-2 Tues. . . . . 6932 N. Clark St.

I presume that I will see many of you tomorrow night at the Palmer House. From all reports, the Charity Ball is going to be a grand success.

On December 5, Columbus Council and St. Jerome's Holy Name Society will sponsor a Retreat at Mayslake. Make your plans now to attend. We are very anxious to have a good crowd this year. Walter Nietschman is Retreat Chairman for both the Council and the Holy Name Society. Telephone or write Walter that you will be one of us. Father Burke, spiritual director of St. Jerome's Holy Name Society, has said that he will try to get out for the closing of the Retreat.

Plans are going full steam ahead for our annual charity card party on Nov. 12 at the 50th Ward Democratic Club at Western Ave. near Devon. If you will take a book, call Dr. Schuler. Also, all of the members are invited to solicit door prizes. Any time between now and Nov. 11, you can deliver these prizes to Dr. Schuler's home.

Two beautiful weddings took place recently at St. Jerome's Church. Two daughters of our deceased brother, James Fitzgerald, were married. Nancy is now Mrs. James Cullen, and Lillian married Dennis Maloy, whose father is an old time member of our council. Many of the brothers attended these weddings, and Mrs. Johnson, widow of Bill Johnson, who for so many years guided the destinies of Columbus Council, was also seen there. Jim Fitzgerald's splendid efforts for our council, of course, will never be forgotten. Felicitations and the council's best wishes to his daughters and their husbands.

More news of the Fitzgerald family come to my desk this morning. James Jr. and Redmond are fathers of new babies. As my information at this writing is meager, I can't give you complete data on sex, weight at birth, present and past condition of the fathers, formulas, etc. But anyway our congratulations are extended to the two couples.

Frank Coffey has gone to New York to attend the World Series. While there he will stay with his brother John. Al Weimeskirch, with the assistance of several of his neighbors, moved last week. He only moved a block away and now lives on Touhy Ave. near Wolcott.

Saw some of the brothers at the boxing show in St. Jerome's school yard last week. Ten bouts were staged between boys of the school from the third to the eighth grades. I got home just in time to listen to the Louis-Nova fight but for my money I'll take the boys. It was lots of fun watching them. Enos Hamer was the announcer. Dan Conway, Jr. trained the boys and had charge of the show. Walter Garry took the tickets. Ed Roche kibitzed. Joe Maginot's boy showed a lot of class in winning the first bout of the evening.

Am told that Joe Maginot, Jr. has recently obtained his license, and is now a full fledged undertaker, or should I say mortician. He is associated with his father in the firm of Smith and Maginot. Congratulations, Joe.

CALUMET HOLDS OPEN MEETING MON. NIGHT

2-4 Mon. . . . 6646 Stony Island Ave.

As the meeting this coming Monday night is to be an open affair, Lecturer Scully and Chairman Joe Skibinski expect a large crowd. These open meetings are for the benefit of you members to bring your family and friends up to the council to show them what fine entertainment we put on.

This meeting we are going back a few years and bring out of the past a few of the old-time movies. Remember the laughs that we used to get from Harold Lloyd? Well we are going to have a movie of him and of Larry Semon and Barney Google. Surely one of these movies ought to bring back memories to a lot of you. As usual refreshments will be served so bring as many relatives and friends with you as you desire.

We also hope to see a large number of you at the Sunday Evening Club meeting this coming Sunday. Chairman Davis and his assistant Bro. Lawler tell us everyone is expected to have a good time. Everyone that attends has to bring with him six questions and answers because we are going to have a quiz contest. Now you don't have to be an Einstein or a Hardy to get in on this. It's all in fun and the questions aren't going to be hard. So everyone give your pocketbooks a chance to breed moths and come up and enjoy some of this fine entertainment.

BOWLING

Well, I have proof now that you don't have to be a good bowler to be in our league. This proof comes right from the lips of our Lecturer, Bro. Scully, who bowled the grand total of 233 for 3 games, and he was using a lady's ball at that. The Morticians went at each others throats with the O'Hanleys beating the Cummings three games. The Indiana Service Station who got off to a false start lost two games to Ray's Boosters. Mase Cronin's Tavern won the odd game from the Wilson and Rafferty Florals. The latter by the way have turned from the Phillis to the Yankees. The Whalen Boosters, as expected, won two games from McNichols Standard Service. Stone's Service Station won two games from the Murphy & Son Furniture.

By the way we would like to give credit where credit is due and that is to Irene Murphy. She is doing a fine job helping little Mike, Jr. (did you notice I put in Jr., P. A.?)—Well, the high series went to Heaton with 587, Bowes with 553, Gibbons with 502, Joe Walsh with 491, and Conry with 494.

The tickets the bowlers are selling for the Notre Dame-Southern California game are going like hot cakes. This game will be a good one and if you members get a chance to buy some don't fail us. Just think, for a dime you may get a ticket to the game and also transportation. We bowl on Thursday night at 9 o'clock at 80th and South Park. Come on up and watch us. Here are the standings:

Cronin's	6	3	W. & F. Florals.	4	5
Ray's	6	3	Stone's Ser.	3	6
Indiana Ser.	6	3	Murphy	3	6
O'Hanley	6	3	Cummings	3	6
Whalen	5	4	McNichols	3	6

We were just alking to Bro. Peter Wagner's mother who told us that Peter is now on the U. S. S. Antaeus, sub-chaser, anchored off of Block Island. We hope that Bro. Wagner gets his sea legs working and becomes one of the first members of Calumet to be an Admiral.

D.G.K. Report: Arch Mahoney is still out at the Hines. Bernard Condon is at home at 848 E. 64th Pl.; Chas. West at 849 E. 64th Pl.; Tom Dillon at 6629 Maryland; Pat Concannon at 7436 Rhodes; Ed. Coffee at 6548 Stony Island; John Ahern is at the Mercy hospital, and James Shannessy is very ill at home at 6828 Harper. All of these Brothers would enjoy some visitors so those of you who have some time to spare drop in and say hello.

Well a lot of the members got twisted in their dates and thought that meeting was tonight (Oct. 6). We e had the Mayor of South Chicago w his son up here. Looking out the w dow now it is lucky for us that th isn't a meeting tonight because would probably have to row over h Maybe the rain will make Bro. Popj hair a little curly. (What hair?)

La Rabida Knights to Trek to Palmer House for Tomorrow's Ball

2-4 Tues. . . . . 6236 Princeton Ave.

Tomorrow evening (Saturday) hundreds of knights, their ladies and friends, will gather in the Grand Ballroom of the Palmer House for the Chicago Chapter's Columbus Day Ball. This affair, which will undoubtedly be one of the outstanding events of the year, will naturally find a goodly number of La Rabidians on hand.

The proceeds of the ball will be turned over to the archdiocesan unit of National Catholic Community Service, branch of the U.S.O., to provide furnishings for the Soldiers' and Sailors' Recreation Center at 1122 S. Wabash Ave. General admission tickets are priced at $1.00, while patron tickets are at $5.00 per couple.

The next meeting of the council will be held on Tuesday evening, Oct. 14, and will be a business meeting. Arrangements will be made for our annual memorial meeting to be held during November, and likewise our Thanksgiving Day Mass.

SCRIBE MOVES

After spending many years in Woodlawn and its environs, George L. Griffin, our Scribe, has found it necessary to seek a new district and consequently has moved to the south shore within the shadows of St. Philip Neri Council Clubhouse. However, associating with such splendid Catholic gentlemen as Henry Doolin, John Duffy, Johnny Miner, John Quigley, et al., should tend to have a good influence on ye Scribe. The new address is 7806 Bennett Ave., telephone Saginaw 3700.

Mr. and Mrs. James Hasty, parents of P.G.K. John Hasty of Englewood Council and Veronica Hasty Mahon, wife of P. G. K. John Mahon of La Rabida Council, celebrated their golden anniversary on Sept. 30 by attending Holy Mass at St. Bernard's Church and concluding with "open house" in the evening. Hnudreds of friends paid tribute to this happy couple. May God spare them for many years to come.

BOWLING

The bowling results of Monday, Oct. 6, are as follows: Dion Quints took three games from the Has Beens while Kapple Chicks were taking three games from Cogan Coconuts. The high individual game honors went to Edward Wodarski with 195 pins, while Bob Evans was second with 192 pins. The high individual series was won by Bob Evans with 536 pins. The standings:

	W.	L.		W.	L.
Kapple Chicks	9	3	Has Beens	4	8
Dion Quints	8	4	Cogan Coconuts	3	9

HERE AND THERE: Bro. James Kirkland still is confined to the Little Company of Mary Hospital, following a gall bladder operation. He is reported getting along nicely. Mrs. Veronica Mahon, wife of P. G. K. John Mahon, is in St. George's Hospital under observation. Let's hope her ailment is not serious.

DE LA SALLE HAS BIG CROWD AT P.G.K. NITE

1-3 Tues. . . . . 1105 E. 47th St.

Were you there??? If you weren't, you sure missed one of best times of your life at the "Past Grand Knights' Night" last Tuesday. To be perfectly truthful, it was one of the finest meetings ever to be held in the hallowed chambers of De La Salle, and we have had some mighty fine meetings in the past. P. G. K.'s too numerous to mention were present to receive the recogntion of their fellow members, a recognition which they were so well deserving.

I think that at this time while we are on the subject it would be appropriate to inquire of our esteemed Past Grand Knight Bud Husung. It has been quite some time since the council has heard from him, and we wonder how he has been faring in his new venture in the Northwest. If you should happen to read this, Bud, please drop us a line and let everybody know how you are making out. After all, even if you are so far away, our thoughts are still with you and the council extends its best wishes for your continued success.

CHARITY BALL

All of us have undoubtedly heard of the K. C. Charity Ball to be held tomorrow night at the Palmer House. It promises to be a gala evening with dancing and bingo for those of us with the creaky legs and rheumatic joints. If you don't go, that's your fault, and if you do go and don't have a good time, that is also your fault because nothing has been spared to make this one of the most enjoyable evenings of your life. Why, it almost comes up in entertainment value to our last meeting, but of course that was par excellence, as only Jim Young and Bill Bardon could be when they collaborate with the entertainment and food, such as you never saw or tasted before, or ever hope to for a long time to come. Believe you me, those few of you who weren't present surely missed the time of your lives.

As far as the admission to the Charity Ball is concerned, you couldn't get a bigger entertainment value for your dollar (yes, I said only a dollar) no matter where you went. Come on out, one and all, to the big doings at the Palmer House.

We received the news too late to insert in the last issue that Mike Troy is in St. Bernard's Hospital, progressing very well and expecting to be out in a few days. Let's all hope that Bro. Troy will be with us at the very next meeting that he is able to attend.

Washington Members to Visit Mayslake for Retreat This Weekend

1-3 Tues. . 5th & Washington, Maywood

By the time this appears in print Washington's second annual Mayslake retreat will be in progress. A goodly number of our members have indicated their intention of regenerating themselves spiritually and mentally by spending sixty golden hours "Inside the Sanctuary." Not so much with the idea of making a good showing but for the personal benefit derived from a retreat we hope every member of our council who possibly can, will be in attendance at Mayslake this week end.

ACTIVITIES: This past week you have received a letter summarizing some of our future council activities. We have set out on an ambitious program which to be successful requires the whole-hearted cooperation of our entire membership. Our worthy G. K., officers and various committees can and will work like Trojans to put it across but its entire success hinges upon the individual support and response. Our first meeting in November will be a memorial service. In respect to those who have gone before we are hoping for a large turnout. Ladies Night on Nov. 18 will be a gala affair.

Our sympathy goes out to our new District Deputy George Bamber in the loss of his mother who passed away this week. The taking away of mother is one of man's saddest experiences and although words may fail to assuage his grief we like to recall at this time a true and comforting tribute to mothers, "No language can express the power and beauty and heroism and majesty of a mother's love."

Harry M. Gerhard, a member of this council, and former village trustee of Maywood, has recently been appointed postmaster at Hines Hospital here in Maywood. We wish him lots of success in his new work.

Mark it down on your list of "Musts" to take the family to see "The Eternal Gift." Several friends have told us it is a wonderful presentation. It will be at the State Theatre, 5814 W. Madison St., Oct. 16 and 17. This seems to be the nearest it will get to Maywood. Purchase your tickets through your local parish.

Next week, if the scores permit, we hope to have some bowling news to report. Bowlers bowl best by being backed by boosters. So if you can, show up at Boscos on Friday nights.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. NAZARETH WILL SERVE ITALIAN DINNER TUES.

2-4 Tues. . 17 W. Harris, La Grange

If you read last week's column, and we know you did, you will have some inkling as to the active program which our lecturer, Bob Lester, has laid out for us. The opening shot will be fired at our next meeting, which is Oct. 14. All the Grand Knights and officers of our neighboring councils in West Division No. 3 have been invited to attend this affair. The program for the evening calls for a short business meeting, after which we are to be treated to a real dinner of "Spaghet Itallienne." If you like to ravel the ravioli or spear the spaghetti, here is your chance.

We are advised that our Lecturer has been fortunate in obtaining the services of a refugee from Il Duce's chain gang to cook this meal in style. There will be a short business meeting which the G. K. promises will really be short, and then the feed. We already hear mutterings from that eminent "Parley Voo" gentleman from the west end, Ducky Lalonde, that if the Italians can have a feed he is going to insist that his country be recognized, too. Well, we can do that, too. We'll feed him French fried potatoes.

The Holy Hour mentioned in this column last week was certainly a very inspiring sight. Despite the unfavorable weather an extremely large crowd was present to pay its respects to Christ the King in the Blessed Sacrament. Due to the weather conditions the ceremonies were held indoors in the spacious gymnasium of St. Procopius College. There were approximately two thousand people inside the building and it was reported that there was a similarly sized crowd outside.

Frank Polivka sends us word that Bro. Schaffhauser, who lives in Oak Park, recently met with an accident. He was struck by an automobile on Sept. 20 and suffered a fractured leg. He was taken to the County Hospital and will no doubt be confined there for some time. This is regretted very much because those of us who have met Bro. Schaffhauser like him very well. He would appreciate visits from the brothers. The visiting hours are 2 p. m. to 3 p. m. Tuesdays and Thursdays, 7 to 8 p. m. Saturdays and 2 p. m. to 4 p. m. Sundays. Jack Warner and Frank White are still incapacitated. We hope that whenever possible some of you will arrange to call on these sick brothers. They will appreciate it.

PIN POINTS

Your scribe was unable to pay his weekly visit to the bowling alleys last Monday night. Too much traffic moving over our railroads. Had to stay after school, so we deputized Mrs. Scribe to the post of observer and a right good job of observing she did. Here is her report: The News Agency team took two from the Fairview Club, this despite Joe Himpler's 511 series for the losers. The Elms swept the series with the Lukes, while the Triangles did the same to Leo's Chickens.

The Universals socked the McGough Lumber for two, while Lindy's and Watkins tied, believe it or not. Lindy's took the first game, Watkins took the second, while the third was tie at 749 pins each. Tansley of the Lindy team tried hard to take that last game, coming through with a nice 186 score in the last frame, but it was not quite heavy enough. The Watkins boys did not produce any such figure, but they did bowl a more consistent game, which brought them up to a tie.

The name Florida is Spanish for "feast of flowers."

Americus Requests Big Attendance at Tuesday's Meeting

2-4 Tues. . . . . 3350 W. Jackson

The next meeting of Americus Council will be held Tuesday evening, Oct. 14, at 3350 Jackson boulevard. It will start as usual at 8:30 p. m. Matters of great importance will be discussed and applications will be presented for consideration. As many brothers as possible should be present. The Kush Keg will roll again; better be there, as your name may come out. This is the only meeting notice you will receive.

The big day has arrived. This Saturday evening, Oct. 11, the Chapter Ball will be held at the Palmer House. And we hope to see a goodly number of Americus men present with their wives, mothers, sweethearts, daughters, sons or in-laws. This is one affair we should attend as it is for a very worthy cause and the Knights of Columbus will be judged by its results.

It is with a great deal of pleasure that we announce the acceptance by Bro. Albert J. Horan of the chairmanship of our Fourth Degree committee. Al has been a member of our council for nearly thirty years, a prominent figure in publis life, one of the outstanding Catholic men of this city, with many responsibilities. He has never been too busy when called upon; in fact, he is always among the first to respond in every endeavor of our order. We are confident that the Fourth Degree class of 1942 from Americus will be the largest and best our council has ever had.

Our worthy chaplain, Rev. Vincent Scheltinga, O. S. M., comes forth with the announcement that Our Lady of Sorrows Parish will hold a fall carnival in the parish hall, 332 S. Albany avenue. Americus will have a part to play in this affair and we are calling for volunteers to aid in the work. To those who have made their millions and have moved from the parish of their childhood, may we say this—put aside one evening between the 8th and the 16th of November and pay a visit to the old neighborhood (and bring some shekels with you). It will be worth the price to meet all the old-timers. Hope to see you there. More details later.

Have you secured a new member yet? According to all reports, membership is on the upgrade and Americus should get its share. Look around and I am sure that you can find some worthy Catholic gentleman who is deserving of the title, Knight of Columbus. Then, too, you may know someone who has lost his membership through financial reverses. Remember, a prodigal son is as good as a new son when brought back to the fold.

BOWLING

As our bowlers swing into midseason form, the going gets tougher every session. Last Friday night the O'Rourkes took two games from Scott's keglers and the Costellos Prexies beat the Corsos three straight. McGuire was high with a 184 game. Harry Ryan came next with 175. We understand one of the captains came near being fired by his mates last week but showed up at the last minute to plead for another chance. Get over to St. Philip's gym next Friday night at 8 p. m. to see the boys in action and cheer them on.

The Irish will always be with us, thank God, that is if the Ryans have anything to say about it. Comes now the announcement that Bro. Robert E. Ryan of the Berwyn Ryans, is a proud papa. His wife presented him with a fine bouncing boy, 8 pounds 13 ounces, on Oct. 3. Mother and baby reported doing fine; daddy, too. The grandpappy, our treasurer, just asks when is that little lad going to start paying dues to Americus.

One of our soldiers, Frank Sattler, is home recuperating from an injury suffered in an auto accident. He is getting along fine and expects to return to duty soon. Bro. Jack Sheehan is leaving with his wife and, above all things, his mother-in-law, for a vacation in Florida. We know Jack will have a good time with Myrt suppling the answers to the lulls on the trip.

We understand Bro. Lester Peary has just been appointed postmaster at Custer Park, Ill. Our congratulations to Lester. We know he will do a good job. Our blood donors still operating. Chairman P. G. K. Leo Joyce gave a transfusion at Michael Reese Hospital last week. Many of our members are interested in the cabaret party given by the Fathers' Club of St. Philip High School, Saturday, Oct. 18, at 332 S. Albany avenue. A good time is assured all who attend.

Do you feel lonely these fall Sundays? Would you like to have a visitor for dinner? If so, call Wabash 0140. Talk to Bros. Carney or Bedore and they will arrange to have you entertain some lonely soldier or sailor, some boy who is far from his own fireside. One who needs the companionship of home folks. One who would appreciate a home-cooked meal. Try it some week end, we know you will get a kick out of doing a good deed.

Damen's Bowlers Open Another Season with Zest at Cascade Alleys

1-3 Thursdays . . . . 6 N. Hamlin Ave.

The Merry Men of Damen opened the 1941-1942 bowling season last Tuesday at the Cascade Alleys. Among those enjoying the opening night antics of the modern woodchoppers were noted the following: Senator John Gorman, surrounded by a Damen Beauty Chorus consisting of Mrs. Gorman, Mrs. Caulfield, Mrs. Reithal, Mrs. Phelan, Mrs. Fossier, Mrs. McCann, Mrs. Kulisky and Mrs. Speyer.

The John Gorman's continued their "Garrison Finish" of last season by winning all three games from the Kelly Couplers to take over that coveted first place. Fossier, a new recruit, high for the Gorman's, Kulisky high for the Kelly's, despite the violent efforts of the Waiver Kids—Shaver and Reithal.

The Stack Typewriters coasted to a three game victory over the newly formed McEnery Realtors. Page high for the Stack's, Millett high for the McEnery's. Something should be done about that Stack team. When three men can beat five men, it's a good tip-off to break it up before they become a second Yankee outfit..

The McMahon brothers, rolling as members of their own team—McMahon Undertakers—for the first time in Damen history assisted their new teammates, Henningsen and Murphy, to a triple win over the Reliable C Henningsen high for the McMa W. Crowly high for the Reliable

The last year champs, Brown P ers, ran into some tough opositi opening night but managed to wi odd game from the Cassidy Tires an uphill battle. P. Brown hig the Plumbers. King high for the sidy's.

CHARITY BALL

Tomorrow, Saturday, is the nig the Charity Ball at the Palmer H For the benefit of those who hav layed purchasing tickets, "don't le keep you away." Tickets are available. Remember this party young and old alike. You have choice of dancing or card for evening's pleasure.

William Blake to Be Toastmaster at Softball Banquet

Noted Football Referee Will Handle Annual Program on Nov. 6 at Mid-West A. C.

By Johnny Miner

William Blake, noted football referee, will act as toastmaster at the annual K. of C. Softball League Banquet to be held on Thursday, Nov. 6, at the Midwest Athletic Club.

Bill Blake, graduate of Loras College of Dubuque, Iowa, has officiated at many important football games including the Notre Dame-Northwestern contest of 1940. He is a member of St. Philip Neri Council and is also Lecturer of that council.

Reservations are now being received by banquet chairman, John T. Burke. All councils are urged to submit their reservations as soon as possible. The honor of placing the first reservation for the 1941 "Champions' Banquet" goes to St. Patrick's Council, who recently submitted reservations for its team and a large group of council members.

As a reward to their players for the time spent on the softball field, each council is asked to send their team to the banquet. The cost is $1.75 per plate. A call to John Burke at Columbus 7318 or Joe McGreal at Virginia 9578 will insure a reservation for the affair.

Trophies

As was previously announced, State Deputy Leo M. Flynn is presenting the championship award to St. Cyr Council. The second place award is graciously donated by Recorder of Deeds Edward Kaindl. Clayton Smith, county commissioner, is donating the third place trophy and James M. Thalen, sanitary district trustee, will give the fourth place cup. The division championship awards are donated by May & Hulas, sporting goods and wholesalers, at 37 South Wabash avenue, Midwest Athletic Club at 6 North Hamlin avenue, and Local Loan Co. with headquarters at 105 West Madison street. More donors will be published at a later date.

Organized Group Visits Swell Attendance for Mt. Vernon Model Home

The Mount Vernon House of 1941 in La Grange Park is enjoying increased patronage from organized groups in response to a special invitation extended by the men and women of St. Francis Xavier parish, sponsors of the project.

Special consideration is accorded clubs, and large parties are finding it to their advantage to visit the house on week days between the hours of 1 a. m. and 3 p. m. in order that they may inspect at their leisure the many attractive features of this colonial dwelling which to and including Sunday, October 12, had attracted 6350 people since it was opened on July fourth.

During the past week the commit-

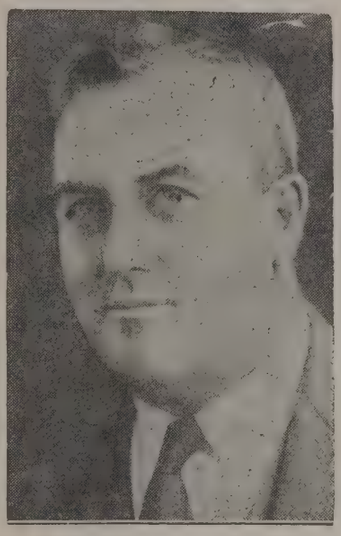
Membership Chairman



MICHAEL J. HOWLETT
Supreme Director, K. of C.

Michael J. Howlett, Supreme Director of the Knights of Columbus and State Membership Chairman for the Illinois jurisdiction, gave local council officers a new slogan to speed their drive for new members when he asked them, at the recent officers' meeting, to "Beat New York."

The New York jurisdiction, now celebrating its Golden Anniversary, is the largest in the Order with Illinois ranking a close second in total membership. During the last few years, the margin between these two leading jurisdictions has been gradually lessened so that this year Illinois has a definite chance to move into the coveted first place.

Supreme Director Howlett, in today's issue of The Columbian, addresses an editorial challenge to the local councils to put their units over the top for further state increases. The article appears on page four.

Membership intakes were also stressed at the meeting of District Deputies called on October 9 by State Deputy Leo M. Flynn. All of the district leaders were charged with the obligation of infusing their respective councils with a proper recognition of the current opportunity to realize new member gains. Both the generally improved financial conditions now prevailing throughout the country and the splendid opportunity of service to church and government being afforded the Order by current affairs are cited as real reasons for large council increases all over the nation.

Columbian Committee

Other business of the District Deputies session last week included the re-confirmation of this paper as the Order's official local organ and the announcement of two new members to the Columbian committee. District Deputy Jeremiah Sheehan, the State Deputy revealed, is chairman of this important advisory and governing board and will also represent the councils of the south side. District Deputy Frank Wohlleber of De Soto Council and John McKeown of Hughes Council were named to represent the north and the west side units respectively.

Over 5,000 Knights Attend Columbus Day Benefit Ball

Social and Dance Program Keeps Party-Minded Throng Well Entertained for One of Order's Greatest Benefit Celebrations Here

A tremendous gathering of more than five thousand Knights of Columbus and families filed into the two largest ballrooms of the Palmer House here Saturday evening to attend the Chicago Chapter's benefit ball and Columbus Day celebration.

The party-minded couples came early and stayed late, for in addition to the extremely popular dance and social program that was the committee's official party offering, many councils scheduled individual entertainments in their "headquarter rooms" throughout the hotel.

Entertainment Well Received

A splendidly planned dance program, however, centered all activity to the Grand Ballroom where hundreds of dancing couples kept the great hall ringing with pleasant laughter and conversation. The music by Bill Phillips and his orchestra delighted everyone, but so keen seemed the enthusiasm of the crowd that it appeared willing—and able—to dance to the simple strains of a single instrument.

Equally popular, judging from the number of couples that kept the huge room filled to capacity all evening long, was the social entertainment presented by Assisting Chairman Robert Du Mais in the Exposition Hall. Here a series of fast moving games and similar pastimes kept all guests interested and entertained so that no one could help but enjoy every minute of the complete program.

Set Attendance Record

Commenting upon the exceptional attendance at the Columbus Day benefit party, State Deputy Leo M. Flynn said: "The Knights of Columbus and their families in the Chicago jurisdiction have, in the two score years of their organization, set many fine examples of devotion to the causes of religion and of government, but I believe that a new record was entered last Saturday through the outstanding support that was given to the Chicago Chapter's Columbus Day party in benefit of the local N.C.C.S. Service Men's Club.

"As your State Deputy I was naturally pleased to note the genuine enthusiasm that all our councils evidenced in support of this Order project. But, as a fellow citizen, I was even more deeply moved to note in the tremendous attendance the convincing evidence that our local Knights are ready and eager to assume almost any responsibility in support of their church or government."

Proceeds to N.C.C.S.

The Columbus Day observance of this year was planned as a project by which the local councils could realize enough funds to supply the furniture and fixtures necessary for the proper outfitting of the soldiers' and sailors' recreation center now being operated at 1122 South Wabash avenue by the local N.C.C.S. Committee, Flynn explained.

"The attendance at the benefit party last Saturday," he said, "is a heart-warming evidence of our membership's recognition of the need to care for the leisure time of the Catholic boys in service as well as it is a proof of the strength that lies in the unified action of our local councils."

Proceeds of the party will be turned over to Father Wm. A. O'Connor, head of the Archdiocesan unit of the National Catholic Community Service, the Catholic affiliate of the U.S.O., as soon as Father O'Connor returns from a business and vacation trip in the east according to Party Chairman Henry J. Lynch. Although the donation realized through promotion of the Columbus Day party is expected to excede the amount anticipated earlier by the party committee, the definite amount will not be known for another few days when all expense items will have been entered.

Executive Committee

Assisting Chairman Lynch on the executive board of the Charity Ball were the Order's representatives in the diocesan N.C.C.S. committee, State Deputy Leo M. Flynn, State Secretary Raymond F. Gleason, Vice-Supreme Master, Fourth Degree, Jerome J. Crowley, Supreme Director

Huge Crowds Attend First Showings of Soundfilm on Mass

Huge crowds thronged the first showings of the Chicago presentation of "The Eternal Gift," only soundfilm dramatization of the Solemn Mass, according to an announcement by Father Hugh Calkins, O.S.M.

Thousands of adults and students crowded the Maryland theatre on the South side, the Granada and the Congress theatres on the North side and the State theatre on the West side on Wednesday, Thursday and Friday. Indications were that even greater crowds will attend the showings at the Luna, Manor, Covent and Southtown theatres this coming Wednesday, Thursday and Friday, Father Calkins asserted.

Theatre officials said they could not remember anything remotely resembling the overwhelming enthusiastic response of Catholics in support of a motion picture as they witnessed for "The Eternal Gift."

Parishes, church organizations and societies, colleges, high schools and grade schools, with the approval of the pastors and the superiors throughout the city and suburbs actively supported this city-wide presentation of "The Eternal Gift."

To enable the aged and infirm and others whose physical disability may prevent their attending the showings Father Calkins had called upon automobile owners to volunteer transportation.

tee on duty were hosts to the Reverend Conrad A. Knur, pastor of St. Joseph's church in Lockport, Ill., and his party of twenty. Several club groups are scheduled for the near future and negotiations are under way for more.

An innovation among visitors was the large wedding party which visited the house immediately after the nuptial Mass at St. Francis Xavier church, at which the Reverend William J. O'Brien, pastor, officiated. Mrs. John Hill, formerly Eleanore Boehler, daughter of the Frank P. Boehlers of Bishop Ketteler Council, was the pretty white-gowned bride whose superstition led her to the Mount Vernon House for luck on the silver wedding anniversary of her parents.

Located at 345 North Malden avenue in the suburb, the premises are open daily from 10 a. m. to 9 p. m. for inspection.

The Order's N.C.C.S. committee, headed by Edmond J. Molyneaux, also served in promotion of the Columbus Day affair. These district chairmen included Henry L. Phoenix, Francis McMahon, Frank McGlynn, Richard L. Judge, Joseph H. Halm, Elmer O'Brien, Charles Nash, John Ruberry, John Shealy, John B. Meccia, Peter Thalman, Bruno Satkowski, Charles Morgan and Wm. P. King.

Damen's 'Gay Ninties' Party Promises to Be Real Carnival of Fun

1-3 Thurs. . . . . 6 No. Hamlin Ave.

The Committee in charge of our Nov. 29 "Gay 90's Party," under the able guidance of Lecturer George Reithal Jr., report that even in the early stages this party promises to be "Tops in Entertainment and Surprises." This party will be a climax affair to the Neighborhood Parties the next of which will be sponsored by the Gaelic Guards, Brothers Cullen, Condon, Colfer and Reilly. The time and place for this gathering of the clans will be made known in next week's issue.

RAYMOND DWYER

A member of Damen Council for the past twenty-five years, former acolyte of Holy Family Parish and soldier in the last World War, passed away last week at the Hines Memorial Hospital after a lingering illness. Damenites J. O'Shea, W. Crowley, T. Cullen, W. Quirk, J. Caulfield and yours truly escorted the flag covered remains from Deir's Funeral Home to Holy Family Church and burial at Mt. Carmel.

To his loving mother, sister and brother the Council extends deep sympathy. May they find consolation and peace in the words of Fr. Joseph Lannon, S.J., celebrant of mass who stated that Bro. Dwyer who received all his sacraments within the confines of Holy Family Church, has been called to receive his final citation in the army he loved and served so faithfully on earth "Holy Mother Church." May his soul rest in peace.

MEMBERSHIP

Grand Knight John Caulfield believes the time is about ripe for Brother Shaver's Membership Committee to declare a full speed ahead program. In order to help this Committee attain its goal, plans are now in the making to have an Open Night meeting in the near future.

PLANS for the next Ladies Night have been postponed until after the first of the year. However this will not leave the charming ladies out in the cold since a Ladies Party, sponsored by some of the Damen Beauties will be held in the near future in conjunction with the Publicity Parties now in progress.

THE MERRY MEN

The John Gorman's continue to set the pace by taking the Cassidy Tires to the turn of three more victories. Capt. (Curly) Cullen led the Gorman onslaught with 225-563. McGuff high for the Cassidy's.

The Stack Typewriter managed to retain second place by a triple victory over the McMahon Undertakers. McJohn featured the Stack attack Tom McMahon was high for the Undertakers who had the unique distinction of rolling the same total pins for two consecutive weeks.

The Brown Plumbers continued their painless dentistry by extracting another twin victory from the Kelly Couplers. P. Brown was red hot for the Plumbers with 209-567. Homer Shaver the four-leaved clover for the Kelly's.

The McEnery Realtors started clicking by trimming the Reliable Credit for a double win. Capt. Tom Foy (with a new ball) was the McEnery's king for a day. Wm. Crowley's lone ranger performance broke the ice by winning the last game for the Reliable Credit.

McHale Has Important Program on Schedule for Tuesday's Meeting

1-3 Tuesday.....150 W. 69th St.

Our next meeting will be next Tuesday evening, Oct. 21, and will be called to order promptly at 8:30 o'clock.

This meeting will witness the official welcome of our newly appointed Chaplain, Rev. James T. Quirk who was initiated into the Knights of Columbus last Monday night. Father Quirk is assigned to St. Carthage Parish which is, as many of you know, one of the two parishes we call ours because they are located so close to our meeting place.

We also expect to have at the meeting our Honorary Chaplain, Rev. Walter Croakin and our old friend State Deputy Leo Flynn. It goes without saying that our Grand Knight John Kelly would be very much disappointed if we did not have a real large turnout at the meeting, so please be there. DON'T disappoint your officers or your new Chaplain.

BOWLING

In studying the score sheets of the games a week ago Monday I find that our bowlers have not got warmed up yet, for there were only two, two hundred games. All the team game scores were rather low. Perhaps it was due to the fact that it was a very wet night.

I have been asked to urge our members who would like to bowl to join the crowd of bowlers each Monday night. Join the league. It is not too late to become a member of one of the twelve teams.

FOURTH DEGREE

Bro. M. J. Lux has been appointed chairman of Fourth Degree activities in our Council and he would like all McHale Fourth Degree members to get in touch with him at 7915 S. Green St. or with Fin. Secy. Earle Edgeworth, 7829 S. Vernon Ave., so that some plans can be made on forming a McHale Fourth Degree Club.

We take this means of congratulating one of our members of many years, Rev. Edwin V. Hoover, Mus. D., director of the Holy Name Cathedral Choristers upon being appointed pastor of St. Raymond's Church, Joliet.

HERE AND THERE

We are happy to report that Bro. Steve Owens feels great and is now back on the job with the good old "Burlington." Mrs. Owens and Steve, too, wish to thank our members for the prayers offered for Steve's recovery . . . And now we are sorry to report that little Tommy Garvin, Jr., fell off a fence a week ago Tuesday and broke an arm and not the one he broke in July. Two broken arms in four months! . . . Bro. John Lee, the fellow who always wanted our officers to be well paid has been confined in a hospital. We hope you recover soon, John, you do not want to miss our coming dinner dance, you know . . . Bro. Larry Frank was in from Fort Wayne a few weeks ago.

Marquette Members Enjoyed Benefit Ball for Service Men

1-3 Thurs.....1928 Devon Ave.

Many Marquette members attended the chapter dance last Saturday night and together with the several thousand others helped the Knights of Columbus keep their name high in the judgment of the public for this patriotic work among Uncle Sam's members of the Army, Navy and Marine Corps.

The Service Club at 1122 S. Wabash Ave. is one of the U.S.O. centers provided for the young men working in the armed forces of our country. The club provides complete recreational facilities for these men under the supervision of the N.C.C.S., and the directors in charge at the address shown above are Bros. James B. Carney and Roy P. Bedore. The Chicago Chapter and the K.C.'s in this area are to be congratulated in their leadership shown in this patriotic expression of Catholic Action.

LADIES' NIGHT NOV. 6

Following our next meeting, on Nov. 6, Lecturer Henrick and his entertainment committee have plans made to honor the ladies with dancing, cards, gifts, entertainment and refreshments. GK Hesse has promised to hurry the meeting on this night, so, brothers, if you don't take your wife, mother, sister or girl friend to this affair she will certainly put you in the doghouse.

Our council bowling league consists of four full teams of five men each. We thank PGK's Tom Griffin, Art Donoghue, Ed Delana and Tom McGuire for sponsoring a team in this league. The players seem to be getting in the jive and working the soreness out of their muscles, going after those pins tooth and nail. They bowl on Tuesdays at 8:30 p. m. at Lakeview Alleys, 3239 N. Clark St. The present scores are:

	W.	L.		W.	L.
Delanas	5	4	McGuires	4	5
Donoghues	5	4	Griffins	4	5

DUES

Fin. Sec. Sacheck advises that a great number of our members are delinquent in their dues. Now we know dues should be remitted during the first month of each quarter so that the council can meet its state and national per capita assessments without any difficulty. If you should be in arrears of your dues, please make a remittance to Bro. Sacheck. Please be an active member and help the officers further the good work of the order.

COUNCIL NEWS: GK Hesse acted as grand knight in the first and second degree last week at St. Cyr Council and Tuesday of this week our grand knight was the principal speaker at the meeting of Chicago Council. PGK Graham, with Bro. Lloyd O'Toole, journeyed to Kankakee last week to attend a third degree. Bro. Pat O'Donnell continues to play golf every Sunday.

St. James Will Meet Monday for Special Sports Nite Program

Oct. 20.....Hayes Hotel

Attention all officers and members! The next meeting will be on Monday night, Oct. 20, and will start promptly at 8:30 p. m. The reason for the change in date is that this is going to be our SPORTS NIGHT with Bro. Chris Davis in charge and he is donating, with the compliments of the Council, tickets to the Notre Dame-Northwestern "Feetball" game. The ducats will be given away free.

This will also be one of your last chances to get reservations and tickets to the HALLOW'EEN PARTY AND MASK BALL on Oct. 25. Moosick is py MONTELBANO and de place is de Hayes Hotel. For those who want to save shoe leather by not dancing they can shuffle the pasteboards in de loungs. Don't forget to bring your friends and their wives and your spouse or GF.

NEW MEMBERS will also be welcomed to their first meeting next Monday night, Octo. 20.

LEO FLYNN CLASS

Everyone wondered if all the initiates were from St. James when they filed into the chambers last Monday night for their First and Second Degrees. Well, we sure would have enjoyed having such a large class but I'll have to admit that the list of candidates included Geneo initiates lead by Grand Knight Standler and some from McHale with that prominent South Sider Grand Knight Con Kelly leading them. Our own up and coming Council had quite a number of candidates and I think that with a little more effort we can fill our quota soon. Just think of it, a few more members and the Council will be well on its way towards getting in the STAR AND CENTURY Council class. Chairman Robert E. Lee (draw me a picture) of the Membership Committee should feel proud of the job he has done so far. The complimentary initiation dinner was really something to boast about, everyone enjoyed it very much.

Everyone enjoyed themselves at Monday's meeting with several honored guests present, among whom were State Deputy Leo Flynn, Grand Knight Stadler of Geneo and Grand Knight Kelly of McHale.

REMEMBER WAY BACK WHEN? Last week in the column I stated that Bro. Patrick Hyland, president of the Hyland Moving Co., had the rear deck of his pleasure coup open and was putting away luggage when the cover fell and hit him on the forehead and that he was rushed to the Jackson Park Hospital and that six or eight stitches were taken in the cut and that he is back on the job again? WELL, it seems that this report was exaggerated, for Bro. Pat was not so badly injured as was stated and someone says that he is going to get my job. What! Can't I make a mistake once in a while? The report was given to me in the manner I wrote it in the column. I have to trust those who give me information and if they hear it from someone else it is bound to be increased a little, anyway I want to apologize to Bro. Pat for this error. Am I forgiven?

Seen at the meeting Monday night was P. G. K. Prindivale, also District Deputy Pat Noonan from Beverly Hills, Ill., and Vince McGuire from Homewood, Ill. Jack Greene's new home is at 104th and Artesian Ave. (Pssst! He has a Rumpus Room in the basement which will be swell for holding meetings!) DON'T FORGET NEXT MONDAY NIGHT, OCT. 20, WILL BE MEETING NIGHT.

Many a man who looks wise can't make a living at it.

CHICAGO, OCTOBER 17, 1941 100

"Let's Beat New York"

BY MICHAEL J. HOWLETT

Supreme Director, Knights of Columbus

"LET'S BEAT NEW YORK" the slogan adopted by the Knights of Columbus State Memebrship Committee in Illinois came into being through a boast of Supreme Director Michael J. Howlett back in 1934, when, as State Deputy of Illinois, he told the New York State Officers that within ten years Illinois would pass the State of New York in total Membership. At that time New York led Illinois by 18,274 members. On June 30, 1941, the Supreme Office Report showed Illinois only 8,197 behind—a net gain of over 10,000 in seven years. From these figures it can be seen that the goal is not beyond our reach.

On the Football field the gains you make between the 20 yard lines are easy. It is that last few yards before the goal line is crossed that brings out the caliber of the men on the team. Then it is that player on the eleven must do his part if success, just a few yards away, is to be theirs. If a men shirks his duty—if just one falls down on his assignment, then it is just another wasted effort, another drive that failed.

The Illinois Knights are not a team of eleven men, but an organization composed of some FORTY-FOUR THOUSAND CATHOIC GENTLEMEN banded together for God and Country, and if they all live up to the techings of their Order they could display team-work that would surpass any team in the Country.

Team-work we must have. Our State Deputy, we know, will do everything in his power, will leave no stone unturned, to gain our objective, "Let's Beat New York." The other State Officers will also do their part as will the District Deputies, and every Grand Knight should put forth his best efforts to put his Council in the "Quota Made" Class. But the greatest efforts of all these Brothers will go for naught unless every man on the team does his part. The man who carries the ball will not get far without the support of the rest of the team.

You may ask—"What part is there for me in this drive?" Remember this, the actual signing up of an applicant is sometimes the easiest part of the job. You, by your everyday life, the manner in which you perform your civil and religious duties, may be the deciding influence, although not personally acquainted with the man, in his decision to become a member of our Order.

In the City of Chicago less than one percent of the eligible men are members of our Order. Why? Some because they do not care to belong; because they cannot see the good they can get out of a Fraternal Organization. Others—Let me cite an example:

Recently a Catholic gentleman in his late forties, a member of the Holy Name Society, an usher in his church, an outstanding gentleman in his community, was invited to join the Knights of Columbus. He willingly signed an application, and upon being questioned as to why he had not joined before, gave the reply—"Because I was never invited." How many more men—men of the same fine caliber, are waiting for an invitation? The men who lives next door—the one who sits next to you in church—the lad who works with you. We will never know how many until every brother has done his part helping his teammates cross the goal.

Our quota in this Campaign is for a ten per cent increase in membership by June 30, 1942. WILL ILLINOIS PRODUCE? Are we working with the men we elected to lead us? If so, we should have 40 per cent of our quota by December 31, 1941, and we will then be well on our way toward making our slogan come true.

"LET'S BEAT NEW YORK"

Blue Island's Dance Is Tomorrow Evening at St. Benedict's Hall

1-3 Tues. . . . Gregory and New Sts.

Let this serve as a reminder that our Fall Dance is to be held tomorrow nite at St. Benedict's Hall. The music will be furnished by Freddie Henkel's Orchestra and the affair promises to be another one that you "must" attend. There will be plenty of the necessary "spirits" available and the committee has worked hard to make this one of the best dances we have had so be present and join in the fun.

At our last meeting the films and talk by Father Lenard of the Mayslake Retreat House were both inspiring and interesting and many signed up for the council's coming Retreat to be held on the week-end of October 24. ARE YOU GOING????? Make the arrangements with Lowell Frasor at once.

To Brother Norman Seidel and Mrs. Seidel we extend belated congratulations upon their 25th wedding anniversary. Many more years are the wishes of the council to this happy couple.

The Army has again reached into our ranks and taken two more of our young men. This week we saw Brothers Ed. Klimek and Rich Lentz leave for duty. Every month there will be more leaving and soon the young active members will have to round up some of the less active ones and press them into council work. It is the "young blood" that the council needs to carry on the many fine activities it has introduced lately and this brings us down to new members. Are you getting the names of young Catholic men who might be interested in our Order? Help the new chairman of the Membership Committee, Brother Tom Parsons, put over the job of getting a class for the March 29th Degrees. There will be three degrees on that date so let's get busy and get that name on the line soon.

The movie "Eternal Gift" will be shown at the Grand Theatre in Blue Island soon and all are urged to see the picture . . . It is the movie of the Mass and has been acclaimed by critics as a masterpiece. . . Watch the local paper for the exact date.

BOWLING

The bowling league is getting along in nice style but as the scores have not been copied by Yours Truly and there seems no other way of getting them the standings will not appear here this week. . . This much can be said though, the teams are showing up every night in full strength and much fun, noise and maple are the results. . . The Marks are in first place by a narrow margin and will be hard to replace. . . The hot shot bowler is Brother Joe Gabay of the Gerdes team with an average of 185. It is reported that the scouts from the Hickey organization have been watching Joe for the last two weeks and he may wind up on the team yet. The Landgrafs have been coming along very steadily and will certainly have to be reckoned with before the year is over.

THE GRAND KNIGHT, Eddie Hansen and "the Little Woman" are some where on the plains of Kansas as this is written. The Chief must have some oil fields to check up on. Brother Hein Rack has returned to Blue Island after some time at Hines and we all are very glad to see him up and around again. Father Penesabene is still in the hospital resting very well and would like to see a visitor or two. To Brother Joe Farrell we say hello. It must be time for the Year-In-Advance Club to enroll members, cause for many moons Bro. Farrell has been the first one on the roster, and again he leads this year.

St. Patrick's Invites Larger Attendances to Council Programs

1-3 Tues. . . . . 6 N. Hamlin Ave.

At our last meeting, Tuesday, October 7, we had a nice turnout. Grand Knight Tom Cregan expressed the hope that more of the members would attend future meetings. Tom promises that all meetings will be short and snappy, yet taking care of all business, so that the members will have time for meeting socially.

D. G. K. Wm. O'Connell made a further appeal for more blood donors. Bill states that he needs more donors of type 3 and asks that the members, especially some of our new boys, to drop into the Loretto Hospital, Central and Lexington Avenues, and be typed.

NAZARETH THRILLED BY BRILLIANT CHAP. BALL

2-4 Tues. . . 17 W. Harrison La Grange

Now that the great Charity Ball is a thing of memory we must again settle down to routine affairs such as putting words together to make a column. Before we do so however, we can't help but reminisce a bit. Your G.K. and scribe, accompanied by two girl friends, attended the ball. Right here and now before the eyebrow lifting becomes too prominent let it be known that the girl friends mentioned were the "til death do us part" kind. Catch on? O. K. then let us proceed. What a brilliant spectacle this affair was. You who failed to attend will never know what you missed.

There was one fly in the ointment. Your scribe has a squawk and that is that Tom Collins mother was not present. We had a couple of spots on the program all saved up for her and then she did not show up. That darn near ruined the evening. Also next year we are going to get out on that floor early and stake a claim to a certain amount of surface and thus make sure that everybody will have plenty of elbow room. So went the evening. Everybody happy, not a sourpuss in the place.

MEETING ATTENDANCE

With that behind us let's settle down to routine affairs. One most important item is the attendance at our meetings. We sometimes wonder just what goes on in the minds of some of our membership. Look at it this way. You are a partner in one of the greatest enterprises in our country. Certainly it is the greatest fraternal organization in existance. We know you believe in the organization, its aims and purposes. This being a fact then why don't you lend a hand in the conduct of the business of the council. Let's get together, attend meetings more faithfully in the future and we'll make this the council that it should be.

TIED INTO this subject is the payment of dues. We are now in the last quarter of the year and dues and assessments for the period ending Dec. 31 are payable. How about yours? Each one of us should arrange to take care of this very important item now instead of waiting until December when our money will be in demand for other things.

MEMBERSHIP is another very important subject which we must not forget. If our council is to grow and prosper we must inject new blood into it from time to time. Surely you know of some eligible man in your parish. Why not contact him in regards joining us. If he proves a little difficult, your officers will be only too glad to help.

Here is a date you are going to have to set aside. Mark down Oct. 28. That is our regular meeting night and our Lecturer has a Halloween party lined up for us. He has worked hard on this and promises a lively time for everybody with all kinds of games and prizes. He even promises to have the old-fashioned game of ducking for apples.

Brother Jack Warner is still at Oak Forest infirmary and would welcome visits from the boys. We understand that Brother Schaffhauser is still in the County Hospital with that fractured leg. If you can visit him please do so. Our blood donor group was recently called upon for service. A parishoner of Holy Trinity (Westmont) was taken to the hospital for an operation and blood was needed so Father Stokes sent out a call to our G.K. and it was immediately answered. Your scribe, Joe Woods, Anton Ziegweid were among those called and whose blood was in the right group. Brother Ziegweid was accepted and the transfusion was made.

PIN POINTS

Last Monday the Lukes trounced the McGoughs three straight. Jimmy Henderson was the hot shot for the winners with a 551 series. The Elms gave Lindys the same treatment. The winners were without the services of their heavy man, Joe Spelman, but won nevertheless. Stacey pitched a 521 for the losers. Some heavy firing was done in the Fairview vs. Universal games, the latter winning two. Bradley for the losers threw a 548 series rolling a 243 in the second game. Grabiec led the winners with a 588 series.

The Triangles took two from the News Agency. Leo's Chickens trimmed the Watkins team two out of three. Captain Steve Morris led his team to victory with a 544 series, closely followed by his team mate, Leo Kriz, with a 519. Leo pitched a nice 215 game in the second. This marks the first win for Leo's team this year. Standings to date: Universal won 11, lost 1; Elms won 10, lost 2; Fairview Club won 8, lost 4; Watkins won 6, lost 5; Triangles won 7, lost 5; News Agency won 5, lost 7; Lindys won 3, lost 8; McGoughs won 3, lost 9; Lukes won 6, lost 6, and Leos won 3, lost 10.

St. Francis Will Be Host at Degree Class Thursday

2-4 Thurs. . . . 4711 W. Madison St.

Everything is in readiness for our first and second degree class next Thursday night, October 23. The class, which is being sponsored by St. Francis Xavier, is for all the Councils of the West Division No. 1. All members are urgently requested to be present at this meeting. The meeting will start at 8:15 p. m. sharp. At nine o'clock, promptly, the degrees will get underway.

Each candidate should be in the hall at eight o'clock to facilitate matters for the financial secretary, who usually has plenty of work to do on a night like this. Sponsors of insurance members should see to it that their candidates pass their medical examinations. Dr. Vincenti's office (our medical examiner) is located at 718 So. Kedzie Ave.

This class will act as a forerunner to our Father Breen class, Sunday, December 14 at St. Phillip High School when all three major degrees of our Order will be exemplified. Membership chairman, D.G.K. Salvatore Cirrintano, expects this class to be the biggest in our history. We have only five meetings between now and December 14 which means we'll have to average at least 15 applications at every meeting. If you do your share, we can't miss.

On Thursday, October 30, we are going to pay tribute to our beloved founder and chaplain, Rev. F. X. Breen S.J., and his silver-haired "twin" brother Father Paul Breen, S.J. The committee, headed by P.G.K. John Blase Meccia, has arranged a very interesting program which will start promptly at 8:15 p. m. The affair will take place at San Callisto Hall, 2189 De Kalb St. Every member is invited to attend with his wife or lady friend. Refreshments free. There will only be 2 or 3 speeches made. Please come early or you will miss part of the entertainment. Remember, October 30 at 8:15 p. m. sharp.

SPECIAL NOTICE

A delegate to the Chicago Chapter will be elected at the next meeting to replace Bro. John Callahan, who joined the army recently. Come prepared to vote for the member whom you think is deserving of the position.

GIAMPIN' AROUND

Attention, wives! Your husband is going to be out every Tuesday evening to attend the dance committee meetings. The boys gather at Babe Criola's home, 3024 W. Flournoy to discuss the many problems connected with our forthcoming dance, February 14, 1942 at the Ashland Blvd. Auditorium. To the members, let me remind you that just because you don't receive a card doesn't mean that you are not invited to attend these meetings. On the contrary, we want all of you to come and help us in every way possible. . . .

St. Francis was well represented at the Charity Ball last Saturday night. The 220 sold tickets were all used. Needless to say, everyone had a grand time. . . . Mrs. Nina Locascio was surprised when she walked into a cocktail lounge in the building and was charged 60 cents for a Coca-Cola! . . . None of the members seemed to have any luck. Not at cards, anyway. . . . We sincerely hope that we helped in a material way, to help make the affair the success that it was. . . .

Angelo Vitallo was presented with a beautiful camera just because he attended the last meeting before eight-thirty. Who knows, you may be the lucky one next time if you are in the chambers before 8:30 p. m. . . . The lecturer, Croce Spelale, promises that about 20 Christmas card sets with your name printed on them will be given away at the first meeting in November. Plan to attend. You may be saved an expense for this coming Christmas. . . .

Sir Knight Nick Masse, chairman of the dance committee, succumbed to an attack of the hives and was kept at home for a week. Don't let it get you down, Nick . . . Sir (Sore) Knight Anthony Scarpelli's son, Joseph was confined to a hospital due to an operation. Joe is at home now and getting along fine. . . . Bro. Rocco Smaldone spent 3 weeks in bed due to an injury on his left leg incurred while he was at work. . . . Bro. James Gallo is smiling big smiles these days. We don't blame him either. Jim became the proud papa of an 8-pound girl several weeks ago at Loretto Hospital. The parents and baby are doing well. . . . We are sorry to hear that Bro. Anthony Mordente's sister passed away recently. May her soul rest in peace.

STRIKES AND SPARES

As each Monday evening rolls by, the race for the bowling league lead is becoming a dog fight. This week we have a three-way tie for first place between Izzo, Senate Elec. and Famous Potato Chip. Close on their heels are Dot Pies and Guigliano Florists, only one game behind. The other teams are also closely bunched and at the last place team this week could displace the leaders within three weeks. Watch the cameras, boys. It's going to be a photo finish.

This week's members of the "over 500" club are: R. Consalvo, 540; C. Speziale, 532; C. Gregorio, 500; J. Durante, 563; J. Pauletto, 540; G. Lucca, 511; S. Cirrintano, 608; C. Principe, 525; J. Consoli, 547; A. Vitallo, 546; J. Caporelli, 541; F. Arito, 500; F. Pasquale, 588; and W. Pascale, 506. Complete standings:

Fr. O'Connor Turns Out En Masse to Attend the Chapter Charity Ball

1-3 Thurs. . . . 4660 N. Kedzie Ave.

If you were one of the unfortunates who was unable to attend the big Charity Ball, we feel sorry for you. The dance floor was crowded with lighthearted dancers, and merriment was the password at every council room in the hotel. Fr. O'Connor was well represented at the dance and a good old-fashioned party was in progress all evening long in our rooms. Br. Ed Zaleski, our lecturer, was on hand as usual to see that everyone was served and entertained royally.

November 6 will be Advertisers Night. Plan now to attend this affair as this is the night when really worth-while awards are presented to the members present, by our members and business friends of the Council. If you are lucky, you might win a ton of coal, a permanent wave or have your roof patched up. More about this next week.

BOWLING DOPE

The Shamrocks defeated the King Coals all three games. For the Shamrocks, the wild game hunter Navin returned and shot 525. Their anchor man had 590. Bill King had 504 for the Coals.

Cristo Printers took two games from the Navin Inn. For the Cristos, Barney Speck shot 513. Tom Gaughan continued his fine shooting and had 572.

Widtmann Meats with plenty of shouting whitewashed the strong Alliance Ins. team. For the winners, Loohs shot a nice 591 series, while big Larry O'Shea whopped and yelled himself into a fair 542 series. For the losers, even tho bolstered by the return of their sponsor, Jim Coleman was high with 490.

Furman Funerals took three games from The Nolan Ins. Russ Reinke contributed 520 for the winners with Dr. MacDonald getting 524 for the losers.

The Karas family will be ably represented in the league, both father son will bowl.

Life is not the same without Phil Doyle around. Come on back Phil, we will forget about the first series.

Mike McGuire, father of our famous lefty, honored the league with his presence.

SCRIBE'S SCRIBBLINGS

My sincere apologies to Brother Ed. Zaleski, our lecturer, for not having given him credit for preparing the corned beef and cabbage supper at our Old Timers' Night. Full credit should be given him.

At the Charity Ball, Ed. O'Connor spotted a sign in the ballroom reading: "KENO and Softdrink Bar" and an arrow pointing to another room. He nonchalantly wandered in and up to the bar with the girl friend and said: "None of this soft drink stuff for us, give us two KENOS."

Tom Gaughan, our league leading bowler, tried to impress his wife that bowling was a man's game, whereupon pretty Mrs. G. decided something should be done. After two weeks of secret practice she challenged her husband to a match. Results: Tom firmly believes bowling is a ladies' game too, after being bested two out of three with scores that sounded like the classic league totals. Congratulations, Mrs. Gaughan, I have been trying all year to beat him just one out of three and am still trying.

George McLaughlin's mother was operated on recently and is now well on her way to recovery. She is at St. Ann's hospital under the able care of Dr. McDonald.

Brother Jules Lambeau will celebrate his 25th Wedding Anniversary on November 15. Brother Lambeau says that seven years with the wrong woman must be a terribly long time but 25 years with his bride seems like a day. Well, that's love in the present and past tense. We all hope his future is just as pleasant and full.

Tonti Members, Led by Grand Knight, Enjoy Chapter Ball

1-3 Thurs. . . . 4221 Irving Park Blvd.

Thanks to our USO Chairman, Joseph Wiedemann, Tonti Council was well represented at the Charity Ball, Saturday. Led by our Grand Knight, Lou Buettner and his charming wife, most of our officers and chairmen of committees, and a gratifying number of council members were seen tripping the light fantastic or playing games. We observed Bros. Paul Totzke and "Pop" Manczak, inside guard, proudly boasting of being a winner in the latter. His Honor, Judge Peter H. Schwaba, a member of Tonti for over twenty-five years, and one of our Patrons at this occasion, augmented Tonti's representation by his genial appearance with his wife.

That versatile young gentleman, Bro. Leo Sliwinski, outside guard, has added another notch to his string of achievements, that of terpsichorean. And did he monopolize that little girl in pink. From all indications, it appeared that the Charity Ball was a huge success, its proceeds going to the Service Club at 1122 S. Wabash Ave. P.G.K. J. Robert Anderson and Mrs. Anderson are to be congratulated on their kind gesture of entertaining on two occasions, each time receiving two service men into their home for Sunday dinner. This is the real spirit and purpose of the Service Club, as outlined by His Excellency, Archbishop Samuel A. Stritch.

Blood Donors

Outside Guard Bro. Frank J. Miller of type 2 blood, gave a transfusion to Frank Trophenbaum at Alexian Bros. Hospital on Sunday morning. Also Bro. Frank Maday gave one to his father recently. Speaking of blood donors, here's an illustration of cooperation in this movement. Through the intercession of one of our members, and help of the Grand Knight and the Chairman of Blood Donors of Carroll Council, together with the aid of Robert Du Mais, State Blood Donors Chairman, 10 units of plasma were obtained instantly from the Michael Reese Hospital.

The patient, a member of the K. of C., was in dire need of the plasma injections for a period of ten days. This entails the blood of twenty donors, as one plasma is formed by the combination of two blood donors. The Michael Reese Hospital, through the cooperation and eagerness of Dr. Levenson, and Mr. Novak, in charge of the plasma and serum center of the Michael Reese Hospital, rather than wait for the combining of transfusion of the various donors, immediately released the required number of units upon the promise of the State Chairman of Blood Donors that the plasma would be replaced.

It was made on an even exchange basis, and the Knights of Columbus are indeed grateful to Dr. Levenson and Mr. Novak of the Michael Reese Hospital for their humane gesture and willingness to cooperate in this emergency as it is doubtful if the patient would have survived otherwise. Your Council is very interested in the blood donor movement and its final success depends on the number of brothers ready for a required transfusion.

On Friday, November 7, Tonti's delegation is making its annual pilgrimage and retreat to Mayslake, Hinsdale, Ill. A group of our members have indicated their intention of regenerating their mental and spiritual well-being by spending sixty golden hours in meditation with our Lord. If you cannot go with the Council group Friday night, it will be all right to go Saturday and remain until Monday morning. Contact our Retreat Chairman, Trustee Ed Deka, if you are contemplating making the retreat.

In Memoriam

Brother Peter Hejza was called to his eternal reward on October 10. The Council met at the funeral home to pay its respects to their deceased brother on Sunday evening, and on Monday morning. Bro. Hejza was buried from St. Edward's church. The following brothers served as pallbearers: Ray Gort, Frank Jackowski, James Vanek, Lawrence Jankowski, William Ginsley and P.G.K. John Olsta.

At the wake of Bro. Hejza we learned the sad news of the death of Mrs. Frances Ruzkowski, wife of Financial Secretary Frank J. Ruzkowski, and mother of Worthy District Deputy Charles F. Ruzkowski, Lecturer Ray Ruzkowski and Brother Edward Ruzkowski. The Council members met on Tuesday evening to express their sympathy, and many attended the funeral Wednesday morning at St. Edward's. We reverently honor the memory of her who gave so much to Tonti Council. To the bereaved families of Bro. Hejza and Mrs. Frank Ruzkowski, our sincerest condolences. May the souls of the faithful departed rest in peace.

Coming events: November 6th, Turkey Nite. December 4th, Christmas Cheer. December 18th, Christmas Party. January 17th, 1942, Tonti Council Dance.

Madonna Bowling Sec'y Ageing Over Trouble in 'Spares'

2-4 Fri. . . . . 4624 Emerald Ave.

Tonite, Monday, October 13, is Der Nicht as far as the members of Local 4624 of the International Ebonite Heavers are concerned. In their more coy and kittenish moments these wee people call themselves Madonna's Bowling League, and bowling along it is. With the eight full teams lined up, Sec'y Frank Jackson is frantically dividing, multiplying and subtracting, trying to fit in the ten-odd men who persistently show up.

This eve the little dears start in battle formation on the eight alleys and woe and betide the gent who holds down the old school team, for the gents bowl for a pair of rare Hotchacha bowling shoes, they go to the highest single game with handicap.

Our heart goes out to these courageous kiddies, just think, in this land of milk and honeys, only one pair of shoes for fifty guys. There's hill-billy blood somewhere around. Next week come the scores.

THURSDAY OCT. 16

Marks the opening date for the In and Outta, Ovah and Unda 66 tournament, to be held at the Clubhouse for the next twelve weeks. This should put the closing date around January 8, figuring in Thanksgiving, Christmas and New Year's Days.

This weekly gathering will be free to all comers on payment of a seventy-five cent fee. Naturally all hop-scotch and I-spy ringers are strictly excluded from the tournament.

On Friday nites the usual clinic on World ills will be held, this applies to every week including the regular Council meetings. Next Friday, by the way, a regular meeting is due, and maybe everyone will receive the shock of his life if it starts on time. If.

We call to your feeble attention again that Financial Secretary John Pollick dearly loves to meet youse guys at the Clubhouse every Friday from eight to nine, to chat about this and that. Sitting on your chest meanwhile and frisking you. Friday night seems to be a busy one, eh?

CHARLIE SCANNELL

Bless his heart, liver and spleen, has started something in the line of new members. Did we say started "something"?—we meant, started plenty. With the Membership Drive a little over a month old, Madonna (at this writing) has approximately twenty candidates straining at the leash, waiting for November 3. And with the quota set at 49, it looks as though it will be knocked galley west by next June. Ah, heavenly days.

THE SOFT BALL

Team, while it lost out in the city finals did an about face last week and by slugging out two heavy contenders in the south side Tournament of Champions emerged as the champions de luxe. In case you don't know what the tournament of champions was, turn your good ear this way and give a listen. Sponsored by Englewood Business Men, it was required that every team entered be a participant in the final games of some city league.

Since Madonna was in the K. of C. finals, the team was eligible for play in the tournament and climaxing their weekly games came the two victories over the 77th St. Barns of the Chicago Surface Lines and the Columbia Metals teams.

The lads are now the proud possessors of a silver trophy and again we congrat them and the co-managers, Jim Casey and Jack Barry.

MADONNA'S GRUMBLING

Young Jack Fineran Jr., whose dad is also a Madonnaite has joined Bob Hope in caught in the draft. Jack's bosom pals "Syl" McLaughlin, and Mickey Ramis, are heart-broken—so they say.

A bunch of the lads paid a visit last Saturday to P. K. G. Jim Doody, acting warden of Statesville. Jim took the gawkers on a tour through the Hotel Joliet and Stateville Sanatorium for Restless People. Hope ALL of 'em came back.

Phil Kramer has been having a tough time with pneumonia, but seems to be beating it. Mike O'Callaghan is convalescing after an argument with a taxicab, and Capt. Gene Barry's eye infection is still annoying him.

Andy Conlin is now waiting for news from youse. His address: Andrew J. Conlin, Prvt. 3 C., United States Receiving Station, Navy Yard, Philadelphia, Pa.

THE VOICE

Came out of mournful retirement last week and commenced again with his vile canards (reminds us of a certain other voice). Maybe (maybe, yet!—Ed.) we don't look so hot in a bowling shirt and spindly shanks. But our conscience is as pure as the new fallen snow. The Post Office Department isn't after US—again.

(We'll take the P. O. boys—or they'll take us if some of our little playmates don't behave—in preference to the guy with the net that is usually tearing after you! And we know from the padding on his wagon he isn't any dog-catcher.—Ed.)

HUGHES WILL HONOR PGK POSTILION TUES.

1-3 Tues. . . . 4711 W. Madison St.

P.G.K. Dr. Postilion Night will be observed Tuesday, October 21—make it a date to be in attendance to do honor to one of our order's greatest Knight's, and particularly, one who has done much to further the welfare of our Council. Show by your presence that, you, too, appreciate his work. Entertainment and refreshment—enuff said.

The business meeting will be called at 8 P. M. All officers, please be on hand then. At our last meeting we had with us our recently appointed District Deputy Art Donoghue, who gave a very interesting talk.

MEMBERSHIP COMMITTEE reports that applications are coming in and there should be no letup in your efforts to increase our roll. Brother Bill Kane, our Chairman, is doing a wonderful job but some of the load should be assumed by the membership in general. Are you doing your part? If you are experiencing any difficulty in signing up your prospect consult Brother Kane or our congenial Financial Secretary Dan Harper, either of whom you will find only too willing to help.

At our last meeting we admitted ten new members that had been sponsored by second degree: William Kane, Elmer O'Brien, Anthony Slanina, Al. Kowalski, John Korbel, (2), John McKeown Sr. DD, Dr. H. Ganey, Albert Gilbert, and Charles Stuart.

CHARITY BALL—Our Grand Knight is very grateful to his committees for the splendid work done in connection with the Charity Ball. P.G.K. Elmer O'Brien, P.G.K. Dr. Postilion, your Grand Knight and Officers express their kindest appreciation and thanks for the wonderful showing. Plaudits to P.G.K. Harold Enright and Recorder Ray O'Brien also Brother William O'Brien for good work in handling the many details of our room party.

LOST AND FOUND—Will the Brother, who, in error took a grey tweed top coat with handerchief bearing "C" or "G" please contact our Chairman P.G.K. Dr. Postilion or the Grand Knight and arrange exchange.

BOWLING

It is a promise, but not a surety, that more alleys may be obtained for our council league. The chances are remote but powers say possibly we may be fortunate in making the grade. Therefore, in order that our committee may know whether the demand will merit the trouble let our League Secretary P.G.K. Harold Enright or Grand Knight, know if you still want to roll.

Our Major Team is now in a tie for first place with Brownson and Quigley—due to winning three games from Chicago Council last Friday—Clarance Garant with games 199-234-225—a series 658 led Hughes.

MAKE IT A DATE FOR FRIDAY OCTOBER 24th when we meet Brownson in another crucial series.

Hen. Shields Program for Future Meetings to Keep Members Busy

Oct. 22-Nov. 12 . . . 446 N. Parkside Ave.

When Bill Phalen was appointed Lecturer, we felt that the office had been placed in good hands and we could confidently look forward to a season of well chosen and interesting programs. So far, we have not been disappointed, and, as a matter of fact his efforts have exceeded our expectations, and results are already evident in the increased attendance at meetings.

Lecturer Phelan announced and outlined his future programs at the last meeting which include a Ladies Night on Nov. 12 (admission 50c), Past Grand Knight's Night on December 10, Children's Christmas Party on Dec. 21, and St. Patrick's Party at the Graemere Hotel Mar. 21. You may rest assured you will get your money's worth on each and every occasion. As we may not have said before, Bill's enthusiasm is spreading to the membership and they are beginning to realize something is missed when they fail to attend meetings.

NEXT MEETING

On Oct. 22, Lecturer Phalen promises another highlight in the way of speakers of prominence and importance, or some other equally interesting program. We know you will enjoy a profitable evening so come and widen your knowledge of contemporary events and munch a lunch and drink a toast to the kings of Ireland.

SKITTLES SCORE

Our bowling league, due to the efforts of Jimmy Ford, president, for the first time in several years is faced with the odd situation of having eight full teams and a few bowlers over. Competition for places will keep the boys on their toes.

In last Tuesday's series, Ed. Riley's Insurance Writers, with the help of a generous handicap took three games from the Ray Foley Grills. Likewise the Frank Hayes Barbeques (Harlem and North Aves) with a nice handicap and Gibbons 219 grabbed three from the Harwood Florals. M. C. Fogarty's Menswear took the odd games from the Midland Pipe & Supply and Costello & Son Boosters won two from John J. Hayes Hatters. Roy Murray had 200 in the first.

Our Friday night team enjoyed a profitable evening taking two from Carroll Council, Tom Butler contributing 607 to the profit side.

THE SOUNDING BOARD

Geoffrey Whalen, P.D.D. of Massachusetts, our speaker at the last meeting, has led quite a busy life. A veteran of the World War, he was attached to the 26th Division, 101st Regiment and assigned to the War Intelligence Unit. Has been in the theatrical profession for many years and made appearances on the radio and for the past several years has been filling speaking engagements all over the country. On the day he spoke at our meeting he also addressed the Kiwanis Convention at Springfield, Ill. with Father O'Brien of Notre Dame and Governor Green as co-speakers. His speech covered Catholic Action, Americanism and the preservation of the Catholic Home and was heard with meticulous attention, as deserved a very excellent talk.

Our sympathy is extended to Bro. Joe Murphy in the loss of his father-in-law Joseph Reid, whose funeral was held Sept. 8, and to Bro. Ed. Harding, in the loss of his mother-in-law Mrs. Mary Hickey, whose funeral took place Oct. 10. May the souls of the departed rest in peace.

The Hennepin Shields party at the Palmer House Charity Ball numbered about sixty and the Council reception room was in a lively state of turmoil all evening. The absence of PGK Daley, listed as a patron, was noticed with regret, as he is one of the leading spirits at all occasions. G. K. Cummins, Lecturer Phalen and PKG Welsh are to be complimented on the successful efforts they exerted in behalf of the party.

William J. Nolan, 230 N. Latrobe Ave., will learn something distinctly NOT to his advantage if he will communicate with the Lecturer. In the horse shoe contest he is short with the score at 1250.

Mike Gibbons has taken over the management of the Meat Dept. at Bastien's Market at 113 N. Cicero Ave., where he will dispense Bastien's Famous Corn Beef and other prime cuts of tender and juicy meats. This gentleman goes under our biographical microscope in the near future.

For the next couple of months at least, instead of trying to make sense out of the rumors and reports of war, we can go happily and hysterically crazy Saturday afternoons at the football games. G'BYE.

St. Paul Will Serve Dinner Tuesday Night in Council Chambers

1-3 Tues. . . . . 6713 Olmsted Ave.

"LADIES' NIGHT" was another successful party in the long list of accomplishments to the credit of the council. The attendance could have been a little better but we are sure that all those who were present had a nice time. Winners of the Chicago Chapter Charity Ball tickets, donated by the council as door prizes, were Mrs. Lidinski, Florence Guenther, B. S. Oren, Mrs. Don Ellwood, Mrs. Gerken, W. Sikorski, Mrs. A. Kremer, Don Ellwood, J. Lidinski and E. Kasper. The committee for the evening did a splendid job and is due a rising vote of thanks.

A fine representation of council members and their ladies attended the Columbus Day charity ball at the Palmer House. We have been informed by reliable sources that over forty couples of our council were on hand to enjoy the evening. And, judging from the crowds, the undertaking was a huge financial success.

This is our last opportunity, in this column, to direct your attention to the fact that "Good Fellowship Night" is on in the council chambers next Tuesday. This will take the form of our annual corned beef and cabbage dinner preceding the regular meeting. Dinner will be served at 6:30, so we advise promptness and punctuality lest you come and go away hungry.

Every one is invited. We won't try to describe the delicious corned beef, the tender morsels of cabbage and other delectable food that will be served; we want you to judge, for yourselves, the excellent qualifications of the council's cuisine under the direction of Geo. Wallenborn and that able assistant, Geo. Moldovan.

Don't forget that our annual memorial communion Sunday is scheduled for Nov. 2, eight o'clock Mass, at St. Paul of the Cross church in Park Ridge.

We hear that: Brother Richard (Dick) Stretch drove to California recently. . . . Also our warden, William (Bill) Gregory, is attending a convention of Ry. officials in the same locality. . . . Bro. Bud Suerth was elected lieutenant-governor for the 11th district in KIWANIS. We told you a few issues back it would be easier to elect him than to get his consent to have his name in nomination. . . .

BARRY PUSHES PLANS FOR PARTY ON NOV. 8

1-3 Tues. . . . 2856 Washington Blvd.

As this goes to Press, we receive a note from our Chairman of Program Committee,, Mr John Tamburrino, who sends in an appeal on the program for Barry's aniversary dance and party on November 8. "We are looking forward," John says, to every member on this Committee to make returns as soon as possible. Those who cannot attend the meetings may reach me either at the Bowling Alleys every Thursday night or by telephone at Mohawk 6166 or Palisade 4701."

It is hoped that every Committee member will get at least $10.00 worth of ads and $10.00 for our Patrons and Patronesses list. Any member not on any of these committees who desire to place an ad or patrons list may do so by calling the clubhouse as we do not want any member of Barry Council to say later that he would have enrolled if he had been asked.

The returns to date are very satisfactory with many more still promised. The deadline for Ads is set for October 25, as we must get the program printed in time for the date, so let's hury!

A line to congratulate hard working James Shirley Conley for fulfilling his promise to deliver $100.00 worth of ads. He has now accounted for $87.50 and has a sizable patrons list. We feel sure that he will be over the top in our next report. Keep up the nice work, Brother Conley!

We would like all the members to make remittances for their tickets early thus relieving the ticket committee of their burden as soon as possible.

CONDOLENCES

It is with sorrow that we write of the passing from this world of Father Joseph P. Anderson, who was one of the Fathers on our Associate Roster. Father Anderson passed away on October 2.

We also regret to announce the death of the Grandfather of Brother James Lozzi, who passed away on September 8th.

MEMBERSHIP DRIVE

As this is being written the Membership Drive Committee are in a huddle to find ways and means to bring more members into Barry Council, and to bring old members who have dropped out during the lean years back into the Council. This drive continues from October through March 1942.

HELP—HELP—This little appeal is written for the benefit of those who never contribute anything to this column, and who must think that Ye Editor is a wizard to pick news out of the thin air. We expected very little co-operation during the summer months when so many of you are on vacation, but now that winter is about to close in on us won't you help a fellow out and contribute something to this column? Remember, this is your column and the more that can be said in it that is of interest to a majority of you, the more interesting it will be for all of us. Thanks.

For the benefit of those who weren't at the last meeting may we say that the whole affair was a huge success. We can say with pride that we have a real, live awake Lecturer in Bill Kennelly; he never fails to think up something that will be of interest to the many who are now getting the habit of coming to the meeting again.

BARRY BOWLING LEAGUE

The Barry Bowling League is sponsoring a series of card parties during bowling season and the first one will be held in Clubhouse on Wednesday October 29 and will be called Air Liners night in honor of teams representing the American Air Lines, United Air Lines, and T. W. A. Each night will be dedicated to one of the teams and all bowlers and their friends are asked to boost the parties.

The Kaindls broke the ice in their series with Garfield Restaurant and nally put one win for their nights work. Frank (Duke) Lane did the heavy work for the Kaindls with scores of 178, 205 and 213 for a 596 series. Lou Rosenmayer had high series for Garfields with 548 nd 194 high game.

Senator Keanes won two from United Air Lines with Frank Kucera getting high series with 537 and high game 193. Al. Kurtz had high series for United Air Lines with 518 and brother Joe Kurtz had high game with 197.

Faucher Bros. made a clean sweep of their series with De Mares Coal with John Tamburrino getting 564 series and high game of 192. Jeff Fleming had high series for De Mares with 491 and high game of 177.

Ahern Morticians won all three from American Air Line with Tom Ferrarini getting high series with 487 and Art. Mcman had high game with 184. Rocco Orsitano had high series for Air Liners with 503 and high game of 187.

Smith Funeral Home won two from Cowley's Cafe with Leo Capuanni and Ed Biedzycki tying their series with 519 and Leo getting high game with 202. John Wall had high score for Crowleys with 174 and Bob Furlong had high series with 472.

Little Jack Restaurant won two from Kedzie Coals with George Rose going to town week after week with a 566 for his evenings work and also high game with 199. Joe Crowley had high series for Kedzie Coals with 508 and high game with 186.

Cunningham Insurance won three from Sheehan Chili's with Jim Tyrell getting high series with 532 and southpaw Mike Cunningham getting high game with 210. Al. O'Malley wanted to make his sponsor feel good when he came back from Tower Rock so he hung up a 534 series with 221 high game.

T. W. A. Air Lines won two from Mid-West Auto Service with Mort Flynn getting high series of 521 and high game of 190. John (Usual) Foley had high series for Mid-West with 574 and high game of 204. Last weeks prize winners were Frank Lane, Frank Kucera, Al. O'Malley, Mike Cunningham, Ed. Morgan, Jack Grisim, P. Rizzo, Milt Vurpillat.

We have a few openings on some of the teams so if any of the brothers would like to shoot in the league see that you are at Cascade Alleys 3825 W. Madison St. Thursday evening at 8:30 and we will see that you are taken care of.

"HERE AND THERE"

John Wall, Cousin Larry Westphal, Maurice Flynn and a few more of the boys are making a drive for old paper as Phil Cullen has locked up his supply of envelopes that the boys were using for score cards.

We understand that a friend of Pete Orfino is donating a set of pillows for Pete to sit on so he will be high enough up to see the green and red lights.

We see that Andzia Kuzak a sister of brother Ted Kuzak who shoots with Senator Keanes is making her debut in the New York Opera stage singing the comedienne's role in "Con Fan Tutte." We wish to express our best wishes to this promising star and hope she will keep on climbing the ladder of fame.

Americus Lets Fancy Soar for Some Fancy Assortments of Fact

2-4 Tues. . . . 3350 W. Jackson Blvd.

As we sit down to write, the Calendar reminds us that just about this time 449 years ago Columbus laid the first white hoof on these American shores. We wonder what he would say if he returned today?

He would have been thrilled if he went to the Chapter Ball at the Palmer House last Saturday night, to see the great crowd there to do him honor and at the same time to raise funds for the N.C.C.S. He would have been proud of the Order that bears his name.

His thoughts might have been mixed if he dropped in at St. Philip Gym on Friday evening to see Americus Bowling League in action. He would have congratulated Harry Ryan on his 214 game and Jim Mooney on his 201 score. He would have seen Scott's team take two games from the Corsos and the O'Rourkes take the odd one from the Costellos. We know that he would agree with us, that some of the boys don't bowl their best on the alleys.

We know that if he was a member of our Council he would be out trying to get a new member and he would be out to see Jack Crawford at 5061 Congress St. with this quarter's dues and would discover our meeting hall each second and fourth Tuesday evening. You are a Knight of Columbus, do it for him.

Columbus would have been pleased, we know, if he dropped into D.G.K. Powers' home a few Sundays ago and found John and his lovely wife entertaining four soldiers, four boys far from home, lonely in a big city, who had dropped in at the N.C.C.S. Club at 1122 S. Wabash Ave. At the end of the day they agreed that it wasn't such a bad world after all. You too, can please Columbus by calling Wabash 0140 and inviting a boy out for Sunday dinner.

We have just learned that another of our Brothers, Bill Tully, will don his soldier uniform soon. Best of luck to Bill and we hope to hear from him as soon as he gets set. Private John Mooney got in from Camp Forrest in time to take in the Chapter Ball. John is home on a fifteen day furlough. We don't have to tell him to enjoy himself, we know he will. Had a nice visit with Private Frank Sattler before he went back to Mississippi. Frank still feels the effects of the accident he was in, but before long we know he will be in there pitching better than ever.

A letter comes from Private Jack Welsh at Camp Davis, North Carolina, and here it is.

Dear Gus: Long time no answer letter but I was just released from the hospital a few hours ago. I twisted my knee on the 10th of September. The cartilage went under my knee cap and my knee locked on me and I spent over twenty days in the hospital but am O. K. now.

Down here we are awakened at 5:45 a. m. for reveille and roll call, then we make our beds and clean up the barracks. At 6:30 we have breakfast then we polish up the Battery area and at 8:00 a. m. we leave for a four hour hike. At 12:00 noon we have dinner and rest till 1:00 p. m., when we go out and work on our 37 MM. gun for about three hours then we have an examination on what we learned about the gun that day. We then get ready for retreat and supper. In the evening we play ball or read or write until lights out at 9:30 p. m. or we go to the day room and read or play darts until they blow taps at 11:00 p. m. Outside of that we don't have much to do. Tomorrow some of us are going through the gas chamber to see if we know how to use our gas masks. So I will probably shed a few tears.

Our Holy Name Society is coming along fine down here. The boys are really interested in it; we have about two hundred members in our regiment. The food is not bad but we get no cookies and you know me.

Had letters from Tommy Gallagher and Bill Quirk, each enclosed a dollar. Don t they know I get twenty-one dollars a month and don't need any money! I have eight dollars left from last pay day. Will try and write soon again. Give my love to all the gang.—Jack.

P. S. I have learned to cook, I am a wonder now!

Keep up the good work Jack, we know the coast is safe with you there. Just got a card from Bro. Ed O'Callaghan who is in California, our boys really get around.

Setters Pays Tribute to Past Grand Knight Maurice J. Kissane

2-4 Thurs. . . . . 4711 Madson St.

Maurice J. Kissane, who recently retired as Grand Knight of Father Setters Council, was the guest of honor at a testimonial celebration held on Thursday evening, October 9. An unusually large gathering of distinguished leaders of the Order joined with the members of Father Setters Council in paying tribute to the Past Grand Knight.

The principal addresses were delivered by Chaplain, the Rev. Timothy Sullivan, Rev. John O'Connell, brother-in-law of the guest of the evening, and by Philip C. Nilles, Master of the Fourth Degree. Among the other speakers were: Past Grand Knights Roy Benish and Al Thompson of Saint Patrick Council, Past Grand Knights Sam White and Tom Bogan of Bishop Ketteler Council, Past Grand Knight James Crosby of Charles Carroll Council.

Past Grand Knight Dr. Postillion of Hughes Council and Grand Knight Roy P. Bedore and Past Grand Knight Edward J. Lavin of Father Setters Council. Congratulatory telegrams were received from Past Grand Knight Al L. Fik and Trustee Henry Iding of Father Setters. Thomas Creegan, Grand Knight of Saint Patrick Council and from John O'Shaughnessy, Past Grand Knight of Saint Patrick Council.

In stressing the high points in the long and honorable career of the guest of the evening, the speakers were unanimous in singling out the sterling and militant Catholicity of Maurice J. Kissane as his most dominant characteristic. They further pointed out that this noble virtue is accompanied by a vast storehouse of practical talents which have been evidenced by the marked success which has distinguished his record in every post of honor and responsibility which he has held in Father Setters Council.

Among the prominent Settersites who joined in this testimonial celebration were: James P. and David Kissane, brothers of the Past Grand Knight, James Egan, Frank W. Long, Austin E. Ryan, Joseph T. O'Donnell, Ed Kouba and Edward S. Rye, who is in town for a short time on a visit from California.

EMIL FIK HONORED

For ten years Emil Fik, brother of Past Grand Knight Al L. Fik, has fulfilled the responsible duties of Trustee of Father Setters Council. His career has been noteworthy for his close attention to the duties of the position, as well as for his diligent work on behalf of the organization.

Therefore, his numerous friends and admirers among the members and the Order in general joined in a testimonial tribute to our distinguished Past Trustee, combining this with the celebration in honor of the Past Grand Knight and turning the last meeting into a joint "Kissane and Fik Night."

In honoring these two leaders of the organization, the members of Father Setters Council wish, in a small way, to convey to them our sincere appreciation for their years of service and our hearty congratulations upon the magnificent records they have established for all their successors to follow. At the conclusion of the ceremonies, a gift was presented to each as a token of the sentiments of high regard in which they are held by their fellow Council members.

FRANK PRIOR

Again Brother Frank Prior has heroically answered the call of Christian charity and has been instrumental in saving a human life. His magnificent and splendidly courageous act consisted in being for the second time, the donor of a substantial quantity of blood in an emergency transfusion to Thomas Gallagher, son of a member of Father Setters Council. Young Tom, a former student at Quigley Preparatory Seminary, has lain at death's door for many months, a victim of a rare disease which has caused the continuous depletion of his blood supply.

A few days ago the call went forth for blood donors in a desparate effort to save the youth's life and Brother Frank Prior promptly responded. The transfusion took place and the young man rallied. The latest report is that he is progressing nicely.

The members of Father Setters Council join in expressing to Brother Prior our highest praise and congratulation for his unselfish heroism.

Dowling Officers Outline Programs for New Records

2-4 Tues. . . . . 3625 So. Hoyne Ave.

At a special officers' meeting last Sunday afternoon at St. Maurice's Hall the officers charted plenty of business to take place at our regular meetings for the balance of the year.

The first brother to be called upon was our hard working chairman of membership, Tom Gallagher, who gave a very inspiring talk about getting new members. He has had plenty of experience and gave us some very good pointers. Tom reported progress to the date as we have about 15 applications for the first and second degrees to be held at Weber Council, 4758 S. Pulaski Rd., on Monday evening, November 3. He asked that a good attendance be present at these degrees. The class is mostly composed of new bowlers and in recognition of the fine work the league is doing it was agreed by the officers to be named the Harry J. Lorden Bowlers Class.

The Grand Knight also called upon our new lecturer, Earl Dunne, who mapped out his program. He has a very extensive lineup for the balance of the year. On Tuesday evening, October 28, after a short business meeting the night will be turned over to Bro. Harry Lorden, who will act as chairman of the Halloween party in honor of our ladies. He has games, entertainment and dancing arranged.

His next meeting will be held on Tuesday evening, November 18, instead of November 11. This change of dates was made because of Armistice day. This meeting will be our Annual Memorial and Turkey night. Bro. Michael P. Carroll is chairman of this committee and solicits your cooperation. We will have a business meeting on November 25.

The next important meeting is the membership night which will be held on Tuesday evening, December 9. This will be an open meeting and you can bring up as many prospects as you wish; this meeting will be under the guidance of Chairman Tom Gallagher and he invites you and your non-member friends.

Our lecturer's final meeting is in the way of a Christmas party for the children. He had made plans to raise the money for the cost of the party and in the near future you will be advised of his plans. To wind up his program he will sponsor a huge dancing party in the middle of January. Earl is to be complimented on this wonderful setup and with your assistance we are destined to go places.

The question of our members in service was also taken up and it was voted that we carry those that were unable to pay dues and also prepare a grab bag in the Council to forward useful articles to these brothers.

CUFF NOTES

THE CHARITY BALL was held last Saturday evening and from all indications it was very successful. We must make our returns to the Chapter at once and I would appreciate your returns at your earliest convenience. You can make returns to John Struve. 4517 So. Christiana Ave. or R. F. Kelly, Room 700, 910 S. Michigan Ave. This is very important and merits your immediate attention.

Daniel Dragel, a member of the police dept., was successful in the recent bar examination. We congratulate you Dan and wish you success in your new endeavors.

Nick Juric, another one of our police officers, was operated on a couple of weeks ago and at this writing I am informed he has fully recovered.

Joe Pacer and his bride, formerly Miss Veronica Zintak, are spending their honeymoon in Mexico. We expect you to make a meeting occasionally Joe.

Jack Purtell was confined to the hospital for a while with a stomach ailment, but is now at home, 4618 S. Albany Ave. and on the way to recovery.

Al Dalaege is home after a few weeks in St. Anthony's Hospital. Al resides at 3517 S. Hoyne Ave. Stanley Gorz of 2622 Montgomery St. was confined to the hospital for a while and is now at home.

Martin Deiterick is our new chairman of that important blood donor committee and is anxious to get every member's support, when he calls upon you give him your wholehearted cooperation.

Mr. and Mrs. Harry Silvestri of Oak Park are the proud parents of a baby boy born Monday evening at Oak Park Hospital. Mother and baby are doing nicely. Daddy will be back to normal in a few days. His chest expansion right now, however, prohibits any use of a vest.

PIN TUMBLERS

Our bowlers are getting hotter than a dutch oven, our star bowler the captain of the Gormley's, we mean "Pot Game Christin" won't take less than a 600 series on Thursday nights. This week he hit a 610 series with two individual games of 214 and 215, but he was tied by Ed Blythe for the high game series. Ed was not so hot this week as he was bowling beer frames with "Giddap" Walter Lorden, who got a 202 game. Mart Deiterick of the Dr. Laibes was right behind them with a 589 series, next in line was "Come On Daddy" Harry Lorden with a 557 series. Geo. Connelly Jr. had a 540 series.

Geo. Mulholland, captain of Dr. Michels, had a 524 and our old hook ball artist, Kasey, had a 501 series. Believe it or not our new bowler came thru with a 210 game and without the help of his heart throb, Grace Phillips, being present. Red Bow Tie Gene Connelly shot a 514 series — he did not get it honestly as you could see the pins blush as he would approach the foul line.

Can you imagine a fellow biting himself? Well "Pete" Jankowski did last week when he sat down; he had his enamel bone grinders in his back pocket.

We heard of butchers that cut themselves with knives but never with wires. for further details ask John Snyder. Our cheering section is on the increase. We had that real old time rooter "Ma" Green with us and "Mama" Lorden, the daughter Mrs. Skillen and Miss Brosnan.

Last week's results were: Dr. Michels won two from Cong. Beams; Cont. Dalaeges won two from Zintak Boosters; Rep. Gormleys won two from Dr. Laibes; Dunne Tires won two from Ald. Hartnetts All the leaders took it on the chin for the second week, which proves that the boys are getting hot.

Pinta Praises Father Wieler on Successful Columbus Day Meet

1-3 Thurs.....St. Mary's, Riverdale

As a member of our Order and our Chaplain, Fr. Wieler presented to the Community and his parishoners a program observing Columbus Day.

It must not be taken for granted that the observance was especially commemorated in behalf of the K. of C., but the majority of non-members and other denominations are doing just that. However, it must go on record that in conducting the program, Father Wieler won deeper respect in the community and from Pinta Council as well.

It is a poor thanks from the K. of C. who should have been present in large numbers. How else can we increase membership in our Order if support is lacking as it was last Sunday.

We should have taken advantage and showed those present what the K. of C. really are.

PAST HISTORY

If you could have been present in Room 747 of the Palmer House the night of the Charity Ball, you would have seen the young people take the place of the old gang. Though the evening was enjoyed by all, the presence of those who attended in the past was missed.

Bro. John Zmahar showed up near closing time. John had a young lady on his arm who came all the way from Berlin, Wis., to be with him that evening. Incidentally, last Saturday Bro. Zmahar appeared on Station WGES. John gave a speech paying tribute to Columbus in behalf of his countrymen.

Congratulations to Bro. Bill Kummerer whose wife presented him with a baby boy on Oct. 6 at St. Francis Hospital in Blue Island.

Loyola-H. P. Ladies Invited to Hard Times Party Next Thursday

2-4 Thurs. . . 7435 Cottage Grove Ave.

LADIES: LADIES: Please take note that a HALLOWE'EN OLD FASHIONED HARVEST AND HARD TIMES COSTUME PARTY has been planned for this coming Thursday, Oct. 23, at 7435 Cottage Grove Ave. When we say costume we mean costume, and to reinforce this issue the entertainment committee will level a fine of not less than twenty-five cents on anyone who comes without a festivity garment.

The fines collected will be added to the prizes given for the funniest dressed couples or the best costumed pair or individual. Don't let the lack of a costume keep you away. Just dig into the cedar chest and find something, an apron, a funny tie, some burnt cork and etc. Music and song will prevail, and Grand Knight McGuire with his wife, Ann, will be there to greet you.

THANKS NEIGHBORS

Our last meet on Oct. 9, in honor of Columbus, brought to our open meeting many Holy Name men from neighboring parishes. Many found out before the night was over that a big membership drive was on. We thank D. D. Jerry Sheehan for his fine talk on Columbus, and also we wish to thank Past Great Commander, James P. Feeney, for his talk on "Americanism." Pat Kennedy, a story teller of note, came from Perez.

A fine delegation of St. Philip Neri men were on hand, led by their Grand Knight Bill O'Neil. Bill gave a nice talk and Bill Spinnar entertained with piano selections. In attendance with G. K. O'Neil was Charles McNicholas, a prospective member, John J. Rohn and R. Knutson who say they have been contacted by Bill for membership, and T. Mullins, an old-time K. C. from out-of-town. We like him and now that he resides in Chicago, we wish he would transfer to our council. G. K. Kelly of McHale Council brought up a fine lot of young fellows who enjoyed themselves.

Bro. Joe Gonzalez brought along an accordion player from St. Thomas the Apostle parish. He is Richard Gruber, who at thirteen, plays like a master. Herman William Plute's triplets, thirteen years apiece, entertained famously. Thanks Herman, for bringing the grand trio with you. With G. K. Kelly came W. J. Schaefer of St. Sabina's. Also seen was Dr. George H. Copia who brought R. Martin from St. Dorothy's. Our own members were busy seeing that our guests were comfortable, and heading this list was G. K. Jack McGuire.

Next comes P. G. K. Dick Judge who gave a nice talk on membership besides introducing the speakers. Hardest worker of the night was Brother Herman Rack in charge of the food and drinks. Words cannot express our appreciation and admiration of Bro. Rack for his many years' services in our behalf. Tom Fay did his part well by introducing the guests and Dick of course was a busy treasurer. Art Jacobs was collecting dues. P. G. K. Charles Lawler sure makes a fine looking cop. And so ended another successful evening. Thanks to all.

STORK CALL

The stork dropped a bundle, Marie Lou is to be her name, at St. Bernard's Hospital last Oct. 6. The parents are Mr. and Mrs. Wm. Percy. Good luck to you all, and of course Bill's chest has a right to be expanded.

EXAMPLE: Here's something for new members to take note of—P. G. K. Tom Shaughnessy, although living in Lostant, Ill., for the past twenty-five years, has kept up his dues regularly. Members who use all social advantages but are negligent in payment of dues, should take special notice. The financial secretary lives at 8035 St. Lawrence Ave., Rad. 8053.

KEEP IN MIND: Bowling every Friday night at 9:15 at Esquire Alleys, 80th and South Park. Ladies' Night, Oct. 23, Costume Party at 7435 Cottage Grove Ave., Communion Sunday, Nov. 2, at St. Thomas the Apostle Church, 55th and Kimbark. Memorial services at our own hall on Nov. 13. Please be there.

La Rabida Names Bro. Frank J. Healey to Trusteeship for Year

2-4 Tues. . . . 6236 Princeton Ave.

Past Grand Knight Frank J. Healey, one of LaRabida's most active sons, was elected a trustee of the council at the last meeting to fill the vacancy caused by the resignation of Brother Charles Inman.

Bro. Healey, truly a great leader in the council and the Order in this jurisdiction, was immediately inducted into office and will serve in that capacity for one year and no doubt render a good account of his stewardship.

He has served this council as recorder, chancellor, deputy grand knight and grand knight and has indeed made a splendid record. His intelligence and genial disposition have endeared him and his desire to share the burden in any project proposed by the council of the Order has made him widely known and admired throughout knighthood in this jurisdiction.

Keep up the good work, Bro. Healey and may good luck and good health follow you in your endeavor to make La Rabida one of the most outstanding councils of the Order.

CHARITY BALL

The Charity Ball has come and gone but it has left in its wake another milestone in Knights of Columbus activity For last Saturday evening at the Palmer House, with both the Grand Ballroom and Exposition Hall filled to overflowing, some five thousand people participating in this affair had a most enjoyable evening. As usual, a goodly number of La Rabidians and their ladies were on hand to assist in making this affair the great success that it was. Our Grand Knight, John Farrell, was very much in evidence with the genial smile and handshaking would cause one to wonder if he is a candidate for public office.

CON DRISCOLL NIGHT

On Tuesday evening, Oct. 28, La Rabida will pay tribute to Bro. Cornelius Driscoll who served this council as its Grand Knight during the year. Please keep the date in mind brothers and prepare now to turn out en masse for this outstanding son of La Rabida who made such a splendid record as its leader during his term of office.

We are sorry to learn of the illness of Bro. Dick Phillips Grand Knight of Englewood Council who is reported in serious condition at Englewood hospital. No visitors are allowed at this time. Bro. James Kirkland is making rapid strides toward complete recovery following a recent gall bladder operation performed at the Little Company of Mary hospital.

Washington's Guests Add Much Interest to First October Meeting

1-3 Tues. . . . 5th Ave. & Wash. Blvd

Washington Council was honored at its Oct. 7 meeting by the presence of Father Perrini, Sacred Heart Seminary, Melrose Park, Ill., and Judge Winn G. Knoch Circuit Court Judge and Chairman of Du Page County Retreat Movement. Both of these gentlemen participated in the program following the regular business meeting. Accompanying Judge Knoch and taking a bow was Dr. R. J. Fanning of Naperville.

Judge Knoch, a knight for twenty seven years, made a stirring appeal for a more dynamic and better informed Catholicity to meet and cope with present day conditions. The judge, who is vitally interested in the Mayslake retreat movement, made it quite clear why every knight should attend a retreat. It was a pleasure to hear the judge talk and to mingle with him socially at the close of the meeting and we look forward with pleasure to his next visit.

Following Judge Knoch on the program was Father Perrini who entertained everyone with colored movies of beautiful Holy Hill on the seminary grounds in Melrose Park. This lovely bit of landscaping has developed into a charming shrine and we believe many of our members will accept Father Perrini's invitation to visit this fair spot, an outstanding scenic attraction right here in our own back yard.

On his recent visit to the far northwest, our treasurer, Gilbert Hansen, had the pleasure of visiting with Father Keane, internationally known as the founder of the devotion to our Sorrowful Mother. Father Keane sent his best wishes and asked to be remembered to the members of Washington Council.

A word of appreciation is due Brother Leo Metz who was in attendance at our last meeting. Leo traveled from the far north side, a good many miles, to be present and we think this shows a fine attitude worthy of mention.

Our sympathy is extended to Mrs. Robert L. Lovejoy, wife of our financial secretary, in the loss of her sister Kathryn Desormeaux who passed away last week. Eternal rest grant unto her Oh God.

We are sorry to report the serious illness of Bro. Paul Dolan, son of P.G.K. Tom Dolan. It is the sincere wish of the entire council that he will soon be restored to full health.

We regretted to hear of the grave illness of Joe Moreno, a former member of this council and brother-in-law of Bro Carmine Nunziato. Joe is in a critical condition at Hines Hospital but we pray and hope for his early recovery.

Bro. A. W. Gieser was the receipent of the charity ball ticket. As he was going to his brother's wedding reception he presented the ticket to your scribe who used it, enjoyed the ball, and hereby publicly thanks Bro. Gieser. On the program the name of John Joseph Ryan was noted as purchaser of a patron ticket.

It certainly was a pleasure to see Bro Vincent O'Leary attend his first meeting since last February. As a reward for this effort our G.K. appointed Vince chairman of our 1942 St. Patrick's Day Party assisted by Messrs. O'Rourke, O'Donnell O'Morrow, Ryan, McAuliffe, Delaney Dolan, Collins and every other Irishman in our Council.

Attend Newman Council's All-Star Boxing Card, Fri., Oct. 24 at St George's High School Gym., Evanston.

4 Mon.....3437 Ogden Ave.

Tomorrow (Saturday) evening the big ent of the year will be held at Sokol icago Hall when the council holds its nual dance. Don't forget this Satur- y evening, Oct. 18, and be on hand to rticipate in the merrymaking.

Grand Knight Edward A. Oakes and airman Alexander Olszewski inform us at every detail for the affair has been mpleted and that an enjoyable time is sured. It is hoped that every brother d his "best girl," with many of his ends, will be among the group that thers to dance to the music of Augie haid's nine-piece orchestra.

LADIES' NIGHT

A very large gathering attended the lies' night last Monday. After an en- rable time at cards and dice (in sets three, if you please) the ladies were ned by the knights who had attended ir meeting in the hall upstairs, to see movies. The movies, presented by . Anthony Feltych, proved to be educa- nal as well as entertaining and we are iteful to him for his share of the en- tainment. The movies of the last ncil picnic were enlightening to say least. Hollywood, here we come!

Our worthy chaplain, Father Derwinski, y kindly loaned us his movie projector the evening and thus paved the way the success of the evening. Many nks, Father.

KETTELER ITEMS

PGK BARNEY CZERWINSKI again minds the brothers about the member- p drive that will soon be under full am ahead. Barney calls to mind that ditions of economic distress that sed many eligible candidates to delay rance into the order no longer exist consequently applications should be t much easier to get. Plans call for rst and second degree to be held soon, why hesitate? Get your applications so they can be acted upon and get the ncil well started on its quota before first of the year.

THE L.G.A. CLUB will hold its in- llation of officers at the next meeting, be held on Monday, Oct. 20. The offi- s of this group invite everyone quali- to attend to do so. GK Edward A. kes and our worthy lecturer, PGK n Bogan, say that fifteen potential rth degree candidates for the next iation have stated their intentions of ing this patriotic degree. The only lification is that the candidate must e been a third degree member for at st two years prior to his initiation into fourth degree. If you don't think you have the necessary fee at the time the initiation (March 1, 1942), PGK n Bogan will hold any deposits you y wish to make. In the event that do not take the degree, your money be returned.

JOHN P. BONK has taken over the ies of financial secretary to our coun- . His address is 2716 W. 23rd Pl.

The Dr. Peszynski Boosters maintained r lead over the other teams by trounc- r the St. Paul Federals two games. Gomolski soared into the individual el by shooting a 608 series. He was sted by S. Miszkowski with 510. Jin Dr. B. Kvasnicka was high for the Ferals with 552 aided along by Emmett land and M. Renn, who both rolled 5(

The Luczak Lawyers took the odd game m the unlucky Phil Nilles Boosters. R. Martin did the heavy shooting for the wyers with 532 while R. Schaber main- ed his fine shooting by blasting a n 540.

The Bona Drugs were just a little too ent for the Art Blit Furniture team t took them for two games. Al Bona high for the Drugs with 534 while J. Bgarten was high for Art Bilt with 4

The Fruzyna Morticians and the Gorski ctric teams got together and the Gor- ski took the odd game. Joe Fultyn con- ti ed his fine shooting by leading the Ectricians with 525 while H. Nowakow- ski led the Morticians with 530.

The Wojcik Floor Sanders really st rted up and took the odd game away fr m the Stanek Press team, as Ed Cial- ko ski again led the team with a 528 se es and Ray Suchocki led the Press- m with 530.

The Ole Lefthanders were able to win two games by five pins from the strong Dr. Krupa Boosters. W. Slaski led the Tomeras by banging out a 534 series as- sisted by A. Ivanski with 502. C. Bonk, with 502, led the Dr. Krupa team.

The Clifton Park Cigars breezed into an easy win the first game against Bil- mar Tavern and then took it too easy in the other games as the Bilmars won two. S. Korbas led the Bilmars and was as- sisted by E. Wojtanowski with 489 while Ed (Daddy) Plewa rolled a nice 574.

The Ziarko Tavern team performed the only sweep that could be engineered throughout the whole evening as they took all three games from the J. B. Suerth Morticians. Joe Sargent con- tinued his sensational streak by shooting a 536 series while G. Cummings led the Morticians with 516.

After a very poor start the Ketteler Major team came to life and took the strong St. Paul of the Cross team for two games. The Majors were led by Ed Plewa who had 578, followed by S. Kor- bas with 573. Dr. M. S. Krupa with 562, and Ted Gomolski with 553. It was very pleasing for the boys to see the number of followers cheering the team on even though they started the season so dis- astrously, and all that can be said is that the boys will continue to do their best in order to avoid disappointing those very welcome rooters who come out and cheer regardless of the team's standing.

Gar. Moreno to Hold 'Thanksgiving Night' at Nov. 11 Meeting

2-4 Tues. . . . 155th St. & Lexington Ave.

Opportunity presents itself so often, yet the people whom it surrounds know so little about it. Some take advantage of it while others desire it without the force behind their desire to reach out and take it. Some say that it's all in the breaks, yet if they wait for these breaks they'll waste a lifetime.

Well, the opportunity presents itself right now for the membership of our council. During the last week Lecturer Henry Stein and his committee distributed books for our annual fall Turkey Night at which ten turkeys and six ducks will be given away Tuesday, Nov. 11. So you see sixteen persons will at least have part of their Thanksgiving dinner on the council. All that is needed to put this affair over, is a little enthusiasm for our council. If everyone puts his shoulder to the wheel success is assured. Will you do your part?

All books must be returned no later than Tuesday evening, Nov. 11. So gang let's go—its your council, remember our usefulness is not always judged by what we do but how we do it.

BOWLING NEWS

Eagle Coal Co. won two games from Bill O'Hara Boosters, in their drive to get out of the cellar. Bricker 540 and Readons 513 and Jacks 482 was what put over the two wins. Knoll 481 Bruce 473 and Binette 476 were the O'Hara's top bowlers. Home Liquor made it a clean sweep of the series over Olivers Drug Store. John Obernessor's 559, "Very good" Lyold Grant 492 and John Ross- man's 487 were three scores that spelled three wins. Frank Duck 479, Al. Crowder 475 and Bill Kamment's 463 were top scores for the drug team.

Arthur Matieu's lumberjacks, the Posen Lumber Co., won two games and second place in the league. Joe Gorski 504, Louie Cerewicki 492, Chief Kocrelski 486, Mc- Cullough 456, against Goletz Boosters, Billie Powers Jr. 533, H. Curriec 466, Ted Podhulski 451 and Vic Walenga 466. Oh yes John Mech 406. Well gang, these are very low scores for the loosers.

Sheas Champs minus Hilgendorf lost all three games to the Ring Democrats who take first place by winning all three games. Dainton 548, Clyde White 499, Pop White 499, were top men for the winners, while Adams 492. Kerkhoven 483, DeMayo 460 and Shea 441. Too bad Edward, we know revenge will be sweet. So gang let's get going, the pins are down there to knockdown.

BIT-O-NEWS

Joe Gorski's girl friend proudly shows a large diamond ring on that certain finger. We wish Brother Gorski all the happiness that a man can have in a life- time. The mother of Matt Daley was operated on, but at this writing we have no other news of her. We tender our prayers and wishes for her speedy re- covery.

Grandpa again, well congratulations Ernie Ducett. Mrs. Alfred St.Aubin wife of Brother Al is on the sick list. We hope her recovery is rapid. Fourth Degree Club met at the home of Wm. Powers Sr. An interesting meeting. Ladies Night for club members Nov. 5 and the social hours following the meeting was just loaded with fun. Sunday at communion we found Walter O'Connor of Anderson Ind. and P.G.K. James Weeks of Chicago. The scribe's wife was called home to St. Louis last Sunday night due to illness of her mother. Justin Boyd Lecture of Blue Island Council extends a cordial invita- tion to our members to their dancing party this Saturday night at Saint Benedicts Hall. Entree 9:30. Dance until? Tickets $1.50 a couple. Cheerio.

Ouilmette Greets Old-Timers with Banner Turnout

2-4 Mon. . . . . 1215 Wilmette Ave.

"Old Timers' Night" is passed but the memories of that grand meeting will linger with the brothers for a long time. We counted sixty-six brothers in attend- ance. Bro. Phil Nilles, master of the Fourth Degree and a member of Bishop Ketteler Council, graciously accepted our invitation to attend and extended our council his heartfelt thanks and congrat- ulations for our cooperation in the Charity Ball Drive. He also presented a very sin- cere and stirring account of the national purposes and manifold benefits of the Fourth Degree.

We feel sure that D.G.K. Nic Miller, chairman of our Membership Committee, will be very grateful to Brother Nilles for his fervent appeal to the brothers to swell their membership ranks and in par- ticular the Third and Fourth Degrees. An- other luminary present was the popular State Secretary, Bro. Ray Gleason, ac- companied by two of the members of his crack bowling team. The Worthy State Secretary recounted some of the many charitable activities sponsored and founded by the Order indicated that the signs point to an uphill trail as far as membership is concerned.

G.K. Walter Gehant and Bro. Joe Flynn, both of Newman Council, condescended to attend, but it later developed that Bro. Joe Flynn had some wood to chop or a knife to sharpen or something. Bro. Ge- hant very graciously stated that his was a purely social call, while Bro. Flynn just as blandly admitted that he was present to inform us of the boxing show to be held at St. George's High School on Oct. 24, under the sponsorship of Newman Coun- cil.

In spite of this, we assure you, Bro. Flynn, that we were very happy to have you at the meeting and you may feel certain that your mission will bear fruit. Our council has bought bricks for many a building and here's hoping that the show is a tremendous success.

MINSTREL SHOW

Bro. Ed Cunningham, chairman of the minstrel show, reported that prognostica- tions point to a huge success for that ac- tivity. Rehearsal is well under way but there is still a place and part for anyone wishing to partake in the show even though the only thing you can do is to sit and look happy. We attended a rehearsal last week and can truthfully say that this event is going to be a surprise to everyone. The jokes are fresher than to- morrow's newspaper and we don't mean maybe.

The premiere performance will be an afternoon show, Sunday, Nov. 9, at St. Joseph's School, Ridge and Lake Ave., Wilmette, Ill. This performance, which is principally for the benefit of the chil- dren, will be followed by an evening per- formance for mother and dad. Five tick- ets will be mailed to each member some- time next week. There is still some space available on the program, if any of the brothers wish to place an ad in it.

BRO. NORBERT MILLER, chairman of the bowling league, announced that the season was well underway and the full handicap system beginning to take effect. The major league team has won 6 and dropped 3 games thus far which certainly speaks well for them in view of the stiff competition.

BRO. EDDY BLESER, the Schiller St. strike king, is carrying better than a 200 average in the major league and better than 205 with Alten's Mortuarians in the council league. That's chopin' wood in anybody's alley.

CHANCELLOR HARRY PETERS, chairman of the Charity Ball committee, reported that the council accounted for 19 patron tickets and 45 general admis- sions. He thanked the council for its fine cooperation in helping him achieve his splendid record.

P.G.K. John Selzer gave a synopsis on the Chicago Chapter meeting and quoted the chairman of the Chapter Ball Com- mittee to the effect that Ouilmette had made the best showing with respect to the number of patron tickets sold per capita.

The regrets of Bro. Kirchberg of Crystal Lake, on his inability to attend Monday's meeting, were very ably pre- sented by Bro. Jim Hoffman. The broth- ers certainly missed you, Bro. Kirchberg, and are looking forward to hearing from you soon.

Best wishes for health and a speedy re- covery to Bro. Thomas O'Rourke, sick in bed at last Monday's meeting. He should be back with us next meeting, however, 'cause we just know you can't keep a good man down. Bro. Leo Doran was ad- mitted to membership, subject to re- obligation and Bro. Harry Proft was ad- mitted to membership subject to initia- tion.

St. Anthony Has Much Praise for Columbus Eve Benefit Program

1-3 Thursday . . 73rd and Grand Ave.

Vas you der, Charlie? If Charley was not there, he must have been the only one that missed, because we think we saw almost everyone else and when we saw them they were all having a swell time. Of course we could only be talk- ing about one thing, the Charity Ball at the Palmer House last Saturday night. What an affair! The best ever! Did someone ask if St. Anthony de Padua Council was well represented? The an- swer is AND HOW. As Bro. Charley Maley. He was in charge of registra- tion of our members and guests at our headquarters, and although most of us took care of our own, Bro. Maley usually had both hands full. (I don't mean pencils.)

Bro. Frank Schulze and his committee in charge of our headquarters are cer- tainly to be congratulated on the splen- did way they handled the various de- tails. Bro. Schulze commented, after the affair, that if our Council continues to grow as it has in the past, the charity ball committee for next year will have to be held in some other place, as we will probably need the Exposition Hall for our headquarters.

In the game room it seemed to have been "ladies nite." Some of the lucky gals were Mrs. Schulze, Mrs. McNeeley, Mrs. H. McEvoy, Miss Estelle Matusek, and Mrs. H. Rector.

We would like to mention all those of other councils who were our guests during the course of the evening but space will not permit, however we will mention D. D. Marco De Stefano and party and D. D. Pat Noonan of Madonna Council. Glad you dropped in.

Do not forget the First and Second De- grees next Tuesday nite, Oct. 21, at St. Paul of the Cross, 6713 Olmsted Ave., Chicago, Ill. We have several candidates.

Our annual retreat at Mayslake is scheduled for Oct. 31, Nov. 1 and 2. We leave Friday evening and return Mon- day morning. Please make necessary arrangements now. Call Chairman An- drew Ruff at Franklin Park 310-R, or G. K. John Deignan at Franklin Park 422-J.

LINK-BELT Electric FIRING

St. Cyr Appoints Chairmen on Jan. Dance Committee

1-3 Mon. . . . . 1609 N. Halsted St.

Before we start with the various news items concerning St. Cyr members and events, we will let you in on a bit of news as to why your Scribe of many years ago, Sam Nicosia, will conduct as a guest columnist for this and the next few weeks.

Your present Scribe, Anthony Manno, Esq., and Ann Marino, have set Sunday, November 23, as their wedding date. We know what it means to make plans for a wedding, and we know too how a young man's mind becomes somewhat confused under the pre-wedding day strain and we asked him if we could write his column for awhile to ease the load. However, we alleviated his feelings when we told him that that mind confusion and head spinning symptoms associated with the wedding become permanent fixtures during married life, and, we added, you get accustomed to it after awhile. He did pick a wonderful girl for his future wife, the lucky stiff, and one who will soon become another St. Cyr widow.

DANCE COMMITTEE

At a recent meeting of the St. Cyr dance committee, Lecturer Anthony Scarpinato appointed the following officers: Chairman, D.D. Marco DeStefano; Co-chairman, Peter Stacey; Ad.-Program Chairman, Joe Lucania; Treasurer, Frank Angelo. Joseph Barsano was elected secretary. As you all know, St. Cyr's most celebrated event of the year will be held at the Lions Building, 4300 West North Avenue on January 10, 1942, the scene being the same as for the past several years. Tickets will soon be ready for distribution. The continued successes of our gala affair as in former years, still depend upon the activity of the members in selling tickets and bringing in ads. When called upon, we are sure you will not fail us.

Speaking of Joseph Barsano, it might interest members of St. Cyr Council to know that about a month ago, Joe was appointed assistant attorney general in the Unemployment Compensation Department of the State of Illinois. It is certainly a distinct honor and a noteworthy sign of accomplished attainments for Joe. Many of you know that Joe was born and raised on the near North side, and comes from a family of not too much financial resources, and yet, through his own and his family's efforts, rose to one of the high fields in the legal profession. May his appointment be the start of a long and successful public service career.

BOWLING

Last week Bond Clothes sewed up Archer Glass in 3 games; Mohawk Cartage took Lucania's for a one-way ride in 3 games; Cancilla Contractors plastered Falson Electric 3 times; Cheer Up took 3 from Lendion's Dentist; DeCola buried Strano Printers twice; Racine Fuel took the Erie Clothing in two shovels; Maniscalo Undertakers made Rubinelli Florists "Say It With Flowers" twice, and the Morreale Oils burned the Continental Clothes twice. Charlie Miccuci had the high individual games of 618, and high single game of 225; Mohawk Cartage stole the team high 3 games with 2,455 while DeCola copped the single high with 882. In passing, it might interest you to know that Cheer Up, whose team name certainly does not reflect the expressions of the members, is leading the pack with 11 wins and 4 losses, while Erie Clothing is in second place with 10 wins and 5 losses; all other teams trailed the 2 leaders.

Eleven St. Cyr candidates were initiated at our Council last week. In addition thereto, two reinstatements were proposed and approved. The names of the initiates and reinstatements are listed on Page 15 of this issue. This, incidentally, is the first group that has been initiated in the drive for the second successive century club year for St. Cyr Council. The turn-out, however, was somewhat disappointing because 25 candidates were eligible for initiation and only 11 appeared. That is the reason that we stress the point that it is not the number of candidates that are read at the meeting, but rather the number of candidates that are finally initiated that count. A member who proposes a candidate should make it his business to have that candidate at the degrees when the time comes. If we want another Century Club for "Chief" Joe Maggiore, we will have to work a little harder.

And to you candidates who have been initiated, let us remind you that you have joined one of the greatest fraternal societies in the world, and we feel particularly proud that you have seen fit to become a member of St. Cyr Council We advise you with all sincerity to avoid becoming a name member only, but make it your duty to become active in all the affairs of the council, and you shall be more than amply repaid.

St. Cyrites celebrated Columbus Day at the Charity Ball last Saturday. . . . In addition to the fact that there were so many there, there are other reasons why your Scribe pro-tem does not very well remember who they were! In addition to buying tickets, the following subscribed to the patron list: Judge Joseph Burke, D.D. Marco DeStefano, P.G.K. Joseph LaRocco, P.G.K. Bruno Satkowski, the "Cyr-fours" and yours truly. . . . The chairman of St. Cyr's group was Frank Lopes who did a very, very neat job of handling the same. . . . Bro. Joe Geraci and wife have returned from their honeymoon. . . . Joe is a big butter-and-egg man from Homan and Chicago Avenues. . . . We hear that our old friends Sgt. Tom Lee of the First District was recently elected Commander of the Police Post. . . . Congratulations Tom, we ask you to feel free to call on St. Cyr if and when you need help in your new position. . . . P.G.K. Clarence Wittenmeier, and his better half, have been vacationing in the South and Southeast. . . . He stated in the greeting card that he would be back in time for the Charity Ball. . . . However, we looked high and low for them, but they were not around last Saturday.

A movement is under way to have a celebration commemorating Fr. Louis Giambastiani's 25th year in the pastoral services. . . . You will hear more about this in the future issues. Speaking of celebrations, we wish to remind you that on Thursday, November 6, the Knights of Columbus' soft-ball league will have its annual championship banquet at the Mid-west Athletic Club. Tickets are $1.75 per plate. . . . And this year, lest we forget, this banquet is in honor of the champions from St. Cyr Council. . . . It sure ought to be a very happy night for Mgr. Vic Priolo and his soft-ball henchmen. . . . Incidentally, this is the 3rd soft-ball championship for St. Cyr Council, having won the other 2 in '34 and '35. . . . If our memory fails us not, there are only 2 remaining active players of the old championship team and these 2 are: Joe Cannizzo ,and Herb Morin. . . . We understand that Bro. Joe Bane has donated some blood through the "auspices" of the K.C. blood donors group. . . . It has been some time since we had heard a lecturer's report from our popular Anthony Scrapinato. . . . But we have heard from other sources that St. Cyr is planning a big, big, celebration for its soft-ball warriors, the details of which are presently lacking. . . . Outside Guard Anthony Cancilla had been sick for many months, but you would never know it by the size of his waist-line. . . . Our Grand Knight is still taking treatments for the fall which he suffered during a union convention about a month ago. . . . The Inquisitor who has conducted the recent St. Cyr First and Second Degrees is none other than the well-known lawyer, Henry Phoenix, Past Grand Knight of Chicago Council.

The reason that Bro. Anthony Desimone came to the Charity Ball unescorted, was that his wife has been ill for the last couple of weeks. . . . But she had improved well enough to let her husband go to the affair. . . . Mr. and Mrs. Andy Scarpinato until very recently had 2 children—both boys. . . . They had hoped for a girl this time to off-set the unfavorable balance of sexes, but last week another baby was born to them and again another boy. . . . Which, incidentally, ought to make St. Cyr Council a Scarpinato conscious one 20 years from now. Treasurer Frank Angelo is now at home recuperating nicely from that operation on his throat.

O'Connell Sets Fast Pace in Drive for New Member Record

2-4 Tues. . . . . 1100 North Franklin

To date O'Connell council has netted 42 new applications, 4 transfers and 3 reinstatements, which, considering the drive begun in July is a remarkable feat. Daniel O'Connell council has set her goal for the year at 100 new applications, and now that we have 148 active members we have fulfilled 42 per cent of our prediction in 25 per cent of the time!

Miss Marge Stubing, who not so long ago was very seriously ill, has again regained complete health. Bro. Jack Hotaling was summoned to the hospital last Sunday to give a blood transfusion. Bro. Nathan, who is the chairman of our blood donors group, is very anxious to have as large a group as possible, so that when it is necessary for a transfusion there will always be a wide selection of men and types. Every man in the council who is able to qualify should consider it his duty to join this splendid group.

Most all of you know our past Recorder and Scribe, Bro. Frank V Monardo. Bro. Monardo will be married Sunday, October 19 to Miss Anne Treppiedi. We wish you the best of luck and happiness. The ceremony will take place at St. Joseph's Church, Hill and Orleans St. Bro. Heger-Goetzel, who recently joined O'Connell council made a most excellent suggestion at the last meeting: It is as follows: In as much as there are so many hundreds of thousands of Catholics in Europe, who for one reason or another are unable to hear Mass on Sunday, it behooves each and every one of us who live in a land where we may practice our religion when, where, and how we please, to hear not just the one Mass that is required of us each Sunday, but to make it our business to hear two or three, and to offer the extra ones for those who are so much less fortunate than we.

We were very glad to see our Warden, Bro. Joseph Tantillo, looking so well at the breakfast last week. There's something I would like to get, and that is a lot of letters, cards, or phone calls from you members, with your items that will interest your fellow brothers. It may be something about his job, or his new hat, or his auto, or a million and one things that will keep your column alive with interest. In sending these cards, letters, or by calling me you will at the same time swell our "Christmas Cheer Kitty" which will help Bro. Henry Meier chairman of that committee make this the largest year O'Connell ever had.

(Ye Olde Scribe will have to dig down in the jeens and fork over to Bro. Meier, the same amount that you have spent for the call or letter.)

Bro. Frank McAuliff, in whose honor our class of 39 men was named, is Chairman of the Fourth Degree club, and he asks that every Fourth degree member be at the next meeting so that he may explain to him just what he has done so far and what his plans are for the future.

The bowling team has been going along in a representative manner again this year. They have not won as many games as the league leaders but their congeniality and spirit has won for O'Connell many friends and rooters. They are a swell bunch of sports all the way around. Bros. Erkenswick, Snyder, Burke, Maloney, Meier, Hughes and our Scribe who only pinch hits once in a while, do the kegling for the council and are not doing so badly.

Just a reminder that on next Sunday, Oct. 19 at St. Dominics parish hall, Mrs. Frank Tobin wife of Bro. Frank Tobin, will sponsor a shower. The proceeds will go to the Sisters of St. Dominic's school. There is no admission charge and any article or household utensil that your women folks may care to bring, will be cheerfully accepted.

Phil Sheridan Party Plans Leave Nothing Lacking for Good Time

1-3 Thurs. . . . . 446 N. Parkside

Tomorrow night (Saturday, Oct. 18) is the big night for Phil Sheridan. We hope you're all set. Lecturer Joe Broderick and his committee have prepared for a large attendance, so please, brothers, don't let him down. Every member should bring enough for one table at least. In case you are not familiar with the program for the evening, here it is:

First of all, cards and various games will be played. Thereafter the evening will be spent dancing to the strains of Tom Mahoney's Rhythm Kings and, of course, refreshments of all kinds will be served by the smiling trio, Newhart, Broderick and St. Aubin, assisted by a corps of capable waiters.

Our evening would not be complete without the appearance of that well-known and well-liked entertainer, Jules, and his "uke." He's the man with a thousand songs. If you attended our last party you surely can't forget Jules, and if you were unable to be there, then don't miss this party Saturday night. We guarantee you a good time.

Gus Flashing, our financial secretary de luxe, is in a very receptive mood these days and would be only too glad to relieve any member of his dues. So, brothers, don't hesitate to contact Gus and help him keep his books in order.

The Chicago Chapter charity ball is now history—and what history it made!—and, as usual, Phil Sheridan again made its quota, due to the untiring efforts of Grand Knight Ed F. Bachner.

Phil Sheridan's Quality Laundry team in the West Side K. of C. Bowling League is sure giving a good account of itself and also giving a lot of trouble to its opponents. The team consists of Jackson, Weaver, Kennedy, Provost, Vignola and Shanahan. Keep up the good work, boys.

Every Friday evening our team can be seen in action at the Cascade Alleys, Hamlin and Madison. Our council is also represented in the Windy City League by John Dunne, Frank Murphy and Morley Frank. We understand this trio is making quite a good showing. Good luck, boys.

Phil Sheridan Council was greatly honored recently by our worthy state deputy, Leo M. Flynn, who appointed PGK William J. Clark as state chairman of publicity in connection with the five-point program. To State Deputy Flynn, we wish to thank you for remembering Phil Sheridan Council, and to PGK Clark, we congratulate you for being so honored.

Another appointment recently made by State Deputy Flynn that meets with the hearty approval of Phil Sheridan is that of PGK Harold Crotty of Feehan Coun as a district deputy. PGK Crotty is w deserving of this honor and we wish h every success.

Every Knight of Columbus and, in fa every Catholic should make a spec effort to see the sound film dramatizati of the solemn mass, "The Eternal Gif This film will be shown at the State Th ater on Oct. 16 and 17 and at the Mar Theater on Oct. 23 and 24. Don't miss

Don't forget the party Saturday ni at 446 N. Parkside Ave.

E MEMBERS are really heeding
e cribe's call for news. With pleasure
e announce the wedding date Bro. Rob-
J. Runtz has with Miss Frances
la McCambridge on Saturday morn-
g Oct. 18 at 10:00 a. m. at Our Lady
urdes Church. The bride to be is
daughter of Dr. A. J. McCambridge,
ber of Ravenswood Council. Best
es to the happy couple.

NE PLUNKETT and Mrs. recently
ne the proud parents of a baby girl.
little Miss is to be baptized Patricia
beth Plunkett. We wonder if the
ion of her initials was the work of
laddy.

De Soto is happy to hear of the
did recovery of Mrs. Maude Thomas.
of P. G. K. Jack Thomas, who had
congned to the Ravenswood Hospi-
a serious condition for some time.
r Thomas left the hospital recently
s now well on the road to recovery.
ile out scouting for new members.
Frank Frieden came across a De
prospect in a little 7½-lb. tyke who
tly became a member of the house-
hold of Bro. Thomas J. Gibbons. Bro. Gibbons is very proud of this little fellow and states that he will definitely be a member of the class of 1959.

Just learned that De Soto's male chorus temporarily lost one of its members last week, when Bro. Norbert Weishaar was inducted into the Army. Good luck, Nor, and let's hear from you.

These chilly, rainy evenings should give De Sotoans a good excuse to stay at home and write to De Soto members who are in the service. Another addition to our list is Bro. Clarence N. Rauen, Company G, 132nd Infantry, Camp Forrest, Tennessee.

Orchids to Bros. Joe Pedke, Nick Kasper, Peter Provata and John Rosch, Jr., for answering the recent call for blood donors. Incidentally, Bro. Kasper is the first member of De Soto's Blood Donor unit to submit to a direct blood transfusion, from donor to patient.

Congratulations to Bro. Joe Jung who was married to Miss Marge Wagner on October 4th. Joe, if you had sent us an invitation we could have published the news earlier.

We wonder if De Soto's creditors realize the importance of Bro. John Snick, that loyal Knight and member of our Investigation Committee. If Bro. Snick were not present at every meeting to move for the reference of bills to the trustees, they might never be paid!

With the hunting season upon us, we still hear the story of Bro. Frank Geisler's fishing trip to Green Bay, Wis. It seems that a native towed Frank's boat out into the lake and left him with his fishing pole, tackle, a case of refreshments, and two flags, one white and one green. If Frank wanted more refreshments, he was to wave the green flag and if he wished to be towed back to shore he was to wave the white flag. As the story goes Frank gave the green flag quite a workout.

We just learned that Bro. Roy Kern, member of the bowling league was recently laid low at Illinois Masonic Hospital by an appendectomy. Latest reports indicate that Roy is experiencing a speedy recovery and would like to receive a visit from his fellow De Sotoans.

Financial Secretaries Richard A. Erbash and Michael J. Behles would enjoy a visit from those brothers who are delinquent in their dues. In the event you have forgotten, their addresses are 1940 Irving Park Road, and 3851 N. Hamilton Ave., respectively.

Gen. Sherman Pleased with Council's Turnout at Chapter Charity Ball

1-3 Tues. . . . . 4300 W. North Ave.

The Charity Ball is over and General Sherman did not take a back seat when it came to attendance. We really had a nice showing and everyone enjoyed himself. Last week we forgot to put in the dope about our next meeting, but here it is: TUESDAY, OCT. 21, LADIES' NIGHT. Cards, prizes, coffee and cake. Better set this night aside and bring the ladies. We have always had a nice turnout and the way things are going we should have a record attendance.

AROUND AND ABOUT

Applications read off at the meeting were Bernard J. Ferring, secured by Frank Mootz, Joseph DeLuca by G. K. Welker, Frank E. Doyle by Dr. Serr, Dominick Lupo by P. G. K. Al Loiselle. Second readings were George J. Gies and James Gies. There will be a first and second degree within the next few weeks so let's get the rest of the applications in.

Lecturer Veysey was absent at the last meeting but Frank Kennedy stepped in and ably took care of an overflow crowd. I thought our last meeting had a record attendance but P. G. K. Night beat it. There were 32 bowlers, 8 Past Grand Knights, 5 sponsors and of course a good number of the rest of the council. The Past Grand Knights who attended were Tom Geary, Ted Marron, Terry Clark, John Janninch, Harry Kohl, John Barth, Al Loiselle and the immediate P. G. K. Joe Schmitz, to whom was tendered a handsome engraved Mathey Tissot wrist watch for services rendered during his administration.

There was no report on the Blood Donor group, but Chairman Janco asks the members to get to St. Anne's Hospital before 5 o'clock and get classified any day but Sunday. Deputy Grand Knight Hans Slepica reports on the Sick Committee. Dr. Fleming is home again and doing very well. Father Sisterhenn is still in Milwaukee and the boys drop in and see him now and then. Fred Antlesberger is still in the hospital. John Klingenmier is home after a long siege in Alexian Bros. Hospital. Patrick Buckley is confined at Mayo Bros. Hospital and John Durkin, another old-timer is at Hines Hospital, Room 210. I'm sure these brothers would appreciate a visit.

FOURTH DEGREE at the last meeting of the Sherman Club, the main topic was their annual Harvest Dance which will be held Saturday, December 13th, at the Lake View Bowling Alleys, 3239 N. Clark St. President Brefeld invites all Third Degree members as well as Fourth to attend.

BOWLERS' STUFF

Brother Leslie Janco wishes to thank the fellows who attended the party given for him last week. Leslie and that always smiling, Marie Connelly, took the final steps Wednesday, Oct. 15. The bowling league and the council wish you both success and happiness.

In listing the names of the ladies who were present at the bowling alleys it seems I forgot one Mrs. Slepica; the wife of our Deputy Grand Knight, Hans, was also present. The reason Grand Knight Welker and Jack Ryan missed bowling Thursday, was that Bert's daughter, Lorraine, and Jack's daughter, Marjorie, were confirmed at St. Peter Canisius Church, Thursday night.

NO REPORT from the secretary as to averages and standings but I hear that there were a lot of big scores bowled. Chas. Koscal 266 and a 641 total, Al Gerlach 205, Ed Holterhoff 203, Frank Mootz 204 and 210. Wally Turzinski got 226 filling in and I hear that Wally is eating his heart out to bowl with us.

Ravenswood Vouches for Entertainment at Chapter Party

1-3 Wed. . . . . 1521 Wilson Ave.

Your writer has one thing to say for those of our members who missed the big Charity Ball last Saturday night: You really missed a whooper-do of a time! Ravenswooders, their wives and sweethearts were popping in and out of Room 756 all evening long and since Ye Scribe was one of those that was doing a lot of popping hither, thither and yon, he missed seeing quite a few members.

With all the noise and fun that abounded it was extremely difficult to learn who had and who hadn't been in the room. G.K. Michael Citti and Mrs. Citti were very much in attendance and were busily entertaining several guests. Fin. Secy. Blesius was acting as custodian and Mrs. Blesius found it necessary to be custodian of the Fin. Secy. Treasurer Bill Egert was moving about from pillar to post to room to dance floor so fast that Mrs. Egert gave up trying to follow him and lent her charming company to Ye Scribe, which in a measure made up for a few of the tales Bill was casting about concerning this writers veracity.

Bill and Mrs. Egert entertained guests at the party, as did Bro. and Mrs. Blesius. Our old one-time member, Clarence McCambridge and Mrs. McCambridge were with us to enjoy the fun. Bro. George Schilling and Mrs. Schilling were spyed by your little newshawk visiting with Warden and Mrs. Bill Wiedeman. P.G.K. Morgan, District Chairman of the affair and Mrs. Morgan were in and out attenders. P.G.K. Farrow and Br. Wm. Fletcher were telling a few of we young blades about all the folks we were missing by not staying put, so Joe Grady, the younger, and yours truly got together to talk it over and resolved to do better next time. Joe, his young lady friend and party seemed to be having an exceptionally good time of it, but the palm for the life of the party goes to Bro. Bill "Old Topper" Fletcher Apologies for those missed in this recap, but one can't touch on everything!

Our Council Chairman, Dick Kenney and Mrs. Kenney were unable to attend because of an unfortunate accident that occurred to Mrs. Kenney She was injured in an auto accident last Wednesday morning, suffering a fractured rib and several severe bruises Happily she seems to be making a satisfactory recovery.

Another of our auto accident victims, Mrs. Henry Mawicke, wife of Bro Henry Mawicke, is nearing a complete recovery from the broken shoulder she received before Labor Day. She will be able to perform her duties as chairman of the Women's Committee at the annual convention of the American Photo-Engravers Association this month. Bro. Mawicke, past President and past Chairman of the Directors is also a committee member.

Keep your date calendar open for the evening of Nov. 5! It will be Charlie Morgan night. This is our first chance to honor our fine P.G.K at a meeting especially dedicated to him. Watch this column for the program.

R. I. P.

Mrs. Angeline Mei, mother of our respected member, Father P. Albert Mei, passed away this week. Our sincerest symathies to Father Mei in his bereavment. Fr. Mei is pastor of All Saints parish on the far south side.

Mrs. Henry Lieb, aunt of this writer died Tuesday of this week. Although an aunt only by marriage, your Scribe feels the loss deeply for she had performed all the duties and aids of a mother for him for a number of years here in Chicago.

Oak Park Confers Honorary Degrees on Five Members

2-4 Mon. . . . . 641 S. Scoville Ave.

The last meeting of the Council was given to the conferring of the honorary degree on the following members: James J. Mahoney, James F. Wade, John Donovan, Fred Bonk, and Edward Bloom. This was the first time that this has been seen in Oak Park Council and the ceremony was impressive.

Brother John Brennan, first Grand Knight of the Council, delivered a fine talk as only he could with his knowledge of conditions and of the persons in the council, now and through all of the years past. John is one of the "younger" old timers along with Frank Engel, Joe O'Neill, and Bill Bosley. Congratulations to the Honorary Members and to those other old-timers who did so much to get this council started on the right road.

NOV. 15TH PARTY

What the old-timers in the past did to give the council a push we now have some of the "young timers" doing. They are pushing the party to be held in the clubhouse on the night of November 15. At the meeting, Brother Ray Block saw to it that those present were provided with tickets. If you will only give that date a priority on your schedule of coming events we feel sure that the clubhouse will be filled from roof to basement.

Welcome to our new brother, W. G. Fransioli, who is a transfer from Memphis. Brother Charles Beauregard, son of Brother Leo Beauregard, and one of the three brothers recently initiated in the council, has joined the navy and is now on his way to Honolulu. Best of luck Charles on your new assignment.

Brother Doane, who made a trip out to the Pacific Coast to visit his son in the army, informed us that the trip was not 4800 miles, but was 8400 miles. Conservative, we are, but we would hate to walk the difference.

We just learned of the arrival of a baby daughter at the home of Louis Eisenstein. Congratulations to the proud parents and best wishes to baby.

We just learned that our new District Deputy is the other Grandpa who is so intensely interested in the birth of a daughter to Mr. and Mrs. Ryan, son and daughter-in-law of Brother Mike Ryan. The D.D., Harold Crotty, is young Mrs. Ryan's father. We extend our congratulations again, this time to Brother Crotty.

A large number of the members attended the home of Brother Oink to offer their prayers and to pay their respects to Mr. and Mrs. Oink in the loss of their daughter, Mary Jane. The funeral was held Tuesday from Ascension church with burial at All Saints. Our heartfelt sympathy is extended to these parents in their loss.

Next meeting will be a Ladies night. There is a most pleasant surprise awaiting those who attend. Full announcements in the next issue. Watch for it.

Illinois Will Hear Rev. Joseph A. Gehrig at Monday's Meeting

1-3 Mon. . . . . 64 East Lake Street

Rev. Joseph A. Gehrig, Pastor of Blessed Sacrament Church of Lombard, Illinois, will address us at our next meeting, Monday, October 20 at De Paul Hall, 64 East Lake Street. He is a most interesting speaker, a man of varied experiences not all in the ministry. Be sure to hear him.

The Grand Knight will hold a meeting of the officers as well as the chairmen of all committees in his office, 77 West Washington Street, next Saturday and to you gentlemen concerned, and we all are, don't miss the meeting.

The support of all of the officers of the Council is the very first requirement in bringing about a successful year. If the officers will show the way in whatever avenues are pointed out to them, we will, as a matter of loyalty most certainly follow them. And so, to you officers and chairmen, show us the way and we will come up into the line with you and do some ground gaining on our own right.

CHAPTER BALL PATRONS

The Charity Ball has passed into history. Illinois Council made its quota both for general admission and patron tickets. We do not have the entire list of the general admission tickets but we do know that the following members of our Council were patrons of the Ball:

Joseph T. Barry, Theodore E. Cornell, Joseph H. Geilen, Gerald E. Hornidge, John T. Lillis, Elmer D. Martin, James P McParland, Walter P. Powers, and John F. Tyrrell. That was more than our quota. Very nice work, gentlemen.

LOYOLA COMMUNITY THEATRE opened last Monday evening with a lecture given by Archbishop Stritch on "Culture Under a Strain." It was, of course, splendidly and effectively given. The Archbishop pointed out that every people had its culture but that the real definition of culture was whether it brought out the best in human beings and whether it strove for perfection.

Incidentally, Loyola Community Theatre is on its 15th year and can very well be regarded as a great help to the people of St. Ignatious Parish as well as an asset to the whole community.

DR. H. G. LAMPE

Looking over our rostor of members we note the name of Dr. H. G. Lampe. It seems to us we notice his name among those who served our country during the World War I and for the life of us we are not certain that we would recognize him if we met. Strange life in many respects, isn't it? The doctor lives at 937 North Austin Blvd. and when our field correspondent has an opportunity we may tell you more about him.

In the same category we find Dr. A. E. Schneider whose face and form are unknown to us. Certainly these physicians and dentists are busy men, nevertheless, we could hope that once or twice a year a way would be found to attend our meetings. Both of these splendid gentlemen are old time members of the council. Dr. Schneider's offices are at 25 East Washington St. Then too, we find the name of Walter M. Miller, 214 Boston Building, Denver, Colo. We are sure many of our members are well acquainted with Brother Miller, but we ache for the touch of these brothers of ours who, often, because of inability, never get an opportunity to attend meetings. Let not that be said of you, dear reader. Attend your council meetings at least a few times each year. Why not make a beginning at our next meeting, October 20? Do I hear you say, "It's a bet?"

Dr. John D. McGregor, 5350 Jackson Blvd. continues to be confined to his home, a sick brother.

De La Salle Program at Old-Timers' Night Pleases Huge Crowd

1-3 Tues. . . . . 1105 E. 47th St.

Bro. Jim Young in his extreme modesty did not tell you all he knew about the Past Grand Knights' Nite at the last meeting.

P.G.K.'s Dick Hallinan, Owen Desmond, Chas. Roche, Alex McDonald, Howard Brennan, John Wideman, Pat Clarke and Jim Crowe were present.

P.G.K. Pat Clarke being the first one called upon to speak referred to the old P.G.K.'s which drew fire from the old-timers who still feel young, so they in turn took picks on Pat (verbally). Jim Young and his company of players surprised as well as entertained them by presenting a thriller entitled "The Shooting of Dan McGrew." It was a great show. Let us hear from you again, Jim. When you join the Producers at Hollywood drop us a card. Lulu the blonde in the drama looked so natural that some of the younger lads were seen approaching the stage after the show with pencils in their hands looking for Lulu to get her Phone No.

When the lights went out during the show Bill Graber, who sat next to John Wideman, put his hand on his watch (no reflections, John). Bill however is used to dark places as he is with the Walinger Photo Studio. They made all the P.G.K.'s portraits.

The large attendance was due to the untiring efforts of Bro. Jim Young who made 100 phone calls. Hold on to your A. T. & T. Co. stock. Bro. Young presented two chocolate colored dancers who really could dance and Bro. John Looby entertained us by singing a few good old Irish songs as only John can sing them.

Bro. John Sullivan just got back from a long sojourn in sunny California. John looks swell. As chairman of bowling he would like to hear from the brothers who care to bowl. John is not choosey. Whether you bowl 300 or roll them down the trough see John.

Bill Bardon, our genial chef, did not have time to tell us about his fishing trip as he was too busy preparing the repast which all present enjoyed. When the table was uncovered Jack McDonald looked things over and said: What, no onions? Ed Murray who sells Black Diamonds was busy greeting the lads.

Bro. McNallis, who came from the far West Side, enjoyed his visit as he spent some time looking over the portraits of the P.G.K.'s which now adorn the walls of the Council Chamber. Tom O'Connor of the Dean Milk Co. got a good laugh out of the dancers and the melodrama. Jim Sheehan missed a hot discussion of the Neon sign for the street entrance. Come up, Jim, with costs of installation and upkeep and put it over.

The Knights of the Round Table had an interesting session discussing inflation and deflation. Some of the inflationists were affected by the arguments of the deflationists and joined their ranks. Art Guthman in his efficient manner dished out the suds to the satisfaction of all.

Chicago Enjoys Fine Talk on Lay Retre by G. K. John Hes

2-4 Tues. . . . . 64 E. Lake

A journey downstate for the Cath Home Finding Association caused G Knight Henry J. Lynch to be away last Tuesday's meeting of Chicago C cil and in his place Deputy Grand Kn Will Brogan called the meeting to or

We make special mention of this up because: Had our Grand Knight in town and at the meeting, we w very likely have seen nothing of Bro Brogan that evening. Why? Well, the very simple and important re that Chicago Council's meeting interf with the proper observance of the gan's tenth wedding anniversary. "Duty First" has always been Bill gan's motto just as it was for his m to be forgotten father-in-law, the P.G.K. James F. Kane. We there hope that the delayed celebration wa to the specifications and all of Chi Council wishes Mr. and Mrs. Bill Bro many happy returns of the day.

The high spot in the evening's do was the fine discourse by Grand Kn John Hesse of Marquette Council after drawing the line between Cath activity and Catholic Action, procee to place before our members the g Catholic Action known as the closed treat as exemplified by the week-end treats at Mayslake. He had a word praise for Chicago Council whose an group in March is usually quite large representative. Acting G.K. Brogan nounced later that our past Advocate, seph N. Schmitz, had accepted the Co cil's chairmanship of the Maysake treat Committee and would go into tion at once.

THE SOFTBALL TEAM will be gu at a dinner to be held at six o'clock the evening of our next meeting, Octo 28th. More about this later. We want you to be good and ready. Thursday the O'Hanleys moved ndisputed possession of first place or a week) by winning two games Mase Cronin. The Cummings won id game from Ray's Boosters. Shell won two games from Mc- Standard Service while the n Boosters, as expected, won two Wilson & Rafferty Florals. This team, by the way, is something old. Bro. Gartlan was going to show his manly power to his wife and put down a window that was stuck. The result was two broken fingers and now Bernard is bowling left handed. Then we have Tom Walsh on their team. Maybe Tom should join that league that bowls next to us. Of G. K. Hyland's bowling we just shake our heads. We have come to the conclusion that if their other two members, Doc. Gilroy and Leo Conry, would keep their eyes open they wouldn't bowl the price of a Wilkie button.

The Murphy & Son team won (Mike Jr. says they walloped) two from the Indiana Service and they give all the credit to Pellegrini who brought his average up nine points. High men were J. Walsh 205, 549; McNichols 258, 543; M. Murphy 213, 526; Heaton 200, 520; and Bill Bowes had a 508 series while La Masney had a 213 game. The tickets the bowlers are selling for the Notre Dame game are going like hot cakes so keep up the good work, brothers.

SCRAPS

We wish to thank Bro. Tom Walsh for all the work he did as Calumet's chairman for the U.S.O. ball. Holders of the patron tickets were Elmer Witty, John O. McNulty, Wilfred D. Byrne, James D. Murphy, Timothy Barrett, Thomas J. Walsh, Ty Hyland, Walter Popjoy, Bro. Larkin, Dr. Summervill, and Joe Skibinski. Those in attendance besides the patrons were Mike Cleary, Bro. Scully, D.G.K. Joe O'Connor, Chan. Val O'Grady, and Robert Hardy. From all the reports that we received from the seventh floor, Bro. Hardy must of had the time of his life. To all of you brothers who made this so successful, thanks a lot.

Ray Pausback is now in Kansas City with Horace Heidt's Band. How's the spot map coming along, Mary? Bro. Tom Walsh of Westgate has retired from the presidency of the P.G.A. You did a wonderful job of it, Tom. Bro. B. Earl Cunningham now has a position in the Mercy Hospital in San Diego, Calif. Tom Hot Foot Dillon still is not feeling up to par after his long illness. Arch Mahoney is still out at Hines so don't forget to drop in and see him. Bernard Condon and Chas. West are at home and would like a little company. John Gaul is back at work after a long siege.

Our State Policeman Joe Kale had an operation on his nose but is back at work now. Tickets are now on sale for the New Year's eve party. They are only $5.50 for a couple and on New Year's eve that is just a drop in the bucket. This year we will be celebrating our 40th birthday.

Weber Is Preparing for Degree Class to Be Held November 3

1-3 Mon. . . . 4758 S. Pulaski Rd.

Just a couple of weeks more and the brother knights of Weber Council will witness the First and Second Degrees in their own council chambers. This is all very fine, but have you stopped to think what part you have played in putting on the degrees? Did you bring in a new member? Have you helped your membership chairman? How about some of your officers?

Don't forget that you were each taxed with two new members for the year. Of course there are about nine months left, but you could have gotten a start with one member. Forgetting your part in the membership drive for a moment, did you offer to give the committee a hand on the night of degree work?

To all of you brothers, I might say how about going about to see some of your brother knights and reminding them to be present at the meeting on Monday, Nov. 3.

CONDOLENCE

May I at this moment take time for a little message to our D.D. Charles Ruzkowski in the name of Weber Council.

On the night of Oct. 13, when the sad message of your mother's death reached our ears, the hours seemed to slow down to an unbearable pace. Time just stood still with the thought of a grand mother hovering above us. The sorrowful passing of your beloved mother has dug down into our hearts, and from the bottom of those hearts, we, the Knights of Weber Council express our deepest sympathies to you and yours.

Knowing D.D. Charles Ruzkowski I can picture Mother Ruzkowski as one who would leave the following thought in the minds of her children.

"Life is a winding trail that leads from the cradle to the grave, and when I reach its distant end and start on the long journey from which no traveler has ever returned, I hope to leave behind me a world made better by my having lived.

"I want to leave in exchange for my every wrong a right; for every frown a smile, and for every doubt, a ray of sunshine and hope. To leave a flower wherever I chanced to place a thorn, and in exchange for every heartache and sorrow I may have caused, I want to leave a wealth of joy and happiness.

Dearborn Enlists Full Council Aid for Member Work

1-3 Thurs. . . 820 W. Garfield Blvd.

Each and every member of Dearborn should ask himself "What can I do to help my council become bigger and better?" The answer to that question, of course, is to take an application blank and tell that very good friend of yours what a swell council Dearborn is, its numerous advantages, what a swell time its members always have and then get him to sign an application. It takes a little salesmanship; you can't just say that you would like to have him as member and then proceed to forget all about him. You must keep after him, entertain him at the various council activities; introduce him to the members and let him find out for himself what the advantages are.

One factor in our favor now is that most people now have work and are making considerably more than they did a few years ago. We should grasp that opportunity and take every advantage of it. Another talking point is the attractive insurance policies now offered by the order. The success of any council depends largely upon the co-operation the officers receive from not only the committee chairmen, but of the membership as a whole. The membership committee is one of the most important in the council and it is not an easy job and no one or two men are going to do it alone; all the members must take a part of the responsibility.

In the October Columbian there is a notice that the membership of the order since the first of July has increased considerably, which reflects an increase over the same period of other years. Is Dearborn doing its part in swelling this number? We know G. K. Devereaux and Membership Chairman Joe Nix are doing their part but, as we said before, they can't, and aren't expected to do it all. Let's give our co-operation, too.

COUNCIL ACTIVITIES

Books on the Fourth Degree Club's turkey awards are now in circulation and all members are requested to give the Silkers a little assistance. All Silk Hat members are also requested to get in touch with the secretary if he hasn't, as yet, received a book.

This is just to remind all third degree members that it won't be long now until the fourth degree will be given and that they should see the financial secretary and make arrangements to take it.

FORTY YEARS continuous service with the Illinois Central R. R. is the fine record Bro. J. J. Jacobs has just recently established. A few officers of the company and all his fellow employes presented "Jake" with a check for $50 to mark the anniversary and wish him many more successes in the years to come.

ILLNESS kept D.G.K. Downes away from the Charity Ball last Saturday night and we hope he is better by this time. Heard Bro. Jerry O'Sullivan's sister was ill and we hope she recovers quickly.

ARE THERE some of our Bro. Knights who have sons in the service of our country? If so, the scribe would like to publish their names and addresses in case some of their friends wish to drou them a line or two.

MEETINGS in November will be on the first and fourth Thursday due to the fact that Thanksgiving is on the third Thursday.

STAR KEGLERS of the Dearborn teams last week were: Bill Sullivan who shot 565; Tom Maney got 522; Mike Mullee hit 502 and Bill Sullivan copped the high game with a 204. The team standings were as follows:

CONDOLENCES of the council are extended to Bro. George Albert whose sister passed away last week. May she rest in peace.

CHARITY BALL

Many Dearborn members were in attendance at the Charity Ball last Saturday night at the Palmer House and from all reports had a wonderful time. Bro. Bob Du Mais reports that the exhibition hall was crowded all night and the fans were reaping some valuable rewards. Bob you know, had charge of the show down there and from what we saw of it he was kept busy all evening. In the ballroom we saw Bros. Tony Pidone and Joe Quattrocki tripping the light fantastic to the strains of some very nice music.

DATES TO REMEMBER—November 6th is Memorial Night; Father Dussman will speak. November 2nd, Memorial Mass at Santa Maria Incoronata Church. December 6 will be "Green Buck" night.

San Salvador Bowlers Start Season in a Fine Spirit of Competition

2-4 Mon. . . . . 24 East 114th Place

Last Thursday evening our Parish League of twenty teams opened with pomp and circumstance. After a pleasant delay of two weeks which gave our G. K. Du Bois time to train for the throwing of the first ball, the league was officially opened. Our past Chaplain, Father Chiminello, also assisted in the dedication by knocking down more maples than the G. K. Bro. Geo. Mason closed the canteen early and brought Bros. J. Rauguth and Bob O Sullivan along to witness the ceremonies.

A MEETING of the Home Assn. was held last Friday evening and several improvements were decided upon. The genial treasurer and president of the Home went out early Saturday morning and purchased a new stoker to be installed in the clubhouse for your comfort and it should be in operation in the next two weeks. The winter's supply of coal has also been purchased with the thought in mind to obtain lower prices. The meeting hall will also have a new coat of plaster along with the card room and canteen obtaining the painting decoration needed due to the recent conflagration.

COMMUNION SUNDAY

On Sunday, Nov. 2, our council will receive in a body at the 8:00 o'clock mass in the church of our former chaplain, Father Edward S. Keough. Arrangements have been made by the trustees, so please spread the word to insure a large turnout. Your lecturer, Oscar Hines, contemplates a surprise for you at the breakfast to be served in the church basement. Please reserve this date on your calendar.

ITALIAN NIGHT: The committee has looked after the final details for the annual Italian Nite. Preparations are under way for some of the good old spaghetti and meat balls prepared by the noted Italian chef, "Rocco Chiaro." You know how Rocky can assemble this delicacy for your culinary taste. Included in the Italian Nite program will be the honoring of P. G. K. Macina wha was recently appointed a District Deputy.

OUR FIRST MEETING in November has been set aside to honor the dead. Our semi-annual Communion is also being offered up in their honor so this makes November 2nd a memorable occasion. The date happens to be "All Souls Day."

Our historian, Francis J. McMahon, is busy assembling the records to make the first meeting in November an outstanding one. His untiring efforts in our behalf should be more than appreciated as it takes much effort to obtain snapshots or pictures of members now dead.

The scribe offers his sincere apologies for failure to mention the death of Bro. "Wee" Foran in last week's issue. He was laid to rest in Gary, Ind., at Calvary Cemetery. Bros. Tim Griffin and Bill Kleuskens viewed the remains and offered condolences to the wife of the deceased and family.

NEWS FLASHES

Bro. Father Al Rebedeau was in attendance at our last meeting to thank the membership for their loyal support at his carnival. Our genial chaplain, Father Exlee, also spoke and we would like to announce his annual party and dance at the Hotel La Salle on Oct. 17. Your attendance will be appreciated. P. G. K. Chas. Du Bois, treasurer of the Home Assn., gave his financial report on the Home. A new arrival, a bouncing baby boy, came to the home of Bro. Jim Sullivan. Congratulations.

Newman Will Hold CYO Boxing Show Next Fri., Oct. 24

1-3 Thurs.....St. Mary's Hall, Evanston

Bro. Joseph Flinn and staff are working hard these nights on publicity for our boxing show, which is to be held on Friday evening, Oct. 24, at St. George's Gym. Bro. Joe and staff visited Ravenswood and Lake Forest Councils last week, Ouilmette Council Monday of this week and University and Columbus Councils Tuesday of this week. Now, brothers, we haven't asked anyone to do a thing for Newman Council, outside of bringing in more new members, for a whole year, but we are now asking for your support. It is worthwhile; it will be an evening well spent by every member of your family. So please go and secure your tickets from any member of the bowling team; from Joe Jans, who is the chairman of the ticket committee, or from yours truly. I will be glad to deliver them to you—75 cents for adults and 25 cents for children.

Bro. James McNulty, president of the bowling league, held a meeting for all the workers on the program committee at his home last Friday night and reports that everything is well in hand, so, brothers, make it a date with your wife, son, daughter, grandma and grandpa to be there Friday, Oct. 24.

Last Tuesday evening our bowling teams went into action with these results: Davis Candies won three from Ridge Cleaners, Hebsons won three from Corcoran Lawyers; Fitzgeralds won two from Schaefers; Altens won two from Menkes; Keefers won two from Meister Braus. NEWMANNEWS

Frank Moran, Jr., is now in different kinds of businesses—sells coal for Nilles Coal Co. in the wintertime and works for Tiny Joe Flinn in the wee hours Sunday morning selling milk (or is he just company, Joe?)

Joe Majewski is now a grandpa and is also promoted to St. Mary's bus driver. Keep it up, Joe; always be on time.

Chester Najouski has been called to the service of his country. He will leave for camp on the 22nd. On behalf of those members of our council who are in the service, please sit down right now and drop them a line or two. If you have relatives who want me to let the boys know where they are, just let me know. For those who know Jimmy Shea and don't know where to find him, just drop a line to Private James Donovan Shea, Co. C, 82nd Inf. Trg. Bn., 2nd Platoon, Camp Roberts, Calif.

Bro. Tony Schultz, Jr., called his father Sunday night and told him that he will be ready to come home on Oct. 28 and will be here until Nov. 12. So mother and dad are going to drive down to Camp Forrest to bring him home. A happy homecoming, Tony, and we all hope to see you when you're here.

Bro. Tom Steigelman left Wednesday morning for Camp Maxwell in Alabama and will remain there sixty days and then will be transferred to Greenville, Miss. Good luck, Tom; hope to hear from you later. At our next meeting, Oct. 15, we will have technicians on hand to type the blood of those brothers who wish to join our blood donors' group and to be rated with the chapter and state jurisdiction's requirements. Our football night, which was to be held Oct. 15, has been postponed to the first meeting in November. Signals over.

I was glad to see such a nice representation at the Columbus Day dance last Saturday night. I know everyone had a grand time and if you don't believe me, even though I wasn't there, ask Mr. and Mrs. Dennis O'Mahoney, Mr. and Mrs. Ed Atchinson, Mr. and Mrs. E. Wm. Miller, Mr. and Mrs. N. Waterloo, Mr. and Mrs. Frank Michelleti, Mr. and Mrs. John J. Corcoran, Mr. and Mrs. George Amidon, Mr. and Mrs. James Grannini, Mr. and Mrs. George Schmidt, Mr. and Mrs. Roy Decker, Mr. and Mrs. George Ritza and several others whom I forgot to mention.

Bro. Dr. Fitzgerald is attending a medical convention in Minneapolis, Minn., this week. Bros. Martin Corcoran and Tom McIlwee and Morgan gave first aid to Otto Menke the other day and then rushed him to the doctor's office, where his bride-to-be bandaged his sore thumb, which he hit instead of the nail. What were you looking at, Otto?

Chicago Hts. Drive for New Members Is Led by Walt Mayer

2-4 Monday.....1587 Otto Blvd.

The fall membership drive is under way and Bro. Walt Mayer has consented to act as temporary chairman of the Membership Committee. This drive for new members comes at an opportune time when nearly all men have steady employment.

Many of our young fellows if approached will gladly join our organization. How about getting after some of our ex-members? Also there are a few newcomers in Chicago Heights who might be interested in transferring to our local Council.

Bro. Ralph Einhorn is confined to his home with a "strip" throat. Bro. Pete Banty is also on the sick list again. A speedy recovery to you both.

By the time this issue of the Columbian goes to press our Columbus Day program will be over. Bro. Matt Walwer will be on hand. He had the banks closed all day so that he could get to the meeting.

Where is Larry Jurmann?

University Will Offer 'Civic Night' Program Tuesday, October 28

2-4 Tues. . . St. Ignatius Auditorium

While Tom Moore, chairman of the Civic Night meeting on Tuesday, October 28, is not divulging all the details of his program, we understand that he has a number of interesting numbers in addition to the talk by Judge Dunne. It is expected that the guests of the evening (whose names were published in last week's issue) will be honored by a large gathering of members particularly the older men who are unable to attend as regularly as they would like.

SERVICE MEN'S NIGHT: The first meeting in November on Tuesday the 11th, will be appropriately Service Men's Night under the chairmanship of our Worthy Trustee, Perice Fenlon.

FIRST AND SECOND DEGREES: These notes have to be written and mailed before the Tuesday meeting, hence it is impossible (without more imagination than the writer is blessed with) to give the details of this successful exemplification.

RETREAT AFTERTHOUGHTS

We are indebted to Retreat Chairman Fred Rondeau for the following thoughts about Retreats—and Fred is not only a Retreat preacher, he practices what he preaches by making two or three Retreats a year:

"The following four members of the council attended the Retreat at Mayslake on October 3rd: James Brown, Thomas C. Moore, Jack Morrissey and Fred P. Rondeau. Throughout the year, members of University Council have been making the Retreat and it is hoped that others who are so disposed will find it to their advantage to go out to Mayslake some Friday evening to make the 60-hour Retreat.

"Why should I make a Retreat? Each reader of these lines must have asked himself this question hundreds of times whenever the subject of Retreats has been mentioned. Allow me to ask each of you, 'Why do the Pope, the Priests and the Sisters make Retreats?' Does anyone think that it is a form of penance or just so much waste of time? The church, with its two thousand years' experience has seen fit to compel the Pope and all of the clergy to make Retreats. It is therefore, quite obvious that when the church, as our Spiritual advisor, tells us to do the same, there must be a very good reason for it.

"Ask any past Retreatant and he will tell you that he has profited immensely by learning the finer points of our religion—which can be done in a most fitting manner at any Lay Retreat.

"Therefore, you may consider the writer of these lines looking into the eyes of each good member of the council and suggesting that he go to Hinsdale any Friday evening. It is unnecessary to wait for someone to go with you. You may rest assured that you will live to thank the Franciscan Fathers for the benefits received."

BROWNSON MEETING TO FEATURE F.B.I. AGENT

2-4 Frl. . . . . 4754 N. Western Ave.

With the front pages of our daily press telling of the many duties that the Federal Bureau of Investigation is called upon to perform these days, our next meeting, Oct. 24, should be one to attract each and every member of our Council as Lecturer Walter Evrard has arranged to have an investigator from the Chicago office of the FBI present to tell of the workings of that leading branch of our government.

This will be an open meeting, which means that you may bring your gentlemen friends with you. A short business meeting will start promptly at 8:30 and the good-of-the-order program will start no later then 9:30. For first hand information on the FBI be sure and attend.

LAST MEETING: Catholic Action Chairman Thomas Phillips, and Lecturer Walter Evrard made our last meeting one of the most interesting in months. Bro. Phillip and the Rev. Harold Kenny, director of the National Catholic Community Service, gave most interesting talks on the wonderful work this new national organization is doing. After Father Kenny's remarks it was discussed at length about Brownson sponsoring an evening of entertainment for the boys who attend the new community center at 1122 S. Wabash Ave. This will in all probability be done in the very near future. The social hour conducted by Bro. Evrard after the meeting was likewise, a feature enjoyed by everyone.

REST IN PEACE

It is with a deep feeling of sorrow that we announce the death of Bro. John Lynaugh, who was called to his eternal reward on Saturday, Oct. 11. Bro. Lynaugh, who until he became ill about a year ago, was a regular attendant at all our meetings. His funeral held on Tuesday did not allow time for notices to be sent to all the members. Let us not forget him and our other deceased members in our prayers. May he rest in peace.

CONGRATULATIONS

All Brownson's members extend their heartiest felicitation to past Chancellor and Mrs. James A. O'Connell who, on Saturday, Oct. 4, celebrated their twenty-fifth wedding anniversary. May they have many, many more.

COMING EVENT: As Catholics, and as Knights, it is our solemn duty to remember in our prayers, and in our Communions, those who have preceded us to the great beyond. Our memorial mass this year will be on All Souls Day, Sunday, Nov. 2, and Catholic Action Chairman Thomas Phillips has already arranged with the new pastor of Queen of Angels Church, Sunnyside and Western Avenues, for Brownson to attend the 7:30 o'clock Mass. This will be the first year that we have not attended St. Vincent's, but it is being done with the thought also in mind of trying to make a very good impression in the neighborhood in which we now hold our meetings. Breakfast will be served in the school hall after mass.

WELCOME: Calumet Council's loss is our gain when at our last meeting two of their members, Bros. John Murphy and Cornelius O'Brien, were duly transferred, welcomed and received into our ranks. Both brothers expressed their feelings at being Brownsonites and promised to be regular attendants at meetings.

BOWLING

Our west side major team of Bros. Sinke, Leick, Kass, Gardner, Schmitt and Matz won three games from St. Patrick's council last Friday evening and are now well out in front in their division, having lost but one game. Our north side team have found the going a little bit tougher but are only 1 game behind the leaders, De Soto. The west side boys bowl at the Cascade alleys, Hamlin and Madison St., Fridays at 8:30, and the north side team at the Bowling Lanes, Broadway and Foster Aves., on Mondays at 9 p. m. Both teams would appreciate seeing their brother Knights present on these bowling evenings and promise a show. The Council bowling league reorganized last Tuesday evening the teams are now permanently s the balance of the twenty-eight schedule.

In a few weeks all the teams be decked out in new bowling and should be a great aid to the sors as well as to the Council. too, would appreciate seeing brother Knights present on T evenings at the Monte Carlo Lincoln and Belden Avenues, o'clock, rooting for the various Long's high game of 259 and La high series of 644 should stand a few weeks. ST. RITA DELEGATION ENJOYS CHARITY BALL

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

As predicted, St. Rita Council was right on top in attendance at the Chicago Chapter's Columbus Day Ball at the Palmer House last Saturday night. Nearly 150 friends and members of our council attended.

Also, our prognostication that Chairman Connie O'Sullivan's and G.K. Ted Lee's "sideshow" in rooms 742-43 would have all the features of the "big tent" was correct, excepting, of course, the "string" that it wouldn't be nearly as crowded.

The jam was so bad for a time that Connie's committee ushered in the guests in layers; John Bernoski was pressed so badly that he was able to wear a "two-way stretch" Sunday morning with the ease of a Raglan top-coat; John McNally stepped out a window to a fire escape for some air and was stranded. Two airplane pilots dropped food and clothing to him for six hours before he was able to get back in the room; Dick Burke got pushed into the folds of the entertainer's accordian and didn't extricate himself until the second chorus of "Roll Out the Barrel," two days later at a Brighton Park street dance.

Of course the crowd thinned out every once in a while, and it's a matter of record that one man did NOT hang his hat on Wallie Condon's proboscis, as most everybody else did, mistaking it for a closet hook; but, at last reports Joe Philbin was still looking for his toupee and thinking of swearing out a warrant for Adolph Leverenz. It's pretty certain, however, that Adolph didn't take it, for his naked head was much in evidence. Seven times somebody yelled the room was too bright, and somebody else pulled his tie to turn out the globe light.

And the food department! There was plenty of it all right, and fixed properly, thanks to Joe Clerkin and Bill Stoeller, but five minutes after the raid started the "All-Clear" siren was sounded. We held out our plate for some potato salad, it landed on John McGowan's head. Frank Small wiped his lips with a napkin and Charlie Nash "yum-yumed" and added "that was sure good."

It was no place for romance, either. We started to kiss our girl, got slapped by the brothers, and found a note in our pocket the next morning reading: "That was swell. Give me a ring at Triangle 7—7." You've got to remember, though, that the "amber fluid" had hit the right spot by then, if the cuff of your pants and your coat pockets come under that category.

The other council's had no dearth of guests. Pete Salvatori got into a "La Conga snake dance" out in the hall and ended up in the chorus in the Empire Room. The elevators? John Gaynor and Jerry McNamara got into a car on the main floor about 10 p. m., trying to get up to the 7th, and went up and down so much that the Civil Aeronautics Authority asked to see their pilot's licenses.

Don't take the above too seriously, but you can take our word for it that Connie O'Sullivan, Art Manfredi and their committee did a fine job. Also, we owe a vote of thanks to those who were patrons. We led all other councils in that field. Names of patrons not printed last week include: John Leber, Dr. Jun, Ted Lee, Mat Kominsky, Charles Nash, Howard Jeffers, Joseph Shanahan and Frank Zavrel.

St. Augustine in Special Meet to Aid Member Drive

1-3 Mon. . . . . 5209 S. Justine St.

In line with the program arranged by the Supreme Office, St. Augustine Council was visited at the last meeting by Special Agent O'Dea who made a plea to the members to act now to help increase the membership of the Order. He specified the need for new members during this critical period, now, more than ever before.

In line with his wishes, Mike Popernik, chairman of the membership committee, arranged to hold a meeting during the week to discuss plans for a membership drive. Any member wishing to cooperate with Mike may enlist in this committee. All we ask you to do is to contact a few prospects and secure as many applications as possible.

During the meeting an important subject was brought up which we deem unadvisable to discuss in an open column such as this. Nevertheless, Chancellor Leo Heimen and his cohorts are to be complimented for the vigorous stand they took against the opposing factors. Inasmuch as Advocate P. G. K. Doc Kuchler was not thoroughly familiar with the legal opinion on the matter, the point was tabled until next meeting so that all the members could be advised to be present so that they could make known their attitude in the matter.

Dr. P. J. Werner enlightened the members present on many interesting items concerning the Blood Donors Movement. He is also cooperating with G. K. Geo. Copps to have a technician at one of the meetings in the near future to type the blood of all not as yet typed. After the meeting the usual beer and sandwiches were served by Lecturer Hank Rieger.

BOWLING RESULTS

Schaefer Barbers remain in first place by virtue of their two wins over Mack Bros. Charlie Subr and Nic Schaefer Jr., with 505 apiece, led the Barbers. Al Feil with 210-587 and John Kolmodin with 520 were tops for the Movers.

The Dutchmen had to carry a dead load in Ed Witrys' absence last week and consequently dropped two to Ted Kloeckner Florals. Tony Follman 212-532 and Andy Foertsch with a 215 were high for the Florals. Doc Serr and Jake Leitzen got 525 each for the losers.

Heinen Morticians after dropping three the previous week, bounced back to win two from Bonthron Service. Mike Heinen with 204 in the first game and Horan with 202 in the last, insured the two wins. Tom Clancy, 203-525 was high for the Gasmen.

The Johnnie McCabes just missed making it six in a row when they dropped the odd game to Puetz Markets by 6 pins. Jim Burke, 208-540 and John Putz, 200-511 led the winners. John Ossowski 209-532 got most of the wood for the Butchers.

Let's show our appreciation to the sponsors by patronizing them often.

Good news reaches us that the mother of Joe Handzik is now home from the hospital and recovering nicely from a recent seige of illness. And again that little old stork has come amongst us. This time it's a little "bambino" at the home of John and Mrs. Mangelli, and it wasn't a boy either. Better luck next time, John. Can't build future Knights with girls.

Our worthy scribe, Jim Burke, was rushed to the German Deaconess Hospital for acute appendicitis Sunday, October 12. The operation was a success and he is doing fine.

John Ossowski left last Sunday with a few friends to visit his son. Corporal Joe, who is at Camp Warren, Wyoming.

Don't forget the meeting Monday nite. Something very important which demands your attendance. Oh, yes, just a word of sympathy to you Cub fans. Better luck next year. Leitzen.

JOHN H. MANEY

Carroll Council officers and members are saddened by the great loss of our beloved Bro. John H. Maney, late of 120 South Austin boulevard, Oak Park, Ill., beloved husband of Ellen T., father of Mrs. M. B. Cummins, Mrs. J. W. Collin, Angela, and Zita Maney. Funeral services were held Monday morning from the chapel at 2346 West Madison street to St. Catherine of Siena church. Interment was at Mount Carmel cemetery.

Having joined Carroll Council in 1903 as a charter member, John Maney was a concrete example of the ideals of the Knights of Columbus seeking to bring home in a practical, personal way the worth and value of mutual assistance, the duty of man to man, neighbor to neighbor, and of citizen to his state. He possessed a strong spiritual bond between himself and his fellow members, with a view of giving to that Faith the support which unity means and exemplifying to the public by the union of members the value and virtue of the Catholic faith to citizenship.

Sunday evening a large delegation of officers and members, led by our Chaplain Rev. John S. Kennedy, attended the wake to pay their final respects to the man who was, indeed, "his brother's keeper." We pray that he shall forever walk in the eternal light of peace and happiness. Our deepest sympathy is extended to the family on their very great loss, which can only be realized by the close association we shared with him for so many years.

Neri Hears Baseball Expert Give Various Pointers on Athletics

1-3 Tues.....7515 Yates Ave.

One of the most interesting discourses on softball and baseball was delivered at St. Philip Neri council's "Softball Night" by Jack Sheehan, Chicago Cub scout and director of baseball for Chicago Park District. Mr. Sheehan is a member of Santa Maria council.

"Softball was begun in Canada," said Mr Sheehan who formerly played third base for Brooklyn against Cleveland in the World's Baseball Series in 1920. "It became popular when the women played the game just as the fair sex is making bowling famous today"

He pointed out how softball instead of hurting baseball, is aiding the latter sport. However, he advised any boy between the ages of 16 and 20 who desired to become a baseball player to shun the sport of softball. Mr. Sheehan, who was a member of organized baseball for 25 years—10 as manager—stated that it took five years in the minor leagues before a player was ready for the major circuit and mentioned concrete cases. Johnny Hutching, Cincinnati pitcher, whom Mr. Sheehan sent to the minor leagues, was given as an example.

The Brooklyn-New York game was touched upon as was baseball as a profession. Mr. Sheehan was introduced this columnist who brought out the that while Mr. Sheehan was manage the minor leagues, he produced championship teams. One of the nines numbered an outfield compose players whose ages each were 18 old. Father Gorman to Speak at K. of C. Softball Banquet

William Blake, Noted Football Referee, Will Act as Toastmaster at Nov. 6 Affair

An added treat is in store for those attending the annual Knights of Columbus Softball League Banquet on Thursday, November 6, at the Midwest Athletic Club, 6 North Hamlin avenue, in that the Rev. William Gorman, chaplain of the Chicago Fire Department and of the Fourth Degree, Knights of Columbus, will be present as guest of the evening.

The banquet celebration will honor the new K. of C. League champions, the squad from St. Cyr Council that batted its way out of a twelfth inning tie to defeat Leo's "Fighting Irish," 12 to 10.

William Blake, noted football referee who worked the Michigan-Northwestern game last Saturday, will act as toastmaster. The league is indeed honored to have such a noted personality to act as master of ceremonies. Bill is a graduate of Loras College of Dubuque, Iowa, where he starred in football, baseball and basketball. He is at present Lecturer of St. Philip Neri Council.

Trophy Donors

The latest addition to the ranks of trophy donors is Bro. Philip C. Nilles, Master of the Fourth Degree. He is donating championship awards to one of the division leaders. Other division trophies have been given by Fred Snite of Elmhurst Council and president of the Local Loan Co.; May and Galar, sporting goods dealer and wholesaler of 37 South Wabash avenue, and the Midwest Athletic Club.

State Deputy Leo M. Flynn is offering the championship award. The second place award is the courtesy of Cook County Recorder Edward J. Kaindl; third place, Clayton Smith, county commissioner, and fourth place from James M. Whalen, sanitary district trustee.

Councils that have not yet made reservations are urged to call the banquet chairman, John T. Burke, at Columbus 7318 or Joe McGreal at Virginia 9578. Indications point to a sell-out for this evening.

All members of the league are invited to send their team to this affair as a reward for a season spent on the softball field for the glory of their respective councils.

BEG YOUR PARDON

The Executive Committee of the Chicago Chapter Columbus Day benefit party extends its sincere expression of apology to the members of St. Philip Neri Council for having inadvertently omitted that Council from the list of party patrons.

St. Philip Neri Council was actually the first Chicago unit to place its order for a patron's reservation and was among the several south side councils that disposed of their full quota of both patrons and general admission tickets.

Assembly Presents Annual Hallowe'en Party Wed. Evening

Sir Knights and Ladies to Attend Card and Dancing Party at Palmer House

During the course of the year, La Salle General Assembly, Fourth Degree, presents many fine programs. None, however, is more popular than the annual "Hallowe'en Card and Dancing Party," which will be held this year on Wednesday evening, October 29, in the Grand Ballroom and the Red Lacquer Rooms of the Palmer House. It will be, of courses, exclusively for Sir Knights and their ladies.

This yearly event always attracts a capacity crowd, and from the interest already manifest among the Sir Knights of the various councils, this October's affair will be no exception. The card players will gather in the Grand Ballroom promptly at eight-thirty and for the next two hours the exponents of bridge, pinochle, five hundred, etc., will be in their element. The Sir Knights of the Patrons' Committee are ready and waiting to handle the crowd, and ready, too, when the evening is over to present to one of the guests at each table a handsome and a useful gift.

Dance Program in Red Lacquer Room

Starting at nine o'clock Sir Knight Charles Montgomery and his always-popular orchestra will be ready to entertain the dancers in the Red Lacquer Room. Plenty of "rhumbas" and "congas" for the more expert terpsichoreans; but plenty of waltzes and fox-trots for the old-timers, too. And there will be Hallowe'en favors to make it a real gala occasion.

Admission will be by 1941 membership card only.

60,000TH GUEST VISITS LA GRANGE MODEL HOME SINCE JULY 4 OPENING

Having been recently released from a period of illness in the hospital, Mrs. Cecelia Rodgers, 7219 Oak avenue, River Forest, was in search of a change of scenery. On October 17 her daughter, Mrs. D. M. Jacobsen of Oak Park prevailed upon her to visit the Mount Vernon House of 1941 in La Grange Park, sponsored by the men and women of St. Francis Xavier parish. When these ladies entered the building at 5:10 p. m. Mrs. Rodgers was pleasantly surprise to be informed that hers was the 60,000th paid admission since the opening on July 4th. She was greeted by Mrs. L. R. Gilleran, co-chairman for the day, presented with a gift and a season pass.

The fine attendance at the house these past few weeks is indicative of the fact that people are beginning to realize that time is passing swiftly. The inspection period will close with the Mount Vernon House Festival Party at the Paradise ballroom on November 28, so that there are really only thirty-five days left in which to visit the property.

Supreme Knight Tells of K.C. Effort in U.S.O. Work

Local Representatives Hear Report on Progress of Campaign at Special Meeting Here Last Week

Francis P. Matthews of Omaha, Supreme Knight of the Knights of Columbus, thrilled an audience of representative Knights and others at the Hotel La Salle last Friday in a message about what the men in the service needed and how that need was being met through the work of the Knights of Columbus and other agencies, banded together in the U.S.O.

Among the leaders of the Knights present were State Deputy Leo M. Flynn, Supreme Director Michael J. Howlett, Vice Supreme Master of the Fourth Degree Jerome J. Crowley and Master Philip C. Nilles of the Northern Illinois District. Representing the National Catholic Community Services' Club for Service Men at 1122 S. Wabash Ave., which the Knights have furnished and equipped through the proceeds of the Chicago Chapter's Columbus Day ball were Rev. Harold J. Kenny, chairman of entertainment, and James B. Carney, director of the club, and for twenty-one years a secretary of the Chicago Chapter.

President Harper Sibley, national president of U.S.O., also delivered a message of progress to the gathering which included representatives of all the Catholic lay and women's societies in the local N.C.C.S. organization and of the Jewish Welfare Board, the Salvation Army, the Y.M.C.A. and Y.W.C.A. and the Travellers Aid, all of whom are cooperating in the U.S.O.

States Purposes of U.S.O.

Supreme Knight Matthews, speaking as vice-president of U.S.O., thrilled the crowded room with his declaration.

"The dream of the U.S.O. to create a normal atmosphere under abnormal conditions for our boys in the service is nearing realization rapidly."

Mr. Matthews, who had shown especial interest in the set up and operation of the Club for Service Men dedicated recently by His Excellency, Most Rev. Archbishop Samuel A. Stritch and Rev. William A. O'Connor, archdiocesan director of N.C.C.S., gave an eloquent exposition of the purposes of such clubs, and of the cooperation of the diverse religious bodies making up the U.S.O.

He declared such unity of action in this cause might sow the seed of corresponding unity in national matters, as the most potent antidote for the poison of disunity which totalitarian influences are using to disrupt our American way of life.

Face Old Problems Today

"Human nature does not change with the flight of time," Mr. Matthews pointed out. "Our young men face the same perils to their morale and morals today that have threatened our youth for ages, and temptation today is more streamlined and more difficult to combat.

"Morale is impossible without morals, and morals are impossible without religion. Our young men in camps and in the congested defense industry communities must be protected in all three, and the major factor of that protection is religion.

"The dream of the U.S.O. is to give these young men a normal atmosphere in the abnormal conditions of the national defense emergency, which are a fertile field for the totalitarian propagandist, and subversive ideologist organization.

"The U.S.O. is that weapon of defense, the answer to that challenge, a major factor in our battle for the preservation to ourselves and to our descendents forever of our American way of life."

President Sibley brought great encouragement to the U.S.O. representatives in his announcement that since October 1 fifty contracts for U.S.O. building at the military camps had been awarded by the War Department for completion and operation before Christmas, and that some 200 such buildings, for which contracts would be let within a few days, would be in service shortly after the first of the year. Among these buildings will be structures at Highland Park, Waukegan, Highwood, Chanute Field, near Rantoul; Scott Field, near Belleville.

Newman Council to Put Mitt-men Through Paces in 8-Bout Card Tonight

An eight-bout, all-star boxing card will be presented by Newman Council of Evanston this evening, Oct. 24, at St. George's High School gymnasium, Sherman and Austin streets, Evanston.

Judge James M. Corcoran, P.G.K. of Newman Council and a District Deputy of the Knights of Columbus, is chairman of the program and will present State Deputy Leo M. Flynn as guest of the evening.

Arrangements for the boxers were made through Paddy Kane of the C. Y. O. by Bernard Nellessen, who expects a crowd of more than a thousand at this second annual show. Last year's card was studded with boys who were then champions or who went on to win the honors in their divisions in both the C.Y.O. and Golden Gloves Tourneys.

Program and publicity are in the hands of last years heads, Edw. Coursey and Jos H. Flinn respectively, who are assisted by Chas. Rohrer, Larry Dupre and Pat Craig. President of Newman's Bowling League, James McNulty, is lending a hand with his organization which includes Treasurer John Murray and Secretary Geo. Hebson.

Northwestern University's National Championship Fencing Team, coached by Dr. Tittleman, will put on an exhibition during the intermission.

The bouts will be refereed by Joey White and Howard Walsh with Chet Coyner announcing and Thomas Purcell, Jr., acting as timekeeper. Judges are Carl Witt and S. Vance.

Quigley Prepares For Party Record at Nov. 22 Dance

1-3 Tues. . . . . 1035 W. 31st St.

There have been affairs before in the annals of Quigley Council, but never one as important as the Nov. 22rd Fall Festival dance. The beautiful clubhouse owned and operated by Quigley has been kept open the past two years without practically any income.

A mortgage has to be paid off—and therefore a decision was made not only to run a dance—but to stage an affair that would be tremendously successful both socially and financially. Every officer is EXPECTED to give nothing but his complete energy and ability to the success of this dance. Every member is reminded of the significance of this momentous affair.

Attend the dance—bring along a friend—Sell a dance ad at $2.50, $5.00 and $10.00 for a quarter, half and full page respectfully. Be included in the patron list at 50c per person.

Every advertiser will be included on a bulletin board to be placed in every room in Quigley clubhouse for one year after the date of the dance. Turn ad copy over to Program Chairman John J. Golden, 3355 S. May St., or to Fin. Sec'y John J. Jankowski.

MAJORS ARE HOT

Continuing their victorious splurge, the Quigley major bowling team took three games from St. Patrick's for a win and loss of 11 and 4 to date. These three keep the majors in a tie for first in the west Section K. of C. League. Scores of Oct. 17:

Broderadorf, 574; Szykowny, 623; Tocwish, 536; Dalton, 540; Berny, 571. Total, 2,844.

MEMBERSHIP DRIVE

With the recent appointment of Anthony Mysiewicz as membership chairman, the drive to increase the size of our council has begun. The coming class will be on Nov. 3, at Weber Council, and members are urged to turn in applications promptly. Quigley last year procured 64 new members and 63 the preceding year. The goal of this year's committee is 100 members by June 21, 1942.

Nov. 2—MEMORIAL MASS AND COMMUNION at St. David's Church. Meet at clubhouse at 7:45 a. m. Quadrangle club and Sons of American Legion bugle and drum corps of Flanders will escort the council at St. David's Church.

Nov. 18—Poultry night—1,000 lbs. of poultry for members only.

St. Joseph's Requests Prompt Entry Be Made for Pinochle Tourney

1-3 Thurs.....57th St. & Archer Ave.

A considerable improvement in attendance was evident last week, some faces being present which we had not seen for some time. Reports were made on Bros. B. Gentile and Ben DePaola, both of whom are getting along fine. Bro. De Paola is in room 205, West Suburban Hospital, and will welcome visitors.

Bro. Tomlonovich has eighteen entrants for the pinochle tournament and if you want to get in on this see him at once.

The council will sponsor "bowling Sunday" again, the program being similar to last year's. The first of these will be Oct. 26 at Lambert's Alleys on Archer Ave. and the time will be 2 p. m. If you want to enjoy two hours of good clean entertainment, plan to get it by being present on Sunday afternoon.

The dance, now a matter of council history, proved to be the most successful Columbus Day dance we have had for years and goes to prove that "it can be done" if enough effort is made.

Bro. Flaherty, who made a successful chairman, reported that five members sold 80 per cent of the tickets disposed. Our thanks are due to Mesdames Lloyd, Susich and Puchalski for their illustrations of real barbecue sandwiches, which went over big.

COMING EVENTS

Memorial service on Thursday, Nov. 6. Show your respect by being present. Thanksgiving party Thursday, Nov. 20, for members and their ladies. Communion Sunday Nov. 23 at St. Blase Church. Time to be announced later and to be followed by breakfast in our hall.

St. Blase Holy Name "fall dance" on Saturday, Nov. 1, in St. Blase Hall, with Kenny Leighton's orchestra. A number of members of this society were at our dance and will appreciate reciprocity of our members.

COINCIDENCE: Dr. and Mrs. B. Lyznicki are to be congratulated on the recent acquisition of a daughter. The coincidence is that Mrs. Marie, son and new daughter can all celebrate one birthday, as Aug. 5 is the birth date of all three. "Doc," we hear, is in the wilds of Canada on his annual trip for "moose, deer, fish or—" so we can expect some good stories or else some evidence.

ST. RITA'S HOME GUARD TO SPONSOR DEC. DANCE

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

Jack Bracken, Chairman of the Home Association, announced this week that the organization will sponsor a dance Saturday, Dec. 13, in Flynn's Hall at 3236 W. 63rd St., the proceeds to go toward lifting the mortgage from atop the old homestead.

Plans for the affair will get under way tonight at a brief meeting in the clubhouse at 8 o'clock. All members are invited to attend and offer their services to Harold Hilbert, who has been appointed general chairman of the dance. There is much work to be done; besides the distribution and sale of tickets, an ad program and patron list is being planned. All who are able are urged to secure either an ad or a paton.

Through the quick work of Harold and Jack tickets were printed and distribution was begun a week ago tonight at the bowling alleys. Other members will receive their ducats in the near future.

To veteran socialites of St. Rita Council, Flynn's Hall needs no introduction. It was the site of the 2034 Club's last two winter cabaret parties and has proven itself equipped for this type of an affair. The dance floor is large, there is plenty of room for tables and the accoustics are very good. Adequate parking space is available adjacent to the building.

Don't forget the date, Dec. 13. Art Dunn and his orchestra, well known on the South Side, has been engaged. Tickets are 55 cents each. Jack Bracken can be reached at Grovehill 2793.

LETTER

John McGowan has received an interesting letter from Bro. Paul Orsinger, stationed at Camp Callan, Calif. Paul is now a target range sergeant and is said to be one of the best shots on the West Coast.

His duties consist of maintaining the 200 yard .30 caliber rifle range, the 1,000 feet .22 caliber rifle range, pistol range and obstacle and bayonet course.

Paul writes that he receives The Columbian every week and is keeping tab on the bowling scores although he has had no time for bowling himself. His golfing game is still at its best, however, for he has been posting scores in the 70s or low 80s. He continues:

"I managed to get invited to a dude ranch several weeks ago, and it was a honey. So were the coeds from U. of S. C., U.C.L.A., Stanford and Oregon. Seven gals, seven guys, swell drinks, horses, swimming, dancing, barbecue and what not! I'm invited to another one next month, and believe me, I'll be there."

Paul says he intends to come home for the Christmas holidays to visit with his family at 3221 W. 66th pl. He closes by thanking Bill Stoeller (who takes care of our soldier members) for sending him some cigarets and asks McGowan to say hello to all the Brothers for him.

THIMGUMBOBS

Nearly 100 members of our council attended our last meeting to hear a talk by Municipal Judge John Gutknecht, a noted authority on traffic safety, talked extemporaneously for an hour on the dos and don'ts of driving, and by the applause that followed his talk was none too long.

Lecturer Harold Hilbert announces our next meeting, Nov. 6, will be a Ladies' Night. Be sure and bring the wife, girl friend, mother sister or daughter. Perfume and flowers will be given to the ladies.

Mr. and Mrs. Bruno Fracassi celebrated their 14th wedding anniversary Saurday, October 11. . . . Mr. and Mrs. Frank Karbowski will celebrate their Silver Wedding anniversary Oct. 28. . . . St. James Council will hold a Hallowe'en Harvest Festival and Mask Party, tomorrow night in the Hayes hotel, 64th and University Ave. Admission is 55 cents per person.

CONDOLENCE

Despite the efforts of a fire department inhalator squad, Janet Thomas, 2-month-old daughter of Bro. and Mrs. Raymond Thomas, died of pneumonia in her home at 6424 S. Ashland Ave., a week ago Wednesday. The infant was buried in St. Mary's cemetery last Friday following services at 1503 W. 51st St.

LOST

The correct addresses of the following brothes are not known: Richard P. Corcoran, Bernard Johnston, P. J. Junker, John R. Kossuth, Jr., Joseph J. Kramer, Francis M. McInerney, Frank W. Sandera, Nicholas D. Shanon and L. P. O'Connell. These brothers are asked to get in touch with Financial Secretary Joe Shanahan at 7956 S. Union.

Our path and that of Bowling Secretary John Lehner did not cross since last Friday so we haven't the bowling results, but we do know that the Sullivan Morticians rolled an individual game of 1,029, said to be the highest ever rolled in our council, with Art Manfredi, Ray Sullivan and John Gaynor each coming in in the 220's.

There is more true philosophy in an inch of laughter than there is in a yard of sarcasm.

Host to Scouts

Attorney Elmer M. Walsh, 7707 S. Bennett Ave., Past President of the Holy Name Society of Our Lady of Peace Parish and Chairman of Our Lady of Peace Boy Scout Troop for the third consecutive year, has arranged with the Athletic Department of the University of Notre Dame to admit, free of charge, the Boy Scouts of Our Lady of Peace Parish to attend the Notre Dame vs. University of Illinois football game on Saturday, Oct. 25.

Our Lady of Peace Parish Boy Scouts of America, Troop No. 586, is one of the largest Boy Scout Catholic troops in Chicago and was founded two years ago by Mr. Walsh.

All of the Scouts, including the Scoutmaster and adult troop committee, headed by Mr. Walsh, are members of the parish and receive Communion as a group with the Holy Name Society on Communion Sundays.

St. Anthony's Ladies Night Wins Approval of Packed Chambers

1-3 Thursday.....73rd and Grand

"Ladies Nite" last Thursday was a howling success. The hall was packed and Lecturer Andrew (Pete) Ruff produced a show that was second to none. It included Paul Erickson, "The Musical Switchman," who has the unique ability to make music come from most everything he touches, and Martin Toolis, a boy soprano from St. Patrick's High School. He was accompanied by Andrew Ruff, Jr., son of our Lecturer, who also rendered some piano solos. Music for dancing was furnished by Bro. Ed. Bezdicek's orchestra.

The refreshments were handled by veterans in that line, Bros. Mike Flynn and Charlie Maley, and as usual they did a swell job. All in all it was an evening of fine entertainment, excellent refreshments and a festive spirit prevailed. Bro. Ruff and his committee are to be complimented.

Bro. Joseph (Bud) Broker has been released from the U. S. Army and is back home. Bro. Broker spent the last few months in training at Camp Callon, California. Glad to see you, Bud.

WE REGRET

That Bro. Tommy Doyle is in the Hines Hospital for observation.

That Bro. Dominic Palmere has been home for some time with a bad cold.

That Mrs. John Didier, Sr., mother of Bro. Nick, is very seriously ill.

We wish them a very speedy recovery.

RETREAT—To a great majority of us, the definition of the word "Retreat" is, "Something we would like to make but when the opportunity arises, always find some excuse not to." Opportunity again presents itself for you Friday, Oct. 31, when St. Anthony de Padua Council will go to Mayslake for its annual retreat.

Why not set aside these excuses that have come up in the past and join with the other members of our Council in making this retreat. Call Chairman Andrew Ruff, Franklin Park 310R or G. K. John Deignon, Franklin Park 422J, for details.

Hope to see all of you there.

Joh Leech just was too lucky to be bribe getting 578 for the winners. The Doos Studio team dropped to a tie for secon place by losing two games to Alderma John Grealis' boys. G. K. Charles Ruzkowski as istrict Deputy, and P.G.K. J. Robert nderson as member of the K. of C. ate Athletic Commission. He lauded e two new appointees for their past rformances, and declared his confidence their ability as leaders to continue the alous and conscientious fulfillment of eir new assignments.

In commenting upon the various phases Columbianism, the Worthy State puty pointed out that Catholic men e becoming more conscious of their ties as Catholics. In the near future, arrangements will be made to have another class of Blood Donors typed at one of our meetings. Our present class of 34 has been somewhat depleted by the fact that four of our boys have entered the Armed Forces of the U. S. During the past week the following members were called upon to give transfusions: P.G.K. John Olsta, P.G.K. J. Robert Anderson, P.G.K. Eugene Raith, Eugene Murphy, Joseph Wiedemann, Charles Kadow and Leo A. Postelanczyk.

Charles Ruzkowski, Lecturer Ray Ruzkowski and Bro. Edward Ruzkowski. Because these masses will be offered on Saturdays, when many of our members are free from work, it is expected that all who can will attend.

TONTI NOTES

The Hon. Peter H. Schwaba, Judge of the Superior Court, a member of our council for over 25 years, made a stirring appeal at the last meeting to the prospective candidates to join the Knights of Columbus, especially Tonti Council. Judge Schwaba has been a great booster of our council, and on numerous occasions has donated trophies for various sports contests.

P.G.K. Leo Murray put in an appearance at the last meeting and really delivered a wonderful presentation speech to D.D. Charles Ruzkowski, extolling his fine qualities.

Tonti Council started a patriotic movement at the last meeting by giving out five awards of Defense Stamps. So, brothers, attend meetings and perhaps you will go home with one of these Defense Stamps that may eventually turn into a Defense Bond.

St. Augustine Urges Member Attendance at Memorial Mass Sat.

No. 1419 . . . . . 5209 S. Justine St.

Have you ever been to a memorial service in the Council Chambers? It is quite edifying. We call ourselves good Christians because we belong to the K. of C. and the cardinal virtue of our Order is charity. The charity you offer in this instance will be your prayers; you must remember some deceased Brothers.

There will be a Requiem High Mass celebrated at 8 A. M. Saturday, Oct. 25, at St. Augustine Church for the deceased members of the Council. Let's see some of you Brothers who do not work on Saturday attend this Mass.

BOWLING

Schaefer Barbers, leaders of the league, lost three games to the Puetz Markets. Sutterlin with 568 and Hauser's 551 were high for the Puetz. Kurtz was the heavy man for the Barbers.

Heinens won two from the Kloeckners. Horan's 590 was high for the Morticians, Follman's 506 for the Florists.

Jake Leitzen's Dutchmen can't get going, dropped three games to Bonthrons. Leitzen's 544 was in vain. Lucheon's 534 was high for the Gasmen.

McCabes took two from Macks in very close games. Dan Burke is still going —530. Sefcik and Tony Kloeckner were the heavy men on the Macks.

Some people are proud of their past—probably because it is past.

Dearborn Lists Entertainments of Coming Months

1-3 Thursday.....820 W. Garfield Blvd.

Dearborn activities this winter are going to be some of the finest the Council has ever known. G. K. Devereaux and Lecturer Pat McCarthy have planned a schedule of events which every member should attend and at which all are certain to have a wonderful time. These two men, in conjunction with those who meet with them at Mark White Square every week, are doing an excellent job in the way of providing good, clean and worth-while amusement for the Council members.

Within the past few weeks we have had a chance to view the results of some of their work in the "Sports Night" and again the party at Ryan's Woods. When any organization can jam that shelter house to capacity, such as Dearborn did Oct. 4, you can make up your mind to one thing and that is that the members enjoy them and want more.

Before the shelter house was closed that night the G. K. reported that many people asked when Dearborn was going to have another party such as this. They were told that on Dec. 6 would be the date when we would hold, what we have dubbed, Dearborn's "Green Buck" night. The tickets for this party are now in circulation and every member should see to it that he gets a supply and invites all his friends to be on hand for another evening crammed with fun and excitement. For $1.10 there is not anyone who can buy as much entertainment anywhere else as he will receive that night.

Prior to the "Green Buck" party Dearborn has planned another event which should be attended by all members and that is the Memorial Night at which Dearborn remembers all its deceased members. Father Dussman will be present to deliver the address of the evening. He is, as you know, the noted radio priest who has a fine reputation and great following among his radio listeners. Memorial Night this year will be Nov. 6 and will be held in the council chambers. On Nov. 2 members of Dearborn will meet at Santa Maria Incoronata Church at 218 W. Alexander St. for the Memorial Mass at 9 o'clock.

COUNCIL ITEMS

SINCE the last report many of Dearborn's members have answered the call for mercy and submitted blood transfusions. They were Fred Albert, 9-30-41, at Mercy Hospital; F. Warcznski, 9-30-41, Holy Cross; George Sterns, 10-6-41 (plasma), Michael Reese; C. W. Raardon, 10-6-41 (plasma), Michael Reese; R. Du Mais, 10-16-41 (plasma), Michael Reese; Thomas Tynan, 10-9-41, St. George; Thomas Tynan, 10-15-41, St. George, and J. B. Kelly, 10-11-41, at Mercy.

G. K. Markey of De LaSalle Council gave a transfusion to his niece, Alice Jean Flessner, at Chicago Memorial Hospital Sunday, Sept. 28. Bro. Sam Messina went to St. Bernard Hospital and Bro. H. Manzetti went to Evangelical Hospital but neither of them was used. However, they both answered the call and were ready.

THE COMMITTEE for the "Green Buck" party consists of DGK Downes, chairman; Bros. Pidone, Lynn, Read, Tynan and Ruff will assist him. Bro. Dave Kerwin, by consent of "Papa" Kerwin, will have charge of the distribution of tickets, so get in touch with him in order to get them. We didn't mention that the party would be held in Carpenter's Hall at 6414 S. Halsted St.

Bro. John Dowd is now released from the Army, which, we hope, will allow him enough time to attend a meeting or two.

Watch for notices through the mail advising you when there will be an entertainment committee meeting and attend them if you possibly can.

Bro. Joe Nix reports that his wife is still ill and we pray for her quick recovery.

Rev. Father Golla, a member of Dearborn, and former assistant at Sacred Heart Church, has been transferred to Sacred Heart Academy in Lake Forest, Ill., due to ill health. On Wednesday, Oct. 29, the Holy Name Society of Sacred Heart is giving a testimonial party in his honor at the Sacred Heart Auditorium, 70th and May Sts., and invites all Dearborn members to attend. Tickets are 55 cents and they may be had from Bros. Heilmann or Werr.

Three cheers and a bunch of hurrahs are in order for Bro. Bill Lynn, who turned in four signed applications at the last meeting. Brothers, that's reputable work and deserving of much recognition.

SPECIAL ANNOUNCEMENTS

Our GK desires to know and have on record the names of all members who have joined the services of our country. You are hereby requested to notify him who they are and please do it as soon as possible.

St. James Council announce their Hallowe'en Masquerade Party and Dance at the Hayes Hotel, 64th and University Ave., Saturday, Oct. 25. There will be cards, prizes, dancing and fun for all. Admission is 55 cents per customer.

Don't forget the Memorial Mass at Santa Maria Incoronata Church, 218 W. Alexander St., Sunday, Nov. 2, at 9 a. m.

November meetings will be on the first and fourth Thursdays.

THE FIRST AND SECOND DEGREES will be exemplified in South Division No. 1, of which Dearborn is a part, at Archbishop Weber Council, Monday, Nov. 3. Get your applications in.

DUE TO the absence of Bros. William Leahy, C. E. Lindstrom, William Gaynor and Charles Riordan, Bro. Bob Du Mais collected 10 dollars trapper's award last week. Bob said he will use it on his vacation trip next week, but he wouldn't tell us where he was going. Special awards of the evening were won by Bros. Kittrick, Read, Downes, Halik and Brady.

THE FOUL LINE

Dearborn's keglers are continuing to knock 'em flat and we hear that last week Jim Brynda shot a 528 series, with a 213 high game. Mike Mullee got 523, Bartosik shot 515, P. Lucerto got 511 and Tom Maney hit them for 504.

The teams line up as follows:

EUCHARISTIC CONGRESS EXPENSES FULLY MET BY SALE OF EMBLEMS

St. Paul.—The ninth National Eucharistic Congress held in the Twin Cities last June was successfully financed in all its expenses by the sale of emblems, banners and souvenirs and by voluntary donations, it is revealed in an announcement made by Rt. Rev. Msgr. James M. Reardon, general chairman of the executive committee for the congress.

The parish sales of emblems netted $119,836.53; voluntary donations from individuals and organizations amounted to $5,004; receipts from the sales of banners, souvenirs and from concessions and exhibits aggregated $35,010.28, making a total of $159,850.81. The expenses entailed in making the elaborate preparations for and in conduct of the congress amounted to $118,343.16. This left a balance of $41,507.65, which has been placed to the credit of the Minnesota Eucharistic Society, incorporated last January for the purpose of fostering and promoting devotion to the Blessed Sacrament in the parishes and institutions of the Archdiocese of St. Paul.

A Badge of Honor

More than the payment of dues, attendance at meetings, and obedience to the laws of the Order, knighthood demands that its members so conduct themselves in private and public affairs that they reflect credit upon the order and insure the successful culmination of its mission.

The pin or button emblematic of the Order worn by the member should be regarded as a badge of honor. Because of the many estimable works accomplished by the Knights of Columbus individually and collectively, large numbers of Catholics and non-Catholics as well regard the badge of the Knights of Columbus with respect and confidence. Men in business, as well as in the social life, pay considerable deference to the fact that an individual is an accredited member of our Order.

That the importance attached to membership in the Order, and the recognition given by outsiders is merited we contend, but there are men in the great and numerous fold of our membership who are unworthy of this trust and confidence we regretfully must admit. Too much importance cannot be attached to the responsibility which is ours by reason of our affiliation with the Knights of Columbus.

In the first instance, applicants for membership should be scrutinized with the greatest care, in order to avoid the possibility of further adding to the weaklings within our fold. In our ranks the offender should be so censured that the repetition of his offense might be precluded. "No chain is stronger than its weakest link." This great organization of ours, strong and powerful for good, in that community where its work is most sadly needed, may be rendered weak and sterile by reason of the mistakes and indiscretions of an individual member.

Hildebrand Will Doff Hats to Old-Timers at Meeting of Nov. 5th

1-3 Thurs. . . . . 5711 W. Chicago Ave.

Old Timers—Attention! The role you have played in the Council progress since its inception is not forgotten. . . . You did your work well and the results are reflected in our present standing among our sister Councils. . . . There is a charm to the term "old timer" and we know you appreciate the appellation. . . . Not in the literal sense, but rather as one of our regulars in cementing the ties of fraternity and bringing added benefits to the members of our society. . . . So, we bring you the good tidings that you have a place on our program and that time is next meeting, Thursday, November 6. . . . Old Timers and Young Timers are cordially invited to fraternize on that evening and make this annual program the outstanding spectacle it deserves. . . . Added to the many novel attractions will be the happy annual turkey distribution for Thanksgiving dinners. . . . Orders for the proverbial birds will be given to the lucky ones. . . . Don't miss this annual Old Timers Nite. . . . We are happy to report that Clarence Fee, injured in a traffic accident in Pittsburgh, is on the mend at St. Bernard's Hospital and should be fully recovered very soon. . . . Those maple spillers are making things interesting for the spectators each Tuesday evening at St. Philip's. . . . The Modern Cafe quint got off to a good start last week but forgot the finishing powers of the O'Hara Undertakers and wound up with three losses. . . . The Dean Steels grabbed the odd game from the J. P. Ryans. . . . No outstanding scores or individual performances, but we only report games over 230.

DGK Frank McGlinn is on the go again He made a trip to Rock Island on Columbus Day, where he was guest of honor and principal speaker at the Knights of Columbus celebration of their annual Columbus Day banquet. This is right up Speedy's alley, as he dotes on orating about the Knights of Columbus, and more of us should follow in his footsteps for the good of the Order.

Loyola-Hyde Pk. Will Hold Communion at St. Thomas' on Nov. 2

2-4 Thurs. . . . . 7435 Cottage Grove

Loyola-Hyde Park members take note for on Sunday, November 2, at 8:00 o'clock Mass at St. Thomas the Apostle church, we will receive Holy Communion in a body. We will meet at 7:00 at the northwest corner of 55th and Kimbark and at approximately 7:45 will march into the church where a place will be reserved for us.

As this is a homecoming affair, we would like to make a good showing. It is always a good example to your sons and to the youth and men of the parish to see a body of Knights going to Communion.

Brother Tom Fay, our advocate, is an usher at St. Thomas the Apostle church, and will be on duty that morning to see that you find the right section of the church reserved for you. He will also be at the rear of the church to direct you to the school cafeteria where arrangements, by the lecturer, have been made for breakfast.

Ticket books are now available for the biggest annual affair given by your Council. The place selected, the Woodlawn Post American Legion Hall, is the most convenient to our members as a whole. We have held our Fiesta here three times and it seems it is the largest hall we can get most centrally located. If our patrons use the elevated they may get off at University avenue and then just a short walk to 63rd and Woodlawn where on the southwest corner and only a few flights up they will find the Woodlawn Post American Legion Hall.

We are starting early to tell you about it as we realize you would like to have a little time to sell your tickets. A hundred dollar radio will be given away that night, and in addition if we receive donations as in previous years, at least twenty-five or more other valuable gifts will be given out to patrons that evening. Tell your friends to hold Dec. 6th open for Fiesta.

ATHLETICS

At the place where Loyola-Hyde Park members and friends bowl, the Esquire alleys, 80th and South Park, every Friday at 9:00 p. m., many friendships with bowlers on other teams are made. At the alleys many members have a chance to enjoy themselves at much needed exercise during the winter when we are apt to relax and get that avoirlupois complex.

At the alleys our boosters can do the foot work as a new member-getter. Many are the new members acquired at the alleys. It naturally is a place where men congregate to indulge in something which all have in common and here's the place to "sell" our Order.

You fellows who have not come down to watch the boys bowl as yet, should make it soon. There is much good humor floating around down there, and if you had a hectic day down at work it's just the place to forget it.

THANKS NEIGHBORS

Our neighbor, St. James Council, extends an invitation to Loyola-Hyde Park members and their ladies to attend their Hallowe'en Harvest Festival and Mask party at the Hayes Hotel, 64th and University, this coming Saturday, Oct. 25. Tickets are only 55 cents per person and if more information is desired, phone their lecturer. Peter J. Wehle, at Midway 8351 or Victory 2299. Thanks.

Thanks also to St. Phillip Neri Council for the hospitality shown our Grand Knight Jack McGuire and his boys and the invitation to our team to attend their Athletic Meeting.

On February 22, 1800, in the old church of St. Mary's in Philadelphia, Washington's birthday was celebrated for the first time with religious ceremonies. It was on this occasion that Father M. Ca O.S.A., delivered the eulogy of the "Father of His Country." The Pennsylvania Gazette of that week says: "Father Ca has given General George Washington a name that will live forever, 'The Father of His Country'."

The title "Pater Patriae," given th for the first time publicly and officia by a Catholic priest, on this day was immediately universally adopted, and Geor Washington Parke Custis made use of as a synonym for the name of his illustrious step-father.

In that same church Father Rob Harding, S.J., denounced British tyran in 1763. And again in that same chur on July 4, 1776, High Mass and "Deum" were sung "as fitting observanc of the natal day of the United States America, by the grace of God, free a independent."

One of the best attended affairs ev sponsored by the Knights of Columb anywhere—or by any other organizatio for that matter—was the Charity Co cert sponsored on May 2, 1909, by t Chicago Knights of Columbus at the Co seum. Originally planned for the Aud torium Theater, advance ticket sales so caused the arrangement committee move the project to the larger hall. the evening of the production, enou people attended to fill the Auditoriu Orchestra Hall, McVickers, the Garri and the Grand Opera House at the o time!

Receipts from the concerts (two we finally staged to satisfy the huge dema for tickets) were enough to buy and fu nish a splendid home in Chicago or furnish the expenses of a large circus a week, or to provide meals and lodgin for thousands and thousands of peop Those in attendance at both concerts, stood side by side, would make a li nearly ten miles long.

The attraction that brought out th great concourse of people was a conce which presented the Knights of Columb Choral Club and Gregorian Choir of S Louis under the direction of Rev. Fath Manzetti, member of the Papal Music Commission and emissary from the Vat can.

Hughes Council's gains added recogni-on with the announcement that D. D. nd P. G. K. John H. McKeown has been amed to represent the West Side on the dvisory committee of the Columbian. hat is an appointment well deserved nd Hughes feels gratified when its mem-ers are honored.

Fourth Degree members received a let-r from the Chairman Elmo L. Ward equesting prayers for the early recovery Sir Knight Charles Votava, Sr., and is early return to the council chambers. ll members of Hughes are urged to of-r up their prayers for his speedy and mplete recovery.

The material submitted in reference to ndidates initiated at the first meeting October was badly "pied" by the inter. That is to say, it was all mixed p as it appeared in the last issue, but e take it for granted that the names of ie sponsors are so familiar to readers iat no confusion resulted.

The sports page of "The New World," ctober 17 issue, gave Hughes Council's owling League merited publicity. Our uncil has one of the best, if not the est, bowling leagues in the city.

Capt. Thomas F. Lynch, 5243 Adams ., of the Crawford-Wilcox fire station, tired from active duty after nearly 40 ars of service about two weeks ago. ur own Bro. Tom Lynch became a mem-er of the Chicago fire department on anuary 1, 1902, and during his years on ie force he saw action in many of the rgest fires in the history of Chicago. e became a lieutenant in 1925 and was romoted to captain in 1928. He retired week ago Friday at 63 years of age. ro. Lynch said, "It's going to be sort of nesome without the men, but my wife id I are going to take a vacation—aybe down south. The local press gave chly merited favorable notices to Capt. om Lynch when announcing his retire-ent.

P. G. K. LOUIS POSTILION NIGHT

On Tuesday last, October 21, Hughes uncil paid tribute to its retired G. K., r. Louis Postilion, who relinquished the ins of leadership last June. Not much dvance publicity was given, some of the nportant items like that being crowded it of recent issues. Sorry. But there as a generous outpouring of brother ights to pay homage to P. G. K. Pos-lion, and we are mighty proud that in ie annals of Hughes the two terms un-er Dr. Postilion's leadership stand out successfully. There was refreshment, itertainment, and a good time enjoyed all.

BOWLING NOTES

Hughes Council surged into a tie for ie leadership of the West Side K. of C. ajor Bowling League when the team on all three games from Feehan on last riday. Quigley Council is deadlocked ith our champions with 11 wins and ily 4 losses. Frank Kaminski and Al owalski paced the Hughes attack on the aples, Al getting 217, 241, and 234 for a illiant 692 total, while Frank Kaminski taled 636, made up of 208, 207 and 220. he team totaled in excess of 3,000. Don't rget that tonight at the Cascade Recre-ion, 8:30 p. m., Hughes encounters the rong squad from Brownson.

COUNCIL BOWLING LEAGUE

Will the members of the bowling ague please be punctual about starting bowl at 7 p. m., each Friday? The anagement of the Cascade has urged is. There is no league before Hughes the alleys, and if our teams get under ay promptly, the league following will ot be delayed. It is not too much to ask. lease be a little early and cooperate ith the Cascade management, who are oing everything possible to please our owlers.

The competition in the council league is especially hot. After three nights, four teams were deadlocked with three defeats and six victories. Now the John McKeown Cartage team and the Peter M. Kellys are tied. The McKeowns licked the Ward Builder Golds all three games, while the Kellys copped the odd from Ald. Richard M. Walsh's 36th Ward Boosters. Lauterbach Coal team took two from Malone & Clancy on Friday, October 17, dropping the latter into a second place tie with the Coals. The Ward Builder Blues won the odd from William Benes' Boosters. Votava Auto-Fixers dropped the odd game to Toomey Tavern. It is remarkable to say that the Ward Golds are now in the cellar, a position with which they have heretofore been utterly unacquainted.

Joe Delaney leads in individual average with 183; Tom Dailey is second with 177. Pete Kelly Jr,, who says if he can't be first there is a certain distinction in being last, is occupying the latter position.

Auburn Park Begins Drive to Gain Honor Roll for Member Work

2-4 Thursday.....7740 Emerald Ave.

Now that the vacation season is over and we are entering into the fall and winter season of activity, Council attention should focus on ways and means of building up our membership. John H. Coughtlin, Deputy Grand Knight, is again acting as chairman of the Membership Committee, and is more than anxious to gain our membership quota.

We were fortunate in being placed on the Honor Roll last year and would like to accomplish this feat again. This can be done with your cooperation. Bro. John H. Clausen has always had a slogan, "Every member get a member," and if every active member would assume the responsibility of getting one application the work of the Membership Committee would be most pleasant.

Inasmuch as the State Deputy is a member of our Council, it is only fitting and proper that we of Auburn Park organize our membership campaign and stage a Leo M. Flynn membership drive. For membership and degree purposes our Council has been assigned to what is known as South Division No. 2, and it has been arranged for all Councils participating in this group to have a First and Second Degree each month during the fall and winter season.

We now have four new applicants who have already received their First Degree, and six applications which has been approved for the First and Second Degree. Let us build up this start of ten members and have a large class ready for the First and Second Degree within the next six weeks. Bro. Clausen has the applications and will be glad to distribute them for the asking. Do not leave this membership quota to a few. Last year about eight members equaled the Council quota for the year. Let us go, everyone.

KNIGHT'S FOOTBALL SPECIAL

Dick Knight, along with Bro. Earl Dunne of Dowling Council, extends a special invitation to their many friends to join with them in their Annual Football Special to the Notre Dame-Illinois game at South Bend, Ind., tomorrow, Saturday, October 25th. The train leaves via the New York Central, LaSalle St. Station, at 10:05 a. m., the Englewood Union Station, 63rd and State Sts., at 10:20 a. m.

The total expense for this special is $9.00 per person which covers the entire day's outing, including a reserved seat at $3.30 per copy, round trip transportation, dining car service, refreshments, entertainment and flowers for the ladies (Dick Knight's of course). Call Dick, Triangle 6210, for reservations.

COUNCIL BOWLING NOTES

The bowling league has completed its first month of bowling and averages are coming close to normal, with occasional 200 games thrown in by men like John Coughlin and Mike Gorman, the newlywed. Thanks to the splendid cooperation of the business men of the community, the league has secured the following sponsors for teams.

Geraghty Coals, 611 W. 69th St.., Captain Charles Connelly.

R. J. Knight Florals, 7759 S. Halsted St., Captain Walter Fox.

Larry & Lou's Place, 700 W. 59th St., Captain John Walsh.

Roger Sheehy & Sons, 7653 S. Halsted St., Captain John Coughlin.

The bowling league and its members are deeply grateful to the sponsors for their splendid spirit and when the time arises you can count on them to demonstrate their appreciation of this assistance. In order that the bowlers and the entire membership of the Council become better acquainted with these business men we will include a short synopsis of one sponsor each week for the next four issues of The Columbian. We hope our membership will keep each one in mind and will call upon them when in need of service.

NAZARETH WILL HOLD OPEN MEETING OCT. 28

2-4 Tues. . . 17 W. Harris, La Grange

We have often wondered where some of our brothers keep themselves on meeting nights. We know where several of them were a few meetings ago. Being ardent duck hunters several were in attendance at Ducks Unlimited. These brothers will probably be surprised to find that this is being mentioned here. They probably wonder how we know about it. Well we don't tell but always remember boys, our secret service reaches everywhere, even into a dinner of Ducks Unlimited. Probably we would not have even mentioned this if we had only been the recipient of just one helping of that roast duck which was served.

Here is your last invitation to that Hallowe'en party. Oct. 28 is the date. The council chamber is the place. It will be an open night so bring your friends, your wife, or girl friend. A short business meeting will be followed by the evening's festivities. Don't dress up. There will be games of all sorts to interest everyone. We will have a master of ceremonies to announce the events and an orchestra to furnish the music.

Our last meeting was one of the best we have had in a long time. The council chamber was well filled with our own members and visiting dignitaries. Among the members present whom we have not seen for some time were Jimmy Robinson of Westmont, Anton Ziegweid, Steve Morriss, Pete Johnson, Walter Krawulski, Jim Henderson, Frank Stacy, Emil Spevak, Trustee Martin, P. G. K. Galvin and many others. We drove him with our G. K. after the meeting and he was well pleased at the turnout. Why not make it a habit boys. Come often.

Several items of importance were handled at this meeting. One which we call your attention to right now was a motion to expend a sum of money to sponsor a bowling team to bowl in one of the east end leagues. This team is to bowl under the council name and the cost of sponsoring is to be borne by the council. Whether you are in favor of it or not be on hand at our next meeting to express your wishes. Another item of business was the acceptance of the transfer of A. R. Buller from St. James council.

Our G. K. has appointed Pete Johnson as chariman of the Athletic Committee. This meets with the approval of everyone. Pete has always been to forefront when anything in the line of athletics was being discussed on the floor and has earned this post. The council greatly regrets the action of Treas. Knudsen in resigning his post at the last meeting. Karl's private affairs will not permit him to devote the time necessary to the proper handling of the job, hence the resignation. Lest we forget we must express a note of appreciation for the presence at our last meeting of D. D. O'Neil, G. K. Dignan, St. Anthony de Padue, with several of his council, G. K. Ryan of Washington Co. with his constituents. Nice of you to drop in on us. Our door is always open to you, come again.

Brother Ed. Schoen is now in Uncle Sam's Army. Don't know where he is located but when we find out we will let you know. Ollie Kugel recently became a proud papa. The future knight weighed in at 8½ lbs., bedside. Understand he was named Peter, after Pete Johnson. Wait until the kid finds out what a handicap he's got. Don't know why they didn't name him Bob or some other swell name.

We knew when Emil Polivka accepted the post of chairman of Catholic Action we had the right man. One of his first acts was to send to each brother in the armed service a Missal. Nice going Emil, that's the kind of action that counts.

PIN POINTS

Well, the Mugs of the Mineralite continue their crashing and smashing. Last Tuesday the Universals continued their winning ways taking three from the Lukes. Joe Mrckvicka was high with a 551 series. The Elms team, competitors for first place also continued to win, taking three from the Fairviews. Spellman was high for the winners with an even 500. The Triangles led by Joe Lisle Miller's 567, took three from the Watkins. Leo's Chickens paced by Kriz' 513 series took three from the McGough Lumbers.

The Lindys should have taken three from the News Agency but had to settle for two when Tansley slumped in his last game. He throw a 204 followed by a 216 then weakened delivering a 164 in the last game and that was weak enough to permit the opponents to take the series 2312 to 2308. Standings, including games of Oct. 13th: Elms won 13, lost 2; Universal won 13, lost 2; Triangles won 10, lost 5; Fairviews won 7, lost 8; Watkins won 6, lost 8; Lukes won 6, lost 9; News Agency won 6, lost 9; Lindys won 5, lost 9; McGoughs won 3, lost 12; Leos won 5, lost 15.

Weber Eager to Make Good Impression at Degree Class Nov. 3

1-3 Mon. . . . . 4758 S. Pulaski Rd.

Some of you, after picking up this Columbian, will probably do so with the thought in mind that you are again going to read about attendance at the meeting on Nov. 3, the night of Weber's degree work. Well, brother, if that's what you think, then you're absolutely right. Sure, I could write about something else, but can you suggest anything more important to the council right now? Let's give this matter of attendance a little thought.

First of all, it will make a good impression upon the new candidates and will give them the inspiration to become good brother knights. Secondly, it will do us all a lot of good to witness the degrees and recall the day when we ourselves were in a class, and what's more, our eyes will again be opened to the things that go on around us but we never realize until a time such as this.

G. K. Jas. Nowakowski urges all brother knights to cooperate with the membership chairman, John Mazur, and the Lecturer, Dr. J. Dziubski, in making this degree night one of the finest ever put on.

SICK LIST

Bro. Frank Martynowicz really doesn't belong under this heading because after his recent illness he looks all right for himself, but I just wanted to let you know that he's up and around.

On the other hand, we did have a couple of brothers who are laid up with two of the nicest colds a person could ever get. These two brothers are D. G. K. Steve Jas. and Trustee Jos. Zapotoczny. Bros. Joe and Steve deserve a little space in this column for their fine display of brotherly love. Although themselves being a little down in health, they went out to pay a visit to Bro. John Zolna, our Chancellor, who is confined to a sanitarium, and presented him with a large basket of fruit from the fourth degree club. If that isn't an example of an honest-to-goodness knight and brother, I'd like to know what is.

The fourth degree Thanksgiving Dance will take place on Wednesday, Nov. 19, at the club hall, 4758 S. Pulaski Rd. Music will be by Johnny Morow and his Velvet Rhythmatics. Tickets for this affair, 40c.

DUES—This is about the most ticklish department to operate. I hate to keep calling for you brothers to pay your dues, but F. S. John Wirtel cornered me and asked me to mention it. So, the only thing left to do is dig a little deeper and pay up. Do it at the next meeting.

AMERICUS WILL HOLD HALLOWE'EN FETE TUES.

2-4 Tuesday.....3350 W. Jackson Blvd.

NOTICE OF MEETING—The next regular meeting of Americus Council will be held Tuesday evening, Oct. 28, at 3350 Jackson Blvd. The meeting will start promptly at 8:30 p. m. The business portion of the session will be completed and the gavel turned over to our Lecturer, P.G.K. Ned Kelly, by 9:15. He has arranged a party in keeping with the Hallowe'en season. He has also arranged to have some games. He would not let me print what kind of games they are so you will have to come to the meeting to find out about them. Gee! I almost forgot! He told me to tell the members that any one of you who loves his wife, mother or sweetheart will bring her with you, also if you know of any prospective member have him come along and bring his wife or sweetheart with him.

At our last meeting the Kush Keg was rolled out, and what do you suppose fell out of it? Archie Corso, or rather the ticket with his name on it. He left the hall with the firm resolve to buy Kate a new dress and hat. Later in the evening, after doing some missionary work at a meeting of a neighboring Council, he was a little undecided. We hope Kate at least got a plate of spaghetti with some of that two dollar cheese on it (that cheese that Mrs. Sheahan gets for sixty-five cents). The Keg will be in evidence next meeting night for a new start. It may be your night, come up.

Last meeting we had three re-instatements and two new applications read, and there will be more Tuesday evening. Look around, brother, and I am sure you can find a prospect for our Order. Get in touch with the chairman of our Membership Committee, P.G.K. Mooney, and he will be glad to assist in any way he can. Call him at Kedzie 1252.

Did you read about Frank Sheahan in the daily papers? How he and two other police officers captured an ex-convict who has confessed to more than twenty-five robberies. We should put them on the Stolen Olive case.

Private John Mooney was at the last meeting. He is home on furlough and looks and says he feels good. Note from Private Jack Welsh puts him in the big money class. His pay was raised to thirty dollars a month. What's he going to do with all that money? We would like to hear from any of the other brothers in the service. Address Grand Night George Howlett at 3110 Polk St. We have not heard from Bill Tully since he left. Wonder where he is?

The bowling league is getting hotter every week. Last Friday night, Bill Leahy came through with a 248 game while Prexy Bill Costello knocked them over for a 230 count and Jay O'Rourke, with the help of his bowling shirt, got 203. The Costellos beat the Scotts two games and the O'Rourkes whitewashed the Corsos. Wonder where we can get the low-down on who got fired from what team and why?

We hope Mesdames Buckley, Koop, Pokorny and Twohig recovered from the sore feet they got dancing at the Chapter Ball. The ball and chain couldn't walk for two days. We hear that Bro. Bob Taylor is getting to be quite a leader in community singing. Why not have him perform at a meeting some time? Just had a tip that one of our star softball players, Francis Concannon, is going to say "I do" next month. We are waiting for the details.

Wonder if it is true that Grandpappy Wright is bringing Mrs. Wright to the meeting Tuesday. We hope so. When St. Peter starts passing out the halos, we know some of our brothers will be there. This week Bros. John McSweeney and Pete Callan are making the mission at St. Mel's. Comes now the report that the bird with the big long legs is hovering over the home of one of our members on Jackson Blvd.

Some phone numbers to remember: If you change your address or you do not get your mail, call our Worthy Recorder, John Whalen, at Nevada 1874. In cases of sickness or distress call our D.G.K. John Powers at Kedzie 0597. Concerning the blood donors group call the chairman, P.G.K. Leo Joyce, at Kedzie 5264.

If you want to pay your dues or find out about them call Fin. Sec. Jack Crawford, Columbus 4860. He resides at 5061 Congress St. If you cannot get in touch with any of the above brothers call Grand Knight George Howlett at Kedzie 9482. You can also leave any notes you may have for this column with the G.K. So snoop around a little and give us the dirt. Hoping to see you all at the meeting Tuesday. Good-bye now.

ENCYCLICAL READ FROM PULPITS

Belleville, Ill.—To make the laity more "Catholic education conscious," excerpts from Pius XI's encyclical, "On the Christian Education of Youth," are being read from all pulpits in the diocese.

Longview, Texas.—Tommie Brown, age 14, weight 110 pounds, has been bowling only twelve months yet has an average of 198 pins per game. His latest accomplishment was a 749 series followed by a 299 game a session later.

St. Cyr Will Have Large Group at Softball Banquet

1-3 Mon. . . . . 1607 N. Halsted St.

Most of you already know about the annual softball dinner which is given by the Knights of Columbus Softball League. This year St. Cyr will be the recipient of the plaudits in the softball circle. The event will take place at the Midwest Athletic Club, 6 N. Hamlin avenue, Thursday, Nov. 6, at 7. We understand that Mgr. Vic Priolo has committed himself to have a large group of St. Cyrites that night to join in the celebration. He has the tickets and anyone wishing them may see him at the next meeting.

THE DANCE committee was called to order after our regular meeting last Monday, and within a short time was adjourned until next Monday at Eli Bates House, 621 West Elm St. D.D. Marco DeStefano, who heads the committee, advises us that on next Monday a decision will be made concerning the orchestra to be used at the dance. Meanwhile, he suggests that we contact our friends so that when the tickets are ready for distribution, and this will be sometime next week, they may easily be disposed of. Joseph Lucania, who heads the ad program, said that he has the printed contracts ready. He states that his aim is to have a program book of a thousand dollars, and that one-third of that ambition has already been accomplished.

A COMMITTEE was selected by G.K. Joseph Maggiore to report at the next meeting regarding St. Cyr's participation in the honor to be bestowed upon Rev. Louis Giambastiani O.S.M., on the 25th Anniversary of his pastorate at St. Philip's Church. The committee is composed of P.G.K. Anthony Brancato, Bro. Charles Stich, and Bro. Joseph Rubinelli, who will make the report. The committee for the celebration itself is headed by none other than popular northside dentist, Bro. Dr. A. J. Lendino, and P.G.K. Anthony Brancato as secretary.

"SLUG McGEE" Jim Wing, of the far southsirde clan advises that the boys are interested in a building fund for St. Mary of Mt. Carmel Church. Weekly parties are given, starting Tuesday, Oct. 28, and Tuesday, Nov. 4 and every Sunday thereafter. These parties are sponsored by the St. Mary of Mt. Carmel Mothers Club, and are held at the Perez Club House, 6710 South May St.

BOWLING RESULTS

As a result of the bowling last week, Cheer Up, by losing two to Falson Electric, are now tied with Erie Clothing, who beat Archer Glass twice. Each of these teams are now winning 12 and losing 6. On their heels are DeCola-Maruca, by virtue of two victories over Maniscalco and Falson Electric, with 11 wins and 7 losses each. In other games Mohawk and Dr. A. J. Lendino won 3 from Rubinelli Florists and Morreale Oils, respectively. Continental lost 2 to Bond; Racine also met the same fate with Lucania, and Strano Bros. were at the short end of 2 games with Cancilla.

The individual high 3 games was taken by Henry Maggio with 608, while Marco DeStefano stole the individual high single game with 225, pressed closely, however, by Saro LaRusso with 222, and Tom Appicella with 220. In the individual averages column, Anthony Ortolano and Joseph Barsano are having a dog fight. Leading at present is the former with 183 followed by the latter with a 182. However, Joe had lead for the last 3 or 4 weeks.

CYRIOUSLY SPEAKING

How many of you know that Bro. Fred Wittenmeier, who is a brother of the more famous P.G.K. Clarence, has recently successfully passed the Bar examination in his first attempt? Bro. Wittenmeier has heretofore been employed in the Workmen's Compensation Department in the State of Illinois, and is presently at the Unemployment Compensation Department in the same division with the illustrious Joseph Barsano. Fred has taken his morals examination, and we see no reason why he won't pass that successfully. May we wish to you, Fred, a noble career in your chosen field, and we hope that Clarence will no longer bother us with his legal knots now that he has a lawyer in his own family.

Some of the boys on furlough from the various camps do not lose time in coming to council affairs. At the bowling alley were Bro. Frank Appicella and Bro. Carl Scarpinato, on leave from Camp Forrest, Tenn. . . . At the meeting last Monday were present Bro. John Bonsignore from Battle Creek, Mich. . . . Bro. John J. Profita is St. Cyr's latest contribution to the armed forces of the United States. . . . He will spend the near future at Camp Wallace, Tex. . . . Frank Latino from Fort Bragg, N. C., was also a recent visitor. . . . Some of the others in service are John Manisco at Camp Walter, Tex.; John Loma at Jefferson Barrack, Mo.; Mitchell Cukla, at Chanute Field; Henry Mieczynski, at Camp Polk, La.; Anthony Mortorano, at Camp Wallace, Tex.; Frank Dolorado, at Camp Croft, S. C. . . . Bro. George Ludes and Walter Izzo, are two whose whereabouts are unknown to us at present.

Assist. Warden Mike Salvati suffered a fractured toe, and, consequently, missed the last meeting. . . . We understand that John Moreth's son is very seriously ill. . . . We do pray for a speedy recovery. . . . How many of you know that our star softball pitcher, Dom Donile is now a resident of Oak Lawn, Ill., living at 9220 S. Monitor Ave. . . . We understand that Bros. Joseph Profita and Florian J. Botica have convalesced nicely from their recent illness. . . . And that Mrs. Frank Kamenczak has also recovered fully. . . . Next, we will have some news about the softball party to be given at our council.

On motion made by Bro. Joseph Rubinelli, this year's membership class will be known as the G.K. Joseph Maggiore Class, and again we hope it will be another century club. . . . St. Cyr wishes to welcome to its ranks, Joseph Magro of 307 W. Evergreen, a transferee from St. Patrick's Council. . . . A rising vote of thanks was given to the Board of Trustees consisting of Clarence Wittenmeier, Bruno J. Satkowski and Joseph Mecurio, and to Fin. Sec'y Saro LaRusso, and Treas. Frank Angelo for the fine manner in which they kept our financial records during the last six months. . . . Clarence read the Trustee's report at the last meeting.

Joe Franchina gets around to the meetings in spite of the fact that he is kept busy at his Oakley Blvd. home. . . . The near Nortside Civic Committee, whose membership is composed of familiar St. Cyr faces, and headed by Bro. Fred Romano, is having a Hallowe'en party on Saturday, Nov. 1st. You will see many of the boys at 333 W. North Ave. that night. . . . The Mecurios had a big celebration last Sunday in honor of the baptismal of their new baby girl.

Chanc. Joseph Centanne finds it hard to get to the meetings because of his business. . . . And, we suspect, because of his romance. . . . Just as we had expected, our regular scribe, Tony Manno, was missing at the meeting last Monday. . . . The reason—wedding plans. . . . Meanwhile, your guest columnist continues, and will appreciate any items of general St. Cyr interest.

St. Paul Asks Each Member to Cooperate in Membership Drive

1-3 Tues. . . . . 6713 Olmsted Ave.

Membership in our Order should be a thing sought for and once obtained, cherished. This is so because every eligible man should have associations with others who share the same Christian principles, ideals and philosophy of living in this life and the life hereafter. We, undoubtedly, all recognize that "hoeing our own row" in company with those of similar endeavor is much more simple than it would be with those who are at cross purposes.

Should we, then, not undertake our task in company with those who are working for the same ultimate goal, those who will give a little help when we are slowing up in preference to undertaking the same task under adverse circumstances? The answer is obvious. You, who are fortunate in that you are members of an organization working for the same end should want to help your friends, neighbors or relatives become our associates so that they, too, can undertake their labors under favorable conditions.

Yes, we are talking of MEMBERSHIP in our ORDER and particularly in OUR COUNCIL. We need, first of all, to keep those who are slipping away; secondly, those who have given up their membership, and, lastly, the men who have never been associated with us. We have mentioned them in that particular order because some one of us should be able to "save," "resell," or "sell" them with the least persuasion. Why not interest yourselves in your council at least to the extent of sharing your membership with these friends, neighbors or relatives. They will appreciate your kindly efforts.

BOWLING

The council keglers are getting warmed up as evidenced by the results for the first five nights of their efforts.

If you a unable to sell our Order to someone y are sure should belong, just leave t prospect's name and address in the han of any of the council officers.

It happens once in a lifetime to a Thi Degree member! It happened to Bi Zmahar last February at the Palm House! That is the exemplification the Fourth Degree. Many of us we amazed to see the effect that this e emplification had on Bro. Zmahar. No we read in last week's Columbian th his oratory on the purpose of the Knigh of Columbus has many of his White Ru sian and Ukranian friends interested our Order.

It would be a great feather in Bi Zmahar's cap to start a movement that circle to urge joining the K. of C. It is a wholesome thought to be the i strument by which many may join o Order whether it be in your own or a other council. Keep plugging, John.

PINTA PATTER

Your obedient servant attended Bl Island Council's annual fall dance la Saturday. The spirit of good neighb policy which we had hoped to become reality was lacking on our part. If t brothers of Pinta Council were aware activities in nearby councils, please n tify the scribe a few weeks in advan so he can help advertise it. If we do th little favor for our neighbors, only th can we expect the same from them.

Grand Knight and Mrs. Prymas accon panied by Warden and Mrs. Cole took the highways of Michigan last week-en to visit relatives in Allegan. Bro. Pr mas had not seen his uncles and cousi in over twenty-five years. Not findi lodging space in Allegan, the sheriff the directed them to nearby towns of Otseg and Planewell. Relatives were found an greetings were exchanged, but Bro. Co states if you want to go up there some time, put in your reservations a yea ahead of time.

Remember?

The past is never dead and this picture proves it. Even though the eleven stalwart Knights pictured above may not readily recognize themselves as they were (how many) years ago, they did present a formidable appearance that foretold future successes.

They are the near-K. of C. champion baseball squad of 1909 who represented Americus Council in the Chicago league.

Setters Lists Many Fine Programs for Next Several Months

-4 Thurs. . . . . 4711 Madison St.

By the time this issue of The Columbian reaches its eager readers, and by the time this column has been thoroughly digested by its ardent fans among the membership and friends of Father Setters' Council, two major billings on the entertainment program of the latter organization will have passed into history.

Last night's mammoth Ladies' Night was, of course, still fresh in your memory as the greatest triumph in the mighty record of successes established by those two ol' maestros, Grand Knight Roy P. Bedore and P. G. K. Edward J. Lavin. Then there was that grand testimonial celebration held two weeks ago in honor of Past Grand Knight Maurice J. Kissane and Past Trustee Emil Fik.

Bedore, Lavin & Co., the firm of engineers in charge of these parties, have let it leak out that even these two magnificent entertainment features, successful as they were, are but the beginning of such a year of activity as you never saw in all your born days.

To begin with, there's the first meeting in November (Thursday, the thirteenth) and, as that's one of the items on which we're conserving paper for the said national defense, we'll say no more about it except to mention that the Lecturer has some interesting shenanigans planned. The second meeting in November will be held on the Monday preceding the holiday and will, for reasons which will presently appear, be known as Thanksgiving Turkey Night. Already the boys in command have cornered the market on forty of the choicest gobblers, which will be distributed among the members in attendance.

The remainder of the program includes the Children's Christmas Party, Sunday afternoon, December 21; Christmas Turkey Night, Monday, Dec. 22; the Dinner Dance, Saturday, Jan. 21, and the Fathers' and Sons' Night (date to be announced later).

What all this leads up to is this. There's plenty going on in Father Setters Council these days and the Grand Knight and all the officers cordially invite every member of the organization to come up and take an active part.

NEWS

The Columbus Day Charity Ball was attended by some five thousand persons, including an unusually large representation from Father Setters Council. The party was by far the most successful and the most enjoyable in many years.

J. Edmund Dwyer, President of the Fourth Degree Club of Father Setters Council, has already received several applications from eligible members who are desirous of advancing to the honors of the Patriotic Degree at the Exemplification ceremonies to be held early next March. Another item of interest on the calendar of this branch of the Order is the November Turkey Night, the details of which will be announced soon.

CONDOLENCES

The members of Father Setters Council extend most sincere sympathy to the family of Bro. James Cmunt, whose mother-in-law, Mrs. Marie Kostohryz, passed away last week. The funeral took place on Monday, October 20, from her late residence, 2412 S. Ridgeway Ave., to Blessed Agnes Church, with interment at Saint Adalbert's Cemetery. Prayers for the repose of the soul of Mrs. Kostohyrz will be offered at the next council meeting.

Prisoners Learn Trades In Building Own Church

Dannemora, N. Y.—Prisoners need the consolation of religion as much as anyone. In fact if they are to be returned to the world as useful citizens they need to learn the truths of religion more than others. For Catholic prisoners a chapel is essential, and a converted dining room or recreation hall is not an appropriate place for the celebration of Mass when a church can be obtained.

Four years ago the Church of the Good Thief, St. Dismas, was planned for Clinton Prison, Dannemora, N. Y. Actual construction began in 1938. Late in August this year the edifice was dedicated.

While the erection of the church is most remarkable, in that all the work was done by the prisoners themselves, its construction has done much toward directing the lives of many inmates into useful channels. Idle moments were put to good advantage and unskilled hands were educated in the trade for which they were best fitted.

Father A. R. Hyland, Catholic chaplain at Clinton Prison, points out that the money needed for the erection of the church was raised from private sources. The edifice is valued at $250,000, though because of the donated labor the cash cost was not this much.

But the private funds not only produced the church but aided in the establishment of schools of carpentry, masonry, draftsmanship, oil painting, hand-wrought iron, woodcraft, designing, sculpturing and other crafts. The project gave occupation to approximately 200 prisoners who might otherwise have been idle. And the schools that were started will be continued so that others may learn useful occupations.

"It is our hope and desire that this great prison church will be a 'little bit of Heaven' within the walls," Father Hyland states, "and that it will make possible the moral and spiritual training which is essential and a fundamental basis for the reclamation, for God and country, of the unfortunates confined in our penal institutions."

But all was not smooth sailing for the prison chapel. An atheistic organization, whose aim is to remove every evidence of religion from public institutions, sued in the courts of New York State to have work on the Clinton Prison chapel stopped and the structure torn down. The court decision was in favor of the prison authorities and so the edifice was completed.

After its dedication the Chapel of the Good Thief was given to the State of New York.

Chris Davis and Tommy Groark. All has been prepared by Lecturer Peter Wehle and his committee to show you a good time. See and hear the newly organized CHORAL CLUB under the leadership of Bro. Larry Duby.

Brothers all we can say is, BE THERE with your lady and bring another party with you. Admission is fifty-five cents, including tax. The place, Hayes Hotel, 64th and University Ave. The time is from 9 'til 2.

The council appreciates the early reservations which have been received from Bros. McGillivray, Muellner, Duby, Wm. Burke, D. D. Pat. Noonan. The softball team, Conny O'Connor, Dan McKenna, the Strobels and Steffens, and Mr. Rudolph Miller.

MANY THANKS

Too bad that all the members were not at the last meeting for it certainly was an evening worthwhile. We had a fine attendance, even the new members, including Brothers Wigdahl, Ruane, Thomas, Meyer, Kilgallen, Kelly and Hanley were there. Bros. Engleson and Wyse were unable to attend and sent regrets. Football tickets were given to Brothers Woodmaster, James Connolly, Dan McKenna and Wehle.

Sport movies were shown through the courtesy of Brother Joseph Thomas and included the famous picture entitled, "Big House."

SPORT FLASHES

The bowling teams are meeting every Wednesday nigth at the Legion Alleys, 76th and Cottage Grove. Team No. 1 bowled against Team No. 2 and lost all games to them. The bowlers on the winning team are Brothers Snyder, Ferguson and Broho, while Brothers McGivern and James McKenna did their best for the losers. Wonder what is the matter with all those members who professed their desire to join a bowling team. Here is your chance. Chairman Paul Sink is looking for a couple of more bowlers for next Wednesday night (good or bad it makes no difference), just drop around and tell Paul that you are ready to bowl.

SOFTBALL BANQUET — St. James Council is sending the softball team to the banquet, November 6, at the Midwest Athletic Club. Our Manager, Michael Connolly, is going to be there in his best bib and tucker to receive the CLAYTON SMITH TROPHY for third place in the finals and in his other arm he is carrying home the division championship award. Athletic Commissioner Ed. Enright invites the council membership to attend and hear how wonderful a pitcher we have in Bro. Charlie Merigold for a speech is to be made in his honor. Telephone your reservations direct to League President Joe McGreal, now. Everything on the plate is free but the chair at the tabel will cost you $1.75 and no one will be allowed to sit on the floor.

D. G. K. REPORTS

D. G. K. Tom Groark reports the serious illness of the sister of Bro. Clarence Phillips and prayers were offered for her speedy recovery. She is now in St. Bernard's Hospital. St. James is sorry to hear of the illness of Grand Knight Phillips of Englewood Council who is now in St. Bernard's Hospital. You are requested to apply at the desk in the lobby for a pass to visit him as only two persons can visit him at one time. The young brother of the Scribe, John McBride, was operated on last Monday and at the present time is still mad on being cut open, but says he will live through it and soon will become a Knight.

ATTENTION ALL FOURTHS — You and your lady have a date at the annual fall card and dancing party of the La Salle General Assembly, Palmer House, on next Wednesday evening, Oct. 29. Your membership card will admit you; if your dues are not paid up you can do so to the secretary who will be at the door on that evening.

THE HONORARY DEGREE will be exemplified on Dec. 8 and all who have reached 65 years of age and have been a Knight for 25 years are eligible. You are requested to write the chairman of the evening who will be Chancellor Dr. C. J. Strobel, 6315 S. Halsted St.

NEEDY BOYS' HOME CELEBRATES 54TH YEAR

Chicago.—Begun 54 years ago as a haven for newsboys and street urchins, the Mission of Our Lady of Mercy is today carrying out its original program on a greatly expanded scale. "Building the youth of today into the manhood of tomorrow" has been the slogan of the home, which eight years ago was affiliated with the Catholic Youth organization under the auspices of the Most Rev. Bernard J. Sheil, Auxiliary Bishop of Chicago. The Rev. Edward J. K. Kelly is superintendent.

Dowling Counts Homecoming Nite a Real Success

2-4 Tues. . . . . 3625 S. Hoyne Ave.

Last Tuesday evening our membership displayed that old time spirit and turned out in large numbers to attend our meeting, designated by our Lecturer as Old-timers and Homecoming.

It would remind you of those past meetings in our council when we filled the hall to capacity. The attendance was very gratifying to G. K. Barker and our new Lecturer, P. G. K. Dunne, and I am sure these members were rewarded by a wonderful show and moving pictures of the professional football games. This entertainment was put on in that "well Dunne" fashion, and from all indications was thoroughly enjoyed.

Our Lecturer, while attending the last world's series, purchased two baseballs autographed by the champions, the New York Yankees, and brought them back and gave them to two lucky members. The first one was won by Bro. Belaski and the second one by our good friend, Rev. Father Corley of St. John the Baptist Church.

To top off the evening, refreshments and cigars were served. The brothers were having such a fine time they stayed very late, and we found we had some very fine home talent in the persons of Charles Juric, Nick Juric, Tom Perry and J. McMahon. They entertained us with many old time songs. We also have a very fine comedian and dancer in Tom McGurn, as he surely put it on with the strawberry blonde song.

We were honored with many celebrities from other councils, and among them were P. G. K.'s Chas. Nash and Chas. Clarke, and G. K. Ted Lee of St. Rita and a delegation. P. G. K. Nash was called upon and responded by thanking our council for the cooperation we gave him for the charity ball. Bros. Clarke and Lee also made short talks. We were happy to have these brothers present and hope to see more of them in the future.

There were many members present that have not attended a meeting for years and it was inspiring to the officers and your Lecturer wishes to express his appreciation and hopes for your future support and urges the members that did not attend to try and make a few meetings in the future. Our meetings are called to order promptly and the business is transacted very speedily by our Grand Knight.

COUNCIL ITEMS

THE CHARITY BALL is past history and at this time I want to personally thank any member that in any way was helpful in making the affair successful. There are tickets out that have not been paid for and it is absolutely necessary that you remit at once as we must make our returns to the Chapter. You can either mail returns to John Struve or to R. F. Kelly, 3117 W. 55th St.

ON MONDAY evening, Nov. 3d, we will hold a first and second degree in conjunction with Weber Council at their chambers. We have quite a few candidates for this class and would like to see many members present to witness the degree.

If you have a prospect, turn in his application as we will have another degree in December. Our quota is 96 new members and with a little help we will go over the top. Our Recorder, Tom Gallagher, is membership chairman and will appreciate any help you might give.

OUR NEXT MEETING, Tuesday evening, Oct. 28, will be a short business meeting, and our Grand Knight will turn the night over to our Lecturer, who has set the evening aside as Hallowe'en party in honor of our ladies. This affair is in the hands of our popular brother, Harry J. Lorden, chairman of the evening.

We will have entertainment, games and dancing. Our Lecturer and Bro. Lorden are sparing no time in making arrangements and we expect every member and his lady friends to be present. Watch our column for further details.

CUFF NOTES

We noticed some real old-timers at our meeting last week. Some of them were Marty Sweeny, Doc Crowley, Dr. Bracken, Pete Hamil, Nick Juric, Jim (Jumbo) Maher, John Gerber, Ald. Hartnett and many others.

MISS MARGARET SUSAN VORIER, the daughter of our Trustee Herman, was united in the holy bonds of matrimony with Mr. Herman (Bud) Beling at St. Basil's Church on Saturday, Oct. 11. We extend our best wishes to this couple and wish them many years of happy wedded life.

OUR POPULAR police officer, Tom McGeehan, has been among the missing at meetings. We hope the new arrival doesn't keep him home, and we are sure his wife will let him go.

THE LADIES OF ISABELLA are holding their penny social on Sunday, Oct. 26, at 1904 W. 35th St. The proceeds of their social are used to make orphans happy during the Christmas season. The ladies of this organization have been very helpful to us and this is a chance for us to return favors. Mrs. Geo. Spencer is chairlady and Mrs. H. J. Lorden is co-chairman.
chairlady.

P. G. K. BILL FURLONG has taken over the by-laws committee and in only a short time you will have a report.

We miss plenty brothers that used to be very active and we are looking forward to see them at a meeting: John Kelly, Hollie Dunlap, Jerome Donovan, Lt. John Burns and Jim Ryan.

We had the kidding twins with us last meeting, Matt Corcoran and Bill Munsterman. It is really entertaining when these two brothers start ribbing one another, and, believe me, they both can rib!

Bro. Geo. Spencer is taking applications for our next fourth degree exemplification. The qualifications are third degree members in good standing for two years. George will be glad to give you any information relative to this degree.

PIN TUMBLERS

Pot Game Christin would not say goodnight to the boys last Thursday because he only made a 565 series with a 207 game. He still believes that he should have a 600 series weekly or he will pout. We would suggest he bring his luck along, his "heart throb."

Geo. Love bought a new ball and rolled a 227 game and a 563 series, and no water in the ball either. G Man Jim Riley had a 226 game and 553 series. John Conway had a 229 game and 551 series. I would suggest that John swing his arm and he will have more strikes. Mart Dieterick of the Dr. Laibes had a 206 game and 551 series. Our butcher boy, John Snyder, had a 209 game and 542 total. Ed Blythe shot a 528 series. Red Bow Tie Gene Connelly had a 519 series. Harry Lepenske, 508 series, and Charlies Walters, one of our new members, 503 series, and wouldn't Harry Lorden love to add some notes on the last bowler, but I am the scribe and censor writings.

The boys are rounding into fine shape, as you can detect, as the standings are bunched like bananas as follows:

Dr. Michels, won 9, lost 6; Rep. Gormleys, won 9, lost 6; Cong. Beams, won 9, lost 6; Dr. Laibes, won 8, lost 7; Ald. Hartnetts, won 7, lost 8; Frank Zintaks, won 6, lost 9; Dalaege's Contractors, won 6, lost 9; Dunne Tires, won 6, lost 9.

Last Thursday's results: Michels won 2 games from Dunnes; Hartnetts won 2 from Beams; Gormleys won 2 games from Zintaks; Laibes won 2 games from Dalaeges.

High games for the night: Dalaeges 884, Hartnetts 867.

St. Pat's Asks Early Party Reservations on November 1 Affair

1-3 Tues. . . . . 6 N. Hamlin Ave.

From comments heard at our last meeting it seems that the recent Charity Ball was a grand success and members of St. Pat's who attended enjoyed themselves to the fullest. Bro. John Meccia. P. G. K. of St. Francis and district chairman of the U. S. O., was present at our last meeting and gave a nice talk about the U. C. C. S. Service Club, inviting all members to drop in and look the place over and really learn for themselves the great good that our organization is performing for the soldiers.

D. G. K. Wm. O'Connell made a motion, which carried, that St. Pat's subscribe to some popular magazine to be sent to the Service Club in St. Patrick's name, which will be nice advertising for St. Pat's. The magazine selected by popular acclaim was "Popular Mechanics." If any of the members wish to donate some good reading matter, I don't think the club would object.

CABARET PARTY

A last warning to those brothers who have not as yet made arrangements to attend our Cabaret Party, Saturday, Nov. 1st, in the main dining room of the Midwest Athletic Club, 6 N. Hamlin Ave. This is the one affair of the council you cannot afford to miss.

Bro. John O'Shaughnessy, your Lecturer, and the officers are working hard to make this party the huge social success that our past parties have been. So bring your wives, sweethearts or friends and plan to attend. It will be one of the most enjoyable evenings you have had in your life. Tickets at one dollar per person include food, refreshments, dancing, also your wardrobe.

FOURTH DEGREE

Bro. Art Maloney, president of the Fourth Degree Club, announces that time is growing short till the next Fourth Degree class. All members wishing to join should see Art or any Fourth Degree members in the council. This is, indeed, an appropriate time to join in this patriotic degree.

OPEN HOUSE

At our next regular meeting, Tuesday, Nov. 4, St. Pat's will hold "open house." In order that your fellowman who is not a knight may see what a swell bunch we have at our meetings, he is cordially invited to our council chambers. Some men, upon becoming knights, when asked why they had not joined before, have stated that they weren't asked, so here is your chance. Bring up that Catholic friend.

BOWLING NOTES

COUNCIL NEWS

Brothers Anthony De Blasea and Jim Regona answered the call for blood donors and gave a transfusion to Bro. Cummings of Carroll Council. Nice going, boys. Ed McGinty is still laid up at the West Suburban Hospital and doing nicely. He is in room 306.

Bro. Ed Koerners has not been so well lately and if any of the brothers care to drop in to see him, he resides at 5241 W. Washington Blvd. Jimmy Koerner, also a member, is in camp way out west in California. Pat Halvey was at our last meeting. Nice to see some of the old-timers come around. They ought to make a habit of it. Ed Foy was with us last Sunday when we received at St. Pat's.

Garcia Moreno Asks Members to Work for Success of Council

2-4 Tues. . . 155th St. & Lexington Ave.

While looking through some magazines at home the other day I came across an article telling the story of the Three Wise Men and how they were guided by a star to Jerusalem where they found the baby Jesus.

The thought occurred to me that it would be a wonderful idea for each member of our council to set his course on knighthood to a higher and better objective than ever before, and strive to attain a peak of perfection in perfect membership. If we did this I am sure that it would be a very short time before our council would improve to such an extent that we could all feel well pleased with the goal we had set and finally achieved. I believe that for such an effort success would be ours.

NOTES OF LAST MEETING

Some 40-odd members were present, and the meeting was of an interesting nature to the debate that held the floor close to two hours. The serious question debated was council "finances." To come to the point, members, the fault lies with the delinquent members, who do not meet their council obligations as they fall due. This is the seat of our trouble, and it means also trouble for the twenty-five suspended lately, with more to follow.

Taking part in this debate at our last meeting were the following members, whose interest in and loyalty to our council has always been of the finest: Trustees Romeo Begnoche, Wm. Powers, Sr., and John Doheny, Treas. Al. St. Aubin, Fin. Secy. Louis Beaupre, Charles Moran, Simon Ryan, James Doheny, D. G. K. Joseph Dehnert, Ernie Ducette, Chancellor Wm. Powers, Jr., Carol Bull, D. D. Henry Hilgendorf, Lecturer Henry Stein, P. G. K. James Munro, D. D. Edward Martens, Chaplain Rev. Father Renklewski and the scribe.

In the words of our chaplain, serve the law and it will serve you, seems to be the answer of the council troubles. A vote of confidence was extended to our council officers, who will make every effort to have our entire membership out of the red by the first of the year. So the warning to our membership is, that starting the first of the year our council will serve the law of the Order by living up to the laws, and to retain our membership we must also live up to the laws of the Order and council.

We cannot blame the officers, past or present for our financial condition. We members who are lax in our council obligations, are the real cause of this condition, which in the words of our trustees hamper efficiency, causes unnecessary delays and other hindrances in the administration of our council affairs. Weaker councils than ours have mastered greater odds than ours. That should be a challenge and an inspiration to us.

Francis De Mayo was elected recorder at our last meeting. Congratulations, Francis. Field Agent Brother Cushing was present, and asked that we sell the Order to our Catholic friends, the insurance will take care of itself. Lecturer Henry Stein announced prospective members' night, Tuesday eve, Oct. 28. Ed Sedlack is home from the hospital. James Sweet is home with a bad cold. The mother of Simon and John Ryan, injured in a fall at her home, is reported coming along fine. That's good news. One application was read, and John Begnoche, membership chairman, has three now to his credit. Come on officers, give John some help. Refreshments were served after the meeting.

BIT O' NEWS

D. D. Henry Hilgendorf and scribe attended Chicago Heights Council Columbus Day program. We enjoyed a very pleasant evening. How's the Thanksgiving book coming? Only a short time left, gang; let all do our part. Turkey night, Nov. 11. Paul Malito is in the service of our country. News is rather scarce, or our members are bashful, for very little comes to the scribe. Mrs. L. J. White celebrates another birthday Sunday, Oct. 26. Congratulations to my better half, may good health be your birthday gift. Cherrio.

This is the meeting when the TURKEYS will be given, so all new members and all members of the Council are invited to come up and see if they can bring home the bacon—I mean turkey. This is your opportunity, fellows—don't miss it.

On and after Oct. 20, 1941, there will be eliminated the issuance of a death certificate in the amount of $500. Also the bonus fee of $3 for securing insurance applications has been eliminated. The minimum amount of insurance that can be applied for will be $1000.

AROUND AND ABOUT

Immediate Past Grand Knight and Mrs. Joseph L. Schmitz celebrated their 30th wedding anniversary on Oct. 4. Another woman to be canonized a saint, for it is written "Any woman who can live and apparently thrive with any one man for 30 years must be a saint."

The two robust twin boys of Mr. and Mrs. Willie Meyer were baptized at St. Genevieve's Church last Sunday and their sponsors were the twin Lies boys, Phil and Frank.

Mrs. Guangi, wife of Jim Guangi, our bowling sponsor, has been ill at home for the past two weeks. Your prayers for a speedy recovery are urged.

FOURTH DEGREE NEWS: Any Third Degree Knights who have been in the Order for two years or more, are over 21 years of age and who wish to take the Fourth Degree on March 1, 1942, please contact Pres. Brefeld or any member of the Sher 4 Man Club for details. We would like to have one of the largest classes in the entire assembly this year, so if you want to advance yourself in Knighthood, prepare now to take your major degree on March 1, 1942.

The next regular meeting of the Sher 4 Man Club will be held Oct. 29 at the Holy Name Clubrooms, Taylor and Wolcott Sts. A large attendance is desired as there are several items of interest to be brought up.

It will be cabaret style as in past years. r. O'Donnell said:

"It will be a rip-roaring affair, which is always met with the approval of eryone in former years. Bro. Tom Len-n and his orchestra, which have ap-ared at the World's Fair and various wntown hotels, will furnish the music. is affair attracts both young and old, ich guarantees its success. Costume is tional."

Members of the committee in charge e: Dan Ackerman, Jim Elward, William Fox, John S. Tollard, Louis J. Melcher, rt Kew, Pete Kreten, Bill Schroeder, arles N. Johnson, Harry Zegers and e Zang.

Bro. Harry Bitter and committee re-rt that approximately 35 couples at-ded the Columbus Day celebration. He ted:

"In behalf of the committee, I wish to ank everyone for the splendid repre-ntation by the council both on the ball-om floor and in our room 718, where freshments were had."

Another "night" which, it is said, will ual if not exceed in popularity the past ights" is the Our Lady of Peace fes-ity scheduled for Nov. 4, the next eting of the council. Chm. Joseph Roll-iser has plans almost completed for a g evening. Efforts will be made to in-ce William J. O'Neil, past president of ur Lady of Peace Holy Name Society d bowling league, as a guest. Mr. Neil is a member of Santa Maria Coun-. Incidentally, he is a major league seball player.

SOUTH SHOREITIS

Bro. Jim Elward's mother is reported at home.

Mrs. George O'Donnell is confined to r home with a sprained ankle.

t was a bad day for the Chicago Car-nals when they lost to the Chicago ars but it was just as bad to Brothers assell, Miner and Doolin of St. Philip ri Council and McGreal and Conlon of James Council, who witnessed the me while perched on iron railings. It rumored that Brother Doolin didn't port for work the next day.

Now that John Nussbaum is up and ound again, it is hoped he will not lose ch time in making the trek to the ncil meetings.

We are still awaiting the visit of Bro. J. Ryan, haberdasher on 71st St. Bro. an, who also owns a store on 79th St. d Cottage Grove Ave., and a baby's op near the Edgewater Beach Hotel, is ite a bowler. He hits the maples ound the 200 mark.

Bro. Dr. Rocco V. Lobraico's son, Roc-Jr., who met with a serious auto ac-ent Labor Day, is convalescing at nois Research Hospital, where he is ident physician. He was on a vaca-n trip at the time.

Madonna Lists Thirty New Donors in Move to Enroll Entire Council

Fri. . . . . 4624 Emerald Ave.

Leading the way for some thirty-odd ditions to Madonna's blood donor oup, Harold Bennett, chairman of the od donor committee, plans to continue drive for the entire coverage of the ncil. Following the recent member-p rally, he had three attractive ba-er rses from St. Bernard's hospital slip-ng the needle to the boys and as a re-t the following gents have had their checked: Dr. Devitt, Tom White, Ger-Finnegan, Pat Doyle, Ed Kean, Larry Getrick, John Doyle, Matt Purpura, y McMahon, Joe Butler, Elden John-n, Jack Morrissey, Jim Doody, James Ryan and Oliver Kenny.

G. K. RALEIGH KEAN

ed the second contingent accompanied Tom Nealon, Tom Fitzpatrick, Justice e, John Kenny, Larry Kean, Ed Pur-ra, Ed Goeing, Pat Smith, Joe De Lacy, n Downs, Bill Cleary, Bill Morrissey d Joe Bell.

An impressive start for Harry, and 've got our fingers crossed, for the rt big push.

THE SMOKE

Of the first bowling battle has cleared ay and Ed Barry's team is leading the gue with a high game of 211, while Goeing's lads won three games. Ed e won high game, high series and ckey Ramis, a new man, took all the s for a ride by winning the pair of ling shoes with a score of 227.

As the kadoodlers go into the second ek of play, the individual bowlers are veloping their own brand of twirling, e of which we are given to understand known as the running, crawling, oping crouch. And if that bowler continues to bribe us with all day suckers, we won't tell—this week.

Next week we hope to give you the complete set-up of the league, including sponsors and players, so hold on to your teeth for just seven more days.

LAST SATURDAY NIGHT

Tom Carmody and Ed Kean, the co-chairmen of the carnival, showed the workers who plugged for them how much they appreciated their efforts by staging a knockout party at Madonna clubhouse. 'Tis said that every one enjoyed themselves—immensely.

So also did the bunch that attended the Columbus Day ball at the Palmer House the previous week. We have yet to see an affair where a Madonna gathering was not a howling success, socially.

In connection with parties, Lecturer Jas. "Duke" McGrath has discovered what's happened to highwaymen he's been searching for as a minion of the law. Duke opines that they've all turned into dance hall managers, after searching for a spot for the Thanksgiving eve dance.

As far as we know, the dance is scheduled for Wednesday, Nov. 19, since the Democratic Thanksgiving will be celebrated on the twentieth.

EVERY FRIDAY NIGHT

Is painless separation from bankroll night, to use a quaint saying. The boys gather for a jolly evening of taffy pulling, corn popping and kibitzing. In between, they play poker, hearts and jacks (we're up to our fours). You're invited.

On Thursday eve the international 66 tournament bares its leering face to all comers. Step up and grab the brass ring. Maybe you'll get a free ride.

DID YOU KNOW

That Wm "Packy" Doyle, who is acting captain at Gresham station, has already established a fine record of cleaning up crime in his district. Last week another nice write-up in the Economist. Good work, Packy!

Or that Bill Kilbride is recuperating in Grant Hospital from an appendectomy? Pretty sudden, but he's getting along great—with the nurses. (Why don't we ever get those chances?)

Or that St. James Council is going to toss another of their famous Hallowe'en parties at the Hayes Hotel tomorrow night, Saturday, Oct. 25? Lecturer Pete Wehle drops us a couple of ducats for the mask party with the suggestion that we come natural (it sounds like the Hon. McBride). Admission 55 cents per person, with free coat hangers, dancing and cards. Music by "Montelbano."

(IMPORTANT NOTICE—ED.)

Or that the Squeak of Randolph St. gets awfully big and tough—at a distance. (Tch, tch.—Ed.)

R. I. P.

We regret to announce the death of Bro. Michael Smythe, a long time member of Madonna Council. Though not very active in the past few years, due to his illness, Mike was a tried and true Madonnaite and his passing will be mourned by us who knew him so well. May his soul rest in peace.

Englewood Schedules Movies and Eats for Meeting This Monday

2-4 Mon. . . . . 150 W. 69th St.

Due to the fact that your humble scribe was out of town last weekend, this column was conspicuous by its absence. Last meeting was again conducted by D.G.K. Harry A. Delaplane in a grand manner.

In our last notes we stated that Dick Phillips was in St. Bernard's Hospital and we wish to correct that statement—Dick is in Englewood Hospital, still improving, and we hope he will be back with us very soon.

John Lyons desires that we announce that a good program is in store for us next meeting, which is Monday night. There will be movies and refreshments. So come up and enjoy an evening of good entertainment which our Lecturer will provide for us.

We would like to tell you of a Hallowe'en Harvest Festival and Mask Party being given by St. James Council Saturday, Oct. 25, 9 P. M. till 2 A. M. Admission is 55 cents per person and it will be held at Hotel Hayes, 64th at University Ave. Dancing, cards and bunco and also refreshments. There will be prizes for the most original and funniest costumes. So let's go over and give St. James and enjoy ourselves at the same time.

R. I. P.

It is with deep regret that we call to your attention the passing of Veronica Mahon, wife of P.G.K. John J. Mahon of Larabida Council and sister of P.G.K. John Hasty of Englewood. Mrs. Mahon was Grand Regent of McHale Court, D. of A. Mrs. Mahon's services were held from her home at 6746 Lowe Ave. to St. Bernard's Church, Thursday.

Breen, S.J., who this year celebrated their golden anniversary of priesthood. State Deputy Leo M. Flynn, State Secretary Ray Gleason, Master of the Fourth Degree Phillip C. Nilles and District Deputy Marco De Stefano will be present to pay tribute to our beloved Chaplain and founder.

The program will begin at 8:15 p. m. sharp. Vocal selections will be rendered by Knight of the Holy Sepulchre John Pane-Gasser. Refreshments will be free. For the last time we would like to remind you to be there on time or you'll miss part of the entertainment. Just remember these four important things: the affair, Father Breen Night; the date, Thursday, Oct. 30; the time, 8:15 p. m. sharp; the place, San Callisto Hall, 2189 DeKalb St. Bring your wife or lady friend. Make it a point to attend.

NEWS AND NOTES

Have you brought in any applications for the Father Breen class to be held Dec. 14 at St. Philip High School You haven't? Then what are you waiting for? The time is getting short, so get busy right now. The success of this class depends on you, you, and especially you.

The officers of the Council are anxious to have the names and addresses of all our members who are in the Army because something special is going to be done for them. If you do know of any one, please call Alex Coletta at Victory 1861 or send him a card at 2600 Wentworth Ave. or get in touch with ye scribe at Haymarket 5429 . . . And speaking of addresses, if you have changed yours or you're not receiving your mail, be sure to let the recording secretary, Vincent Candice, know about it. His address is 8059 S. Ellis Ave.

The FranFours have announced a "Buck Party" to be held Saturday, Nov. 15, at St. Agatha Hall, Kedzie and Douglas Blvd. The mere price of one dollar includes entertainment, dancing, refreshments (eats and liquid quenchers) and you are sure to have a "heck of a good time." Any Fourth Degree member will be glad to sell you as many tickets as you want.

We don't have to exhort you to come to the next meeting, Nov. 13, when we tell you that it is going to be Turkey Night . . . Mr. and Mrs. Anthony Raciti (Council trustee and FranFour president) became the proud parents of a baby boy by means of adoption last Wednesday, thus opening up a new field of happiness for the new parents. They have named their new son Anthony . . . Bro. Phil Bartucci is confined in Walthour Memorial Hospital because of a bad leg. Pay him a visit. He is in room 224 . . . Bro. Joe Schiavone has become a better crooner since he had his tonsils removed recently, but it has not improved his bowling . . . Bro. and Mrs. Ed Caffaretta are on a motoring trip enroute to Mexico. I wish he would send us some pictures of those beautiful senoritas down there . . . Wedding anniversaries to be announced are Mr. and Mrs. Al Caruso's third last Thursday and Mr. and Mrs. Ned Locascio's eleventh come November first.

Here are the final statistics on the Charity Ball: 125 tickets sold, making it 35 over the quota; and 15 patrons, one more than the quota for a total of two hundred dollars.

BOWLING

Izzo Undertakers and Famous Potato Chips still hold the lead with 13 victories and 8 defeats by taking two games apiece from the Senate Electrics and Ald. Pacellis, respectively. One game behind them are the Senates and Dot Pies. Bacigalupos came out of their slump by taking three games from Paterno Pitzeria, and in doing so tied their own team high series mark of 2568.

Monday's high series were rolled by E. Marinelli, 507; F. Arito, 528; A. Vitallo, 508; F. Pasquale, 536; J. Defily, 523; F. Ferrara, 540; S. Cirrintano, 521; C. Principe, 551; L. Merisso, 526; C. Poggetto, 533; L. Gregorio, 503; and J. Durante, 583.

Santa Maria Chooses November 15 as Date of Thanksgiving Party

2-4 Thurs. . . . . 9020 Commercial Ave.

At last the date, Saturday, November 15, has been chosen as the official date for Santa Maria Council's big Thanksgiving Party. The affair will be staged at the largest place South Chicago has to offer, the South Chicago Masonic Temple, 91st St. and Exchange Ave. Both floors of the Temple are to be used to give everyone plenty of room to spread out and have a good time.

The committee, headed by G. K. Joe Komar, P. G. K. Al Schott and Lecturer Bob Lynn, has surrounded itself with an energetic group of workers who are working day and night to make this affair the huge success such efforts deserve. Each member will shortly receive a letter telling him all about the affair, but don't feel that your help ends when you receive this letter. Let it act as a starting point and get out and advertise the party to all your friends and acquaintances. Remember that success or failure depends on you. Every bit of cooperation you can give in any way is needed.

There will be all sorts of entertainment, games, dancing and whatever else you members can suggest. The committee has plans for the very youngest to the very oldest of our members and friends. Come to the meeting on Nov. 13 and offer your services to help on the many committees. In the meantime there will be committee meetings to which everyone is invited. Get busy and spread the word around. The expense of having both floors of the temple is tremendous, and must be cleared before the night of the party.

NOTES

P. G. K. Michael McParland and Maurice Crotty recently were blood donors to a very ill sister of one of our members. Both were the same type and were instrumental in helping the recovery of the patient. Santa Maria is proud of these two brothers who are among the first in the marvelous enterprise, the blood donors' group.

A very excellent accounting of Santa Maria's budget for the year was given by Trustee Bill O'Neil at a recent meeting. Bro. O'Neil is an expert at figures and is one of the council's financial mainstays.

The new St. Peter and Paul Church and school is rapidly rising. Work is now going on, on the third floor. The completed edifice will be one of South Chicago's most inspiring and will be a fitting parish home for our chaplain, the Rev. Father Terlecke.

How are all of our sick members? We haven't had any news of them lately. If any members know, will they please get in touch with us. Fin. Sec. John Crowe says don't let the pressure of other matters let you forget your dues.

Newman Sponsors Boxing Show at St. George's Tonite

1-3 Thurs. . . . . St. Mary's Hall, Ev.

This evening at 8 P. M. at St. George's Gym Newman Council is sponsoring its Second Annual Boxing Show. There will be eight bouts, with real champions taking part in the 24 rounds of boxing.

Bros. McNulty, Murray, Flynn, Coursey, Jim Corcoran and others have worked hard to make this show a success and we are pledging your support at this late hour to make it a success. Many celebrities will be there. Jack Elder, former Notre Dame star and now of the State Boxing Commissioners, will be present. Tickets: adults 75 cents, children 25c.

EXTRA! Past Grand Knight John Corcoran makes a hole in one! Last Friday afternoon at the Skokie Country Club, Bro. John settled the disputed championship of the Corcoran family forever. After eliminating P.G.K. Arnold, who has been the challenger for the title for 10 years, he took on his brother, D.D. James Corcoran. So last Friday they invited two spectators to accompany them on their title match, Bill Calderwood and Chas. Mitchell. On the seventh hole Bro. John drives 165 yards on the fly over a large body of water in front of the green and that was the last they saw of the ball.

They began the big hunt but without results. Bro. James told Brother John to drop another ball and shoot three. Bro. John kept on looking but with no results. He still was in there fighting. Bro. James happened to walk by the hole to sink his putt and he noticed a white pill in the bottom. He picked it up and low and behold—Bro. John's ball. Jim then threw up his hands and had to admit John was the champion.

There has been a change of address of Private James Shea. It is now Company I, 184th Inf., Camp Luis, Obispo, California. Jimmy, that must be an Irish neighborhood.

On Wednesday evening of this week Bros. Dr. Hynes and Paddy Driscoll of our Council will be honored by the Evanston Sports Association. Dr. Hynes will be honored for his contribution of professional services to 300-400 Evanston athletes in the past five or six years. He is the official league doctor. Paddy Driscoll will be honored for being a typical Evanston playground athlete. Congratulations. Twenty of Newman's ball players will be present that evening. Newman is going to have a basketball team this year. If you are interested get in touch with Andy Smith or Tom (Lucky) Zicco.

On Saturday evening, Nov. 29, Newman will have its first Ladies Night under Grand Knight Walter Gehant. The chairman of the big event is Gregory Korold. He is preparing an exceptionally fine program and we know that no Brother or his lady friend will want to miss this gala affair. More details later.

Our Chairman Cliff Dalton of the Membership Committee, has appointed co-chairmen for each of the four parishes. If you are called upon to help solicit a prospect, don't hesitate—give Cliff and his assistants a hand and put this drive over. On Dec. 4 we will confer the First and Second Degrees. So please go out and sign up a new member.

Thanks for the letter, Barney McGowan, you wrote Tom Hayes. We are glad you enjoy reading Newman news. And to you out-of-town Brothers, drop your G.K. a line once in a while. He likes to hear from you and so does the scribe.

On next Monday evening, Oct. 27, at 8:15 o'clock, all the Past Grand Knights, Officers and Committee. Chairmen will meet at St. Mary's School Hall. Our new District Deputy has an important message to give us and several other important items will be discussed.

Capt. Bill Reifenburg of the U. S. S. Newman gave several of his sea-going men a real surprise last Sunday when he took us out for coast patrol duty in the fog. Nice seamanship, Bill. Newman's duck hunters went ducking last opening day, Tim got one duckling and Martin got the mud hens. Chas. Steigelman won't talk to anybody but Mahonstine since he got his new car. Don't wreck this one, Charlie.

La Rabida to Honor P.G.K. Con Driscoll Next Tuesday Night

2-4 Tuesday.....6236 Princeton Ave.

The next meeting of La Rabida Council will be held on Tuesday evening, Oct. 28, and will be known as "Con Driscoll Night." The meeting will be called to order promptly at 8:15, and after a short business session the gavel will be turned over to our worthy Lecturer, Dr. Latchford. He will conduct the festivities in honor of our retiring Grand Knight.

Bro. Driscoll, who for the past twenty-five years has been a member of La Rabida, is one of the Council's most active sons. He served the Council as trustee for ten years, prior to his elevation to the Grand Knightship and through his untiring efforts was able to take the Council out of the "red." His position as auditor with the Chicago Rock Island & Pacific Railway of course being a great aid to him in this office.

Bro. Driscoll became Grand Knight of the Council in July, 1940, and served as our leader for one term, a promotion with the railroad making it impossible for him to serve a second one. He is beloved by all the Council members and well known and loved by knighthood throughout this jurisdiction. Bro. Driscoll deserves a night in his honor and it is hoped that every member of the Council will be on hand to extend congratulations.

MRS. V. MAHON DIES

As we go to press the shocking news of the death of Mrs. Veronica Mahon, wife of P.G.K. John J. Mahon, is called to my attention. Funeral arrangements have not been completed. A full account of this tragic happening will appear in the next Columbian issue.

MEMORIAL NIGHT—The Council's annual Memorial Meeting will be held on Tuesday evening, Nov. 25, at which time we shall pay tribute to the deceased members of the Council. Our Worthy District Deputy, Patrick Woods, together with many other dignitaries of the Order, have promised to be with us.

ST. JAMES PARTY

On Saturday evening, Oct. 25, St. James Council will hold a Hallowe'en Harvest Festival and Mask Party at the Hayes Hotel, 64th and University. Prizes for the best costumes will be awarded. For information call Dr. Strobel at Bev. 7619, or Peter J. Wehle at Mid. 8351.

HERE AND THERE—Bro. Frank McCarthy and wife will celebrate their twenty-fifth wedding anniversary on Saturday, Oct. 25. Let us hope that their fiftieth will find them as sweet and lovely. Congratulations! Bro. James Kirkland continues to improve from his recent operation and is expected to return home this week.

Chicago Heights Asks Members to Oraanize Council Donor Group

2-4 Monday.....1537 Otto Blvd.

All brothers who wish to belong to our blood donors group are requested to present themselves at Bro. Dr. Armburster's office at their earliest convenience to be typed. We were recently called upon to render this service to the late Father Joseph Anderson. Bros. Frank Herbst and Charles Murphy quickly responded. both of these brothers having the proper type.

We are hoping that our Council will be 100 per cent for this worthy cause. We never know when one or more will be called to give of their blood in hopes of saving the life of a relative or friend or when we might have to call upon our brothers for their blood for our own family. This is one of the greatest acts of charity that anyone can possibly perform.

COLUMBUS DAY SOCIAL

Our Columbus Day social was a huge success and we all owe our Worthy Lecturer, Oscar Fox, a vote of thanks for his hard work. Bro. Oscar was well pleased with the turnout and also that the guests enjoyed the program. Oscar does not mind doing these things, in fact he really likes to, hoping to stimulate a better interest in our Council affairs. So, fellow brothers, at the next offering by our Lecturer let us all strive to make it a bigger success than this one.

P.G.K. Joe Dionne is going to do that very thing that was anticipated a few weeks ago in this paper. Yes, Bro. Joe is going to get married. He has not told us the date as yet.

Bro. Peter Bantz has an increase in his family, having acquired a son-in-law through the marriage of his daughter Betty. The wedding took place in North Carolina.

Ketteler to Honor 25-Year Members at Meet Monday

2-4 Mon. . . . . 3437 Ogden Ave.

The next meeting, Monday, October 27, will be the occasion of honoring the Old Timers of Bishop Ketteler Council. Our council has many members who have been brothers for twenty-five years or more and it was the work of these men that started the council on the road to its present position of largest insurance council in the state of Illinois.

G. K. Edward Oakes and Lecturer Thomas Bogan are busy preparing gifts for the council pioneers. These gifts will be presented by one of Kettler's real boosters, our former chaplain, Father Conway. Every one of the old timers who shows up will receive a token of appreciation for his efforts in behalf of Bishop Ketteler Council.

The younger brothers will not be neglected, either. Lecturer Bogan has stated that some brother who attends the next meeting will receive a wonderful gift—something that he will be proud to bring home. It is hoped that a large number of brothers will be in attendance to honor those men who really put Bishop Ketteler Council on the map, and to renew acquaintance with Father Conway.

KETTELER ITEMS

THE ANNUAL DANCE held last Saturday was the success that it promised to be. Everyone who attended certainly enjoyed himself immensely. We take this occasion to offer our congratulations to Chairman Alexander Olszewski and his hard working committee for the splendid manner in which the details were handled.

P. G. K. SAM WHITE speaks in glowing terms of the manner in which the brothers react to his appeals for blood transfusions. Sam, as chairman of the blood donors committee, has had occasion to call on some of the brothers lately for very urgent cases and has had success in locating volunteers of the required type almost immediately. Sam has received some very nice compliments from outsiders on the activity of the blood donors group. Congratulations, blood donors, for you are exhibiting charity in its greatest form.

WE WOULD also like to express our appreciation to Brother Joe Linhart for the movies of the Ketteler picnic of "way back when."

OUR SYMPATHY is extended to the Lippe family on their recent bereavement in the death of their mother. The Lippe family is a well known family to the brothers of Bishop Ketteler Council and Brother Albert Lippe is a member of this council. Many brothers are also acquainted with Harry Lippe, the noted bowler. On behalf of the many friends of the Lippe family, the scribe takes this occasion to offer condolences.

Brother Joe Prevendar had a party including five potential knights at the dance. How about getting their names on the dotted line of a few applications, Joe?

BOWLING

The bowling team standings became complicated as a result of last Thursday's contests. Three teams were tied for first place when the evening ended. The Bona Drugs, led by the Bona brothers upset the former leaders, the Dr. Peszynski Boosters, in two of the games, and tied with them for first place. Al Bona rolled 567 and Frank Bona aided with 517. Ted Gomolski continued his fast pace with 590 for the losers.

By taking three games from the Clifton Park Cigars the Wojik Floor Sanders also entered a tie for the lead. A. Sliva led the Wojciks with 532 and Ed Plewa led the Cigars with 511.

The Gorski Electrics took two from the Phil Nilles Boosters. J. Fultyn with 551 and Matt Fultyn with 534 led the Gorskis while R. Schaber led the Phil Nilles five with 518.

The Luczak Lawyers won the odd game from the Fruzyna Morticians as R. Martin, C. Moravec, and V. Moravec had totals of 580, 551, and 550 respectively. H. Nowakowski had a 557 series for the Morticians.

The St. Paul Federals managed to win two from the Art Bilt Furniture team. Dr. Kvasnicka led the winners with 529 and S. Klaczynski led the losers with 512.

The Dr. Krupa Boosters did some excellent bowling to win two games from the Ziarko Taverns. Dr. M. S. Krupa with 553, was ably assisted by V. Ponic with 546 and C. Bonk with 508.

The J. B. Suerth Morticians took two from the Tomera Range Oils as G. Cummings shot 534 for the victors. Al Ivanski led the left handers with 581.

The Bilmar Taverns took three from the Stanek Press as S. Korbas rolled a 584 series. He was given able assistance by S. Malicki with 541. R. Suchocki had a 536 series for the Staneks.

The sixteen teams are so closely bunched at present that a loss of three games by any of the leaders would plunge that team well down into the second division. All of this makes for an exciting bowling season so don't let the government stop "these strikes unless you can spare 'em."

Our major team swept the series with the Hennepin-Shields team last week. R. Suchocki rolled 644, T. Gomolski 591, an Dr. M. S. Krupa 585 in the match. Thi Friday our majors meet the Feehan Coun cil majors at the Cascade Bowling Cen ter, Madison and Hamlin, at 8:30 p. m All brothers are invited to attend and t give our team some enthusiastic suppor

Marquette Has Another Ladies' Night Planned Following Nov. 6 Meet

One week from next Thursday night, Nov. 6, is the date for next meeting of Marquette Council. It is also the date that Lecturer Henrick has arranged for Ladies Night following the meeting. All ladies are invited and a good time is promised to all.

A distinguished member of Marquette Council is State Senator Harold G. Ward, often called the hardest worker in the General Assembly. Bro. Ward has been the recipient of the highest praise bestowed by the Legislative Voters League. He is a native of Chicago and was a first lieutenant of field artillery in the First World War. He was one of five brothers who entered the Army, two of whom lost their lives "over there." In the State Senate of Illinois Bro. Ward is the leader of his party and has the respect and admiration of all his associates.

COUNCIL NEWS

Professor Rapacz, who teaches real estate law at De Paul University, spoke at our last meeting. His subject was "Property Right and Economics." We were pleased to see Bros. Keane and Blumenthal at our last meeting and hope they continue attending regularly. Sorry we were to hear that Bro. Hugh O'Hara was sick. We hope he quickly recovers, as we also hope for a quick regaining of the health of P.G.K. Walter Simon and Bro. John Hyland.

G.K. Hess was glad to report that we went over the top in the sales of admission tickets as well as patron tickets for the recent Charity Ball. We were sorry to hear of the resignation as Chancellor of Bro. Pat Driscoll, whose business keeps him working evenings. We hope in the not too distant future Pat will again take an active part in our affairs.

Don't forget that the next meeting on Nov. 6 will be short and snappy, and then an evening for the enjoyment of the ladies. How about a signed application of some fine Catholic friend of yours for this meeting? Do you know that many Holy Name men are just waiting for someone to invite them to join the greatest fraternal organization in the world? It is good Catholic action to help make the K. C.'s strong. The time has come to stand up and be counted as Catholics—won't you please co-operate and do your part?

Lebanon, Ind.—Bill Graham, Lebanon bowler, last week rolled 100 games in 11 hours and 20 minutes averaging 181 pins per game. He ate two sandwiches and drank two glasses of milk—and took off one minute to tape his thumb.

Barry Promises Royal Program at Birthday Party

1-3 Tues. . . . 2856 Washington Blvd.

Week after week you have been reminded through this column of our big social event, the 36th Anniversary Dance on Nov. 8. Tired as some of you may be of reading about it, you are going to see more of it in this and the next two issues of The Columbian.

After that it will have been the greatest social event of the season. The date of the affair again is Nov. 8 at the West Side Athletic Club, 4711 West Madison St.

Returns for tickets have been coming in much better recently and our Financial Secretary, Phil Cullen, has just given the following names to be submitted as having made returns for their tickets: Pat Lucey, Dan Hernon, A. J. Schlaid, Mike DeRose, M. J. Scanlon, E. F. Dunn.

A week from Tuesday, October 28, all the ad programs go to the press, so hurry up, fellows, and get your ads in.

There will be a meeting that night of the Dance Committees at the clubhouse to classify every detail in regard to this dance, so try and be present.

Bro. Kennelly will need volunteers to assist him and I am sure that he will not have to ask for them twice. Once again we tell you more names will be needed for our patrons' list to make it a success and we are counting on one and all to help.

Lucky members at last meeting who received gifts from the council for their attendance were: Bros. L. Westphal, W. Richerson, Rocco Tarsitano, Phil McGrail, Jno. Tamburrino, Ed. Kuczak, Bill Dunn, John Foley, John Szafran, J. Karemer, V. McGowan and J. Spicuzza.

CONDOLENCES

Our deepest sympathies are extended to Bro. L. J. Scott in the loss of his brother, who passed away September 21 at Grand Rapids, Michigan. The deceased, George J. Scott, was one of the original charter members of the Barry Council in the early days.

The council wishes to express its deepest sympathy to the Honorable Ed. Kaindl and to Bro. Art Kaindl in the death of their mother, who passed away on October 18.

We are also sorry to learn that the wife of Thom. Ahern, Mary Ahern, was injured in an automobile accident. We are not informed as to the extent of her injuries, but we wish her a very, very speedy recovery.

COUNCIL ITEMS

Lecturer Bill Kennelly and Athletic Chairman Johnny Chase are cooperating on a party to be held at the clubhouse Wednesday, October 29. All are invited to attend, bring your ladies and your friends, as you are sure to have a good time.

There will be a Memorial Mass held some time in November; the place and exact date will be given later.

While snooping around for news last week at the Cascade Alleys, I saw our friend and brother, Private Frank Lahey, who is in the service and stationed at Camp Forrest, Tennessee. We hope that he and our good friend, P. G. K. Jim Curran, who is also stationed at Camp Forrest, have gotten together since they have been in the service.

It gives us great pleasure to announce the arrival of a baby girl to Mr. and Mrs. John Burke. Mother and daughter are doing fine. John, incidentally, is the "Long John" of our softball team. Congratulations. Now if it had been a boy we would have a prospective member, wouldn't we? I just can't keep from getting in some kind of a plug about that, can I, as long as we are in the midst of our membership drive?

DON'T FORGET that the next meeting, Tuesday, November 4, is Turkey Night. On this night we give away several turkeys, and we are designating this night as Turkey Night because our next meeting is Memorial Night, and Thanksgiving falls on Thursday, November 20.

Word has filtered through the "grapevine" that Bro. Richard Condon will undertake to formulate plans for the revival of the Fourth Degree Club. Any members who are eligible and interested will please communicate with him through the club or at his home at 3058 West Van Buren St.

BARRY BOWLING LEAGUE

You know that Wednesday, October 29, at Barry Clubhouse will be the start of a series of monthly card parties sponsored by the bowling league. Each night will be dedicated to one of the teams. The first night will be dedicated to the three Air Liners' teams—the American Air Lines, T. W. A. and United Air Lines. Bro. John F. Chase (the Lone Eagle) and his committee are working hard to put this over and all we need for a success is to see that all the bowlers and their friends are present. We can assure you that your efforts will be well repaid.

Before starting on the results of last week's bowling, the officers and members of the Barry Bowling League want to take this opportunity of congratulating Bro. Leo Capuanni and his wife on their 20th wedding anniversary; we hope the good Lord will spare them to celebrate many more. Leo is captain of the Smith Funeral Home team and has always been a real Barry booster.

It looks like some of the boys are headed for a 300 game before long, as last week John Foley shot 246, Rocco Tarsitano 235, Dan Keating (the Dancing Professor) 248 and Jeff Fleming 209.

Little Jack's Restaurant won two from Faucher Bros. and are leading the league by two games. Tied for second place are United Air Lines, T.W.A. Air Lines, Garfield Restaurant and Kedzie Coals. Faucher Bros. and American come next and then following are Ahern Morticians, Cunningham Insurance, Mid-West Auto, Senator Keanes, De Mares Coal, Smith Funeral Home, Crowley Cafe, Sheehan Chili's and cellar champions Recorder Kaindls. The barrage last week resulted in T.W.A. losing two to American Air Lines, with Rocco Tarsitano getting high Game for American Air Lines with 235 and Charley Urbain high for T.W.A. with 195. De Mares Coal won two from Smith Funeral Home with Jeff Fleming getting high game of 209 for De Mares and Ted (Dynamite) Biedzrycki getting high of 184 for Smiths.

Sheehan Chilis won two from Ahern Morticians with their sponsor, Clarence Sheehan, back in the lie-up after a three weeks' trip to South Dakota for ducks. Clarence said Al. O'Malley was mixed up in his geography as he was not in Yellowstone Park but in South Dakota on his hunting trip Cousin Larry was high man for Sheehan with 197 and Tom Ferrarrini was high for Ahern with 203. George Rose was high man on Little Jacks with 206 and little Ed. Faucher showed the boys up with his high game of 194. United Air Lines won two from Cunningham Insurance and shot second high three game series with 2492 with the dancing professor, Dan Keating, setting the pace for the boys in the first game with 248. Southpaw Mike had high for his teammates with 192.

Kedzie Coals won two from Recorder Kaindls with Captain Pat Crowley getting high game with 203 and Don Fornero getting high game for Kaindls with 192. Mid-West Auto won two from Senator Keane with John Foley getting high game with a 246 score, and Charley Svoma getting high for Keanes with 213. Garfield Restaurant won two from Crowley Cafe, with Lou Rosenmayer getting high game with 201 and Harry Kloth high for Crowleys with 216. Frank Byrne had one of his sons down rooting for him and the young man said his Dad is a bear at picking those spares. Prize winners last week were: John Foley, Jeff Fleming, Rocco Taristano, Dan Keating, Harry Kloth, Pat Crowley, Anthony Imbrogno, L. Quintalli, Jim (Shirley) Conley, Frank Byrne and Tom Ferrarrini.

Bishop O'Brien Is Donor of New Mission Chapel

Th Most Rev. William D. O'Brien, president of the Catholic Church Extension Society, dedicated the new $5,000 St. William's Extension chapel built at Arlington, Tex., in the Diocese of Dallas. This chapel, a personal gift of Bishop O'Brien, will serve about 85 Catholic residents of that community and almost a like number of Catholic students in a nearby agricultural school. O'Connell Officers Keep Smiling

The spirit of Daniel O'Connell Council is reflected in the smiling faces of the officers who are pictured above. Standing, left to right: John Cassatto, membership committee chairman; Victor Laporte, lecturer; Vic Bonano, advocate; Edward Gauna, grand knight; Jos. C. Meier, sick and relief committee; Joseph Marino, deputy grand knight; J. F. Henricks, recorder; Jack Tantillo, trustee. Kneeling, left to right: Ben Nathan, blood donor chairman; Joseph Tantillo, warden, and Adolph Lo Bello.

The picture was taken just before the stupendous baseball game which involved the single versus the married men at our recent picnic. All the officers pictured above are married men, hence the outcome of the game would not have made any difference in the jovial faces, because the married men won the ball game.

O'Connell Has Best Attendance in Five Years at Last Meeting

2-4 Tues. . . . . Hill and Franklin

The last meeting of Daniel O'Connell Council was the best attended of any in more than five years. There were more than seventy members present to welcome our "Francis McAuliff Class" of newly initiated members.

Out of the 39 men initiated 35 were in attendance; the other five were either working or had a very good excuse for not being present. This splendid gathering seems to indicate that the Council is going ahead by leaps and bounds. Among others who were present to welcome the new men were a delegation from St. Cyr headed by their Grand Knight, Bro. Joseph Maggiori, Peter Tarara, Ernie Consantino and Joseph Luccania. Our own Brothers, Joseph Fogarty, John Dinger Maloney, Frank Marino and Edward McKeever, were there to say hello to the new men. It was reported that our newly initiated Priest, the Rev. John M. Lauretti, was not able to be present because of an illness; we hope that when he reads this he will be up and around again and that at the next meeting we'll have him with us.

The members brought in four more applications which were read for the first time. There was one application read at our special meeting Sunday, Oct. 5, and that having been read for the second time last Tuesday evening brings our total to date to 45 new applications, five reinstates and five transfers, which quote "ain't hay" unquote.

Bro. and Mrs. Ted Peloquin have adopted a baby from the St. Elizabeth Orphanage. This is a fine gesture on the part of our Brother and his wife. The youngster, we know, is in fine hands and will have all the opportunities that we could wish for our own children. This is a fine example and should be followed by any member who is in the position to do so. Congratulations to you, Bro. and Mrs. Peloquin—may your kindness be rewarded a hundredfold.

Bro. Ben Nathan, chairman of our blood donors group, was a very active member at our last meeting, having brought one of the nurses from Columbus Hospital to the chambers. His group was swelled by 27 men, bringing our total to 59 members.

Our bowling team has been going along fine. Last Monday evening they captured three games from Newman Council. Leading the attack was our newly readmitted member, Bro. "Red" Farnam who toppled 620 pins, followed by Bro. Erkenswick with 567. Nice pitching, fellows — that brand of bowling should bring O'Connell near the top this season.

Bro. Henry Meier reports that the little receptacle for the Christmas Cheer pennies is filling up very nicely, but encourages the Brothers not to forget to leave their loose coppers in said silver barrel.

HYAR & THERE

Reno Mattelli started his career as a Knight in great style. He placed an application on the Grand Knight's desk, signed, sealed and delivered. That's sumpin. Congratulations, Reno.

Bro. Dominic "Professor" Faraci has opened class for model husbands—his two students, Jack "Cute" Malone and Carl Scimeca.

Bro. Adolphe LoBello has recently opened a new Beauty Shop at 1450 N. Cleveland Ave. The new establishment is open for inspection, and all the Brothers are invited. The name: "LoBello's Beauty and Barber Shop."

Bro. Frank Marino, new pitcher for the Chicago Cubs, attended the meeting. He seldom misses when he's in town.

Brother-Brothers: Chris and Mario Azzano — John and Mario Gugliotto — Joseph and Henry Meier —, Evo and Trento Raffaelli — Dominic and John Spatafore — Joseph and Guissepi Stornello.

Congratulations to Bro. Salvatore Scarlotta and Bro. Frank Monardo, who were both married Sunday, Oct. 20, at St. Phillip's and St. Joseph's Churches, respectively. Lots of luck.

Speakin' o' weddin's, Bro. Sam Buscarino middle-aisled it not so long ago and comes under the head of "Newly-Wed."

Bro. Joe Meier's little daughter Jeanne had her daddy doing a bit of night duty there for a while. Joey discovered the right password, though, and is willing to share the benefit of his knowledge with other members in a like circumstance.

Bro. John Maloney's wife was rushed to St. Francis' Hospital for an emergency operation. Reports are that she is improving.

Bro. Frank Ranierri's mother is very ill. The prayers of the members are asked for her speedy recovery.

Aquinas Special to Notre Dame Football Game Leaves Nov. 22

1-3 Tues. . . . 5441 S. Ashland Ave.

The annual football special to Notre Dame will be run on November 22. Notre Dame will entertain the Trojans from U. S. C. on that day. The fee is $8.00 including everything, and as reservations are limited we suggest that you get in touch with one of the committee members just as soon as possible. Reservations can be made on Friday night at Visitation Bowling Alleys.

The bowling season swings into its fourth week tonight, and upsets galore will probably be the rule. Last week, the McGraths, three games in front, wound up with a tie. All this because they lost three games to the lowly Sheehys while the McNamaras were winning three games from the Sweeneys. The O'Malleys won two for three from the Peltons. Last week's individual heroes were McCambridge with a 536 series and Jim Keane with a 20 game. The 206 game took a $2.60 poo

A word of cheer to Mike Hanley, wh had a severe attack of pneumonia an his father-in-law, Ulick McVady wh underwent a minor operation. Get wel quickly boys.

G.K. Jim Sweeney is very happy a the results of the Charity Ball. H worked hard and was certainly we rewarded. A goodly representation o the council enjoyed a splendid evenin at the dance.

Columbus' Plans for Charity Party Are Now Successfully Underway

2-4 Tues. . . . . 6932 N. Clark S

A goodly delegation, headed by Gran Knight Al Irving attended the charit ball at the Palmer House. A fine tim was reported.

The plans for the council's charit party on November 12th are proceedin apace. Ed Roche has volunteered to dis tribute window cards in the area fro Devon and Western, north on Western t Howard Avenue, east on Devon to Broad way, and on Clark Street from Devon t Howard. This is quite a task and we ar grateful to Ed for undertaking it.

Dr. Schuler is setting the precedent h having the first party at his home nex week in order to raise funds for prize for the card party. This is the first o the series of home parties which we men tioned in this column a few weeks ago Others are invited to follow Dr. Schuler example.

We can now announce that two ticket to the Notre Dame-Northwestern gam at Evanston, November 15, have bee secured and that they will be one of th major attractions at the Nov. 12th party

This year on account of our pledge t Mayslake, we are shooting for a thou sand people. If every member will tak four tickets, we'll go over the top.

Speaking of Mayslake, the annual re treat is December 5, as usual. Try t arrange your plans so that you can at tend. Walter Nietschman is retrea chairman. Call or write him if you nee transportation.

On October 14 a special meeting of of ficers was held after the regular counc meeting. It was called at the request o Grand Knight Al Irving and D. D. Marc De Stefano attended.

Ways and means were discussed t bring the council back to the place h the sun it once enjoyed. Old timers te me we once had over 1,500 members. W have the nucleus now to start buildin towards that goal again.

At the next meeting Dr. Schuler ha promised some entertainment, so be o deck.

Al Weimeskirch is having a poker part the night that I write these notes. I fact, I'll soon be there and if Schule Roche, Borchardt, Weimeskirch, et al aren't too tough, maybe I'll come hom without the proverbial barrel.

Rumor hath it that Weimeskirch ha changed his name to Collins in order t become eligible for membership in th Ancient Order of Hibernians. He and E Roche attended a party of Div. 48 of th A.O.H. the other night and from all re ports it was a fine party. Your scribe re ceived a telephone call in the wee sma hours from one who tried to assimilate a Irish brogue. However, it didn't soun quite genuine, and although I didn't lear the name of the party on the other en of the line, I expect that his initials ar Weimeskirch.

Calumet Begins Active Campaign in Member Drive

1-4 Mon. . . . . 6646 Stony Island Ave.

Last Monday night a special meeting was held to make plans for a membership drive. We are very well pleased at the enthusiasm shown by the brothers that attended. From the size of the group it would seem to be a regular meeting night.

Bro. John W. Rickord has been appointed by G. K. Hyland to fill out the balance of the year in place of P. G. K. Bill Birmingham, who is still out in Arizona, as membership chairman. G. K. Hyland, Bro. Rickord, and Chan. Val O'Grady have formed a plan where every one in the council will do a little work. Bro. O'Grady has made a spot map of the city and divided it into sections, in each of which two active members will have a list of our members living in that section. Personal contact will be made by them to you brothers and we ask you to please cooperate.

Now the majority of you have friends or relatives who would like to belong to the Knights of Columbus but they just haven't been approached. You have all at one time been going to ask them, but everytime something happens and it is put off. Now there is where these brothers in your district come in. They will call on you at home and find out if you have got a new member. If you haven't they will obtain from you names of men that you know to be good Catholics and who would like to join. With the names that you give them they will personally contact these prospective members.

You know that this isn't a very easy job for the brothers that will go from door to door to call on you so try to go along with them and all of their work will not be in vain. Let's try to make this year one of the largest for new members and in that way we will keep Calumet out in front where it belongs.

BOWLING

Here are the standings:

	W.	L.		W.	L.
Base	10	5	Ray's	8	7
O'Whalen's	9	6	Whalen's	7	8
Stone's	8	7	McNichols	6	9
Murphy	8	7	Wilson & Raf.	6	9
Indiana Serv.	8	7	Cummings	5	10

You can see from the standings that this league is still wide open. The team that is in last place (although right now they remind you of Woolworths) has as much chance of winning as the team that is in first place. Well, last week after much persuasion the Whalen team laid down. To make the league more interesting the Mase Cronins asked us to let them win three from them, which we did. We made them work for the gift though because we lost one game by six pins and another one by eleven. The Seneca flash, Bro. Heaton, and Dist. Dep. Wilf Byrne (he's also P.G.K.) shot their usual good games.

Stone's Shell Service Station buried the Cummings Morticians for three games while the Murphy & Son Furniture won the odd game from Ray's Boosters. McNichols Service won two from the O'Haneys and the Indiana Service won the odd game from Wilson & Rafferty Florals. High series went to Joe Walsh with 206-673 (Joe, by the way, is still leading the league); Bill McNichols, 541; Harry La Masney, 511; Bill Bowes, 519, and W. D. Byrne with 508. By the way, one of our bowlers, Bro. John ("Give Me 65 Pins") Barton gave a blood transfusion for Mr. Ryan the other night at the Woodlawn Hospital. Bro. Tom Gibbons has gone to Florida for three weeks, so his team will be handicapped a little. Due to the Army working hours being changed we now need four more bowlers, so come on up. Fellows, and bowl with us. Don't forget to hand in a report on the tickets either.

SCRAPS

We received a very interesting letter from Bro. Pete Wagner, who is now on the submarine U.S.S. S-21, which is based at New London, Conn. We received a report that Bro. Ralph E. Lee is very ill out in Los Angeles, Calif. Bro. Ed Motherway is now with the Benson & Rixon Clothers, so any one of you brothers who needs a suit go down and see Ed. Maurice Jordan came out to visit the bowlers last Thursday and was promptly challenged to roll a few lines by Curly Ward. Maurice declined, thinking it unfair to pit his newfound youth against an old, old man.

Jim Little looked as fit as a fiddle at the last meeting. Have you seen Joe Bamberger, Elmer Whitty, Jim Murphy or Ed Nolan? Neither have we. They must have formed an old man's club. How about getting away from the easy chair and slippers, boys, and come up to the next meeting? Ye old scribe, after going this far in the column, just remembered that this Monday is the meeting known as "merchandise night," so come up and take home the bacon.

Bro. Frank Walsh, the club chairman, invites all of you poker players up to the rooms tonight to start these games going again. Did you know that Fr. Justin, who is now stationed at St. Cyril's Church, is the son of Speed O'Connell, one of our old-time members?

DE SOTO IS HOST TO DEGREE CLASS TONITE

2-4 Fri. . . . . Clark and Belmont

This evening De Soto's officers, assisted by District Deputy Henry L. Phoenix, will initiate some thirty odd candidates in the first and second degrees of the Order.

Our council has long been recognized for the splendid manner in which it conducts its degrees, and this evening's program will be no exception. The officers have spent a great deal of time in preparing for this exemplification which indicates that the ceremony should leave an indelible imprint on the minds of the candidates that will not soon be forgotten.

De Soto's Male Chorus will add to the splendor of the occasion by singing the accompaniments. This combination of a crack degree team and the Male Chorus is worthy of a representative gathering and every member should make an effort to attend. G. K. Gene Scanlan announces that the business meeting will start promptly at 8:15, followed by the degrees at 9 p. m. The evening's schedule should not extend beyond 11 o'clock. You are requested to have your candidates present at 7:30 p. m.

MAYSLAKE RETREAT

Last Friday evening, Oct. 17, a group of 29 De Sotoans registered at Mayslake Retreat House at Hinsdale, Ill., for their annual retreat. This group was augmented by the arrival of five additional members on Saturday afternoon.

Father Leonard conducted the retreat and gave a series of very educating lectures which enlightened the retreatants on many phases of their religion. The retreat was climaxed by a round table discussion on Sunday evening, at which time Bro. Joe Merki announced that De Soto's class will visit Mayslake next year on Oct. 16. By that time Chairman Joe hopes to have interested a greater number of members in the lay retreat movement.

Thirteen of the thirty-four members in attendance were members of the Baldric and Sword Club, which speaks well for that organization. Those who attended were Bros. Joe Merki, Julius Altenhofen, Dick Bell, John Blume, Frank J., John and Vince Braband, Dr. John Brahm, John Brost, Gus Brieske, Joe Cella, Ed Connell, Sr., Dr. Owen Dullaghan, Bill Dillenberg, Frank Herrbach, George Junius, Joe Kalvelage, Frank Kennedy, Jim Kennedy, Ray Kessler, Eugene McGarry, Norm Mertes, Tom Mulcahy, Marty Mullins, Dr. Normoyle, Henry Nierman, Sr., James Peterson, Sylvester Popke, Ches Resch, John Snick, Henry Stricker, Joe Saccone, Emil Voss and Bob Wallner.

DE SOTO ITEMS

It is with a deep feeling of sorrow that we announce the death of Mrs. Margaret Lorman, mother of Bros. Walter and Edward Lorman, who passed to her heavenly reward on Thursday, Oct. 16. Funeral was held on Monday morning from Bro. Al Birren's mortuary to St. Alphonsus Church and thence to St. Joseph's Cemetery. May her soul rest in peace.

THE OFFICERS of the Baldric and Sword Club of De Soto wish to announce that a card party will be given for the benefit of De Soto Council's Xmas Cheer Fund on Saturday evening, Nov. 15, at the home of Bro. Ed P. Connell, 4015 N. Monitor Ave. Tickets are selling for the nominal price of 35 cents. A most cordial welcome is extended to all members of De Soto and their friends.

WE ARE very sorry to hear of the illness of Bro. Dr. John Brahm's infant son Billie, who has been confined to St. Joseph's Hospital in a serious condition for the past several weeks. A prayer for this little fellow's recovery will certainly be appreciated.

G. K. GENE SCANLAN announces the appointment of Bro. Dr. Harry R. Casolari as chairman of the Sick Committee. Bro. Casolari states that he would appreciate being notified immediately of the illness of any of the brothers. He may be reached at 3900 Sheridan Rd., Wel. 2443, or 949 Belden Ave., Lin. 6638.

Just received word that Bro. Frank Frieden's son has been taken ill with pneumonia. Latest reports indicate that he is coming along nicely. Let's say a prayer for his speedy recovery.

IT CERTAINLY looks as though Bro. John Connolly is tending strictly to his business of selling fire extinguishers these days and is not raising firemen. His wife Helen recently presented him with his third daughter.

FOLLOWING on the heels of the report that many of De Soto's members in the service are at home on an extended furlough comes the announcement that Bro. Joe Merki's son Al and Bros. John Scanlon and James Toohey have been inducted into the army. This gives you brothers some more men to write to, but while we're allowing them to reach their destination let's exercise the old wing on a letter to Bro. Bernard P. Wilhelm, Battery K, 93rd C. A. (AA), Camp Davis, North Carolina. Bro. Wilhelm is the son of our past treasurer, John Wilhelm.

We understand that Bro. Rauen and several other De Sotoans are home on furloughs. It would be a treat to see these brothers at the meeting this evening sporting those natty army uniforms. How about it, fellows?

Bros. George Schuler and Lou Lechler are enjoying the company of their soldier sons during these two weeks while they listen to the many stories about life in the army.

Mrs. Eleanor Dahm, daughter of Bro. Judge Eugene McGarry, recently gave birth to a bouncing baby boy. This addition to the McGarry family made the Judge a proud grandpop for the ninth time.

The retreatants were happy to have as a member of their class Bro. James Peterson, fiance of Patricia Flannery, daughter of our beloved brother and late G. K., the late John S. Flannery.

BRO. GUS BRIESKE evidently got his dates mixed last Friday and thought he was attending a meeting of the Third Order of St. Francis at Mayslake rather than the retreat. He appeared at the Retreat House with beard and all.

Although Bro. Wm. N. Caspers is now residing in Reseda, Calif., where "the sun shines all the time," as he puts it, he hasn't forgotten De Soto. Received a card from him stating that he is really becoming a son of the Golden West and enjoying it. He does, however, admit they have rain in California. The Chamber of Commerce wouldn't like to hear you say that, Bill. He sends his regards to De Soto and states that he enjoys reading the Columbian every week. He'd like to hear from his old friends in De Soto. Address 7131 Baird Ave., Reseda, Calif.

Blue Island Members Leave for Retreat at Mayslake This Evening

1-3 Tues. . . . . Gregory & New St.

Brother Lowell Frasor the Retreat Chairman for Blue Island Council has reported that some fifteen or twenty members of the Council will make the Retreat at Mayslake. The Brothers are leaving tonight and will return Monday morning in time for work. There are some of our members leaving Saturday and if you wish to join these you may do so by calling Brother Frasor as soon as you read this. Or if you drive a car drive out yourself. It is located at Hinsdale, Illinois. After viewing the pictures and listening to Father Leonard at our last meeting it is easy to see why there is an increase in the interest of the Retreat this year.

COUNCIL ITEMS

To Brother James Roach and Mrs. Roach we say good luck and best wishes. Brother James and the new bride took their vows last Saturday at the Ascension Church in Harvey.

We are very sorry to report the death of the father of Bro. John Pajak and the sister of Bro. Lawrence Lusson. To the bereaved families we offer our sincere sympathy and condolences. May their souls rest in peace.

THE FALL DANCE held at the hall last Saturday was a social success and the Committee wishes to thank those who helped in any way to make it the fun it was. . . . The work of putting on an affair like a dance or party is quite a job and when the Committee receives such wonderful help they are the first to really appreciate it.

THE PRESENCE of Bro. James Coffey in our council chamber last Tuesday was indeed a welcome sight. Bro. Coffey is a member of Uncle Sam's Military Police and was home on a few days furlough. Oh, yes, Bro. John Grandchamp received his discharge last week and is now a member of the boys at home. Bro. Grandchamp was the guest of honor at a party last Saturday given at the home of his mother. . . . Have you made an additional effort this week to get that new member lined up for the next class to be held soon in the South Division No. 4? Bro. Charles Hawker and Mrs. Hawker attended the convention of the Train Dispatchers' Association of America at the Stevens Hotel, last week. . . . Bro. Charles was a delegate to the convention. . . . Tell them about your "hook," Charles!

While we are on the subject of bowling (or were we) the league is rolling along in championship style and the maple is getting a terrific beating and so are some of the teams in the league. . . . First place Marks with 9 won and 6 lost average 600. Need I go any further? Okay I will then, Landgraf, Einhorn, Gerdes all tied for second place and Hallinan, Martin, Haas and Hickey tied for third. . . . According to my score sheet Hickey is at the bottom of the list. . . . The Marks took two from Martin last week with Chovanec rolling 542 for the winners and Paetsch getting a 513 for the losers. . . . Marks had a 992 game in the set. . . . Hickey took two from the Landgraf team with Vincenti hitting the maple for 500 for the winners and Thatcher picking a 532 series for himself. . . . Haas was the victor in their match with the Hallinan team and Zamaituk, Waszak and Marshalek were all hot with 510, 527 and 570 respectively. Not bad going fellas.

The Gerdes Builders took two games from the Einhorn Beers with Rigoni of the builders getting 520 for the evening. The individual honors so far this year go to: Ind. Leader: Joe Gabay with 173. High Ind. Game: Zamaituk with 227. . . . Hight Team Series, Landgraf with 2786. . . . High Team Game: Marks 992. . . . High Ind. Series, Zamaituk 590. . . . And Hickey hasn't signed Stanley yet.

Ouilmette Rehearsals Reveal Fast Progress of Talented Minstrels

2-4 Mon. . . . . 1215 Wilmette Ave.

The Minstrel Troupe rehearsals are a sight to behold. The progress they are making is astonishing in view of the short period of time in which they have been rehearsing. From the short previews which we have attended, it appears that this event might be the most successful of the year.

P. G. K. A. Ludovici and G. K. George E. White report that advance ticket sales indicate a full house. Since the executives of the bowling league and the captains cannot possibly contact all the members with respect to placing ads in the program, they are taking this alternative of extending an invitation to all members wishing to place ads to call either P. G. K. A. Ludovici at Wil. 2245 or G. K. G. E. White at Wil. 113. There is still some very desirable space available at $5 for a quarter page, $8 for a half page and $15 for an entire page.

In our last column we failed to inform you of the beautiful watch presented to P. G. K. A. Ludovici at the last regular meeting. Brother Ray Gleason made the presentation on behalf of the council. You may rest assured Bro. Ludovici, that the gift was but a small token of the appreciation which the council feels is due you for your excellent work on behalf of the council and the fine spirit with which you join in every undertaking.

BOWLING

Here's where the bowlers get a little attention. We trust you will not feel, however, that this is even remotely connected with the fact that your scribe's team is presently tied for the pole position. For the first time this year, Alten's Mortuary picked up all three games. It was yours truly's night to stay home. The way they stand:

	W.	L.		W.	L.
Wilmette Bat.	13	8	Larry's Haber.	11	10
Braun Bros.	13	8	Wilmette Thea.	10	11
Alten's Mort.	13	8	Wilmette Ice.	9	12
Meier's Tav.	12	9	Mac's DeLuxe	9	12
River Inn.	11	10	Bungalow Tav.	9	12

High, total pins, Wilmette Ice, 16,758; team high, three games, Larry's Haberdashery, 3,153; individual high, three games, M. Kneip, 631; individual high game, Ed Bleser, 245.

Bro. Matt Thalman will no doubt be interested in this news as we have been informed by P. G. K. Peter Thalman that Bro. Matt is receiving his Columbian regularly down in the West Indies. How about writing a short note to the council, Bro. Matt? We are sure the members would be more than interested to hear from you.

It's surprising how many things a girl can learn at a boarding-school that will never be of any use to her.

LADIES NIGHT

"Ladies Night" was a grand success and we are only sorry that we did not have everyone there. Each lady in attendance was given a corsage of the latest fall flowers, which met with hearty approval. Prizes were given out to each table of cards, refreshments were served and the younger folks enjoyed themselves dancing to a very fine orchestra. Everyone, both young and old, had a most enjoyable evening.

We were saddened to learn of the death of Mrs. Ann Mildenberg, wife of Bro. Al. Mildenberg, who was buried from St. Veronica's Church, and also the death of Mrs. Drury, the wife of Bro. Tom Drury. The officers and members of Fr. O'Connor Council extend their deepest sympathies to these two brothers and their families.

On the sick list we have several well known brothers, who would like very much to be cheered up by your visits. They are Bros. Jim Mangan, John Anderson and Chief Touhey.

Well, at last the ball has started rolling, and your membership chairman, "Tex" Williams, is feeling much better these days. Two members are already in, applications for two more are now in the hands of our Grand Knight and several more are expected by November 6. Did you get your member yet? If not, take a little time off and give him a sales talk. You can be proud to bring him into such an active and lively Council as Fr. O'Connor.

BOWLING NEWS

Alliance Life Insurance team took two games from the league leading Shamrocks. For the Insurance team, Bechtold had 562; for the Shamrocks, M. O'Brien had 499, the anchor man 517, and Dick Navin was still shooting pheasants.

Navin's Inn took two games from the Furman Funerals. Tom Gaughan continued his fine shooting with 622 and now leads the league with a 193 average. Cunningham and Cummings helped with 525 and 516. Reinke led the losers with 483.

Cristo Printers took two from the Nolan's Insurance. Fleischhauer led the printers with 518. Doody shot a nice 560 for the losers and Boyle is coming fast, he always was a stretch runner.

The King Coals took two from the Widtmanns. For the losers, the two quietest boys on the alleys, O'Shea and Keehan, shot 524 and 501. For the Coals Kotnaur shot 505.

SCRIBE SCRIBBLINGS—At the Ladies Night dance, Jerry O'Brien was doing the jitterbug until the attendant put a lot of wax on the floor, then he refused to even walk across the floor during intermission. Two of our new members, Bros. Tony Karas and Russell Reinke made themselves right at home on the dance floor. If they could talk as good as they could dance, they would be the two best speakers in the Council.

De La Salle Mourns Passing of the Veteran Knight, Jas. G. Condon

1-3 Tues. . . . . 1105 E. 47th St.

Bro. James G. Condon, a member of De La Salle Council for many years, was called to his eternal reward on Wednesday, Oct. 15. Funeral services were held at Holy Name Cathedral on Friday.

Many judges and members of the legal profession as well as a large number of his friends and members of Da La Salle were present to pay their last respects. In earlier years Bro. Condon took an active part in conferring the degrees of the Order. Bro. Condon was a member of the law firm of Ryan, Condon and Livingston. The members of the council extend their sympathy to the bereaved family and relatives. May his soul rest in peace.

LET'S BEAT NEW YORK

Supreme Director Michael J. Howlett has sounded the battle cry "Let's Beat New York." As you may know, New York leads in membership. In the last seven years we have reduced their lead from 10,000 to 8,000.

With 40,000 knights in Illinois it does not seem to be a tremendous task to overcome this lead. Many hands make the burden light. Illinois leads in insurance, so let us make it a double by working daily. The State Membership Committee is working diligently to inspire each and every council to reach the "Quota Made Class." How long since you asked your son, your brother or other male relatives or seome of your closest friends this question: Are you a K. of C.? If not, why not? We have the goods, you sell 'em.

SOLDIERS AND SAILORS

If you have not as yet visited the Soldiers' and Sailors' Recreation Center at 1122 S. Wabash Ave. do so and you will feel elated to think that your attendance at the Chapter Charity Ball helped to provide these quarters for the boys in the service. Bro. Jim Carney of the Chapter is in charge. Genial Jim will show you around.

Feehan Will Honor D. D. Harold Crotty Next Tuesday Night

2-4 Tues. . . . . Hamlin & Madison.

Next Tuesday, Oct. 28, has been designated Harold Crotty Night. On this occasion we will celebrate, with Harold, his appointment as a District Deputy of the Order. Bro. Crotty, because of his everlasting devotion to the Knights of Columbus, is highly deserving of his honor, and all of Feehan Council will be anxious to be on hand to congratulate her most worthy son.

Bro. Crotty's record reads like a history of Feehan. For many years he has been its guiding star; the touch of his hand being felt in every worthwhile activity the council has ever sponsored. He has served as Lecturer, and on two different occasions, comprising three terms, as Grand Knight, having been drafted for the job the last time.

The many hours of his always valuable time that have been devoted to the welfare of our council must aggregate a staggering total. His was the inspiration of the Ice Carnival promotions of pleasant memory, and to him must go the greater credit for their success. Modest, and unassuming, he has a faculty for reflecting to associates the glory that is rightly his.

His new job will give him the opportunity to preach the principles of Knighthood, he has so long ardently practiced. His kindess is so deep that it even grieves him to reach for the pot when he holds the winning hand—and children—that's charity. More than any other member he epitomizes the spirit that is Feehan Council, so that in honoring him, we honor ourselves.

On this illustrious occasion (as the July 4 orators put it), we are to be honored by several of the State Officers, including State Deputy Leo Flynn, and State Secy. Ray Gleason, along with other celebrities. All in all, it shapes up as the biggest night in recent council history. YOUR presence is all that is required to make it so.

PARTY

The lid is off—Feehan's Big Party is set for Nov. 26, the Wednesday following Thanksgiving. Admission will be $1.00 per copy and the party will be conducted along the same lines as last year's affair. The place will be the Madison A. C., at Madison and Cicero Ave., formerly the K. of C. Clubhouse. The action will take place in the Ballroom on the main floor.

Since the party is supposed to provide revenue for council activities during the ensuing year, it is encumbent upon each and every member to do his part to insure its success. Your part consists of (a)—attending in person, with your entire family (children under six years of age excepted), and (b)—promoting this clambake among your friends and lining them up for Nov. 26, the Wednesday after Thankgiving, remember?

MEMBERSHIP

It pleases us no end and we're sure it will delight you too, to be able to report very excellent progress in the membership drive. Our first quarter quota has already been achieved, but we're just getting started. Any member who has failed to become imbued with enthusiasm for this project, has only to lend an ear to the stirring exhortations of membership chairman, Bob Wingfield, whence he will immediately hie himself out, missionary bent, to make new converts to the Order. There have been membership drives before, but this trip with Bro. Wingfield at the oven, we're really cooking with gas. Verily, brothers, the time has come to get hot and turn on the steam.

Illinois Hears Many Pointed Remarks in Fr. Gehrig's Address

1-3 Mon. . . . . 64 E. Lake St.

One more very satisfactory meeting has gone into history. As advertised, Father Gehrig of Lombard, Illinois, addressed the meeting and to say that it was well received is putting it mildly. It was a splendid fire-side chat pointing out to a group of Knights the necessity for defending the faith unhesitatingly at all times.

First, Father said it is necessary that we live according to Catholic ideals and teachings. Then we should be prepared to defend the faith and explain to others the fundamentals thereof.

Certainly all of this will be readily admitted. We know that if Catholics fulfilled their duties as eagerly and with as much zeal as communists and fascists, the drift towards the church in the course of one year would be well-nigh studendous.

The greatest missionary, we believe is the Catholic layman who is reasonably well informed as to his religion and who has the courage to take issue with those who will attempt to confuse the minds of the unwary or poison the minds of those not instructed along Christian education.

The following Past Grand Knights were present: John T. Lillis and Daniel F. Murphy. Edmund M. Butler was unavoidably absent due to the death of his brother-in-law, Thomas J. Gaynor, to whose widow, Nina Clark Gaynor, and to Mrs. Edmund M. Butler, the council extends its sympathy.

NEW MEMBERS

Elmer D. Martin, Jr., is a candidate for admission to Illinois Council, and he, with other candidates to the council, will participate in the first and second degrees of the Order, Friday evening, at Belmont hall.

It is very nice to see the young sons come in prepared to take their fathers' places. Young Martin is awaiting a call to join up with Uncle Sam's forces as a flying cadet. He has studied a year at DeKalb Teachers College, a year at Columbia College, Dubuque, and has taken some studies at the University of Wisconsin. His educational processes seem to be much along the line of his dad, who also graced many colleges from which he got several degrees.

COUNCIL ITEMS

WE REGRET to report the illness of Brother John F. Gegan who has, we have just learned, been in St. Anthony's Hospital and who is now at his home. 5 North Leamington Avenue. He is n receiving visitors for the present. W wish him a speedy recovery, so that h may take his place once again as hea of the great fire alarm system of th city of Chicago.

Ravensw'd Members Show New Interest in Council Program

1-3 Wed. . . . . 1521 Wilson Ave.

Without fear of contradiction we give you this little observation: Ravenswood's October 15th business meeting exceeded any meeting of the last two or three years in the matter of interest displayed by the assembled brothers, in that their interest was provoked solely by a spirit of friendship and an intense interest in what the other fellow had to say. May we have many more like it!

Our new District Deputy, John Hopkins, Past Grand Knight of Lafayette Council, honored us with a visit and obliged with an exceedingly interesting talk. He expressed a willingness to give us all possible aid in any problems that may arise in our drive to increase the membership and prestige of the council. No doubt but that we will call upon him many times for suggestions from his vast store of experience in K. of C. work. Thank, you, Deputy Honkins.

In the absence of Chairman Dick Kenney, D.G.K. William Barr gave us a report on our part in the Charity Ball. Ravenswood accounted for twenty patrons and over seventy tickets. P.G.K. Charles Morgan thanked the council for thei rsplendid support of the affair. He was doubly grateful to us for our part in helping to make the Columbus Day Charity Ball such a huge success. For he was one of the district chairman in charge of the city-wide drive.

HEAR-HEAR

The date has been set! Sunday, December 21st is the day. The day of the big afternoon Christmas Party for all the kiddies, both young and old, male or female.

Welcome to Ravenswood Council, Howard Groth. Bro. Groth, candidate of P.G.K. Beaton, received the first and second degree last week. Congratulations Howard, we know you will enjoy your association with the members of our order.

At our last meeting the members voted in favor of waiving the yearly dues of all members in the military services of our country. You can bet this will be good news to the boys. Bro. Bill Collins, Pvt. 1st Class, is in town on a furlough until the 29th of this month and happily enough the little vacation was in time for him to be at the meeting. Bro. Bill should be given much praise for the progress he has made since going into the service. His brother Art avers that Bill's progress in the art of cooking is much greater than his rank! Hooray for the Collins family!

Our old friend and good brother, Faher Pat Malloy, pastor of Annunciation Parish has announced his annual fall party. It will be held Friday evening, Nov. 7th at the Drake. It would be a fine gesture if a number of our members and their wives or sweethearts would attend this party. It is a worthy charity and Father Pat would not only appreciate your attending, but would spare no effort to see that you were entertained to the limit of the facilities.

Ye Scribe has been threatening for some time to wish "Happy Birthdays" via this column and now he has finally made up his mind to go ahead with the idea since he has become convinced that there will be no additional volunteering of birth dates. Sad enough to say, but those who are left out are left out because of their failure to give the date of their birth to any of the officers in charge of records. Let's hope the publicity given to the birthdays, not the year of birth, will have a tendency to bring a few more into the fold. Happy Birthday to Advocate Earl Stewart, Oct. 26th; Rev. G. M. Cloos of Joliet, Oct. 28th, and Bros. L. G. Heath and Clem Mawicke, Oct. 30th.

NOVEMBER THE 5TH

November the 5th will be Charlie Morgan night at Ravenswood. We will be assisted in honoring our worthy P.G.K. by the presence of our worthy state deputy, Leo Flynn, and our worthy state secretary, Ray Gleason. These two dignitaries are not the only ones who will be on hand to boost Morgan night. Numerous other men high in the ranks of the Knights of Columbus about our town will be with us that night.

We are making an especial effort to contact all those in the council who have known Bro. Morgan for many years. We are also issuing a call for all our P.G.K.s to make attendance at the Nov. 5th meeting a "must." Please do your best to be on hand. This will be no ordinary meeting. It will be a record breaker.

San Salvador to Hold 'Italian Nite' with Guy Macina, Honor Guest

2-4 Mon. . . . . 24 E. 114th Place

On next Monday evening, Oct. 27, our Italian members will turn out en masse to put on the entertainment for the membership of the council. From reports coming to your scribe, a large delegation of the Italian brothers from the west and north sides will be in attendance to pay tribute to Guy Macina and also assist in the celebration of our Italian brethren. As you know from previous issues, P. G. K. Macina has been made a district deputy. We wish to offer our congratulations to Guy in his new job and wish him all the success in the world.

GET ACQUAINTED? Our semi-annual Comfunion will be next on the program of Catholic Action. The council will turn out in a body at Holy Rosary Irish Church at the eight o'clock mass and all are asked to meet in the church basement at seven-thirty to march in a body. As announced previously, this being All Souls Day, the occasion will be more than ordinary as the mass will also be offered up in honor of the deceased members of the council. It is only fitting and proper that we show our appreciation by turning out in full force.

Last Thursday evening saw some of the boys really begin to topple the maples at the new "Rose Bowl." The crowds who follow their various parish bowlers were out in full swing. Your scribe has not received the team standings to date, but will have them next week. St. Willibrord's No. 1 team took the last year's champs, the "flying Frenchmen" into camp for two games.

P. G. K. Bill Kleuskins aided and abetted by the rest of the "Holland Wrecking Crew," got himself a 643 total with a 233 game sandwiched in the middle. Let us see you out there every Thursday evening at nine o'clock to root for your favorites. From the interest shown this season, our Parish League should be swelled to 28 teams next year due to the untiring efforts of Bros. "Buff" Marcolini and Tim Griffin.

GET ACQUAINTED?

The card room and the canteen are now in the process of rejuvenation. The decorators are on the job and will soon be finished. The stoker should be in operation within a week or ten days. Other improvements will be made in the program outlined by the president, Elmer Hines and the treasurer, Chas. L. DuBois, with the approval of the Board of Directors. You won't know the clubhouse. Step in and see for yourself.

NEWS FLASHES: You have heard President Roosevelt in his fireside chats, but you haven't heard anything 'till you hear the oratory of Bro. Wm. F. Schuller. Bro. "Red" Halpin and the retired mailman, Tom Crilly, will attest that fact.

Seen in town this week on furlough was Bro. Jack Smith from Fort Bragg, S. Car. Let us hear from you, Jack, from time to time. From all reports at hand our chaplain, Father Exler, had a very successful card party and dance at the Hotel La Salle last Friday evening. On next Saturday, a group of the brothers will hie themselves toward South Bend, Ind., to witness the game between Notre Dame and Illinois. Some of the brothers were also seen at the Fenger-Hirsch game last Saturday.

"Foggy" Mason says his bowling is improving so Tim Griffin and Jack Clifford had better watch their step as "Monk" Bernier and himself will be issueing a challenge. Bro. John Feeney is now at home after a short sojourn in the hospital where he underwent a checkup. Don't forget Italian Night next meeting, our semi-annual Communion on Nov. 2, and bowling on Thursday at the new "Rose Bowl" alleys. GET ACQUAINTED?

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

Hen.-Shields Has Ladies' Program On Schedule Next

Nov. 12-Dec. 10 . . . 446 N. Parkside Ave.

If you will refer to the months of November and December on your handy calendar, you will find that our regular second meeting of these months falls on the eve of a holiday, so that more than likely the council will hold only one meeting each during the months of November and December, which we know will be a great disappointment to our genial and chubby Financial Secretary, Joe Hannon. Few meetings and the collections drop, and that makes it very, very painful to our good pal, Joey. Remember Pal Joey in your budget.

Keep the evening of November 12 open for on that evening, the council is sponsoring another Ladies' Night and as soon as we can probe into that brilliant brain of Lecturer Phalen and develop further facts on this particular activity we will let you know more about it.

BOWLING

The Frank M. Hayes Barbeques and the Ray Foley Grills tangled skillets last Tuesday and with the help of a generous handicap the Barbeques blasted the Grills for three games. The John J. Hayes Hatters managed to finagle M. C. Fogarty's Men's Wear for two games. Costello & Son Boosters found the Midland Pipe & Supply a lead pipe cinch for the last two games and the Harwood Florals won two games from the Ed. J. Riley Insurance Writers and as far as can be determined from the score sheets, apparently tied in the third and last.

Pete Murphy had a big night for himself with 646 and set up the beer. Others with respectable scores were Gibbons 201, Bill Annas 206 and Ron McGillivray, the boulevard kid, with 219.

THE SOUNDING BOARD

This is an early reminder to our past grand knights that we will expect to see them at our P. G. K.'s party on December 12. We have a fairly long list of active P. G. Ks. and we hope they can all show up. If he can possibly make the long trip from the south side, we hope to see P. G. K. Judge Patrick B. Flanagan, also Anthony Czarnecki, Jerry Donovan, Frank J. Quinn, Clarence McDonald, Frank M. Hayes, Joseph Murphy, Jim Oakey, Pete Murphy, Frank Daley, Tom Butler, William Welsh, William Orth, Jack Shealy, and Charles Costello, Jr.

G. K. Roy Cummins appointed a membership committee consisting of several P. G. Ks., with the privilege of appointing their own chairman. Maybe we can catch up with them some dark night and find out who is chairman.

At the last meeting, a very small section of the 1908 class of St. Charles School (Roosevelt and Cypress, if you must be fussy) held a re-union. Hanrahan, Coan, Quill and Quinn were exhibits "A" in middle aged falling of the chest. Henry Bruen refused to be included in claiming he didn't get out until about ten years later.

The names of Jim Okey and Joe Hannon should also have been named as assisting in the funeral services of the late Thomas B. Finn. Sorry, but we only know what we hear and can dig up.

The Stewart Club under the direction of such able men as Henry Bruen and Kyran Phelan, have sold all reservations on the Stewart Special to South Bend on Nov. 22. No ticket, no ride.

Con Ryan is moving to St. Louis, Mo., for the duration. If you want to drop him a line his address is care Northwestern Hotel, 4919 Natural Bridge Boulevard, St. Louis. Hope our divulging your address doesn't bring on any bad results.

We were mighty glad to see Johnny Furlong at the last meeting and hope to see him oftener in the future. Other visitors whom we would like to see oftener were Tom Coan, Henry Bruen, Tom Gibbons, John Daley, Al Lifka, Frank Gould, Bill Ryan, Steve Velba, Bill (Bunge Bros. Coal) Gibbons, Phil McNamara, Stanley Makuh, Ray Kelly, and John O'Brien. Father Doherty, our chaplain, got there in time to hear some of the stories told by our entertainer of the evening, Geoffrey Whalen.

Well, well, so now there is a tax on telephone calls. It might be bearable if it would tend to curb some of those long-winded magpies that seem to be on the line just when you want to make an important call. G'BYE.

McHale Finds News Can Be Classed as 'Priority' This Week

1-3 Tues. . . . . 150 W. 69th St.

Due to the fact that nothing of interest to our members as far as Council news is concerned has happened during the past week, our news will be very meager at this time.

Even though nothing has happened, a few of your Council officers have been very busy preparing for the meeting of Oct. 21, which will be thoroughly reported in next week's issue.

BOWLING: Even news of bowling is lacking because several of the scorebooks were misplaced before the scores could be given to Bro. Jimmy O'Connor who takes care of the bowling news for your scribe.

From some of the scores that were not lost I noticed that many of the bowlers are beginning to get into form: Tom Hackett had a 204 game, Dalas Massey a 189 and no doubt there were some other good games too. It was reported that P.G.K. Leon Kelly was out with the boys for the first time this season.

HERE AND THERE: We were sorry to learn of the death of the father of Bro. Joe Koch . . . St. James Council invites our members to its Harvest and Hallowe'en Party at the Hayes Hotel, 64th St. and Woodlawn Ave., Saturday, Oct. 25. Admission is 55 cents

Washington Takes Part in Impressive Degree Class of West Div. 3

1-3 Tues. . . . . 5th Ave. & Wash. Blvd.

In the absence of G.K. Ryan who was sponsoring several candidaes at the First and Second Degree held at St. Paul of the Cross Council last Tuesday night, D.G.K. Dominick Sanservino presided at our regular business meeting. Dominick discharged his duties in his usual capable manner. At the degree ceremony just mentioned, we welcomed to our midst Father John J. Dillon of St. Eulalia Church and Bro. Robert J. Cizek and we hope to see them regularly at our meetings. To Father Dillon we wish all the luck in the world—except for one thing; we don't want some council to come along and pick him off as the chaplain—at least not for a while.

As usual Washington Council was well represented at this degree for we noticed among those present in addition to our G.K., our chaplain, Father Muzik, P.G.K. Henry Ruge, D.G.K. Sanservino, Fin. Secy. Bob Lovejoy, Bros. Frank Ulrich, Harry Littlefield, Geo. Baynes, and Bro. Dick Kernan of North Philadelphia Council whom we understand is transferring to Washington Council. The degree team for this class of candidates performed with eclat, thus making this beautiful ritual even more impressive.

Contgratulations and best wishes of the council are extended to our Inside Guard, Bro. Joe Zanoni and his charming bride, whose wedding took place just recently in Pennsylvania. Joe is one of those choosey fellows, having travelled all the way to the Keystone State for his bride. Wonder if the local talent failed to come up to Joe's specifications? As the happy couple embark on the sea of matriomy we bid them a long and happy journey.

It's a real pleasure to report the recovery of Bro. Paul Dolan who has recovered from his recent severe illness. When his strength is fully returned we look forward to seeing him in attendance at council meetings.

D.G.K. Sanservino reported a very pleasant visit by the Oak Park Fours and wives to Holy Hill in Melrose Park last Wednesday. They were entertained by Father Perrini who made every minute of the trip an enjoyable one.

P.G.K. Cogley expressed the hope at our Oct. 7th meeting that more of our brothers would come forward as blood donors. This fine movement deserves our support.

Somewhere betwixt here and there our supply of dishware has become sadly depleted; in fact, according to D.G.K. Sanservino's latest inventory there were only eleven cups on hand. In spite of this shortage everyone seemed to have coffee in a cup (tin or otherwise) at the Oct. 7th meeting and that was a feat considering the large crowd present.

MEMORIAL SERVICES

Out of respect to our departed Brothers please make a special effort to attend our Nov. 4th meeting, which will be a Memorial Service for our deceased members. It is the earnest wish of your officers that we have an unusually good attendance to participate in this sacred and solemn rite.

Monday, Nov. 10, is the date of the annual Armistice Day Dinner Dance given by Maywood Post No. 133, American Legion, Bro. John J. McAuliffe, Commander. This year's party will be held at the Casa-Nova Resturant, 7234 West North Ave. and a cordial invitation is extended to all the brothers and their "wimmin folk."

Last Thursday evening the writer and his little woman enjoyed the hospitality of St. Anthony Council's ladies night. Bro. Alex Kryger with whom we took our degrees had invited us, and as your Scribe was curious to see just what technique other councils used on such occasions we took a ride over to Franklin Park. This St. Anthony's crowd are a live wire bunch full of energy and a desire to do things in a big way. Although not a large council St. Anthony's is beginning to establish the kind of records which the older councils take in stride.

Chicago Postpones Testimonial Dinner for Softball Team

2-4 Tues. . . . . 64 E. Lake St.

Chicago Council's testimonial dinner for the softball team has been postponed until Tuesday, November 11. Manager Paul Rito explained that many of the players are mail-carriers and on next Tuesday evening (the original date) they would all be out on the southside attending a benefit affair being arranged by the carriers at the Englewood Postoffice to relieve the financial worries of one of their number, a former member of Chicago Council and our ballteam, Joe Crain, who was confined to the Englewood Hospital with a severe leg fracture. The accident is quite recent. We saw Joe turn in a good score at our recent golf tournament. We hope the party achieves its goal.

Further details on the softball dinner will be announced next week in these columns.

MEETING: Chicago Council No. 182 will hold a regular meeting next Tuesday (October 28) in the DePaul University Building, 64 East Lake St. The Scribe reveals no secrets concerning the plans of Lecturer Charley Schroeder. Come down and see for yourself and perhaps be surprised.

CHARLES KAKSTA DIES

An illness which extended over a period of five long years came to an end in the death last Saturday evening of our Brother Charles Kaksta.

Born on Christmas Day, 1887, Brother Charles Kaksta became a member of Chicago Council in March of 1917. A resident in the far southwest corner of our city (5325 South McVicker Ave.) the long, tedious trip homeward after meetings discouraged frequent attendance. Shortly after his one son was born, Mrs. Kaksta passed away and her sister, Beda Anderson, took the responsibility of bringing up the boy. Brother Kaksta was a carpenter and, at the time he was taken ill, was a carrepairman for one of the railroad beltlines. His son now performs similar service.

Until Tuesday morning Brother Kaksta's remains reposed in a chapel at 5218 South Kedzie Ave. where many of Chicago Council's members came to offer their prayers for the repose of his soul. The funeral was on Tuesday morning with Requiem High Mass at St. Symphorosa Church, 6149 South Mason Ave., and interment in La Grange cemetery.

Chicago Council extends to Charles Kaksta, Jr., and his aunt this message of sincere sympathy in their bereavement.

CONDOLENCE — Chicago Council extends to Brother Edward T. Lynch his sister Katherine a message of cere sympathy on the death of t sister, Mary E. Lynch.

Miss Lynch, until her retirement t years ago, had been a probation cer at the Juvenile Court for th years. She died October 13th at Joseph's Hospital. It was her brot appeal for blood donors that was sponded to by our Brother John H

BOWLING

President Leo Franz of the K. Bowling League, reporting as a ticipating player on Chicago Cou team last week, told of losing tw the three sessions to the very Brownson aggregation. SICK: We learn from Brother L rence Ryan that Brother Joe Klin doing fine after his recent opera for cataracts, has had to return to hospital for what is believed to stomach ulcers. Because the Hines H pital was already filled up, Bro Klinger has been sent to the Veter Hospital at Milwaukee. We coul least send him a card or letter drop in on him when you visit Cream City.

TO INSURANCE MEMBERS: Is y beneficiary living? This blunt ques is prompted by the fact that mem do forget to bring in their certific for "Change of Beneficiary" when persons named as such have pa away. Sometimes complications a requiring court action, simply bec the Knights of Columbus are exc ingly strict about the payment of t death benefits.

If your certificate needs to be chan your Financial Secretary, Nichola Reuland, says to bring it in now.

Oak Park Ladies Will Be Honored Guests of Council Next Monday

2-4 Mon. . . . . 641 S. Scoville

The next meeting of the council will be held on Monday, Oct. 27. This will be the long awaited "Ladies' Night." The Lecturer has a fine program planned for this night and all who attend will be well satisfied. There is no charge of any kind to the "Ladies' Night" affairs, but there generally is an implied obligation to have a good sized audience, for there is nothing so discouraging to a performer as to have a small, indifferent audience.

When good crowds are present at all of the affairs, the job of lecturer is made much easier because the opportunity of appearing before such audiences appeals and the entertainers seek out the chance. Do set this night aside for your attendance at the "Ladies' Night." There will be refreshments, cards, and surprises.

The following meeting of Nov. 10 will be an "Open Night." Through the courtesy of the Navy Department, pictures of the Navy will be shown. An officer will be along to give a short talk and tell some of the interesting things about the life. This will be a picture well worth seeing.

Saturday evening, Nov. 15, at the clubhouse, will be the gala Harvest Party. This will be the first of the big evening entertainments of the current season. There will be dancing, cards and refreshments. At the price that this entertainment is offered, 45 cents plus tax, you certainly can't go wrong.

Your scribe joins with the committee in asking that you fill the hall to the doors on this night. Show Joe Cagney that you are back of him and the other officers in their attempt to put Oak Park Council up where it belongs—at the head of the list.

Past Grand Knight John F. Gearin, Jr., is active in the fall festival at St. Giles' Hall and invites all members to drop over during the session, which is from Oct. 20 to 25.

Ascension parish will also hold a fall party on Thursday, Oct. 30, at the parish hall. All members are invited to attend.

Assembly Guests Rate Hallowe'en Party a Favorite

Hundreds of Sir Knights, Ladies Attend Card and Dance Social Wednesday

Another gala Hallowe'en card and dancing party has gone into the records of LaSalle General Assembly, Fourth Degree, Knights of Columbus, stamped a complete success by the hundreds of Sir Knights and ladies who enjoyed the hospitality of the Assembly on Wednesday evening, October 29, at the Palmer House.

Long before the designated hour of eight-thirty o'clock, the card players began to gather in the grand ballroom. Members of the Patrons Committee, who so efficiently conducted the entire evening's entertainment, were on hand to assign tables, furnish cards and to perform introductions.

The spacious ballroom was filled before nine o'clock, and for the next hour and a half the play went on. At the conclusion of the allotted time, one of the players at each table was presented with a useful and an attractive gift.

While the card games were being played in the Grand Ballroom, the dancers were gathering in the Red Lacquer Room. Sir Knight Charles Montgomery and his fine orchestra had arranged an especially appropriate repertoire of dance music. Along with a number of the favorites of the "old timers," there were enough "rhumba" and "boogie woogie" numbers to delight the youngest and most sprightly of the dancers.

Shortly after the dancing started, Hallowe'en favors were distributed, and before very long the merrymakers "took over" and the fourth floor of the Palmer House resounded with the holiday gaiety.

Turkey Night, Nov. 18

Next feature on the Assembly calendar will be the annual pre-Thanksgiving "Turkey Night" program, which will be held this year on Tuesday, November 18th.

CHICAGO CHAPTER WILL HOLD REGULAR MONTLHY SESSION ON WEDNESDAY

Members of the governing board of the Chicago Chapter will convene next Wednesday evening, November 5, at the Elks Club, 57 West Monroe street, for the regular monthly session of all delegates.

Chapter President George A. Wahl, P.G.K. of Father Perez Council, asked that all delegates make a special effort to attend. Several important announcements relative to the forthcoming activities of the Chapter are to be made. A report of the Columbus Day benefit party held at the Palmer House here October 11 will also be given.

Business proceedings are scheduled to begin promptly at 8:15 o'clock, President Wahl said.

Expect All Teams at K. C. Softball Banquet Thursday

Dinner Reservations Deadline to Annual Affair Is Set for Monday, Nov. 3

By Johnny Miner

In order that final arrangements might be made with the management of the Midwest Athletic Club at 6 North Hamlin Ave., where the annual K. of C. Softball League banquet is to be held on Thursday, November 6th, it is necessary that Monday, November 3rd, be set as the deadline for reservations.

Councils who have not yet signified their intention of attending should contact the chairman, John T. Burke, at Columbus 7318 or the League President, Joe McGreal, at Virginia 9578. The cost is $1.75 per plate.

Bill Blake to "M. C."

William Blake, referee of many a famous football classic, the latest of which was the Ohio-Northwestern clash of last Saturday at Columbus, Ohio, will act as toastmaster at this affair. Blake is a graduate of Loras College of Dubuque, Iowa, where he excelled in football, baseball and basketball and is now lecturer of St. Philip Neri Council. He is acknowledged by leading football coaches to be tops in the refereeing profession, consequently his services are in great demand. The league is indeed fortunate to have such a personality in attendance.

Father Gorman to Speak

An honored guest at this festivity will be Father William Gorman, Chaplain of the Chicago fire department and the Fourth Degree, Knights of Columbus.

Father Gorman is a former ball player and athlete of considerable ability in his own right and has become one of the most popular figures in local Knights of Columbus and Holy Name Society circles. His frequent appearance at K. of C. functions in Chicago is evidence of the widespread favor in which he is held by the local membership. In addition to pronouncing the invocation at the dinner celebration Thursday evening, Father Gorman is expected to deliver a short address on the value of athletics to the Order.

Bro. Thomas D. Griffin, chairman of the State Athletic Commission for the Knights of Columbus, is also to be heard among the list of guest speakers, as is State Deputy Leo M. Flynn. Both these state officers will award their respective trophies to the new softball champions.

New Champions

The new champions from St. Cyr Council will be present with a large delegation to receive the Leo M. Flynn trophy, emblematic of softball supremacy in the fastest league in Chicagoland. The "Fighting Irish" from Leo XIII will be presented the runnerup award from Edward J. Kaindl, County Recorder. Clayton Smith, County Commissioner, is offering the third place trophy to St. James Council. Santa Maria Council will receive the fourth place award

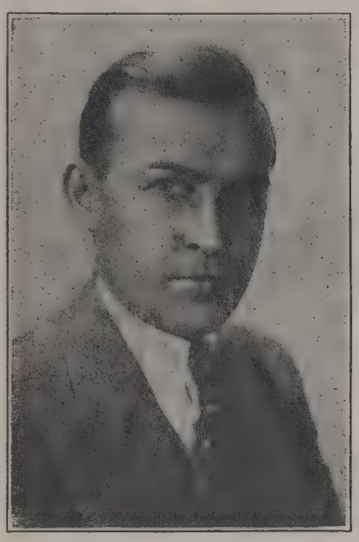
Has Drama Lead



FRANK T. FITZSIMMONS

Beginning its 15th dramatic season, the Loyola Community Theatre, on November 3 and November 4, presents "Shadow and Substance," a dramatic play written by Paul Vincent Carroll. In the leading role of the Canon will be seen Frank Fitzsimmons, Deputy Grand Knight of De Soto Council. Brother Fitzsimmons has been with the Community Theatre during its entire 14 years of existence. Before that he was a member of the Hull House Players for several years. He has been heard on radio shows on several occasions and at present is a member of the New World Players, whose "Answer Please, Father," dramatic episode on Station WGN's church hour, has been heard by many members of the Order.

While at the University of Notre Dame, Mr. Fitzsimmons, as a member of the Players' Guild, was cast in several dramatic ventures with Walter O'Keefe and Charles Butterworth, now of radio, stage and screen.

Directed by W. F. Madden

The production, "Shadow and Substance," is under the direction of William F. Madden. Other persons in the cast are Jane Casey, Genevieve Ryan, Helen Hanson, Catherine Conner, Thomas Byrnes, Bert Stegart, Willaim O'Brien, William Foy and John Conner. District Deputy Frank Wohlleber is president of the organization.

"Shadow and Substance" tells the story of the Very Reverend Canon Skerritt, Irish pastor, and his young housekeeper, Brigid, a steadfast, innocent, and unselfish believer, who, through the uncorrupted purity and simplicity of her own faith, brings a contentious troup of townspeople and clergy back to first principles.

The play was awarded the Critics' Award in 1938 and was first presented in Dublin by the Abbey Players in 1937. Reservations for the Loyola Community Theatre presentation of the famous drama may be placed at the Loyola Community Theatre, 1320 Loyola avenue, telephone Rogers Park 0671, or at the St. Ignatius Rectory, telephone Rogers Park 1677.

Dan O'Connell and St. James Councils Make Honor Roll

Membership Gains for Whole Order Are Far Ahead of All Previous Records

Two of Chicago's smaller councils, Daniel O'Connell and St. James, paved the way to membership records this week and became the first of the local units to earn listing as Honor Roll Councils at the Supreme Office in New Haven. Councils are credited with Honor Roll rank when they have completed their full year's membership intakes; a total of 115 such councils were listed from throughout the nation this week by the Supreme Office.

16 Jurisdictions Over

According to the reports now available at the national headquarters of the Order, a total of sixteen state jurisdictions have also completed their Dec. 31st quotas to put the Order as a whole far ahead of the membership records of other years.

An improvement in the first six months' program this year is easily evident, the Supreme Office points out by a comparison of the October 31 report of a year ago which showed that only three jurisdictions had obtained their 40 per cent quotas by that time as against sixteen this year.

Urge Action Now

The value of getting the first half of the year's job done is getting more and more support throughout the Order and the jurisdictions and councils that have not yet gone over the halfway mark are urged to increase their efforts during November and December to reach the 40 per cent objective.

Supreme Office figures further reveal that three hundred and seventy-one councils have already secured their first six months' quotas. What these councils have done in four months it is felt every council can do in six.

LA GRANGE MODEL HOME WILL CLOSE AFTER GAY FESTIVAL PARTY NOV. 28

One of the interesting groups of visitors at the Mount Vernon House of 1941 during the past week was the Kendall County Home Bureau of Little Rock Township. This organization is studying furniture and furniture repairing through the Illinois University Extension course and their periodic meeting was held October 24 at the home of Mrs. W. C. Burgess in La Grange, who had planned the trip to the Mount Vernon House as part of her scheduled entertainment.

Thursday, October 30, was designated as Du Page County Day at the Mount Vernon House. Because of the general interest evinced by the people of that county in the project, the executive committee issued a general invitation through the community newspapers and expected to have as their guests some three or four hundred people from that locality.

The Mount Vernon House will be closed to the public on November 28. It is located at 345 North Malden avenue in La Grange Park and is open daily from 10 a. m. to 9 p. m.

The division championship winner will be given awards donated by Philip C. Nilles, Master of the Fourth Degree; May and Halas, sporting goods dealers and wholesalers of 37 South Wabash avenue; Fred Snite of the Local Loan Company, and the Midwest Athletic Club of 6 North Hamlin avenue.

Dinner at 7:30 P. M.

An excellent program is promised as well as a first-class turkey dinner. Friends of the league as well as participating councils are invited to attend. Dinner will be served promptly at 7:30 p. m., so that the evening's program may be underway by 8:30.

There is ample parking space at the Midwest Club and facilities to the hall are of the best since the elevated, street car and motor coach lines are all available to the door.

St. Augustine Is Host to Chaplain, Rev. Father Theo.

1-3 Mon. . . . . 5209 S. Justine

At the last meeting the members were introduced to our new Chaplain, Rev. Father Theo, O.F.M. Father Theo immediately showed that he was very enthusiastic about his duties. During the course of the meeting he spoke of the benefits one derives from being a member of the order. Incidentally, K. of C. work is nothing new to our Chaplain, inasmuch as he served in this capacity at Ashland, Wisc., and St. Louis, Mo., prior to coming to Chicago where he is now stationed at St. Augustine Church.

For some reason or other this meeting was poorly attended, a fact which was quickly noticed by Fr. Theo. In the course of his talk he pleaded with the officers and members to do their utmost to enlarge the attendance at future meetings. Being a good Knight, he pointed out, means not only paying dues, but actually means being a live active member. Why some of you guys can't find time to attend at least one meeting a month is beyond his comprehension, as he put it.

And so we go from last meeting to the next. Remember? First Monday in November. And as is the custom of this council, we will hold our Memorial Services at this meeting because it falls so close to All Souls Day. We're not going to try to entice you up to this meeting with promises of entertainment and refreshments, because there won't be any, in respect to the memory of our deceased members. If, out of charity's sake alone, you can't come up and say a prayer for our brothers who have passed away, then don't come up at all. So then, fellows, we have a twofold purpose to attend this meeting. First, to remember the dead of our council and secondly, to prove to Father Theo that we can and do have good meetings and that a majority of the members are livewires.

TEN PIN TAPS

We're just going to give you a short resume of last week's results. Ted Kloeckners won two from Bonthron Service. Wolfer high for the Florals and John Mittler for the losers. Dutchmans Tavern copped two from the Heinens with Leitzen pacing the winners and PGK Mike Heinen high for the Morticians. The McCabes gained a tie for first place when they took the odd game from the leading Schaefers. Dan Burke led the winners. Kurtz was high for the Barbers. Puetz Markets turned on the power (?) and swept their series from the Mack Bros. After bowling, most of the fellows visited Bro. Lefty Heinen's Tavern for refreshments. Standings at the end of the first round:

	Won	Lost
Johnnie McCabes	12	9
Bonthron Services	12	9
Schaefer Barbers	12	9
Puetz Markets	11	10
Heinen Morticians	10	11
Dutchmans Tavern	9	12
Ted Kloeckner Florals	9	12
Mack Bros. Movers	8	13

We mentioned a few weeks ago that Bro. John Ossowski contemplated driving to western Nebraska to do some hunting and at the same time visit his son, Corporal Joe, who is stationed at Fort Warren, Wyo. Unfortunately, John met with an accident only five miles from their destination, when the car left the road and plunged into a ravine. One of the passengers, a cousin of John's and a member of West Chicago Council, Chris Armburst, was most seriously injured, coming out of the accident with a broken back.

Through the courtesy of Dr. Catellier, PGK of Cheyenne Council and also a Knight of St. Gregory, John and his party were taken care of, given first aid and rushed to a hospital. John is deeply indebted to Dr. Catellier and his friends who so charitably rendered all the assistance they could. Fr. Freiman, chaplain at Fort Warren, also rendered whatever services he could. Fr. Freiman, incidentally, is forming a Choir and Holy Name Society at Fort Warren. John came out of the accident with only a few bruises, but much dejected because he didn't get in any hunting on the license which cost him $15.00.

We also hear that the mother of John Winterlin is on the road to recovery after a siege of illness. And while we're talking about the sick and disabled, let's add that your scribe is also bouncing back fast and certainly is thankful to the many members who visited him at the hospital and also to those who sent cards and tokens of good wishes.

Wonder how many of you have seen the new bar at the Clubhouse. Of course we know that a number of members didn't see the old bar. So what. Nevertheless, our custodian, Bro. Joe Putz, went through a good deal of expense to install this bigger bar in order to keep the fellow next to you from poking his elbow in your eye every time he raised his arm. Let's try to visit the Club once in a while and show that we appreciate these improvements.

Don't forget the meeting Monday night.

Scene of Martyrdom of the First American Saints Now Is Shrine

America has had many martyrs but probably the best known are the eight who were first to be canonized—the Jesuit martyrs of North America. Three met death within what is now the United States. The other five died within the present boundaries of the Dominion of Canada. All were natives of France and all died in the middle of the seventeenth century.

The first to earn the crown of martyrdom were St. Isaac Jogues, St. Rene Goupil and St. John Lalande. They were murdered by the Mohawk Indians at Ossernenon, now known as Auriesville, about 60 miles west of Albany, N. Y. The others, St. Jean de Brebeuf, St. Noel Chabanel, St. Anthony Daniel, St. Charles Garnier and St. Gabriel Lalemant, met death in Canada. The first three are honored at the famous shrine at Auriesville, the others are commemorated at another famous shrine near Midland, Ont.

Auriesville, situated high above the Mohawk river, is closer to the large Eastern cities and is visited by thousands of pilgrims each year. As many as 15,000 people have been there in one day.

All these martyrs were priests except two, Goupil and Lalande, and, strangely enough, the first to die was Goupil who was beaten to death at Auriesville in 1642 after unspeakable tortures. St. Isaac Jogues, captured at the same time, was allowed to live, though terribly mutilated. He was put to death in the same place four years later, October 18, 1646, after returning to the mission in a vain effort to make peace with the savages. Lalande his companion, was tomahawked the following day. Yet, eventually, the Indian who killed Jogues died a Christian.

Auriesville today preserves as much as possible the historic sites of the past. On the grounds of the original Indian village are chapels, stations of the cross, several statues and monuments and a huge circular church, called the Coliseum, which seats 10,000. Four altars in the center form a square in which is the sacristy and above that the organ and choir.

A little to the west of the plateau is the ravine in which services are frequently held. There it was that the first of the martyrs, St. Rene Goupil, was buried. On the hill, high above the area, is a new Jesuit house of studies.

The site of Auriesville was fixed by General John D. Clark of Auburn, N. Y., an authority on Indian lore, with the aid of the Catholic historian, Gilmary Shea, and others. General Clark, though not a Catholic, expressed great admiration for the martyrs.

PHILIPPINES GET THREE CHAPELS

Three new mission chapels have recently been completed in the Philippines. The society made $500 available for the construction of St. Francis Xavier's church at Patria, Pandan, Antique. Five thousand Filipinos of the hill country will use this structure. In the Diocese of Nueva Segovia, a new Church of the Little Flower has been built with the aid of a $350 gift from an anonymous benefactor and a $150 donation from the estate of Rodger O'Hanlon. This church will serve 800 Igorots of the Aluling village. A contribution of $500 was made toward the erection of the Church of Nuestra Senora de Salvation in Lawigan, Diocese of Jara. This church in the mountains will be the center of the religious life of 3,500 persons.

Has Honor Night

2-4 Mon. . . . . 24 E. 114th Pl.

San Salvador Council at the last meeting put on a celebration in honor of Guy Macina, who was recently made a District Deputy by State Deputy Leo M. Flynn. Our members turned out in full force to pay tribute to the guest of the evening.

Of course the night would not be complete without the delicacy as served by the chef of the evening, Rocco Chiaro. The kitchen committee really turned the food out in a hurry and believe it or not they were ably assisted by the "Rookie Cop," a Dutchman by the name of Lou Blocker. The food was at its best, and proof of the pudding is in the eating.

Bro. Guy Macina was presented with a beautiful pen and pencil set. The master of ceremonies for the evening was Alexander J. Napoli, Ass't State's Attorney, who introduced the various speakers. Among the notables who were present and had words of praise for the honored guest were: State Deputy Leo M. Flynn, Past State Deputy, Judge Bolton, Chaplain Father Exler, Past Chaplains, Fathers Keough and Chiminello, also Father Devitt.

Among the district deputies present were D.D. Wilfred Byrne, Ed. Marters, Ed. Molyneaux, Marco De Stefano and Pat Noonan, along with the president of the Chicago Chapter, Geo. Wahl.

Also present were Grand Knights Northrup, Perez, Devereaux of Fort Dearborn, Tom Ward of St. James, O'Neil of St. Phillip Neri, Ed Hansen, Blue Island; Lloyd of St. Josephs and G. K. Lagoiro of St. Cyre. Among the P. G. Knights were Johnson, Perez, Bob Du Mais, Fort Dearborn, and "Bill" Creighton of Blue Island.

Other guests who were in attendance were Joe McGreal, Pete Wehler and Christ Davis of St. James, along with delegation from the neighboring councils on the north and south sides. All signified their intentions of again stating facts of once more enjoying the hospitality of our council saying the spread put on at all times has no competitor in the culinary art.

SEMI-ANNUAL COMMUNION

On next Sunday, Nov. 2, we will pay tribute to our dead who lost their lives in the last World War and also the brothers who have passed to their eternal reward since our council's inception. The Mass will be offered up by our past Chaplain, Father Keough, at 8 o'clock in Holy Rosary Irish church. Let us hope that the brothers turn out in full force to show their appreciation for the untiring efforts of those who have left our midst.

Your lecturer has prepared a special breakfast to be served after the Mass in the church basement. As usual the friendly spirit of our good friends and willing workers, the D. of I.'s, will again be at your service. Mark the date on your calendar and be there at 7:30 a. m. Sunday morning to march in a body to Mass.

MEMORIAL NITE

Our first meeting in November has been set aside to again pay tribute to the deceased members. P.G.K. Francis J. McMahon has spared no efforts in behalf of the departed brothers to make the occasion one to be remembered. This is a night that the Council chambers should be swelled to overflowing. There will be a short business meeting followed by the usual Memorial services.

PARISH BOWLING LEAGUE

Can you imagine 100 bowlers from different parishes bowling at one time in a friendly spirit that cannot be compared with any in the city. All you have to do is to pay the new "Rose Bowl" a visit and see the huge crowds that are rooting for their favorite team. This recreational spot is the ideal place to bring the better half to give you the moral support needed to bowl the high games you are always striving for. Watch your local papers for team standings of the past week.

NEWS FLASHES

Bro. Mike Nie is very ill at St. Elizabeth's hospital on the north side. Send your message of cheer to our brother who is so gravely ill. May your recovery be very speedy, Mike. A new arrival at the home of Ass't State's Attorney Alexander Napoli in the person of a future knight. Congratulations to you both.

A group of about 25 friends of the genial canteen keeper, Geo. Mason, paid him a pleasant surprise last Sunday, the day being George's natal day. He was even presented with a cake. Several of the local business men stopped up to say hello to Geo. and wish him "happy birthday."

The new stoker is now in operation for your pleasure and comfort. Come up anl enjoy the real comforts of home and see the improvements being made by the Home Ass'n. See you next week.

Damen Bowlers, Along With Sponsors, Furnish Plenty News for Week

1-3 Thursdays . . . . . 6 N. Hamlin Ave.

Due to the fact that your scribe received no council news other than the bowling scores, this week's issue will be dedicated to the so-called backbone of the council and their sponsors.

THE MERRY MEN: The **John J. Gorman's** received their first set-back of the season when they lost a pair of games to the **McMahon Undertakers.** Tom McMahon, anchor man de luxe, picked up a railroad spare in the tenth frame of the first and third games to make the twin victory possible. **Wally Fitzgerald** won the second game for the **Gormans.**

The **Cassidy Tires** went on a strike spree to win a triple victory over the **Reliable Credit. Al McGuff** and **Charlie Kuhter** finished in a dead heat for the **Cassidys. Sponsor K. Phelan** tried to rally his team with a cluster of strikes in the second and third games but failed by one lone pin to garner a victory for the **Creditmen.**

The **Stack Typewriters** won two games from the **Kelly Couplers** losing the final game by only four pins when **Bill Page** drew an eight-ten railroad in the tenth frame. **Ray McJohn** was high for the **Stacks. Jimmy Nix** helped the **Kellys** to their meager win.

The **McEnery Realtors** found a new spark-plug in the person of "Cinderella Man" **Gerald Reilly** to lead them to a three-game win over the **Champion Brown Plumbers. Bill Sloan** was in rare form for the **Plumbers. Jerry Reilly** was easily the tops for the **McEnerys.**

SPONSORS

Damen Bowling League has been fortunate in having the same sponsors for their teams over a long period of years. The council members as well as the bowlers should patronize these men whenever possible: For your information a list of the sponsors together with their business addresses, reads as follows:

P. J. Brown Plumbing Co., 318 S. Jefferson St.; Wm. J. Cassidy Tire & Supply Co., 1227 W. Roosevelt Road; John J. Gorman Insurance Co., 175 W. Jackson Blvd.; Stack Typewriter & Surply Co., 167 W. Wacker Drive; Reliable Credit Co., 5612 W. Madison St.; McMahon Funeral Home, 5321 W. Madison St.; John T. McEnery, Realtor, 4041 W. Madison St., and Kelly Coupler Mfg. Co., 2524 W. Madison St.

NEWS BITS

Capt. Charlie Kuhter of the Cassidy Tires is the proud father of another bouncing baby boy. (Nice going, Chuck.) Lecturer George Reithal, Jr., has returned to the Kelly Coupler line-up after a two-week absence due to a sickness classified as a Rare Scotch disease. Past Grand Knight William Hopkins has been ill since the start of the season. Here's hoping he returns to the Merry Men real soon.

JUST A REMINDER: The council will hold but one meeting during the month of November. That triple treat Home-Coming meeting of Nov. 6, when Thanksgiving turkeys and football tickets to the Notre Dame-Northwestern game will be distributed and refreshments will be served.

O. K., Brother, it's a date—See you then, at 8:30 sharp.

Selection of a catch name for a bowling alley has become quite a problem. The use of "Recreation," "Arcade" and "Academy" was common ten years ago. Then came the use of such terms as "Bowl," "Lanes" and "Drome."

Two newly and widely separated establishments have come up with clever names this year. For it's the "Bowlaway" in Chicago, a new spot to be managed by Herb Freitag, 1940 ABC doubles champion.

And out in De Witt, Iowa, somebody had an inspiration and it's the new "Cross Roads" alleys. The town is both an important highway and railroad junction. The establishment is also unique. Its alley numbers are "0-1-2-3 and 4."

La Rabida Shocked at Sudden Death of Mrs. Veronica Hasty Mahon

2-4 Tues. . . . . 6236 Princeton Ave.

The members of La Rabida Council were indeed saddened by the shocking news of the death of Mrs. Veronica Mahon, wife of Past Grand Knight John J. Mahon. She died in St. George's Hospital last Monday. It will be remembered that on September 30, Mr. and Mrs. James Hasty, parents of the deceased, celebrated their fiftieth wedding anniversary at their home, 6746 Lowe Ave., at which event Mrs. Mahon acted as mistress of ceremonies and who but twenty days later, was destined to return to the same home, dead.

Just three days after that happy event, Mrs. Mahon was admitted to St. George's Hospital suffering a kidney ailment. Immediately the doctors expressed concern over her condition, and her husband and family were terrified by the grave turn of events. For seventeen days with Bro. Mahon in constant attendance, they watched the pendulum of life swing from one side to the other, until finally on that eventful Monday, she passed peacefully away.

Over seventy-five members of the council proceeded in a body to the home of the deceased and paid their last respects to the departed. The funeral was held on Oct. 23, with services at St. Bernard's Church. Burial was made at Holy Sepulchre. Mrs. Mahon was Past Regent of McHale-Englewood Court, C. D. A., and had a statewide reputation as a leader among women. May her soul rest in peace.

MEMORIAL NIGHT

The council's annual Memorial Meeting will be held on Tuesday evening, Nov. 25, at which time we shall pay tribute to the deceased members of the council. Please keep the date in mind, brothers, and make arrangements to be with us on this occasion.

The bowling results of Monday, Oct. 27, are as follows: Kapple Chicks took 3 games from the Cogan Coconuts, while Has Beens were taking 2 out of 3 games from Dion Quints. The high individual game honors were won by Dan Ahearn with 202 pins while individual high series also went to Dan Ahearn with 599 pins. The standings:

	W.	L.
Kapple Chicks	17	4
Dion Quints	12	9
Has Beens	7	14
Cogan Coconuts	6	15

CHICAGO, OCTOBER 31, 1941 100

The Need for Council Activity

Hundreds of new members are being admitted to councils throughout the Order this fall in one of the most fruitful membership campaigns the Knights of Columbus have conducted in recent years. Chicago councils have added several score new men to Order membership during these first few months of the fall season. Already half a dozen local units have gained their 40 per cent quotas while others lack but one and two candidates to complete the December 31 membership goals.

The fact that so many Catholic men are turning to our organization for expression of their individual strength in support of their church and country means that every council must step up its program of activities to keep pace with the interest and the expectations of these new men. Especially is this so if the council is to perform more than lip service to those principles of our Order which are attracting so many volunteers to our ranks.

Special attention should be given by every staff of council officers to see that proper progress is maintained in every one of the separate phases of our Five Point Program. This is necessary in order to satisfy the expectations of the new members who wish, through their participation in the Knights of Columbus, to further the solemn purposes in support of God and country to which our Order is dedicated. It is also necessary in order to re-awaken the less active member to realization that our Order today stands upon the brink of one of the most encompassing periods of public service in the half-century of its history. Its vigilance and its collective influence must be pitted—in a degree as never before—against the inroads that Naziism, Fascism and Communism would make on our national life.

To meet this challenge, council programs should be planned with an eye toward enlightment as well as towards entertainment. With such equal emphasis in both work and play, the interest of old and new members alike will be maintained for the furtherance of all council projects.

New members should also be delegated to an active participation in all council programs and should be placed on one or more of the separate committees. Not only does this procedure benefit the council through the realization of the energy, interest and ability of the new member, but it serves to keep that member an integral part of the council and of the Order. Moreover an interested new member is eager to enlist the candidacy of his non-member friends so that in the end the council is doubly benefited in maintaining an active and interesting schedule of activity.

Quigley Memorial Mass, Communion Sun., St. David's

1-3 Tues. . . . . 1035 W. 31st St.

The council will be escorted to the altar rail by the Quadrangle Club. The Sons of Flanders Post, American Legion Bugle and Drum Corps, will accompany the Quigley delegation to St. David's Church at 32nd and Emerald Ave. The Memorial Mass will begin at 8:30 a. m.

SWAY WITH RENE

Nov. 22 is the big date for Quigley's outstanding affair of the year. Tickets are rapidly being disposed of. Del Rene's great orchestra will swell the Quigley clubhouse for a glorious and entertaining affair.

Can you procure an ad—¼ page, $2.50; ½ page, $5.00; full page, $10.00; Patron, 50 cents. Turn ad copy over to Chairman Stanley Szczecinski, or to Program Chairman John Golden, or to Fin. Have you received word that John (Hack) Wronski has entered the services of Uncle Sam? Haven't his address as yet, but understand he left for Camp Douglas, California.

Any member of council who is a Journeyman Plumber or Steamfitter and is out of work, get in touch with Grand Knight Leo J. Gawrych, Lawndale 1338.

Nov. 28th—A Polish retreat will be held at Mayslake. The entire retreat will be conducted in Polish. Anyone interested should contact Ray Maciejewski.

ROSE SCHNEIDER SETS BOWLING RECORD

ST. PAUL—Rose Schneider, member of the St. Paul Women's Bowling League, swept into a national season's record when she rolled games of 246, 255 and 201 for a 702 total.

Her score passes up the 697 total rolled earlier by Gladys Light of Milwaukee.

A woman wouldn't care to be an invalid if she couldn't talk of her ailments.

Brownson Members to Honor Dead at Sunday Communion

2-4 Fri. . . . . 4754 N. Western Ave.

On Sunday morning, Nov,. 2, the living members of Brownson Council will gather at the 7:30 o'clock Mass at Queen of Angels Church, Western and Sunnyside aves., to pay, in humble submission to the will of Almighty God, their due and proper tribute to the memory of those of our ranks who have preceded us to the great beyond. Holy Mother Church has set this day aside as All Souls Day, to further remind us of our duty and our obligation, to our relatives and friends whom God has seen fit to call to their eternal reward.

Since all of us will some day be listed upon the roll of those who are no longer with us, we can by our presence next Sunday help our deceased members as well as ourselves, by storing up good intentions and kindly deeds that will redound to our benefit, when we too shall have answered to the final call. Members will meet on the northeast corner of Sunnyside and Western at 7:15. Breakfast will be served in the school hall, free, immediately after Mass.

The old-time boy scouts are once again united. With Johnnie Casey "back in the fold" the erstwhile "Tinker to Evers to Chance" combination has nothing on our past and present "Phillips to O'Byrne to Huston to Casey." Long may they reign. We also were very glad to see past trustee George McAloon back with us, and his brother, who will be with us soon.

The "G" man from the FBI who spoke at our last meeting was a magnet for another large turnout of members. His talk was most interesting and instructive and was greatly appreciated by those present. The customary refreshments after the meeting were likewise enjoyed. So were the usual card games, by some. One of the things we find it hard to comprehend is the way brothers like John Neiman can come in from Cary, Ill., and those who live walking distance are seldom seen at meetings. Maybe a party for the ladies will bring them out. How about, Walter?

THE ANNUAL "Buck Party or Smoker" to help raise funds for the children's Christmas party will be held on Tuesday evening, Nov. 18, on the second floor of the building in which we meet. Santa wants all orders for toys and gifts in early which is the reason for the early date. Let's not disappoint the kiddies. Let's make this party and the one for the little ones the biggest and best ever.

BOWLING

The Cullom Club got high team game of 913 and took two games from Doose Studio. Joe Dvoratchek's 611 and Bill Fergus' 423 doing the heavy work. Capt. Alex Cissinski of Doose saved a whitewash by rolling 198 in the second game. George Gaffke's new ball (his birthday present) was a success getting 523 and helping the Best Furniture Co. team to take a couple from Bob Fortman's Rosewood boys. Dr. Erwin L. Ewald's team moved into second place by trimming Ald. John J. Grealis gang three games. Ben Bancaro's 544 was tops for Doc's team. Charlie Lannon, Wm. Steinbach and John Moran are the guys who are responsible for Norman J. McShee's league leaders taking three games from Bro. Jimmy Skinner's Sporting Goods gang.

It looks like the race for individual honors will be between Joe Dvoratchek and Charlie Lannon, unless some of the other boys get going.

Lack of Education and Broken Homes Stressed as Large Crime Factors

Broken homes and lack of educational background appeared as possible factors in crime, in a survey of the social background and criminal history of more than 2,000 prisoners released in 1940 under the supervision of the New York State Parole Board. The survey was made public recently by the Board's chairman, Dr. Joseph W. Moore.

Of the 2,158 parolees studied, 38 per cent came from homes that were broken through death, divorce or separation before they completed their 13th year, and 43 per cent were 16 years old or younger when their homes were broken. Two-thirds of those paroled had only some elementary education, and only four per cent had finished high school.

We were sorry to learn that our Ladies Night conflicted with the Card Party given by the Novena Auxiliary Club. I the writer had his way, a Central Bureau would be established so we could pick dates that would not bother affairs held by other organizations.

We just received an invitation to go out and see Brother Felix Tomei at the Napoleon Cafe at 3953 Harrison St., and get some fine meat balls and spaghetti. Yum, yum, and the other food is just as good.

Be sure to see the "The Eternal Gift" when it comes to your favorite movie house. It is a picture every Catholic should see. It is different!

2 CHURCHES BUILT IN ARKANSAS

The Extension society has aided in the construction of two new churches in the Diocese of Little Rock, Ark. An $8,000 gift from the estate of John Gougherty was made available for the erection of St. John's church in Russellville, which is attended by about 200 persons of many national strains, including Irish, German, and Bohemian. In McCrory, the new Church of St. Mary, which will serve practically all of Woodruff county, was made possible by the reception of a gift of $1,500 from the estate of Mrs. J. C. Jordan.

St. Mary's new church in Redlands, Calif., to which the society allocated a bequest of $2,500 from the estate of Mary C. Rossiter, will serve more than 2,000 Spanish-Americans in an area of 50 square miles.

Dowling Prepares Large Class for Degrees on Nov. 3

2-4 Tues. . . . . 3625 S. Hoyne

Our campaign for new members is in full swing under the leadership of Chairman Tom Gallagher, and from all indications the drive will be successful, as the applications are coming in and Tom is satisfied that you are going along with him and giving your full cooperation.

Our quota for the year is 98 members and we have 15 new candidates for the first and second degree, to be held at Weber Council on next Monday evening, Nov. 3. Your G. K. would appreciate a large attendance at these degrees. We also get credit for a new member by taking a member out of the A. A. L., which will be helpful to the member and also our drive.

Our campaign for members opened officially on Oct. 28 and ends Dec. 31. Our officers are well organized and with a little help from the members we will be able to boast about our council reaching its quota. You will receive some letters and we hope you don't set them aside but get behind your officers and get at least one member.

CUFF NOTES

Mr. and Mrs. Peter Beam, 3357 S. Western Blvd., celebrated their golden wedding anniversary with a Solemn High Mass at St. Agnes Church, Pershing Road and S. Washtenaw Ave., on Tuesday morning, Oct. 21. Mr. Beam is one of our old-time members. Mr. and Mrs. Beam are the parents of our popular congressman, Bro. Harry P. Beam. We extend our sincere greetings to the couple and wish them many more years of happy wedded life.

Bro. Edward (Chester) Nepyjwoda was in the city on a furlough from Chanute Field, Rantoul, Ill. He enlisted for a 3-year term and has two years to go. He was present at the Chapter ball. Before enlisting, Eddie worked in the County Treasurer's office and has the distinction of being the first county employe to join the service. If you care to drop him a line, his address is Flight G, A.C.R.D., Chanute Field, Rantoul, Ill.

Bro. Alphonse of our council is stationed permanently at St. Francis Retreat House at Mayslake. He is doing fine work out there, as he is exceptionally handy and made many improvements. We hope he stays in our vicinity many years.

I am informed by Bro. H. Lorden that Geo. Spencer has placed his application to join the L. of I.'s. George should get along o. k. with this organization.

We were happy to have Bro. Mike Dugan with us at the last Patriotic Party and he looks in fine shape.

The Patriotic Club has moved its November meeting up to Nov. 4 due to the council meeting on the third Tuesday. It was also agreed that we meet at 1904 W. 35th St., starting Nov. 4. We also wish to remind you to work on that third degree member for the fourth degree class in February. For applications contact Geo. Spencer or John Struve.

CONDOLENCES

Sister Mary Mercy of the Sisters of Mercy was buried on Saturday, Oct. 18, from the chapel of the Mercy Hospital. She was the sisiter of Bros. Frank and Tom Giblin and is remembered by many when the family resided in the vicinity of 35th and California Ave. Many of our brother knights turned out at the wake and funeral. We extend our sincere sympathy to her family and pray for the repose of her soul.

Mrs. Gallagher, the mother of Jas. P., formerly of our council, passed away and was buried from her residence, 2729 W. 38th St. She was one of the early settlers of Brighton Park and had reached the grand old age of 86 years. She was very well known and admired by all that knew her. We extend our sincere sympathy to her family and pray for the repose of her soul.

DR. GEORGE F. BRACKEN

We were shocked with the sad news of the sudden death of our popular member, Dr. Bracken on Thursday evening, Oct. 23. Dr. Bracken was an outstanding member, a loving husband and father. He was an Army captain in the World War and belonged to the American Legion. Sunday evening our council turned out in very large numbers to attend the wake and Father Boyle of St. Barnabas Church led us in prayer. The funeral was Monday, Oct. 27, to Fairmont Cemetery. We who knew him in life will miss him, as he was a friend to all.

We extend our sincere sympathy to the family and pray for the repose of his soul. May he rest in peace.

PIN TUMBLERS

As the bowling season rolls along, the standing becomes closer each week and the fight harder. For example, last week four of the teams were involved in games that required roll-offs. That shows the teams are well balanced.

The Beams won two from the Dunne's and the third game was a tie; the Dunne's won the roll-off. The Gormleys won two from the Dalaeges and were required to roll for a tie for the second time. The Dalaeges won the roll-off.

It is suggested that Earl Dunne, the sponsor of the champs, get around and inflate his flat tires by having a heart-to-heart talk with his team. Their captain, Geo. Connelly, Sr., said they could not be flat tires and full of wind at the same time.

The 500 class were: Christin 562, Mulholland 520, Riley 521, Deiterick 582, Labuda 511, Lepenske 518, Snyder 502.

We had many feminine rooters present and among them our P. G. K.'s wife, Mrs. Gerber, Ma Green, Mrs. Spencer and her daughters, Mrs. Fleming and Dorothy, Mrs. Lorden and daughter, Mrs. Skillen, and Fred Ehrl's and A. Christin's heart-throbs. Come up more often, ladies, we like your company.

Loyola-Hyde Park in Memorial Communion Sunday at St. Thomas'

2-4 Thurs.....7435 Cottage Grove Ave.

Calling all Loyola-Hyde Park members and sons! This Sunday, Nov. 2, at St. Thomas the Apostle Church at 8 a. m., memorial mass for our council dead. Please be at 55th and Kimbark Ave. at 7:30 at which time we will proceed to a place reserved for us in the church. We wish to thank the new pastor of St. Thomas the Apostle Church for his kind consideration in allowing us this reserved space and the use of the high school cafeteria for our council breakfast after mass. Bros. Tom and Dick Fay will be on hand to usher you to the proper places. This communion is a regular council activity and we hope to see as near 100 per cent attendance as possible.

MEMORIAL MEETING

Following up on the heels of our memorial mass will be our memorial meeting Thursday, Nov. 13, at our regular meeting hall at 7435 Cottage Grove Ave. This is for members of the Knights of Columbus only, and will be our regular annual memorial service for the brothers of our own council who have passed into the great beyond. Those of you who have witnessed a memorial service at Loyola-Hyde Park know that it is one of the finest meetings of the year, and we know if it's at all possible you will attend.

LAST MEETING night we held a Hallowe'en, hard-times and harvest party. It was the intention of Grand Knight Jack McGuire to make this the best party of the year, and it was. Much credit must be given to the hard-working committee who helped prepare the hall with decorations and for the food and refreshments. A fine orchestra was on hand to furnish music for dancing. Past Grand Knights Charles Lawler and Richard L. Judge must be congratulated for their fine taste in Hallowe'en decorations which they so artistically draped around the hall. Herman Rack, our warden, served the food and refreshments. Thanks to Mrs. B. J. Baker for her handling the tickets and to her husband also for his part in collecting the penalties.

No one knew who was under the costumes worn by Mrs. R. L. Judge and Mrs. J. McGuire until after the prize awards. First prize was given to Mrs. R. L. Judge for the most thoroughly disguised person. Second prize went to your scribe, dressed as a pirate. Third went to Bentley J. Baker undisputably. Fourth went to Bro. Hungeling, as Cobeena, wearing the funniest costume. However, if I were judge I would have had a hard time picking them, as several others were very well costumed; for instance, Bro. Hungeling's wife and friend and Mrs. Baker and Past Grand Knight Dick Judge, and not forgetting Mrs. Birmingham and her three boys, she as a Scotch lass and they as clowns, and Past Grand Knight Lawler—wow, what a humdinger days-of-'90 sport suit he had on!

On the reception committee was Advocate Tom Fay and Treasurer Dick Fay, Past Grand Knight Dick Judge and Charles Lawler, Bros. J. Shaughnesey and Walter Ochs, who by the way has a fine son of 22 years with Uncle Sam's aviators down south.

PLEASE NOTE: The tickets on the big annual fiesta that promises to surpass all events of the year are available now. Please get yours early.

Neri to Feature Travel Movie at Tuesday Meeting

1-3 Tues. . . . . 7515 Yates Ave.

Plans are completed for St. Philip Neri Council's "Our Lady of Peace Parish Night," according to Bro. Joseph H. Rollheiser, chairman. The program includes motion pictures in sound and color of Carlsbad Cavern and Grand Canyon National Park. Refreshments will be served after the "show." All members with their wives or sweethearts or friends are invited. Assisting Bro. Rollheiser on the committee are: Edgar R. Bourke, Vincent Hemphill, W. J. McManus, M. J. Halligan, Dr. R. V. Lobraico, Ray J. Kenny, C. C. Doyle, Francis R. Casey, E. J. Dean, John McNicholas, William P. Drew, Emmett W. Vickers, and Charles E. Dean.

The Council enjoyed its most successful Hallowe'en party last week. Among those present were grand Knight Harry Cox of Auburn Park and Mrs. Cox and party and Grand Knight John McGuire of Loyola-Hyde Park Council and Mrs. McGuire and party.

HONORARY DEGREE

Three members of St. Philip Neri Council—James H. Wilson, John M. Golden and Peter P. Conlon—were referred to as "three Catholic noblemen" by Bro. William Carroll who delivered the ecomiums during the honorary degree ceremony at the last meeting.

"We need more men of their type," said Bro. Carroll. "We can pay our respect; but we can't honor them. Their influence is priceless. I ask God to protect them."

Following the fine compliments paid by Bro. Carroll, assistant lecturer Walter La Gess, who acted as Warden in the absence of Bro. George O'Donnell, led the guests to G.K. William T. O'Neil who bestowed the honorariums to the three, assisted by Chancellor Edward T. Howe (chairman) and Deputy Grand Knight James M. O'Connor. The Council presented them with plaques—the Knight of Columbus insignia.

Bro. Emmet McDonald who is an attorney didn't realize that even lower-priced cars resent the appearance of a Lincoln auto among them until he tried to get out of the labyrinth when he left the last meeting.

Mrs. William Drew, wife of Bro. Drew, is confined to her home with an infected throat....Bro. Joseph A. Bernard, Jr., is suffering from pleurisy....A contract has been signed by Bro. Tom Lennon to have his orchestra play at the next dance of Sheet Metal and Alloy Warehousemen and Handlers' Union.

The entire softball team of the Council will attend the Knights of Columbus softball league banquet Thursday night, Nov. 6 as a result of the unanimous action of the council.

The Council has its "Wrong Way Corrigan." He is Bro. Matt Golden—young son of Bro. Paul A. Hazard, is confined to the hospital—Bro. Henry J. Doolin advises the delinquent members that the auditor from New Haven is in Chicago, checking the records of the Council with the trustees and the financial secrtary.

Mrs. William Drew, wife of Bro. Drew is ailing from an infected throat. Bro. Drew's father, Patrick, is a charter member of Santa Maria Council Their brother and son, respectively. Francis, is home on a 10-day furlough from camp in North Carolina....Bro. Joseph Jurich is hearing regularly from his son in camp at Louisiana and he is happy....Council members attended the wake of the mother of Bro. J. P. Maroney Sunday night at Donnellan's mortuary where prayers were said and respects paid. The Council mourns with Bro. Maroney upon the death of his beloved mother.

Newman Will Feature Athletic Highlights at Thursday's Open Meet

1-3 Thurs. . . . St. Mary's Hall, Evans.

Newman Council will present a play by play picture on Nov. 6th of the Chicago Bears and Green Bay Packers game which will be played Sunday, November 2. Several players of the Bears' team will be present, along with Paddy Driscoll and Geo. Halas. We expect an overflow crowd so be sure and be there. Don't miss this real treat. Matt Jans, Chuck Rohrer, Ed Coursey, Herman Reichart are working hard to make this night a success. This will be an open meeting so bring your friends and a prospective brother.

Well, brothers, this is my last column. I hope that I have brought just a little news of the doings of Newman Council into your homes during the month of October. I am sorry that I did not receive more news from the membership as it is hard for any one man to create news. So I bid thee farewell and I hope you will give my successor your entire support. Your scribe for November will be Hector Scotty McCracken. Good luck and best wishes, Scotty.

Bro. Henry Polletta has been transferred to Co. C, 524th M. P. B. N., Camp Siberts, Moulder City, Nevada. Sit down and write Hank a line or two. I know he will appreciate it.

D.D. James Corcoran is sitting this week in the Juvenile Court in Chicago.

Newman Council's Second Annual Boxing Show is not news now but history. For those who did not attend, you certainly missed a swell time. About one thousand people were in attendance and I know that everyone who attended had a very enjoyable evening.

Those brothers who are to be complimented for their hard work in making the show a success are D.D. James Corcoran, Bones Nellesen, James McNulty, Jack Wiltjer, Chas. Rohrer, Ed Coursey, John Murray, Jos. Flinn, Thomas Hayes, Jas. Jans, Larry Dupre, Louis McNally, J. Smith, Ed Bell, A. Smith, Ken Lawson and Sig Sabzusinski. Congratulations, men, your work was not in vain.

Those in attendance who received honorable mention were Monsignor Hillenbrand, Father Mochenhaupt, Father Birmingham, Ray Gleason, State Secretary and Grand Knight Walter Gehant. Our own Duke Corroda was one of the judges.

On Dec. 4, Newman's famous degree team will confer on candidates awaiting membership in our order, so those of you brothers who haven't signed up an applicant as yet please do so at once.

Ladies, has "he" told you about Ladies' Night, Nov. 29? Well, if "he" hasn't, you tell him that you're going. So don't forget, be sure and be there.

The stork paid two visits to our brothers' homes last week. To Bro. Al Vose a 9½-lb. baby girl and to Bro. Jas. Flinn, an 8½-lb. baby girl. Congratulations, boys! Bones Nellesen is around on Washington St. having petitions signed to present Frank Michelletti from moving next door to him. Frank is having Open House Saturday night. All brothers are invited. Tom Sullivan has left for Tullahoma, Tennessee, to bring his brother, Phil, back. You had better stay away from there, Tom, they might keep you there.

Our Blood Donors' group is now functioning. A group of fifty brothers are typed and ten donors have already given blood. So those of you that haven't yet been typed please get in touch with Joe Schaefer at once.

Hen.-Shields Will Entertain Ladies at Nov. 12 Meeting

Nov. 12-Dec. 10, 446 N. Parkside Ave.

From the advance notices given out by Lecturer Bill Phalen, we are looking forward to a large evening of enjoyable entertainment on the night of Wednesday, November 12, when the council will again be host to Sir Knights and their Ladies Fair.

That night Sir Lecturer Phalen is planning to present cards, refreshments and entertainment for the pleasure of the guests. Phalen is rapidly acquiring a reputation for furnishing entertainment of a high quality. In fact, in a small way, it might be said that the only difference between Bill and Barnum and Bailey is that Bill hasn't got a tent.

BOWLING

The bowlers continue to wallop the pins with righ good will, and in the last series the Costello & Son Undertakers carried the Ed. J. Riley Insurance Policy Writers away for three games. Marty Moylan rolled 209 for the Costellos, which reminds us that Marty has been on several winning teams, and in each case received a valuable gift from his sponsor. In case his team wins this year, he is somewhat dubious about a gift from his sponsor, fearful he might be the recipient of a new casket. If, by a miracle, these things should come to pass, Marty, you might use it as a plush lined "what-not" in a parlor corner until needed.

To come back to bowling, the Harwood Florals took the bouquets in two games from the Midland Pipe & Supply. An odd feature was Jack Shealy rolling three games each with a score of 167.

Ray Foley's Grill team put the heat on the John J. Hayes Hatters in two games and Frank M. Hayes Barbeques with Frank Daley contributing 202 took two from the M. C. Fogarty's Men's Wear, Harold King's 204 swinging the decision in the first game to the Fogarty's.

TOURNAMENT

WANNA GO TO CLEVELAND?—Ray Foley, Jim Ford and Tim Fleming put their heads together and with this brilliant assemblage of cerebral matter "skummed" a neat little scheme for the benefit of bowlers and members who wish to attend the K. of C. National Bowling Tournament at Cleveland, O., April 18 and 19, 1942. In order to ease the burden of coughing up the entire cost of the trip at one crack and at the same time plan entertainment and comfort for the entire trip, they have suggested a budget system whereby every member who desires to go will deposit each week with Ray Foley, at bowling meeting, or his place of business, or with Jim Ford or Tim Flemming any specified amount he so desires and same will be placed to his credit. In the event something prevents a member from going, his credit will be refunded. In this way expenses for the trip will be saved up in a painless manner.

THE SOUNDING BOARD

There is to be a Memorial Mass said for the deceased Past Grand Knights of Hennepin-Shields Council at St. Catherine's Church at 7:00 a. m. on Nov. 12.

Meeting of Dec. 10 will be Past Grand Knights' Night and present plans call for a Corned Beef and Cabbage Dinner, starting at 7:00 p. m., dinner to be served by John P. Harding. Entertainment and party to follow. More details will be announced at Ladies' Night on Nov. 12.

Pete Murphy's score in the horseshoe pitching was 1500. Now, see, Marie, what happens when you let Pete go out oftener! Contest continues, so come again, Pete, and see what you can do at the next meeting. James M. Costello is home from the Mayo Clinic and is now nicely convalescing at home.

We have hopes of converting Tom Coan to becoming a regular at meetings. The two blocks that separate Johnny Hanrahan and the hall should be no obstacle. Come, come, Johnny—be like Napoleon and march right over.

G.K. Gummins, Lecturer Phalen and P.G.K. Bill Welsh receive merited applause for their share in making the council party delegation to the Palmer House enjoy a delightful evening.

The Janitors are considering adopting a new theme song, "I Don't Want to Set the World on Fire, I Just Want to Get Lit." G'BYE.

Aquinas Has Special Program Planned for Meeting of Nov. 18

1-3 Tues. . . . . 5441 S. Ashland Ave.

Grand Knight James Sweeney and Lecturer Bill Golden have completed plans for a Thanksgiving meeting to be held on Tuesday, November 18, in the council chambers. Bill Golden has secured a movie to be shown on that night, and Jim Sweeney will reward lucky members in attendance with giant turkeys. The moving picture will be an all-sport movie showing football, basketball, bowling and fishing. In the meantime, don't forget the meeting Tuesday, Nov. 4. A suitable program has also been arranged for that night.

By sweeping three games from the Sheehys, the Peltons went into a first place tie with the McNamaras, who won two out of three from the O'Malleys. Last Friday's scores:

Peltons	781	780	800—2361
Sheehys	700	776	776—2252
McNamaras	790	721	745—2256
O'Malleys	743	753	700—2196
McGrath	664	712	799—2175
Sweeney	736	774	714—2224

The Standings:	W.	L.	Pct.
McNamara	8	4	.667
Pelton	8	4	.667
McGrath	6	6	.500
O'Malley	6	6	.500
Sheehy	4	8	.333
Sweeney	4	8	.333

High series went to Golden with 527, Pelton with 524 and McCambridge with 520 while high games went to McCambridge with 203, Golden with 202 and Pelton with 200. Joe Morris won high over average with 33 pins over. Tonight the Sheehys roll the Sweeneys for last place, the McGraths roll the O'Malleys for third place, and the McNamaras roll the Peltons for first place.

St. Paul Members Make Two Trips to Plate—at Corn Beef Dinner

1-3 Tues. . . . . 6713 Olmsted Ave.

The corned beef and cabbage dinner which preceded the last meeting went over in great style. The dinner was well prpared under the direction of lecturer, Joe McDowell, and his able assistants, Geo. Moldoven and Geo. Wallenborn. This was attested to by the number of calls for "seconds," even though, in my estimation, the first serving was extra generous. A word of appreciation is also given to those who lent a hand with the serving, particularly to Floyd Wren and Dan Kelley.

It was not generally known to the members but due to a change in the plans of one of the other West division councils, we were asked to exemplify the first and second degrees on the same night. It seems to be a matter of repetition to say that our degree team again secured the encomiums from the officers of the other councils who sent their candidates to be initiated, as this has always been the case due to the excellent manner in which our team works.

There were nine candidates including one for our own Council in the person of Casimir Luczak, brother of Bro. Steve Luczak who together with their other brothers constitute the famous Luczak plasterers. Two other candidates for membership in our Council, James Gillogly and William Maloney, were unable to participate in the exemplification but will at the first opportunity. Bro. John M. Roche was reinstated earlier in the evening while Edward A. King was accepted as a transfer member from Hennepin-Shields Council. To these boys, we extend our hearty welcome. We know they will cherish their membership in our Order and will receive the kind considerations requested for all members by the installing officers.

COMING EVENTS

SERVICES for the deceased members of our Council will be read at the 8 o'clock Mass in St. Paul of the Cross Church in Park Ridge. This one day of the year is assigned so that the members of the Council can, in a body, attend Mass and receive the Holy Eucharist for the repose of the souls of their departed brothers. It is, therefore, earnestly hoped that every member will make it a matter of his personal business to participate in this memorial service.

THE NEXT MEETING, Nov. 4, is scheduled as "Turkey Nite." No, this isn't the night when all the Irishers of the Council are permitted to ride over the wills of the other members, but it is the night when all of the members of the Council have an opportunity to get their "Bird" for the holiday festivities early. Everyone is invited but the invitation to our own Chaplain is, we understand, given begrudgingly on account of his "taking ways." They (those who complained) say that he has too much luck; more than is good for only one individual.

WE ARE REMINDED by Bro. Dr. Eddie Meyer that the St. Paul of the Cross Mayslake retreat is scheduled for October 30. This week end often referred to as the "sixty golden hours" offers a splendid opportunity to get into the spiritual dry dock to have the barnacles removed and to learn over again the principal reason for our existence in this troubled world. Those who can arrange to join the caravan should contact Dr. Eddie Meyer or Walter Holl, or Frank Gilfoyle or Eddie Simon.

WE HEAR THAT

Bro. Geo. Kaspari's daughter, Joan, will be married to W. J. Foster, Jr., on Nov. 15 . . . Rita M. Berresheim, daughter of Bro. Geo. Berresheim, will be married to Bro. Earl Grey of Park Ridge, Ill. on Nov. 8 at St. Juliana's Church by Rev. Geo. Loescher of Quigley Seminary . . . Isabel Blim, daughter of Bro. and P. G. K. Henry Blim, will be married to John Driscoll on Nov. 15 at St. Paul of the Cross Church in Park Ridge by Rev. Francis M. C. Smith.

The Luczak plasterers just finished plastering the new St. Wenceslaus Catholic Church at Lawndale and Roscoe Sts. Big jobs like that are their specialty . . . Bos. Ed Wolfe and Fank Mount boke the ice again and attended another meeting—hope they fail though at least once a month.

Gen. Sherman to Offer Thanksgiving Birds at Meeting, November 4

1-3 Tues. . . . 4300 W. North Ave.

TURKEYS! TURKEYS! TURKEYS! TURKEYS! Come and get them at the annual turkey night to be held at the next meeting, Tuesday, Nov. 4, 8:30 p. m. Don't miss this opportunity to fill the roaster for Thanksgiving Day. Come one, come all, and enjoy yourself. At the last meeting, which was Ladies' Night, a good number of the fair sex were present and all reported a good time. Some of the ladies who took home a bottle of cologne were Mrs. Arens, Miss Amedie, Mrs. Brauch, Mrs. Brefeld, Miss Diesenroth, Mrs. Fetz, Mrs. Free, Mrs. J. Janninch, Mrs. H. Janninch, Mrs. Kiley, Mrs. C. Kolsaak, Mrs. L. Kolsaak, Mrs. Lang, Mrs. Marine, Mrs. Montague, Mrs. F. Mootz, Mrs. M. Mootz, Mrs. O'Halloran, Mrs. Richter, Mrs. Veysey and Mrs. Welker.

Also on our last meeting night we held a degree at St. Patrick's Council with seven members from General Sherman, five from St. Parick's and two from another council. The penny social sponsored by the Ladies of Isabella Rosary Council at St. Philomena's hall was attended by a large number of Shermanites who did not go home empty handed. How about it, Louie?

AROUND AND ABOUT

There will be a Sick Committee appointed by Deputy Grand Knight Hans Slepicka to help him call on some of our sick brothers. Your prayers are urged for Bro. Joe Burke, who is seriously ill at his home; Patrick Buckley at Mayo Bros.; John Durkin at Hines Hospital and Fred Antlesperger. The application of James J. Keating, proposed by Bro. Max Thiel, was read off at the last meeting. Come on, fellows, turn in those applications, as Chairman Matt Ellgass informs me we will have a third degree coming up soon.

Mr. and Mrs. Louis Kolsaak left for the Smoky Mountains, Tennessee, on a well deserved vacation. Hurry back, Louie, your team needs five men. Wonder when the newlyweds, Les and Marie, will return from their honeymoon, which was spent somewhere down south.

FOURTH DEGREE: The next regular meeting of the Fourth Degree will be held Wednesday, Nov. 5, at Father Mike's Holy Name clubrooms, Taylor and Wolcott. Cards have been mailed to all the members.

CONDOLENCE: The heartfelt sympathy of the bowlers and the rest of the council is extended to Bro. Mike Marine and family, whose dear wife and loving mother was called to her eternal reward Sunday morning. As you all know, Ann was a steady rooter for the boys. The bowlers and the council attended the wake at Roche Ellgass Chapel Monday and Tuesday evenings. The funeral mass was celebrated at St. Pascal's Church Wednesday with interment at St. Joseph's Cemetery.

BOWLERS' STUFF

Well, fellows, the lineups have changed a bit since last week, with Kolsaak Undertakers in first place, Glen Realty in second, Roche Ellgass Morticians and Schmitz Printers in third, Cirone Barbers and Tremko Boosters in fourth, Klinnert Hoff Braus in fifth, Royal Blue and Collins Undertakers in sixth and Jimmy's Lounge in seventh. Joe Foy got 212, Bernie Janco 207 for his first 200 game, Ben Connelly 207, John Zoltek with five in a row 203, and Phil Lies 201. George Gies got a double but it only counted as a spare. He fouled the first one. "Boy, page Bob Shawfrank." Who was the guy running around with a hairnet? I heard him called "Dinger Ellgass." Louie Kolsaak started bowling on his own team and Sol Carbone found a place with Roche Ellgass. See you all next week.

GOV. JONES PRAISES K. OF C.

BOWLING

Our team in the majors continues in hard luck, dropping three games last Friday. Perhaps if more of the members came over to the Cascades and lent some moral support the team would start on a winning streak. It's really due soon. The boys bowl every Friday at 8:30.

In our council league the standings as of Oct. 27, are:

	W.	L.		W.	L.
Fiorito Cartg.	12	6	Taglia Pubs.	8	10

Ketteler Draws a Huge Turnout for Old-Timers' Fete

2-4 Mon. . . . . 3437 Ogden Ave.

Last Monday evening one of the most enjoyable meetings of recent years was held when a very large number of brothers gathered to honor the old Timers of Bishop Ketteler Council.

Our honored guests of all the Old Timers was Rev. P. C. Conway, one of the first chaplains of the council. Father Conway, in a very inspiring address, gave the assembled brothers plenty of think about when he explained the meaning of knighthood in the past and its significance today. We were also pleased and honored to have our present worthy chaplain, Rev. S. A. Derwinski, Rev. Joseph Makaras, and Rev. Henry Roszkowski deliver some very thought provoking remarks.

P. G. K. Frank Weichbrod assumed the gavel for the program and gave a colorful survey of the early days of the Council. Master of the Fourth Degree Phil Nilles, who was the first Grand Knight of the Council, told about the rapid growth of the Council and related some very exemplifying instances of the early days. Even though Frank Boehler doesn't look it, he did admit being the First Chancellor of the Council and gave quite a talk in his usual outstanding style. One of the first trustees, brother Frank Kaminski, who served as a trustee for sixteen years, contributed his share to recreate a vision of the days gone by. We were also addressed by brothers Barney Maier (who gives promise of being a gold mine for the scribe), Marty Ahearn, Fred Etzkorn, and Judge Micahel Tremko.

It would be quite an order to name the brothers of over twenty-five years' membership who attended this meeting. Yet, to you, one and all, we of the younger generation of knights offer our gratitude in a deep sense of appreciation of the work that you have accomplished. We hope that you will find the time to visit us at our meetings quite often in the future as we attempt to carry out the work that you initiated so successfully.

KETTELER ITEMS

It is with pleasure that we hear that brother R. Martin is recovering rapidly from his flu attack. Brother Martin expects to leave the hospital this week and we will look forward to seeing him out with the bowlers soon.

Brother John Schuchnect also has recovered from his recent accident to such an extent that he no longer is confined to the hospital.

However, we have three cases where recovery is slower and where your prayers are requested for complete recovery soon. Brother Walter Jablonski is confined to the Cook County Hospital Eye Clinic, Ward 20. As his ailment does not permit his reading, he sometimes finds time heavy on his hands and would welcome visits from the brothers. Brother John Rybicki is confined to his home with a recurrence of a leg injury and would also welcome visits. Our D.G.K. Ralph Slaski has been busy visiting these brothers and each expresses the desire to see more of their friends.

G.K. Edward Oakes reported that he visited former Recorder John Koszak, 2021 W. 21st Pl., and found him improving greatly. Here is another case where a visit would be appreciated.

Our condolences are offered to brother George Swaney whose wife passed to her eternal reward last week. Brother Stanley Becker is a brother-in-law.

A report has just reached the scribe that Dr. M. S. Krupa has been presented with a future bowler by his wife. Mrs. Krupa and the baby are doing nicely.

Brother Charles Swartz reports that his son was married Saturday at St. Casmir's Church. A reception at the Midwest Athletic Club followed.

Brother Frank Boehler came through his part of the double wedding with flying colors. He looks as chipper as ever. The ceremony was the occasion of much interest and quite a bit of space of the various papers was devoted to it. The Boehlers were made especially happy upon receiving a boquet from his Excellency, Bernard J. Sheil.

Brother J. W. Lyons received a very appropriate gift for attending the last meeting—a blanket.

P.G.K. Barney Czerwinski reports that thirty-three members have pledged themselves to do their best to secure a new member each. More details will appear later.

BOWLING REPORT

The Tomera Range Oil team was the only team to accomplish the feat of sweeping three games, the unlucky team in this instance being the Fruzyna Morticians. Al Iwanski was the heavy man for the lefthanders as he pounded out a nice 592 series and also established the second high game of the season with 255. Harold Nowakowski was the high man for the Morticians with 514.

In the embryo crucial battle for first place the Bona Drugs were able to take two games from the Wojcik Floor Sanders as Al Bona led the drug men with 509.

The other co-leader, the Dr. Peszynski Boosters, also took two from the Clifton Park Cigars and now remain tied with the Bona Drugs for first place. Ted Gomolski continued his good shooting by again leading the doctors with 552 helped along by A. March who had 534 Ed Plewa and John Lozanski were high for the cigar men with 545 and 538 respectively.

The Stanek Press were able to eke out two games from the Art Bilt Furniture team being led by those two La Salle Street boys, S. Dusek and R. Suchocki who rolled 564 and 547.

The J. B. Suerth Morticians, after a brilliant start, fell apart and dropped the last two games to the Luczak Lawyers. Vince Moravec did the heavy work for the lawyers as he dropped the pins for a 514 total. George Cummings and R. Kaczmarski were high for the undertakers with 588 and 555 series respectively.

The St. Paul Federals licked the Bilmark Tavern team twice as Dr. B. Kvasinicka was high with 535 being closely followed by Emmet Holland who had 534. S. Korbas was high for the Tavern boys with 614 and was helped along by L. Pirzyk with 522.

The Ziarko Tavern team took two from the unlucky Phil Nilles gang. Ed Wenckowski and Joe Sargent had 507 and 505 for Ziarko's while Ray Schaber was high for Phil Nilles with 553.

The Dr. Krupa Boosters also took two from the Gorski Electrics with the Doc himself leading the boys with 550 and aided by Vince Ponic's 534. Joe and Matt Foltyn shot 540 and 510 to lead the Gorski team.

The Majors, responding ably to large gallery of rooters from the council, took two games from the Feehan Council, with Dr. Krupa really blasting the maples for a very nice 647 series. Next Friday the Majors meet the strong Brownson gang so come on out and cheer for the team and see some good shooting.

Oak Park Ladies Are Well Entertained at Last Monday's Program

2-4 Mon. . . 641 S. Scoville, Oak Park

The members who were fortunate enough to be with us on Ladies' Night enjoyed a treat that will make them boosters for all future events. Following the meeting, the members and guests were entertained by pupils of the Kemper Dance School. The several numbers offered were of exceptional quality, and the performers, young as they were, showed dancing skill above the average. To these youngsters and their school the council is indebted for a fine evening.

After the dancing the members enjoyed a number of social games at which valuable awards were made. Refreshments were also served. We wouldn't mention the members attending to the serving because we fear that they might be assigned the duty of waiting on the table at home if the better half knew the efficient manner with which they did the job Monday night.

The party to be held on Nov. 15 came in for considerable attention last meeting. The Harvest party will combine cards, dancing and refreshments all for the price of the one 50c admission. Here is your chance to show that you're back of the council in its activities. This fine party will be held on Saturday night, Nov. 15, at the clubhouse. Do set this night aside and enjoy yourself.

Also round up all of your friends for a great showing of official U. S. Navy pictures on the night of Nov. 10 at the clubhouse, following the business meeting. Most of you know boys who are now serving in the naval branch of the service and this will afford you a chance to see much of the navy life that the average man never sees. These are authentic navy pictures presented by the navy department, and you will miss a great show if you are not with us on the night of the 10th. Bring all of your friends; there will be no charge.

Several of the members attended the Ahern parlors to pay their respects to Edw. Haley, brother of Mrs. Frank Ertel of the council, who died Sunday. Burial was at Mt. Carmel, following Requiem Mass at St. Mel's Church. To Bro. and Mrs. Ertel and the family we express our deepest sympathy in their loss.

Bro. Tom Johnston told us of the operation of his son, Joseph, also a member of the council, at Michael Reese Hospital. Joe is getting along well. Any of the brothers who are out that way might drop in for a few minutes with Bro. Johnston.

Bro. Hannaher of Fargo, N. D., Council is in the Oak Park Hospital following an auto accident. Any of the members who can should drop in on him and show that Oak Park has real fraternal spirit. He is in the Oak Park Council room.

"Every meeting one or more new applications" is the new slogan of the membership committee. Don't let them fall down. You must know someone who would be a good member. We must build with quality as well as quantity.

NAZARETH DOES SOME FORECASTING ON SIDE

2-4 Tues. . . 17 W. Harris, La Grange

Sport writers and so-called experts each week stick their individual and collective chins out on the various sporting pages to tell the world who is going to win from who the following Saturday on the gridirons of the country. They are pikers, they only prognosticate (boy aint that a honey) for one week. We are going to do a little forecasting ourselves and we are going to cover not just one weekend but several months. What we are forecasting is a mighty busy season ahead for Nazareth members. Just take a look at this calendar which we snitched from the files of our lecturer:

Meeting Nov. 11th! This is our annual Turkey Night. You might say this is a long time ahead of Thanksgiving Day but who knows when Thanksgiving Day will be. Anyway, that is the night set apart this year on which we will give you the bird, an actual one, not the kind the scribe gets when he makes one of his rare errors in this column. Seeing as this date is far ahead of what might be Thanksgiving Day, certain fortunate individuals will be given orders for turkeys. One thing is mandatory, however. You must be present to win. You can't collect by staying home. Mark the date and be on hand.

Next comes our annual dinner. This year, the event will be bigger and better than anything ever seen before. This is to be an anniversary affair. Here's the dope. The date, Nov. 15, Saturday night, which makes it ideal for us. The place—Edgewood Valley Country Club. How do you like that? Nothing but the best for Nazareth. We are fortunate in being able to obtain this club for our party and it was only due to the untiring efforts and influence of certain of our brothers that we succeeded. We knew when P. G. K. Galvin accepted the chairmanship of this committee we would have something worthwhile. Bill never was one to do things halfway. His policy has always been that if anything is worth doing it is worth doing right.

Here is the program for the evening. At 6:30 P. M., we will hold a reception at which time you will be given a chance to visit around and meet your friends. Promptly at 7:30 P. M. dinner will be served. We cannot tell you at this time what the bill of fare will be but we assure you it will be something to please your palate. There will be many dignitaries present, including all the P.G.K.s of Nazareth that are available. The speechmaking usually so tiresome at an affair of this kind will be cut to practically nothing. We have Brother Galvin's word on that. The evening will be given over to enjoyment. The price is $2.25 per plate and we guarantee it will be worth it.

Other dates to watch are Nov. 25, Dec. 9 and Dec. 23. On Nov. 25 we will hold Father and Sons Nights. On that night we will have movies of the American league in action. We know that you American league fans will go for this one, and we suggest to you National leaguers that you come in also so that you may see just how big league ball is played. This is an open night, so bring along your men friends, particularly anyone who might be a prospect for membership. Leave the women folks at home this night. For the meeting Dec. 9 we have not received any definite information. On Dec. 23, we will hold our annual Christmas Party for the youngsters.

We still wonder what has become of certain of our brothers whom we do not see at meetings. We have in mind Al. Wagenknicht. Haven't seen him for so long we have almost forgotten him.

Many of you will remember the late Emil Vodak, who was such an earnest worker in our ranks. Catherine Vodak, one of Emil's daughters, was recently married to Lawrence Gibbney of Westmont.

PIN POINTS

Last Monday night the runaways of the bowling league were caught and handcuffed. For some time the Elms team has been giving that Universal outfit a tough chase. The Elms, however, could never get up quite enough steam to catch the leaders until last Monday night when they not only caught them but passed them up. While the Universals were taking two from the Watkins team, the Elms team were nailing the News Agency for three, hence the Elms now lead by a margin of one game. The Fairviews took two from the Triangles and the Lindy's did the same to the McGough team.

The Lukes took Leo's Chickens for three, which brings the latter team too close to the cellar for comfort. Standings, including games of Oct. 27: Elms, won 16 lost 2; Universals, won 15 lost 3; Triangles, won 11 lost 7; Fairviews and Lukes are tied with 9 won and 9 lost each; Lindy's, won 8 lost 10; Watkins, won 7 lost 11; News Agency, won 6 lost 12; Leo's Chickens, won 5 lost 13; McGough's, won 4 lost 14. We suggest that you be at the Tivoli alleys, Downers Grove, next Monday night. The Elms will battle the Universals for that coveted first place. Both teams swear that they will massacre their opponents.

St. Anthony Will Leave for Mayslake Retreat This Evening (Friday)

1-3 Thurs. . . . . 73rd and Grand

Are you making the retreat at Mayslake? Now is your opportunity and we hope you are taking advantage of it. Remember we leave Friday night, so be ready on time. We know you will enjoy every minute of it.

Our next meeting will be Thursday, Nov. 6, and due to the fact that Thanksgiving Day falls on our next scheduled meeting night, this will be the only meeting during the month of November. It promises to be very interesting. We will be honored with the presence of such dignitaries as Ray Gleason, State Secretary; Henry Lynch, President of the Chicago Chapter; Bob DuMais, State Blood Donor Chairman, and Ludwig Streck who did such a fine job as barbecue chairman. There will probably be many others. Incidentally, if you haven't been typed, technicians will be on hand to take care of that detail.

Last Tuesday, six of our candidates received their First and Second Degrees at St. Paul of the Cross hall. From what we hear, they were very nice degrees. We are happy to inform you that Bro. Tommy Doyle is out of the hospital and expects to be working in a few days. Bro. Dominic Palmere is also recovering from his case of flu and will be back soon.

De La Salle Requests Large Attendance at Next Tuesday's Meet

1-3 Tues. . . . . 1105 E. 47th St.

Romans, fellow countrymen, relatives near and far, Mark Anthony is about to address you. Our next meeting will be Nov. 4 and we expect to see you. Our friends on the sick list, Bro. Troy and Bro. Daly, are doing nicely, and we pray for the speedy recovery of Bro. James E. Morgan and Bro. John P. Lynn. We are glad to announce that Bro. Tauss's daughter is well again, after a short stay at St. Bernard's hospital.

Our last meeting of Oct. 21 was well represented, and the business discussion was short and to the point. Bro. Bill Bardon was absent with a bad cold, but just the same, he saw to it that the boys were well taken care of. Bro. Oscar Grieb prepared the delectables, and did a very nice job.

While on the subject of food, our next Communion Breakfast will be at the Council Hall, and we are promised a breakfast of breakfasts, fruit juice, puffed rice and cream, rolls, butter, coffee and tea, baked ham or sausage. So make a note of the date and time: 8 o'cock at St. Ambrose Church, 47th and Ellis, and thence to the Council Hall.

Bro. Engle won the attendance prize. More luck to you, John. Bro. James G. Condon and Bro. Joseph C. Murphy passed on to their eternal reward. May their souls rest in peace. We were glad to see Bro. Blask at the council meeting.

Bro. Fred Henning, we missed you in your accustomed seat; hope everything is all right. Bros. Patrick Sullivan, Stanley Dawson, John Claffey, James Sheehan, Dan Rafferty, John O'Neill, Dan Mahoney, Tom McArdle, John McCarty, how about putting in an appearance once in a while?

News of news, the boys voted to pay a dividend, when and if, so times are picking up. Knights' and Ladies' Night is on the card for the next billing, and your phone will be tingalinging. A few details are to be worked out with our Lecturer, and I promise you a night of nights. So my dear friends, Shennah.

TONTI TO SPONSOR TURKEY NITE, NOV. 6

1-3 Thurs. . . 4221 Irving Park Blvd.

Yes sir, that's right, November 6th, will be Turkey Nite at Tonti Council. Lecturer Ray Ruzkowski announced that 10 turkeys will be given away FREE. History tells us that for the first Thanksgiving, the Pilgrims had to go out at the risk of their lives, to get their turkeys, but in 1941, Tonti makes it very convenient for you to get yours. Just attend the November 6th meeting and take the bird home. By the way, meetings start at 8:30 p. m. promptly.

MAYSLAKE RETREAT — Have you made arrangements to go with the Tonti delegation to Mayslake for their Annual Retreat? This is the last call as the boys leave Friday evening, November 7. If you can't make it Friday, you can still go Saturday, November 8, and we'll all be back in time for work Monday morning. Persuasion should not be necessary. Sixty Golden Hours in Our Lord's company makes its own appeal. Trustee Ed Deka, chairman of Mayslake Retreat, reports that indications point to the largest group ever to represent Tonti. You can still make your reservation at Thursday's meeting.

BARREL OF FUN

Our Council has inaugurated a movement to keep our brother members who are in the service of their country supplied with cigarettes, shaving cream, blades, stamps, etc. The Barrel of Fun stands in our meeting hall, ready to receive anything you way wish to deposit to be sent to the five boys from our Council in the armed forces. Alongside this barrel, there is an honor roll listing the names of those who contributed a dollar or more for this cause.

Christmas is near at hand, and the boys who will be away from home and loved ones will surely appreciate a Xmas gift package from the Council, which the chairman of welfare, P.G.K. John Olsta is planning to send them. At the last meeting, His Honor, Judge Peter H. Schwaba, enthusiastically endorsed the fine idea back of the Barrel of Fun, and immediately subscribed to the Honor Roll of Tonti's Welfare Defense Social Club.

TEMPEST FUGIT—Only two months remain in which to attain our quota of twenty new members before the end of 1941. Have you convinced that prospective member that he should join Tonti and that great Catholic lay organization, the K. of C., which is banded together for God and Country? Perhaps the insurance features may also attract him. You want Tonti to become a member of the "Quota-made Class," do you not?

Chancellor Al Zelazny has arranged for the Council's Memorial Mass to be offered at St. Wencelaus Church, Sunday, November 30. It is the wish of the Grand Knight, Louis T. Buettner, that all members attend this mass and offer their prayers for our departed brothers as we know not when or where our time will come, and we too, will be needing the prayers of those who survive us.

Other dates to bear in mind are: December 4th, Christmas Cheer Party; December 18th, Xmas Party; Saturday, January 17, 1942, Tonti, Big Dance.

PERSONAL—Bro. Thomas C. Mikulski, also known as "Mighty Tom," with his bow and arrow, into the great wilds of Wisconsin, went hunting for (dear) Deer. Cupid Tom came back with his usual good disposition, a slab of bacon, and no deer. Better aim next year. Excuse, bad weather . . .to be checked by Scribe sometime next summer.

Auburn Park Enjoys Initial Program of Lecturer Dick Knight

2-4 Thurs. . . . . 7740 S. Emerald Ave.

Our meeting of Thursday evening, Oct. 23, was the first since Past Grand Knight Richard J. Knight assumed the duties of Lecturer, and he got off to a grand start, for after a short business meeting Bro. Knight, through the courtesy of Past Grand Knight and present Lecturer of Dowling Council, Bro. Earl Dunne, presented the pictures of the Notre Dame-Southern Methodist football game at South Bend.

The picture was in technicolor and was most interesting. We extend our appreciation to Bro. Dunne for his kindness in coming out and showing this picture himself. After the picture Bro. Knight arranged for refreshments, and a most enjoyable time was had.

IN MEMORIAM

It is with deeep regret that we report the death of the mother of Bro. Jack Trehey, who passed away last week, and while the council was not notified in due course, it was still possible to contact some of the members over the telephone so that some attended the wake in a body and offered up prayers for the repose of her soul. We extend to Bro. Jack Trehey and the bereaved members of his family our deepest sympathy. May her soul rest in peace.

Brothers, we again want to caution you on the importance of notifying some of the council officers when the Angel of Death strikes your beloved ones. This is one of the charitable features of our Order to pay our respects to the dead, and it is rather difficult to carry on in a proper manner unless due notice is given so the membership may be notified in a proper manner.

OUR APPRECIATION

At a recent meeting of the council the matter of the softball banquet was discussed and it was the unanimous opinion of the members that Auburn Park Council would send the entire softball team to the annual dinner sponsored by the K. of C. Softball League, which is to be held at the Midwest Athletic Club, Thursday evening, Nov. 6.

A further indication of the appreciation of the membership of Auburn Park Council toward their softball team in winning the division title is that each member of the team is receiving a sweater with the Knights of Columbus emblem on the sleeve and the name of Auburn Park thereon. These boys gave of their time and effort in the interest of the council, and they really did a good job from a publicity as well as a membership standpoint. The announcement regarding the date of the meeting at which these sweaters are to be awarded will be announced later.

While endeavoring to accumulate data for the next issue of the Columbian, we just received a four page letter compiled by our Worthy Treasurer, Bro. George Wrocklage, giving the accomplishments of Auburn Park as well as some future activities of the council. In addition to his many duties as Treasurer, George finds time to get these letters out to the membership at least once a month. Keep up the splendid work, George; we all look forward to receiving these interesting letters.

ARMISTICE DAY

For the past five years our council, as a community service, has always set aside the Armistice Day celebration in Auburn Park as our contribution to the community, and this year the affair will be held on the night of our regular council meeting, Thursday, Nov. 13. Our Deputy Grand Knight, Bro. John Coughlin, is handling the affair and has invited as the speaker of the evening the newly elected District Commander of the Fourth District, Comrade Tony Hilgers, who is no stranger to Auburn's members. More particulars on this will appear in future issue of the Columbian.

GERAGHTY COALS

The bowling team Geraghty Coals is sponsored by Mr. M. J. Geraghty, whose business is located at 611 W. 69th St. He resides in St. Sabina parish. The name Geraghty Coals is well known to the young men of the Auburn Park district. For the past several years Mr. Geraghty has sponsored softball teams to further the cause of good clean fun for the young men. The fighting spirit and all around good playing has made the name "Geraghty" a well known by-word wherever a group of young men start talking about softball. We hope and trust that at the end of the season they will say the same about his bowling team in our league. If you are in need of coal for the furnace or stoker and coke for the hot water heater, be sure and keep the Geraghty Coal phone number handy. It is Aberdeen 3300. Be sure to mention Auburn Park Bowling League when you place your order.

Weber Anticipates a Large Degree Class Next Monday Night

1-3 Mon. . . . . 4758 S. Pulaski Rd.

There comes a time in everyone's life when a person gets stuck and can't talk his way out. Right now happens to be my time. I'm supposed to write a column for Weber Council for publication in The Columbian. Well, the truth of the matter is that I have no news to write.

May I remind you again that on Nov. 3, that is this coming Monday, Weber Council will hold its meeting, and after the meeting the first and second degrees will be conferred on a class of about 35 to 40 new candidates.

Of course, I don't have to tell you members who have candidates for this class to be sure to see that he gets to the council chambers on time. I guess you'll take care of that angle all right, I hope.

You know that Weber Council has an officer known as Financial Secretary, and you know what his duties are. So come on over and pay up some of those back dues.

And then we come to that little old Xmas cheer box. Mustn't forget that every penny you drop in helps to make another dollar. Be a little generous, won't you?

To continue with this list of things you needn't be reminded of, how about that guy they picked as scribe? Where in thunderation do you think he's going to get news without cooperation from you?

And since it so happens that I, Leonard A. Bragiel, of 4343 S. Drake Ave., happen to be that scribe, you can turn your news items over to me, and if you've never seen appreciation before, you'll see it then. Tel. Laf. 5822.

Remember Monday's meeting.

Dan. O'Connell Urges. Larger Gallery to Give Pinmen Moral Support

2-4 Tues. . . . . 1100 N. Franklin

Last Monday evening Daniel O'Connell's keglers performed quite admirably before their sponsor and his wife, Judge and Mrs. Quilici. Though their bowling was very good they were pitted against a team who was rather "hot," as we say, and were only able to capture one of the three games. The O'Connell spectators consisted of several P.G.K.'s, their wives, several officers and their wives, and a goodly number of members. This is the kind of a following that will bring our team out on top. The bowlers are always glad to see a friendly face in the gallery, so come up any Monday night that you wish. Bowling begins at nine bells and you will have a lot of fun as well as meet some of your old cronies.

Our statistical department informs me that we have to date 45 new applications, 5 reinstatements and 3 transfers. That attendance record we set last meeting should incite those who haven't been to a meeting for a time, to come up and see what is happening in the council chambers. You'll be surprised, and maybe we can break that record in the near future.

Lest we forget, the big dance is to be held Feb. 7, 1942, at the Foresters Hall, Dearborn and Oak St. Don't think we have forgotten about it, we've just given our Lecturer a breathing spell. He promises to have the ball rolling before you can say "Victor LaPorte." In fact, the ball is rolling already. The tickets, ad stubs, and miscellaneous items will soon be in the hands of the various chairmen, and from then on there will be such activity that the imagination of the most optimistic will be put to shame. KEEP THE BIG DANCE IN MIND.

HITHER AND THITHER

Visitors (?) at the speeders' court recently were Carl "The Shiek" Scimeca, and our G.K., Edward Gauna. Bro. Gauna reports that he fared O.K. How about Carl? What was the big noise at the last meeting? Bro. Sam Cirone and his 300 lbs. taking seat on one of our folding chairs. He proved they were folding chairs.

Bro. Frank Marino, who pitched the Macon Peaches to a pennant with his 19 victories and only one loss, is back in town again, and has a record of not having missed one meeting since his initiation. He promises to be with us every second and fourth Tuesday. Next year he will perform for the management of the Chicago Cubs. Best of luck to you, Frank.

At Oak and Sedgwick Sts. they are known as the Rock of Gibralter, but to us they are known as Bros. J. Spatafora, Vasile, Plescia, Ohlinger, Matteelli, and the Gugliotto Brothers.

We are very glad to hear of the complete recovery of Rev. John M. Lauretti. I am informed that his speedy recovery is due to the fine attention of Bro. Joseph Reggio and his cohort, Sam LaScola.

Here is the finest piece of advice that has come to my attention in some time and I pass it on to you: Any one man in the council can give it a bad name, but it takes all the members working in unison to make the affairs of the council a success. Let's work in cooperation with the officers, and make the council a success.

Englewood's Meeting Program Is Enjoyed by Large Gathering

2-4 Mon. . . . . 150 W. 69th St.

The last regular meeting of the council held Monday evening of this week was very well attended. Due to the fact that our Worthy Grand Knight, Richard Phillips, is still confined to a hospital, Bro. Harry Delaplane, our worthy deputy Grand Knight, presided.

The regular business of the council was disposed of with the expedition of a veteran chairman, after which the Brothers were entertained by Mr. Lloyd G. Miller, who submitted for our approval several hundred feet of film taken at the Brookfield Zoo, a large percentage of which were in technicolor. In addition he showed a short reel of Popeye. These were to say the least very interesting and one might add that they were well selected. Of course they were much appreciated by all.

In addition Mr. Miller explained the intricacies of camera work and offered for examination various types of "way back when" snapshots for comparison to the up-to-date snaps. Bro. Leo Jann, former chancellor, was the lucky winner of a prize photograph donated by Mr. Miller.

MEMENTO MORI—Our worthy chaplain, Father Gaheb, gave his usual interesting discourse, his subject on this occasion being "remember the dead." He reminded us that it was our duty, particularly during the month of November, to remember the poor souls in Purgatory.

COMMUNION SUNDAY—Bro. Geo. Johnson reported that our worthy treasurer has made arrangements to receive Holy Communion on Sunday, Nov. 30, at the 8:00 o'clock Mass at St. Bernard's Church. The usual tasty breakfast will be served by the McHale-Englewood court, C. D. of A., after Mass.

SICK LIST

Our Worthy Grand Knight, Richard A. Phillips, is now confined to the Chicago Memorial Hospital, having undergone another serious operation on Friday, October 24. We are indebted to a member of Fort Dearborn Council, who generously provided blood in this emergency. Our worthy treasurer, Adolph Minster, is again confined to his home. Past Grand Knight, Steve O'Connor, is still convalescing at home, as is also Bro. Fred J. Wall. The worthy F. S. is in receipt of a letter from an oldtimer, Jos. T. Toomey, who states that he is feeling quite a bit better.

Also among the sick are J. Edwin Koch, who was in Hines hospital for a minor operation and is recuperating at home, and C. H. Huguelet, Jr., who was ill and unable to attend last meeting.

VISITORS—Grand Knight McGuire and Advocate Tom Fay of Loyola-Hyde Park Council paid us a visit and extended an invitation to all members to attend their Eighth Annual Fiesta, Saturday evening, Dec. 6, at 6310 Woodlawn Ave. Admission is only twenty-five cents; you will have a good time and will be helping the children's Christmas Benefit Fund.

Bro. Richard Prendergast attended the meeting after an absence of seven months, during which time he was in the service of Uncle Sam. He is now relieved of duty due to the age limit of 28 years.

NCCS AID TO NEGROES COMMENDED

Washington.—The interest of NCCS workers in the welfare of Negroes, evidenced in their operation of a new USO club for Colored soldiers at Fayetteville, N. Car., was praised by William H. Hastie, civilian aide to the secretary of war.

Five former presidents, Van Buren, Tyler, Fillmore, Pierce, and Buchanan, were living when Lincoln was inaugurated.

At Ravenswood's 'Morgan Nite'

LEO M. FLYNN
State Deputy

RAYMOND F. GLEASON
State Secretary

1-3 Wed.....1521 Wilson Ave.

Worthy State Deputy Leo Flynn and State Secretary Ray Gleason will be present at our Nov. 5 meeting to honor PGK Charles Morgan. They will be accompanied by several other Knights of Columbus dignitaries of our city and we expect to have the officers of several neighboring councils on hand. PGK Beaton and Lecturer Carroll, with the help of GK Citti, have scheduled a very interesting entertainer to help make it a merry evening.

This is the last edition you will receive before the big affair. The business meeting will start a little early and will be not too long so as to enable us to present everything on our program. To be on the safe side and so you won't miss any of the excitement you will do well to be on hand by 8:15 that evening.

It shouldn't be necessary to repeat that the party is brought about by our desire to honor one of our most outstanding members, PGK Charles Morgan, but just in case there is one among you who has missed a couple of editions, you now know what's going on. Incidentally you are invited, in fact urged, to bring your Catholic friends that you would like to interest in becoming Knights of Columbus members. It will be an excellent opportunity for you to display the work of our order at its best.

Trustee Wilbur ("Hub") Beaton is carrying a big load in promoting this party to fete Bro. Morgan. He is receiving able assistance from GK Michael Citti and Lecturer Al Carroll. As you know, all three of these men are busy with responsible posts in their respective business lines. You can do much to make their task easier by being among those present for the festivities and by reminding a few of your old K. C. cronies that there is to be a big party and urging them to come to 1519 Wilson Ave., Nov. 5.

We might also mention that all the old-time officers of our council will make an especial effort to be among the crowd. So you can see that there will be many ways to amuse yourself besides eating. Besides the entertainment, speeches, refreshments, visiting and "kidding," it is said that the Hoylers will hold "open house"—and you know what that means!

We mentioned that PGK Beaton was a busy man, but we neglected to tell you that he has been quite ill but now is definitely on the mend. He was kept away from work and confined to his bed for the better part of two weeks by the flu bug. Mrs. R. E. Kenney, who was injured in an auto accident, has made a speedy recovery and is now able to drive the new car forced upon the Kenneys by the demolition of the former family auto. Mrs. Clem Mawicke has been in ill health for the past few weeks but is reported to be considerably improved. Bro. Jimmy O'Reilly has been ill, but unfortunately your scribe has been unable to learn whether he has recovered sufficiently to return to work.

Genoa Seeks Larger Attendances to Enjoy Fine Meeting Programs

1-3 Mon. . . 7439 Cottage Grove Ave.

G. K. Robert Stadler is asking the full cooperation of the membership in trying to make the meetings of Genoa Council the finest anywhere in the city. With the Athletic night as a starter it is hoped that this will be accomplished. Lecturer James Hynan has arranged a full program for the coming meeting nights. Lecturer Hynan has planned interesting meetings with plenty of vim, vigor and vitality spread throughout the council. G.K. Stadler and the officers of the council urge every member to make an effort to attend at least one meeting a month.

If you have been away for some time and been unable to attend for one reason or another let's let bygones be bygones and start anew at this time. Call a former member up and make arrangements to go to the meeting with him. Every effort will be made to make it a most pleasant evening for you and it won't be hard to get back in the swing of events again. We need your support. We ask your sincere cooperation.

The next meeting will be held on Monday, November 3, at 8:30 o'clock p. m. The meeting will start on time and you will be permitted to get home at a reasonable hour. Will you do your part?

MEMBERSHIP

Chairman James F. Riley, Jr., of the Membership Committee has started the ball rolling for the new candidates for membership. Every member of the council is urged to get at least one new member. With a little bit of effort on your part you should be in a position to say that you have secured at least one candidate. Times are better and men are working. Contact your boy friends, tell them the advantages to be gained by belonging to the largest fraternal organization in the world, the Knights of Columbus. Get their applications and have them become members of the council.

During the past week a sister of Chancellor Leo Schavone died at her home in Boston, Mass. To Bro. Schavone and the members of his family we express our heartfelt sympathy in this hour of sorrow. May her soul rest in peace.

St. James Will Reward Softball Squad With a Trip to Nov. 6 Banquet

2-4 Monday.....64th and University

The Council will send its softball team to the softball banquet on Nov. 6 at the Midwest Athletic Club. The officers and members are justly proud to have a championship team in our division and a third placer in the league. We wish to extend sincere thanks to the entire team for the fine service they have rendered for the Council.

Bro. Mike Connelly managed the team very well. Bro. Charles Merigold, our pitcher, proved to be a very valuable player and with the help of Bros. Bird, Sink, Velk, Snider, Enright, McGreal, Beck, Thornton, McKenna, McSweeney, Doll and the Connollys help to make a championship come true. We also haven't forgotten the wives of these players who have cooperated wholeheartedly with the team, many thinks to you ladies.

Now, all the members can be boosters of the team by attending their banquet. Make your reservations through League President Joe McGreal, telephone Virginia 9578 or make it in person at his gas station, Champion Oil Co., at 4513 S. Western Blvd. All that the ducats will cost you will be $1.75.

PARTY HITS ALL TIME HIGH

The Harvest party is now recorded in the history of St. James as a great success. The attendance, the entertainment, the mask parade, the music, the food, everything was excellent.

The door committee, Bros. Quinn, O'Connor and Henry Steffens, reports that the attendance nearly hit the 300 mark and extra tables and chairs had to be set up. Sincere thanks are extended to Bro. Duby with reservations for forty couples, most of whom were members of his Moose Lodge No. 44. The softball team who also had about forty couples, and to our District Deputy Pat Noonan, to Bill Burke, to the Steffen and Strobel crowd, to Bro. McGillivray, Dan McKenna, and to all others who by their presence made the party a success. Bro. Dr. Clarence J. Strobel took care of the reservations and seating of all in a fine manner and without a hitch nor complaint, and thanks the members for their cooperation.

KING AND QUEEN OF THE BALL

Because of the many beautiful and original costumes, the judges, consisting of D. D. Pat Noonan, Bill Loftus (Mgr. of Bond's Clothing Store in Englewood), and Mr. Ed. Enlow, Governor of Moose Lodge No. 44, had difficulty in selecting the winners. However, after the grand march, Bro. and Mrs. Mike Connolly, who made a striking appearance in matching colorful Russian costumes, were chosen King and Queen. Mrs. Connolly received a beautiful bouquet of flowers and Mike was awarded a traveling kit. Second prize went to Mr. and Mrs. Semonetti. Mr. Semonetti, a small person of about 250 pounds and 6 feet tall, was dressed as "Baby Snooks" and Mrs. Semonetti as "Buster Brown," you really would have to have seen them to appreciate their costumes.

Third placer was a "Rip-Roarer," no one knew their identity, some thought it was Bro. and Mrs. Joe Ferraro, others thought it was Bro. and Mrs. Joe McGreal, and others had their ideas. However, it turned out to be the Chairman of Bowling Bro. Paul Sink and his missus. Mrs. Sink made a wonderful farmer, but Paul, ah me! what a sight! For those who inquired the whereabouts of Bro. Joe McGreal, they were surprised to learn that Bro. Joe was the beautiful girl with the freckles. He asks that all the dates be cancelled. Bro. Charles Merigold was the clown in more ways than one and had everyone laughing.

Bro. John Herndobler, the Army Srgt., came as a flapper, but we never did find out who was Aunt Jemima. There was even a baby doll forgotten by one of the members or his wife, Bro. Henry Steffen's missus now has it and will give it to its proper owner. Bro. Henry Steffens wore a full dress suit which would fit a much smaller man, and Bro. Kilgallen came as a Spanish Don. Some of the out of towners were Mr. and Mrs. S. Bower, Mr. and Mrs. D. Puterbaugh, and Bro. and Mrs. J. V. McGuire.

Headlight of the evenings entertainment was the songs by the Singing Waiters composed of members of the Choral Club of St. James Council. I wonder if the Bard of Emerald Ave. commonly known to Madonna Council members as Bro. Ralph Donegan, enjoyed the party, there were so many there I could not find him. The officers of St. James wishes to express their appreciation to the Beverage Committee, Bros. Larry Duby, and the Steffens boys Ralph, Frank and Ray, the card committtee, Bros. Henry Woodmaster and Dan Kisello, and not forgetting the workers in the Casino, Bros. Groark, Davis, Ruane, Wigdahl and Duffin. The food was handled by Ambrose Burke, who did a wonderful job. The scribes of the various councils are thanked by the officers for carrying the publicity of this party in their columns.

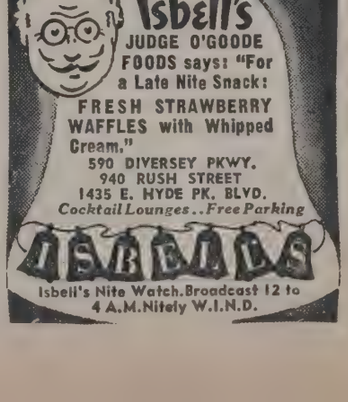
Bro. Larry Duby and his brother Moose of Lodge No. 44 are holding a Harvest Festival at 426 W. 63rd St., Nov. 1, admission is 35c including tax, this is tomorrow night.

R.I.P.

D.G.K. Groark regrets to report the death of the sister of Bro. Clarence Phillips who was buried last Wednesday.

CATHOLICS TO MARCH ON FEAST

Washington.—Thousands of Catholics will march in parades and attend services marking the Feast of Christ the King in the see cities of the Archdioceses of Baltimore and Washington.



Carroll to Hold Father and Sons' Night Tuesday

Next Meet Nov. 4....6 N. Hamlin Ave.

ATTENTION! DADS AND LADS! Charles Carroll Council has another treat in store for you at its "ANNUAL DADS' AND LADS' NIGHT," next Tuesday evening, Nov. 4, at the Midwest Athletic Club, 6 N. Hamlin Ave. This annual treat usually attracts a very large attendance and the committee-in-charge is ready to handle an overflow.

The featued attaction of the evening will be the showing of the e cently eleased film on Catholic Youth Organization activity. Past G. K. and C. Y. O. boxing director Tom O'Connell will be present with some of the Chicago C. Y. O. amateur boxing champions who defended their perfect record in international competition at Soldier Field against the invading ring kings from Hawaii.

Gifts will be given to the lads and the lucky attendants. The evening will be concluded with refreshments especially suited for the occasion and the delight of every dad and lad.

NOVEMBER 15

Forecasting a complete sell-out, reservation orders for Carroll's annual "Fall Party and Supper Dance" have been coming in "fast and furious." With only a few tables still available, the party committee is completing plans for the largest affair of this kind in recent years. If you were planning on being at the table of another member and haven't ordered your reservations you should take care of the matter at ONCE!

The affair, as in previous years, will be held in the main dining room of the Midwest Athletic Club. Tickets are priced at $1.50 per person. Although the affair is not strictly formal, the committee members are requested to wear the dinner coat (tux). Formal wear may also be worn by the dinner guests, if they prefer.

In charge of door receipts again this year will be our Recorder George F. Rauh, who will be assisted by Edward L. Baker and Joseph A. Mate. For last minute information "on the battle front for reservations" and your chances for "victory" communicate with Party Chairman Ken L. Torgeson at Kedzie 7328.

ANOTHER SUCCESS

A tremendous success was scored, when more than two hundred knights and their ladies attended Carroll's recent "Ladies' Night" affair in the main dining room of the Midwest Athletic Club. This yearly event always results with a capacity crowd and this year's affair was by no means any exception.

The ladies were overjoyed by the attractive boxes of candy which were given as the compliments of the Council. The main part of the evening was taken up with a card social and at the close of the games one-pound packages of bacon were presented to one guest at each table. During the games, the guests were entertained by Don J. Foose, organist and director at St. Mel's Church. After the players had completed their games and declared one winner at each table, famous Midwest A. C. coffee and cake was served. Over fifty handsome and useful gifts were offered to the lucky attendants, besides twenty-five one-pound packages of bacon.

Lecturer Ken L. Torgeson wishes to take this opportunity of expressing his sincere thanks to those members who offered their assistance so ably in making the evening a real Carroll success. They are Edward J. Whalen, George F. Rauh, Robert O'Day, Matthew Shea, Daniel J. Ryan, Sr., Joseph Mate, Michael P. Martin, George J. Hunt, Frank O. Hubbard, Francis Griffiths, Sr., John Fleming, James J. Crosby, Joseph Bradley, Daniel J. O'Connell, Joseph J. Byrne, John A. Lawlar, Edward L. Baker, and Frank O. Hubbard.

Thanks is also offered to the following ladies who served on the committee-in-charge of the card social, Mrs. George F. Rauh, Mrs. James J. Crosby, Mrs. Frank O. Hubbard, Mrs. Michael P. Martin, Mrs. Daniel J. Ryan, Sr., Mrs. Edward J. Whelan, Mrs. Robert J. O'Day, Mrs. Frank Griffiths, Sr., and Mrs. George J. Hunt.

CARROLLITES

Dan Cupid has not fallen down on his job of shooting arrows at the members of Carroll Council. The latest addition to his long list of "victims" is the name of James J. McGough (Officer McGough to you), who was married to the lovely Miss Margaret Sullivan. Although the membership did not hear of this happy news until recently, they want to express their best wishes for a life of happiness, health, and prosperity to Mr. and Mrs. James J. McGough.

Pvt. Joseph V. Powers writes that he has returned from a two-month maneuver and is now receiving his mail at Camp Forrest again. You may write to him at Company C, 108th Engineers, Camp Forrest, Tennessee.

Pvt. Dan Ryan, Jr., writes from Camp Forrest: "Kill the fatted calf and set up the drinks, I am coming home on a fifteen day furlough, Tuesday, Oct. 28. Hot dog!"

George J. Hunt will have his tonsils removed on Thursday at St. Ann's Hospital but will be in attendance at our next meeting, Nov. 4. Ice cream and jello will be on the menu for George!

De Soto's Degree Team Performs in Usual Fine Manner

2-4 Fri. . . . . Clark and Belmont

At the last meeting De Soto initiated nineteen candidates into the First and Second degrees of the Order. Members in attendance witnessed one of the most inspiring and impressive ceremonies ever to take place in our Council Chambers. The officers and members of neighboring councils who were present at the meeting were loud in their praise for the manner in which De Soto's degree team conducted the ceremonies.

P.G.K. P. N. Kandel, acting in the role of master of ceremonies, really kept the program moving in grand style. G.K. Eugene C. Scanlon, P.G.K. A. C. Birren, P.G.K. Jack Thomas, Dist. Deputy Henry L. Phoenix, Chancellor C. J. Strehlow, Fin. Sec. Richard A. Erbach and Warden Joe Cella were magnificent in their portrayals of the various phases of the degrees.

The male chorus under the leadership of Pres. Frank Kennedy and directed by Bro. Bud Hugelet rendered the vocal accompaniments which added much to the splendor of the occasion.

The candidates initiated into the degrees were Edward H. Dahm, John C. Diver, Leroy V. Foley, John H. Getner, Joseph H. Gottman, Jr., Thos. H. Gottman, Robert W. Kilday, Oliver A. Braid, Lawrence R. Brady, Joseph Casolary, Frank Krings, Dr. John E. Maloney, James McNamara. Michael J. O'Malley, Edward J. Schemitsch, Ferdinand Szolinger, George J. Weber, James T. Paskett and Wm. Miller.

Among the visitors at the meeting were G.K. Maggorio of St. Cyr Council, G.K. Ed Guana of Daniel O'Connell Council, G.K. Al Irving of Columbus Council, and G.K. Elmer Martin of Illinois Council.

All of you racing form dopesters and hayburner followers had better brush up on your system of beating the horses for on November 14, Lecturer Irv Schultz and his committee are bringing the races to De Soto. With this advance notice the members should be in rare form. Don't miss this meeting, it will be good.

FOUND

Flash! D.G.K. Fitzsimmons located!

The absence of D.G.K. Frank Fitzsimmons at the past several meetings caused your scribe to take it upon himself to determine the reason. We thereupon dispatched one of our assistants on a scouting tour with instructions not to return until Fitz had been located, and he was not to allow any phoney disguises to fool him.

He had only been gone a few minutes when he telephoned, summoning us to the stage of the Loyola Community Theatre. Upon entering the stage door the first person to meet our glimpse was old "Father" Fitzsimmons hiding behind a reverend's collar and the get-up of a parish priest.

After delving further into the reason for his strange appearance, we learned that for the past several weeks he has been kept busy memorizing 562 lines of an Irish play entitled "Shadows and Substance" in which he will play the leading role of the "Canon!"

The presentation of this play on the evenings of Nov. 3 and 4 at the Loyola Community Theatre will launch the opening of the 15th season of that organization which this season is under the direction of P.G.K. Frank Wohlleber as president.

G.K. Gene Scanlon recently announced the appointment of Bro. Bill Glancy as chairman of the Christmas Cheer Committee. This appointment serves to remind us that the holiday season will soon be here and that we should make a little extra effort to see that it will be a happy one for those less fortunate individuals at the institutions.

One of De Soto's soldiers, Bro. Clarence Rouen, home on a limited furlough, attended the last meeting and looked in his nattly uniform.

Bro. Roy Kern is convalescing at home, 3423 N. Seeley Ave. Drop up pay him a visit.

Now that you brothers have gotten into the swing of things (we and are writing your weekly lette our members in the service we pas to you the address of Bro. Robert Ho Battery B, 31st C. A. T. B., Camp lace, Texas.

What is this we hear about Bro. Cella bowling a good golf game? rolled a big "81" Tuesday evening a still hearing about it. We would sa was probably unnerved by the anti his opposition.

De Soto's entry in the North Div of the K. C. League is now in first by two full games. On Monday eve the boys took two games from F O'Connor Council while Brownson dro three games. "Chuckie" Tripp led way for De Soto with a big 616 serie

De Soto extends its most heartfelt pathy to the family of P.G.K. and A. C. Birren on the death of Mrs. laide Winkler, mother of Mrs. Birren passed to her heavenly reward on T day, Oct. 28. Requiem High Mass celebrated Thursday morning at Que Angels Church and thence burial a Boniface cemetery. May her soul re peace.

100 'CATHOLIC HOUR' PAMPHLETS AVAILABLE

Washington.—With the publication of the pamphlet, "The Catholic Notion of Faith," containing four addresses delivered in the nationwide "Catholic Hour" by Rev. Thomas N. O'Kane, there are now 100 such booklets in print, according to an announcement made at the headquarters here of the National Council of Catholic Men, producers of the "Catholic Hour."

The list includes numerous titles by Rt. Rev. Msgr. Fulton J. Sheen, and Rev. James M. Gillis, C.S.P., the announcement states, as well as others by Most Rev. Duane G. Hunt, Bishop of Salt Lake; Brother Leo, Rev. George Johnson, Rev. Wilfrid Parsons, S.J., and threescore other Bishops and priests. The majority of the pamphlets vary between 48 and 90 pages.

All of the 100 publications are popular expositions of their subjects. Most of these are doctrinal or devotional, but many others lie in the fields of apologetics, educational, current problems, social teaching, the missions, and so on.

Illinois' Meeting Nex Monday Night Wi Be Congenial Sessi

1-3 Mon. . . . . 64 E. Lake S

You are invited to attend the council meeting which will be held i Paul Hall, 64 East Lake Street, Monday at eight o'clock. We can promise that any sensational matter come up either by way of entertainr or instruction. All we can assure yo is a pleasant welcome, an opportu to renew acquaintance, to have your say, if you so desire, on things perti and to add, by your presence, your firmation of our suspicions of your g interest in the Order.

And so, we are rolling into Novem with the mercury dropping and one almost, if you will, sense the odor of key. Let's get together at meetings be on the side which is apparently g to "fire the last shot."

Word just came to us that the t oughbred champion of champions, P J. Sharkey, is in the Garfield Park C munity Hospital. He is not dangero ill, but pretty sick. We just talked him on the telephone and he still reta that sparkling wit—even the laugh wh so many of our members have known more than 40 years. The hospital, as no doubt know, is at Hamlin Avenue Washington Boulevard and is within reach of so many hundreds of his side friends. Let's visit Phil, who in the past done so much visiting h self, a member who has had an unfi ging interest in the council.

Yes, Thanksgiving is coming and times we are chagrined at the compla we listen to about the "terrible conditi that exist in these United States." Th People tell us that taxes are going to terrific and "Isn't it awful to have sons, 'poor helpless babes' be invited wear the uniform of Uncle Sam for or two years."

We are reminded of our boyh thoughts, "Ill fares the land to haste ills a prey, where wealth accumulates men decay."

One would be prone to believe that have something of a famine in the l of plenty and that the sheriff is ri around the corner to take our taxes fo ibly from us.

Well, we get a certain amount of sa faction out of loose talk; a little nonse perhaps is not always to be avoided we should not forget what's happen in Europe and Asia and Africa and w the two main bad actors are now fight each other, we are inclined to ride w our President with the thought that democracy should fire that last shot. believe the surviving dictator will made to think in terms of Christian c ilization at the peace table. Let us h that will be very, very soon.

In the meantime, let's give thanks the abundance we now have as well repeating that great prayer for peace.

Ouilmette Will Raise Curtain on Minstrel Show Sunday, Nov. 9

2-4 Mon....1215 Wilmette Ave., Wilmette

PGK Ed Cunningham, chairman of the minstrel show committee, announces that he is very pleased with the reports coming in on the advance ticket sales and promises a very enjoyable evening for all who attend. At present three performances have been scheduled—Sunday, Nov. 9, at 3:00 in the afternoon, at 8:00 o'clock Sunday evening, and also Monday evening. The Sunday afternoon performance has been specially dedicated to the children. Due to the fact that all the tickets sold indicate only one performance on Sunday, and also because of the large advance sale of tickets, PGK Ed Cunningham requests that the brothers attend the Monday evening performance, if at all possible, in preference to the Sunday performance, in order to avoid having a large disappointed overflow crowd on Sunday night.

It is estimated that from twelve to fifteen pages in the program will be devoted to advertisements from the local merchants. This is a fine indication of what the local business men think of our organization and a compliment to the bowling captains and executives who voluntarily undertook the selling of ads. Here is a novel added attraction: Early program will be numbered and one week after the show the holder of the lucky program will be given a reward.

Congratulations to Bro. Peter J. Steffens, our worthy financial secretary. He detected and apprehended a phony check passer practically single-handed several weeks ago at the Wilmette State Bank, where he is employed as cashier. It gives one a comfortable feeling of security to know that we have a member of the Sergeant York class taking care of our financial affairs, doesn't it?

On your way to the minstrel show be sure to take a look at Trustee Joseph Rossberger's new glass shop at 823 Ridge Road, Wilmette. We know that Bro. Rossberger would be more than happy to show you around and introduce you to the latest innovations in glass for household and business purposes.

There's a simple, sure way to tell if anything is propaganda or not. If it's from Europe, it's propaganda.—E. Tinney.

CHICAGO HAS DOUBLE PROGRAM FOR NOV. 11

2-4 Tuesday.....64 E. Lake St.

November 11 will be a big night for Chicago Council. First, there is the dinner for the softball team; second, it's the annual TURKEY NGHT—and you know what happens on Turkey Night. Hams, bacons, beautiful plump turkeys—something to take home for Thanksgiving. We are letting you know now so you can prepare yourself to be present.

THE SOFTBALL DINNER will take place at the Triangle Restaurant at 6 South Clark St., just south of Madison St., instead of the place we have been having it. The ball players are our guests. We are all welcome and might as well make it a nice big demonstration. Of course, the only ones to "eat free" will be the softball squad. Manager Paul Rito is lining them up.

SEMI-ANNUAL COMMUNION SUNDAY at St. Peter's Church is being arranged now and the date will be announced in next issue.

THE BOWLERS took one lone game from Phil Sheridan's team last week but it was at the unusual score of 977. One of the Sheridan squad took the dollar for individual high game. This week we take on Commodore Barry and next week it is Ketteler and it all takes place at the Cascade Bowling Center, 3811 W. Madison St. The time, Friday at 8:30 p. m.

CORPORAL JOHN R. BULGER was in on furlough from Camp Forrest this past week. We hoped he might look in at the meeting but there were so many things to do that his availble time was all taken up. Well—perhaps next time. Wotsay, John?

LAST TUESDAY'S MEETING was called to order by Grand Knight Henry J. Lynch, recently returned from his trip to Texas as representative of the Illinois Catholic Home Finding Association at the National Catholic Charity convention. He is looking fine after the trip.

TAKE HEED

It was decided at last meeting that Chicago Council conform with the universal practice in the Order, to require the deposit of at least one-half of the initiation fee with the filing of an application for membership. In Chicago Council the initiation fee is ten dollars.

CHAIRMAN RICHARD C. MURPHY is anxious to close his accounts on the Council's part in Chicago Chapter's Charity Ball. Before he can do this he must have returned to him a number of unused and unpaid-for tickets. Will the members who have these tickets take heed and accommodate Bro. Murphy?

AS USUAL, the first contribution for Christmas Cheer comes from Bro. William E. Murphy; and, as usual, it is a "plus" contribution. The parade is starting.

SICK LIST

We have a card from Bro. Joe Klinger who is under treatment for a stomach ailment at the Veterans' Hospital in Milwaukee. Also, Bro. Lawrence Ryan reports a visit with Bro. Klinger last Monday. He reports that the doctor found the patient in better condition than they expected and he may soon be back with us.

Our Financial Secretary Nicholas J. Reuland (P.G.K.), was on the job at last Tuesday's meeting and said that except for this meeting he was cutting out all evening activity. He had quite a number of visitors, he remarked, during his stay in the hospital, two in one afternoon being P.G.K William J. Callaghan and P.G.K. Vincent M. Vallee. (A regular P.G.K. re-union, as 'twere.)

RALLY FOR KILDERRY

Father Kilderry of Chicago Council announces the annual card party for the benefit of his parish of Sts. Peter and Paul at Cary, Illinois. The party will take place at the Morrison Hotel on the evening of Nov. 14. We call your attention to this annual event because Father Kilderry's parish church and school are largely dependent upon the financial help provided by the summer visitors and his many friends in Chicago Council. (The tickets are 55c each.)

Daughters of Isabella to Aid Chaplains in Camp, Defense Areas

St. Louis.—A national endowment fund to provide religious instruction for men stationed at camps, forts and barracks throughout the country was voted at the concluding session of the Daughters of Isabella thirteenth biennial national convention meeting. National headquarters for the project will be set up at Kenrick Seminary here with Rev. Lester J. Fallon, C.M., as national director. The program has been undertaken to aid chaplains in caring for the spiritual needs of enlisted and selective service men.

Mrs. Carolyn B. Manning, of New Bedford, Mass., was re-elected national regent.

Fr. O'Connor Has Final Plans Made for Cabaret Party

1-3 Thurs. . . . 4660 N. Kedzie Ave.

At a special meeting held at the home of Bro. Ed Gamilich, final arrangements were made for our forthcoming cabaret party and dance on Nov. 15. Every detail was worked out so that both young and old; friends and strangers will all be sure to enjoy themselves. An added feature for the evening will be the presentation of free turkeys. Beside this we will have our famous Joe "The Greeter" Nolan, chairman of the reception committee. If you are a bit bashful about asking that pretty blonde to dance with you, Joe will be only too glad to formally introduce you. If she says "No," don't blame Joe. Of course we have our lecturer, Ed Zaleski, the fellow with the broad shoulders and strong back coupled with a determination to make this dance the success it will be. He is chairman of the dance committee, in charge of everything, so if he asks you to give him a hand that night, help him out, as he is giving everything he has to this dance.

Let's not forget the men who will handle the finances, capable men, too: Bill King, P. G. K.; John Metzen and Harry Browne. D. G. K. Walter Fulle is to have charge of the entertainment committee, Joe O'Brien will have charge of the bar. Grand Knight Bill Cunningham, who will act as honorary chairman of the dance, will have his hands full assisting Ed Zaleski. A number of others have been assigned to various jobs too numerous to mention. Don't forget to sell your tickets. If you need more, just ask any officer. We have plenty of them. Above all, bring your crowd along that night. Tickets are only 50c. The date is Nov. 15, Saturday night, and the place is our spacious meeting hall at 4660 N. Kedzie avenue. That is the setup, so let's all-out for the big cabaret party.

BOWLING NEWS

Navins beat Widtmanns three games, Cummings had 536 and Tom Gaughan 525 for the winners, while Loohs had 483 for the losers. Nolans beat the Shamrocks three times. Doody had 528 for Nolans and nobody had nothin' for the Shamrocks. Christo Printers wrestled two games out of three from the Alliance Life, with Fleischauer and Specht getting 530 and 505 respectively. Bechtold paced the losers with 507.

King Coals burned the alleys two out of three times—Furmans were the victims. Kotnaur paced the Coals with 513 and Jack Raupp 507 for the losers. This brings all the teams within a few games of each other. The league is filled up now, but any member is invited to come up and bowl in a vacancy if there is one.

Our bowling sponsors: King Coals is sponsored by Bro. Bill King, Past Grand Knight of Father O'Connor Council and one of its most active members today. Bill is also newly elected treasurer of the Chicago Chapter. He is in the coal and material supply business, and in sponsoring his team he is advertising the Jefferson Park Fuel and Material Co. Incidentally, Bill put a new stoker in my home this year that is really a marvel. Another sponsor next week.

SCRIBE'S SCRIBBLINGS

How would you like to go to a New Year's Eve dance and party where you knew everyone? The price reasonable, eats, set-ups, beer, favors and noise-makers all included in one price per couple. Only $6. Well, then, you shall have your wish. Fr. O'Connor is going to run this affair. The attendance will be limited to 125 couples. Reservations will have to be in with the $6 early, so see your lecturer, Ed Zaleski, or any other officer soon. More about this later.

Bill Touhey, son of our famous Chief Touhey, is the proud father of a bouncing baby boy, 10 pounds 9¼ ounces. This future knight arrived Oct. 22. Both mother and child are doing well. To the "Proud Papa" we all say congratulations. . . . Bro. George Blonn, Jr., may be away off in Virginia, but one of the scribe's snooners has word that George has already set the date to middle-aisle it on Feb. 14, '42. I'll have more information on this announcement from George himself soon or I'll null some of that curly red hair out of his head.

CALUMET ATTENDANCE STILL AT RECORD HIGH

2-4 Mon. . . . . 6646 Stony Island

The meeting last Monday night was a very enjoyable one and we don't mean maybe. Those of you that for a very good reason couldn't attend missed what we believe to be the start of a lasting "fued." Bro. Robert (not Taylor) Hardy was in very good form and we think he got the best of his opponent. We all are looking forward to the next meeting to see what these quick witted Brothers have to say.

The last meeting was known as Merchandise Night and we were certainly surprised to see all the prizes that our capable Lecturer Scully obtained. There were so many of them that just about everyone received a prize. Bro. Pat O'Brien, chairman of Calumet's delegation to the Chicago Chapter, gave a very good talk on the experience of an out-of-town Brother who applied to the Chicago Chapter for a blood transfusion. Bro. John Rickord, the new membership chairman, gave a good talk on the new system that we have put into use and told of its benefits. Bro. Joe (of the Drexel Ave.) Cummings, Bro. August Litzou, and Henry Pellegrini handed in the first names on the new plan. Bros. Leo Conry and Hary LaMasney handed in the application for membership the names of their Brothers. The latter by the way is the chairman of the blood donors and a very good job of it is being done by Harry.

We noticed Bros. Walter Gorcz (a new member), the ticket selling champ, Eddie Rimmele, Eddie Connors, Pat Healy, the Quinn Brothers, and the Delavan Flash Trustee, Gene Stuart, all enjoying coffee and rolls. We were glad to see P.G.K.s Jim Lynch and Jim Grant. For some reason or other I always expect to see Bro. Grant's name in the column that appears in The Columbian known as "Remember." (Come on in, Jim; you've got a public already! —ED.) We would like to see Bro. George and Charley Hendricks, Ed Brady, and P.G.K. Jack Roach at a couple of the meetings. These meetings are all prepared for you, so come on up and enjoy them. There will be a Lecturer's meeting next Monday, so those of you on this committee and those of you who would like to offer some suggestions, come up.

Bro. Scully and young Wilf Byrne want all the Brothers to keep Calumet's New Years Eve party on their minds. All the fun yo uwant for only $5.50 a couple. You certainly couldn't go any other place on this night at that price. Try to get a party together and help put this over. We already have sold a large number of tickets and from the looks of the advance sales this party will be one of the best. We hear that Bud Doyle is going to be married next month at St. Rita's Church. Congrats from all the members, Bud.

D.G.K. REPORT: Ed Coffey is now back to work. Bros. Pat Conconnon, Jas. Shannessy, Chas. West, Barney Condon, John Walten, and Thomas E. Clark are all confined at home. Arch Mahoney is progressing nicely though still confined to the Hines Hospital in Room A-327. Any of you Brothers with a little time to spare, drop in and pay a visit to them.

It is with deep regret that we announce the death of Edw. J. Maley, a long and faithful member of Calumet. To his family we extend our heartfelt sympathy. In the event of illness or death of a Brother or a death in his immediate family please notify D.G.K. Joe O'Connor at Vin. 7272 or some other officer of the Council.

BOWLING STANDINGS

Mase Cron.	13	5	Indiana Ser. 9 9
Murphy	11	7	Ray's Boost. 8 9
Stones'	10	8	McNichols 8 10
O'Hanley	10	8	Wils. & Raff. 6 12
Whalen's	9	9	Cummings 5 13

Before we go any farther we would like to thank P.G.K. Jim Grant for the spirit he showed last Thursday night at the bowling alleys. One of the pin boys was injured by a flying pin and in order to keep the bowlers going he went back and took his place. I noticed on one of the alleys last week that there was eleven maples. Bro. Gartlan's wife tells us that she finally had to go out and get a man to fix that window. If a couple of you fellows with nothing to do would come up to the alleys next Thursday you could probably fill in for a man that has to work.

Last week Mase Cronin's Pub stayed in first place by sweeping three games from the Cummings Morticians. Murphy & Son Furniture won three games from the Wilson & Rafferty Florals, with Junior Murphy shooting over his head. McNichol's Standard Service won the odd game from the Indiana Service Station while the Stone's Shell Service won the odd game from the O'Hanley Morticians. The James M. Whalen Boosters won two games from the Ray's Boosters. Bodenkirk, the new bowler on the Whalens bowled the high series so far this year with a 609 and he also got second high game with a 257. Watch the Whalens go by.

High games and series went to McNichols with 576, Heaton 220-574, Murphy 212-549, and Hatton with 211-513. The bowlers are getting right down to business now so come on up and watch all the fun. If you come up you will see strong man Popjoy throw the ball half way down the alley.

Ridge Guests Agree That Recent Party Was in Hit Parade Class

1-3 Tues. . . . . 8219 S. Halsted St.

Ladies' Night at our last meeting on Tuesday, October 21, was a huge success. We had a wonderful turnout and those who did not show up missed a grand time. A short business meeting was held first and then the festivities started. A fine motion picture was shown through the courtesy of the Standard Oil Company. The broom dance with Brother Ed Hyland taking the leading part, followed.

All-in-all it was a grand party with dancing and all sorts of refreshments. Tasty sandwiches were prepared by the reliables Mike Mulligan and Mike Feyerer with his Buehler Brother sausage. For bigger and better parties, let us have those absentees—you won't regret it.

HEARD ABOUT TOWN

Brother George Herman is the proud father of a new baby, born at Little Company of Mary Hospital. Mother and baby reported doing fine. Congratulations Mr. and Mrs. Herman—we hope it is a future Knight of Columbus.

Mr. and Mrs. Jerry McInerny celebrated their silver wedding anniversary last Saturday, October, 25. Congratulations, and Ridge Council hopes that you may live to enjoy many future years of happiness and health, and you, Jerry, to serve Ridge Council as faithfully as in the past.

MEMBERSHIP—Don't forget that application for your new prospect. Ridge Council sponsors a First and Second Degree on December 2nd and Membership Chairman Mike Mulligan would like to fill our quota for the first half year, so let us get busy on those new members—December 2nd isn't long rolling around.

Santa Marie Lists Many Features for Thanksgiving Party

2-4 Thurs. . . 9020 Commercial Ave.

But two weeks remain between now and Nov. 15, the date of Santa Maria's biggest yearly social event, the Thanksgiving a party. As always, the party will be held at the South Chicago Masonic Temple, 91st street and Exchange avenue. Plans have been going apace and include all the best efforts of the committee headed by G. K. Joe Komar, P. G. K. Al Schott and Lecturer Bob Lynn. There will be cards, games, entertainment, music and dancing and, of course, gobs of refreshments.

Every member has by now received a letter telling him of the many gifts that will be presented that night. He has also received instructions as to how he can make these rewards possible for his friends. All that remains for him to do is to get out and do his share. If you haven't received your latter, see P. G. K. Al Schott, who has charge of this distribution.

We are all anxious to make this party a great social success and it goes without saying a financial one as well. We need help and the only ones we can depend on are you brothers. Each can do his chore. Don't shirk. Remember your smallest bit combined with those of others will make this a stupendous success. Urge every one you know to attend.

MEMBERSHIP

Membership is to be the next big promotion in our council. New members are the most important part of any organization and the more so of fraternal organizations. Bro. James Brown gave a very stirring address at our last regular meeting. He said, among other things, that many of our members are inclined to feel applicants present themselves to an organization asking to join, and so they go along serene in their belief that there is nothing they can do. But of course any thinking person knows this is not so. You must go out and search the highways and byways for likely candidates. You never know where you might find one. Talk membership on every occasion you can. Make it a habit of boosting your council everywhere you go.

G. K. Joe Komar is anxious to get together a new class as soon as possible. He is conscientious and farseeing and realizes our council cannot keep up its high standards if we do not replace our deceased and dropped members. Speaking of dropped members, they, too, offer a large field that can be brought around to good standing again.

WHAT'S NEW?

Bro. Louis Kobza, who has had a long siege of illness at the Edward Hines Hospital, is back home again and feeling fine. He proved it by bowling a few games in his old form for the edification of the boys. Bro. John Nash underwent a serious operation at the Little Company of Mary Hospital this week. We are all hoping for his speedy recovery. Dave McNulty, brother of Bro. John McNulty, is home on Camp Custer, where he is doing his bit as a draftee. Dave has been visiting old friends and seems to be taking the training in the best of spirits. Lecturer Bob Lynn and Miss Josephine Avants were married this week. This makes the second Lynn to be married in a short time. We all wish the new couple the best of luck. Bro. Dave Ander, one of our former basketball players, was one of the feature writers in the 60th anniversary edition of the Daily Calumet.

University Readies Service Men's Night for Nov. 11 Meeting

2-4 Tues. . . . . St. Ignatius Auditorium

Trustee Perice Fenlon, Chairman of the Service Men's Night which will be celebrated at our next meeting, Tuesday, November 11, is busy with his committee preparing an extremely interesting patriotic program for the occasion, but divulging no details. Were your correspondent more of a reporter or detective he might be able to glean a few items about the program, but the affair is undoubtedly be even more enjoyable because of the element of surprise. Be the meeting room on November 11 and we can assure you you will go away happy.

RETREAT NOTES

P.G.K. Gerald L. McGreal writes Bro. Rondeau that he has just made a retreat with the Trappist Fathers at Gethsemani Abbey, Kentucky. Jerry said he enjoyed it very much and profited so greatly that he intends to go back every year.

The following item appeared in the Tribune's "Line O' Type" on October 1 "A Chapel in Chicagoland."

One of the finer architectural gems little known in Chicagoland is the Portiuncula Shrine at Mays Lake, north of Westmont. To the northwest, mirrored in the waters of the upper lake, can be seen the central tower of the seminary conducted by the Franciscan friars; directly opposite stands the retreat house, formerly the Peabody home.

I am told that the chapel is a reproduction of the original shrine at Assisi, the birthplace of St. Francis in Italy, and that it was erected on the spot where Francis Stuyvesant Peabody fell down from his horse. Also that the remarkable mosaic on the north gable is a copy of a painting done in oils on the original chapel by some great master.—Bucksh O. R. S.

If you feel the need of a day or two of peace and quiet to get the cobwebs out of your head and the difficulties out of your spirit, go out to the St. Francis Retreat House any Friday. Just call Harrison 2100 and ask for Fr. Oliver, who will do the rest.

COUNCIL BRIEFS

JUDGE MASON SULLIVAN, we are informed by D.G.K. James A. Brown, has been ill for some weeks, but is gradually improving. Mason is at home, 2046 North Mohawk. He had hoped to be able to make the Civic Night celebration, but doctor's orders kept him at home.

JOSEPH J. NEWHOUSE announces the opening of his law offices at 3 North Pulaski Road. He is associated with his sister, Helen, and Frieda Fos under the firm name of Newhouse, Fos and Newhouse, Joe is exhibiting his usual cleverness in association with two talented and industrious young ladies who will undoubtedly take most of the drudgery out of his work.

MOORE'S CELEBRITY OR CIVIC NIGHT is due to start just after the notes are in the mail, but an adequate account of the meeting will be reported in the next week's issue for the benefit of those unfortunates who were unable to attend.

BOWLING

The league showed an almist perfect attendance last week as 79 out of 80 men showed up for bowling, and the only absentee was our good friend Jim Thompson who is away on his vacation and will be back this week. There sure was several upsets in last weeks bowling, as Crowley Cafe made a clean sweep of their series with United Air Lines with Frank (Yip) Byrne getting high games of 174 for Crowley Cafe and Ollie Klineman with a 175 score being high for United Air Lines. Another hot series was between Smith Funeral Home and Ahern Morticians, and when the smoke cleared away we find that Smith Funeral Home had won all three games. Leo Capuanni set the pace for Smiths with a 583 series and 215 high game. Captain Tom Ferrarrini had high game for Aherns with 189.

Faucher Bros. was another team that made a clean sweep in their series with TWA Airliners. John Tamburrino getting 575 series with 212 high game. Tom Geegan had 535 series with Charley Urbain getting high game of 201 for skyriders.

Senator Keane won two from Kedzie Coals with Charley Svoma getting 560 series with 214 high game, and Frank Malone had 540 series with 194 high game for Kedzie Coals. Mid-West Auto won two from Recorder Kaindl with John Foley getting 590 series and 227 high game. Frank (Duke) Lane had 540 series with 199 high game for Kaindls.

Garfield Restaurant won two from Cunningham Insurance and winning the last game by a few pins when our good friend Mike Cunningham left a few pins on the alleys when these pins would have won the game. Frank Owens with 580 series and 214 high game set the pace for Garfield Restaurant. Southpaw Mike Cunningham had 526 series with 193 high game by Jim Russell for Cunninghams.

American Air Lines laid down a barrage for Little Jack Restaurant and won two games from league leaders with Rocco Tarsitano getting a 569 series with 227 high game for the Air Liners. Clarence Probst had 525 series with Bill Murray getting high game of 200 for Little Jacks.

De Mares Coal won two from Sheehan Chili with junior Ed Morgan getting 506 series and southpaw plumber Lou Racine getting high game with 197. A little scoop on this team, wait until you see the boys in their new shirts. "Are they a Wow." Cousin Larry Westphal shot his usual big 500 series with a 573 score with a 203 high game for Sheehans. After last week's many upsets we find Little Jack Restaurant leading by one game, with Faucher Bros. and Garfield Restaurant tied for second place, Kedzie Coal and American Air Lines tied for 4th place, TWA Lines and United Aid Lines tied for 6th place, Mid-West Auto all alone in 8th place, tied for 9th place are six teams namely: Senator Keane, Cunninghan Insurance, Smith Funeral Home, Ahern Morticians, De Mares Coal and Crowley Cafe. Bellazza, S. Falcone, Frank Lane, Jeff Fleming, Ollie Klineman and Walter Reidl.

Gar. Moreno Outlines Program for Greater Council Attainments

2-4 Tues. . . . 155th St. and Lexington

As a further stimulant to the council membership campaign, Grand Knight John Mech has issued an appeal to members and officers to cooperate in carrying forward the Catholic Action Program of the Order. Our council has risen to its present position because it is a progressive council. Its gain in membership is the result of active members who have an interest in their council. But our Grand Knight points out we can't continue to go forward on the basis of past accomplishments. We must go forward to new achievements. With the right kind of leadership and the cooperation of but a few alert and active members, the interest of the entire council can be aroused for a program of action that will produce real and valuable results.

Many of us have enjoyed a long vacation as a member. Let's all dig in and see what we can accomplish. It's worth the effort; won't you join us? We are indeed proud of the fine contribution of a number of members who have never been found wanting. We feel by their action places a timely significance on the slogan, "Follow Your Council."

TURKEY NITE

Tuesday evening, Nov. 11, is our council's annual turkey night. Turkey with all the trimmings will be served. Now the success of this night is up to the membership and their efforts in disposing of the Turkey Night tickets. Our Grand Knight and Lecturer hope all of us will make our returns as soon as possible so all of the work won't have to be done at our meeting. These books mean very much for our council, so let's all at least sell one.

WITH THE BOWLERS

Rings Democrats, league leaders, increased their lead by three wins over the Posen Lumber Co. team. Frank Ring 519, Roy Dainton 510, and Pop White 473, were the top men for the leaders, while Louie Cerewecki 476, Chief Kocielski 457, Joe Gorski 420, led the way for the lumberjacks. Eagle Coal Co. also won three games from the Oliver Drug Store. Geo. Stricker 514, Chas. Jacks 505, Paul Grady 453, did the heavy work for the coal team. Ed Ring 503, C. Kammert 499, Al Crowder 469, were top men for the drug boys.

Shea's Champs another winner of three games over Goletz Boosters. The Goletz team have lost 12 straight games. Ed Shea 523, John Kerkhoven 522, did the heavy work for the Champs, while Wm. Powers, Jr., with 491, topped the cellar champs. Home Liquor Store came through with three wins also. The Wm. O'Hara Boosters were the victims. L. Santeford 551, J. Rossman 526, T. Mikenas 518, J. Obernessor 499. The liquor team also bowled 2,554, which is high three games of the season. Robert Bruce 547, Joe Knoll 489, Al Binette 474, were the three top men for the losers. So better luck next time, gang. So far, many of our bowlers have not hit their stride. Their averages prove that point.

BIT O'NEWS

Harvey's Jubilee 50th Anniversary closes Sunday, Nov. 2. A torchlight parade last Monday night opened the jubilee program. In an old four-wheel vehicle that was the pride and joy of the old-timers were found in the parade G. K. John Mech, Lecturer Henry Stein, Alfred St. Aubin and Louis Beaupre. This surrey and the above men in costumes of 1891 was Garcia Moreno's contribution to the parade.

Last Tuesday evening a large number of friends gave a surprise party on Mr. and Mrs. Victor Walenga on their 19th wedding anniversary. We add our congratulations and may this and many other wedding anniversaries be filled with health, happiness and contentment. William Garity from Janesville, Wis., spent the week-end visiting his sons and looking up friends. Come again, Bill. Two of our bowling teams are fitted with bowling shirts by their sponsors, Walter Goletz and Arthur Matthieu. Joseph Drolet of the Eagle Coal Co. has shirts ordered for his team.

To the mother of Private Irwin Lunn we add our congratulations on the recent celebration of another birthday. D. D. Henry Hilgendorf was reported on the sick list last Sunday. While Harvey, Ill., is celebrating its golden anniversary we send our best wishes to one of its old-timers, Bro. John Keys of 40 Marion St., Chicopee, Mass. Hello, John. We haven't forgotten you. Until next week, cheerio.

Blue Island Will Hear Fine Speaker Tuesday at Memorial Services

1-3 Tues. . . Gregory and New Sts.

At the next regular meeting of our council on Nov. 4 we will pay our respects to the memory of our departed brothers. Grand Knight Ed Hansen wishes to bring home to all of us the fact that it is our solemn duty to be present on this occasion and join the council in remembering the souls of our lamented knights. During the many years of our council's existence we were fortunate in having some very fine leaders and workers in our ranks, who have since gone to their eternal reward.

It is only fitting and proper that the respect we had for them when they were here on earth be extended to our memories of them. . . . Make it your night to remember them because they would remember you. . . . The program will be carried out along the lines of the past Memorial Nights and the G. K. has obtained the services of a speaker of renown. . . . The plea is passed along to all to be present and help make the night one long to be remembered.

BOWLING

In the standing of the league there has been a very slight change. The Marks Store for Men were tied by the Einhorn Beverage when the "Amber Fluid Lads" took the Hallinans for three . "Dad" Krick was high for the winners with a 530 series, while L. LaRotonda rolled 459 for the vanquished . . . Haas' team nailed the Gerdes Builders for two, led by Gus Vail with 545, and Gus rolled one game for 219 . . . J. Gabay was leader for Gerdes with 511. The Hickey team just nosed out Martins to take honors with two wins. . . . R. Bentson was high for the Morticians with 491, while Al Klein rolled 469 for the losers. Better mention here that the Hickeys took high team series last Wednesday with 1,007, or there will be —— to pay.

The Marks Store for Men defeated Landgrafs, the spot of the two fisted drinkers, by a narrow squeak, with Creighton getting 510 for the losers, while Chovanac rolled 474 for the winners. Just like the river, Billy Creighton keeps rolling on. Not much change in the leaders, so we will put in a plug for the fellows just about half way near the top. The "mush" ball that a certain brother throws was shipped away last week to be hardened. . . . On last Wednesday the big game took place when Hickeys bowled the Marks team. The results will be published here in the next issue (if a certain team won, if not, oh, well, skip it).

To Mrs. Krick and Bro. Gay Krick we say congrats upon the arrival of a future knight last week.

Bro. Fred Horwath gave a transfusion last week at St. Francis. Have you been typed?

Led by your G. K., a delegation went to D. D. Guy Macina Night at San Salvador last Monday night. . . . A fine time was reported.

We welcome to our ranks Bro. Fred Barzan recently transferred from Archbishop McHale Council. . . . Also Mickey Werniak.

Be sure and drop around, brothers, and pay us a visit. . . . Bro. Geo. Thielman transferred to Newman Council and we state here our loss is their gain. . . . Answering the country's call to arms this time are Bros. John Pacyga, Joseph Waszak and Robt. Seidel.

Fr. Setters Is Host at Outstanding Party of Year for Ladies

2-4 Thurs. . . . . 4711 W. Madison St.

One of the most entertaining and enjoyable parties ever presented by Father Setters Council was held Thursday evening, October 23, when the members played host to some four hundred feminine guests at the annual Ladies Night.

The program included a variety of features, the principal one of which was a card party. The musical portion of the program was headed by Miss Mary Jane Lavin, daughter of Past Grand Knight Edward J. Lavin, and a favorite soloist with the members and friends of Father Setters Council.

Credit for the success of the party is due principally to Grand Knight Roy P. Bedore, Past Grand Knight Edward J. Lavin and their committee.

TURKEY NIGHT

The Monday evening preceding Thanksgiving is Turkey Night, and, since this annual affair has turned into a sort of homecoming, an unusually large crowd of members is expected to attend. Already the committee in charge has let the contract for some forty of the choicest turkeys on the market and the winners are therefore assured of a real gastronomic delight fo rtheir respective Thanksgiving dinners. Members are reminded to come up to the meeting early and pick out lucky seats for the drawing.

WEDDING BELLS

On Saturday morning, October 18, the wedding of Miss Winifred Bedore, daughter of Grand Knight Roy P. and Mrs. Margaret Bedore, took place at Presentation Church. There before the flower-banked altar, Miss Bedore became the bride of Mr. John Martin McDonnell, son of John and Catherine McDonnell. The celebrant was the Rev. James Britt. Attendants were the Misses Marianne Bedore sister of the bride, Genevieve Chambers and Eileen Ryan and Mr. Emmet Langdon and Thomas and Joseph McDonnell, brothers of the groom.

Following the ceremony, a reception was held at the Carleton Hotel. The bride and groom, now on their honeymoon, will shortly return to the city and will be at home in Rogers Park.

The members of Father Setters Council take this happy occasion to express our sincere best wishes to Mr. and Mrs. McDonnell.

BAN INDECENT MAGAZINE IN FIRST ACTION UNDER NEW YORK 'MAYOR' LAW

New York.—Said to be the first action of its kind under the New York law which provides that a publication shall be banned at once if it is deemed indecent by the mayor of any municipality, Supreme Court Justice Aaron Steuer this week signed an order directing the publishers of a magazine to cease printing it, and newsdealers to stop distributing it.

The action followed the filing of an affidavit by Mayor Fiorello H. La Guardia, through the Corporation Counsel's office, charging that the magazine in question contained "suggestive and salacious" photographs that tended "to corrupt morals particularly of youth."

DEARBORN WILL ATTEND MEMORIAL MASS SUN.

1-4 Thurs. . . . 820 W. Garfield Blvd.

The Memorial Mass and Memorial Night at the Council chambers are the two most importan activities Dearborn has on its calendar in the near future. On Sunday, Nov. 2, members of Dearborn will meet at Santa Maria Incoronata Church, hear Mass, which will be dedicated to those who have gone before us, receive Communion and partake of a delicious breakfast.

The church is at 218 W. Alexander St., and the members will meet in the basement of the church before the 9 o'clock Mass. Bro. Tony Pidone announced that the ladies of the parish have very graciously offered to serve the breakfast after Mass and those members who wish to bring their wives with them are welcome to do so. His honor Judge Hartigan will deliver a short address at the breakfast eulogizing the dead. Every member should be in attendance Sunday morning paying his respects to, and offering his Communion in behalf of his deceased brother knights.

Memorial Night in the Council chambers on Nov. 6 promises to be one of the outstanding events Dearborn shall have this year as we are to hear one of Chicago's most talented speakers, a priest with a great radio following whose abilities are proclaimed throughout the nation, and we refer to Father Dussman. Undoubtedly you have heard him from time to time and have marvelled, as everyone does, at his oratory.

In attendance that night will be Judge Gibson E. Gorman, who also will give a short address. Judge Gorman, as you know, is one of this city's outstanding Catholic jurists.

Immediately following the celebrated speakers, turkeys will be given away compliments of Dearborn. This is an annual event at Thanksgiving time and we are sure the members will enjoy it.

R. I. P.

Sir Knights of Dearborn's Silk Hat Club will remember Rev. Fr. Michalek of Solon, Iowa, who opened and closed their last meeting with prayer. We regret to announce that Fr. Michalek met a very sudden and untimely death last week when his gun, with which he was hunting, accidently fired and killed him almost instantly. At the time of his visit with us, as he was the guest of our G. K. Devereaux, who made his friendship with him while recuperating in Solon, Iowa, this past summer. To the relatives of Fr. Michalek may we express our deepest sympathy and our prayers that God will grant him eternal rest.

Condolences of the Council are also extended to P.G.K. John Mahon of La Rabida Council whose wife passed away in the past week.

Your pardon is asked in announcing the death of the sister of O. G. Geo. Albert, whoch should have read the daughter of O. G. Geo. Albert and sister of Bros. Fred and Robert Albert.

Through the mercy of God, may they rest in peace.

NEWS ABOUT KNIGHTS

Bro. Jerome Rimkus of Cheyenne Wyo., didn't send us an invitation to his wedding but the financial secretary received a request to change the beneficiary of his insurance to his wife. Congratulations to you, Jerome, and to the new Mrs. Rimkus, with whom we hope you spend many happy and successful years.

That little birl got out of the bag and told us that Pete McLaughlin was married last Sat. Patrick's day. May we offer our belated congratulations, and wish both of you an abundance of health and happiness, and also ask you how you can keep a secret that long?

The mother of Bro. Bill Lynn is in Little Company of Mary Hospital and Bro. Jim Kittrick's mother is also ill. We hope their health is restored soon. Bro. Richard Golden has been ill and we are glad to hear he is up and around again.

Meetings during the month of November will be on the 1st and 4th Thursdays.

D.G.K. John Downes and all his committee are working overtime making plans for Dearborn's "Green Buck" party at 6414 S. Halsted St. on Dec. 6. The tickets are now in circulation and anyone desiring to get some should get in touch with Bro. Dave Kerwin who has charge of their distribution.

Chicago Hts. Begins New Member Drive in Hope for New Record

2-4 Monday . . . . . 1537 Otto Blvd.

Brothers, we again have opened our drive for new members. It behooves every one of us to make an extra effort to secure that new membership application. We have more talking points in favor of our order than any other organization in America. We are foremost in any event or undertaking throughout the entire universe.

At the present time the Knights of Columbus are taking a leading part in USO work, as was commented upon by our Supreme Knight Francis P. Matthews at a meeting of representative Knights and others at the Hotel LaSalle two weeks ago.

We can offer any good Catholic gentlemen the best there is in fraternalism, good reliable insurance, on a par with all old line companies, sociability and assistance when needed. What do you say, brothers? Are you with us in our drive? Bring in that application, we have a fertile field in which to work. We have eight churches, surely you know of some who are the type we need. Let's go!

On Saturday evening, Nov. 1, the Young Ladies of St. Ann's Parish are sponsoring their annual Halloween dance at the church hall. Dancing from 9:30 until 1:30 a. m. A good time is assured those who attend.

Bro. Joe Magner sure likes his pinochle. Reliable gossip has it that he was still at it last Friday morning at 6:30 a.m. By the way, Joe, come up to our meetings, maybe we can get a good tournament started.

Feehan Ladies to Be Guests of Council at Next Meeting, Nov. 11

2-4 Tues. . . . Hamlin and Madison

Next meeting, Tuesday, Nov. 11, will be Ladies' Night. All Feehan knights, their ladies and friends, are invited to come up and take home a Thanksgiving bird on the house. A repetition of last year's "Ladies' Night," wherein the flower of the West Side's femininity gathered for an evening of relaxation and taffy-pulling, with every few minutes devoted to jousting with the fates —will be very much all right with us, and with the ladies, too, we think.

Tickets have been distributed to the members for Feehan's big party to be held at the first floor ballroom of the Madison A. C., the former K. of C. clubhouse, on Nov. 26. The tickets will sell for one dollar each and the party will be conducted by Ray Corris, who staged such a fine affair for us last year. Ray is famous for the many parties he has run at St. Mel's.

In connection with this affair, the council is getting out a program. You are cordially invited to speak to your merchants about space therein. Said space retailing at the remarkably low fee of $20 per page. Two-fifty for an eighth. Five for a quarter and ten for a half. Sounds like a cheap grade of brew, but actually, is a high grade of advertising. You can promise a reading audience of 1,000 people, most of them from your own community, if not from your immediate neighborhood.

CHAIRMAN WINGFIELD issues an encouraging communique, in which he announces the fall of several additional holdouts and the siege of numerous new strategic areas. The membership blitz is rolling merrily along and we should be out of the trenches long before Christmas.

BOWLING

Through the inexplicable workings of a perverse fate, the Lemon King Senators continue to head the standings in the council league. This is an outright defiance of the law of averages, Newton's law, the law of supply and demand, and law and order. In fact, it can only be considered as a manifestation of the phenomenon of levitation (whereby an object rises and remains suspended without any visible support) or, perhaps, it is because alcohol is lighter than water.

Ah! There we have it—the law of gravity. Proving you can always find a law to cover any situation if you stick with it long enough. Due to the inexorable operation of the law of gravity, the lightweight Lemon Kings find themselves floating at the top of the league standings, 16-5. Harmon Electrics, 14-7; Malee's Fighting Irish 13-8; Ed Kaindl Boosters, 12-9; N Preib Cleaners, 11-10; Judge Hackett's Pioneers and Illinois Laundry, 10-11; Pat Quinn's Inn, Harold Crotty Boosters and Hanley's Tavern, 9-12; J. J Collins Sons, 7-14, and Pat Riley's Colts, 6-15.

Individual averages: Geo. Becker, 190; Jim Collins, 184; Joe Collins, 182; Bill Barrett, 176 and Frank McQuillan 175.

Honor rollers: Len McSteen, 218; Jim Collins, 206, and Joe Collins, 200.

ST. FRANCIS HAS BUSY SCHEDULE MAPPED OUT

2-4 Thurs. . . . . 4711 W. Madison St.

The calendar for the next two months will be filled with activities of all kinds for members of St. Francis Xavier Council. Following we have the dates and the affairs. Clip them out and save them for future reference.

THURSDAY, NOVEMBER 13—TURKEY NIGHT. Croce Speziale, our hard-working Lecturer, is going to have at least a dozen gobblers to present to some of you lucky guys. And another thing, if you arrive at the meeting before 8:30 p. m., you will have another chance toward carting home an extra present.

THURSDAY, NOVEMBER 27—SOFTBALL NIGHT. This wil be your chance to honor our softball team, winners of the West Section Championship.

SUNDAY, DECEMBER 14 — FATHER BREEN CLASS. The first, second and third degrees of our Order will be exemplified at St. Phillip's High School. Here is your chance to show Father Breen what he means to all of us. We have to get a large class to do so. Do your part. Get an application right away. Get more than one if you can. At least sixty-five applications have to be read and voted upon within the next three meetings.

SUNDAY, DECEMBER 14 — ANNUAL CHILDREN'S CHRISTMAS PARTY. John Caruso, chairman of the committee, is striving hard to make this party one that your children will not forget for a long time. Santa Claus will be there to present gifts to all the kids. But you must come to a meeting to register your children. Positively no tickets will be mailed to anyone. If you have any youngsters who are talented in any way, be sure to let John Caruso know. The party will take place at Garfield Park Refectory, Washington Blvd. and Hamlin Ave.

SPECIAL NOTICE. There will be an officers' meeting next meeting Monday evening at Lido Restaurant. The time is six o'clock.

THE DANCE COMMITTEE

Under the leadership of Nick Masse, with Nick Damore as co-chairman, the dance committee is meeting every Tuesday night at 3024 W. Flournoy Street. Present indications point to an even greater success than last year. The committee has decided to drop the perennial ad book for this coming dance and will solicit business and personal patron ads only. The price of the business patron is one dollar and the personal ads will be 50 cents. Run out and hook your butcher, baker, grocer or what have you. Come to the meetings for your tickets. The dance will be held on St. Valentine's Day at the Ashland Blvd. Auditorium.

POT POURRI

All softball players are requested to be at the Midwest Athletic Club, November 6, at 6:30 p. m. for the softball banquet. Nick Masse will be there and he will have your tickets. . . . Pat Vitullo, Mike Puccini and Eugene Belmonte will also attend this banquet. They were "presented" with tickets at the last meeting, the lucky stiffs. . . . Bro. Torry Muro, our orchestra-leading soldier boy, was in attendance last Thursday night. All the boys were mighty glad to see him and vice-versa.

Leo Marcantonio celebrated his 24th birthday by attending the last meeting. . . . Bro. Joseph Scarpelli is ill and confined to bed at his home, 716 N. Ridgeway Avenue. Pay him a visit. And this reminds us to remind you to send a card to Bro. Joe Gironda, chairman of the sick committee, when you or some other member is sick. Joe's address is 3152 S. Wells Street.

Jimmy "Iceman" Durante was elected delegate to the Chicago Chapter to take the place of Bro. John Callahan who joined the army. . . . Grand Knight Baptiste Mele was recipient of a gift in the form of Defense Savings stamps just because he was in the meeting hall before eight-thirty.

We want to welcome into our council, J. E. Ippolito, A. S. Scelso, A. Marcucci, J. Catania, Jr., S. Ciccio, F. V. Pintozzi, J. C. Melone, D. Leonardis, A. Dusablon, L. A. Wojcik, who took the first and second degrees last week.

Don't forget about the Fourth Degree Buck Party at St. Agatha's Hall on Saturday, Nov. 15. Dancing, refreshments and entertainment for the nominal price of one dollar. Get in the swing of things and come to this party.

BOWLING

Paterno Pizzeria and Giugliano Florists swept their series last Monday over the Lido Restaurant and Famous Potato Chips, respectively. Dot Pies, Marks Motors, Ald. Pacelli and Orlando Buffet won two games apiece from the Izzos, Coletas, Bacigalupos (what a bad night it was for the undertakers) and the Senate Electrics.

High series were bowled by S. Randazza, 515; J. Caporelli, 564; N. Damore, 525; Dr. Nigro, 509; Dr. Vincenti, 520 (and it was a good night for the doctors); Durante, 558; F. Arito, 509; T. Demore, 507; S. Cirrintano, 532; F. Pasquale, 51 W. Iacullo, 522; A. Vitallo, 554; B. Mel 595; A. Caruso, 510; L. Merisso, 503; Lucca, 533; J. Gallo, 507; T. Salvo, 52 C. Speziale; and D. Laurino, 508.

Washington Pleased with Big Attendance at Mayslake Retreat

1-2 Tues. . 5th Ave. and Wash. Blv

Several items were omitted from last week's column as it was prepared near the deadline and also because it seemed to be running into several columns. Thus we'll take up where we left off.

Fin. Sec. Lovejoy and P. G. K. Collins both reported their satisfactory reaction to the Mayslake retreat. It was the second largest class since the treats were inaugurated and despite the illness of one of the fathers, the sixty golden hours were as spiritual and mentally uplifting as on previous visits. On the basis of membership Washington stands high in retreat attendance and we are proud of this record.

Bro. Ed O'Morrow, chairman of the lapsation committee, and his cohorts Joe Lorenzo and P. G. K.'s Pat O'Donnell and Dan McCarthy are working hard and are desirous to contact former members towards getting them back in attendance at council meetings.

Bro. Recorder McAuliffe wants to know what has happened to the after meeting card games which were some what of an institution not so long ago. Can it be that no one carries a deck of cards around, or that they only want to use poker chips, or they were told to get home early, or has it just been forgotten?

Another reminder, brothers, that your presence is expected at the Nov. 4 meeting which will be a memorial service for our brothers who have answered the last call. Let nothing detain you from being in council chambers next Tuesday night.

St. Eulalia's fall festival will be held Nov. 16, 17 and 18, in the large assembly hall in the church basement. A delicious turkey dinner of the type which only the ladies of St. Eulalia's can prepare, will be served late Sunday afternoon, the 16th. Let's support this festival by our attendance and laying out a few shekels while there.

Did you read the report of our 58th supreme convention as reported in the October issue of our national monthly Columbia? We did and you can be assured it is both highly interesting and instructive. Do you know, for instance how many councils are in the entire Order? Do you know the total membership of the Order? Do you know the Illinois ranking in membership and percentage of gain?

If you do not know the answers to the above, you should be interested enough to inform yourself by reading the October Columbia. Don't put it aside until you have also read "The Tests of Our Catholicity," delivered to the convention by Archbishop Moony of Detroit. It is a stimulating, scholarly morsel of reading.

St. Rita Will Be Host to the Ladies Thursday Night

1-3 Thurs. . . . 6048 S. Fairfield Ave.

Once again St. Rita Council will play host to the weaker sex at a Ladies' Night in our chambers next Thursday. Although not having set dates on our social calendar, the event has always proven a success. Next Thursday's affair gives no indication that it will be an exception.

Lecturer Harold Hilbert announces that the evening's program will include refreshments, dancing, entertainment, and flowers and perfume for the ladies. Harold reports that the refreshments, dancing and entertainment will do justice to any loop night-spot; the perfume will have "My Sin" and "Ashes of Men" looking for a new odor, and the flowers will be the envy of the University of Chicago's Millrose Gardens. (It's also rumored that our bowling florist, Jack Kelly, and his partner in smell, John Flynn, will be on hand to take care of the pinning of the corsages.)

In order that the business session may be carried out as quickly as possible, G.K. Ted Lee requests that all members be on time for the meeting. It will begin at 8:30 sharp. Don't forget next Thursday night for an inexpensive but really enjoyable evening.

DANCE

Once upon a time there was a group of bubble dancers, that, strange as it may seem, performed behind one very large bubble. It was a very good bubble and did a very good job of covering the girls' epidermis as they pirouetted around the stage, until one day it began to wear. A few of the girls, noticing that the front seats were getting the most play and not liking it no end, asked the other girls to pitch in in their spare time and repair the bubble so their position would be more tenable.

But these other girls were having too good a time and seemed to enjoy that the bubble was not what it might be. So the few good girls had to do what they could with what they had and they didn't have much. And one day—it was Hallowe'en—the group performed in a little city called Chicago. And in Chicago lived a little brat, whom we shall call "Little Fat Stuff" Kucharski. Now "Little Fat Stuff" went to see the show, although he should have been walking his beat and brought with him his little bean blower. And right in the middle of the girls' act, while they were a good 20 hosiery lengths away from the safety of the wings, "Little Fat Stuff" put his little bean blower to his mouth—and blooey, there was no more bubble. And all the girls were very embarrassed and mad and the good girls said to the bad girls, "I told you so," which everybody agrees, they had a perfect right to do.

The above is all by way of saying that the Home Association, in an effort to raise funds to lift the mortgage off our clubhouse, is sponsoring a dance Saturday, Dec. 13, in Flynn's Hall at 3236 W. 63rd St. And the good little boys, G.K. Ted Lee, Jack Bracken, Chairman of the Home Association, and Lecturer Harold Hilbert, chairman of the affair, are asking our support in making the dance both a social and financial success. They can't do the job alone, they need every member's help, AND don't forget the story of the few good girls, the bad girls, "Little Fat Stuff" Kucharski, his little bean-blower and the busted bubble.

THINGUMBOBS

Bros. Ted Lee, Connie O'Sullivan, Jerry Healy and John McNally were blood donors a week ago for M. B. Cummings of Charles Carroll council. Incidentally, anybody got any tickets to that N. D.-N. U. game.

St. George Graduates Set High Attainment Average in Life Work

Though but thirteen years old, St. George High School at 350 Sherman Ave., Evanston, is represented in the Clergy of the Chicago Archdiocese, in the legal and the medical professions of Chicago, and on the faculty of Notre Dame University and that of Massachusetts Institute of Technology. Three serve Uncle Sam as Naval Officers while one young St. George boy is now an Army Officer. Nineteen of its former students now wear the habit of its teachers, the Christian Brothers.

The Brothers—known in the United States as the "Christian Brothers"—were founded by St. John Baptist De La Salle in France in 1681. They are religious whose life work is teaching. They compose the largest teaching community in the Church. Their founder is the originator of the present day method of instruction used in schools up to college level; of normal schools for teacher training; of the boarding school and the technical school.

St. George high school enjoys full recognition by the North Central Association of Colleges and Secondary Schools, the State Department of Education, and associated universities. Its diploma admits its graduates to any college or university in the land without examination. Within the past six years St. George students have been admitted to the U. S. Naval Academy at Annapolis and to the U. S. Military Academy at West Point without the usual "prepping" at Eastern academies.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

Extension Society Makes Mission Chapels Possible

As the Catholic Church Extension Society carries on its work of providing houses of worship where they are most seriously needed, reports of the completion of new mission chapels in widely separated places come in a steady stream to Extension headquarters at 360 North Michigan avenue in Chicago. Here is a brief summary of recent projects of the society:

In North Nashville, Tenn., a new church under the title of St. Vincent de Paul has been erected through a $5,000 gift of the society. Built adjacent to Fisk university and the Meharry Medical school, it will serve the northern half of the city of Nashville. The parish already has 125 adult parishioners and 30 children registered.

Through the society, a gift of $500 from the estate of Fannie E. Corcoran was made toward the construction of a new rectory at Marmarth in the Diocese of Bismarck, N. Dak. The Marmarth church serves the religious needs of about 300 persons.

HUGHES PAYS TRIBUTE TO P.G.K. POSTILION

1-3 Tues. . . . . 4711 W. Madison St.

Those who attended "P.G.K. Dr. Louis Postilion Night" on Tuesday, October 21, will not soon forget the occasion. After a business meeting that was characteristically interesting and snappy, the G. K. ordered a brief recess until Lecturer Raymond O'Brien was prepared to go ahead with the main portion of the program. The Lecturer turned the gavel over to P.G.K. Patrick J. Barrett, who presided. In phrases of remarkabel aptness, he related why Hughes Council was paying honor to P.G.K. Dr. Louis Postilion, that the tribute was richly merited, and it was a privilege to call upon friends of the guest of honor.

The first speaker was our own P.G.K. and D.D. John H. McKeown, who soared to rhetorical heights in his oratory. P.G.K. McKeown had an inspirational message for the membership and he delivered it most effectively, concluding with a panegyric review of Dr. Postilion's accomplishments while G.K. of Hughes Council.

P.G.K. Harold F. Enright, self-styled Criticus of Hughes, followed D.D. McKeown, and Bro. Enright's words were freighted with sincerity. Then came a regular parade of distinguished knights and loyal friends of P.G.K. Postilion, friends who were happy to take a personal part in this well deserved tribute. Philip C. Nilles of Bishop Ketteler Council, Master of the Fourth Degree; John Burke, representative of the K. of C. Softball League; Ray St. Aubin, P.G.K. of Phil Sheridan; George Howlett, G.K. of Americus; Al Thompson, P.G.K. of St. Patrick Council; James Collins, G.K. of Feehan; John Caulfield, G.K. of Damen; Phil C. Koop of Americus; Barney Cunningham, G.K. of Barry; D.D Arthur Donoghue—they were among the visiting dignitaries of the order who eulogized our P.G.K. Among Hughes Council's own, were Worthy Chaplain Father Roger Jones, P.G.K. Elmer J. O'Brien, Athletic Director Elmo L. Ward, G.K. George N. Daly and last, but not least, P.G.K. John Charles Bannon, all of whom paid verbal tribute to the achievements of Dr. Postilion. P.G.K. Bannon made the presentation of a token of the esteem in which P.G.K. Postilion is held by the membership of Hughes. Telegrams of felicitations came from many notables in public and fraternal life, notably State Deputy Leo M. Flynn, Supreme Director Michael Howlett, Judge J. F. Bolton, Judge F. H. Bicek, Dr. Herman Bundesen, et al.

We listened very attentively to the gifted orators and came easily to the conclusion that P.G.K. Dr. Louis Postilion was quite a guy. We had been completely persuaded long ago that Doc was a pretty good fellow, but never realized fully just how great, though we should have known from the remarkable progress achieved by Hughes during his two terms as G. K. It must be that we never stopped to think seriously about it; we knew as well as the next that Dr. Postilion was a loyal friend, an able leader, not given to hard-driving tactics, but winning cooperation through a geniality that stemmed from his deep understanding of and warm sympathy with his fellow men.

It is notable that Dr. Glenn E. Cartwright and Dr. George M. Kramer, president and secretary, respectively, of the Chicago Dental Society, attended the meeting and spoke in glowing terms of Dr. Postilion's interest in organized dentistry and his able activities in behalf of the Chicago Dental Society.

With the modesty that has ever been an outstanding characteristic, P.G.K. Postilion disclaimed any personal credit for the advances made by Hughes Council, attributing this to the wonderful cooperation rendered by his fellow officers and the entire membership. But all of us know that it was his genius for leadership which coordinated the efforts and brought success. May his accomplishin the years to come overshadow all that has gone before.

COMMUNION SUNDAY, NOV. 2

Bro. Thomas P. Dailey, chairman of Catholic Action, made a dramatic and stirring appeal at the last meeting to the assembled members to attend Hughes Council's semi-annual Communion Sunday, November 2, 8 o'clock Mass, St. John Nepomucene Church, 30th and Lowe. Chairman Dailey stressed the importance of a magnificent manifestation of faith, he emphasized the power of good example, and the immediate need of practicing our religion. If you heard Bro Dailey, no exhortations from us are needed. But those who were not at the meeting, certainly should make every effort to receive the Holy Eucharist with their brother knights of Hughes Council on next Sunday. Lowe Street is just three blocks east of Halsted.

Members without transportation are urged to be at Madison and Cicero Avenues at 7:15 a. m. on Sunday, and Bro. Dailey requests that all brothers who are driving their automobiles and can conveniently do so, stop at Madison and Cicero Sunday morning to pick up those seeking rides. Incidentally, breakfast will be served in the school hall after Mass. Our own Rev. Father Jedlicka is pastor of St. John's.

COUNCIL ITEMS

The affable Alf—which means Bro. A. B. McDonough, past treasurer, was on hand for the last meeting, perhaps to do a little coaching for his successor, Chick O'Malley, who is still being asked about his interesting automobile trip through Canada, around Buffalo, etc.

Be sure to give 100% cooperation to Bro. William Kane, chairman of the Membership Committee. Bill is accomplishing great things and not only he, but every member of his committee, is eager to give immediate assitsance to you in your efforts to sign up a prospective member. Let's have a big class come December 2.

Bro. Thomas P. Dailey is confined to the Presbyterian hospital. Visiting hours, 7-8 p. m. on Tuesday, Thursday and Saturday. Call around. By the way, the best bouquet that can be given Tom is a big gathering for Communion Sunday. Others ill are Bro. Thad Dietz, who suffered a relapse, and Bro. John Slonski, in the County hospital, Ward 15, Bed 15. Pray for their early recovery.

Don't forget that the meeting Tuesday, November 4, will be Softball Night. Come out and pay tribute to our West Division Championship softball team.

Sir Knight Joseph Postilion and his charming wife, Irene, celebrated their twentieth wedding anniversary on Wednesday, October 22, while Joe had a birthday the very next day. Congratulations and best wishes.

Condolences are extended to Bro. Paul Petry, a new member, upon death of his sister at Effingham, Ill. May her soul rest in peace.

BOWLING NOTES

Hughes Majors had a big crowd of rooters out last Friday, but dropped the first two games to Brownson, then came back strongly with a 992 game to win the final. Hope the ladies keep coming out to watch the Council League, then the Majors, in the Cascade, 3827 Madison St.

The Peter M. Kellys won the odd game from the McKeown Cartage to take a one-game lead in the Council Bowling League. The teams were battling for first place. Ald. Richard M. Walsh of the 36th Ward led the squad he sponsors to victory over the Votava Auto-Fixers, winning the final two after dropping the opener by six pins. The affable Alderman chalked up a 269 game. Benes Boosters took the odd from the Toomeys; Ward Golds won two from Lauterbach Coals; Malone & Olancy could take only a single game from the Ward Builder Blues. The Council League bowls every Friday at 7 p. m.

Marquette Will Offer Double Attraction for Ladies Night, Nov. 6

It will be Ladies' Night and a fine program is planned. All who attend will be well satisfied.

There is no charge of any kind to the "Ladies' Night" affair, but a good sized attendance makes the lecturer's job much easier. Please set this night aside now. There will be refreshments, cards and surprises fitting the occasion. This will also be Turkey Night for the members, as there will be no other meeting in November due to Thanksgiving falling on the second meeting night.

COUNCIL NEWS: Did you see the Navy on parade last Sunday on Michigan avenue? It was the first time since 1922 that Navy Day had its headquarters in Chicago for its nation-wide observance. The day is sponsored once a year by the Navy League of the United States. Our brother member, Commodore Sheldon Clark, is its president. Bro. Tom Carroll, while bowling last Tuesday night asked Warden Pettis if he learned the "secrets of the sea" during his naval service in the last World War, to which our genial warden responded, "Only those who brave its dangers comprehend its mystery."

MADONNA MEMBERSHIP DRIVE SHOWS RESULTS

2-4 Fri. . . . . 4624 Emerald Ave.

Last Thursday night the first contingent of Madonna's new men received the first and second degrees at Perez clubhouse. These candidates constitute the spearhead of what Chancellor Charlie Scannell hopes will be the most successful drive ever conducted, and the mid-year quota looks like a has-been already.

We salute as full fledged knights, Martin T. Lavin, Matthew J. Purpura, Thos. P. Nealon, Joseph F. Butler, Raymond F. McMahon, John P. Ryan, Jos. M. De Lacy, Elden K. Johnson and Jas. J. Casey.

NO DRIVE

Can continue of its own volition. It must have the whole-hearted and concentrated energy of every member of Madonna, and the eminent Scannell asks all of his fellow knights to pledge themselves to interest one prospect in Columbianism. It isn't asking much of you puss-in-the-corners who appear once a year at Communion Sunday and then vanish, to exert yourself a little and dig up a candidate.

Six more prospective knights await the degrees at Weber Council on Monday night, Nov. 3. The degree to be held in December will be exemplified at Madonna clubhouse. It behooves us that we have a large class. Nuf said!

UNTIL

An elusive eighth sponsor is located by the bowling league, we shall be compelled by the neutrality act to designate the teams by number and name of the captain if we can see around 'em.

After a week of intense thought and consultation with Yogi the Yerk, here we go.

Weber Council Is Latest Unit to Make Honor Roll

Forty-nine New Members Are Added to Order Rolls in Single Degree Exemplification

Another one of the "little fellows" edged its way into the big league circuits this week when Archbishop Weber Council, Chicago's "baby" Knights of Columbus unit, became the third council so far this season to complete its full year's membership quota and so earn the rank of "Honor Roll Council."

Two other units, Daniel O'Connell and St. James, both of which totaled less than 150 members last year, have also earned the coveted Supreme Office recognition and are now hard at work in the effort to earn Century Club rating as having added at least 100 new members during the fiscal year. Archbishop Weber joined the little "Big Three" Monday evening following the induction of its "John Bolton Class" Grand Knight, Joseph Nowakowski, revealed.

Four Councils Represented

Not all of the 49 candidates present at the Monday evening exemplification were from Weber Council, however. Although that unit, as host council for the divisional exemplification, did present the major portion of the class, Dowling, Fort Dearborn and Archbishop Quigley Councils were also strongly represented.

The next divisional degree exemplification for the Chicago councils is that of November 24 at Calumet Council, 6646 Stony Island. This exemplification will include all candidates from both South Divisions Three and Four; since an earlier scheduled degree for the latter division had to be postponed.

Grand Knights of all councils in South Division. Four are asked to make particular note of the shift in degree dates and to present their candidates at the November 24 exemplification so that these may be ready for the major degree class on December 5 at St. Rita Council, 6710 South May street.

EARLY DEADLINE FOR THANKSGIVING ISSUE

Because Thursday, November 20, is Thanksgiving Day and will be celebrated as a National Holiday, all linotype and mailing departments of The Columbian will be shut down.

In order to insure our regular week-end delivery it is therefore necessary to advance the regular Columbian deadline to Monday evening, November 17.

All scribes are asked to submit their Council copy as far in advance of this deadline as is possible. All mailings made late Sunday afternoon, November 16, should be by Special Delivery in order to insure arrival in time for the Monday evening deadline.

Any extra cooperation on the part of the Council scribes will be greatly appreciated by your Columbian staff.

Makes N.C.C.S. Presentation

Rev. William A. O'Connor, archdiocesan director of the National Catholic Community Service Division of the U.S.O., under His Excellency, Most Rev. Archbishop Samuel A. Stritch, was presented with a check for $1,500 (Saturday) by the Knights of Columbus, for the benefit of the N.C.C.S. Club for Service Men at 1122 South Wabash avenue. The money is from the proceeds of the Chicago Chapter's Columbus Day ball at the Palmer House October 11th.

The presentation was made in Father O'Conner's office in the Catholic Charities of which he is the director at 126 North Desplaines street. It was made by State Deputy Leo M. Flynn (left above), attended by other K. of C. officials including Michael J. Howlett, Supreme Director; Henry J. Lynch (right), general chairman of the Columbus Day observance; Jacob A. Mueller, chairman of the ball committee; George A. Wahl, president of the Chicago Chapter, and Edmond J. Molyneux, chairman of the Knights of Columbus N.C.C.S.-U.S.O. committee.

The delay in the presentation of the check was caused by the absence of Father O'Connor on vacation. The money is intended to defray the cost entailed in the furnishing and equipping of the three floors of the club.

Chicago N.C.C.S. Center Takes Lead in Entertaining Men in Service

Recently released news stories on the United Service Organizations reveal that more than 268 service units are now in operation and that of these 53 service clubs for men in uniform and 6 centers for women in defense industries are being operated by the National Catholic Community Service, the Catholic affiliate of the U.S.O.

In Chicago, the Knights of Columbus have taken a leading part in the promotion of the local Service Men's Club at 1122 South Wabash avenue—perhaps one of the most active in the nation.

One exceptionally popular innovation sponsored for the men at the N.C.C.S. Center here is the Sunday afternoon radio broadcast, over Station WHIP, in which randomly selected representatives of the navy, marine and army corps match units in a quiz program for valuable prizes.

So popular has the month-old program become that it has already enlisted a full time sponsor and is assured of continued radio time for the full fall and winter season.

This Sunday's air show will be especailly dedicated as an Armistice Day broadcast. Father Harold Kenny, Chairman of Programs at the service club, expects to present a representative from both the civic and religoius fields on the half-hour program. Miss Jane Lavin, daughter of P.G.K. Edward Lavin of Father Setters Council, is also to be featured in the solo "Thank You America."

Representatives of the military service will provide the vocal background for Miss Lavin's song. The regular quiz program handled by M. C. Dick Bradley and his assistant "Bloomy Blumgren" will be broadcast immediately after Miss Lavin's selection.

C. D. of I. Sponsors Dances

One other very popular weekly feature at the N.C.C.S. Center is the Saturday evening dances sponsored by the Chicago Assembly of the Catholic Daughters of America. Mrs. L. McQuaid, of Leo Court, headed the group of co-operating south side courts that last Saturday sponsored the well attended "Halloween Party."

Assisting Mrs. McQuaid were the Mmes. J. C. Webber, M. O'Leary, M. Du Mais, F. Casserratto, S. O'Donnell and L. Sheehy.

St. Cyr's Champions Get Top Softball Awards at Banquet

State Deputy Flynn, Father Gorman Head List of Distinguished Guests at the Affair

By Johnny Miner

An attendance of several hundred Knights of Columbus were expected to gather at the Midwest Athletic Club, 6 North Hamlin Avenue, last evening to take part in the K. of C. Softball League's annual banquet.

St. Cyr's squad, new champions of the fast-stepping K. C. circuit, were the guests of honor along with the other final place teams that fought their way through one of the toughest ball tournaments of this season. These four top place squads were Leo XIII's "Fighting Irish," the second place champions, St. James winner of third and Santa Maria the fourth place contestant.

All divisional winners, teams that topped the best in each of their various sections, were also to be on hand to receive their awards.

State Deputy Makes Presentation

Among the prominent guests who were to address the softball players and fans were: State Deputy Leo M. Flynn, Father William Gorman, chaplain of the Fourth Degree; Thomas D. Griffin, chairman of the State K. of C. Athletic Commission; "Barney" J. Cunningham and Marco De Stefano, both past presidents of the Softball League.

William Blake, well-known "Big Nine" football referee, handled the duties of introducing the several guest speakers and trophy donors.

Many Awards

Beside the championship cup donated by the State Deputy, other awards included the second place trophy given by Edward J. Kaindl, Recorder of Cook County; third place cup presented by Clayton Smith, Cook County Commissioner, and a fourth place trophy donated by Edw. J. Whalen, Sanitary District Trustee.

'ETERNAL GIFT,' FILM ON MASS, WILL HAVE LOOP SHOWING NOV. 17

For the first time "The Eternal Gift," much talked about Catholic Mass movie, will have a loop presentation when it opens Monday, Nov. 17, at the Woods Theatre, North Dearborn and West Randolph streets, in the heart of the theatrical district, according to an announcement by Father Hugh Calkins, O.S.M., of the Servite Fathers, director of the Chicago showings.

Father Calkins said that arrangements have been made with the Woods theatre management to exhibit the film for five days beginning Monday and ending Friday night. There will be nine shows daily.

More than 100,000 persons saw "The Eternal Gift" recently during seven split theatre dates, and a new motion picture attendance record was set when 25,300 persons thronged the Southtown theatre for a one-day showing.

Madonna to Stage Thanksgiving Eve Dance at La Salle

2-4 Fri. . . . . 4624 Emerald Ave.

It may not be exactly what the Democratic National Committee would like in the line of choice spots, but the Illinois Room of the Hotel La Salle is where Madonna will hold its annual Thanksgiving Eve dance. And if you should happen to see a few banners reading "beat the machine with Green" (or was it "Build" a machine, etc.?) just politely turn your back, honk your nozzle, and listen to Joe McNerny's orchestra beat it out. (The nozzle?—ED.)

Lecturer James McGratch was, in fact, lucky to get that spot, the only other available hotel near the Loop being the Leland, in Aurora. "Duke" plans to conduct this year's toe crusher along the same lines as the Summer Deformal, namely to offer a bonus to the early birds. The ducats have a face value of two slices of folding which includes Lease-Lend tax, Bundles for Britain and Mufflers for Madonna. If, by great mental stress, you decide to dig up the dough in advance you get a cash discount of four—bits—not roses.

Wednesday night, November 19, will be the big night of the Fall season, so garner a girl friend or whisper to the wife and yell to your friends to shuffle off to the Hotel La Salle. Get in line you dopes.

WAGON WHEELS

May roll, but so do the Brunswick special ebonites at the Lucky Strike Alleys. And since the last playful sponsor has come out of hiding, the boys do quite well by themselves. That is, all but Eddie Barry, who grew disgusted with his twirling last week and gave up after the second game. Ed, however, has high individual score for 3 games with 564. Single honors went to the Stockyard Baron, Ed Griffin.

A true and notarized statement of standings appears immediately below and a little to the right:

Boyle's	7	2	O'Connell's ...	3	6

WE HOPE

That this is Friday night to you. If it is, don't forget to wipe your feet on the front mat at 4624 Emerald Ave. And wipe your chin off before you leave. You drip—if you don't. Of course you know that every Friday night is National Tippers Forum night—the tippers forum a line on the right and tip, tip, tipple.

Tonight, Friday, Nov. 7, Chancellor Scannell will also hold a forum on the membership drive. All interested are asked to attend. And don't forget that on Thursday nights the local 66 club holds sway. They sway and sway.

Service Center Dope

A new department in the column (dare we use the term?) will be strictly for the boys in the various services. So far we have five inducted and we invite them to drop us a card telling the mob how they're getting along. We herewith present the addresses of four of our khaki-clad gents and invite you to write them. Here they are:

Prvt. Martin Hoare, Regiment DG-CR (this sounds wrong to us), 69th Armored Regiment, Fort Knox, Ky. Marty, will you please come through with the correct?

Andrew J. Conlin, Private No. 3C, U. S. Rec. Sta., Navy Yard, Philadelphia, Pa.

Private John T. Lavin, No. 7, School Squadron, Barracks 382, Chanute Field, Rantoul, Ill.

Private John Fineran, No. 401 School Squadron, A.C.R.T.C., Shephard Field, Wichita Falls, Texas.

SICK LIST

Seems funny to hear of a medico being sick doesn't it? But Medical Examiner, Dr. Frank Wall doesn't think so. He's in St. Bernard's with an infected hand. Now, this won't hurt you at all, doc.

The Editor had a birthday last week, and couldn't resist stickin' in Madonna's space. Pretty cheap way of lookin' for a present, eh? (What present—anyhow, we figured our "stickin'" couldn't hurt any more than your stinkin'—now, who shoved my hand?—ED)

Hold Benefit Party for Fr. Kilderry on Nov. 14

Father Kilderry of Chicago Council announces that the annual card party for the benefit of his parish of Sts. Peter and Paul at Cary, Illinois, will take place at the Morrison Hotel on the evening of Nov. 14.

Father Kilderry's parish church and school are largely dependent upon the financial help provided by summer visitors and his many friends in the Knights of Columbus. Card games and the distribution of fifty fresh Turkeys will be featured on the program.

University Lines Up Outstanding Program for Armistice Meeting

2-4 Tuesday . St. Ignatius Auditorium

Due to the fact that Service Night Chairman Perice Fenlon has been obliged to return to Hines Hospital, G.K. Murtaugh has called on our standby, Emmet Cleary to pinch-hit for the evening. With very little time to prepare, Emmett has brought together an all-hit program. He has arranged to have Brother James C. Carney, Chairman of Selective Service Local Board No. 75, one of the best informed men in Chicago on his subject, speak on the Selective Service Act and its practical workings.

The present emergency has another side of great interest to all knights and the second speaker, G.K. Y. Bedore of Father Setters Council, will talk on the National Catholic Community Service. Brother Bedore, as Assistant Director of the N. C. C. S. Center at 1122 South Wabash, will give a graphic recital of the way in which Catholics and especially the Knights are keeping up the morale of service men on leave. As an added attraction, Organist Stanley Anstett has arranged a delightful musical program, featuring the newly organized University Council Quartette, the members of which are Jack Curtin, Nick Kacich, Phil Ryan and Charlie O'Connor. Remember the date, next Tuesday, Nov. 11th, at 8:30 p. m.

As Tom Moore promised, the Civic night program was a great success and brought out probably the largest crowd we have had at a meeting in our present quarters. The highlight of the evening was the talk af our brother from Columbus, Judge Robert Dunne, who detailed some of the problems of the Criminal Court. "Duke" brought out forcibly the sad results of the lack of parental supervision over the young people of today and told how difficult it was for the courts to help when the young people had gone wrong enough to come before them.

Others who spoke briefly were Judges Philip Finnegan, John V. McCormick and P.G.K. Joseph H. McGarry, Alderman Frank Keenan. Dean John C. Fitzgerald of Loyola University School of Law and P.G.K. Harrington of Marquette Council. The scribe, with his usual carelessness, has misplaced the notes he carefully took at the meeting and cannot therefore recall the other interesting events of the evening—except that Lecturer Waibel presided at the refreshment table with his usual bounteous grace. Martin Jeffers was present in his usual good form—G.K Murtaugh says that as an added attraction to Service Men's night, Marty will be present but has positively promised not to make a speech.

BAD WEATHER IS ONLY SLIGHT DETERRENT TO MODEL HOME VISITORS

Bad weather interfered somewhat with Du Page County Day at the Mount Verson House of 1941 in La Grange Park on October 30, but from the comments heard throughout the house those who braved the almost incessant rainfall found the room arrangement and well selected furnishings much to their liking and were agreed that their trip had been well worth while.

In the late afternoon Circuit Judge Win G. Knoch and County Judge Russell Keeney were escorted through the house by the Reverend William J. O'Brien, pastor of St. Francis Xavier Church, La Grange, the parish sponsoring the project, and by Frank L. Kartheiser, a friend of long standing. Later the judges and their wives were dinner guests at the Kartheiser home. Unfortunately, Probate Judge and Mrs. Edgar Thoma were unable to be present at the dinner, although the judge visited the house earlier in the day.
